A RESOLUTION GRANTING THE APPEAL OF CARLOS ARCE TO THE DECISION OF THE BOARD OF ZONING ADJUSTMENT DENYING A VARIANCE TO CARLOS ARCE AND J. MASSEY TO PERMIT A SIX FOOT HIGH FENCE IN THE FRONT YARD SETBACK AT 210 BUENA VISTA AVENUE IN THE CITY OF MODESTO.

WHEREAS, an application for a variance from the provisions of Sections 10-2.504 and 10-2.1612 of the Modesto Municipal Code to permit a six foot high fence in the front yard setback at 210 Buena Vista Avenue was filed by Carlos Arce and J. Massey on June 2, 1980, and

WHEREAS, Sections 10-2.1904(a) and 10-2.2001 of the Modesto Municipal Code authorize the Board of Zoning Adjustment to grant variances subject to findings specified in Section 10-2.2003 of said Municipal Code, and

WHEREAS, a public hearing was held by the Board of Zoning Adjustment on June 26, 1980, in the City Council Chambers, City Hall, 801 11th Street, Modesto, California, on said application, and evidence both oral and documentary was received and considered, and

WHEREAS, at said public hearing, the Board of Zoning Adjustment, by its Resolution No. 939, found and determined that the application of Carlos Arce and J. Massey for a variance to permit a six foot high fence in the front yard setback at 210 Buena Vista Avenue should be denied because the applicants failed to demonstrate the existence of the four conditions for a variance as required by Section 10-2.2003 of the Modesto Municipal Code, and

WHEREAS, an appeal was filed by Carlos Arce with the Modesto City Council by a letter dated June 30, 1980, to the decision of the Board of Zoning Adjustment

denying a variance from the provisions of Sections 10-2.504 and 10-2.1612 of the Modesto Municipal Code to permit a six foot high fence in the front yard setback at 210 Buena Vista Avenue in the City of Modesto, and

WHEREAS, said appeal was set for public hearing before the City Council at its regular meeting place located in the Council Chambers in the City Hall, 801 - 11th Street, Modesto, California, at 4:00 o'clock p.m. on August 5, 1980, at which time evidence both oral and documentary was taken and introduced, and at said hearing the Council found and determined that the appeal filed by Carlos Arce to the decision of the Board of Zoning Adjustment denying a variance to permit a six foot high fence in the front yard setback at 210 Buena Vista Avenue in the City of Modesto should be granted for the following reasons, and that the decision of the Board of Zoning Adjustment should be overruled:

1. There are exceptional and extraordinary circumstances or conditions applicable to the property involved, namely, the triangular shape of the lot and placement of the house on it results in the majority of the usable outdoor space being on the street side of the house.

2. A variance is necessary for the preservation and enjoyment of a substantial property right possessed by other property in the same vicinity and zone and denied to the property involved, namely, the fence setback at 15' greatly reduces the usable yard area on this lot compared with other lots in the same vicinity and zone.

3. The granting of a variance will not be materially detrimental to the public welfare or injurious to the property or improvements in such vicinity and zone in which the property is located.

4. The granting of a variance will not adversely affect the comprehensive general plan.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the appeal of Carlos Arce to the decision of the Board of Zoning Adjustment denying a variance from the provisions of Sections 10-2.504 and 10-2.1612 of the Modesto Municipal Code to Carlos Arce and J. Massey to permit a six foot high fence in the front yard setback at 210 Buena Vista Avenue in the City of Modesto is hereby granted for the reasons set forth above, subject to the following conditions, and the

decision of the Board of Zoning Adjustment as set forth in its Resolution No. 939 is hereby overruled:

1. All development shall conform to the plot plan titled "Plot Plan with Proposed Development" as amended in red, stamped approved by the City Council on August 5, 1980.

2. The applicants shall record a "Notice of Conditions" in the Stanislaus County Recorder's Office on a form available in the Planning and Community Development Department.

Orangeburg Avenue, west of Florida Avenue in the City of Modesto, and

WHEREAS, the Modesto City Council, by Resolution No. 79-1123 adopted on October 23, 1979, amended the unclassified use permit referred to above to allow a 24-hour child care facility and for revision of the freestanding and directional hospital signing at Doctor's Hospital, and

WHEREAS, the Modesto City Council, by Resolution No. 79-1248 adopted on December 4, 1979, amended the unclassified use permit referred to above to allow a mobile full body scanner and parking pad, and

WHEREAS, the Modesto City Council, by Resolution No. 80-565 adopted on June 10, 1980, amended the unclassified use permit referred to above to allow a conference building, and

WHEREAS, Doctor's Hospital is now known as Doctor's Medical Center, and

WHEREAS, a verified application to further amend the unclassified use permit referred to above, to permit a helipad, was filed by Doctor's Medical Center on August 29, 1979, and

WHEREAS, Section 10-2.1401 of the Modesto Municipal Code classifies a helipad as an unclassified use, and

WHEREAS, said application was set for public hearing before the Planning Commission in the Council Chambers located in the City Hall, 801 - 11th Street, in the City of Modesto on May 19, 1980, and

WHEREAS, thereafter, upon the evidence, both oral and documentary, taken and introduced at said hearing, the Planning Commission denied the application of Doctor's Medical Center for an unclassified use permit amendment to permit a helipad for lack of sufficient votes to approve or deny the request, and

WHEREAS, an appeal was filed by the law offices of Damrell, Damrell & Nelson on behalf of Doctor's Medical Center by a letter dated May 20, 1980, addressed to the Mayor and City Council Members of the City of Modesto, to the decision of the Planning Commission denying an amendment to the unclassified use permit of Doctor's Medical Center to allow a helipad, and

WHEREAS, said appeal was set for public hearing before the City Council in the City Council Chambers located in the City Hall, 801 11th Street, in the City of Modesto, at 7:30 o'clock p.m. on June 24, 1980, at which time and place said public hearing was opened and then continued to July 22, 1980, at 7:30 o'clock p.m., and

1. The environmental impacts identified by the Environmental Impact Report are overridden by the benefits to the public of prompt emergency health care made possible by air transfer of patients.

2. The location of the helipad balances the needs of operational safety, access to emergency facilities, and neighborhood compatibility.

3. The unclassified use permit and conditions of approval maximize neighborhood compatibility and provide for safe operation, and

WHEREAS, the approval of a helipad granted hereby is in accordance with Section 21661.5 of the Public Utilities Code, which provides for City Council review and approval, and

WHEREAS, the City Council certifies that at said public hearing it reviewed and considered the "Final Environmental Impact Report" dated May, 1980, including the "Draft Environmental Impact Report" dated March, 1980, for Doctor's Hospital Helipad in regard to the environmental impact of the subject project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the appeal filed by the law firm of Damrell, Damrell & Nelson on behalf of Doctor's Medical Center, to the decision of the Planning Commission denying an amendment to the unclassified use permit for Doctor's Medical Center for a helipad at the Doctor's Medical Center complex located on the north side of W. Orangeburg Avenue between Florida Avenue and Sherwood Avenue in the City of Modesto, is hereby granted, subject to the following conditions, and the decision of the Planning Commission, as set forth in its Resolution No. 80-123, is hereby overruled:

1. All development shall conform to the plans titled "National Medical Enterprises -- Site Plan and Stake Out Plan", stamped approved by the City Council on August 5, 1980, and on file in the Planning and Community Development Department.

2. All outstanding conditions set forth in Modesto City Council Resolutions No. 76-939, 79-1123, 79-1248 and 80-565 and in all unclassified use permits theretofore granted to Doctor's Medical Center not inconsistent with the plans and conditions approved hereby shall remain in full force and effect.

3. If, on request of Doctor's Medical Center to accommodate the helipad, the Director of Parks and Recreation determines that any street trees should be pruned, Doctor's Medical Center shall pay for all of the costs involved in pruning said street trees.

4. Operating procedures shall be instituted which insure that the approach and departure corridors approved by the California Division of Aeronautics are utilized for all landings and take-offs, including the following:

   (a) Prepare and circulate to all potential air ambulance operators an information sheet describing the helipad, approach/departure corridors, and operating procedures.

   (b) Mark the roof of the hospital building in large letters visible from the air "DOCTORS HOSPITAL" or "DOCTORS MEDICAL CENTER".

   (c) Install and maintain an appropriate air to ground radio communications system.

5. Use of the helipad shall be restricted to daylight hours only until such time as lighting approved by the California Division of Aeronautics has been installed.

6. No helicopter shall be based at the helipad.

7. Use of the helipad shall be restricted to emergency medical air ambulance service.

8. Approach and departure surfaces designated for the helipad shall not interfere with, limit or restrict the development or use of any public or private properties over which said approach and departure surfaces pass.

9. By July 10th of each year Doctor's Medical Center shall submit to the City Clerk a log of all flight operations utilizing the helipad during the preceding twelve months ending on June 30th of each year. Said log shall include for each operation the following information: date and time of operation, nature of injury, disease or other medical emergency involved, off-site origin or destination of operation, type and size of aircraft utilized, and whether the approved approach and departure corridors were used and if not, a full explanation why the approved corridors were not used.

10. Any City official or any person affected by the use of the helipad, if they believe that a log submitted pursuant to Condition No. 9 above shows that Doctor's Medical Center has failed to comply with any of the conditions set forth herein, may request the Planning Commission to review the unclassified use permit granted hereby in accordance with the provisions of Article 24 of Chapter 2 of Title X of the Modesto Municipal Code (Section 10-2.2401 et seq.).

BE IT FURTHER RESOLVED that failure to comply with any of the conditions set forth above shall constitute grounds for revocation of the unclassified use permit granted to Doctor's Hospital, now known as Doctor's Medical Center, by Modesto City Council Resolution No. 76-939 as thereafter amended, and further amended by this resolution.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby approves the "Final Environmental Impact Report" dated May, 1980, including the "Draft Environmental Impact Report" dated March, 1980, for Doctor's Hospital Helipad, and that the Director of Planning and Community Development of the City of Modesto is hereby directed to file or cause to be filed with the Stanislaus County Clerk a Notice of Determination in regard to the environmental impact of the subject project.

WHEREAS, said application was set for a public hearing before the Planning Commission on July 7, 1980, and continued to July 21, 1980, in the City Council Chambers, City Hall, 801 - 11th Street, Modesto, California, and

WHEREAS, the Planning Commission held a public hearing on said application on July 7, July 21, and August 4, 1980, in the City Council Chambers, City Hall, 801 11th Street, Modesto, California, and

WHEREAS, thereafter the Planning Commission adopted Resolution No. 80-187 recommending to the Council an amendment to Section 22-3-9 of the Zoning Map to reclassify from Low Density Residential Zone, R-1, and Medium Density Residential Zone, R-2, to Planned Development Zone, P-D(273) the above described property, as requested by the applicant, and

WHEREAS, said matter was set for a public hearing before the Council of the City of Modesto at its regular meeting place located in the Council Chambers in the City Hall, 801 11th Street, Modesto, California, on September 2, 1980, at which time and place evidence both oral and documentary was taken and introduced, and

WHEREAS, the City Council certifies it has reviewed and considered the Final Environmental Impact Report in regard to the environmental impact of the subject project, and

WHEREAS, after said public hearing, the Council of the City of Modesto determined that the proposed rezoning from Low Density Residential Zone, R-1, and Medium Density Residential Zone, R-2, to Planned Development Zone, P-D(273) should be denied for the following reasons:

1. The proposed rezoning is in conflict with the Rose Park Neighborhood Zoning and Development Plan regarding:

   a. The depth of zoning for offices from Oakdale Road.

   b. The linear extent of zoning for offices along Oakdale Road,

   and consequently, the proposed acreage of zoning for offices exceeds that of said Plan and the P-O zone guidelines.

2. The proposed rezoning could be the incremental first step toward the stripping of office zoning along Oakdale Road in conflict with said Plan guidelines.

3. The Rose Park Neighborhood Zoning and Development Plan calls for multiple-family residential uses on most of the area of the subject property and, therefore, the property should not be devoted entirely to office uses,

and

WHEREAS, in accordance with the provisions of Section 10-2.2103 of the Modesto Municipal Code, the Council determined that it was appropriate to waive the one year limitation in order that Oakwood Builders could submit a new application to the Planning Commission for an amendment to Section 22-3-9 of the Zoning Map to reclassify the property described above for which rezoning has been denied, and that the waiving of the one year limitation will not adversely affect the interest of the general public,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the proposed rezoning, as recommended by the Planning Commission in its Resolution No. 80-187, to rezone from Low Density Residential Zone, R-1, and Medium Density Residential Zone, R-2, to Planned Development Zone, P-D(273), of the above described property, be denied for the reasons set forth above, and the recommendation of the Planning Commission is hereby overruled.

BE IT FURTHER RESOLVED that the Director of Planning and Community Development of the City of Modesto is hereby directed to file or cause to be filed with the Stanislaus County Clerk a Notice of Determination in regard to the environmental impact of the subject project relating to denial of an amendment to Section 22-3-9 of the Zoning Map of the City of Modesto to rezone certain property located thereon.

BE IT FURTHER RESOLVED that this Council hereby waives the one year limitation in order that Oakwood Builders can submit a new application to the Planning Commission for an amendment to Section 22-3-9 of the Zoning Map to reclassify the property described above for which rezoning has been denied.

WHEREAS, said application was set for public hearing before the Planning Commission at its regular meeting on August 4, 1980, at its regular meeting place located in the Council Chambers in the City Hall, 801 11th Street, Modesto, California, and

WHEREAS, at said hearing, after hearing evidence both oral and documentary, the Planning Commission, by its Resolution No. 80-191, recommended to the Council an amendment to Section 22-3-9 of the Zoning Map to reclassify from Medium High Density Residential Zone, R-3, to Professional Office Zone, P-O, the above described property, as requested by the applicant, and

WHEREAS, the City Council certifies it has reviewed and considered the findings of the City of Modesto Environmental Assessment Committee which resulted in a negative declaration in regard to the environmental impact of the subject project, and

WHEREAS, after said public hearing, the Council of the City of Modesto determined that the proposed rezoning from Medium High Density Residential Zone, R-3, to Professional Office Zone, P-O, should be denied for the following reasons:

1. The proposed rezoning of the subject property to Santa Paula Drive, which is beyond the normal 300 foot deep strip of P-O along Oakdale Road shown on the Rose Park Neighborhood Zoning and Development Plan, creates the possibility of :

    a. Excessive on-street parking on Santa Paula Drive by employees of the office complex if a wall is not used to deny pedestrian access, or

    b. Poor landscape maintenance along Santa Paula Drive if a wall is used to deny pedestrian access and discourage on-street parking on Santa Paula Drive.

2. The Rose Park Neighborhood Zoning and Development Plan shows part of the subject property remaining R-3 multiple family zoning.

3. The applicant requested that either the entire parcel be approved for P-O zoning or that the proposed rezoning be denied,

and

WHEREAS, in accordance with the provisions of Section 10-2.2103 of the Modesto Municipal Code, the Council determined that it was appropriate to waive the one year limitation in order that Zagaris Management Services could submit a new application to the Planning Commission for an amendment to Section 22-3-9 of the Zoning Map to reclassify the property described above for which rezoning has been denied, and that the waiving of the one year limitation will not adversely affect the interest of the general public,

PROPOSED
SCENIC-OAKDALE NO. 2
ANNEXATION

TO THE CITY OF MODESTO

EXHIBIT "A"

Upon completion of annexation to the City of Modesto, the following services will be made available or extended to properties in the annexation area in the manner indicated:

1. FIRE PROTECTION: Upon annexation the property will be withdrawn from the McHenry-Dry Creek Fire Protection District and fire protection will be provided by the Modesto Fire Department. Primary fire response would come from Fire Station No. 3 at El Vista Avenue and Edgebrook Drive. This service would be extended upon the effective date of annexation.

2. POLICE PROTECTION: Modesto City Police would assume responsibility for police protection upon the effective date of annexation.

3. GARDEN REFUSE PICKUP: Weekly garden refuse pickup would be extended to the area upon the effective date of annexation. There is no separate charge for this service.

4. SANITARY SEWER SERVICE: None of the parcels in the annexation area are connected to the City's sanitary sewer system. All parcels can be served by sewer through formation of an improvement district. However, the parcels are considerably lower than the adjacent street (Scenic Drive). For this reason, construction of a sewer lift station is necessary to provide service. Construction of this type of facility is expensive and results in a total sewer cost of from $9,000 to $12,000 per lot. This estimate is based on a preliminary study and is not the result of a detailed engineering design. The estimated costs and methods of financing are as follows:

Sewer lateral and lift station (can be financed through improvement district - payment over 15 years)	-	$8,000 - $10,000
City fees including $300 bond redemption and $500 per acre ($200-$300 per lot) subtrunk fee. (Can be financed by City - payment over 2 years at 7% simple interest)	-	$ 500 - $ 600
House connection and fill septic tank, as privately arranged by homeowner. Required within 5 years after sewer is available (cost varies)	-	$ 750
TOTAL COST	-	$9,250 - $11,350

Because of the unusually high cost of extending sewer service to these 12 parcels the City will not form an improvement district and force sewer construction unless petitioned by a majority of the property owners or there is a failure of existing septic tank systems which cause a health hazard and require a connection to the sewer system to correct.

5. WATER: Water service to the area is currently provided by the Del Este Water Company. This service would continue upon annexation.

6. GARBAGE COLLECTION: Garbage is presently collected from the annexation area by the Modesto Garbage Company. This company would continue the collection after annexation.

MODESTO CITY COUNCIL
RESOLUTION NO. 80-959

A RESOLUTION APPROVING A DEVELOPMENT PLAN FOR PLANNED-DEVELOPMENT ZONE, P-D (272).

WHEREAS, a verified application for an amendment to Sections 22-3-9 and 27-3-9 of the Zoning Map was filed by James R. Corn Enterprises, Inc. on June 16, 1980, to reclassify from Low Density Residential Zone, R-1, to Planned-Development Zone, P-D, the following described property:

All that certain real property situate in a portion of the Southeast quarter of the Southwest quarter of Section 22, Township 3 South, Range 9 East, Mount Diablo Base and Meridian, and a portion of the Northeast quarter of the Northwest quarter of Section 27, Township 3 South, Range 9 East, Mount Diablo Base and Meridian, in the City of Modesto, County of Stanislaus, State of California, described as follows:

Lots 1 and 8 of Sunnyside Acres according to the Official Map thereof, filed in the office of the Recorder of Stanislaus County, California, on May 24, 1911, in Volume 5 of Maps, at page 57.

INCLUDING also the South 25.00 feet of the East 395.53 feet of Lot 31 of the Broughton Colony Tract according to the Official Map thereof, filed in the office of the Recorder of Stanislaus County, California, on November 11, 1903, in Volume 1 of Maps at page 78.

WHEREAS, after public hearing held on July 21, 1980, in the City Council Chambers, City Hall, 801 11th Street, Modesto, California, it was found and determined by the Planning Commission that rezoning of the property as requested is required by public necessity, convenience and general welfare for the following reasons:

1. The proposed P-D zone provides a residential density less than the maximum R-2 density called for in the Sunnyside-Brighton Area Zoning and Development Plan approved by the Planning Commission on June 16, 1980.

2. The conditions of approval along with adherence to the development plans will assure that the development will be constructed and maintained in the best interests of the general public as well as the individual property owners.

POLICY FOR EVALUATING REQUESTS FOR CITY ASSISTANCE

Background

The City receives a number of requests each year from organized groups for direct City assistance for planned and special events.

Such requests for assistance are usually for equipment, supplies, personnel, use of City streets or other facilities, or a combination thereof.

Because of financial and personnel limitations, the City is not always able to provide the requested assistance because of the number of planned and special events and the needs and obligations of the City.

Purpose

The purpose of this policy statement is to establish evaluation criteria to provide a basis for determining when such assistance will be provided and whether a charge will be made.

Policy

A. The City will consider providing direct City assistance when:

1. It has available the personnel, equipment, and/or supplies.

2. Similar services, equipment or supplies are not readily available in the community.

3. The needs and obligations of the City will not be adversely affected.

B. Subject to section A above, the City will consider providing direct City assistance to an organization without charge therefor if the organization is based in Modesto, provides a service or activity primarily for Modesto residents, and the event is:

1. A community-wide event held on a recurring basis to celebrate an established function or festivity, and is open to all Modesto residents who wish to participate.

2. A money-raising event and all proceeds will be turned over to the City for a public purpose.

3. A co-sponsored event with the City of Modesto and the co-sponsoring organization will not realize any profit from the event.

C. Subject to section A above, the City will consider providing direct City assistance to an organization with the cost thereof paid by the organization, if the organization is based in Modesto, and the event is:

1. A fund raising event by a not for profit organization and the proceeds of the event will be used by the organization for charitable purposes.

2. A non-fund raising event which is open to all Modesto residents who wish to participate.

Approved on October 14, 1980, 1980, by Modesto City Council Resolution No. 80-1066.

A RESOLUTION APPROVING APPROPRIATION TRANSFER OF $6,000 FROM RESERVE TO COVER PLUMBING REPLACEMENT AT FIRE STATION NO. 1

BE IT RESOLVED by the Council of the City of Modesto that the following appropriation transfer(s) are approved:

FROM:	Contingency reserve for land acquisition & capital (006110)	$6,000
TO:	Plumbing replacement, Fire Station No. 1 (006604)	$6,000

The original sink and drain line plumbing for Station 1 has deteriorated to the point where refuse is leaking through the rear station wall and running down the interior and exterior of wall. It will be necessary to route new plumbing on the wall surface as there is no provision for in-wall replacement. The original drain from the building to the sewer (under concrete) must also be replaced as it is impossible to keep it free and functioning. Sink drain backup occurs in the hose tower causing a health hazard.

RESOLUTION NO. 80-1103

A RESOLUTION DENYING THE APPEAL OF CARMEN GARCIA TO THE DECISION OF THE BOARD OF ZONING ADJUSTMENT DENYING A CONDITIONAL USE PERMIT FOR A FAMILY CARE HOME (WOMEN'S ALCOHOLIC RECOVERY HOME) AT 115 JONES STREET IN THE CITY OF MODESTO AND AFFIRMING THE DECISION OF THE BOARD OF ZONING ADJUSTMENT.

WHEREAS, an application for a conditional use permit for a family care home (women's alcoholic recovery home) at 115 Jones Street in the City of Modesto was filed by Carmen Garcia on July 24, 1980, and

WHEREAS, Sections 10-2.1904(a) and 10-2.2004 of the Modesto Municipal Code authorize the Board of Zoning Adjustment to grant conditional use permits, and

WHEREAS, a public hearing was held by the Board of Zoning Adjustment on August 28, 1980, in the City Council Chambers, City Hall, 801 11th Street, Modesto, California, and at said hearing the Board of Zoning Adjustment, by Resolution No. 942, found and determined that the applicant had failed to demonstrate the compatibility of the proposed use to other existing or potential uses within the general area in which such use was proposed to be located, and

WHEREAS, at said public hearing referred to above, the Board of Zoning Adjustment denied the application for a conditional use permit to Carmen Garcia for a family care home (women's alcoholic recovery home) at 115 Jones Street, for the following reasons:

1. The proposed use will generate more traffic and parking needs than conventional housing permitted in the R-2 Zone. Consequently, the proposed use at this site will add to existing problems of insufficient on-street parking and excessive traffic congestion.

2. The property for the proposed use fronts on Jones Street which is only 29.5' curb to curb and Grant Street which is only 24.0' curb to curb. In addition, both streets are closed near McHenry Avenue on Friday and Saturday nights,

and

WHEREAS, an appeal was filed by Carmen Garcia with the City Clerk of the City of Modesto on September 17, 1980, to the decision of the Board of Zoning Adjustment denying her request for a conditional use permit for a family care home (women's alcoholic recovery home) at 115 Jones Street in the City of Modesto, and

WHEREAS, said matter was set for public hearing before the City Council at its regular meeting place located in the Council Chambers in the City Hall, 801 - 11th Street, Modesto, California, at 7:30 o'clock p.m. on October 28, 1980, and

WHEREAS, at said meeting said Council, after hearing evidence both oral and documentary, found and determined that the appeal filed by Carmen Garcia to the decision of the Board of Zoning Adjustment denying her request for a conditional use permit for a family care home (women's alcoholic recovery home) at 115 Jones Street in the City of Modesto should be denied for the reasons set forth in the Board of Zoning Adjustment Resolution No. 942, and quoted above, and that the decision of the Board of Zoning Adjustment should be affirmed, and

WHEREAS, the City Council, at said Council meeting, reviewed and considered the findings of the City of Modesto Environmental Assessment Committee which resulted in a negative declaration in regard to the environmental impact of the proposed project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the appeal filed by Carmen Garcia to the decision of the Board of Zoning Adjustment denying a conditional use permit for a family care home (women's alcoholic recovery home) at 115 Jones Street in the City of Modesto is hereby denied for the reasons set forth in Board of Zoning Adjustment Resolution No. 942, quoted above, and the decision of the Board of Zoning Adjustment denying her request for a conditional use permit is hereby affirmed.

BE IT FURTHER RESOLVED that the Director of Planning and Community Development of the City of Modesto is hereby directed to file or cause to be filed with the Stanislaus County Clerk a Notice of Determination in regard to the environmental impact of the subject project relating to the vacation and abandonment of the 6-foot public walkway in Blocks 13106 and 13115 between Lexington Drive and Annapolis Avenue west

MODESTO CITY COUNCIL
RESOLUTION NO. 80-1118

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MODESTO UPHOLDING A DECISION OF THE CHIEF OF POLICE DENYING A PERMIT FOR A PARADE.

WHEREAS, an application, a copy of which is attached hereto and marked Exhibit A, was made to the Chief of Police by Bill Albers of 1604 St. Francis, Modesto, California, for a permit for the KKK to hold a parade on Saturday, November 15, 1980, for six hours, starting at 9:00 o'clock a.m. and ending at 3:00 o'clock p.m., with an hour preceding 9:00 o'clock a.m. requested for assembling of the parade. Said parade was proposed to commence at the Stanislaus County Courthouse on I Street, and from there to cover a route which proceeds to 12th Street to H Street to 9th Street to J Street to 11th Street and back to I Street, taking up one-half of each of those streets, and

WHEREAS, the Chief of Police by a letter, a copy of which is attached hereto and marked Exhibit B, denied said permit, and

WHEREAS, Section 4-8.07 of the Modesto Municipal Code provides that any person who has been denied a permit by the Chief of Police may appeal to the City Council, and

WHEREAS, by a letter dated October 27, 1980, Bill Albers appealed said denial to the City Council, and

WHEREAS, said appeal was set for hearing before the City Council at its regular meeting on Tuesday, November 4, 1980 at the hour of 4:00 o'clock p.m. in the Council Chambers in City Hall, 801 Eleventh Street, Modesto, California, and

WHEREAS, the City Clerk gave notice of said hearing as required by law, and

WHEREAS, after receiving and considering said evidence, this Council has found and determined that the decision of the Chief of Police in denying said permit should be upheld and the appeal denied.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it does hereby find and determine as follows:

1. Numerous groups and individuals have indicated to this Council that they intend to physically protest and demonstrate against the proposed parade.

2. The above-mentioned protests and demonstrations would occur while the applicant was engaged in the proposed parade and would seriously interfere with the conduct of the proposed parade and would prevent its successful completion.

3. The length of time and the location of the proposed parade and the manner in which it will be held, with protests and demonstrations likely to occur against it, will cause an unreasonable disruption of normal activities of citizens of Modesto, and presents a clear and present danger to the general community welfare and public order.

4. Any attempt by the City of Modesto to provide a sufficient number of police officers to properly police the line of movement of the parade, and attendant protests and demonstrations in the areas contiguous thereto, would result in the remaining portions of the City being deprived of a necessary level of police protection.

5. The conduct of the proposed parade is reasonably likely to cause injury to persons and property and threatens the general peace and order of the City of Modesto and its citizens.

6. The applicant has available numerous ways and means, other than the proposed parade, to communicate to the public its views and opinions in an equally effective manner, and such other ways and means would not create the same unreasonable disruption of normal activities of citizens of Modesto nor would they create threats to the general peace and order of the community.

BE IT FURTHER RESOLVED that based on the above findings this Council upholds the decision of the Chief of Police in denying Bill Albers a permit for the KKK to hold the proposed parade and denies the appeal of Bill Albers from said decision of the Chief of Police.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of November, 1980, by Councilmember Kullijian, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

A RESOLUTION DENYING THE REQUEST OF TURLOCK CARTON PRESS FOR A LIMITED LICENSE FOR THE COLLECTION OF SALVAGEABLE WASTE IN THE CITY OF MODESTO.

WHEREAS, on September 24, 1980, Turlock Carton Press filed an application with the City Clerk of the City of Modesto for a limited license for the collection of salvageable waste in the City of Modesto, and

WHEREAS, said application was set for hearing before the City Council at its regular meeting on October 23, 1980, at 7:30 o'clock p.m. in the Council Chambers, City Hall, 801 11th Street, Modesto, California, and

WHEREAS, after the public hearing held on October 23, 1980, said matter was continued to November 18, 1980, at 4:00 o'clock p.m., at which hearing evidence both oral and documentary was presented and considered, and

WHEREAS, after said continued public hearing, the Council of the City of Modesto found and determined that the application of Turlock Carton Press for a limited license for the collection of salvageable waste in the City of Modesto should be denied for the following reasons:

1. In order to protect the public health and safety it is necessary to regulate and control the collection of salvageable waste in the City of Modesto, including limiting the number of licensees.

2. Presently there are four licensees authorized to collect salvageable waste in the City of Modesto, which is an adequate number to provide competitive salvageable waste collection services.

3. It has not been shown that a need exists for an additional licensee to collect salvageable waste in the City of Modesto.

4. The issuance of another salvageable waste license would affect the public health and safety of the citizens of Modesto by creating an overly competitive situation which could result in a lack of collection services during times when there is a poor market for salvageable waste.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the application of Turlock Carton Press for a limited license for the collection of salvageable waste in the City of Modesto be denied for the reasons set forth above.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 18th day of November, 1980, by Councilmember Muratore, who moved its adoption, which motion being duly seconded by Councilmember Lang, was upon roll call carried and the resolution adopted by the following vote:

WHEREAS, a verified application for an amendment to P-D(89) was filed by Raymond Swanson, President, Modesto Verde Homeowners' Association, on October 14, 1980, to permit construction and use of individual television and radio antennas in a mobilehome subdivision located near the northwest corner of Prescott Road and Rumble Road, and

WHEREAS, a public hearing was held by the Planning Commission on October 27, 1980, in the City Council Chambers, City Hall, 801 11th Street, Modesto, California, for the purpose of considering said application for an amendment to P-D(89), and

A RESOLUTION AMENDING SECTION 12 OF THE PERSONNEL RULES RELATING TO APPEALS AND HEARINGS.

WHEREAS, Section 1202 of Article XII of the Charter of the City of Modesto provides that the Personnel System provided by said Article shall be implemented by such rules and regulations governing the administration thereof as are adopted by the City Council upon recommendation of the City Manager, and

WHEREAS, the City Council has reviewed an amendment to Section 12 of the Personnel Rules as recommended by the City Manager and finds that said proposed amendment to Section 12 promotes the purpose and objectives of the Personnel System,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

RULE 12 - APPEALS AND HEARINGS

12.1 Requests for Hearing on Disciplinary Action

Any regular employee holding a position in the classified service shall have the right of appeal relative to any suspension, demotion or dismissal in accordance with the applicable provisions of the Modesto Municipal Code. The hearing on such an appeal shall be before a hearing officer selected by the Board of Personnel Appeals.

12.2 Selection of Hearing Officer by Board of Personnel Appeals

Upon receipt of a demand in writing for a hearing upon charges relating to the suspension, demotion or dismissal of an employee, submitted in accordance with the applicable provisions of the Modesto Municipal Code, the City Manager or his designated representative shall request that the Board of Personnel Appeals meet and appoint a hearing officer. At least five (5) days prior to the meeting, notice of the time and place where the meeting of the Board of Personnel Appeals is to be held shall be delivered personally or placed in the United States Mail addressed to the employee at his/her last known address as shown in the personnel records of the City.

12.3 Hearing Officer Responsibility

The hearing officer shall proceed in any manner which will, in the hearing officer's judgment, develop all the facts bearing upon the matter before him/her, and no informality in his/her action shall constitute just cause for criticism of his/her findings and recommendations. Within thirty (30) days after the matter is submitted the hearing officer shall furnish certified copies of his/her

findings and recommendations to the persons concerned. The original copy of the findings and recommendations shall be submitted to the City Manager for final determination. The decision of the City Manager shall be final.

12.4 Regulations Governing the Conduct of Hearings by Hearing Officers

(a) Hearing Date to be Fixed. The person selected by the Board of Personnel Appeals as the hearing officer shall, after being sworn in by the City Clerk, set a date for the commencement of the hearing. Said date shall be no later than the 60th day after the appeal was filed with the Director of Personnel.

(b) Right of Employee. At the hearing the employee shall have the right to be represented by counsel, to present any relevant evidence, to request the subpoena of witnesses and relevant documentary evidence, and to cross examine witnesses.

(c) Oath or Affirmation. No witness shall testify except upon oath or affirmation.

(d) Conduct of Hearing. The hearing shall be informally conducted, and the technical rules of evidence shall not apply, but the evidence shall be restricted to that relevant to the charges. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded.

(e) Right to Examine Employee. If the employee appealing does not testify in his own behalf, he may be subpoenaed and examined as if under cross-examination.

(f) Transcript. The City shall employ a competent reporter to record the proceedings. The employee may obtain a copy of such transcript upon paying the cost thereof.

(g) Exclusion of Witnesses. If either party requests it, the hearing officer may exclude from the hearing room any witness not at the time under examination so that he/she may not hear the testimony of other witnesses, but a party to the proceeding may not be so excluded.

(h) Findings and Recommendations of Hearing Officer. The hearing officer shall, after the matter is submitted, prepare and file findings and recommendations as provided in Personnel Rule 12.3.

(i) Consideration of Proposed Findings and Recommendations. After findings and recommendations are filed by a hearing officer with the City Manager, the City Manager shall determine the matter by:

(1) Adopting the findings and recommendations in their entirety.
(2) Modifying the findings and/or recommendations; or
(3) Rejecting the findings and recommendations in their entirety.

If the City Manager rejects the findings and recommendations in their entirety, the City Manager shall either refer the matter back to the hearing officer to take additional evidence, or order a transcript and decide the matter within fifteen (15) days after receipt of the transcript, upon the record, including said transcript. In the event the matter is referred back to the hearing officer, he/she shall, after taking additional evidence and the matter is resubmitted, prepare new findings and recommendations as provided in Rule 12.4(h) based upon the additional evidence and upon the record of the prior hearing.

(j) Determination by City Manager. Within fifteen (15) days after the presentation of findings and recommendations by the hearing officer, the City Manager shall make a determination as provided in Personnel Rule 12.4(i) and shall provide written notification of the determination to the appellant.

RESOLUTION NO. 80-1276

A RESOLUTION GRANTING THE APPEAL OF ROBERT DU BOIS, FILED ON BEHALF OF DELTA BLOOD BANK, TO A FINDING OF THE ENVIRONMENTAL ASSESSMENT COMMITTEE OF THE CITY OF MODESTO THAT AN ENVIRONMENTAL IMPACT REPORT IS NECESSARY ON DELTA BLOOD BANK'S REZONING APPLICATION DATED NOVEMBER 14, 1980.

WHEREAS, an application dated November 14, 1980, for an amendment to the Zoning Map for rezoning from Single Family Residential Zone, R-1, to Professional Office Zone, P-O, property located at the northeast corner of East Orangeburg Avenue and Melrose Street, was filed with the Planning Commission by Robert Du Bois on behalf of Delta Blood Bank, and

WHEREAS, said application for an amendment to the Zoning Map for rezoning said property was referred to the Environmental Assessment Committee of the City of Modesto, which Committee found and determined that an Environmental Impact Report was required on the requested rezoning from Single Family Residential Zone, R-1, to Professional Office Zone, P-O, because the rezoning would involve a substantial change or alteration from planned use as set forth in the General Plan and adopted zoning and development policy and the rezoning would have impacts which, though individually limited, cumulatively could be considerable, and

WHEREAS, on November 25, 1980, Robert L. Du Bois, on behalf of Delta Blood Bank, filed an appeal to the decision of the Environmental Assessment Committee with the City Clerk of the City of Modesto, which appeal was set for a public hearing by the City Council on December 16, 1980, at 4:00 o'clock P.M., at which time the Council found and determined that said appeal to the findings by the Environmental Assessment Committee that an Environmental Impact Report is required on said application should be granted, and that an Environmental Impact Report is not required to be filed for the proposed project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby grants the appeal of Robert L. Du Bois, filed on behalf of Delta Blood Bank, to the decision of the Environmental Assessment Committee of the City of Modesto which found that an Environmental Impact Report was necessary on Delta Blood Bank's application dated November 14, 1980, for an amendment to the Zoning Map for rezoning from Single Family Residential Zone, R-1, to Professional Office Zone, P-O, property located at the northeast corner of East Orangeburg Avenue and Melrose Street,

BE IT FURTHER RESOLVED that an Environmental Impact Report is not required on said application by Delta Blood Bank for an amendment to the Zoning Map because the proposed project will not involve a substantial change or alteration from planned land use as set forth in the General Plan and adopted zoning and development policy, and the rezoning will not have environmental impacts which are individually limited but cumulatively considerable, for the following reasons:

1. The project does not involve a "substantial" change or alteration from planned land use as set forth in the General Plan and adopted zoning and development policy.

2. The project does not have impacts which are individually limited but "cumulatively considerable."

BE IT FURTHER RESOLVED that the City Clerk is hereby directed to file a certified copy of this resolution with the Stanislaus County Clerk as a negative declaration that the proposed rezoning will not have a significant effect on the environment and to publish a notice of preparation of negative declaration one time in the Modesto Bee. Anyone wishing to respond to the finding of a negative declaration may do so within fifteen (15) days of the date of the filing of this resolution with the Stanislaus County Clerk. This response must be in writing and filed with the City Clerk, City of Modesto, P. O. Box 642, Modesto, California,

95353, and shall name the project as "Rezone R-1 to P-O, Delta Blood Bank" and shall state the date of filing of this resolution with the Stanislaus County Clerk.
