AHU #1 and #2 Damper Actuators

Modesto Centre Plaza
 1000 L Street
 Modesto CA 95354
 Attn: Erik Gonzalez

Quote: 47381

Phone: 209-281-1658

Dear Erik:

We are providing our proposal for the replacement of current buildings pneumatic dampers on AHU #1 and #2 with new electronic ones. All work is quoted at prevailing wage to be performed M-F during normal business hours. Listed below are the details of our proposal:

Equipment to be Replaced:

- (4)pneumatic damper actuators on AHU #1 & #2

Equipment to be Included:

- (4) electronic actuators
- (4) Room Sensors

Scope of Work:

- Replace failing AHU 1&2 pneumatic damper actuators with new electronic actuators, (4) in total. Integrate new actuators into control scheme.

Total Cost:

\$7,238.00

Exclusions:

- Internet Connectivity, Dampers and/or repairs, electrical work or repairs, roof jacks, demo, paint, patch, core drilling, dumpster fees and/or any work outside the above scope of work or scope for control system.

Thank you for the opportunity to provide this proposal, we look forward to working with you on this project!

Respectfully,
 American Chiller Service, Inc.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-176**

**RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS,
ACCEPTING THE BID AND AWARDING THE CONSTRUCTION CONTRACT
TO DSS COMPANY, DBA KNIFE RIVER CONSTRUCTION, OF STOCKTON,
CALIFORNIA, IN THE AMOUNT OF \$1,588,636 FOR THE CLAUS ROAD
PAVEMENT REHABILITATION PROJECT, AND AUTHORIZING THE
INTERIM CITY MANAGER, OR HIS DESIGNEE TO EXECUTE THE
AGREEMENT**

WHEREAS, plans and specifications have been prepared for the Claus Road Pavement Rehabilitation Project, and City staff recommends approval by the City Council, and

WHEREAS, the project was advertised for bids on February 28, 2018, bids were publicly opened at 11:00 a.m. on April 3, 2018 pursuant to Modesto Municipal Code 8-3.403 and Charter Section 1307 and four responsive bids were received, and

WHEREAS, the proposed award of bid to DSS Company, dba Knife River Construction, of Stockton, CA conforms to Modesto Municipal Code section 8-3.403 and Modesto Charter Section 1307 and is the lowest responsive and responsible bidder, and

WHEREAS, the Director of Community and Economic Development has recommended that the bid of \$1,588,636.00 received from DSS Company, dba Knife River Construction of Stockton, California, be accepted as the lowest responsible and responsive bid and the contract be awarded to DSS Company, dba Knife River Construction,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for the Claus Road Pavement Rehabilitation Project, accepts the bid of DSS Company, dba Knife River Construction of Stockton, California in the amount of \$1,588,636.00, and awards DSS Company, dba

Knife River Construction of Stockton, California the contract for the Claus Road
Pavement Rehabilitation Project.

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is
hereby authorized to execute the contract.

The foregoing resolution was introduced at a regular meeting of the Council of
the City of Modesto held on the 22nd day of May, 2018, by Councilmember Kenoyer,
who moved its adoption, which motion being duly seconded by Councilmember Grewal,
was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-177**

**RESOLUTION APPROVING THE PLANS, SPECIFICATIONS AND BID,
AWARDING THE CONSTRUCTION CONTRACT TO DSS COMPANY DBA
KNIFE RIVER CONSTRUCTION OF STOCKTON, CALIFORNIA, IN THE
AMOUNT OF \$2,204,866 FOR THE CARPENTER ROAD STREET
IMPROVEMENTS PROJECT AND AUTHORIZING THE INTERIM CITY
MANAGER, OR HIS DESIGNEE TO EXECUTE THE AGREEMENT**

WHEREAS, on May 24, 2016, by Resolution 2016-220, Council approved list of projects to be funded upon the passage of Measure L within the first 5 years, and

WHEREAS, the list includes the Carpenter Road Street Improvements project under the Local Streets and Roads category with a total budget of \$2.9 million dollars, and

WHEREAS, in November of 2016 the voters of Stanislaus County approve the county wide, 25-year, half-cent sales tax increase known as Measure L, and

WHEREAS, on July 5, 2017, by Resolution 2017- 269, Council approved a list of proposed projects including the Carpenter Road Street Improvements project to be funded with Measure L tax proceeds in Fiscal Year 2017-18, and

WHEREAS, in accordance with Administrative Directive 3.1 staff utilized a pre-qualified local consultant list and requested a proposal from Drake Haglan to perform design services for the Carpenter Road Street Improvements project, and

WHEREAS, on December 12, 2017, by Resolution 2017-502, Council approved an Agreement with Drake Haglan and Associates, Modesto, CA, for professional engineering design services, and

WHEREAS, plans and specifications have been prepared for the Carpenter Road Street Improvements Project, and City staff recommends approval by the City Council, and

WHEREAS, the project was advertised for bids on April 10, 2018, bids were publicly opened at 11:00 a.m. on May 1, 2018 pursuant to Modesto Municipal Code 8-3.403 and Charter Section 1307 and one responsive bid was received, and

WHEREAS, the proposed award of bid to DSS Company, dba Knife River Construction, of Stockton, CA conforms to Modesto Municipal Code section 8-3.403 and Modesto Charter Section 1307 and is the lowest responsive and responsible bidder, and

WHEREAS, the Director of Community and Economic Development has recommended that the bid of \$2,204,866 received from DSS Company, dba Knife River Construction of Stockton, California, be accepted as the lowest responsible and responsive bid and the contract be awarded to DSS Company, dba Knife River Construction,

NOW, THEREFORE BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans, specifications and bid and awards the construction contract to DSS Company dba Knife River Construction of Stockton, California, in the amount of \$2,204,866 for the Carpenter Road Street Improvements Project.

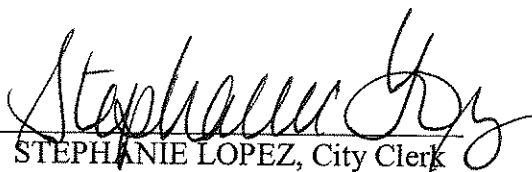

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to execute the contract, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 22nd day of May, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2018-178**

**RESOLUTION AUTHORIZING THE UTILITY DEPARTMENT DIRECTOR TO
APPROVE CHANGE ORDERS UP TO THE CUMULATIVE AMOUNT OF
\$220,487 (10% OF THE ORIGINAL CONTRACT PRICE)**

WHEREAS, the contingency cost for Carpenter Road Street Improvements Project has been estimated to be \$220,487, 10% of the original contract price, an amount which exceeds the Director's authority for the project as established by Change Order Policy 1.028, and

WHEREAS, the reason for the increased contingency is because of the accelerated design and review period to construct portions of the project which front Central Catholic High School this summer in order to avoid traffic congestion issues while school is in session, and

WHEREAS, the Director of Utilities shall have authority to approve change orders up to the cumulative amount of \$220,487.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Utility Department Director to approve change orders up to the cumulative amount of \$220,487 (10% of the original contract price).

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-179**

RESOLUTION APPROVING A CHANGE ORDER TO PURCHASE ORDER#135006 WITH DOCON, INC., MODESTO, CA IN THE AMOUNT OF \$7,161 FOR THE INSTALLATION OF SHADE NETTING FABRIC AT JOHN THURMAN FIELD, AN ADDITIONAL \$3,305 IN PROJECT CONTINGENCY (IF NEEDED), AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE TO ISSUE CHANGE ORDERS TO THE PURCHASE ORDER FOR A TOTAL AMOUNT NOT TO EXCEED \$36,360 AS NECESSARY

WHEREAS, Council approved an agreement with HWS Baseball, IV. LLC, operating as The Modesto Nuts (NUTS) for the use, operation and management of John Thurman Field by Resolution No. 2016-503, and

WHEREAS, Council also established a fund for capital improvements to be made to the stadium by Resolution No. 2016-504, and

WHEREAS, the list of 2018 capital improvements were reviewed by Council on October 24, 2017, and

WHEREAS, Council amended the fiscal budget by Resolution No. 2017-413 to fund CIP Project #101019, and

WHEREAS, installing shade netting fabric was determined to be one of the top priority projects to complete prior to the 2018 season, and

WHEREAS, the project was bid on February 1, 2018, and

WHEREAS, DOCON, Inc. of Modesto, CA was the only bidder to respond to the bid request, and

WHEREAS, the one bid was determined to be reasonable and fair, and

WHEREAS, DOCON, Inc. of Modesto, CA was awarded purchase order #135006 in an amount of \$25,894 to install shade fabric at John Thurman Field, and

WHEREAS, a change order in the amount of \$7,161 is necessary to ensure the longevity of the shad netting and to increase the fabric warranty from 1 year to 10 years, and

WHEREAS, an additional project contingency of \$3,305 is necessary to ensure the project can be completed without further delay.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a change order to purchase order #135006 with DOCON, Inc. of Modesto, CA in the amount of \$7,161 for the installation of shade netting fabric at John Thurman Field and an additional \$3,305 in project contingency (if needed) .

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is hereby authorized to issue change orders to the purchase order for a total amount not to exceed \$36,360.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 22nd day of May, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-180**

RESOLUTION APPROVING THE CANCELLATION OF SEVEN COMPLETED BIDS FOR 22 VEHICLES AND PIECES OF EQUIPMENT FROM VARIOUS VENDORS

WHEREAS, funds were approved and allocated in the budget adoption for Fiscal Years 2016-2017 and 2017-2018 for the purchase of 22 new and replacement units to be assigned to various departments and divisions, and

WHEREAS, the Interim City Manager authorized the Purchasing Manager to issue formal Request for Bids (RFB) for new vehicles and heavy equipment through various competitive processes, and

WHEREAS, the Purchasing Division issued seven RFBs in late 2017 and early 2018 for the purchase of 22 new and replacement vehicles and equipment on the City's website under the appropriate commodity codes for automotive vehicles and related transportation equipment, and

WHEREAS, all bids had detailed bid specifications posted on Planet Bids per the City's purchasing guidelines and prospective bidders were notified online of the bid opportunity, and

WHEREAS, the City received seven completed bids and all bids received were compliant per bid specifications and many of the vendors were willing to hold the pricing longer than originally required in order to do business with the City, and

WHEREAS, since receiving the completed bids, it was determined to cancel non-urgent, non-awarded bids and RFBs and to remove any posted bids from Plant Bids, pending a Fleet Utilization Study, and

WHEREAS, a Fleet Utilization Study was identified as part of Fleet Efficiency

Study recommendations to examine the existing inventory and determine the necessity of all current equipment and vehicles, and

WHEREAS, the study is scheduled to be completed in late June 2018, and it is anticipated that there will be a reduction in the size of the fleet and therefore an inventory of existing resources that could be transferred across the organization, and

WHEREAS, once the study is complete, staff will reevaluate the need for fleet purchased and adjust the bids accordingly.

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the cancellation of seven completed bids for the purchase of 22 vehicles and pieces of equipment from various vendors as listed in **Exhibit A**.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 22nd day of May, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

TRANSPORTATION DEVELOPMENT ACT (TDA) TRANSIT CLAIM FOR
FISCAL YEAR 2018-2019 TO THE STANISLAUS COUNCIL OF
GOVERNMENTS (STANCOG) IN THE AMOUNT OF \$11,815,332**

WHEREAS, the greatest portion of the City's funding for the Transit Service Program is made available under the Transportation Development Act (TDA), which includes Local Transportation Fund (LTF) funds and State Transit Assistance (STA) funds, and

WHEREAS, the Stanislaus Council of Governments (StanCOG) has informed the Finance Department that TDA funds have been apportioned by the State to StanCOG for allocation to public transit agencies pursuant to Article 4 of Chapter 4 of the California Public Utilities Code (PUC), and

WHEREAS, the City has prepared its TDA claim for Fiscal Year 2018-2019 pursuant to these sections of the California PUC, and

WHEREAS, the City's Transit TDA Claim for Fiscal Year 2018-2019 is \$11,815,332, and

WHEREAS, the total Transit Operating Budget for Fiscal Year 2018-2019 is \$20,192,774, and

WHEREAS, Council action authorizing submission of the Claim is required by StanCOG pursuant to Section 99233.11 of the California PUC before any TDA funding can be released to the City.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves submission of the TDA transit claim for Fiscal Year 2018-2019 to StanCOG in the amount of \$11,815,332.

RESOLUTION NO. 2018-182**

RESOLUTION APPROVING FARE CHANGES ON THE MODESTO AREA EXPRESS (MAX) COMMUTER SERVICE TO THE BAY AREA RAPID TRANSIT (BART) STATION EFFECTIVE JULY 1, 2018, AND AUTHORIZING THE TRANSIT MANAGER TO IMPLEMENT THE CHANGES

WHEREAS, passenger fares for Modesto Area Express (MAX) commuter service to the Bay Area Rapid Transit (BART) station in Pleasanton need to be updated to allow for the new electronic fare media, and

WHEREAS, Transit staff conducted a survey of MAX BART riders and determined that the majority of riders expressed satisfaction with the change, and

WHEREAS, the regular one-way and round trip fares will remain the same, and

WHEREAS, the monthly and partial month passes will be changed to a 31-Day Pass and a 7-Day Pass, to more closely align with regular MAX passes.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the following fares are hereby changed for passengers riding on the MAX commuter service to the BART station:

MODESTO AREA EXPRESS	
BART Express Commuter Service	
31-Day Pass	\$175.00
7-Day Pass	\$50.00
One-Way	\$14.00
Round-Trip	\$16.00

BE IT FURTHER RESOLVED that these fares shall go into effect on and after July 1, 2018.

BE IT FURTHER RESOLVED that the Transit Manager is hereby authorized to implement the changes to passenger fares.

RESOLUTION APPROVING A TEN-YEAR LICENSE AGREEMENT WITH ORCHARD SUPPLY COMPANY, LLC, FOR THE USE OF PARKING SPACES FOR THE MODESTO AREA EXPRESS (MAX) PARK AND RIDE LOT AT 2800 SISK ROAD FOR A TOTAL AMOUNT OF \$6,000 IN THE INITIAL YEAR AND A TOTAL COST NOT TO EXCEED \$63,000 FOR THE TERM OF THE AGREEMENT, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the City has used the parking spaces it currently occupies at the Orchard Supply Hardware (OSH) store at 2800 Sisk Road since 2004 when the City entered into the original agreement, and

WHEREAS, the parking lot is used for a Park and Ride lot for people using the Modesto Area Express (MAX) commuter bus to the Bay Area Rapid Transit (BART) station in Pleasanton.

WHEREAS, the parking lot provides a lighted, convenient and well-maintained location for people to park their vehicles for the day, and

WHEREAS, there has not been a written agreement in place with OSH since 2008, and

WHEREAS, on May 9, 2018, this item was presented to the Economic Development Committee for their acceptance, and the Committee recommended forwarding to Council for consideration of approval.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the license agreement with Orchard Supply Company, LLC, for the use of the parking lot at 2800 Sisk Road for a total amount of \$6,000 in the initial year and a total cost not to exceed \$63,000 for the ten-year term of the agreement.

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to execute the Agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 22nd day of May, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-184**

**RESOLUTION APPROVING A SOLE SOURCE PURCHASE AGREEMENT
WITH AVAIL TECHNOLOGIES, INC., STATE COLLEGE, PA, FOR
REPLACEMENT CELLULAR MODEMS UTILIZED BY MODESTO AREA
EXPRESS (MAX) FOR A TOTAL COST NOT TO EXCEED \$316,144 FOR
THREE YEARS, AND AUTHORIZING THE INTERIM CITY MANAGER, OR
HIS DESIGNEE, TO EXECUTE THE PURCHASE AGREEMENT**

WHEREAS, on March 6, 2007, by Resolution No. 2007-161 Council awarded a development and installation contract in the approximate amount of \$948,000 to Avail Technologies, Inc., to install a Computer Aided Dispatch/Automatic Vehicle Location (CAD/AVL) system on the Modesto Area Express (MAX) bus fleet, and

WHEREAS, on December 11, 2007, the City entered into an agreement with Avail Technologies, Inc., for the development of a CAD/AVL system for the MAX bus fleet, and

WHEREAS, on June 7, 2016, by Resolution No. 2016-234, Council awarded a sole source agreement to Avail Technologies, Inc. to continue maintaining and supporting the software through April 18, 2018 at a cost of \$112,652, and

WHEREAS, in April 2017, Avail Technologies upgraded and began hosting the software to enable the real-time bus information to be made available to the public via website and myStop smart phone application. In addition, most of the buses started transmitting data via a stable cellular connection vs. the less reliable data radio connection. Avail included the server hosting services as part of the annual agreement approved in June 2016, with no additional cost to the City, and

WHEREAS, on July 11, 2017, by Resolution No. 2017-277, Council authorized the purchase of additional hardware to enable all buses to transmit the signal with a

cellular connection, along with other upgraded hardware, so that the real-time data was accurate and all buses had the same equipment installed. That equipment upgrade is currently scheduled for January 2018, and

WHEREAS, this additional software will enhance the MAX system by providing better tools to the operations staff to ensure that the Avail system is producing correct data for the traveling public and the management staff will have the reports needed to effectively convey the story of MAX service in Modesto, and

WHEREAS, Avail Technologies, Inc. is the sole provider of Avail applications and is the only vendor that can provide Avail maintenance for their products. The City conducted a competitive bid process and found no other reseller that can provide maintenance for the Avail system. As a result, the Purchasing Manager has determined that purchase of software and maintenance and modem equipment meet the City's sole source criteria as required under the Modesto Municipal Code 8-3.204, and

WHEREAS, on January 23, 2018, by Resolution 2018-36, Council awarded a sole source agreement to Avail Technologies, Inc. to continue maintaining and supporting the software through April 2021, and

WHEREAS, the action in January 2018 included replacement modems that were found not to be in the best interest of the City to save costs in the long term. The newer style of modems will allow multiple devices to use the cellular connection, thus allowing for one data plan and not multiple data plans.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a sole source purchase agreement with Avail Technologies, Inc.,

State College, PA, for replacement cellular modems utilized by Modesto Area Express for a total not to exceed \$316,144.

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to execute the Agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 22nd day of May, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

WHEREAS, on January 23, 2018, by Resolution 2018-36, Council awarded a sole source agreement to Avail Technologies, Inc. to continue maintaining and supporting the software through April 2021, and

WHEREAS, the action on January 2018 included replacement modems that were found not to be in the best interest of the City to save costs in the long term, and

WHEREAS, the newer style of modems will allow multiple devices to use the cellular connection, thus allowing for one data plan and not multiple data plans, and

WHEREAS, the cost of replacing the modems authorized by Council under the action on January was \$75,466, and

WHEREAS, the cost for the newer Sierra Wireless modems is \$119,377, and

WHEREAS, a budget adjustment to project 100982 is necessary in the amount of \$43,911 to fund the purchase of the Sierra Wireless modems, and

WHEREAS, funding for this project is available through existing transit grants under Proposition 1B under the Public Modernization, Improvement and Service Enhancement Account program (PTMISEA).

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the amendment of the Fiscal Year 2017-18 Operating Budget as shown in **Exhibit A, attached** hereto.

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 22nd day of May, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-188**

RESOLUTION APPROVING THE PURCHASE AGREEMENTS FOR THE FURNISHING OF HOT PATCH WORK FROM GARRETT THOMPSON CONSTRUCTION, INC., MODESTO, CA, FOR AN ANNUAL COST NOT TO EXCEED \$4,106,500; AND UNITED PAVEMENT MAINTENANCE, HUGHSON, CA, FOR AN ANNUAL COST NOT TO EXCEED \$200,000, FOR TWO-YEAR AGREEMENTS WITH THREE ONE-YEAR EXTENSION OPTIONS, FOR AN ANNUAL COMBINED TOTAL COST NOT TO EXCEED \$4,306,500; APPROVAL OF ANY OF THE ONE YEAR EXTENSIONS WOULD REQUIRE FUTURE APPROVAL BY THE CITY COUNCIL, AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE, TO ISSUE PURCHASING AGREEMENTS

WHEREAS, the Interim City Manager authorizes the Purchasing Division to issue formal Request for Bids (RFB) for the furnishing of hot patch work, and

WHEREAS, on January 11, 2018, the Purchasing Division issued RFB No. 1718-05-RB for the furnishing of Hot Patch Work on the City's website, and eleven (11) companies chose to download the RFB document, and

WHEREAS, on February 13, 2018, bids were formally opened in the City Clerk's Office. Two companies chose to respond and both provided responsive and responsible bids. One local vendor was capable of providing this type of service, and

WHEREAS, to ensure continued services to the City, contracts shall be awarded to more than one contractor to provide for backup in case the primary contractor is unable to meet the City's needs. A secondary position contractor may be awarded a specific job only if the primary contractor is unable to perform the service, or if the primary contractor is unable to complete the specific job within the time frame required by the City, and

WHEREAS, based on providing lowest responsive and responsible bids, staff recommends the award of bid for the furnishing of hot patch work for the Utilities

Department, Water and Wastewater Divisions, to Garrett Thompson Construction, Inc., Modesto, CA, for an estimated annual cost not to exceed \$4,106,500; and United Pavement Maintenance, Hughson, CA, for an estimated annual cost not to exceed \$200,000; for an annual combined total cost not to exceed \$4,306,500, and

WHEREAS, the above agreements are for a term of two-years with three one-year extension options, and

WHEREAS, approval of any of the one year extensions would require future approval by the City Council, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of bids for the furnishing of hot patch work to Garrett Thompson Construction, Inc., Modesto, CA, as “primary” contractor and United Pavement Maintenance, Hughson, CA, as “secondary” contractor, conforms to the Modesto Municipal Code, and

WHEREAS, the cost for these services will be covered through existing budget in Water Fund accounts 4100-45020-53150, 4100-45040-53150, and various Water Fund CIP projects, and Wastewater accounts 4210-44313-53100, 4210-44314-53100 and Stormwater account 4480-44222-53100.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Purchase Agreements for the furnishing of Hot Patch Work from Garrett Thompson Construction, Inc., Modesto, CA, for an annual cost not to exceed \$4,106,500; and United Pavement Maintenance, Hughson, CA, for an annual cost

not to exceed \$200,000, for two-year agreements with three one-year extension options, for an annual combined total cost not to exceed \$4,306,500.

BE IT FURTHER RESOVLED, that approval of any of the one year extensions would require future approval by the City Council.

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is hereby authorized to issue purchasing agreements.

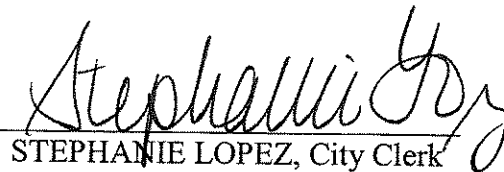

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 22nd day of May, 2018, by Councilmember Madrigal, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-189**

**RESOLUTION NAMING THE MAYOR AND CITY COUNCIL AS THE
INTERIM BOARD OF DIRECTORS OF THE MODESTO CONVENTION AND
VISITOR'S BUREAU**

WHEREAS, in June 2003 and 2005, the City entered into Agreements with the Modesto Convention and Visitor's Bureau, a non-profit corporation ("CVB"), to promote and market Modesto for meetings, conventions, tour groups, and visitor activities, and

WHEREAS, on July 6, 2010, by Resolution No. 2010-285, Council approved a five-year extension of the term through June 30, 2015, and

WHEREAS, in July 2015, the duties, functions, and staff of the CVB were transferred to the Community and Economic Development Department, and

WHEREAS, in October 2015, the Destination Modesto Task Force ("Task Force") was formed to review and make recommendations on how to structure the entity responsible for marketing Modesto and its venues and attractions, and

WHEREAS, the Task Force concluded that the marketing should include results-oriented management, comprehensive and coordinated marketing, regional collaboration and partnership, performance measured by economic growth potential, and an entrepreneurial spirit, and

WHEREAS, in March 2018, the Council accepted an informational report outlining the next steps to restore the CVB as an independent agency, and

WHEREAS, the City has started the first step of the process and hired Storypowered, Aaronson Management Group, to consult and oversee the transition, and

WHEREAS, a Board of Directors is essential in order for the CVB to become fully operational as an independent agency, and

WHEREAS, the three remaining CVB Board of Directors, Neal Khatri (Chair), Theresa Hickerson, and Maggie Mejia, have not met since August 2015 and have exceeded the life of their terms, and

WHEREAS, the CVB Bylaws define the number of directors and method of appointment as follows: "...shall be seven (7). Each member of the City Council shall appoint one member to the Board of Directors. In addition there shall be three (3) ex-officio, non-voting members of the board...The Modesto Center Plaza Manager, A Modesto City Councilmember appointed by the Mayor and The Chief Executive Officer...", and

WHEREAS, in order to continue the work of transition the agency to independent status and to provide access to the financial records and funding still controlled by the existing Board, staff recommends dissolving the existing Board of Directors and appointing the Mayor and City Council as the Interim Board of Directors with no ex-official members at this time, and

WHEREAS, in the event a City Councilmember is unable to serve, the City Manager shall fill the vacancy, and

WHEREAS, the Interim Board of Directors will serve until permanent appointments are made by the City Council once the agency is operating independently and requirements for board appointments are established.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby names the Mayor and City Council as the Interim Board of Directors of the Modesto Convention and Visitor's Bureau.

BE IT FURTHER RESOLVED, that in the event a City Councilmember is unable to serve as an Interim Board of Directors, then the Interim City Manager shall serve in his/her place.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-190**

RESOLUTION APPROVING AN AGREEMENT WITH ALTA PLANNING + DESIGN INC., OAKLAND, CA, FOR ENGINEERING SERVICES FOR THE ACTIVE TRANSPORTATION PLAN (NON-MOTORIZED MASTER PLAN UPDATE) IN AN AMOUNT NOT TO EXCEED \$199,994 FOR THE IDENTIFIED SCOPE OF SERVICES, PLUS \$19,999 FOR ADDITIONAL SERVICES (IF NEEDED), FOR A MAXIMUM TOTAL AMOUNT NOT TO EXCEED \$219,993 AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the City is ready to begin work for the Active Transportation Plan Project, and

WHEREAS, on January 9, 2007, by Resolution No. 2007-067, Council approved the current Non-Motorized Transportation Master Plan, and

WHEREAS, the current Non-Motorized Transportation Master Plan is outdated and is in need of being updated, and

WHEREAS, on May 24, 2016, by Resolution No. 2016-220, Council approved a list of projects to be funded upon the passage of Measure L within the first 5 years, and

WHEREAS, the list included the Active Transportation Plan project under the Bike/Pedestrian category, and

WHEREAS, in November of 2016 the voters of Stanislaus County approved the county wide, 25-year, half-cent sales tax increase known as Measure L, and

WHEREAS, on July 5, 2017, by Resolution No. 2017- 269, Council approved a list of proposed projects including the Active Transportation project to be funded with Measure L tax proceeds in Fiscal Year 2017-18, and

WHEREAS, in accordance with Council Resolution No. 2017-439 and Administrative Directive 3.1, staff utilized a pre-qualified local consultant list and

requested a proposal from Alta Planning + Design Inc. to perform design services for the Active Transportation Plan project, and

WHEREAS, staff negotiated a scope of services and cost proposal with Alta Planning + Design Inc.

NOW, THEREFORE BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves an agreement with Alta Planning + Design Inc., Oakland, CA, for engineering services for the Active Transportation Plan (Non-Motorized Master Plan Update) in an amount not to exceed \$199,994 for the identified scope of services, plus \$19,999 for additional services (if needed), for a maximum total amount not to exceed \$219,993.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to execute the agreement, in a form approved by the City Attorney.

RESOLUTION NO 2018-191**

RESOLUTION APPROVING A FISCAL SPONSOR AGREEMENT WITH VALLEY MOUNTAIN REGIONAL CENTER FOR THE PURPOSES OF FUND RAISING RELATED TO THE DEVELOPMENT OF THE AWESOME SPOT PLAYGROUND AT BEYER COMMUNITY PARK, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the play equipment at Beyer Community park was installed in 1986,
and

WHEREAS, Beyer Community Park is one of the parks identified for playground improvements, and

WHEREAS, it is the desire of the City to install an inclusive playground designed for citizens of all abilities to play side by side at Beyer Community Park, and

WHEREAS, a group of citizens has organized into The Awesome Spot Playground team for the purposes of playground design, community engagement, and fundraising, and

WHEREAS, Council approved a temporary fiscal sponsorship agreement with Shane's Inspiration in March 2017 by Resolution No. 2017-104, and

WHEREAS, the fiscal sponsorship agreement with Shane's Inspiration will soon expire, and

WHEREAS, Valley Mountain Regional Center holds a current 501(c)3 Non-Profit Status, and

WHEREAS, The Awesome Spot Playground team desires to continue fund raising for the project, and

WHEREAS, Valley Mountain Regional Center desires to partner with the City and The Awesome Spot Playground team to assist with fundraising efforts as a fiscal sponsor.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves a Fiscal Sponsor Agreement with Valley Mountain Regional Center for the purposes of fund raising related to the development of The Awesome Spot Playground and Beyer Community Park.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to execute the Agreement and any other supporting documents, in a form approved by the City Attorney.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-194**

RESOLUTION APPROVING THE SOLE SOURCE PROCUREMENT OF A PROPRIETARY SOFTWARE UPGRADE AND ASSOCIATED HARDWARE TO ASSIST WITH THE COLLECTION, ANALYSIS, AND STORAGE OF DIGITAL EVIDENCE FROM PEN-LINK LTD., LINCOLN, NE, FOR AN AMOUNT NOT TO EXCEED \$113,673 AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE, TO ISSUE A PURCHASE ORDER

WHEREAS, the Modesto Police Department currently uses Pen-Link software for specific investigative analysis and is in need of upgraded software and associated hardware that will be used to collect, analyze, and store digital evidence; and

WHEREAS, Pen-Link is the proprietary manufacturer and distributor of the current investigative software system the department uses and wishes to continue using Pen-Link with an upgrade in technology; and

WHEREAS, this software and associated hardware upgrade will enhance the department's ability to investigate and manage major crimes affecting the community; and WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid; and

WHEREAS, however, there are exceptions to the rule set forth in the Modesto Municipal Code, and one exception, MMC Section 8-3.204(b), states whereas the Purchasing Agency's requirements can be met solely by a single article or process; the procurement for the purchase of proprietary software upgrade and hardware to assist with collection, analysis and storage of digital evidence for the Modesto Police Department to Pen-Link, Ltd., conforms to the Modesto Municipal Code; and

WHEREAS, funding for the purchase of Pen-Link software upgrade and associated hardware, in an amount not to exceed \$113,673, will come from 2016-17 State Law Enforcement Supplemental Funds (SLESF).

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the sole source procurement of a proprietary software upgrade and associated hardware to assist with the collection, analysis, and storage of digital evidence for the Modesto Police Department to Pen-Link, Lincoln, NE.

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, to issue a purchase order for an amount not to exceed \$113,673.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2018-195**

RESOLUTION APPROVING THE AWARD OF BID FOR THE PURCHASE OF ELEVEN FORD POLICE INTERCEPTOR AWD UTILITY VEHICLES TO TOWNE FORD , REDWOOD CITY, CA, FOR A TOTAL COST NOT TO EXCEED \$370,415, AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE, TO ISSUE THE PURCHASE ORDER

WHEREAS, the replacement of eleven Police Interceptor AWD utility vehicles for the Police Department have been subjected to a thorough evaluation and all eleven vehicles have met or exceeded the replacement criteria before being placed on the replacement list, and

WHEREAS, the Interim City Manager authorized the Purchasing Manager to issue formal Request for Bids (RFB) for new vehicles and heavy equipment through various competitive processes, and

WHEREAS, the Purchasing Division issued RFB 1718-44 on March 18, 2018 the purchase of 11 Ford Police Interceptor AWD utility vehicles on the City's website under the commodity codes for automotive vehicles and related transportation equipment, automobiles, and automobile and other passenger vehicles repair and maintenance. Prospective bidders were notified online of the bid opportunity, and

WHEREAS, on April 10, 2018, bids were formally opened in the City Clerk's office. One vendor chose to respond with the overall lowest responsive and responsible bid, and

WHEREAS, ten of these vehicles will be standard black and white patrol vehicles for the Modesto Police Department at a cost of \$31,200 per unit before taxes and fees. One of these vehicles will have the same specification as the patrol vehicles except

for the dark blue paint for the Street Gang Unit. This unit will cost \$31,285 before taxes and fees, and

WHEREAS, sufficient funds for eleven Ford Police Interceptor AWD utility vehicles have been encumbered in the Fleet Replacement Fund: 5409-53246-57003.

NOW THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the award of bid for the purchase of eleven Police Interceptor AWD utility vehicles to Towne Ford, Redwood City, CA.

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is authorized to issue a purchase order for an estimated total cost of \$370,415.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-196**

RESOLUTION APPROVING AN AGREEMENT WITH PIRES, LIPOMI & NAVARRO ARCHITECTS, MODESTO, CA, FOR ARCHITECTURAL DESIGN SERVICES FOR THE FLEET MAINTENANCE FACILITY IMPROVEMENTS PROJECT IN THE AMOUNT OF \$84,125, PLUS \$8,412 FOR ADDITIONAL SERVICES IF NEEDED, FOR AN AGREEMENT TOTAL OF \$92,537 AND AUTHORIZING THE INTERMIN CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the Fleet Services Division maintains 1,060 pieces of active equipment in the City's fleet, and

WHEREAS, this equipment is used by all City departments in their daily operations as they provide service to the citizens of Modesto, and

WHEREAS, the current Fleet Facility is inadequate in several areas to properly service all of the vehicles and equipment, and

WHEREAS, the current building does not allow lifting of the nearly 200 heavy duty vehicles and pieces of equipment for performing under vehicle maintenance work, and

WHEREAS, in accordance with Modesto Municipal Code 8-3.204(a) Exceptions to Formal Bidding Requirements, this agreement is for professional services and, therefore, exempt from the bid requirement, However, staff proceeded through a RFP process pursuant to Administrative Directive 3.1, and

WHEREAS, on October 4, 2016, by Resolution No. 2016-396, Council approved a prequalified list of architectural consultants for Capital Improvement Program (CIP) projects, allowing staff to proceed in issuing a Request for Proposal (RFP) to prequalified firms for Architectural Services for the Phase I Fleet Maintenance Facility Project, and

WHEREAS, two proposals were received and reviewed by a selection committee that consisted of the Utilities Engineering Design Division staff, and

WHEREAS, the selection committee determined that Pires, Lipomi and Navarro Architects were responsive and qualified to provide architectural design services for the Phase I Fleet Maintenance Facility Project, and

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves an agreement with Pires, Lipomi & Navarro Architects, Modesto, CA, for architectural services for the Phase I Fleet Maintenance Facility Project in the amount of \$84,125, plus \$8,412 for additional services if needed, for an agreement total of \$92,537.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to execute the contract, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-197**

RESOLUTION APPROVING A PURCHASE AND SALE AGREEMENT WITH ANGELINA R. ARRIAGA, FOR A PARCEL OF APPROXIMATELY 6,625 SQUARE FEET OF REAL PROPERTY, LOCATED AT 1426 GARDEN AVENUE IN MODESTO (APN 037-035-046), IN THE AMOUNT OF \$159,044 FOR THE RIVER TRUNK REHABILITATION PROJECT, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT, THE GRANT DEED AND ALL RELATED DOCUMENTS REQUIRED TO CLOSE ESCROW

WHEREAS, the City is making improvements to the River Trunk Sewer Collection System, and

WHEREAS, the project is known as the River Trunk Rehabilitation Project, and

WHEREAS, a part of the rehabilitation work will route a portion of the new 66" trunk line along Garden Avenue, and

WHEREAS, the new trunk line will terminate at the Sutter Avenue Treatment Plant, and

WHEREAS, a parcel of real property on Garden Avenue is required to construct project improvements, and to route the trunk line into the Treatment Plant, and

WHEREAS, Angelina R. Arriaga, the property owner, has agreed to sell the real property containing approximately 6,625 square feet to the City for this purpose , and

WHEREAS, an Agreement is needed for the acquisition of the property, and

WHEREAS, an appraisal of the property was completed by Cogdill & Associates to determine the fair market value for acquisition of the residential property and the owner has agreed to the acquisition. The property was appraised at \$150,000 and the final sale price was arrived at by negotiation following a fair market value appraisal.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the Purchase and Sale Agreement with Angelina R. Arriaga, for a 6,625 square feet parcel, located at 1426 Garden Avenue in Modesto (APN 037-035-046), in the amount of \$159,044 for the River Trunk Rehabilitation Project.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to execute the agreement, the Grant Deed, and all related documents required to close escrow.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-198**

RESOLUTION APPROVING AN OPTION FOR A LEASE AGREEMENT WITH ANGELINA R. ARRIAGA, FOR REAL PROPERTY OF APPROXIMATELY 6,625 SQUARE FEET, LOCATED AT 1426 GARDEN AVENUE IN MODESTO (APN: 037-035-046), IN THE AMOUNT OF \$500 PER MONTH FOR A PERIOD OF UP TO SIXTY (60) DAYS FOLLOWING THE CLOSE OF SALE, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE LEASE AGREEMENT

WHEREAS, the City is making improvements to the River Trunk Sewer Collection System, and

WHEREAS, the project is known as the River Trunk Rehabilitation Project, and

WHEREAS, a part of the rehabilitation work will acquire real property, and

WHEREAS, the owner of the property desires the option to leaseback the residential property, and

WHEREAS, staff recommends approving the property acquisition of 1426 Garden Avenue, in Modesto (APN: 037-035-046) for this project along with the option by the property owner to leaseback in the amount of \$500 per month for a period of up to sixty days, and

WHEREAS, the owner will lease the property for a period up to sixty (60) days following the close of sale.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an option for a Lease Agreement with Angelina R. Arriaga, for a 6,625 square foot parcel, located at 1426 Garden Avenue in Modesto (APN 037-035-046), in the amount of \$500 per month for the leaseback for a period of up to sixty days following the close of sale.

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to execute the Lease Agreement, in a form approved by the City Attorney.

GRANT DEED FOR THE ACQUISITION OF REAL PROPERTY LOCATED AT
1426 GARDEN AVENUE, IN MODESTO (APN: 037-035-046), OWNED BY
ANGELINA R. ARRIAGA, TO BE PURCHASED BY THE CITY OF MODESTO
FOR THE RIVER TRUNK REHABILITATION PROJECT**

WHEREAS, Section 27281 of the Government Code requires a public agency to accept real property prior to the recordation of a deed or adopt a resolution accepting real property, and

WHEREAS, the City of Modesto desires to acquire a 6,625 square feet parcel of real property located at 1426 Garden Avenue in Modesto, owned by Angelina R. Arriaga (APN 037-035-046), for the River Trunk Rehabilitation Project.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that the Interim City Manager, or his designee, is hereby authorized to sign the Certificate of Acceptance for the Grant Deed for the acquisition of property located at 1426 Garden Avenue owned by Angelina R. Arriaga, (APN 037-035-046) to be purchased by the City of Modesto for the River Trunk Rehabilitation Project.

RESOLUTION NO. 2018-200**

RESOLUTION REJECTING ALL BIDS RECEIVED TO REQUEST FOR BID NO. 1718-38 FOR TRANSPORT OF WASTEWATER DEBRIS TO DISPOSAL SITE AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO REISSUE THE RFB AT A FUTURE DATE, WITH AN AMENDED SCOPE OF WORK

WHEREAS, as part of the wastewater treatment process, debris from the Sutter Wastewater Treatment Plant are collected in special bins and transported to Forward Landfill in Manteca, CA, and

WHEREAS, the City has a blanket purchase order with Bertolotti Disposal to transport the debris; however over the years, costs for this work have reached over \$20,000 per year, and

WHEREAS, as a Blanket Purchase Order, the City is not receiving a set price for the work and staff reached out to Purchasing and requested a competitive bid be sent out for this work, and

WHEREAS, the Interim City Manager authorized the Purchasing Department to issue Request for Bid (RFB) No. 1718-38 for Transport of Wastewater Debris to Disposal Site on March 9, 2018 and the bid opening was on April 10, 2018, and one company provided a bid, and

WHEREAS, the Purchasing Department sent this RFB out requiring prevailing wage, however, after reviewing the only bid received and through further consultation with the City Attorney's office, it was determined that prevailing wage is not required for the services requested since this is not a public work, as it only involves removing debris from the wastewater, and

WHEREAS, it was then determined that staff needed to amend the scope of work and exclude the requirement of prevailing wages, and

WHEREAS, should the City Council reject the bid, it is staff's intention to issue a new RFB with the amended scope of work, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby rejects all bids received to Request for Bid No. 1718-38 for Transport of Wastewater Debris to Disposal Site.

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is authorized to reissue the RFB at a future date, with an amended Scope of Work.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-201**

RESOLUTION APPROVING THE AWARD OF BID AND THE PURCHASE AGREEMENT FOR THE FURNISHING OF STATE REQUIRED REGULATORY ANALYTICAL LABORATORY TESTING SERVICES FOR THE UTILITIES DEPARTMENT, WATER SERVICES DIVISION, TO ALPHA ANALYTICAL LABORATORIES, LIVERMORE, CA, FOR A TWO-YEAR AGREEMENT WITH THREE ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, FOR AN ESTIMATED ANNUAL COST NOT TO EXCEED \$233,310, AND AN AMOUNT NOT TO EXCEED \$1,166,550 OVER FIVE YEARS, AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE, TO ISSUE THE PURCHASING AGREEMENT

WHEREAS, the Interim City Manager authorizes the Purchasing Manager to issue formal Request for Bids (RFB) for analytical laboratory testing services, and

WHEREAS, on February 2, 2018, the Purchasing Division issued RFB No. 1718-32 for analytical laboratory testing services on the City's website, and prospective bidders were notified online of the bid opportunity, and

WHEREAS, bids were formally opened in the City Clerk's Office. Two companies chose to respond, neither of which were local vendors, and

WHEREAS, based on providing the best value to the City, staff recommends the award of bids for the furnishing of analytical laboratory testing services to Alpha Analytical Laboratories, Livermore, CA, for a two-year agreement with three one-year extension options, at the sole discretion of the City, for an estimated annual cost not to exceed \$233,310 and an amount not to exceed \$1,166,550 over five years, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of a purchase order for analytical laboratory testing services for the Utilities Department, Water Services Division to Alpha Analytical

Laboratories, Livermore, CA, and conforms to the Modesto Municipal Code 8-3.203 and the award of bid for the furnishing of UCMR 4 analytical testing to BSK Associates, Fresno, CA, conforms to the Modesto Municipal Code 8-3.204 where the Purchasing Manager in her discretion, determines that a process other than the formal bid procedure will result in a procurement for the City at the lowest possible cost commensurate with the desired quality, and

WHEREAS, due to the increased scope of work for analytical laboratory testing required by the State, current pricing per RFB 1718-32, and accounting for potential Consumer Price Index increases, staff estimates an annual cost not to exceed \$233,310 for the agreement with Alpha Analytical Laboratories in the amount not to exceed \$1,166,650 over five years and the agreement with BSK Associates in the amount not to exceed \$79,112, and

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves awarding the bid and the Purchase Agreement for the furnishing of State required regulatory analytical laboratory testing services for the Utilities Department Water Services Division, to Alpha Analytical Laboratories, Livermore, CA, for a two-year agreement with three one-year extension options at the sole discretion of the City, for an estimated annual cost not to exceed \$233,310, and an amount not to exceed \$1,166,550 over five years.

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is hereby authorized to issue the purchasing agreements.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-202**

RESOLUTION APPROVING THE PURCHASE AGREEMENT FOR THE FURNISHING OF ENVIRONMENTAL PROTECTION AGENCY (EPA) UNREGULATED CONTAMINANT MONITORING RULE (UCMR 4) LABORATORY TESTING FOR THE UTILITIES DEPARTMENT, WATER SERVICES DIVISION, TO BSK ASSOCIATES, FRESNO, CA, FOR A THREE-YEAR AGREEMENT FOR A TOTAL COST NOT TO EXCEED \$79,112 OVER THREE YEARS, AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE, TO ISSUE THE PURCHASING AGREEMENT

WHEREAS, the Interim City Manager authorizes the Purchasing Manager to issue formal Request for Bids (RFB) for analytical laboratory testing services, and

WHEREAS, on February 2, 2018, the Purchasing Division issued RFB No. 1718-32 for analytical laboratory testing services on the City's website, and prospective bidders were notified online of the bid opportunity, and

WHEREAS, bids were formally opened in the City Clerk's Office. Two companies chose to respond, neither of which were local vendors, and

WHEREAS, due to the stringent requirements in timing with sampling and completing the analysis for UCMR 4 analytical laboratory testing, it was a requirement in the RFP that the Laboratory be located within 150 miles from the City's facility and did not allow for sub-contracting to another laboratory, and

WHEREAS, both companies were deemed non-responsive due to these restrictions, and at the discretion of the Purchasing Manager, the Purchasing Department reached out to a previously contracted laboratory and gained a competitive quote for moving forward, and

WHEREAS, staff recommends the award of bids for the furnishing of UCMR 4 analytical testing to BSK Associates, Fresno, CA, for a three-year agreement for a total

cost not to exceed \$79,112. UCMR 4 testing commences in June 2018 and will meet the EPA five-year cycle mandate, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of a purchase order for analytical laboratory testing services to Alpha Analytical Laboratories, Livermore, CA, conforms to Modesto Municipal Code 8-203 and the award of bid for furnishing of UCMR 4 analytical testing to BSK Associates, Fresno, CA, conforms to the Modesto Municipal Code 8-3.204(d) where the Purchasing Manager in her discretion, determines that a process other than the formal bid procedure will result in a procurement for the City at the lowest possible cost commensurate with the desired quality, and

WHEREAS, funds are budgeted in Water Fund 4100-45055-53335 and 53336 Water Quality Testing and Sampling.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the Purchase Agreement for the furnishing of Environmental Protection Agency (EPA) Unregulated Contaminant Monitoring Rule (UCMR 4) laboratory testing for the Utilities Department, Water Services Division, to BSK Associates, Fresno, CA, for a three-year agreement for a total cost not to exceed \$79,112 over three years.

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is hereby authorized to issue the purchasing agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-203**

RESOLUTION REJECTING ALL BIDS RECEIVED FOR RFB NO. 1718-43 FOR VARIABLE FREQUENCY DRIVES AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO REISSUE A RFB AT A FUTURE DATE, WITH AN AMENDED SCOPE OF SERVICES TO INCLUDE SOLE BRAND OF ABB, ACS550 MODEL

WHEREAS, Variable Frequency Drive (VFD) is a type of adjustable speed drive used in electro-mechanical drive systems to control the motor speed of water well and sewer pump stations, and

WHEREAS, the Interim City Manager authorizes the Purchasing Manager to issue formal Request for Bids (RFB) for Variable Frequency Drives, and

WHEREAS, on March 22, 2018, the Purchasing Division issued RFB 1718-43 for VFDs under commodity code electrical equipment supplies and electrical equipment, and posted the RFB on the City's website and formally advertised as required by law, and

WHEREAS, ten companies downloaded the bid document, and

WHEREAS, on April 10, 2018, bids closed and were formally opened in the City Clerk's office, and

WHEREAS, two companies chose to respond and both were local vendors, and

WHEREAS, after reviewing the bids, one product will not work in our existing equipment due to the incompatible product configuration and the other bid did not meet the ambient temperature requirements, and

WHEREAS, staff is amending the Scope of Services to request Sole Brand of ABB, ACS550 Model Brand for its VFDs. The ABB, ACS550 Model Brand will meet ambient temperature requirements and compatible product configuration. The ambient temperature rating of 140 degrees Fahrenheit is needed to survive the extreme heat that

develops in the electrical enclosures during the summer. The ABB, ACS550 Brand also was chosen due to the proven reliability of the VFDs based on how well they have outlasted other drives in the past at the City of Modesto Water and Wastewater equipment locations, and

WHEREAS, staff will work with the Purchasing Division to amend the Scope of Services to include Sole Brand of ABB, ACS550 Model for the VFDs, and

WHEREAS, sole brand of ABB, ACS550 Model will reduce training costs, as staff already has expertise and training with ABB, ACS550 VFDs. Also, there is additional savings in not having to purchase software that is used to program the VFDs, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. However, there are exceptions to the rule set forth in the Modesto Municipal Code. One exception, MMC Section 8-3.204(b), is available where the Purchasing Agency's requirements can be met solely by a single article or process. The Purchasing Manager invoked that exception for this purchase due to ambient temperature requirements, product compatibility, reliability, and cost savings. The sole brand of ABB, ACS550 Model, for VFDs will conform to Modesto Municipal Code 8-3.204(b), and

WHEREAS, funds are available in the Water Fund and will be available when the revised Scope of Work has been completed, and Sole Brand of ABB, ACS550 Model will reduce training costs because staff already has expertise and training with ABB, ACS550

VFDs. There is an additional savings in not having to purchase software that is used to program the VFDs.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves rejecting all bids received for RFB No. 1718-43 for Variable Frequency Drives.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to reissue the RFB at a future date, with an amended Scope of Services to include Sole Brand of ABB, ACS550 Model.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-204**

RESOLUTION APPROVING THE AWARD OF BID FOR THE FURNISHING OF ANALYTICAL LABORATORY TESTING SERVICES FOR THE UTILITIES DEPARTMENT, WASTEWATER DIVISION, TO ALPHA ANALYTICAL LABORATORIES, DUBLIN, CA, FOR A TWO-YEAR AGREEMENT WITH THREE ONE-YEAR EXTENSION OPTIONS, FOR AN ANNUAL COST NOT TO EXCEED \$170,000 AND NOT TO EXCEED \$850,000 OVER FIVE YEARS; AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE, TO ISSUE THE PURCHASING AGREEMENT

WHEREAS, the City's Water Quality Control (WQC) Laboratory is tasked with ensuring that all analytical testing required by the California State Water Recourse Control Board and Environmental Protection Agency is completed by California Environmental Laboratory Accreditation Program certified laboratories, and

WHEREAS, the WQC Laboratory requested the Purchasing Division issue formal Requests for Bids (RFB) for the furnishing of analytical laboratory testing services outside of the WQC Laboratory scope of work or as a backup if needed, and

WHEREAS, the Purchasing Division issued RFB No. 1718-36 Analytical Laboratory Testing Services on Planetbids.com and bids were formally opened in the City Clerk's office and two companies chose to respond, neither of which were local vendors, and

WHEREAS, on February 12, 2013, by Resolution No. 2013-66, Council approved the award of bids for the furnishing of analytical laboratory testing services to Alpha Analytical Laboratories, Dublin, CA; BSK Analytical Laboratories, Fresno, CA; FGL Environmental, Santa Paula, CA; Sierra Analytical, Laguna Hills, CA; and TestAmerica Laboratories, Inc., Irvine, CA, for a two-year agreement with three one-year extension

options at the sole discretion of the City, for an estimated annual cost not to exceed \$333,160 and over five years not to exceed \$1,665,800, and

WHEREAS, the agreements for analytical laboratory testing services will expire in June, 2018, and

WHEREAS, the Interim City Manager authorized the Purchasing Division to issue a formal RFB for analytical laboratory testing services, and

WHEREAS, on February 2, 2018, the Purchasing Division issued RFB No. 1718-36 for analytical laboratory testing services on the City's website and prospective bidders were notified online of the bid opportunity with seventeen companies choosing to download the RFB document, and

WHEREAS, on March 6, 2018, bids were formally opened in the City Clerk's Office with two companies (Alpha Analytical Laboratories (Alpha) and McCampbell Analytical Inc. (McCampbell)) choosing to respond and both providing responsive and responsible bids; there were no local responders, and

WHEREAS, Alpha bid on all items included in the RFB and McCampbell bid only on the toxicity testing, and

WHEREAS, the toxicity testing is being awarded to McCampbell only, as Alpha requires splitting the sample between Alpha and McCampbell (Alpha's sub-contractor), leading to a greater likelihood of failure; failure would require multiple rounds of repeat testing, possible fines due to violations with the State Water Recourse Control Board, and failed hold times, as these particular tests are required to be started within 36 hours of sampling, and

WHEREAS, Alpha is not available 7 days a week whereas McCampbell is, allowing more flexibility in scheduling sampling, and

WHEREAS, based on providing responsive and responsible bids, staff recommends the award of bids for the furnishing of analytical laboratory testing services, excluding the toxicity testing to Alpha Analytical Laboratories (Alpha), Ukiah, CA, for a two-year agreement with three one-year extension options at the sole discretion of the City, for an estimated annual cost not to exceed \$170,000, and not to exceed \$850,000 over five years, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid, and

WHEREAS, the award of a purchase order for analytical laboratory testing services for the Utilities Department to Alpha Analytical Laboratories, Ukiah, CA conforms to the Modesto Municipal Code, 8-3.203.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the award of bid for the services for the Utilities Department, Wastewater Division, to Alpha Analytical Laboratories, Dublin, CA, for a two-year agreement with three one-year extension options, for an annual cost not to exceed \$170,000 and not to exceed \$850,000 over five years.

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is hereby authorized to issue the purchase agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

WHEREAS, Alpha is not available 7 days a week whereas McCampbell is, allowing more flexibility in scheduling sampling, and

WHEREAS, stormwater sampling is governed by the weather and having a lab that is available to receive 7 days a week will allow sampling events whenever necessary, and not contribute to lost opportunities because the lab isn't available, and

WHEREAS, therefore, staff is requesting that McCampbell be directly awarded the toxicity tests, and

WHEREAS, based on providing responsive and responsible bids, staff recommends the award of bids for the furnishing of analytical laboratory testing services, for toxicity testing only to McCampbell Analytical, Inc, Pittsburg, CA, for a two-year agreement with three one-year extension options, at the sole discretion of the City, for an estimated annual cost not to exceed \$70,000, and not to exceed \$350,000 over five years, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid, and

WHEREAS, the award of a purchase order for analytical laboratory testing services for the Utilities Department to McCampbell Analytical, Inc., Pittsburg, CA, conforms to the Modesto Municipal Code, 8-3.203.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the award of bid for the furnishing of analytical laboratory testing services for the Utilities Department, Wastewater Division, to McCampbell Analytical, Inc., Pittsburg, CA, for toxicity testing only, for a two-year agreement with three one-year extension options, for an annual cost not to exceed \$70,000, and not to exceed \$350,000 over five years.

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is hereby authorized to issue a purchase agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-206**

RESOLUTION APPROVING AN AGREEMENT WITH PIRES, LIPOMI & NAVARRO ARCHITECTS, MODESTO, CA, FOR ARCHITECTURAL AND ENGINEERING DESIGN SERVICES FOR THE TRANSPORTATION CENTER IMPROVEMENTS PROJECT IN THE AMOUNT OF \$136,820, PLUS \$13,682 FOR ADDITIONAL SERVICES IF NEEDED, FOR AN AGREEMENT TOTAL OF \$150,502 AND AUTHORIZING THE INTERMIN CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, on February 21, 2018, the Stanislaus Council of Governments (StanCOG) Policy Board approved design funds from the FY 2016-17 Transportation Development Act, and

WHEREAS, Phase 1 improvements focus on the interior/exterior part of the station and the Transportation Center grounds, and

WHEREAS, Phase 1 improvements will also focus on improving safety and security at the Transportation Center, and

WHEREAS, in accordance with Modesto Municipal Code 8-3.204(a) Exceptions to Formal Bidding Requirements, this agreement is for professional services and, therefore, exempt from the bid requirement, However, staff proceeded through a RFP process pursuant to Administrative Directive 3.1, and

WHEREAS, on October 4, 2016, by Resolution No. 2016-396, Council approved a prequalified list of architectural consultants for Capital Improvement Program (CIP) projects, allowing staff to proceed in issuing a Request for Proposal (RFP) to prequalified firms for Architectural Services for the Downtown Modesto Transportation Center Project, and

WHEREAS, two proposals were received and reviewed by a selection committee that consisted of the Utilities Engineering Design Division staff, and

WHEREAS, the selection committee determined that Pires, Lipomi and Navarro (PLN) Architects were responsive and qualified to provide architectural design services for the Downtown Modesto Transportation Center Project, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an agreement with Pires, Lipomi & Navarro Architects, Modesto, CA, for architectural and engineering design services for the Transportation Center Improvements Project in the amount of \$136,820, plus \$13,682 for additional services if needed, for an agreement total of \$150,502.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to execute the agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-207**

RESOLUTION DIRECTING THE CITY CLERK TO PLACE A MEASURE ON THE NOVEMBER 2018 BALLOT FOR VOTER APPROVAL THAT WOULD PROPOSE CHARTER AMENDMENTS SUFFICIENT TO CHANGE THE DATE OF THE CITY'S REGULAR MUNICIPAL ELECTIONS TO THE DATE OF STATEWIDE GENERAL ELECTIONS HELD IN NOVEMBER OF EVEN-NUMBERED YEARS, AND PROVIDE A ONE-TIME EXTENSION OF EXISTING FOUR-YEAR COUNCIL AND MAYORAL TERMS TO FIVE YEARS

WHEREAS, Article III, Section 300 of the Charter of the City of Modesto establishes that the regular municipal election for the election of officers shall be held on the first Tuesday after the first Monday in November of each odd-numbered year, and

WHEREAS, the City's Charter also provides that the Office of Mayor and all members of Council shall hold office for a term of four years (Art. VI, § 600; Art. VII, § 700.), and

WHEREAS, in 2015, the California Legislature adopted and the Governor signed Senate Bill 415, the California Voter Participation Rights Act ("CVPRA"), and

WHEREAS, the CVPRA prohibits a city from holding a regular election other than on a statewide election date, if holding an election on an odd-numbered year has previously resulted in voter turnout being at least twenty-five (25%) less than the average voter turnout for the previous four statewide general elections, and

WHEREAS, voter turnout data for the City of Modesto showed that average voter turnout at statewide general elections in November is between 56.3 and 56.9 percent, while average voter turnout at regularly scheduled municipal elections in odd-numbered years is between 25.6 and 26 percent. This equates to an average of 30.3 to 31.3 percent difference in voter turnout, which means that the City has experienced a "significant decrease in voter turnout" as defined under the CVPRA, and

WHEREAS, the CVPRA requires that at least one regular municipal election coincide with a statewide election no later than November 2022, and

WHEREAS, a recent California Attorney General opinion found that charter cities must comply with the CVPRA, and

WHEREAS, municipal elections held in November of odd-numbered years may be challenged as violating the California Voting Rights Act and the City could be responsible for attorney's fees for a successful challenge, and

WHEREAS, at the December 12, 2017 regular meeting, the City Council approved Resolution 2017-527, directing City Staff to prepare a ballot measure that would, if successful, amend the City Charter to require regular municipal elections be held in November of even-numbered years to coincide with statewide elections and comply with the CVPRA, and

WHEREAS, Article XI, Section 3 of the California Constitution and Government Code Section 34458 provide that the governing body of a city, on its own motion, may submit a proposal to amend its charter to voters, and

WHEREAS, pursuant to Elections Code Section 1415(a)(2), the City, on its own motion, may submit to voters a proposal to amend the Charter to comply with federal or state voting rights laws at the next statewide general election, and

WHEREAS, while Section 1604 of the Charter requires the City to review the Charter at least every ten (10) years, and while the City has established a charter review committee to assist it with such review, the City is authorized by Article XI, Section 3 of the California Constitution and Government Code Section 34458 to propose amendments to the Charter without convening a charter review committee, and

WHEREAS, if approved by the voters, this ballot measure would bring the City's regular municipal elections into compliance with the CVPRA, and

WHEREAS, the City Council, pursuant to Resolution 2018-55, called for a general municipal election to be held on and consolidated with the November 6, 2018 statewide general election and for the Stanislaus County Elections Department to conduct such election on behalf of the City of Modesto and therefore the Council now desires to include this measure on the ballot at said election.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

1. Pursuant to Article XI, Section 3 of the California Constitution, California Government Code Section 34458, and California Elections Code Sections 1415(a)(2)(b) and 1200, the City Council of the City of Modesto proposes to and does hereby, by its own motion, submit to the qualified electors of the City, a proposal to amend Sections 300, 600, and 700 the Charter of the City of Modesto, at a municipal election to be held on November 6, 2018 as set forth below, and hereby designates and refers said proposal to be set forth in the form of a ballot measure as hereinafter prescribed for use at said municipal election:

PROPOSED AMENDMENT TO THE CHARTER OF THE CITY OF
MODESTO

General Municipal Election

November 6, 2018

The Council of the City of Modesto hereby proposes, on its own motion, to amend Sections of the Charter of the City of Modesto as follows:

MEASURE __

SECTION 300. REGULAR MUNICIPAL ELECTIONS

Regular Municipal Elections for the election of officers and for such other purposes as the Council may prescribe shall be held biennially on the first Tuesday after the first Monday in November of each ~~even~~~~odd~~-numbered year, to coincide with the statewide general election.

To transition to even-numbered year elections, the municipal election normally held in November 2019 shall be moved to November 2020 and the municipal election normally held in November 2021 shall be moved to November 2022. This transition results in a one-time, one-year extension of the terms of city council members elected in November 2015, the mayor elected in the November 2015 election which resulted in his election in the February 2016 run-off election, and the city council members elected in the November 2017 election.

If, at a regular municipal election held on the first Tuesday, after the first Monday in November of each ~~even~~~~odd~~-numbered year, no candidate for the elective office of Mayor for the City of Modesto receives a majority of the valid votes cast for said office at said regular municipal election, a ~~second regular municipal run-off~~ election shall be held for said office on the first Tuesday in February of each ~~odd~~~~even~~-numbered year commencing with the Mayoral election held in November 2020 the year 2012. At said ~~second regular municipal run-off~~ election, the two (2) candidates for the elective office of Mayor receiving the highest number of votes at the ~~first regular prior~~ municipal election shall have their names placed on the ballot for election to said office.

SECTION 600. – TERM OF OFFICE

The Mayor shall hold office for a term of four (4) years, less any time required between a November election and a February run-off election, from and after the first Tuesday following the Mayor's election and until the Mayor's successor is qualified and elected. To allow for a transition to even-numbered year elections as required by state law, the term for the Mayor elected in the November 2015 election which resulted in his election in February 2016 shall be extended by one year to accommodate moving the November 2019 election to November 2020.

SECTION 700. – COUNCILMEMBERS, TERM OF OFFICE.

Except as otherwise provided in this Charter, the members of the Council shall hold office for a term of four (4) years from and after the first Tuesday following their election. The members of the Council in office at the time this Charter takes effect shall continue in office until the expiration of their terms or until their successors are elected and qualified. To accommodate the City's transition to even-numbered year elections, Councilmembers elected in the November 2015 and November 2017 elections shall have their terms extended by one year; meaning they will serve a term of five (5) years and their Council seats will be up for election in November 2020 and November 2022, respectively.

If a tie vote makes it impossible to determine which of two (2) or more candidates has been elected, said tie shall be settled by the drawing of lots, the procedure for which shall be determined by the Council. Each member of the Council shall have the right to vote on all matters coming before the Council.

No candidate shall file for more than one (1) elective office; and no incumbent member of the Council shall run for a seat other than that which the member holds, except that any incumbent member of the Council may run for the seat of Mayor, and an incumbent Mayor may run for the seat of Mayor or for any other seat on the Council, all subject to the limitations of terms of office in Section 503 of this Charter.

Note: Any wording stricken would be deleted by this measure. All of the above wording which is underlined would be added by this measure.

2. On the ballots to be used at said election, in addition to any other matter required by law to be printed thereon, shall be printed the following question:

MEASURE __

To increase voter participation in City of Modesto elections and to conform with state law, shall the City of Modesto Charter be amended to: (1) change the date for the City's future, regular elections to November of even-numbered years to coincide with State/Federal elections, and; (2) allow for a one time, one-year extension of the terms of City Council members and the Mayor?	Yes	o
	No	o

3. The City Council hereby orders the City Clerk to submit the proposed charter amendment to the voters of the City of Modesto at a Municipal Election on November 6,

2018.

4. Pursuant to Elections Code section 12101 et seq., the City Clerk of the City of Modesto is hereby authorized to prepare all required notices related to the ballot measures and to publish such notices as required by law in *The Modesto Bee*, the official newspaper of said City and a newspaper of general circulation printed and published in said City.

5. The Stanislaus County Elections Department is hereby authorized to canvass the returns of the Municipal Election.

6. The City Clerk is hereby directed to file a certified copy of this resolution with the Board of Supervisors and the Elections Department of the County of Stanislaus, and the City Clerk shall certify to the passage and adoption of this resolution and enter it into the book of original resolutions.

7. Pursuant to Elections Code Section 9280, the City Clerk is hereby directed to transmit a copy of the ballot measure to the City Attorney, who is hereby directed to prepare an impartial analysis of the measure showing the effect of the measure on existing law and the operation of the measure.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Grewal, who moved its adoption, which motion being duly seconded by Councilmember Ah You, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal,
Mayor Brandvold

NOES: Councilmembers: Ridenour

2017-18 Mid-Year Budget Update Report

February 26

2018

This report contains information on the operating revenues and expenditures for the City of Modesto's General Fund through January 2018. The report contains updates on the major revenues and expenditures by departments as well as an update on the General Fund Reserves. Recommended adjustments to the current Fiscal Year 2017-18 Operating Budgets are explained throughout.

Prepared by
Steve
Christensen

General Fund Revenues

2017-18 Mid-Year Budget Report

General Fund revenues are classified into three categories: major revenues, construction revenues and other revenues. Just past mid-year (January 2018), the total operating revenue budget for Fiscal Year 2017-18 was \$119.7 million. Adding in the additional revenue received from transfers in to the General Fund from other City funds (\$746k), there is a total General Fund revenue operating budget of \$120.5 million as of January 2018.

Major revenues represent 83.9% of the total General Fund operating revenue budget at \$101.1 million of the total \$120.5 million revenue operating budget. Details about the major revenues collected to date can be seen in the chart below:

General Fund Major Revenues

Category	Current Budget	Actuals (January 2018)	Amount Outstanding
Business License/Mill Tax	\$ 11,603,520	\$ 4,963,312	\$ 6,640,208
Franchise Fees	\$ 4,605,794	\$ 1,093,061	\$ 3,512,733
Motor Vehicle Fees	\$ 177,020	\$ 102,273	\$ 74,747
Property Tax - Property	\$ 15,634,250	\$ 9,181,128	\$ 6,453,122
Property Tax - VLF Swap	\$ 15,711,010	\$ -	\$ 15,711,010
Sales Tax	\$ 30,440,650	\$ 12,954,143	\$ 17,486,507
Transient Occupancy Tax	\$ 2,450,000	\$ 1,316,095	\$ 1,133,905
Utility Users Tax	\$ 20,459,361	\$ 10,546,155	\$ 9,913,206
Totals	\$ 101,081,605	\$ 40,156,167	\$ 60,925,438

Analysis of Selected Major Revenues:

Sales Tax - Sales tax received to date is at approximately 42.5% of the budgeted amount. This is normal for this time of the year as sales tax revenue received is collected two months in arrears. Meaning, sales tax revenue received in January from the State Board of Equalization is actually for receipts in the month of November. For comparison, in Fiscal Year 2016-17 sales tax revenue received as of January 2017 was slightly behind the collection percentage (42.1%) than at the same in the current fiscal year.

The City will not receive a full six months of sales tax revenue until the end of February 2018. At that time a better projection will be able to be provided on how sales tax revenue will finish for Fiscal Year 2017-18 as the City will have received the holiday sales tax figures at that point.

Recommendation: No change to the budgeted amount for Sales Tax is recommended by Staff at this time.

Utility Users Tax - Utility users tax (UUT) received to date is at approximately 51.5% of the budgeted amount. UUT is doing somewhat better in terms of revenue received than in the previous fiscal year. In Fiscal Year 2016-17, revenue received from UUT at the same point in time (January 2017) was at approximately 49.4%. This increase has been a result of a few things of which the main reason is due to the increase in the water rates which has an impact on the UUT received by the City.

Recommendation: Staff is recommending a small increase of \$100,000 to this revenue source to account for the slight increase in revenues that the City is experiencing to date.

2017-18 Mid-Year Budget Report

Property Tax – Property - The first installments of secured and unsecured property tax revenue, which are the largest portions of property tax revenue, have been received by the City. These amounts have come in right on target with what has been estimated for the fiscal year. The first payment of current year secured property taxes is typically 55% of the total amount received for this portion of the total property tax revenue. At this point, the first payment received was 55% of the total budgeted amount (\$7.8 million of the \$14.2 million budgeted). The next payment for current year secured property taxes, which should be received in May/June, should be the remaining 45% of the budgeted amount or approximately \$6.4 million.

Recommendation: At this time, Staff is recommending an increase of Property Tax - Property revenues of \$350,284. This increase will cover estimated increases in the property tax revenues related to some of the other categories that are received in this area for things like, Delinquent Unsecured taxes, the Supplemental Roll, and RPTTF (Redevelopment Property Tax Trust Fund) Allocations.

Property Tax – VLF Swap - This first installment of the Vehicle License Fee (VLF) Swap has not yet been received by the City. This is slightly uncommon, but not a cause for concern at this point. This revenue is typically received in the months of December/January, but it is not unheard of for this first installment to be received as late as February. Once this revenue is received, Staff will provide an update on the actuals and estimates for year-end.

Recommendation: Staff cannot recommend any changes to this revenue source at this time as the first installment has not yet been received.

Business License/Mill Tax - Business License/Mill Tax (BL/MT) revenue received to date is at approximately 42.8% of the budgeted amount. BL/MT is slightly behind in terms of revenue received to date than it was in the prior fiscal year. In Fiscal Year 2017-18, BL/MT revenue received as of January 2017 was approximately 45.8% of the budget. In the current fiscal year, the City is underperforming the previous fiscal year by approximately 3%. This is one revenue area that had seen quite a bit of growth in the past 3 to 5 fiscal years, but it is also one that could begin to see a waning of that growth. There could be potential for more growth in the future as permits are issued for businesses as the economy continues to improve. Additionally, this could help increase the mill tax revenue received on the City's behalf as taxable gross receipts grow for businesses.

Recommendation: Staff is not recommending any change to this revenue source at this time.

Transient Occupancy Tax - Transient Occupancy Tax (TOT) revenue received to date is at approximately 53.7% of the amount budgeted. TOT is performing slightly behind the revenues received at the same point in time in the prior fiscal year. In Fiscal Year 2016-17, TOT revenue received as of January 2017 was approximately 58.5% of the budgeted amount. The slightly higher amounts received in FY 2016-17 were mainly caused by some one-time revenues being received from some of the hotels.

TOT can be considered an economic indicator revenue for the City as its growth continues to show that people are visiting Modesto for various purposes and staying to buy goods or use the many

2017-18 Mid-Year Budget Report

services offered by the City's various businesses. Continued growth in this revenue is a positive for the City on multiple levels.

Recommendation: Staff is recommending an increase to this revenue source of approximately \$150,000. This will bring the budgeted revenue in line with what the City had received historically and is projected to be on pace to receive in FY 2017-18.

2017-18 Mid-Year Budget Report

Analysis of Construction Revenues:

Construction Revenues - Construction revenues include all revenue collected in the Building Safety Division and the Planning Division in the Community and Economic Development Department (CEDD). These revenues represent approximately 1.8% of the total budgeted General Fund operating revenues for Fiscal Year 2017-18. They are budgeted at \$2.18 million as of January 2018.

As of January 2018, construction revenues received to date are at approximately 62% of the amount budgeted. This is trending up from the previous fiscal year. In Fiscal Year 2016-17, construction revenues received as of January 2017 were only at approximately 56.9% of the budgeted amount. This is great news as increased construction revenues mean that there is improvement in the local economy as building is occurring. Granted a majority of the building will be related to permits and small developments but the signs are encouraging as this revenue was devastated during the recession.

Below is a chart showing the actual construction revenues through the years illustrating the decline through the recession as well as the recent improvements experienced in this revenue category.

Recommendation: Staff is recommended a slight increase to construction revenues of \$75,000 based upon the rate of revenues received to date.

2017-18 Mid-Year Budget Report

Analysis of Other Revenues:

Other Revenues - Other revenues include any revenue source that is received by departments and that is not included in the major revenue or construction revenues categories. This category of revenue represents 13.8% of the total budgeted General Fund operating revenues for Fiscal Year 2017-18. They are budgeted at a total amount of \$16.6 million and do not include the transfers in amount of \$746k.

These revenues are accounted for under the generating department and include a wide range of revenue sources such as direct charge revenue (all departments), parking fines (Police), league and facility rental fees (Parks, Recreation & Neighborhoods), and the McHenry Tax Sharing Agreement revenues (Non-Departmental).

Below is a chart showing the various revenue budgets and actuals received to date for each General Fund Department as well as what percentage of the total this amount represents.

General Fund Department Revenues

Category	Current Budget	Actuals (January 2018)	Amount Outstanding
City Attorney's Office	\$ 78,999	\$ 46,698	\$ 32,301
City Clerk's Office	\$ 175,000	\$ 1,143	\$ 173,857
City Council	\$ -	\$ 110	\$ (110)
City Manager's Office	\$ 199,350	\$ 99,037	\$ 100,313
Community & Economic Development	\$ 879,471	\$ 430,095	\$ 449,376
Finance Department	\$ 1,395,594	\$ 827,672	\$ 567,922
Fire Department	\$ 1,308,365	\$ 754,522	\$ 553,843
Human Resources	\$ 387,391	\$ 235,235	\$ 152,156
Motor Vehicle Fees	\$ 177,020	\$ 102,273	\$ 74,747
Non-Departmental	\$ 6,732,223	\$ 3,665,551	\$ 3,066,672
Parks, Recreation and Neighborhoods	\$ 1,182,597	\$ 638,634	\$ 543,963
Police Department	\$ 2,379,870	\$ 1,539,375	\$ 840,495
Public Works	\$ 1,732,195	\$ 933,413	\$ 798,782
Totals	\$ 16,628,075	\$ 9,273,758	\$ 7,354,317

Overall 56% of the budgeted revenues have been received in this revenue category as of January 2018. Looking at the chart above, nearly all of the department revenues are on track with their budgeted amounts. The one department that is behind in collection of revenue is the City Clerk's Office but this is largely due to the timing of the revenue that comes in for reimbursements from election costs. Once these revenues are received towards the end of the fiscal year, they will be closer to the budgeted amount.

Recommendation: Staff is recommending an increase to this revenue category of \$150,000 for the revenue received for the McHenry Tax Sharing Agreement. This revenue category is under the Non-Departmental area and as of January 2018, 80.8% of the budgeted amount has been received. This is about 9% higher than the same point in time in the prior fiscal year. Staff feels that the increase amount is justified due to the rate of receipt through January 2018.

General Fund Expenditures

2017-18 Mid-Year Budget Report

General Fund expenditures make up the total budgets where departments pay for costs related to one of four expenditure categories. These categories include salary and benefit costs, internal service fund costs, discretionary costs, and transfers out to other funds. In the General Fund, there are 12 Operating Departments, one Non-Departmental category and a category for Transfers Out of the General Fund to other Funds. The 12 Operating Departments and the one Non-Departmental category make up a total General Fund operating expenditure budget of \$124.2 million with the Transfers Out having a budget of \$7.1 million. Including all categories, the total General Fund operating expenditure budget in Fiscal Year 2017-18 is \$131.3 million.

Below is a chart that shows the total expenditure budgets by department as well as how much has been expended to date and what percent of the total budget remains as of January 2018:

General Fund Department Expenditures

Department	Current Budget	Actual (January 2018)	Budget Remaining	% of Budget Expended
City Attorney's Office	\$ 2,137,936	\$ 1,062,851	\$ 1,075,085	49.7%
City Clerk's Office	\$ 937,881	\$ 242,941	\$ 694,940	25.9%
City Council	\$ 420,514	\$ 231,431	\$ 189,083	55.0%
City Manager's Office	\$ 2,378,827	\$ 1,165,765	\$ 1,213,062	49.0%
Community & Economic Development	\$ 7,900,681	\$ 3,990,494	\$ 3,910,187	50.5%
Finance Department	\$ 4,666,358	\$ 2,644,905	\$ 2,021,454	56.7%
Fire Department	\$ 30,844,928	\$ 20,337,269	\$ 10,507,659	65.9%
Human Resources	\$ 1,462,766	\$ 785,052	\$ 677,714	53.7%
Non-Departmental	\$ 421,000	\$ 90,819	\$ 330,181	21.6%
Office of the City Auditor	\$ 327,769	\$ 24,325	\$ 303,444	7.4%
Parks, Recreation & Neighborhoods	\$ 3,903,426	\$ 1,897,301	\$ 2,006,125	48.6%
Police Department	\$ 62,280,572	\$ 34,576,526	\$ 27,704,046	55.5%
Public Works	\$ 6,506,588	\$ 3,779,795	\$ 2,726,793	58.1%
Transfers Out	\$ 7,097,869	\$ 828,075	\$ 6,269,794	11.7%
Totals	\$ 131,287,114	\$ 71,657,549	\$ 59,629,566	54.6%

The chart shows that overall the expenditures are doing marginally better than budget as of January 2018. This is shown by the fact that as of January 2018, with 41.7% of the year remaining, there is approximately 45.4% of the budget remaining for the balance of the fiscal year. Basically, this means that our spending is at 54.6% with 58.3% of the fiscal year gone by, meaning as of January 2018 the departments are showing a 3.8% rate of savings overall (including transfers out).

Analysis of Select Department Expenditures:

City Clerk's Office - The City Clerk's Office shows a high percentage of expenditure budget remaining of 74.1% as of January 2018. This is caused by the total budget for elections being housed in the City Clerk's Office. The expenditure budget for this area is \$500k of which only \$554 has been expended. If you look at only the City Clerk's Office main operating budget the "% of Budget Remaining" drops to 55.4% which is a more accurate portrayal of the department's operating expenditures. Note that election costs are usually paid out closer to the end of the fiscal year.

Fire Department - The Fire Department has a percentage of budget expended amount of 65.9% as of January 2018. This is a higher rate of expenditure that has been caused by a higher rate of overtime spending than has been seen in previous fiscal years. This is directly attributed to the

2017-18 Mid-Year Budget Report

amount of wildfires that have been seen throughout California in the current fiscal year. The City of Modesto has a mutual aid agreement with CalFire in which it sends out City Fire personnel on wildfires throughout the state. This has increased the costs of overtime needed to backfill the positions out on call. While costs have increased, the Fire Department does receive reimbursement revenue for the positions sent out on call as well as the overtime for the backfilled positions and an apparatus fee for any engines or trucks that are sent out to assist with a wildfire. This revenue helps to offset the increased expenditures in the areas of overtime for the Fire Department when there is a particular abundant wildfire season.

Another contributing factor to the higher rate of expenditure has been the decrease in operating expenditure budgets that the Fire Department has incurred in order to fund some much needed station repairs at Station 1 (Roof Replacement Project) and Station 11 (Garage Door Replacement). These reduced the Fire Department budgets by nearly \$400k and could be a potential cause for a future request from General Fund reserves to avoid any potential expenditure shortfalls in this department's budget.

Non-Departmental - Non-Departmental expenditures have a very low percentage of budget expended to date (21.6%). This is mainly due to the largest expenditure from this budget being for the City's payment to Stanislaus County for the administrative fee for Property Tax collection. This is budgeted in the amount of \$300k and is not expended until closer to the end of the fiscal year.

Office of the City Auditor - The Office of the City Auditor expenditure budget has a percent of budget expended of 7.4% as of January 2018. This is caused by a combination of two things. The first is that billings for audit services from Moss Adams have not been expended for the current year audit work. The second reason is that budgeted amounts for the hiring of a City Auditor and one administrative staff have not been expended. These two factors have resulted in significant savings in this area to date.

Transfers Out - Transfers Out expenditures also have a very low percentage of budget expended to date at only 11.7%. The cause being that a majority of the transfers out of funds (General Fund included) occur at the end of the fiscal year. This is to ensure that the full transfer amounts are needed and that only the necessary/required amounts are moved to the appropriate receiving fund. By fiscal year end 2018, most likely 100% of this category's budget will be expended.

2017-18 Mid-Year Budget Report

Summary of General Fund Expenditures by Appropriation Unit:

Recall that earlier in this section it was mentioned that there are four types of categories for expenditures which include Salaries and Benefits, Internal Service Fund (ISF) Charges, Discretionary Expenses, and Transfers Out to other funds. There is a fifth category, Intrafund Labor, that acts as a contra-expenditure which essentially makes it a revenue category for direct charge services provided from one department to another department within the same fund. This category offsets expenses due to the nature of a contra-expenditure. All of these categories make up Appropriation Units. Below is a chart showing the various appropriation units and what is included in each:

Appropriation Unit	Category
A	Salary and Benefits
AA	Intrafund Labor
B	ISF Charges
C	Discretionary Expense
D	Transfers Out

This next chart will show you a breakdown of the General Fund Department Expenditures chart on page 8. The purpose is to display the General Fund department expenditures by appropriation unit at the mid-year point to illustrate how each department's spending is performing across the categories explained above.

General Fund Department Expenditures Summary by Appropriation Unit

Department Expense	Current Budget	Actual (JAN 2018)	Amount Remaining	% Remaining
City Council:				
Salary and Benefits (Appr Unit A)	\$ 308,598	\$ 174,464	\$ 134,134	43.5%

General Fund Reserves

2017-18 Mid-Year Budget Report

General Fund reserves fall into a number of categories. At the end of Fiscal Year 2017, the reserve balances were as follows:

Fund Balances:	Amount
Nonspendable	\$ 2,515,146
Restricted	\$ 1,970,622
Committed	\$ 15,800,000
Assigned	\$ 4,854,307
Unassigned	\$ 4,509,693
Total Fund Balances	\$ 29,649,768

Of the categories above only the Unassigned amount of \$4,509,693 is available for use in the following fiscal year (2017-18). The other categories are placed into those pots of reserves for specific reasons, whether they are reserved for future encumbrances (Assigned), set-aside for Emergency Reserves (Committed), or held for advances from other funds (Nonspendable).

Of the Unassigned amount of \$4,509,693 some funds have been appropriated for expense via Council action. Below is a table that summarizes the appropriations from the Unassigned amount also known as the Carryover:

Description	Amount
Amendment to 10th Street JPA Budget	\$ 90,434
John Thurman Field Capital Improvement Project Budget	\$ 120,000
Repayment to Cal-Trans for Indirect Rate Audit	\$ 162,837
SB1 Maintenance of Effort	\$ 1,538,605
Totals	\$ 1,911,876

This brings down the actual Carryover to date balance from \$4,509,693 to \$2,597,817. This is the amount that would be available for discussion amongst Council as to what opportunities can be supported with this particular funding source. It also needs to be remembered that there are some other potential expenses that could occur in the remainder of the fiscal year. One of those potential expenses was mentioned earlier in this report as the Fire Department may need potential funds from the General Fund to avoid an expenditure shortfall.

This information can be used by Council to begin potential use discussions that could be brought back at a future date to Finance Committee or to a later Council meeting.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-209**

**RESOLUTION AMENDING THE FISCAL YEAR 2017-2018 ANNUAL
OPERATING BUDGET TO INCREASE GENERAL FUND REVENUES BY
\$825,284 PER THE DETAILS OUTLINED IN EXHIBIT B AND TO DESIGNATE
\$2,597,817 IN FY 2016-17 GENERAL FUND CARRYOVER AS GENERAL FUND
EMERGENCY RESERVES**

WHEREAS, a financial analysis has been completed and it has been determined that a budget adjustment is required to the Annual Budgets of the City of Modesto for Fiscal Year 2017-2018, and

WHEREAS, this Mid-Year Budget Update Report contained information that showed revenue budgets for the General Fund need to be increased based upon said analysis, and

WHEREAS, the details of the recommended changes to the revenue budgets are outlined in **Exhibit B**, and

WHEREAS, the Finance Committee met on February 26th, 2018 and discussed the possible uses of FY 2016-17 General Fund Carryover and decided to move forward a recommendation that the funds in the amount of \$2,597,817 be designated as General Fund Emergency Reserves.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Fiscal Year 2017-2018 annual operating budget as shown in **Exhibit B**, which is **attached** hereto and incorporated by reference herein and that it also approves the designation of \$2,597,817 in FY 2016-17 Carryover as General Fund Emergency Reserves.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Ridenour, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Ridenour,
Mayor Brandvold

NOES: Councilmembers: None

ABSENT: Councilmembers: Madrigal, Zoslocki

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-210**

**RESOLUTION APPROVING THE PAYMENT OF SOFTWARE
MAINTENANCE SUPPORT AGREEMENTS FOR THE REMAINDER OF
FISCAL YEAR 2017-18 FOR AN ESTIMATED ANNUAL COST NOT TO
EXCEED \$3,306,508**

WHEREAS, the City has an ongoing need for maintenance/support agreements for software assets utilized by the City of Modesto, and

WHEREAS, the expenditures for maintenance/support agreements have been approved by Council through the budget process, and

WHEREAS, staff requests the approval for payment of invoices presented for Fiscal Year 2017–2018 for an estimated annual cost not to exceed \$3,306,508.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves payment for invoices for various software maintenance/support agreements, set forth in **Exhibit A**, from software companies for the Information Technology Department, Human Resources Department, and the Modesto Police Department for the remainder of Fiscal Year 2017-2018 for an estimated annual cost not to exceed \$3,306,508.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ah You, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour,

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-211**

**RESOLUTION ACCEPTING THE CALIFORNIA URBAN GREENING GRANT
PROGRAM FUNDS IN AN AMOUNT OF \$3,193,401 TO FUND
CONSTRUCTION OF THE VIRGINIA CORRIDOR PHASE 7 TRAIL PROJECT**

WHEREAS, the Virginia Corridor Trailway is a conversion of the original Tidewater Southern/Union Pacific Railroad corridor into a Class 1 bicycle and pedestrian trail, and

WHEREAS, the Virginia Corridor Trailway currently extends from College Avenue to Woodrow Avenue, and

WHEREAS, the Virginia Corridor Phase 7 Trail project is an essential piece of the City of Modesto Trail System, and

WHEREAS, the Virginia Corridor Phase 7 Trail will add approximately 0.75 miles of trail to connect the northern portion of the City to downtown via the Hetch-Hetchy Trail, and

WHEREAS, the Virginia Corridor Phase 7 Trail will have many environmental benefits such as reducing carbon emissions, and collecting storm water, and

WHEREAS, the grant funding requires a deed restriction that ensures that the park stay open to the public and is properly maintained for at least 25 years, and

WHEREAS, on May 23, 2017, by Resolution No. 2017-196, Council approved authorizing the submittal of an application to the California Urban Greening Grant Funding Program to fund construction of Virginia Corridor Phase 7 Trail which also authorized the City Manager to execute the agreement should the grant be awarded , and

WHEREAS, the City has received notice of a grant award from the California Urban Greening Grant Funding Program in an amount of \$3,193,401 to fund construction of the Virginia Corridor Phase 7 Trail.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it accepts the California Urban Greening Grant Program funds in an amount of \$3,193,401 to fund construction of the Virginia Corridor Phase 7 Trail Project.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of June, 2018, by Councilmember Ridenour, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-213**

RESOLUTION APPROVING A SECOND AMENDMENT TO THE PROFESSIONAL SERVICES AGREEMENT WITH MUNICIPAL RESOURCE GROUP, IN THE AMOUNT OF \$40,000, TO PROVIDE CONTINUED ASSISTANCE WITH COMMUNITY & ECONOMIC DEVELOPMENT DEPARTMENT PROJECTS, FOR A TOTAL AGREEMENT AMOUNT OF \$153,000 AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE TO EXECUTE THE AMENDMENT

WHEREAS, Municipal Resource Group is a governmental consulting firm which has an extensive background providing support services to municipalities throughout Northern California; and

WHEREAS, in February of 2018, the City entered into a Professional Services Agreement with Municipal Resources Group (MRG) to provide assistance with special projects in the City Manager's Office; and

WHEREAS, on March 6, 2018, by Resolution No. 2018-97, Council approved a First Amendment to the Professional Services Agreement with Municipal Resource Group, in the amount of \$68,000, to provide assistance with Community & Economic Development Department projects, for a total agreement amount of \$113,000; and

WHEREAS, continued assistance is needed with Community & Economic Development Department projects; and

WHEREAS, the extension is necessary until such time the Director of Community & Economic Development position is filled. The recruitment for this position closes on June 18, 2018; and

WHEREAS, providing continued assistance is necessary to continue to meet the goals and objectives of Council and the Community & Economic Development Department.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves a Second Amendment to the Professional Services Agreement with Municipal Resource Group, in the amount of \$40,000, to provide continued assistance with Community & Economic Development Department projects, for a total agreement amount of \$153,000.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to sign the amendment to the agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-214**

**RESOLUTION ACCEPTING THE HOMELESS MANAGEMENT
INFORMATION SYSTEM GRANT (HMIS) IN THE AMOUNT OF \$173,533 AND
AUTHORIZING THE INTERIM CITY MANAGER OR HIS DESIGNEE, TO
EXECUTE ALL NECESSARY FUNDING AND GRANT DOCUMENTS**

WHEREAS, in 1988, the Stanislaus County Housing and Support Services Collaborative (StanCSOC) /Continuum of Care was formed (Continuum of Care), and

WHEREAS, a Continuum of Care is an integrated system of care that guides and tracks homeless individuals & families through a comprehensive array of housing & services designed to prevent and end homelessness, and

WHEREAS, since inception, this volunteer body has secured millions in grants from the U.S. Department of Housing & Urban Development to combat the impact of homelessness in our community, and

WHEREAS, the City took over the Collaborative Applicant role on July 2017, by Resolution No. 2017-289, and

WHEREAS, as the Collaborative Applicant, the City is responsible to collect and submit the required Continuum of Care application information for all projects the StanCSOC selects for funding, and

WHEREAS, the City is also responsible for monitoring activities and providing technical assistance to the non-profit organizations receiving Continuum of Care funds, and

WHEREAS, additionally, the City is responsible for administration and oversight of the HMIS for StanCSOC, and

WHEREAS, HMIS enables homeless service providers to collect uniform client information over time, and

WHEREAS, through HMIS, homeless program clients benefit from improved coordination in and between agencies, informed advocacy efforts, and policies that result in targeted services, and

WHEREAS, analysis of information gathered through HMIS is critical to accurately calculate the size, characteristics, and needs of the homeless population, and

WHEREAS, HMIS is an integrated network of homeless and other service providers that use a central database to collect, track and report uniform information on client needs and services, and

WHEREAS, the system meets Federal requirements, collaborates and enhances homeless prevention services delivery, and

WHEREAS, the City was awarded \$173,533 from U.S. Department of Housing and Urban Development to support the HMIS, and

WHEREAS, the award includes funding for salary and benefits, oversight, computer software, training, and licenses for the client management software, and

WHEREAS, the grant requires a 20% match that will be made up of fees for additional reporting support and user licenses for agencies who request it, and

- HMIS Support Fee: \$1,200 (per year, excluding non-profits, for under 2 activities)
- HMIS Support Fee: \$2,400 (per year, excluding non-profits, for over 2 activities)
- Additional User License: \$930.00 (per user per year, does not apply for non-profit's who are voluntarily adding non-mandated data)

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby accepts the HMIS in the amount of \$173,533.

BE IT FURTHER RESOLVED, that the Interim City Manager or his designee, is hereby authorized to execute all necessary funding and grant documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

REHABILITATION PROGRAM), OF THE HOUSING AND URBAN
DEVELOPMENT POLICIES & PROCEDURES MANUAL**

WHEREAS, the City has been a participating jurisdiction in the Community Development Block Grant (CDBG) Program of the U.S. Department of Housing and Urban Development (HUD) since the program was established by Congress in 1974, and

WHEREAS, HUD distributes federal CDBG funds to states, counties and urban cities to provide decent, safe, and sanitary housing; to provide suitable living environments, and to expand economic opportunities principally for low and moderate-income persons, and

WHEREAS, the City, as an entitlement community, receives approximately \$1.8 million in CDBG funds annually to support a range of eligible activities, from public services to public infrastructure improvements that benefit low- and moderate-income individuals, families and neighborhoods. Federal regulations governing the CDBG program are in Title 24 of the Code of Federal Regulations Part 570 (24 CFR 570), and

WHEREAS, in October 2016, the Council, by Resolution No. 2016-245, adopted a Housing & Urban Development Policies & Procedures Manual (HUD Manual), and

WHEREAS, Housing & Urban Development Policies & Procedures Manual were last updated on November 8, 2017 by Resolution 2017-427, and

WHEREAS, in order to align with current program guidelines and replace older program policies Section 3 (Community Development Block Grant Programs), and Section 6 (Housing Rehabilitation Program) needed to be updated, and

WHEREAS, The Citizen's Housing and Community Development Committee reviewed, approved and forwarded the proposed amended Section 3 and Section 6 of the HUD Policies and Procedures to the City Council for review and approval.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby amends Section 3 (Community Development Block Grant Programs) and Section 6 (Housing Rehabilitation Program), of the Housing and Urban Development Policies & Procedures Manual.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-216**

RESOLUTION APPROVING A WILL SERVE LETTER AND OUTSIDE SERVICE AGREEMENT BETWEEN THE CITY OF MODESTO AND RIO DE SUENOS, A CALIFORNIA LIMITED LIABILITY COMPANY TO CONNECT TO THE CITY OF MODESTO'S EXISTING WATER SYSTEM FOR THE PROPERTY LOCATED AT 7427 RIVER NINE DRIVE IN MODESTO (APN 004-092-008) AND AUTHORIZING THE INTERIM CITY MANAGER OR HIS DESIGNEE, TO APPROVE THE WILL SERVE LETTER AND EXECUTE THE OUTSIDE SERVICE AGREEMENT

WHEREAS, Rio De Suenos, a California Limited Liability Company, owns property located at 7427 River Nine Drive, and

WHEREAS, the property located at 7427 River Nine Drive is not connected to the City's water system and a representative of the property owner has requested water service, and

WHEREAS, on May 22, 2012, Council approved Resolution No. 2012-202 that amended City Council Policy 5.001, and

WHEREAS, on June 5, 2012, Council approved final adoption of Ordinance No. 3566-C.S. amending City of Modesto Municipal Code Section 11-1.05, and

WHEREAS, both of these amendments included language which required that the City Manager, upon the recommendation of the Director responsible for utility system planning, request City Council approval for all extensions of water services into unincorporated areas, and

WHEREAS, on November 25, 2014, Council approved Resolution No. 2014-472 that amended City Council Policy 5.001, and

WHEREAS, on December 9, 2014, the City Council approved adoption of Ordinance No. 3611-C.S. amending City of Modesto Municipal Code Section 11-1.05, and

WHEREAS, both of these amendments included language allowing the City Manager upon the recommendation of the Director responsible for utility system planning, to approve standard agreements of service for extension of water services into certain unincorporated areas that are located within the former Del Este Water Service Area without City Council approval, and

WHEREAS, the property located at 7427 River Nine Drive is not located within the former Del Este Water Service area and therefore requires City Council approval prior to allowing the new water service connection, and

WHEREAS, it has been determined that a sufficient quantity of potable water is available for normal usage by the proposed development, and

WHEREAS, the water connection fees will be paid and associated permits be obtained prior to beginning any on site construction, and

WHEREAS, the property owner has executed an Outside Service Agreement for Water Service as required to receive water service outside of City limits.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the Will Serve Letter and Outside Service Agreement for Water Service for the property located at 7427 River Nine Drive in Modesto (APN: 004-092-008).

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to approve the Will Serve Letter and execute the Outside Service Agreement for Water Service.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-217**

**RESOLUTION AMENDING THE FISCAL YEAR 2017-2018 ANNUAL
OPERATING AND CAPITAL IMPROVEMENT FUND BUDGETS**

WHEREAS, a financial analysis has been completed and it has been determined that a budget adjustment is required to the Annual and Capital Improvement Budgets of the City of Modesto for Fiscal Year 2017-18.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves amending the Fiscal Year 2017-18 Annual Operating and Capital Improvement budget as shown in **Exhibit A**, which is **attached** hereto and incorporated by reference herein.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

EXHIBIT A

FISCAL YEAR 2017-18

COMMUNITY AND ECONOMIC DEVELOPMENT

A budget adjustment is necessary to increase the FY 2017-18 10th Street JPA Allocation from various City funds for the amendment with Cypress Security for \$75,002 that was approved by the 10th Street JPA Board on October 31, 2017 of which the additional City's portion is \$26,313, of which \$16,251 relates to the General Fund. This assessment of \$26,313 has been split amongst a number of funds of which the breakdown can be seen below:

Fund Name	Fund	Increase
General Fund	0100	\$16,251
Grants - CDBG Direct Program	1130	\$205
Capital Improvement Support	1300	\$349
Surface Transportation Fund	1700	\$827
Water Fund	4100	\$3,110
Sewer Operations Fund	4210	\$2,139
Bus Fixed Route Max Operations Fund	4540	\$791
Solid Waste Fund	4891	\$685
Mail Services ISF	5120	\$68
Information Technology Fund	5230	\$1,658
Insurance - Administration Fund	5310	\$131
Employee Benefits Management Fund	5520	\$99
	Grand Total	\$26,313

This adjustment will also increase the revenue and expenses in the 10th Street JPA Fund by the amounts below in the following accounts:

<u>Account</u>	<u>Amount</u>
5810-52310-42405 (City of Modesto Contribution)	\$26,313
5810-52310-53505 (Intergovernmental Services – Other)	\$26,313

A budget adjustment is necessary to recognize \$75,000 of unbudgeted revenue in the Capital Grants Capital Improvement Project Fund, Fund 3160, to the SB Dale Road Bus Turnout Capital Improvement Project, #100727, and reallocates funding to Construction, Construction Administration and Contingency in expense as approved by Caltrans per the E-76. Included in this adjustment is a decrease of \$6,000 to the Land Acquisition expense budget and reallocates it the Preliminary Engineering phase, as the land purchase is complete.

FINANCE/POLICE DEPARTMENT

A budget adjustment is necessary to 1) recognize \$185,000 in unbudgeted revenue in the Citation Processing Cost Center (19440) - Parking Fines account within the Modesto Police Department, and, reallocate \$55,000 to their Services City Forces Non Labor expense account for increased costs related to a Direct Charge Agreement between Finance and the Modesto Police Department; 2) Increase the Finance Department Citation Processing Cost Center (12450) Interfund - Admin Cost Non-Labor Direct Charge Agreement revenue and Criminal Justice Mandatory Fees expense account by \$55,000. The increase in expense and revenue is result of an increase in Parking Citation issuance.

PARKS, RECREATION AND NEIGHBORHOODS

A budget adjustment is necessary to reflect the updated budget that the Tuolumne Regional River Park (TRRP) Joint Powers Agreement Board adopted on 2/14/18 as well as the approved transfer to the TRRP CIP Fund. TRRP Revenues will be reduced by \$29,250 and expenses will be reduced by \$8,934 to match the updated budget. There is also increase of \$22,400 to the Transfer Out of the TRRP Fund and the Transfer in to the TRRP CIP Fund.

POLICE DEPARTMENT

A budget adjustment is necessary to amend the revenue and expense budget for Project #100969 – 2016-17 SLESF. The adjustment will recognize additional revenue from the State Law Enforcement Supplemental Funds (SLESF) in the amount of \$103,632 and interest income in the amount of \$1,172. Additionally, the Appropriation Unit C expense budget is being increased by \$335,977 so that it matches all revenue received to date in the project. Previous adjustments recognized revenue received, but did not appropriate it to the project expense budget.

PUBLIC WORKS

A budget adjustment is necessary to transfer \$133,503 from the Inventory Purchases Fleet Replacement Fund (5119) to the funds listed below. With the dissolution of the Inventory Purchase Fund, the equipment/fleet tied to the fund was moved to new departments. The cash in the fund now needs to be moved so that it follows each piece of equipment/fleets new location as it was collected for replacement of those pieces of equipment/fleet.

	<u>Amount</u>
<u>Transfer Out</u>	
Fund 5119 (Inventory Purchases Fleet Replacement)	\$133,503
 <u>Transfer In</u>	
Fund 5400 (Fleet Management Fund)	\$ 3,428
Fund 5409 (Fleet Management Fleet Replacement)	\$25,000
Fund 5809 (P/R Building Services Fleet Replacement)	\$75,075
Fund 1709 (Surface Transportation Fleet Replacement)	\$30,000

UTILITIES

A budget adjustment in the amount of \$1,550,000 is needed to establish a new Capital Improvement Program (CIP) and amend the FY17-18 CIP Budget in the Water CIP Fund, 4180, for Spencer Avenue Main Replacements. (CIP#101110). The project will replace existing water mains within the Spencer Avenue Area which is generally bounded by Maze Blvd. (SR132) on the North, Martin Luther King Dr. to the East and California Ave. to the South. Replacement of the existing old, undersized steel water mains, valves, and hydrants is required to improve water system reliability, flows and pressures. It is anticipated that this project will begin in June 2018 with construction planned for the winter of 2018.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-218**

**RESOLUTION APPROVING PAYMENT OF VARIOUS EQUIPMENT
MAINTENANCE AGREEMENTS FOR FISCAL YEAR 2018-2019 WITH
MULTIPLE EQUIPMENT MANUFACTURERS FOR ALL CITY
DEPARTMENTS, FOR AN ANNUAL COST NOT TO EXCEED \$492,490; AND
AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE TO
EXECUTE EQUIPMENT MAINTENANCE AGREEMENTS ASSOCIATED
WITH THE ITEMS IN EXHIBIT B – FISCAL YEAR 2018-2019 EQUIPMENT
MAINTENANCE AGREEMENTS (MORE THAN \$50,000)**

WHEREAS, the City purchases office and operational equipment through the purchasing bidding process based on the requirements of the City of Modesto Municipal Code Title 8 Chapter 3, and

WHEREAS, as part of the bidding process for the office equipment, for purchases such as copiers, the City has frequently selected a local vendor to provide maintenance service due to the quick turnaround in service that can be provided with a local vendor compared to a vendor located outside of the Modesto area, and

WHEREAS, as part of preparation of the annual fiscal year budget, the annual costs for this maintenance service has been historically approved by Council through the annual budget adoption process, and

WHEREAS, the Purchasing Division will bring an item to Council every fiscal year to provide transparency for all maintenance agreements being utilized by City Departments; The Purchasing Division will continue to evaluate the cost-effective use of these maintenance agreements especially as the equipment ages over the depreciated life of the asset, and

WHEREAS, **Exhibit A** is an itemized list of the equipment maintenance agreements being utilized by City departments for agreements less than \$50,000 under the Interim City Manager's approval authority, and

WHEREAS, **Exhibit B** provides the itemized equipment maintenance agreements utilized by the City departments greater than \$50,000 requiring authorization by City Council, and

WHEREAS, an evaluation committee comprised of five (5) City staff members evaluated the proposals and Mayor Ted Brandvold (Chair of Audit Committee) was chosen to observe the RFP process. Based on being ranked highest in total evaluation criteria, the evaluation committee recommends the award of proposal for the auditing services to Hudson and Henderson Inc., and

WHEREAS, per MMC Section 8-3.204(c), the Purchasing Manager, in his or her discretion, may determine that calling for bids on a competitive basis as set forth in Modesto Municipal Code section 8-3.203 is undesirable due to exigent circumstances, and

WHEREAS, per MMC 8-3.204(d) states that where the Purchasing Manager, in his or her discretion, determines that a process other than the formal proposal procedure set forth in Section 8-3.203 will result in a procurement for the City at the lowest possible cost commensurate with the desired quality, the purchase may be exempt from the formal bid process.

NOW, THEREFORE, BE IT RESOLVED, by the Council of City of Modesto that it hereby authorizes the approving of payment for various equipment maintenance

agreements for Fiscal Year 2018-2019 with multiple equipment manufacturers for all City Departments,

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to execute the equipment maintenance agreements for an annual cost of \$492,490.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-220**

RESOLUTION APPROVING THE REVISED DEBT MANAGEMENT POLICY

WHEREAS, pursuant to the City of Modesto Debt Management Policy, last adopted on April 25, 2017, the City of Modesto is required to periodically review and update its Debt Management Policy to address changes to the primary objectives related to the City's debt and financing related activities, and

WHEREAS, staff has identified the need to update the City's Debt Management Policy in order to continue to maintain cost-effective access to capital markets through prudent yet flexible policies; moderate debt principal and debt service payments through effective planning and project cash management; and achieve the highest practical credit ratings.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto, that it hereby approves the revised Debt Management Policy,

BE IT FURTHER RESOLVED, that City staff is hereby authorized and directed to proceed with any and all actions deemed necessary or advisable, following the adopted policy guidelines pursuant to this Resolution, in connection with the future issuances of the City Debt, for future consideration by this City Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-221**

**RESOLUTION APPROVING A MEMORANDUM OF UNDERSTANDING (MOU)
WITH STANISLAUS COUNTY, STANISLAUS CONSOLIDATED FIRE
PROTECTION DISTRICT AND CERES FIRE DEPARTMENT TO CONTINUE
PROVIDING COUNTY-WIDE FIRE INVESTIGATION SERVICES, AND
AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO
EXECUTE THE AMENDED MOU**

WHEREAS, in 2015, by Resolution No. 2015-366, Council entered into an initial Memorandum of Understanding to participate in a county-wide fire investigation task force, and

WHEREAS, the goal of the Regional Fire Investigation Unit is to improve fire investigation services for the City and the fire departments and districts in Stanislaus County and this goal has been attained and maintained, and

WHEREAS, this MOU authorizes the City of Modesto Fire Department to participate in a county-wide fire investigation task force, and

WHEREAS, the City of Modesto Fire Department contributes two (2) fire investigators to the Unit, and

WHEREAS, the funds for the City of Modesto's provision of resources equal to the Less Than County Wide contribution not to exceed \$412,659 are included in the department's annual operating budget, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Memorandum of Understanding (MOU) with Stanislaus County, Stanislaus Consolidated Fire Protection District and Ceres Fire Department to provide County-wide fire investigation services.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is

hereby authorized to execute the Memorandum of Understanding (MOU).

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-222**

RESOLUTION AWARDING THE BID AND CONTRACT WITH TELCION INC, OF TURLOCK, CA FOR THE PROCUREMENT OF CISCO COMMUNICATIONS EQUIPMENT AND DEPLOYMENT SERVICES WITH A THREE-YEAR MAINTENANCE AGREEMENT FOR AN ESTIMATED COST OF \$1,540,000 WITH A 5% CONTINGENCY IN THE AMOUNT OF \$77,000, FOR A TOTAL AMOUNT NOT TO EXCEED \$1,617,000, AND AUTHORIZING THE INTERIM CITY MANAGER OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the City's Cisco network infrastructure supports the City's data, voice and video systems; and

WHEREAS, the Cisco network infrastructure equipment is no longer supported and requires replacement; and

WHEREAS, the City Manager authorized the distribution of formal Request for Proposals for the furnishing of Cisco network infrastructure equipment; and

WHEREAS, the City issued RFP 1718-17 Cisco Communications Equipment and Deployment Services and three-year maintenance agreement on the City's website under the commodity code for computer hardware; and

WHEREAS, proposals were formally opened in the City Clerk's office. Two (2) companies chose to respond, one of which was a local company; and

WHEREAS, an evaluation committee comprised of five (5) City staff members evaluated and graded the proposals; and

WHEREAS, Telcion Inc., was ranked highest in total evaluation criteria and most responsive bidder at \$1,540,000; and

WHEREAS, a project contingency amount of \$77,000 will be utilized for unexpected project costs; and

WHEREAS, the expenditures for project have been budgeted in the FY 2017-18 operating budget in the Information Technology Fund.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves awarding the bid and contract with Telcion Inc., Turlock, California for the Cisco Network upgrade project in the amount of \$1,540,000, with \$77,000 in project contingency for a total amount not to exceed \$1,617,000.

BE IT FURTHER RESOLVED, that the Interim City Manager or his designee is hereby authorized to execute the agreement, in form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**RESOLUTION APPROVING A FUNDING AGREEMENT WITH THE
TUOLUMNE RIVER PRESERVATION TRUST FOR REMOVAL OF THE
REMNANT DENNETT DAM AND AUTHORIZING THE INTERIM CITY
MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, the City of Modesto and Tuolumne River Preservation Trust (TRT) have been involved with public relations and fund raising for the removal of the Remnant Dennett Dam, and

WHEREAS, on June 14, 2016 by Resolution No. 2016-245, the City Council approved a Memorandum of Understanding (MOU) with TRT to remove the Remnant Dennett Dam, and

WHEREAS, TRT has received an additional \$1,237,103 in grant funding from three additional sources, and

WHEREAS, an agreement is needed to ensure the City provides the necessary documentation for TRT to request payment of grant proceeds and ensure that the City is reimbursed for any expenses that would be covered by the grants, and

WHEREAS, the City will be the financial agent that houses the grant funding obtained by the TRT staff to remove the Remnant Dennett Dam.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it approves a funding agreement with the Tuolumne River Preservation Trust to fund removal of the Remnant Dennett Dam.

BE IT FURTHER RESOLVED, that the Interim City Manager or his designee is hereby authorized to execute Tuolumne River Preservation Trust funding agreement in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-225**

RESOLUTION AMENDING THE FISCAL YEAR 2017/2018 MULTI-YEAR OPERATING BUDGET TO ADJUST THE NON-CAPITAL PROJECT #100993 FOR THE REMOVAL OF THE REMNANT DENNETT DAM IN AN AMOUNT NOT TO EXCEED \$1,247,103 IN REVENUE AND TO BUDGET EXPENDITURES AS OUTLINED IN ATTACHMENT A TO FUND THE PROJECT AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO AMEND THE BUDGET

WHEREAS, the City of Modesto and Tuolumne River Preservation Trust (TRT) have received grant awards for removal of the Remnant Dennett Dam, and

WHEREAS, on June 14, 2016, by Resolution No. 2016-245, the City Council approved a Memorandum of Understanding (MOU) with TRT to remove the Remnant Dennett Dam, and

WHEREAS, the TRT staff has successfully been awarded additional grant funding of approximately \$1.3 million for removal of the Remnant Dennett Dam which is anticipated to begin Summer 2018, and

WHEREAS, the City will be reimbursed for expenses covered by the grant funding obtained by the TRT staff to remove the Remnant Dennett Dam, and

WHEREAS, the Council shall consider amending the 2017/2018 Multi-Year Operating Budget to adjust the non-capital project #100993 with the grant award to fund removal of the Remnant Dennett Dam in an amount not to exceed \$1,247,103 as outlined in **Attachment A**.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it amends the Fiscal Year 2017/2018 Multi-Year Operating Budget to adjust the capital project #100993 in an amount not to exceed \$1,247,103 in revenue.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to budget expenditures as outlined in **Attachment A** to fund the removal of the Remnant Dennett Dam.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-226**

**RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS FOR THE
TUOLUMNE RIVER SHEET PILE AND DAM DEBRIS REMOVAL PROJECT,
ACCEPTING THE BID AND AWARDING THE CONSTRUCTION CONTRACT
TO INNOVATIVE CONSTRUCTION SOLUTIONS OF DUBLIN, CA IN AN
AMOUNT NOT TO EXCEED \$968,260 AND AUTHORIZING THE INTERIM
CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE CONTRACT**

WHEREAS, Construction documents were prepared for the removal of the
Remnant Dennett Dam in early 2017, and

WHEREAS, the project was advertised and bid May 2017, and

WHEREAS, there was only one respondent bidder, and

WHEREAS, Council rejected all bids for the project by Resolution 2017-299, and

WHEREAS, Staff revised the drawing and re-advertised the project in January
2018, and

WHEREAS, bids were publicly opened on February 27, 2018, and

WHEREAS, Innovative Construction Solutions of Dublin, CA was the apparent
lowest responsive and responsible bidder, and

WHEREAS, staff revised the drawings and retitled the project “Tuolumne River
Sheet Pile and Dam Debris Removal Project” to better reflect the actual work being done.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto
that it hereby approves the plans and specifications of the Tuolumne River Sheet Pile and
Dam Debris Removal Project, accepts the bid and awards the construction contract to
Innovative Construction Solutions of Dublin, CA, in the amount not to exceed \$968,260.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee is hereby authorized to execute the construction contract, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**RESOLUTION AUTHORIZING AN INCREASE IN THE DIRECTOR'S
AUTHORITY TO ISSUE CHANGE ORDERS FOR THE TUOLUMNE RIVER
SHEET PILE AND DAN DEBRIS REMOVAL PROJECT FROM 10 PERCENT
(\$96,826) TO 20 PERCENT (\$193,652) OF THE CONSTRUCTION CONTRACT
AMOUNT**

WHEREAS, on June 12, 2018, the City Council is concurrently awarding a \$968,260 contract to Innovative Construction Solutions of Dublin, CA for the construction of the Tuolumne River Sheet Pile and Dan Debris Removal Project, and

WHEREAS, the Dennett Dam was first constructed in the 1930's, damaged by high flood waters twice and in 1947 was condemned by the State of California, and

WHEREAS, the Tuolumne River Preservation Trust (TRT) has been involved with public relations and fund raising efforts for the removal of the Remnant Dennett Dam, and

WHEREAS, on June 14, 2016, by Resolution 2016-245, Council approved a Memorandum of Understanding with the TRT regarding the removal of the Remnant Dennett Dam, and

WHEREAS, given the nature of the project, additional work may be needed to address unexpected conditions that require changes in project scope that may exceed the Director's change order authority of 10 percent, as established by the Council's Change Order Approval Policy adopted by Resolution No. 94-443, and

WHEREAS, the Director of Utilities currently has authority to approve change orders up to a cumulative amount of \$968,260, and

WHEREAS, staff recommends that the Director's change order authority be increased to 20 percent,

NOW, THEREFORE BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Director of Utilities to issue change orders for the Tuolumne River Sheet Pile and Dan Debris Removal Project from 10 percent (\$96,826) to 20 percent (\$193,652) of the construction contract price of \$968,260 with to Innovative Construction Solutions of Dublin, CA.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-228**

RESOLUTION APPROVING THE REVISION TO THE SCOPE OF WORK AND PROJECT SUMMARY FOR THE PUBLIC TRANSIT MODERNIZATION, IMPROVEMENT AND SERVICE ENHANCEMENT ACCOUNT (PTMISEA) GRANT PROGRAM UNDER PROPOSITION 1B, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE GRANT DOCUMENTS

WHEREAS, Caltrans administered the Public Transportation Modernization, Improvement, and Services Enhancement Account (PTMISEA) as a part of the comprehensive transportation bond investment package approved by the voters as Proposition 1B in the November 7, 2006 general election, and

WHEREAS, on August 24, 2007, Senate Bill 88 (SB 88), enabling legislation for PTMISEA, was signed by the Governor and chaptered into law, and

WHEREAS, on March 27, 2012, by Resolution No. 2012-115, Council accepted funds for the PTMISEA grant program under Proposition 1B in the amount of \$1,500,000, and

WHEREAS, Stanislaus Council of Governments (StanCOG) is the designated recipient for regional funds under GC 8879.55 (a)(2), and

WHEREAS, the Transit Division has proposed expanding the project scope to include the purchase and installation of computers, communication systems, software, and/or hardware elements such as intelligent transportation systems, a two-way radio system replacement, automatic vehicle location systems, real-time passenger information, applications used for gathering/reporting the financial and statistical information, and other information technology items that are needed for transit staff and bus operations, and

WHEREAS, the project to be undertaken with this funding is the replacement of the two-way radio system for the Modesto Area Express (MAX) fleet in the amount of \$224,427, and

WHEREAS, the current system is an older analog system that does not allow for direct and private communication between dispatcher and driver and upgrading to a newer digital system will allow more flexibility for supervisory staff to communicate with the appropriate group of people instead of everyone listening with a radio, and

WHEREAS, on May 9, 2018, this item was presented to the Economic Development Committee for their acceptance, and was recommended forwarding to Council for consideration of approval.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby authorizes revision to the scope of work and project summary for the Public Transportation Modernization, Improvement and Service Enhancement Account grant program under Proposition 1B to Caltrans.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is authorized to execute all necessary grant documents with the California Emergency Management Agency on behalf of the City of Modesto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2018-229**

RESOLUTION APPROVING THE AWARD FROM THE CALIFORNIA GOVERNOR'S OFFICE OF EMERGENCY SERVICES UNDER PROPOSITION 1B FOR THE CALIFORNIA TRANSIT SECURITY GRANT PROGRAM – CALIFORNIA TRANSIT ASSISTANCE FUND FOR A COMBINED TOTAL OF \$546,091 FOR TRANSIT SECURITY PROJECTS , AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE GRANT DOCUMENTS

WHEREAS, the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006 authorized the issuance of general obligation bonds for specified purposes, including, but not limited to, funding made available for capital projects that provide increased protection against security and safety threats, and for capital expenditures to increase the capacity of transit operators to develop disaster response transportation systems, and

WHEREAS, on August 2, 2017, by Resolution 2017-301 and Resolution 2017-302, Council approved the applications of these grant funds, and

WHEREAS, funds for Project 1 will be spent on security features and equipment that will be purchased and installed on all buses in the Modesto Area Express (MAX) bus fleet, and

WHEREAS, funds for Project 2 will be spent on security features and equipment that will be purchased and installed at the Transit Center in downtown Modesto, and

WHEREAS, these projects will improve access and quality of the video surveillance system by providing a better quality image, adding sound, allowing easy access to footage and adding live look-in capability.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby accepts the award from the California Governor's Office of Emergency

Services under Proposition 1B for the California Transit Security Grant Program – California Transit Assistance Fund for a combined total of \$546,091 for transit security projects.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is authorized to execute all necessary grant documents with the California Governor’s Office of Emergency Services on behalf of the City of Modesto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION APPROVING THE SUBMISSION OF A GRANT APPLICATION FOR THE FEDERAL TRANSIT ADMINISTRATION SECTION 5339(C) LOW OR NO EMISSION VEHICLE PROGRAM, IN THE AMOUNT OF \$2,500,000 FOR ELECTRIC BUSES, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE GRANT DOCUMENTS

WHEREAS, on April 23, 2018, the Federal Transit Administration (FTA) announced the availability of \$84.45 million of Fiscal Year (FY) 2018 funds for the purchase or lease of low or no emission vehicles as well as related equipment or facilities, and

WHEREAS, the Low or No Emission Competitive program provides funding to state and local governmental authorities for the purchase or lease of zero-emission and low-emission transit buses as well as acquisition, construction, and leasing of required supporting facilities, and

WHEREAS, funding is allocated to projects on a competitive basis, from proposals submitted to FTA in response to a Notice of Funding Opportunity, and

WHEREAS, Modesto plans to apply for the purchase of two battery electric buses at approximately \$1,000,000 per bus, and

WHEREAS, local matching funds will not be needed for this purchase because the required local match will be provided under the Transportation Development Credit program.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the submission of a grant application for the Federal Transit Administration Section 5339(c) Low or No Emission Vehicle Program in the amount of \$2,500,000 for electric buses.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is authorized to execute all necessary grant documents with the Federal Transit Administration on behalf of the City of Modesto.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-231**

RESOLUTION ACCEPTING THE PRELIMINARY AWARD, AUTHORIZING A FUNDING AGREEMENT WITH THE STATE WATER RESOURCES CONTROL BOARD AND AUTHORIZING AND DESIGNATING A REPRESENTATIVE FOR THE DESTRUCTION OF WELLS PROJECT, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT AND ANY AMENDMENTS OR CHANGES THERETO

WHEREAS, in November 2014, Proposition 1 was passed by voters and provided \$900 million for a Groundwater Sustainability Program (Assembly Bill 1471, Chapter 10), and the State Water Resources Control Board will administer \$800 million to prevent and cleanup contamination of groundwater that serves (or has served) as a source of drinking water, and

WHEREAS, on September 13, 2016, by Resolution 2016-364, Council authorized the submittal of applications to the State Water Resources Control Board (SWRCB) and other agencies for groundwater quality funding program grants and other Proposition 1 funding and authorized the City Manager or his designee to execute all grant-related documents and enter into agreements to receive grant funds, if awarded, and

WHEREAS, in July 2016, the Utilities Department submitted a Pre-application to the SWRCB Division of Drinking Water (DDW) for the Modesto Wellfield Nitrate/Arsenic/Uranium Remedial Investigation/Feasibility Study for consideration of funding through the Groundwater Grant Program, and

WHEREAS, on February 21, 2017, the Utilities Department received an invitation from the SWRCB DDW to submit a Final Application for the project, and

WHEREAS, on May 5, 2017, the Utilities Department submitted Final Applications for three study areas, and

WHEREAS, on January 9, 2018, the Utilities Department received a Proposition 1 Groundwater Grant Funding Preliminary Award of up to \$2,029,749, and

WHEREAS, the City would be required to enter into Grant Agreements with the DDW, if the City chooses to accept the grant, and

WHEREAS, on March 29, 2018, the City received a Draft Agreement from the SWRCB DDW (Grant Agreement No. D1712514), and

WHEREAS, the City may manage grant administration tasks in-house or may decide to hire a consultant (by future Council action) for grant administration tasks.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the preliminary award and entering into a funding agreement with the State Water Resources Control Board for Proposition 1 Groundwater Grant funding for the Destruction of Water Supply Wells Project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to represent the City in carrying out the City of Modesto's responsibilities under the funding agreement, and directed to execute all grant-related documents, and any amendments or changes thereto, and enter into an agreement to receive the grant funds, if awarded; and signatory of grant invoice forms during requests for reimbursements and to certify disbursement requests.

WHEREAS, in November 2014, Proposition 1 was passed by voters and provided \$900 million for a Groundwater Sustainability Program (Assembly Bill 1471, Chapter 10), and the State Water Resources Control Board will administer \$800 million to prevent and cleanup contamination of groundwater that serves (or has served) as a source of drinking water, and

WHEREAS, on September 13, 2016, by Resolution 2016-364, the City of Modesto authorized the submittal of applications to the State Water Resources Control Board (SWRCB) and other agencies for groundwater quality funding program grants and other Proposition 1 funding and authorized the City Manager or his designee to execute all grant-related documents and enter into agreements to receive grant funds, if awarded, and

WHEREAS, in July 2016, the Utilities Department submitted a Pre-application to the SWRCB Division of Drinking Water (DDW) for the Modesto Wellfield Nitrate/Arsenic/Uranium Remedial Investigation/Feasibility Study for consideration of funding through the Groundwater Grant Program, and

WHEREAS, on February 21, 2017, the Utilities Department received an invitation from the SWRCB DDW to submit a Final Application for the project, and

WHEREAS, on May 5, 2017, the Utilities Department submitted Final Applications for three study areas, and

WHEREAS, on January 9, 2018 the Utilities Department received a Proposition 1 Groundwater Grant Funding Preliminary Award of up to \$2,029,749, and

WHEREAS, the City of Modesto would be required to enter into Grant Agreements with the DDW, if the City chooses to accept the grant, and

WHEREAS, on March 29, 2018, the City received a Draft Agreement from the SWRCB DDW (Grant Agreement No. D1712514).

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement with Jacobson James & Associates, Roseville, CA for Modesto Wellfield Nitrate/Arsenic/Uranium Remedial Investigation/Feasibility Study technical and administrative support services, in an amount not to exceed \$2,136,398 for the identified scope of services.

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**RESOLUTION ACCEPTING FEDERAL DEMONSTRATION PROJECT
GRANT FUNDS IN THE AMOUNT OF \$3,395,081 FROM CALTRANS
AND AUTHORIZING THE INTERIM CITY MANAGER TO EXECUTE
NECESSARY FEDERAL GRANT FUND DOCUMENTS**

WHEREAS, the SR132 West Freeway/Expressway – Phase 1 Project (Project) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue, and

WHEREAS, on May 2, 2017 , by Resolution No. 2017-175, Council authorized the appropriation of \$4,000,000 in Streets Capital Facility Fees reserve funds to the State Route 132 West Expressway project, and

WHEREAS, on February 27, 2018, by Resolution No. 2018-85, Council, authorized staff to engage in real property negotiation and acquisitions not to exceed \$3,540,000 Million, and

WHEREAS, on March 2, 2018 approval of the Project Environmental Document (ED) was received from the California Department of Transportation (Caltrans), and

WHEREAS, following ED approval, Caltrans authorized the City to use Federal Demonstration Grant Program (DEMO) grant funds for right of way acquisition, and

WHEREAS, on May 2, 2018, Caltrans authorized \$3,395,081 of Federal DEMO funds to be used for right of way acquisition, which requires a local match of \$848,770.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby accepts the Federal DEMO grant funds in the amount of \$3,395,081 and

provide the local match of \$848,770 from the previously authorized \$3,540,000 million in Capital Facilities Fee (CFF) funds for real property and acquisition.

BE IT FURTHER RESOLVED, the Interim City Manager or his designee, is authorized to execute the necessary DEMO grant funding documents and implement the acceptance and use of such funds for right of way acquisition.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-237**

**RESOLUTION INCREASING STAFF AUTHORITY TO MAKE OFFERS,
ENGAGE IN REAL PROPERTY PURCHASE NEGOTIATIONS, AND
PURCHASE PROPERTY NECESSARY FOR RIGHT OF WAY TO
SUPPORT THE CONSTRUCTION OF THE STATE ROUTE 132 WEST
FREEWAY/EXPRESSWAY PHASE 1 PROJECT IN A TOTAL
AMOUNT NOT TO EXCEED \$11,935,081**

WHEREAS, the SR132 West Freeway/Expressway – Phase 1 Project (Project) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue, and

WHEREAS, on February 27, 2018, by Resolution No. 2018-085, Council authorized staff to make offers, engage in real property negotiations and to purchase property in a total amount not to exceed \$3.54 Million, and

WHEREAS, pursuant to Resolution No. 2018-085, the City Council authorized the Project Manager to recommend the amounts of just compensation for properties to be acquired for the Project, and authorized the Interim City Manager to establish the amounts of just compensation for such properties, based on approved appraisals, and

WHEREAS, pursuant to Resolution No. 2018-085, the City Council authorized the Interim City Manager to execute Purchase and Sale Agreements for properties that are acquired pursuant to the authority granted under said Resolution, and

WHEREAS, pursuant to Resolution No. 2018-085, the City Council directed that Offer Letters and Purchase and Sale Agreements presented to property owners prior to Environmental Document (ED) approval include language notifying the property owner that the purchase and sale negotiations are voluntary, and not subject

to eminent domain actions, and that staff withdraw Pre-ED approval offers that do not result in an agreement to purchase the property, and

WHEREAS, pursuant to Resolution No. 2018-085, the City Council delegated settlement authority for the purchase of properties for the Project to the following designated City of Modesto staff up to the following specified amounts above the appraised values:

Staff Person	Appraised Value	Settlement Authority
Project Manager	Up to \$125,000	Up to \$5,000 in excess of appraised value and for properties valued up to \$125,000 the lesser of 20% of the appraised value or \$25,000
City Engineer	Up to \$200,000	The lesser of 20% of the appraised value or \$40,000
City Manager	Up to \$300,000	The lesser of 20% of the appraised value or \$60,000
City Council	Greater than \$300,000 or settlements that exceed appraised value by more than \$60,000	City Council discretion

WHEREAS, pursuant to Resolution No. 2018-085, the City Council authorized the Interim City Manager to approve claims and invoices relating to Project right of way acquisition and relocation assistance in amounts up to \$50,000, and

WHEREAS, pursuant to Resolution No. 2018-085, the City Council authorized the City of Modesto City Engineer to execute Certificates of Acceptance accepting ownership of property for the Project pursuant to Government Code section 27281, and to have the transfer documents recorded, and

WHEREAS, pursuant to Resolution No. 2018-085, the City Council authorized

the City of Modesto City Engineer to execute documents associated with property acquisitions and relocations necessary for the Project, which may include Escrow Instructions, Amended Escrow Instructions, Relocation eligibility and entitlement documents, and similar documents which are necessary for such purposes, and

WHEREAS, pursuant to Resolution No. 2018-085, the City Council directed that acquisitions and relocations will follow State and Federal law, including the provisions of the Uniform Act and regulations in 49 CFR part 24, and the requirements of title VI of the Civil Rights Act of 1964 (42 USC §§ 2000d-2000d-4), so as not to jeopardize State and Federal funding for the project, and

WHEREAS, the ED was approved by the California Department of Transportation (Caltrans) on March 2, 2018, and

WHEREAS, Caltrans selected Alternative 2 as the Project Alternative, and

WHEREAS, there is \$11,935,081 in available funds for right of way acquisition.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that the settlement authority for the purchase of properties for the Project as delegated to designated City of Modesto staff is amended to the following specified amounts above the appraised values:

Staff Person	Appraised Value	Purchase/Settlement Authority
Project Manager	Up to \$25,000	Up to \$5,000 above appraised value
	From \$25,001 to \$125,000	Up to 20% above the appraised value
City Engineer	Up to \$200,000	Up to 20% above the appraised value
City Manager	Greater than \$200,000	Up to 20% above the appraised

		value
City Council	Greater than \$200,000 and 20% above the appraised value	City Council discretion

BE IT FURTHER RESOLVED, that:

1. The Offer Letters and Purchase and Sale Agreements presented to property owners need not include language notifying the property owner that the purchase and sale negotiations are voluntary, and not subject to eminent domain actions, and Staff is authorized to follow standard Caltrans right of way acquisition protocol and proceed under the Eminent Domain Law when voluntary settlements cannot be achieved.
2. Purchase offers will be tendered, and property acquisitions will proceed under the reimbursement strategy following State and Federal guidelines and laws.
3. Staff is authorized to make offers to purchase properties in the amounts established as just compensation by the Interim City Manager, based on approved appraisals of such properties, engage in real property negotiations and to purchase property in a total amount not to exceed \$11,935,081.
4. Council authorizes the Interim City Manager to approve claims and invoices related to Project acquisition and relocation assistance in amounts approved by the appropriate delegation of authority.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Zoslocki, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-238**

RESOLUTION APPROVING THE CLOSURE OF THE 30 DAY PUBLIC COMMENT PERIOD AND CONDUCT A PUBLIC HEARING AND APPROVING THE CITY OF MODESTO PROGRAM YEAR 2018-2019 ANNUAL ACTION PLAN FOR USE OF COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAMS, EMERGENCY SOLUTIONS GRANT, AND HOME INVESTMENT PARTNERSHIP PROGRAM FUNDING RECEIVED FROM THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO NEGOTIATE AND EXECUTE ANY RELATED PROGRAM AGREEMENTS, CONTRACTS OR OTHER DOCUMENTATION REQUIRED FOR IMPLEMENTATION OF THE PROGRAM YEAR 2018-2019 ANNUAL ACTION PLAN, AUTHORIZATION TO SUBMIT APPLICABLE DOCUMENTATION AND PROVIDE TECHNICAL ALTERATIONS, AS REQUIRED BY HUD, INCORPORATE COMMENTS RECEIVED PRIOR TO THE CLOSE OF THE PUBLIC COMMENT PERIOD, AND TO MAKE THE NECESSARY STEPS TO IMPLEMENT THE PROVISION OF THIS RESOLUTION

WHEREAS, as a U.S. Department of Housing and Urban Development (HUD) entitlement community, the City of Modesto is required to develop an Annual Action Plan that describes proposed activities funded with Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grant (ESG) funds, and

WHEREAS, each year, up to 15% of the City's CDBG allocation may be used to fund public services allocated to local nonprofits and faith based organizations. CDBG Public Services funds are available for a variety of direct assistance activities that primarily benefit low- and moderate-income persons, and

WHEREAS, ESG funds can be used to engage homeless individuals and families living on the street, improve the quality of emergency shelters for homeless individuals and families, help operate shelters, provide essential services to shelter residents, rapidly re-house homeless individuals and families, prevent families and individuals from

becoming homeless, and to provide funding directly related to the timely entry of data into the Homeless Management Information System (HMIS), and

WHEREAS, HOME funds, in partnership with local nonprofit groups, fund a wide range of activities that build, buy, and/or rehabilitate affordable housing for rent or homeownership to low income citizens, and

WHEREAS, HUD requires the City of Modesto develop, in consultation with its citizens and community-based service providers, a funding strategy that furthers its housing and community development goals as described in the City's Five-Year Consolidated Plan for FY 2015-2020, and

WHEREAS, citizen participation is a key component of the Annual Action Plan process, and

WHEREAS, HUD regulations require the City provide ample opportunity and means for the populations served by the grants, as well as the general citizenry, to provide input on the goals and priorities and the specific type of activities to be funded in the City's Program Year 2018-2019 Annual Action Plan, and

WHEREAS, staff held ten community meetings to two hundred individuals to assess local needs and priorities related to community services, economic development, community facilities and infrastructure, housing and fair housing, and

WHEREAS, the information obtained from the community meetings was used to prepare the Program Year 2018-2019 Annual Action Plan, and

WHEREAS, the 30-day public review period to review and comment on the draft documents opened on March 8, 2018 and will close the 30-day public comment period with a public hearing at the City Council meeting on June 12, 2018, and

WHEREAS, any comments received during the public review period or during the June 12, 2018, City Council meeting will be incorporated into the Program Year 2018-2019 Annual Action Plan that is submitted to HUD, and

WHEREAS, the estimated amount of funding anticipated for Program Year 2018-2019 is approximately \$3.1 million, and

WHEREAS, there is no impact to the General Fund and these funds are received from HUD for activities specified with the Program Year 2018-2019 Annual Action Plan, and

WHEREAS, on May, 24, 2018, the City's Citizens Housing and Community Development Committee recommended forwarding the Program Year 2018-2019 Annual Action Plan to the City Council for consideration and approval, and

WHEREAS, all HUD-assisted projects are required to undergo an environmental review to evaluate environmental impacts, and

WHEREAS, the analysis includes both how the project can affect the environment and how the environment can the project, site and end users, and

WHEREAS, an environmental review must be performed before any funds, regardless of source, are committed to a project, and

WHEREAS, on May 24, 2018, the CH&CDC reviewed, approved and forwarded the proposed Program Year 2018-2019 Annual Action Plan to Council for review and approval forwarded the proposal to the City Council for review and approval.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the City of Modesto Program Year 2018-2019 U.S. Department of Housing and Urban Development Department (HUD) Annual Action Plan for use of the

Community Development Block Grant, HOME Investment Partnerships Program, and Emergency Solutions Grant funds.

BE IT FURTHER RESOLVED, by the Council of the City of Modesto that the Interim City Manager, or his designee, is hereby authorized to submit applicable documentation and provide technical alterations, as required by HUD, negotiate and execute any related program agreements, contracts or other documents required for implementation of the "Program Year 2018-2019 Annual Action Plan", **attached** hereto as **Exhibit A** and incorporated herein by reference, and to make the necessary steps to implement the provision of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Madrigal, who moved its adoption, which motion being duly seconded by Councilmember Kenoyer, was upon roll call carried and the resolution adopted by the following vote:

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The 2018-2019 Annual Action Plan is a component of the City of Modesto's 2015-2020 Consolidated Plan. The Consolidated Plan serves as the City of Modesto's strategic plan for leveraging the United States Department of Housing and Urban Development's (HUD) annual entitlement allocations of three key federal grant programs: (1) Community Development Block Grant (CDBG); (2) Emergency Solutions Grant (ESG); and (3) HOME Investment Partnerships Program (HOME). The Consolidated Plan and Annual Action Plans are multi-purpose documents which serve as: 1) planning documents, 2) an application for federal funds under HUD's formula grants programs, 3) an implementation strategy, and 4) a method to allocate funds to specific projects and activities.

The City of Modesto's Program Year (PY) 2018-2019 Annual Action Plan represents the fourth (4th) year plan of the City of Modesto's 2015-2020 Consolidated Plan. The PY 2018-2019 AAP identifies activities to be undertaken during the program year to address community priority needs. Further, the PY 2018-2019 AAP identifies the expected resources to be available and the activities to be funded along with related activity accomplishments.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The City of Modesto has identified the following areas on which to focus funds:

- Affordable Housing
- Fair Housing
- Ending Chronic Homelessness
- Public Services
- Public Facilities Improvements
- Public Improvements

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The City of Modesto funded a number of activities in the PY 2017-2018 Annual Action Plan in an attempt to address the community needs as identified in the Consolidated Plan. Through

these activities, the City of Modesto continued to take an active role in promoting and producing affordable housing, addressing the social and economic needs of low- and moderate-income individuals, and serving the special needs populations within the City of Modesto.

Program Year 2017-2018 continued to be year of transition for the City of Modesto, specifically within the Community Development Division. In PY 2017-2018 the City of Modesto's HUD Division began with a new team to administer the City's HUD programs. With the new team, the Division positioned itself to better support the community in its focus towards furthering efforts such as affordable housing, fair housing outreach and education, ending Chronic Homelessness, expanding public services, strategic infrastructure and eligible public facility improvements. During PY 2017-2018, HUD Division staff made great strides in addressing past performance related monitoring findings and concerns, meeting CDBG, ESG, and HOME timeliness expenditure deadlines; and more effectively administering the CDBG, ESG, and HOME projects in a manner that addresses the complex regulatory requirements of the activities provided by entitlement funds.

The PY 2017-2018 AAP identified housing programs funded through the CDBG and HOME activities to assist in stabilizing neighborhoods by supporting affordable housing rehabilitation and homebuyer assistance. A total of 21 households received housing rehabilitation assistance and 3 first time homebuyers were provided homebuyer loans to assist in the purchase of their first home.

Under the City of Modesto's 2017-2018 CDBG and ESG Public Service program, the City provided a total of \$361,000 to 14 non-profit agencies to deliver essential emergency and public services to extremely low to moderate income families and individuals. Collectively, it is projected that these organizations will have served over 10,000 unduplicated individuals in PY 2017-2018.

The City of Modesto monitors all sub-recipients on a regular basis through written correspondence, phone conversations, electronic information transfers, face-to-face monitoring visits (up to once per quarter), and ongoing project file reviews. Monitoring is conducted to ensure statutory and regulatory requirements are being met and that information submitted to City staff is accurate and complete.

An agreement is executed with every sub-recipient which clearly states all contractual obligations, including but not limited to, the project scope of work, performance measurement standards, reporting requirements, drawdown requirements, and applicable federal rules and regulations. This monitoring process emphasizes on-site field visits, desk audits, technical assistance, and assistance to sub-recipients to ensure a good data collection and reporting system is in place. Performance of all sub-recipient activities are tracked in various categories from appropriate use of administrative funds to verifying that outputs (numbers served) and

outcomes (how those served are better off after receiving the service) are being met for all awarded public service related activities and City projects.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan

The City of Modesto has traditionally held a minimum of two neighborhood meetings each year in low-income census tract areas to encourage participation of low- and moderate-income persons in conjunction with the development of its Annual Action Plan and, every five years, for the development of its Consolidated Plan.

For the 2018-2019 Annual Action Plan Cycle, continued the Citizen Participation Process approach adopted in PY 2017 by targeting a minimum of one low income Census Tract Block Group within eligible City Council Districts and holding community meetings within the targeted Census Tract Block Group areas. This year, a total of ten (10) community meetings were held, and approximately 200 people attended. The meetings were held at different times and locations in an effort to accommodate the needs of low-income residents, particularly persons with Limited English Proficiency community needs (e.g. – Spanish speaking translation services were provided at four (4) of the site locations based upon need). Persons with disabilities and protected classes were also considered when choosing public meeting opportunities throughout the community.

Spanish-speaking translators were made available at all meetings. If a request for another language(s) translator was made at least five (5) working days prior to a public meeting, a translator for the requested language(s) would be provided. All community input meetings were held at public buildings accessible to disabled individuals.

To obtain community input on the development of the 2018-2019 Action Plan, staff attended meetings with local focus groups and forums discussing health services, social and fair housing services, including those focusing on services to children, elderly persons, persons with disabilities, and their families, the homeless and the chronically homeless persons. Presentations to these groups outlined the eligible uses of these funds, how the funds are currently utilized, and proposed uses.

The following is a list of community meetings that were held in low income census tract block groups and the number of attendees at each meeting:

Date	Time	Location	District/Census Track	Approximate Number of Attendees
January 11, 2018	12:00 p.m.	Citizens' Housing & Community Development Committee City/Council Administration Building 1010 Tenth Street, Room	Citywide (District 2)/Block Group 2/ Census Tract 18	6

PR-05 Lead & Responsible Agencies – 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

Describe the agency/entity responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
CDBG Administrator	MODESTO	Community & Economic Development Department
HOME Administrator	MODESTO	Community & Economic Development Department
ESG Administrator	MODESTO	Community & Economic Development Department

Table 1 – Responsible Agencies

Narrative

The City of Modesto is the lead agency responsible for preparation of the 2015-2020 Consolidated Plan and related Annual Action Plans and for administration of each grant program and its associated funding source(s). Primary oversight of the City of Modesto’s HUD entitlement grant programs comes from the Citizens’ Housing and Community Development Committee (CH&CDC). The CH&CDC is an 11-member committee appointed by the Modesto City Council and is comprised of representatives from the Modesto City Council, Planning Commission, Housing Rehabilitation Loan Committee, Human Relations Commission and several citizens-at-large. Generally, the citizens-at-large represent low-income and racial minority groups. The CH&CDC makes funding recommendations to the City of Modesto Council regarding CDBG, ESG and HOME grant programs as well as other one-time HUD-funded programs.

To avoid a perceived conflict of interest, any individual who is a member of a board of directors or is employed by an agency that applies for or receives CDBG, ESG, HOME, or other HUD funding, is ineligible to vote on funding decisions involving their respective agencies.

Generally, the CH&CDC meets once a month. These meetings are publicly noticed, open to the public and are typically held at Tenth Street Place, 1010 Tenth Street, Modesto, California. Public comments are both encouraged and welcomed. At least one (1) meeting is scheduled during the public comment period for the development of, or substantial amendment to, the City of Modesto's Annual Action Plan, Consolidated Plan, Annual Action Plan and Analysis of Impediments as well as the City of Modesto's Consolidated Annual Performance and Evaluation Report (CAPER).

Consolidated Plan Public Contact Information

The following are several ways in which an interested party can contact the City of Modesto staff with comments regarding the City of Modesto's PY 2018-2019 Annual Action Plan:

- Telephone: (209) 577-5211
- Hearing Impaired Dial the California Relay Service Number: Dial 711, and then ask for 209-577-5211
- Email: housing@modestogov.com
- In person: City of Modesto, Community & Economic Development Department 1010 Tenth Street, 3rd Floor, Modesto, California, 95354
- Mail: City of Modesto, Community & Economic Development Department Community Development Division, P.O. Box 642, Modesto, California 95353

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

Two objectives of the City of Modesto's 2015-2020 Consolidated Plan are to 1) promote citizen participation in the development of local priority needs and objectives and 2) encourage consultation with public and private agencies to identify shared needs and solutions to persistent community problems.

The City of Modesto invites the community to provide input on the ways in which grant funds received from HUD are spent. The City of Modesto Citizen's Participation Plan outlines the ways the City of Modesto communicates with residents regarding the use and expenditure of HUD funds.

The City of Modesto continues to review and improve its delivery system by streamlining internal processes, enhancing coordination among departments and fostering collaborative working relationships with its sub-recipients and Community Housing Development Organizations (CHDOs). A few examples include:

- Memorandums of Understanding (MOUs). Staff and participating departments enter into MOUs to clearly delineate program goals and reporting requirements for each of the participating departments.
- Bi-weekly Meetings. The Housing and Urban Development Supervisor and key staff members meet bi-weekly to discuss the status of existing and future HUD-funded projects develop work plans and reporting requirements and plan for upcoming meetings.
- Intra/Interdepartmental Coordination. The Housing and Urban Development Supervisor works with the Planning Division to assist with the update of the City of Modesto's Housing Element, specifically focusing on the sections dealing with multi-family housing, affordable housing and HUD-funded housing programs and their effectiveness. Also, staff and Finance Department staff meets monthly to review various financial and reporting matters related to HUD-funded programs. Additionally, staff coordinates with various departments to ensure that capital improvement projects are on schedule and that invoices are paid in a timely manner.
- Community/Stanislaus Community System of Care (CSOC)/Continuum of Care (CoC). On a regular basis, staff collaborates with the following organizations: the CSOC; the Airport Neighborhood Collaborative, the West Modesto/King-Kennedy Neighborhood Collaborative; United Way Impact Councils on Building Strong Neighborhoods.
- Sub-recipient and CHDO Outreach staff is proactively contacting its sub-recipients and CHDOs to keep them apprised of upcoming training opportunities, changes in HUD requirements, etc. Staff is also looking to schedule regular meetings with its CHDOs to discuss the status of existing and future projects.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The PY 2018-2019 Annual Action Plan was prepared with oversight and direction from the CH&CDC. The City of Modesto conducted the following consultation efforts during the development of the PY 2018-2019 AAP:

- Consulted with key stakeholders, including representatives of the Housing Authority of Stanislaus County; non-profit organizations that provide housing services, facilities, and/or services to low- and moderate-income residents, the Focus on Prevention Stewardship Council, and neighborhood organizations.
- Consulted with the general public through workshops and public hearings.
- Attended and participated in monthly meetings held by the CSOC. Attended and participated in ongoing meetings related to the Focus on Prevention Initiative to coordinate services throughout the County.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

HUD charges communities that receive funds under the Continuum of Care (CoC) Program of the Homeless Emergency Assistance and Rapid Transition to Housing Act (HEARTH) with specific responsibilities. Until 2017, the Housing Authority of the County of Stanislaus had been the "lead applicant" for the local CoC and the coordinating body recognized by HUD and, in its 20-year history, as the CoC's lead applicant brought in over \$100 million in resources to the region. On March 9, 2017, the CoC membership voted to have the City of Modesto become the "lead applicant"; starting with Fiscal Year 2017-2018 CoC funding.

As of 2017, the CoC is locally recognized as the Stanislaus County Community System of Care (CSOC). The CoC continues to meet on a monthly basis to identify gaps and issues for the homeless and those at risk of becoming homeless. The CoC meetings are public meetings in which the community's service providers and stakeholders are welcome to attend and to provide emergency shelter and rapid re-housing service providers an opportunity to provide comment and feedback. City staff regularly attends and participates in the CoC meetings, the City consults with the CoC to develop coordinated plans and strategies to leverage resource and align local goals, objectives, and performance measures. Announcements of CDBG and ESG funding opportunities are routinely advertised at the CoC meetings and distributed via e-mail to CoC participants.

A stakeholders meeting was held on May 17, 2018, at a regularly scheduled CSOC. The meeting was held at the Modesto Library 1500 I Street, Modesto, CA 95354. The CSOC membership is consulted every year during the preparation of the Annual Action Plan. The following is a non-exhaustive list of members of the CSOC:

- Housing Authority of the County of Stanislaus (HACS);
- Haven's Women's Center;
- Behavioral Health and Recovery Services (BHRS);
- St. Vincent DePaul;
- Stanislaus County;
- Community Impact Central Valley (CICV);
- West Modesto King Kennedy Neighborhood Collaborative;
- Community Volunteers;
- Turning Point Community Programs;
- One Church Modesto;
- TPCP Housing;

We Care Program;
San Joaquin Valley Veterans;
Health Plan of San Joaquin (HPSJ);
Disability Resource Agency for Independent Living (DRAIL);
City of Modesto;
City of Turlock;
Salvation Army Berberian Shelter;
Community Services Agency (CSA);
Parent Resource Center;
United Way/211;
Ceres Unified School District;
United Samaritans Foundation;
Project Sentinel;
Stanislaus County Probation;
Modesto Gospel Mission;
Sherriff Department;
Children's Crisis Center;
Opportunity Stanislaus;
Telecare;
NAMI – National Alliance on Mental Illness;
Homeless Community Member;
Family Promise;
Center for Human Services;
Aegis Treatment Center;
Habitat for Humanity.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Consultation with the Stanislaus Community System of Care (CSOC) assists the City of Modesto in allocating and coordinating the prioritization and use of ESG funds with local

needs. Through this process the City of Modesto is able to design programs and activities that are consistent with applicable federal and local standards and to distribute its funds efficiently.

The CSOC contributes by setting up the criteria for homeless programs outcomes during its contract period. The City of Modesto’s consultations with the CSOC allows an open discussion on how to establish performance measures that benefit the City of Modesto. This allows the City of Modesto’s CH&CDC and its City Council to be informed of the standards that ESG funds demand and best practice outcomes. These goals are then incorporated when contracting with sub-recipients. The City of Modesto and the CoC, in collaboration with other local HUD entitlement jurisdictions, work together to operate the Homeless Management Information System (HMIS). The HMIS is mandated by HUD and is essential for the coordination of services and the development of public policy. Analysis of information gathered through the HMIS is critical to the preparation of periodic reporting on homelessness and identifies the needs for services in the City of Modesto.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction’s consultations with housing, social service agencies and other entities

Table 1 – Agencies, groups, organizations who participated

1	Agency/Group/Organization	Housing Authority of the County of Stanislaus
	Agency/Group/Organization Type	Housing PHA Services - Housing
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Consulted via regular monitoring and TA visits and during CSOC (CoC) meetings. A new rental rehabilitation program component was added to the Home Rehabilitation program to assist affordable rental units in need of health and safety, energy efficiency, and ADA improvements.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation

Summarize citizen participation process and how it impacted goal-setting

The public comment period was held from March 8, 2018 through June 12, 2018. Prior to the public comment period, a number of meetings were also held to inform community groups of the upcoming draft Annual Action Plan (AAP) and the programs offered by the various programs covered under the AAP. Comments received at meetings held prior and during the public comment period were considered for goal setting.

The following is a list of meetings that were held prior and during the public comment period. A summary any comments received during each meeting is included.

Citizen Participation Outreach						
	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	Attendees
1	West Modesto King Kennedy Collaborative 2/21/18			Community members requested for HOME funded infill projects, and for City staff to consider a rent-to-own option for low-income working residents; It was also requested that funds be continued at a Federal Level to be provided to local communities, so essential programs, such as HAVEN's Womens Center will still be available. Without these funds essential services will not be available for low-income residents living in Modesto (increasing instances of homelessness. The Community was interested in the EDA Grant and Opportunity Stanislaus partnership to provide electronic trade retooling opportunities for residents looking for a new line of work.	All comments were accepted.	15

2	Robertson Road Elementary Community Meeting – 2/23/18			Community members were receptive to the presentation; they requested that city staff should implement the rent-to- own option for the low income working residents. There were many questions asked regarding the First Time Homebuyers Program, Community Members were receptive to the information and were glad applications were made available for them.		17
4	CH&CDC Meeting – 3/8/2018			No comments received.		3
5	Airport Neighborhood Collaborative – 3/12/18			Staff provided a presentation related to the FY 2018-2019 Annual Action Plan and Amendment #1 to the FY 2017-2018 Annual Action Plan. No comments were received. Staff also provided an update related to the Airport Neighborhood Capacity Building partnership between the City of Modesto HUD Division and Center for Human Services. Meeting participants are excited about this project		20

6	Orchard Park Neighborhood Alliance Meeting – 2/22/18			<p>Community members asked about the federal impact to the CDBG budget. Staff informed community members that the preliminary federal budget did not include CDBG or HOME funding, but the final budget is subject to Congress approval. Staff will provide a follow up update to the Community in August. Staff also provided an update on the local Access Center project. One community member suggested an affordable housing idea related to the use of shipping containers as housing units; staff indicated we would check with the Planning Department for feasibility.</p>		15
---	--	--	--	---	--	----

7	Delwood Neighborhood Alliance Meeting – 3/26/2018			Inquiry about eligibility of ADA Curb Cuts on the corner of Tully & Del Monte? Also, concerns about standing water in this area. Staff shared utilization of the Modesto Go Application to submit these inquiries to have them addressed. The group was encouraged by the work done by the Homeless Public Services providers in the community and how important the CDBG and HESG funds are to support these efforts.		18
8	Airport Neighborhood Community Chats 4/13/18			Staff provided a presentation related to the FY 2018-2019 Annual Action Plan. No comments were received. Staff also provided an update related to the Airport Neighborhood Capacity Building partnership between the City of Modesto HUD Division and Center for Human Services. Meeting participants are excited about this project.		19

9	Shackelford Elementary School 4/27/18			Inquiry about eligibility to the water and sewer Connection Program, as one particular member lived in a property that had no connection as of yet. Provided contact information to Yesenia Carrasco. Community members requested further clarification as to where the CDBG federal funding was allocated to and staff introduced some of the Public Services and reason for need. They were pleased that such needed help was tended to.		16
10	Stanislaus County System of Care (CoC)			No Comments Received		60

Expected Resources

AP-15 Expected Resources – 91.220(c) (1, 2)

Introduction

- Funds covered under the Consolidated Plan: CDBG, HOME and ESG;
- Funds provided under other HUD programs, the Department of Commerce, the Federal Emergency Management Agency, and other federal agencies;
- Funds provided under various programs of the California Department of Housing and Community Development and the California Housing Finance Agency;
- State and federal tax credits and mortgage credit certificates;
- Tax exempt bond proceeds;
- The City of Modesto's General Fund; and
- Private industry sources such as the Federal Home Loan Bank Board's Affordable Housing Program.

During Program Year 2018-2019, the City of Modesto will receive approximately \$2,003,752 of Community Development Block Grant (CDBG) program funds, \$992,925 of HOME Investment Partnerships (HOME) Program funds, and \$164,535 of Emergency Solutions Grant (ESG) funds. The table below is a summary of expected resources in PY 2018-2019.

Priority Table

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Reminder of ConPlan \$	Narrative Description
			Annual Allocation : \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public - federal	Acquisition and Planning Economic Development Housing Public Improvements Public Services	\$2,003,752	\$809,655	\$2,786,284	\$5,599,691	\$1,825,650	Expected Uses: Program Administration ; Public Services; Housing Programs; Fair Housing Enforcement ;Public Facility Improvements Eligible ADA Improvements Homeless Services Activities

Priority Table

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Reminder of ConPlan \$	Narrative Description
			Annual Allocation : \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
HOME	public - federal	Acquisition Homebuyer assistance Homeowner rehab Multifamily rental new construction Multifamily rental rehab New construction for ownership TBRA	\$992,925	\$224,724	\$1,997,137	\$3,500,864	\$614,522	Expected Uses: Homebuyer Assistance Owner Occupied Housing Rehabilitation Rental Housing Rehabilitation Rental Housing New Construction
ESG	public - federal	Conversion and rehab for transitional housing Financial Assistance Overnight shelter Rapid re-housing (rental assistance) Rental Assistance Services Transitional housing	\$164,535	\$0.00	\$0.00	\$164,535	\$169,421	Expected Uses: Homeless Services Homeless Prevention Rapid Re-Housing

Table 2 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Leverage, in the context of the City of Modesto's three HUD programs, means bringing local, state, and federal financial resources to maximize the impact of the City's HUD funded programs. Leverage is also a way to increase project efficiencies and benefit from economies of scale that often come with combining sources of funding for similar scopes. HUD encourages the City of Modesto to demonstrate that efforts are being made to strategically leverage additional funds in order to achieve greater results. HUD funds will be considered leveraged if financial commitments toward the costs of a project from a source, other than the originating HUD source, are documented.

The City of Modesto tracks leverage amounts from all CDBG and ESG public service sub-recipients via the ZoomGrants software reporting/invoicing system. Public Service sub-recipients are required to submit leverage amounts with supporting documentation as part of the City of Modesto's quarterly monitoring reviews. The City of Modesto uses this data for its HUD reports in IDIS.

HOME – 25% Match Requirement

The 25% HOME match requirements are met through the contributions or layers of funds that the developers provide for each HOME -assisted project. The match includes private financing, waiver or deferral of development fees approved by the Modesto City Council, Tax Credit Allocations, and any other eligible source.

ESG – 100% Match Requirement

For the ESG program, the City of Modesto requires that ESG sub-recipients provide a dollar-for-dollar match for ESG funds received. Typically, the City of Modesto is able to generate significantly more match than the amount required for ESG activities primarily through the cash and non-cash contributions provided by ESG sub-recipients as a result of the generosity of their donors, supporters, and other funders. As part of the ESG monitoring process, ESG sub-recipients submit reimbursement requests; invoices and accompanying receipts are reviewed for reimbursement eligibility. Sub-recipients are required to submit dollar-for-dollar match verification with each reimbursement request and City of Modesto reimbursement is conducted after match verification documentation is satisfied.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Modesto is reviewing its inventory of City owned properties to determine best use for the coming AAP. The intent is to transfer eligible units to non-profit organizations that could, rent the units to low income households or rehabilitate the units and sell them to a low income households. Additionally, the City of Modesto, as the successor housing entity to the former Redevelopment Agency of the City of Modesto, owns a parcel that will be utilized to develop 74 affordable housing units for low and very low income households. The City is

currently partnering with EAH, an affordable housing non-profit developer, to support its efforts to leverage HOME funding dollars with tax credits, which will allow for project development in the coming years.

Discussion

No additional discussion.

Annual Goals and Objectives

AP-20 Annual Goals and Objectives - 91.420, 91.220(c)(3)&(e)

Goals Summary Information

No Goals Found

Sort Order	Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator
1	Rental Housing Construction	2015	2019	Affordable Housing		H-1 Increase affordable rental housing		Rental units constructed: 4 Household Housing Unit
2	Homebuyers Assistance	2015	2019	Affordable Housing		H-2 Provide Homeownership Opportunities		Direct Financial Assistance to Homebuyers: 5 Households Assisted
3	Housing Preservation	2015	2019	Affordable Housing		H-3 Preserve Existing Affordable Housing		Rental units rehabilitated: 7 Household Housing Unit
4	Housing Rehabilitation Program	2015	2019	Affordable Housing		H-3 Preserve Existing Affordable Housing		Homeowner Housing Rehabilitated: 24 Household Housing Unit
5	Fair Housing Services and Education	2015	2019	Fair Housing		H-4 Continue to Support Fair Housing.		Other: 5 Other
6	Emergency Shelter Beds	2015	2019	Homeless		HM-1 Address Chronic Homelessness		Homeless Person Overnight Shelter: 650 Persons Assisted
7	Supportive Services - Homeless	2015	2019	Homeless		HM-4 Prevent Homelessness for those at Risk		Homelessness Prevention: 10 Persons Assisted

Sort Order	Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator
8	Supportive Housing Services	2015	2019	Non-Housing Community Development		HM-4 Prevent Homelessness for those at Risk		Tenant-based rental assistance / Rapid Rehousing: 10 Households Assisted
9	HMIS Implementation	2015	2019	Homeless		HM-5 Coordinated case management		3 ESG sub-grantees conducting Coordinated Case Management

11	Independent Living Services	2015	2019	Non-Housing Community Development		CD-3 Provide Public Services for Residents		Other: 10 Other
12	Public Improvements - Accessibility	2015	2019	Non-Housing Community Development		CD-4 Fund ADA Improvement in the City		Other: 5 Other
13	Street Paving	2015	2019	Non-Housing Community Development		CD-5 Arrest the Physical Decline of LMA's		Public Facility or Infrastructure Activities other than Low/Moderate Income Housing Benefit: 2 Persons Assisted

Table 3 – Goals Summary

Goal Description

1	Goal Name	Rental Housing Construction
	Goal Description	Construction of 4 rental housing units (STANCO, CICV, GVHDC).
2	Goal Name	Homebuyer Assistance
	Goal Description	Provide direct financial assistance 5 households through the Homebuyer Assistance Program.
3	Goal Name	Housing Preservation
	Goal Description	Provide financial assistance to local affordable housing developers (STANCO, CICV, GVHDC) to preserve rental housing units via rehabilitation of such units.
4	Goal Name	Housing Rehabilitation Program
	Goal Description	Provide financial assistance to 24 owner occupied households for housing rehabilitation assistance for the purpose of preserving existing affordable housing.
5	Goal Name	Fair Housing Services and Education
	Goal Description	Contract with a fair housing service provider to provide fair housing services to City of Modesto residents. Number of Fair Housing Cases investigated: 5
6	Goal Name	Emergency Shelter Beds
	Goal Description	Provide ESG funds to non-profit homeless service providers: Assist 650 unduplicated individuals with emergency shelter.
7	Goal Name	Supportive Services - Homeless
	Goal Description	Homeless Prevention Services: Provide ESG funds to non-profit homeless service providers. Assist 10 households with homeless prevention services (CHSS/Family Promise).
8	Goal Name	Supportive Housing Services
	Goal Description	Rapid Rehousing Services: Provide ESG funds to non-profit service providers to provide rapid rehousing services (CHSS/Family Promise).
9	Goal Name	HMIS Implementation
	Goal Description	Continue enforcing HMIS program implementation by all ESG sub-recipients; coordinated entry/case management.

10	Goal Name	Services - Anti-poverty
	Goal Description	Section 3 jobs created. Minimum of 2 jobs created via CDBG/ESG public services and/or Economic Development programs.
11	Goal Name	Independent Living Services
	Goal Description	Provide independent living services to people with disabilities: 4 ADA compliant ramps or lifts.
12	Goal Name	Public Improvements - Accessibility
	Goal Description	Conduct public improvements to enhance ADA accessibility:
13	Goal Name	Street Paving
	Goal Description	Public Facilities/Infrastructure Improvements: Conduct infrastructure improvement projects within HUD designated low income block groups.

Table 7 – Goal Descriptions

Estimate the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined by HOME 91.215(b):

All assistance will be provided to households at or below 80% of the AMI.

AP-35 Projects – 91.220(d)

Introduction

The activities to be undertaken during Program Year 2018-2019 are summarized below.

#	Project Name
1	CDBG: FY 2018-2019 CDBG PLANNING & ADMINISTRATION
2	CDBG: AFFORDABLE HOUSING – SMALL HOMES INFILL PROJECTS
3	CDBG: ADA RAMPS AND CURB CUTS PROJECTS
4	CDBG: 2018 HOUSING REHAB ADMINISTRATION/ACTIVITY DELIVERY (14H)
5	CDBG: ECONOMIC DEVELOPMENT – REAL PROPERTY EQUIPMENT/IMPROVEMENTS
6	CDBG: PROJECT BASED ACTIVITY DELIVERY – CDBG FUNDING FOR HOME ADMIN (21H)
7	CDBG: PUBLIC FACILITIES/INFRASTRUCTURE IMPROVEMENTS
8	CDBG: AFFORDABLE HOUSING – RENTAL HOUSING REHABILITATION
9	CDBG: AFFORDABLE HOUSING – OWNER OCCUPIED HOUSING REHABILITATION
10	CDBG: SECTION 108 LOAN REPAYMENT FY 2018-2019
11	CDBG: PS-18 ADVOCATES FOR JUSTICE – SEAT
12	CDBG: PS-18 CENTER FOR HUMAN SERVICES – PATHWAYS
13	CDBG: PS-18 CHILDREN'S CRISIS CENTER – AUDREY'S HOUSE
14	CDBG: PS-18 COURT APPOINTED SPECIAL ADVOCATES – CASA DIRECT SERVICES
15	CDBG: PS-18 HAVEN WOMEN'S CENTER – DOMESTIC VIOLENCE SHELTER
16	CDBG: PS-18 PARENT RESOURCE CENTER – CONNECTING FAMILIES
17	CDBG: PS-18 UNITED SAMARITANS – DAILY BREAD MOBILE LUNCH PROGRAM
18	CDBG: PS/FH PROJECT SENTINEL – 2018-2019 FAIR HOUSING PROGRAM
19	FY 2018-2019 ESG PLANNING & ADMINISTRATION
20	ESG-18 CENTER FOR HUMAN SERVICES – HUTTON HOUSE
21	ESG-18 COMMUNITY HOUSING & SHELTER SERVICES – HOMELESS PREVENTION

	HOME: 522 E. GRANGER AVE, MODESTO CA*

#	Project Name
---	--------------

Table 8 – Project Information

* Prior Year Activity (funded with prior year funds). Activity description listed in prior year Annual Action Plan. May include additional 2018 funds.

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City of Modesto is located within Stanislaus County, in Northern California. The attached maps show the census tracts that will be the focus of assistance during the program year and subsequent Consolidated Plan program years. The first map (Map #1) shows the low-income Census Block Groups within the City of Modesto where median household incomes are below 80% of the area’s median income. The second map (Map #2) shows the areas of minority concentration for those who identified themselves as Hispanic, Black-African/American, Asian, and American Indian/Alaskan Native.

The Census Tract is defined as an area of minority concentration if 51 percent (51%) or more of the households in a given Census Tract qualify as low- or moderate-income, or 51 percent or more of the population are members of minority groups. Nine Census Tracts mainly located along Highway 99 and surrounding downtown Modesto, have low- or moderate-income concentrations. Fourteen Census Tracts, including most of the Census Tracts west of Highway 99 and a couple other tracts on the edges of the City of Modesto limits, have minority concentrations.

In the funding of all projects, and in providing assistance to all beneficiaries, the City of Modesto will ensure that:

- * Documentation of the low- and moderate-income status of individuals/households is collected, or
- * The project designated as a “project area benefit” has a population of at least 51% of the residents are low-and moderate-income, or
- * A slum and blight project meets the criteria for such projects.

The availability of funding from both federal and State sources is a key determinant of the City of Modesto’s ability to address identified needs. To make the most of limited resources, the City of Modesto has formed partnerships with a variety of governmental, non-profit, and service agencies to combine resources to implement programs related to housing and community development needs.

There is also a tremendous need for affordable housing including rental and homeownership units. In an attempt to address affordable housing needs, the City of Modesto utilizes HOME funds for the development of housing units, and CDBG funds for homebuyer assistance loans as well as to assist existing eligible homeowners with housing rehabilitation loans.

A major local obstacle to low-income residents is the lack of affordable housing. The average assistance needed to provide low-income families the opportunity to become a homeowner is

\$136,870; for rental housing development the average amount of total development costs needed to create an affordable rental unit is \$149,038. The average rehabilitation cost per unit of \$50,311 is necessary to prevent homelessness for low-income individuals currently maintaining housing.

Projects

AP-38 Projects Summary

Project Summary Information

1	Project Name	CDBG: FY 2018-2019 CDBG PLANNING & ADMINISTRATION
	Target Area	N/A
	Goals Supported	N/A
	Needs Addressed	N/A
	Funding	CDBG: \$400,750 (2018)
	Description	This project will fund administrative expenses related to the planning and administration of CDBG projects and activities including but not limited to development of HUD plans, contract development, project monitoring, and enforcement of federal regulations.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	1010 10th Street, Modesto CA 95354
	Planned Activities	Program Administration.
2	Project Name	CDBG: AFFORDABLE HOUSING - SMALL HOMES INFILL PROJECTS
	Target Area	
	Goals Supported	Rental Housing Construction
	Needs Addressed	H-1 Increase affordable rental housing HM-3 Provide permanent supportive housing HM-4 Prevent Homelessness for those at Risk
	Funding	CDBG: \$300,000 (Projected Program Income)
	Description	Small modular home scattered site infill projects. Units will be approximately 620 square feet in size. Funds will assist with unit acquisition and subsequent lease for residential purposes 24 CFR 570.201 (a) and (b).

	Target Date	6/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	1 person below 80% AMI.
	Location Description	Scattered Site.
	Planned Activities	Affordable housing / Infill projects
3	Project Name	CDBG: ADA RAMPS AND CURB CUTS PROJECTS
	Target Area	
	Goals Supported	Public Improvements - Accessibility
	Needs Addressed	CD-4 Fund ADA Improvement in the City
	Funding	CDBG: \$181,665
	Description	Conduct ADA ramps, curb cut, and sidewalk improvement projects in eligible low/mod areas.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	100 persons at or below 80% AMI.
	Location Description	
	Planned Activities	ADA ramps, curb cut, and sidewalk improvement projects
4	Project Name	CDBG: 2018 HOUSING REHAB ADMINISTRATION/ACTIVITY DELIVERY (14H)
	Target Area	
	Goals Supported	Housing Rehabilitation Program
	Needs Addressed	H-3 Preserve Existing Affordable Housing
	Funding	CDBG: \$553,590 (\$147,210 = Projected Program Income)
	Description	Activity delivery costs related to carrying out housing rehabilitation activities (rental and owner occupied). Examples include appraisal, architectural, engineering, and other professional services; preparation of work specifications and work write-ups; loan processing; survey, site and utility plans; application processing; and other fees.
	Target Date	6/30/2019

	Estimate the number and type of families that will benefit from the proposed activities	City staff will facilitate housing rehabilitation projects for 24 eligible households at or below 80% of the Area Median Income.
	Location Description	Citywide/Low Income Census Tracts.
	Planned Activities	Owner Occupied Housing Rehabilitation Activity Delivery.
5	Project Name	CDBG: ECONOMIC DEVELOPMENT - REAL PROPERTY EQUIPMENT/IMPROVEMENTS
	Target Area	
	Goals Supported	Services - Anti-poverty
	Needs Addressed	CD-2 Promote Economic Development Activit
	Funding	CDBG: \$50,000
	Description	The City of Modesto will provide CDBG funds to leverage an Economic Development Administration (EDA), U.S. Department of Commerce (DOC) grant in partnership with Opportunity Stanislaus Valley Occupational and Learning Technical Institute (VOLT) program. CDBG funds will be utilized for Real property equipment and improvements. VOLT offers fast paced training for high-wage in-demand careers.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	This activity will provide training opportunities to 2 individuals at or below 80% of the AMI.
	Location Description	1010 10th St, #1400, Modesto CA 95354
	Planned Activities	Economic Development Job Training
6	Project Name	CDBG: (21H) - PROJECT BASED ACTIVITY DELIVERY - CDBG FUNDING FOR HOME ADMIN
	Target Area	
	Goals Supported	Rental Housing Construction Housing Preservation
	Needs Addressed	H-1 Increase affordable rental housing
	Funding	CDBG: \$150,000
	Description	Activity delivery for HOME funded projects to be covered by CDBG funds when HOME admin/activity delivery amounts are exhausted.
	Target Date	6/30/2019

	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	1010 10th ST, MODESTO CA 95354
	Planned Activities	PROJECT BASED ACTIVITY DELIVERY - CDBG FUNDING FOR HOME ADMIN.
7	Project Name	CDBG: PUBLIC FACILITIES/INFRASTRUCTURE IMPROVEMENTS
	Target Area	
	Goals Supported	Public Improvements - Accessibility
	Needs Addressed	CD-4 Fund ADA Improvement in the City
	Funding	CDBG: \$150,000
	Description	Infrastructure activities to include ADA curb cut and sidewalk improvements in LMA eligible areas that are primarily residential and are currently missing such improvements.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	50 persons at or below 80% AMI.
	Location Description	Scattered sites.
	Planned Activities	ADA curb cut and sidewalk improvements in LMA eligible areas
8	Project Name	CDBG: AFFORDABLE HOUSING - RENTAL HOUSING REHABILITATION
	Target Area	
	Goals Supported	Rental Housing Construction
	Needs Addressed	H-1 Increase affordable rental housing
	Funding	CDBG: \$761,342 (\$457,737 RLF funds; \$53,605 CDBG P.I.; \$250,000 NSP P.I.)
	Description	Address the "Affordable Housing" priority/focus area of the Con Plan by partnering with local affordable housing developers to creating affordable housing opportunities for low income households. Refer to Goal #1 and #3. Rehabilitation of 4 rental housing units.
	Target Date	6/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	4 Families at or below 80% of the AMI.

	Location Description	Citywide; Low Income Census Tracts
	Planned Activities	Rental Housing Rehabilitation
9	Project Name	CDBG: AFFORDABLE HOUSING - OWNER OCCUPIED HOUSING REHABILITATION
	Target Area	
	Goals Supported	Housing Rehabilitation Program
	Needs Addressed	H-3 Preserve Existing Affordable Housing
	Funding	CDBG: \$724,154 (\$505,314 RLF funds; \$26,395 CDBG P.I.; 12,445 NSP P.I.)
	Description	Address the "Affordable Housing" priority/focus area of the Con Plan by providing direct financial assistance eligible households through the Housing Rehabilitation Program. Refer to Goal #4
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	24 households at or below 80% of the AMI.
	Location Description	Citywide; Low Income Census Tracts.
	Planned Activities	Owner Occupied Housing Rehabilitation.
	10	Project Name
Target Area		N/A
Goals Supported		N/A
Needs Addressed		N/A
Funding		CDBG: \$302,003
Description		Planned repayment of Section 108 Loan Principal.
Target Date		6/30/2019
Estimate the number and type of families that will benefit from the proposed activities		N/A
Location Description		N/A
Planned Activities		Repayment of Section 108 Loan
11	Project Name	PS-18 ADVOCATES FOR JUSTICE - SEAT
	Target Area	
	Goals Supported	Services - Anti-poverty

	Needs Addressed	CD-3 Provide Public Services for Residents
	Funding	CDBG: \$22,899
	Description	The Student Education Advocacy Team is a unique one-of-a-kind program that ensures kids have a "seat" in the classroom rather than the courtroom. SEAT will consist of an advocacy team that adopts a mentoring and tutoring approach. The team consist of an expert team of volunteers and advocates. The team works directly with students and their families, may represent students at disciplinary proceedings and trains parents and family members and community members how to advocate effectively for their children. The purpose of SEAT is to substantially reduce suspensions and expulsions in Modesto City Schools, to eliminate disparities in education, and to put an end to the school to prison pipeline in our community through research and evidence based practices. A goal of SEAT is to improve educational outcomes for all students, especially those students in jeopardy of suspension or expulsion.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	50 unduplicated youth at or below 80% of AMI.
	Location Description	608 Spencer Ave, Modesto Ca. 95351
	Planned Activities	SEAT will consist of an advocacy team that adopts a mentoring and tutoring approach.
12	Project Name	PS-18 CENTER FOR HUMAN SERVICES - PATHWAYS
	Target Area	
	Goals Supported	Services - Anti-poverty
	Needs Addressed	CD-3 Provide Public Services for Residents
	Funding	CDBG: \$27,000

	Description	Pathways is a 16 bed transitional housing program that addresses the need for shelter and support services for homeless youth 18 to 21 years of age. Shelter is provided up to 21 months. This project addresses the City of Modesto Five-Year Consolidated Plan, 2015-2020 priority of transitional housing, particularly for an at- risk population. (HM 2 and 4).Using a positive youth development and trauma informed approach, Pathways promotes the social and emotional well being of the young people it serves. Program goals for youth served at Pathways are: obtaining employment, leaving to stable housing and having supportive relationships. Additional support services available to youth include: basic life, interpersonal and job acquisition and maintenance skills training, assistance with obtaining medical care and advancing educational opportunities, service learning opportunities, recreation, referral and after care services.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	25 low income youth at or below 80% AMI.
	Location Description	608 E. Granger Avenue, Unit 25, Modesto, CA 95350
	Planned Activities	Housing services for youth experiencing homelessness.
13	Project Name	PS-18 CHILDREN'S CRISIS CENTER - AUDREY'S HOUSE
	Target Area	
	Goals Supported	Services - Anti-poverty
	Needs Addressed	CD-3 Provide Public Services for Residents
	Funding	CDBG: \$23,100
	Description	Audrey's house provides emergency child care, shelter, meals, crisis intervention and specialized prevention services to a disadvantaged population of high-risk infants, toddlers, preschool and young school-age children living in Modesto. This project will provide essential care services to an impoverished population of children, growing up in families afflicted by generational abuse, domestic violence, extreme poverty, substance abuse, mental illness or homelessness. These children will be from high risk families living in very low to moderate low income households (below 80% of the area median income), enduring various social and economic difficulties. They will have experienced traumas stemming from exposure to family conflict and crisis.
	Target Date	6/30/2019

	Estimate the number and type of families that will benefit from the proposed activities	111 youth served at or below 80% AMI
	Location Description	141 Kimble Street Modesto CA
	Planned Activities	Crisis intervention, counseling, meals, crisis management, case services.
14	Project Name	PS-18 COURT APPOINTED SPECIAL ADVOCATES - CASA DIRECT SERVICES
	Target Area	
	Goals Supported	
	Needs Addressed	CD-3 Provide Public Services for Residents
	Funding	CDBG: \$28,200
	Description	This project will provide coordinated case management to address the needs of dependent youth in the foster care system. CASA is a program that significantly meets the needs of 'at-risk' youth. Our services directly benefit a vulnerable presumed benefit' population (children by definition are not in control of their resources and all of the youth in foster care, regardless of age, often live in very modest to poor conditions). The advocate works with everyone involved and makes independent, informed recommendations on the child's behalf directly to the Judge who makes all orders regarding the case. The dedication of CASA volunteers allows judges to ensure successful outcomes for children. For many abused children, their CASA volunteer will be the one constant adult presence in their lives. Independent research has demonstrated that children with a CASA volunteer who have a chance at either reunification with their family or an opportunity to be adopted are substantially less likely to spend time in long-term foster care and less likely to reenter care.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	30 foster youth at or below 80% AMI
	Location Description	801 11th Street, 3rd Floor, Modesto, CA 95354
	Planned Activities	
15	Project Name	PS-18 HAVEN WOMEN'S CENTER - DOMESTIC VIOLENCE SHELTER
	Target Area	
	Goals Supported	Independent Living Services
	Needs Addressed	CD-3 Provide Public Services for Residents
	Funding	CDBG: \$25,599

	Description	Haven Womens Center (Haven) offers a variety of supportive services to individuals and families impacted by domestic violence, sexual assault, and human trafficking. Haven operates the only confidential domestic violence shelter in Stanislaus County. Victims fleeing abuse, who are homeless or imminently homeless, are eligible for up to six weeks of shelter. Available services include 24 hour crisis intervention and safety planning, peer counseling, legal advocacy, and support groups for adults and children affected by trauma. Many survivors come to the shelter with little or no personal belongings. Haven uses a combination of grant funds and community donations to provide necessities for participants including food, clothing, bedding, toiletries, diapers and other baby care items.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	140 unduplicated individuals at or below 80% AMI.
	Location Description	Haven Women's Center Emergency Shelter is identified as a confidential domestic violence shelter as defined in the California's Welfare and Institutions Code 18301. The location of the shelter is confidential in accordance with California Penal Code 273.7.
	Planned Activities	Services to DV victims.
16	Project Name	PS-18 PARENT RESOURCE CENTER - CONNECTING FAMILIES
	Target Area	
	Goals Supported	Services - Anti-poverty
	Needs Addressed	CD-3 Provide Public Services for Residents
	Funding	CDBG: \$21,999
	Description	The Parent Resource Center (PRC) will offer Connecting Families, a 12-week co-ed parenting education program offered in multiple sessions throughout the year in English and Spanish, through partnership with the Modesto Gospel Mission, Community Housing and Shelter Services, and other partners. The program will utilize the Nurturing Parenting Program developed by Dr. Stephen J. Bavolek and will be enhanced with life skills education from partnering agencies. This program has been used successfully by PRC for over 12 years, and the life skills that supplement it have seen success with PRC's past implementation of the program. The core curriculum's goal is to stop the inter-generational cycle of child abuse and reduce recidivism in families receiving social services. The curriculum is trauma informed, evidence-based, centered on the family, and designed to build nurturing parenting skills.

	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	140 individuals at or below 80% AMI
	Location Description	Parent Resource Center: 811 5th St. Modesto, CA 95350 Modesto Gospel Mission: 1400 Yosemite Blvd, Modesto, CA 95354 (part of collaborative effort)
	Planned Activities	Parenting education to young parents.
17	Project Name	PS-18 UNITED SAMARITANS - DAILY BREAD MOBILE LUNCH
	Target Area	
	Goals Supported	Services - Anti-poverty
	Needs Addressed	CD-3 Provide Public Services for Residents
	Funding	CDBG: \$25,700
	Description	Daily Bread Mobile Lunch Program delivers nutritious meals directly into the neighborhoods where extremely low, very low, low income, and, homeless individuals reside. The program ensures those individuals living in these neighborhoods have access to at least one nutritious meal a day, five days a week, 52 weeks a year. During the week we provide as many EXTRAS (milk, juice, bread, eggs, dairy, produce, etc) as we have available to supplement their diet with higher nutrition foods. Delivering these meals and extras directly into neighborhoods affords us the opportunity to provide information on supportive services available to these residents. These referrals, along with USF's outreach worker add to the long-term success of our clients.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	480 unduplicated individuals at or below 80% AMI.

	Location Description	<p>1416 Maze Blvd (Modesto kitchen facility)</p> <p>1st stop: Beardbrook Park</p> <p>2nd stop: Mono Park</p> <p>3rd stop: 9th and D Street - Berberian Shelter - Salvation Army</p> <p>4th stop: Oregon Park</p> <p>5th stop: 4th Street Park</p> <p>6th stop: James Marshall Park</p> <p>7th stop: Robertson Road Park</p> <p>8th stop: Riverdale Road (not within Modesto incorporated limits but is on the route)</p> <p>9th stop: Boys and Girls Club @ King-Kennedy Center in Mellis Park</p>
	Planned Activities	Mobile Lunch Program.
18	Project Name	PS/FH - PROJECT SENTINEL - 2018-2019 FAIR HOUSING PROGRAM
	Target Area	
	Goals Supported	Fair Housing Services and Education
	Needs Addressed	H-4 Continue to Support Fair Housing.
	Funding	CDBG: \$25,000

Description	<p>Project Sentinel will enable people to resolve housing problems. By providing fair housing services, the project will also assist the City of Modesto to affirmatively further fair housing by combating housing discrimination and promoting diverse and inclusive communities.</p> <p>Outreach: Project Sentinel will inform the general public of the available fair housing services through educational brochures, radio and TV PSA's, and print and social media. Education: Project Sentinel will provide one-on-one counseling and group workshops for housing providers, consumers and social service agencies to educate them about fair housing law. Project Sentinel will also provide specialized workshops low income veterans, immigrants especially those with limited English proficiency, those with disabilities, and families with children. Housing providers will learn how to comply with fair housing law while conducting residential rental business. Housing consumers will learn how to recognize fair housing violations and how to secure assistance. Social service agencies will learn to recognize and effectively refer fair housing violations. Audit and Complaint Investigations: Fair housing coordinators investigate complaints through testing, interviews, surveys, and document review. When there is evidence of a violation, the complainant is given a range of options: educate the person causing the violation, conciliate/mediate the complaint, refer the complainant to HUD, DFEH or to an attorney for enforcement. Project Sentinel will also conduct proactive audits, testing housing providers for compliance with fair housing law before an allegation of discrimination is made.</p>												
Target Date	6/30/2019												
Estimate the number and type of families that will benefit from the proposed activities	5 fair housing discrimination investigation cases; 350 persons will receive fair housing education via workshops, presentations, and information & referral.												
Location Description	1231 8th St., Ste 425, Modesto, CA 95354.												
Planned Activities	Fair housing discrimination investigation, Tenant/Landlord mediation, Fair Housing Education

21	Project Name	ESG-18 COMMUNITY HOUSING & SHELTER SERVICES - HOMELESS PREVENTION
	Target Area	
	Goals Supported	Services - Anti-poverty
	Needs Addressed	HM-4 Prevent Homelessness for those at Risk
	Funding	ESG: \$30,000

Description	Community Housing and Shelter Services is proposing a Homeless Prevention Rapid Re-Housing program. This program could help alleviate the stress of housing costs for a minimum of 10 families from within the City of Modesto area, and have an income at or below 30% of the median income. The Homeless Prevention funding will be utilized to provide short-term rental assistance to (5) five households who are at imminent risk of becoming homeless by preventing eviction for households who have received a 3-day notice and have written verifiable documentation of an emergency that has caused them to enter into default on their rent. The Rapid Re-Housing funding will be utilized to provide short-term rental assistance to (5) five households via first month's rent and double security deposit assistance to households who are homeless and lack the resources to pay for their full move-in fees. In order for CHSS to assist each household in removing barriers to sustainable housing, all households served will receive intensive on-going Case Management Services at a minimum of once per month in-person meeting with the client, although the goal would be for additional follow-up. Each household will complete an individualized action plan to address their immediate and long-term goals to ensure permanent housing sustainability after the ESG funding ends. CHSS will offer our homeless clients supportive services such as, money management workshops, weekly up-dated housing lists, referrals to other services in the County, and case management to assist them in finding permanent, long term housing. These services will provide our Clients with the tools to remain housed and reduce any new incidences of homelessness resulting in a reduced recidivism rate.										
Target Date	6/30/2019										
Estimate the number and type of families that will benefit from the proposed activities	5 Families (up to 30 individuals) at or below 30% AMI.										
Location Description	708 H Street, Modesto, CA 95354

Target Area											
Goals Supported	Emergency Shelter Beds										
Needs Addressed	HM-1 Address Chronic Homelessness HM-5 Coordinated case management										
Funding	ESG: \$63,721										

	Description	The Salvation Army (TSA) Case Management Team is designed to interrupt the cycle of homelessness and recidivism using case management and partnerships to move individuals from being homeless to permanent housing. This program will utilize the different resources of The Salvation Army Shelter and Transitional Living Center as well as partnerships with Community Impact Central Valley, Stanislaus County Affordable Housing Corporation, The Stanislaus County Sheriff Department and many other collaborated resources to identify clients who show stability and desire to move from homelessness to permanent housing. Once identified, the case manager and client will establish a plan for success. With our partnerships, the client will have access to resources to obtain his goals. A six month follow up case management will be provided to ensure an end goal of a successful transition to permanent housing and the ability to remain housed. We anticipate identifying 93 potential clients, with 59 qualified clients enrolled into programs. A dedicated Intake Coordinator is being hired with the sole responsibility to process the required intake and to input data into HMIS/VISPDAT.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	650 extremely low income individuals at or below 30% AMI.
	Location Description	320 Ninth Street Modesto, CA 95351
	Planned Activities	Emergency Shelter
23	Project Name	ESG-18 – RAPID REHOUSING - TURNING POINT COMMUNITY PROGRAMS
	Target Area	Citywide
	Goals Supported	Supportive Services - Homeless
	Needs Addressed	HM-1 Address Chronic Homelessness
	Funding	ESG: \$23,474

	Description	TPCP will assist homeless clients residing within Modesto city limits into permanent housing. If awarded, HAT will be able to reduce one or more of the barriers to obtaining permanent housing for approximately 60 unduplicated homeless individuals/families during the funding period by assisting with utility deposits and payments; application and credit check fees; obtaining necessary documentation (i.e., California ID card, birth certificate, etc.); and/or assisting with transportation costs. Without access to the resources necessary to overcome these barriers the ability of this population to obtain permanent housing is significantly reduced. A portion of these funds would also be used to cover the cost of staff performing eligibility verification and data collection to ensure appropriate use of the funds received and support data entry into HMIS. The projected 60 unduplicated clients is assuming that all 60 will require assistance in all areas - application fees, utility deposits, duplicate ID, and transportation - however, it is unlikely that all 60 would require assistance in all areas; thereby allowing for a higher number of unduplicated individuals/families to be served. The program only has data on the first four months of operation at this time, this makes it difficult to truly estimate the needs over time of the individuals/families served.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	60 persons at or below 30% of AMI
	Location Description	Citywide
	Planned Activities	Homeless services including rapid rehousing eligible activities.

	Goals Supported	Services – Anti-poverty
	Needs Addressed	CD-1 Neighborhood Revitalization Strategy Area
	Funding	CDBG: \$25,000
	Description	The Center for Human Services will provide capacity building assistance to the Airport Neighborhood community organizers in alignment with other related services. The goal is to train and provide the tools to community organizers to develop and strengthen their skills, abilities, processes, and resources so that this community group can continue their community development efforts.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	Airport Neighborhood
	Planned Activities	Capacity Building Services

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City of Modesto will target HUD resources to low income Census Block Groups as designated by HUD (See Map #1 attached). Outlined below are the low income Block Groups within each Council District. This is an exhaustive list of all low income block groups within the City of Modesto; however resources may not be directed to all areas.

District 1 Census Tract/Block Groups: 000503/1, 000803/2, 000803/3

District 2 Census Tract/Block Groups: 001500/1, 001500/3, 001601/1, 001601/2, 001601/3, 001604/1, 001604/2, 001603/1, 001700/1, 001700/2, 002200/1, 001800/2, 002200/2, 002200/4, 002200/3, 002301/4, 002301/1, 002402/1, 002401/2, 002501/1

District 3 Census Tract/Block Groups: 001400/2, 001400/1, 001400/3, 001400/5, 001100/2, 001100/3, 001200/2, 001002/3, 001800/1

District 4: 001900/4, 002100/1, 001900/2, 002004/2, 002004/1, 002004/4

District 5: 000805/1, 000805/4, 000506/1, 000404/3, 000910/2

District 6: 000910/4, 002803/1

Geographic Distribution

Target Area	Percentage of Funds
LOW INCOME CENSUS TRACTS	100

Table 10 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The Census Tract Block Groups listed are geographic areas/neighborhoods within which 51%, or greater, of the area's population is low income. The City of Modesto has identified activities that will benefit these population groups with the end goal of providing suitable living environment and greater economic opportunities. Where possible, the City of Modesto will distribute CDBG funds throughout the low income block groups located throughout the six city council districts.

Discussion

No additional discussion.

AP-60 Public Housing – 91.220(h)

Introduction

The Housing Authority of the County of Stanislaus (HACS) operates 432 public housing units within the City of Modesto. All 432 public housing units are currently occupied. The Section 504 needs assessment of public housing units from the HACS indicates that in the City of Modesto there are 28 housing units available for the physically impaired (five one-bedroom units, 12 two-bedroom, and 11 three-bedroom units), seven units for the visually impaired (three one-bedroom, two two-bedroom, and two three-bedroom units), and seven units for the hearing impaired (4 one-bedroom, and 3 three-bedroom units). This equates to a total of 42 units for the physically, visually, and hearing impaired in the City of Modesto.

Actions planned during the next year to address the needs to public housing:

The City of Modesto has a close working relationship with the Housing Authority of the County of Stanislaus (HACS) and meets on an as needed basis to discuss concerns relevant to public housing and other housing matters. The City of Modesto will continue to work with the HACS and any other housing and social service providers to foster public housing improvements and resident initiatives.

In prior years the City of Modesto has partnered with the HACS by leveraging available funds to address affordable housing needs through the development and/or rehabilitation of affordable housing units for low and moderate income persons and families.

When possible, the City of Modesto will continue to partner with the HACS to leverage available funds (local, state, federal) to address public housing needs within the City of Modesto.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The HACS provides homeownership resources to participants in the Housing Choice Voucher Program. The Family Self-Sufficiency (FSS) Program has established partnerships with a variety of community resources to refer participants for services including pre- and post-secondary education, health care, child care, employment development, supported employment, and small business development including micro-loans. The FSS Program also encourages families to participate in financial wellness programs including financial literacy and credit repair with an emphasis on long-term financial stability for the purposes of homeownership. Supportive services are provided through the Community Impact Central Valley (CICV), the Stanislaus County Department of Mental Health, or Stanislaus County Integrated Services Agency. The Stanislaus Housing Authority previously implemented a services and communication "quality control" system that provides the Stanislaus Housing Authority with immediate customer feedback and identifies areas that may need improvement.

The Housing Authority has also implemented a resident education program with regularly scheduled meetings and written communications on agency policy, rules, and leases.

Efforts to improve communications with residents and program participants include: on site resident training/informational meetings, regular newsletters and flyers. The Stanislaus Housing Authority has implemented a "curb-side" appearance program. The focus of the program is the exterior of buildings, parking areas, play grounds and other areas of the complexes. Rodent and insect problems are addressed when residents report a problem and/or on Annual Inspections. In an effort to better education residents concerning these problems, information is regularly provided through the Stanislaus Housing Authority newsletter. These actions have assisted the Stanislaus Housing Authority in creating an atmosphere which emphasizes customer satisfaction and communication.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

Not applicable. The PHA is not designated as troubled.

Discussion

No additional discussion.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The City of Modesto participates in the Stanislaus System of Care (CSOC) to develop and implement regional goals and strategies (outlined in this section) to address and end homelessness. The goal of the Homeless Strategy is to increase housing stability and decrease incidents of homelessness in Stanislaus County by targeting funds to populations most in need, meeting both the immediate and long-term needs of the homeless, and avoiding the duplication of services by coordinating with service providers and the CSOC.

Since 2014, the City of Modesto has collaborated with Stanislaus County in the Focus on Prevention led by Stanislaus County. The goal of the Focus on Prevention initiative is to bring all sectors of the community together to provide an opportunity for cross-sector development of community-wide prevention strategies. The effort focuses on the coordination between the following sectors in the community: Education, Neighborhoods, non-profits, media, philanthropy, business, faith-based, government, arts/entertainment/sports, and health.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Modesto has participated in CSOC's planning process to move individuals and families from homelessness to permanent housing and independent living through a network of housing linked to supportive services. The primary strategy document is the annual CSOC Application. Additionally, the CSOC is currently working with its members in the first steps toward a continuum-wide coordinated intake system.

Addressing the emergency shelter and transitional housing needs of homeless persons

As the county seat of Stanislaus County, the City of Modesto is where most services (including shelter and transitional housing) are located for Stanislaus County. Therefore, many people experiencing homelessness who utilize available services reside with the City of Modesto.

The City of Modesto funds shelter activities to the maximum extent possible with CDBG Public Services and ESG (Hold-Harmless Need or HHN) funds. Other strategies designed to address homelessness, such as financial assistance and supportive housing, are carried out through other City of Modesto funding sources, such as using federal stimulus funds in partnership with the Housing Authority to build affordable housing designed to serve youth experiencing homelessness and other extremely low-income/homeless populations.

All ESG sub-recipients that carry out emergency shelter activities have a street outreach component to its operations. Additionally, these ESG sub-recipients also participate in the local CSOC's point-in-time count, which affords them an opportunity to reach out to unsheltered persons. Also, through the CSOC, the City of Modesto participates in the annual Street Relief event, which provides a variety of services (bike repair, veterinary, haircut, information and referral, etc.) to scores of persons experiencing homelessness, including unsheltered persons

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

These homeless subpopulations are a high priority for the City of Modesto. The City of Modesto is coordinating with the CSOC and U.S. Department of Veterans Affairs, allocated security deposit assistance to its sub-recipient, Community Housing and Shelter Services (CHSS) to provide this assistance to HUD-VASH program participants, as this particular assistance is not available through this otherwise comprehensive HUD-VA program.

Families and children experiencing homelessness is also prioritized as reflected by CDBG and ESG allocations to sub-recipients that serve these subpopulations (Center for Human Services, Children's Crisis Center, Haven Women's Center, and Family Promise).

City of Modesto, its ESG sub-recipients, and other partners are especially strategic in helping these subpopulations of persons experiencing homelessness. For example, City of Modesto's Homelessness Prevention and Rapid Re-Housing (HPRP) activities through Community Housing and Shelter Services includes the allocation of ESG funds for HUD-VASH program participants (veterans and/or their families experiencing homelessness) so that they may receive security deposit assistance, which is not available through this otherwise-comprehensive permanent supportive housing program. Another subpopulation that is targeted with ESG HPRP financial assistance is families with dependent children. In addition to helping these persons make the transition to stable housing using its ESG funds, the City of Modesto has invested millions of dollars using federal stimulus funds to develop, in partnership with its sub-recipient, the Housing Authority, a 32-unit complex designed to serve youth experiencing homelessness and former foster youth (ages 18-28) with permanent supportive housing. Center for Human Services' Pathways serves as a transitional supportive housing pathway to this 32-unit permanent supportive housing project.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Based on the results of the City's Notice of Funding Availability released January 2018, four programs are recommended for ESG funding that will provide street outreach, shelter, homeless prevention, rapid rehousing, and HMIS data entry support.

While a discharge coordination plan has yet to be developed and implemented locally, the City of Modesto does help lead in the coordination of the Stanislaus CoC's services. Furthermore, homelessness prevention assistance, while scarce, is provided through an ESG sub-recipient (Community Housing and Shelter Services). Foster care youth and those exiting the foster care system will be served through the City of Modesto partnership with the Housing Authority on the above-mentioned federal stimulus funded activity.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction

The goals from the City of Modesto’s 2016 Housing Element are relevant to the Consolidated Plan requirements to remove barriers to affordable housing.

The City of Modesto adopted an Analysis of Impediments to Fair Housing Choice (AI) in 2015 that outlines the public policies that could potentially limit access to affordable housing. These public policies include: development plans and policies, zoning ordinances, building occupancy, health and safety codes, affordable housing development, public housing authoring collaboration, and community representation and participation. An example of a policy that incentivizes the development of affordable housing is a recently updated program that provides exemptions and/or deferrals of Capital Facilities Fees to for-profit or non-profit affordable housing developers, with special consideration given to CHDOs.

The City of Modesto in collaboration with other participating cities throughout the Northern San Joaquin Region (Smart Valley Places) has completed a Fair Housing and Equity Assessment (FHEA) informed the City of Modesto’s updated AI. The City of Modesto is will also participate in any HUD sponsored trainings to implement changes as required by the new Assessment of Fair Housing (AFH) final rule.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Potential constraints to housing development may vary by area, but generally include infrastructure, residential development fees, land use controls, development standards, development and building permit application processing times, and resource preservation. Barriers to housing also include personal barriers such as poor credit history, criminal background, limited knowledge about tenant rights, and the complaint process.

The City of Modesto has worked to eliminate internal barriers to the development of affordable housing through the following continuing efforts:

- Providing funding for land acquisition, secondary financing, and infrastructure costs;
- Assisting qualified households to purchase homes utilizing the Homebuyer Assistance Program;
- Assisting eligible households connect to municipal services such as water and sewer financial assistance programs.
- Exemption or deferral of Capital Facilities Fees for projects providing low-income housing;
- Using the adopted streamlining process for environmental review;
- Continuing to work with non-profit housing agencies in the provision of supportive services and programs; and
- Using streamlined application review and permit processing.

Discussion

No additional discussion.

AP-85 Other Actions – 91.220(k)

Introduction

The City of Modesto, through the Consolidated Plan, targets federal funds to residents that have traditionally not been served, or are underserved, by previous programs. Project activities funded through the Consolidated Plan are carefully designed to provide appropriate and needed services, particularly those that may not be eligible for assistance from other sources, or are geographically isolated by lack of transportation, or lack basic amenities, such as medical care in their neighborhoods.

Actions planned to address obstacles to meeting underserved needs

See response at AP-35 “Describe the reasons for allocation priorities and any obstacles to addressing underserved needs.”

Actions planned to foster and maintain affordable housing

See response at AP-55 “Affordable Housing.”

Actions planned to reduce lead-based paint hazards

The City of Modesto has adopted policies to be implemented in its housing programs, which comply with HUD requirements relating to lead-based paint hazards. In alignment with HUD’s requirements, lead-based paint remediation actions will depend on the level of subsidy provided on a project by project basis. The following is the City’s lead based policy for reduction of lead paint hazards:

Subsidy Amount		
<\$5,000	\$5,000-\$25,000	>\$25,000

Approach to Lead Hazard Evaluation and Reduction	"Do No Harm": Use lead safe work practices	Identify and control Lead hazards	Identify and Abate Lead Hazards
Homeowner Notification	Yes	Yes	Yes
Lead Hazard Evaluation	Presume Presence of LBP (alternative: Paint testing of surfaces to be disturbed by rehabilitation)	Paint testing of surfaces to be disturbed by rehabilitation AND Risk assessment	Paint testing of surfaces to be disturbed by rehabilitation AND Risk assessment
Lead Hazard Reduction	Repair surfaces disturbed during rehabilitation, use lead-safe work practices, clearance test of work site upon completion.	Interim controls, lead- safe work practices, clearance test of unit upon completion.	Complete abatement, lead-safe work practices, clearance test of unit upon completion.

Most housing rehabilitation projects are subject to federal regulations for Lead-Based Paint and contractors must be certified in safe work practices when completing the rehabilitation work. This effort in the past has resulted in more contractors being able to bid on and participate in the projects that contain lead-based paint.

The cost for the stabilization of lead based paint can be included in the City of Modesto's housing rehabilitation loan program. The cost of the lead-based paint inspection and/or clearance is paid from entitlement funds.

The City of Modesto will continue to provide lead-based paint testing as a component of its housing repair and rehabilitation programs when required by HUD regulations. Given the age and condition of the City of Modesto's housing stock, there are a significant number of homes where lead-based paint testing is needed.

Actions planned to reduce the number of poverty-level families

The City of Modesto has a multi-pronged approach to addressing poverty through an adequate, affordable, quality housing supply, improving low-income neighborhoods, strengthening families, strengthening employment skills of the community, and ensuring access to the basic needs such as food and shelter. This multi-pronged approach will strengthen the community as a whole and play a huge part in reducing the number of people living within the poverty level. The City of Modesto plans to fund specific activities that address each of these goals during the Consolidated Plan timeframe.

Since 2014, the City of Modesto has collaborated with Stanislaus County in the Focus on Prevention led by Stanislaus County. The goal of the Focus on Prevention initiative is to bring all sectors of the community together to provide an opportunity for cross-sector development of community-wide prevention strategies. The effort focuses on the coordination between the

following sectors in the community: Education, Neighborhoods, non-profits, media, philanthropy, business, faith-based, government, arts/entertainment/sports, and health.

The City of Modesto's strategy for reducing poverty will be successful only to the extent that:

- Adequate state and federal funding is available for education, job training, and supportive service programs that will increase economic opportunity and self-sufficiency;
- Adequate state and federal funding is available for regional infrastructure necessary to support economic development; and
- The City of Modesto's competitiveness in relation to other regional economies attracts employers and industries that create higher paying jobs. Unfortunately, the City of Modesto has little or no direct control over these factors and can make only marginal improvement in the local rate of poverty through its use of federal and other funds.

City of Modesto staff, through its engagement in the local Focus on Prevention initiative, is engaged in the Coordinated Entry system. Coordinated entry (also known as coordinated assessment system) is a consistent, community wide process to match people experiencing homelessness or at-risk of homelessness to community resources that are the best fit for their situation. In a community using coordinated entry, homeless individuals and families complete standard triage assessment survey that identifies the best type of services for that household. Participating programs accept referrals from the system, reducing the need for people to traverse the county seeking assistance at every provider separately. The process helps prioritize housing and homeless assistance based on vulnerability and severity of service needs to ensure that people who need assistance the most can receive it in a timely manner. The process also provides information about service needs and gaps to help plan assistance and identify needed resources in our community.

The intent is to provide coordinated entry to the entire geographic area through Access Points. Access Points are places—either virtual or physical—where an individual or family in need of assistance accesses the coordinated entry process. People experiencing homelessness can complete the assessment survey to participate in coordinated entry and are matched with community resources that best fit their situation. All locations and methods offer the same assessment approach and referrals using uniform decision-making processes. The Access Points in Stanislaus County include: 1) A centralized physical location (Access Center) in Stanislaus County where housing and support services, among others are provided, 2) 211 hotline system that screens and directly connects people to services, 3) Continuum of Care partners that provide assessments using the same tool county-wide, 4) A specialized Multi-disciplinary Outreach and Engagement Team that scouts the geographic area to provide access to those who might not want to engage at a physical access point.

Actions planned to develop institutional structure

Modesto will continue to work collaboratively with service and shelter providers to identify and address gaps in the institutional structure and service delivery system.

Modesto generally has a well-developed institutional structure and service delivery system.

Modesto will continue to work to increase the resources devoted to permanently affordable housing to serve as a stabilizing force preventing homelessness.

Modesto will focus increased resources on homeless prevention/crisis intervention, especially on homeless youth, aging-out foster youth, families with children, and persons being discharged from institutions.

Modesto will continue to devote resources to address the needs of the chronically homeless including comprehensive case management, supportive housing, shelters and transitional housing.

Modesto will target resources to the lowest income groups with the highest needs including the chronically homeless, homeless youth, homeless families with children, and those living in transitional shelters.

Actions planned to enhance coordination between public and private housing and social service agencies

City of Modesto relies primarily on its (A) close consultation with the CSOC, which is made up of representative stakeholders and (B) monthly meetings with its public and private housing development partners, which include local private CHDOs (e.g., Habitat for Humanity, Stanislaus County and Stanislaus Affordable Housing Corporation, and Great Valley Housing Development Corporation (GVHDC)) and the Housing Authority (to enhance coordination in the areas of community housing and social services).

The City of Modesto relies on non-profit organizations and for-profit developers to build and acquire, develop, and rehabilitate affordable units. The City of Modesto will continue to work closely with these entities to ensure that each year as many new affordable units are developed or made available.

The City of Modesto also relies on the non-profit service sector to provide emergency shelter and transitional and special needs housing. The City of Modesto will continue to support eligible organizations and their activities with local, state and federal funding as it's made available and upon their governing entity's approval.

No additional discussion.

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction

Please see the responses below that are specific to the CDBG, HOME and ESG programs.

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed 0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.
0
3. The amount of surplus funds from urban renewal settlements 0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan 0
5. The amount of income from float-funded activities 0

Total Program Income: Refer to Annual Action Plan Budget (Project Summary)

Other CDBG Requirements

1. The amount of urgent need activities 0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan. 100.00%

HOME Investment Partnerships Program (HOME)

Reference 24 CFR 91.220(I)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

The City of Modesto does not use forms of investment within the local HOME program other than those identified in Section 92.205.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

Pursuant to 24 CFR 92.254(a)(5)(ii), the City requires that HOME funds be recaptured if the property does not continue to be the principal residence of the buyer for the duration of the Affordability Period secured by an Affordable Housing Covenant. The Recapture Provision shall apply to a HOME assisted property only when a Direct HOME Subsidy is provided to a homebuyer.

The Recapture provision will ensure that the City of Modesto recoups all or a portion of the HOME assistance to the homebuyers, if the housing does not continue to be the principal residence of the family for the duration of the affordability period.

Per, 24 CFR 92.254(a)(5)(ii)(A), In establishing recapture requirements, the City of Modesto is subject to the limitation that when the recapture requirement is triggered by a sale (voluntarily or involuntarily) of the housing unit, and there are no net proceeds or the net proceeds are insufficient to repay the HOME investment due, the City of Modesto will only recapture the net proceeds, if any. ***The net proceeds are the sales price minus superior loan repayment (other than HOME funds) and any closing costs.***

Of the recapture options described in 92.254(a)(5)(ii)(A), the City of Modesto will use a the "Shared Net Proceeds" option as outlined in 24 CFR 92.254(a)(5)(ii)(A)(3). With this option, if the net proceeds are not sufficient to recapture the entire HOME investment, the City and original homebuyer will share the net proceeds.

To calculate the amount of net proceeds (or shared appreciation) to be returned to the City the following formula will be applied:

$$\frac{\text{HOME investment}}{\text{HOME Investment} + \text{Homeowner Investment}} \times \text{Net proceeds} = \text{HOME amount to be recaptured}$$

To calculate the amount of net proceeds (or shared appreciation) to available to the homebuyer the following formula will be applied:

$$\frac{\text{HOME investment}}{\text{Direct HOME Subsidy} + \text{Homeowner Investment}} \times \text{Net proceeds} = \text{HOME amount to be recaptured}$$

Since the HOME rule limits recapture to available net proceeds, the City will only recapture what is available from net proceeds. In this case, the City is not required to repay the difference between the total direct HOME subsidy and the amount the City is able to recapture from available net proceeds

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

The same methodology outlined in question 2 above will be used to ensure affordability for any units acquired with HOME funds.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

The City does not intend to use HOME funds to refinance existing debt.

Emergency Solutions Grant (ESG)

Reference 91.220(I)(4)

1. Include written standards for providing ESG assistance (may include as attachment)

City of Modesto, in consultation with the CSOC stakeholders, developed policies and procedures for providing ESG assistance that incorporates the new and broadened components of ESG.

Standards for providing ESG homelessness prevention and rapid re-housing assistance include respectively targeting households with dependent children and persons experiencing homelessness connected to or eligible to receive (within 6 months) assistance from mainstream benefits and services.

These standards also include limiting assistance for a period of up to six (6) months and extending the period of assistance up to the maximum 18 months on a case-by-case basis.

HUD-VASH (U.S. Department of Housing and Urban Development-U.S. Department of Veterans Affairs Supportive Housing) program participants are also prioritized to receive security deposit assistance upon HUD-VASH intake.

Income qualification guidelines are no less restrictive than ESG guidelines (30% or below AMI for homelessness prevention assistance and not-applicable for rapid re-housing).

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

The CSOC is currently working on establishing a centralized and coordinated assessment system that meets HUD requirements.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

The City of Modesto consults with the CSOC Care to develop funding priorities and competitively awards ESG funding through an RFP process. This RFP process conforms to the

City of Modesto's rigorous procurement process, including public noticing and utilizing its state-of-the-art online bidding system. The funding priorities as it relates to ESG are funding emergency shelter to the maximum extent possible (up to Hold Harmless Need [HHN] limit) and prioritizing rapid re-housing higher than homelessness prevention.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The City of Modesto is unable to meet the homeless participation requirement in 24 CFR 576.405(a) due to the fact that its policy-making entity is made up of elected officials. The City of Modesto, however, works very closely with the CSOC which is made up of a representative group of diverse stakeholders, including persons experiencing homelessness and those who at one time in their lives had experienced homelessness. The City of Modesto intends to work with the CSOC and elected and appointed City of Modesto officials to develop a formal homeless participation plan that will engage persons experiencing homelessness in a meaningful way that influences homelessness-related policies, including development of funding priorities and funding allocation.

5. Describe performance standards for evaluating ESG.

The City of Modesto consulted with the CSOC and developed the following performance standard: Elimination or mitigation of barriers to stable housing. These barriers may be financial, health-related, relational, etc. CSOC stakeholders determined that post-assistance follow-up evaluation is extremely difficult to achieve.

Discussion

The City of Modesto consults closely and regularly (at least monthly) with the CSOC and its HMIS, ESG/HPRP, and SHP subcommittees, which develop policies and procedures for these programs and is taking the lead in building the service infrastructure that will be necessary to sustain a centralized or coordinated assessment system. This consultation takes the form of reports and presentations that are placed on the CSOC monthly meeting agendas.

The operation and administration of the Homeless Information Management System (HMIS) designated by the CSOC is led by the Stanislaus Housing Authority. The City of Modesto may pay the costs of contributing data to the HMIS via funding to sub-grantees or to the HMIS Lead.

The City of Modesto is member of the CSOC/HMIS Subcommittee which meets monthly to develop policies, procedures, and best practices and offers trainings developed by the developed by the HMIS Lead

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-239**

**RESOLUTION AMENDING THE FISCAL YEAR 2018-19 CITY OF
MODESTO'S ANNUAL OPERATING, MULTI-YEAR AND CAPITAL
IMPROVEMENT PROJECT BUDGETS TO REFLECT THE ALLOCATION OF
FUNDS OUTLINED IN THE PROGRAM YEAR 2018-19 ANNUAL ACTION
PLAN BUDGET PROPOSAL SUBMITTED TO THE U.S. DEPARTMENT OF
HOUSING AND URBAN DEVELOPMENT AND AUTHORIZING THE
INTERIM CITY MANAGER, OR HIS DESIGNEE, TO TAKE THE NECESSARY
STEPS TO IMPLEMENT THE PROVISIONS OF THIS RESOLUTION**

WHEREAS, each year the City of Modesto receives Community Development Block Grant (CDBG), HOME Investment Partnership Grant (HOME) and Emergency Solutions Grant (ESG) funds from the U.S. Department of Housing and Urban Development (HUD), and

WHEREAS, the CDBG and HOME grant programs also generate program income and revolving loan fund income which further fund the grant programs and are to be used under similar rules and regulations as grant funding, and

WHEREAS, HUD requires these amounts to be presented to the City Council each year in an Annual Action Plan (AAP), and

WHEREAS, funding is not always spent within a fiscal year and HUD authorizes remaining balances to be used in the following year as carryover, and

WHEREAS, actual carryover amounts are unknown to the City staff during the City's annual budget process, and

WHEREAS, according to HUD rules and regulations, substantial amendments to an AAP must be presented to the City Council for approval, while unsubstantial amendments, remaining consistent with the AAP, can be made in IDIS by City staff, and

WHEREAS, budget adjustments are necessary to revise CDBG, HOME and ESG proposed budgets included in the City of Modesto 2018-2019 Annual Operating, Multi-Year and Capital Improvement Budgets, and

WHEREAS, budget amendments performed under the authority of this resolution will be presented to the Finance Committee and the Council as part of the existing Monthly Budget Adjustment Report process, and

WHEREAS, the authority of this resolution will not be used to satisfy any HUD rules or regulations requiring information to be presented to the City Council or the public, and

WHEREAS, Staff requests to update city financial system budgets to reflect the allocation of funds outlined in the Program Year 2018-19 Annual Action Plan budget submitted to the U. S. Department of Housing and Urban Development as noted in **attachment hereto Exhibit A.**

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves an amendment to the Fiscal Year 2018-2019 annual operating, multi-year and capital improvement budgets, reflecting the allocation of funds as shown in **Exhibit A**, and incorporated herein by reference.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Madrigal, who moved its adoption, which motion being duly seconded by Councilmember Kenoyer, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The 2018-2019 Annual Action Plan is a component of the City of Modesto's 2015-2020 Consolidated Plan. The Consolidated Plan serves as the City of Modesto's strategic plan for leveraging the United States Department of Housing and Urban Development's (HUD) annual entitlement allocations of three key federal grant programs: (1) Community Development Block Grant (CDBG); (2) Emergency Solutions Grant (ESG); and (3) HOME Investment Partnerships Program (HOME). The Consolidated Plan and Annual Action Plans are multi-purpose documents which serve as: 1) planning documents, 2) an application for federal funds under HUD's formula grants programs, 3) an implementation strategy, and 4) a method to allocate funds to specific projects and activities.

The City of Modesto's Program Year (PY) 2018-2019 Annual Action Plan represents the fourth (4th) year plan of the City of Modesto's 2015-2020 Consolidated Plan. The PY 2018-2019 AAP identifies activities to be undertaken during the program year to address community priority needs. Further, the PY 2018-2019 AAP identifies the expected resources to be available and the activities to be funded along with related activity accomplishments.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The City of Modesto has identified the following areas on which to focus funds:

- Affordable Housing
- Fair Housing
- Ending Chronic Homelessness
- Public Services
- Public Facilities Improvements
- Public Improvements

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The City of Modesto funded a number of activities in the PY 2017-2018 Annual Action Plan in an attempt to address the community needs as identified in the Consolidated Plan. Through

these activities, the City of Modesto continued to take an active role in promoting and producing affordable housing, addressing the social and economic needs of low- and moderate-income individuals, and serving the special needs populations within the City of Modesto.

Program Year 2017-2018 continued to be year of transition for the City of Modesto, specifically within the Community Development Division. In PY 2017-2018 the City of Modesto's HUD Division began with a new team to administer the City's HUD programs. With the new team, the Division positioned itself to better support the community in its focus towards furthering efforts such as affordable housing, fair housing outreach and education, ending Chronic Homelessness, expanding public services, strategic infrastructure and eligible public facility improvements. During PY 2017-2018, HUD Division staff made great strides in addressing past performance related monitoring findings and concerns, meeting CDBG, ESG, and HOME timeliness expenditure deadlines; and more effectively administering the CDBG, ESG, and HOME projects in a manner that addresses the complex regulatory requirements of the activities provided by entitlement funds.

The PY 2017-2018 AAP identified housing programs funded through the CDBG and HOME activities to assist in stabilizing neighborhoods by supporting affordable housing rehabilitation and homebuyer assistance. A total of 21 households received housing rehabilitation assistance and 3 first time homebuyers were provided homebuyer loans to assist in the purchase of their first home.

Under the City of Modesto's 2017-2018 CDBG and ESG Public Service program, the City provided a total of \$361,000 to 14 non-profit agencies to deliver essential emergency and public services to extremely low to moderate income families and individuals. Collectively, it is projected that these organizations will have served over 10,000 unduplicated individuals in PY 2017-2018.

The City of Modesto monitors all sub-recipients on a regular basis through written correspondence, phone conversations, electronic information transfers, face-to-face monitoring visits (up to once per quarter), and ongoing project file reviews. Monitoring is conducted to ensure statutory and regulatory requirements are being met and that information submitted to City staff is accurate and complete.

An agreement is executed with every sub-recipient which clearly states all contractual obligations, including but not limited to, the project scope of work, performance measurement standards, reporting requirements, drawdown requirements, and applicable federal rules and regulations. This monitoring process emphasizes on-site field visits, desk audits, technical assistance, and assistance to sub-recipients to ensure a good data collection and reporting system is in place. Performance of all sub-recipient activities are tracked in various categories from appropriate use of administrative funds to verifying that outputs (numbers served) and

outcomes (how those served are better off after receiving the service) are being met for all awarded public service related activities and City projects.

4. Summary of Citizen Participation Process and consultation process
Summary from citizen participation section of plan

The City of Modesto has traditionally held a minimum of two neighborhood meetings each year in low-income census tract areas to encourage participation of low- and moderate-income persons in conjunction with the development of its Annual Action Plan and, every five years, for the development of its Consolidated Plan.

For the 2018-2019 Annual Action Plan Cycle, continued the Citizen Participation Process approach adopted in PY 2017 by targeting a minimum of one low income Census Tract Block Group within eligible City Council Districts and holding community meetings within the targeted Census Tract Block Group areas. This year, a total of ten (10) community meetings were held, and approximately 200 people attended. The meetings were held at different times and locations in an effort to accommodate the needs of low-income residents, particularly persons with Limited English Proficiency community needs (e.g. – Spanish speaking translation services were provided at four (4) of the site locations based upon need). Persons with disabilities and protected classes were also considered when choosing public meeting opportunities throughout the community.

Spanish-speaking translators were made available at all meetings. If a request for another language(s) translator was made at least five (5) working days prior to a public meeting, a translator for the requested language(s) would be provided. All community input meetings were held at public buildings accessible to disabled individuals.

To obtain community input on the development of the 2018-2019 Action Plan, staff attended meetings with local focus groups and forums discussing health services, social and fair housing services, including those focusing on services to children, elderly persons, persons with disabilities, and their families, the homeless and the chronically homeless persons. Presentations to these groups outlined the eligible uses of these funds, how the funds are currently utilized, and proposed uses.

The following is a list of community meetings that were held in low income census tract block groups and the number of attendees at each meeting:

Date	Time	Location	District/Census Track	Approximate Number of Attendees
January 11, 2018	12:00 p.m.	Citizens' Housing & Community Development Committee City/Council Administration Building 1010 Tenth Street, Room	Citywide (District 2)/Block Group 2/ Census Tract 18	6

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

See AP-12-Participation for a summary of comments received throughout the public comment period.

6. Summary of comments or views not accepted and the reasons for not accepting them

The City of Modesto considered and accepted all comments.

7. Summary

See AP-12-Participation for a summary of comments received throughout the public comment period.

PR-05 Lead & Responsible Agencies – 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

Describe the agency/entity responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
CDBG Administrator	MODESTO	Community & Economic Development Department
HOME Administrator	MODESTO	Community & Economic Development Department
ESG Administrator	MODESTO	Community & Economic Development Department

Table 1 – Responsible Agencies

Narrative

The City of Modesto is the lead agency responsible for preparation of the 2015-2020 Consolidated Plan and related Annual Action Plans and for administration of each grant program and its associated funding source(s). Primary oversight of the City of Modesto’s HUD entitlement grant programs comes from the Citizens’ Housing and Community Development Committee (CH&CDC). The CH&CDC is an 11-member committee appointed by the Modesto City Council and is comprised of representatives from the Modesto City Council, Planning Commission, Housing Rehabilitation Loan Committee, Human Relations Commission and several citizens-at-large. Generally, the citizens-at-large represent low-income and racial minority groups. The CH&CDC makes funding recommendations to the City of Modesto Council regarding CDBG, ESG and HOME grant programs as well as other one-time HUD-funded programs.

To avoid a perceived conflict of interest, any individual who is a member of a board of directors or is employed by an agency that applies for or receives CDBG, ESG, HOME, or other HUD funding, is ineligible to vote on funding decisions involving their respective agencies.

Generally, the CH&CDC meets once a month. These meetings are publicly noticed, open to the public and are typically held at Tenth Street Place, 1010 Tenth Street, Modesto, California. Public comments are both encouraged and welcomed. At least one (1) meeting is scheduled during the public comment period for the development of, or substantial amendment to, the City of Modesto's Annual Action Plan, Consolidated Plan, Annual Action Plan and Analysis of Impediments as well as the City of Modesto's Consolidated Annual Performance and Evaluation Report (CAPER).

Consolidated Plan Public Contact Information

The following are several ways in which an interested party can contact the City of Modesto staff with comments regarding the City of Modesto's PY 2018-2019 Annual Action Plan:

- Telephone: (209) 577-5211
- Hearing Impaired Dial the California Relay Service Number: Dial 711, and then ask for 209-577-5211
- Email: housing@modestogov.com
- In person: City of Modesto, Community & Economic Development Department 1010 Tenth Street, 3rd Floor, Modesto, California, 95354
- Mail: City of Modesto, Community & Economic Development Department Community Development Division, P.O. Box 642, Modesto, California 95353

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

Two objectives of the City of Modesto's 2015-2020 Consolidated Plan are to 1) promote citizen participation in the development of local priority needs and objectives and 2) encourage consultation with public and private agencies to identify shared needs and solutions to persistent community problems.

The City of Modesto invites the community to provide input on the ways in which grant funds received from HUD are spent. The City of Modesto Citizen's Participation Plan outlines the ways the City of Modesto communicates with residents regarding the use and expenditure of HUD funds.

The City of Modesto continues to review and improve its delivery system by streamlining internal processes, enhancing coordination among departments and fostering collaborative working relationships with its sub-recipients and Community Housing Development Organizations (CHDOs). A few examples include:

- Memorandums of Understanding (MOUs). Staff and participating departments enter into MOUs to clearly delineate program goals and reporting requirements for each of the participating departments.
- Bi-weekly Meetings. The Housing and Urban Development Supervisor and key staff members meet bi-weekly to discuss the status of existing and future HUD-funded projects develop work plans and reporting requirements and plan for upcoming meetings.
- Intra/Interdepartmental Coordination. The Housing and Urban Development Supervisor works with the Planning Division to assist with the update of the City of Modesto's Housing Element, specifically focusing on the sections dealing with multi-family housing, affordable housing and HUD-funded housing programs and their effectiveness. Also, staff and Finance Department staff meets monthly to review various financial and reporting matters related to HUD-funded programs. Additionally, staff coordinates with various departments to ensure that capital improvement projects are on schedule and that invoices are paid in a timely manner.
- Community/Stanislaus Community System of Care (CSOC)/Continuum of Care (CoC). On a regular basis, staff collaborates with the following organizations: the CSOC; the Airport Neighborhood Collaborative, the West Modesto/King-Kennedy Neighborhood Collaborative; United Way Impact Councils on Building Strong Neighborhoods.
- Sub-recipient and CHDO Outreach staff is proactively contacting its sub-recipients and CHDOs to keep them apprised of upcoming training opportunities, changes in HUD requirements, etc. Staff is also looking to schedule regular meetings with its CHDOs to discuss the status of existing and future projects.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The PY 2018-2019 Annual Action Plan was prepared with oversight and direction from the CH&CDC. The City of Modesto conducted the following consultation efforts during the development of the PY 2018-2019 AAP:

- Consulted with key stakeholders, including representatives of the Housing Authority of Stanislaus County; non-profit organizations that provide housing services, facilities, and/or services to low- and moderate-income residents, the Focus on Prevention Stewardship Council, and neighborhood organizations.
- Consulted with the general public through workshops and public hearings.
- Attended and participated in monthly meetings held by the CSOC. Attended and participated in ongoing meetings related to the Focus on Prevention Initiative to coordinate services throughout the County.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

HUD charges communities that receive funds under the Continuum of Care (CoC) Program of the Homeless Emergency Assistance and Rapid Transition to Housing Act (HEARTH) with specific responsibilities. Until 2017, the Housing Authority of the County of Stanislaus had been the "lead applicant" for the local CoC and the coordinating body recognized by HUD and, in its 20-year history, as the CoC's lead applicant brought in over \$100 million in resources to the region. On March 9, 2017, the CoC membership voted to have the City of Modesto become the "lead applicant"; starting with Fiscal Year 2017-2018 CoC funding.

As of 2017, the CoC is locally recognized as the Stanislaus County Community System of Care (CSOC). The CoC continues to meet on a monthly basis to identify gaps and issues for the homeless and those at risk of becoming homeless. The CoC meetings are public meetings in which the community's service providers and stakeholders are welcome to attend and to provide emergency shelter and rapid re-housing service providers an opportunity to provide comment and feedback. City staff regularly attends and participates in the CoC meetings, the City consults with the CoC to develop coordinated plans and strategies to leverage resource and align local goals, objectives, and performance measures. Announcements of CDBG and ESG funding opportunities are routinely advertised at the CoC meetings and distributed via e-mail to CoC participants.

A stakeholders meeting was held on May 17, 2018, at a regularly scheduled CSOC. The meeting was held at the Modesto Library 1500 I Street, Modesto, CA 95354. The CSOC membership is consulted every year during the preparation of the Annual Action Plan. The following is a non-exhaustive list of members of the CSOC:

- Housing Authority of the County of Stanislaus (HACS);
- Haven's Women's Center;
- Behavioral Health and Recovery Services (BHRS);
- St. Vincent DePaul;
- Stanislaus County;
- Community Impact Central Valley (CICV);
- West Modesto King Kennedy Neighborhood Collaborative;
- Community Volunteers;
- Turning Point Community Programs;
- One Church Modesto;
- TPCP Housing;

We Care Program;
San Joaquin Valley Veterans;
Health Plan of San Joaquin (HPSJ);
Disability Resource Agency for Independent Living (DRAIL);
City of Modesto;
City of Turlock;
Salvation Army Berberian Shelter;
Community Services Agency (CSA);
Parent Resource Center;
United Way/211;
Ceres Unified School District;
United Samaritans Foundation;
Project Sentinel;
Stanislaus County Probation;
Modesto Gospel Mission;
Sherriff Department;
Children's Crisis Center;
Opportunity Stanislaus;
Telecare;
NAMI – National Alliance on Mental Illness;
Homeless Community Member;
Family Promise;
Center for Human Services;
Aegis Treatment Center;
Habitat for Humanity.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Consultation with the Stanislaus Community System of Care (CSOC) assists the City of Modesto in allocating and coordinating the prioritization and use of ESG funds with local

needs. Through this process the City of Modesto is able to design programs and activities that are consistent with applicable federal and local standards and to distribute its funds efficiently.

The CSOC contributes by setting up the criteria for homeless programs outcomes during its contract period. The City of Modesto’s consultations with the CSOC allows an open discussion on how to establish performance measures that benefit the City of Modesto. This allows the City of Modesto’s CH&CDC and its City Council to be informed of the standards that ESG funds demand and best practice outcomes. These goals are then incorporated when contracting with sub-recipients. The City of Modesto and the CoC, in collaboration with other local HUD entitlement jurisdictions, work together to operate the Homeless Management Information System (HMIS). The HMIS is mandated by HUD and is essential for the coordination of services and the development of public policy. Analysis of information gathered through the HMIS is critical to the preparation of periodic reporting on homelessness and identifies the needs for services in the City of Modesto.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction’s consultations with housing, social service agencies and other entities

Table 1 – Agencies, groups, organizations who participated

1	Agency/Group/Organization	Housing Authority of the County of Stanislaus

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation

Summarize citizen participation process and how it impacted goal-setting

The public comment period was held from March 8, 2018 through June 12, 2018. Prior to the public comment period, a number of meetings were also held to inform community groups of the upcoming draft Annual Action Plan (AAP) and the programs offered by the various programs covered under the AAP. Comments received at meetings held prior and during the public comment period were considered for goal setting.

The following is a list of meetings that were held prior and during the public comment period. A summary any comments received during each meeting is included.

Citizen Participation Outreach						
	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	Attendees
1	West Modesto King Kennedy Collaborative 2/21/18			Community members requested for HOME funded infill projects, and for City staff to consider a rent-to-own option for low-income working residents; It was also requested that funds be continued at a Federal Level to be provided to local communities, so essential programs, such as HAVEN's Womens Center will still be available. Without these funds essential services will not be available for low-income residents living in Modesto (increasing instances of homelessness. The Community was interested in the EDA Grant and Opportunity Stanislaus partnership to provide electronic trade retooling opportunities for residents looking for a new line of work.	All comments were accepted.	15

2	Robertson Road Elementary Community Meeting – 2/23/18			Community members were receptive to the presentation; they requested that city staff should implement the rent-to- own option for the low income working residents. There were many questions asked regarding the First Time Homebuyers Program, Community Members were receptive to the information and were glad applications were made available for them.		17
4	CH&CDC Meeting – 3/8/2018			No comments received.		3
5	Airport Neighborhood Collaborative – 3/12/18			Staff provided a presentation related to the FY 2018-2019 Annual Action Plan and Amendment #1 to the FY 2017-2018 Annual Action Plan. No comments were received. Staff also provided an update related to the Airport Neighborhood Capacity Building partnership between the City of Modesto HUD Division and Center for Human Services. Meeting participants are excited about this project		20

6	Orchard Park Neighborhood Alliance Meeting – 2/22/18			<p>Community members asked about the federal impact to the CDBG budget. Staff informed community members that the preliminary federal budget did not include CDBG or HOME funding, but the final budget is subject to Congress approval. Staff will provide a follow up update to the Community in August. Staff also provided an update on the local Access Center project. One community member suggested an affordable housing idea related to the use of shipping containers as housing units; staff indicated we would check with the Planning Department for feasibility.</p>		15
---	--	--	--	---	--	----

7	Delwood Neighborhood Alliance Meeting – 3/26/2018			Inquiry about eligibility of ADA Curb Cuts on the corner of Tully & Del Monte? Also, concerns about standing water in this area. Staff shared utilization of the Modesto Go Application to submit these inquiries to have them addressed. The group was encouraged by the work done by the Homeless Public Services providers in the community and how important the CDBG and HESG funds are to support these efforts.		18
8	Airport Neighborhood Community Chats 4/13/18			Staff provided a presentation related to the FY 2018-2019 Annual Action Plan. No comments were received. Staff also provided an update related to the Airport Neighborhood Capacity Building partnership between the City of Modesto HUD Division and Center for Human Services. Meeting participants are excited about this project.		19

9	Shackelford Elementary School 4/27/18			Inquiry about eligibility to the water and sewer Connection Program, as one particular member lived in a property that had no connection as of yet. Provided contact information to Yesenia Carrasco. Community members requested further clarification as to where the CDBG federal funding was allocated to and staff introduced some of the Public Services and reason for need. They were pleased that such needed help was tended to.		16
10	Stanislaus County System of Care (CoC)			No Comments Received		60

Expected Resources

AP-15 Expected Resources – 91.220(c) (1, 2)

Introduction

- Funds covered under the Consolidated Plan: CDBG, HOME and ESG;
- Funds provided under other HUD programs, the Department of Commerce, the Federal Emergency Management Agency, and other federal agencies;
- Funds provided under various programs of the California Department of Housing and Community Development and the California Housing Finance Agency;
- State and federal tax credits and mortgage credit certificates;
- Tax exempt bond proceeds;
- The City of Modesto's General Fund; and
- Private industry sources such as the Federal Home Loan Bank Board's Affordable Housing Program.

During Program Year 2018-2019, the City of Modesto will receive approximately \$2,003,752 of Community Development Block Grant (CDBG) program funds, \$992,925 of HOME Investment Partnerships (HOME) Program funds, and \$164,535 of Emergency Solutions Grant (ESG) funds. The table below is a summary of expected resources in PY 2018-2019.

Priority Table

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Reminder of ConPlan \$	Narrative Description
			Annual Allocation : \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public - federal	Acquisition and Planning Economic Development Housing Public Improvements Public Services	\$2,003,752	\$809,655	\$2,786,284	\$5,599,691	\$1,825,650	Expected Uses: Program Administration ; Public Services; Housing Programs; Fair Housing Enforcement ;Public Facility Improvements Eligible ADA Improvements Homeless Services Activities

Priority Table

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Reminder of ConPlan \$	Narrative Description
			Annual Allocation : \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
HOME	public - federal	Acquisition Homebuyer assistance Homeowner rehab Multifamily rental new construction Multifamily rental rehab New construction for ownership TBRA	\$992,925	\$224,724	\$1,997,137	\$3,500,864	\$614,522	Expected Uses: Homebuyer Assistance Owner Occupied Housing Rehabilitation Rental Housing Rehabilitation Rental Housing New Construction
ESG	public - federal	Conversion and rehab for transitional housing Financial Assistance Overnight shelter Rapid re-housing (rental assistance) Rental Assistance Services Transitional housing	\$164,535	\$0.00	\$0.00	\$164,535	\$169,421	Expected Uses: Homeless Services Homeless Prevention Rapid Re-Housing

Table 2 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Leverage, in the context of the City of Modesto's three HUD programs, means bringing local, state, and federal financial resources to maximize the impact of the City's HUD funded programs. Leverage is also a way to increase project efficiencies and benefit from economies of scale that often come with combining sources of funding for similar scopes. HUD encourages the City of Modesto to demonstrate that efforts are being made to strategically leverage additional funds in order to achieve greater results. HUD funds will be considered leveraged if financial commitments toward the costs of a project from a source, other than the originating HUD source, are documented.

The City of Modesto tracks leverage amounts from all CDBG and ESG public service sub-recipients via the ZoomGrants software reporting/invoicing system. Public Service sub-recipients are required to submit leverage amounts with supporting documentation as part of the City of Modesto's quarterly monitoring reviews. The City of Modesto uses this data for its HUD reports in IDIS.

HOME – 25% Match Requirement

The 25% HOME match requirements are met through the contributions or layers of funds that the developers provide for each HOME -assisted project. The match includes private financing, waiver or deferral of development fees approved by the Modesto City Council, Tax Credit Allocations, and any other eligible source.

ESG – 100% Match Requirement

For the ESG program, the City of Modesto requires that ESG sub-recipients provide a dollar-for-dollar match for ESG funds received. Typically, the City of Modesto is able to generate significantly more match than the amount required for ESG activities primarily through the cash and non-cash contributions provided by ESG sub-recipients as a result of the generosity of their donors, supporters, and other funders. As part of the ESG monitoring process, ESG sub-recipients submit reimbursement requests; invoices and accompanying receipts are reviewed for reimbursement eligibility. Sub-recipients are required to submit dollar-for-dollar match verification with each reimbursement request and City of Modesto reimbursement is conducted after match verification documentation is satisfied.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Modesto is reviewing its inventory of City owned properties to determine best use for the coming AAP. The intent is to transfer eligible units to non-profit organizations that could, rent the units to low income households or rehabilitate the units and sell them to a low income households. Additionally, the City of Modesto, as the successor housing entity to the former Redevelopment Agency of the City of Modesto, owns a parcel that will be utilized to develop 74 affordable housing units for low and very low income households. The City is

currently partnering with EAH, an affordable housing non-profit developer, to support its efforts to leverage HOME funding dollars with tax credits, which will allow for project development in the coming years.

Discussion

No additional discussion.

Annual Goals and Objectives

AP-20 Annual Goals and Objectives - 91.420, 91.220(c)(3)&(e)

Goals Summary Information

No Goals Found

Sort Order	Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator
1	Rental Housing Construction	2015	2019	Affordable Housing		H-1 Increase affordable rental housing		Rental units constructed: 4 Household Housing Unit

Table 3 – Goals Summary

Goal Description

1	Goal Name	Rental Housing Construction
	Goal Description	Construction of 4 rental housing units (STANCO, CICV, GVHDC).
2	Goal Name	Homebuyer Assistance
	Goal Description	Provide direct financial assistance 5 households through the Homebuyer Assistance Program.
3	Goal Name	Housing Preservation
	Goal Description	Provide financial assistance to local affordable housing developers (STANCO, CICV, GVHDC) to preserve rental housing units via rehabilitation of such units.
4	Goal Name	Housing Rehabilitation Program
	Goal Description	Provide financial assistance to 24 owner occupied households for housing rehabilitation assistance for the purpose of preserving existing affordable housing.
5	Goal Name	Fair Housing Services and Education
	Goal Description	Contract with a fair housing service provider to provide fair housing services to City of Modesto residents. Number of Fair Housing Cases investigated: 5
6	Goal Name	Emergency Shelter Beds
	Goal Description	Provide ESG funds to non-profit homeless service providers: Assist 650 unduplicated individuals with emergency shelter.
7	Goal Name	Supportive Services - Homeless
	Goal Description	Homeless Prevention Services: Provide ESG funds to non-profit homeless service providers. Assist 10 households with homeless prevention services (CHSS/Family Promise).
8	Goal Name	Supportive Housing Services
	Goal Description	Rapid Rehousing Services: Provide ESG funds to non-profit service providers to provide rapid rehousing services (CHSS/Family Promise).
9	Goal Name	HMIS Implementation
	Goal Description	Continue enforcing HMIS program implementation by all ESG sub-recipients; coordinated entry/case management.

10	Goal Name	Services - Anti-poverty
	Goal Description	Section 3 jobs created. Minimum of 2 jobs created via CDBG/ESG public services and/or Economic Development programs.
11	Goal Name	Independent Living Services
	Goal Description	Provide independent living services to people with disabilities: 4 ADA compliant ramps or lifts.
12	Goal Name	Public Improvements - Accessibility
	Goal Description	Conduct public improvements to enhance ADA accessibility:
13	Goal Name	Street Paving
	Goal Description	Public Facilities/Infrastructure Improvements: Conduct infrastructure improvement projects within HUD designated low income block groups.

Table 7 – Goal Descriptions

Estimate the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined by HOME 91.215(b):

All assistance will be provided to households at or below 80% of the AMI.

AP-35 Projects – 91.220(d)

Introduction

The activities to be undertaken during Program Year 2018-2019 are summarized below.

#	Project Name
1	CDBG: FY 2018-2019 CDBG PLANNING & ADMINISTRATION

Table 8 – Project Information

* Prior Year Activity (funded with prior year funds). Activity description listed in prior year Annual Action Plan. May include additional 2018 funds.

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City of Modesto is located within Stanislaus County, in Northern California. The attached maps show the census tracts that will be the focus of assistance during the program year and subsequent Consolidated Plan program years. The first map (Map #1) shows the low-income Census Block Groups within the City of Modesto where median household incomes are below 80% of the area’s median income. The second map (Map #2) shows the areas of minority concentration for those who identified themselves as Hispanic, Black-African/American, Asian, and American Indian/Alaskan Native.

The Census Tract is defined as an area of minority concentration if 51 percent (51%) or more of the households in a given Census Tract qualify as low- or moderate-income, or 51 percent or more of the population are members of minority groups. Nine Census Tracts mainly located along Highway 99 and surrounding downtown Modesto, have low- or moderate-income concentrations. Fourteen Census Tracts, including most of the Census Tracts west of Highway 99 and a couple other tracts on the edges of the City of Modesto limits, have minority concentrations.

In the funding of all projects, and in providing assistance to all beneficiaries, the City of Modesto will ensure that:

- * Documentation of the low- and moderate-income status of individuals/households is collected, or
- * The project designated as a “project area benefit” has a population of at least 51% of the residents are low-and moderate-income, or
- * A slum and blight project meets the criteria for such projects.

The availability of funding from both federal and State sources is a key determinant of the City of Modesto’s ability to address identified needs. To make the most of limited resources, the City of Modesto has formed partnerships with a variety of governmental, non-profit, and service agencies to combine resources to implement programs related to housing and community development needs.

There is also a tremendous need for affordable housing including rental and homeownership units. In an attempt to address affordable housing needs, the City of Modesto utilizes HOME funds for the development of housing units, and CDBG funds for homebuyer assistance loans as well as to assist existing eligible homeowners with housing rehabilitation loans.

A major local obstacle to low-income residents is the lack of affordable housing. The average assistance needed to provide low-income families the opportunity to become a homeowner is

\$136,870; for rental housing development the average amount of total development costs needed to create an affordable rental unit is \$149,038. The average rehabilitation cost per unit of \$50,311 is necessary to prevent homelessness for low-income individuals currently maintaining housing.

Projects

AP-38 Projects Summary

Project Summary Information

1	Project Name	CDBG: FY 2018-2019 CDBG PLANNING & ADMINISTRATION
	Target Area	N/A
	Goals Supported	N/A
	Needs Addressed	N/A
	Funding	CDBG: \$400,750 (2018)
	Description	This project will fund administrative expenses related to the planning and administration of CDBG projects and activities including but not limited to development of HUD plans, contract development, project monitoring, and enforcement of federal regulations.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	1010 10th Street, Modesto CA 95354
	Planned Activities	Program Administration.
2	Project Name	CDBG: AFFORDABLE HOUSING - SMALL HOMES INFILL PROJECTS
	Target Area	
	Goals Supported	Rental Housing Construction
	Needs Addressed	H-1 Increase affordable rental housing HM-3 Provide permanent supportive housing HM-4 Prevent Homelessness for those at Risk
	Funding	CDBG: \$300,000 (Projected Program Income)
	Description	Small modular home scattered site infill projects. Units will be approximately 620 square feet in size. Funds will assist with unit acquisition and subsequent lease for residential purposes 24 CFR 570.201 (a) and (b).

	Target Date	6/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	1 person below 80% AMI.
	Location Description	Scattered Site.
	Planned Activities	Affordable housing / Infill projects
3	Project Name	CDBG: ADA RAMPS AND CURB CUTS PROJECTS
	Target Area	
	Goals Supported	Public Improvements - Accessibility
	Needs Addressed	CD-4 Fund ADA Improvement in the City
	Funding	CDBG: \$181,665
	Description	Conduct ADA ramps, curb cut, and sidewalk improvement projects in eligible low/mod areas.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	100 persons at or below 80% AMI.
	Location Description	
	Planned Activities	ADA ramps, curb cut, and sidewalk improvement projects
4	Project Name	CDBG: 2018 HOUSING REHAB ADMINISTRATION/ACTIVITY DELIVERY (14H)
	Target Area	
	Goals Supported	Housing Rehabilitation Program
	Needs Addressed	H-3 Preserve Existing Affordable Housing
	Funding	CDBG: \$553,590 (\$147,210 = Projected Program Income)
	Description	Activity delivery costs related to carrying out housing rehabilitation activities (rental and owner occupied). Examples include appraisal, architectural, engineering, and other professional services; preparation of work specifications and work write-ups; loan processing; survey, site and utility plans; application processing; and other fees.
	Target Date	6/30/2019

	Estimate the number and type of families that will benefit from the proposed activities	City staff will facilitate housing rehabilitation projects for 24 eligible households at or below 80% of the Area Median Income.
	Location Description	Citywide/Low Income Census Tracts.
	Planned Activities	Owner Occupied Housing Rehabilitation Activity Delivery.
5	Project Name	CDBG: ECONOMIC DEVELOPMENT - REAL PROPERTY EQUIPMENT/IMPROVEMENTS
	Target Area	
	Goals Supported	Services - Anti-poverty
	Needs Addressed	CD-2 Promote Economic Development Activit
	Funding	CDBG: \$50,000
	Description	The City of Modesto will provide CDBG funds to leverage an Economic Development Administration (EDA), U.S. Department of Commerce (DOC) grant in partnership with Opportunity Stanislaus Valley Occupational and Learning Technical Institute (VOLT) program. CDBG funds will be utilized for Real property equipment and improvements. VOLT offers fast paced training for high-wage in-demand careers.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	This activity will provide training opportunities to 2 individuals at or below 80% of the AMI.
	Location Description	1010 10th St, #1400, Modesto CA 95354
	Planned Activities	Economic Development Job Training
6	Project Name	CDBG: (21H) - PROJECT BASED ACTIVITY DELIVERY - CDBG FUNDING FOR HOME ADMIN
	Target Area	
	Goals Supported	Rental Housing Construction Housing Preservation
	Needs Addressed	H-1 Increase affordable rental housing
	Funding	CDBG: \$150,000
	Description	Activity delivery for HOME funded projects to be covered by CDBG funds when HOME admin/activity delivery amounts are exhausted.
	Target Date	6/30/2019

	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	1010 10th ST, MODESTO CA 95354
	Planned Activities	PROJECT BASED ACTIVITY DELIVERY - CDBG FUNDING FOR HOME ADMIN.
7	Project Name	CDBG: PUBLIC FACILITIES/INFRASTRUCTURE IMPROVEMENTS
	Target Area	
	Goals Supported	Public Improvements - Accessibility
	Needs Addressed	CD-4 Fund ADA Improvement in the City
	Funding	CDBG: \$150,000
	Description	Infrastructure activities to include ADA curb cut and sidewalk improvements in LMA eligible areas that are primarily residential and are currently missing such improvements.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	50 persons at or below 80% AMI.
	Location Description	Scattered sites.
	Planned Activities	ADA curb cut and sidewalk improvements in LMA eligible areas
8	Project Name	CDBG: AFFORDABLE HOUSING - RENTAL HOUSING REHABILITATION
	Target Area	
	Goals Supported	Rental Housing Construction
	Needs Addressed	H-1 Increase affordable rental housing
	Funding	CDBG: \$761,342 (\$457,737 RLF funds; \$53,605 CDBG P.I.; \$250,000 NSP P.I.)
	Description	Address the "Affordable Housing" priority/focus area of the Con Plan by partnering with local affordable housing developers to creating affordable housing opportunities for low income households. Refer to Goal #1 and #3. Rehabilitation of 4 rental housing units.
	Target Date	6/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	4 Families at or below 80% of the AMI.

	Location Description	Citywide; Low Income Census Tracts
	Planned Activities	Rental Housing Rehabilitation
9	Project Name	CDBG: AFFORDABLE HOUSING - OWNER OCCUPIED HOUSING REHABILITATION
	Target Area	
	Goals Supported	Housing Rehabilitation Program
	Needs Addressed	H-3 Preserve Existing Affordable Housing
	Funding	CDBG: \$724,154 (\$505,314 RLF funds; \$26,395 CDBG P.I.; 12,445 NSP P.I.)
	Description	Address the "Affordable Housing" priority/focus area of the Con Plan by providing direct financial assistance eligible households through the Housing Rehabilitation Program. Refer to Goal #4
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	24 households at or below 80% of the AMI.
	Location Description	Citywide; Low Income Census Tracts.
	Planned Activities	Owner Occupied Housing Rehabilitation.
10	Project Name	CDBG: SECTION 108 LOAN REPAYMENT FY 2018-2019
	Target Area	N/A
	Goals Supported	N/A
	Needs Addressed	N/A
	Funding	CDBG: \$302,003
	Description	Planned repayment of Section 108 Loan Principal.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	N/A
	Planned Activities	Repayment of Section 108 Loan
11	Project Name	PS-18 ADVOCATES FOR JUSTICE - SEAT
	Target Area	
	Goals Supported	Services - Anti-poverty

	Needs Addressed	CD-3 Provide Public Services for Residents
	Funding	CDBG: \$22,899
	Description	The Student Education Advocacy Team is a unique one-of-a-kind program that ensures kids have a "seat" in the classroom rather than the courtroom. SEAT will consist of an advocacy team that adopts a mentoring and tutoring approach. The team consist of an expert team of volunteers and advocates. The team works directly with students and their families, may represent students at disciplinary proceedings and trains parents and family members and community members how to advocate effectively for their children. The purpose of SEAT is to substantially reduce suspensions and expulsions in Modesto City Schools, to eliminate disparities in education, and to put an end to the school to prison pipeline in our community through research and evidence based practices. A goal of SEAT is to improve educational outcomes for all students, especially those students in jeopardy of suspension or expulsion.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	50 unduplicated youth at or below 80% of AMI.
	Location Description	608 Spencer Ave, Modesto Ca. 95351
	Planned Activities	SEAT will consist of an advocacy team that adopts a mentoring and tutoring approach.
12	Project Name	PS-18 CENTER FOR HUMAN SERVICES - PATHWAYS
	Target Area	
	Goals Supported	Services - Anti-poverty
	Needs Addressed	CD-3 Provide Public Services for Residents
	Funding	CDBG: \$27,000

	Description	Pathways is a 16 bed transitional housing program that addresses the need for shelter and support services for homeless youth 18 to 21 years of age. Shelter is provided up to 21 months. This project addresses the City of Modesto Five-Year Consolidated Plan, 2015-2020 priority of transitional housing, particularly for an at- risk population. (HM 2 and 4).Using a positive youth development and trauma informed approach, Pathways promotes the social and emotional well being of the young people it serves. Program goals for youth served at Pathways are: obtaining employment, leaving to stable housing and having supportive relationships. Additional support services available to youth include: basic life, interpersonal and job acquisition and maintenance skills training, assistance with obtaining medical care and advancing educational opportunities, service learning opportunities, recreation, referral and after care services.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	25 low income youth at or below 80% AMI.
	Location Description	608 E. Granger Avenue, Unit 25, Modesto, CA 95350
	Planned Activities	Housing services for youth experiencing homelessness.
13	Project Name	PS-18 CHILDREN'S CRISIS CENTER - AUDREY'S HOUSE
	Target Area	
	Goals Supported	Services - Anti-poverty
	Needs Addressed	CD-3 Provide Public Services for Residents
	Funding	CDBG: \$23,100
	Description	Audrey's house provides emergency child care, shelter, meals, crisis intervention and specialized prevention services to a disadvantaged population of high-risk infants, toddlers, preschool and young school-age children living in Modesto. This project will provide essential care services to an impoverished population of children, growing up in families afflicted by generational abuse, domestic violence, extreme poverty, substance abuse, mental illness or homelessness. These children will be from high risk families living in very low to moderate low income households (below 80% of the area median income), enduring various social and economic difficulties. They will have experienced traumas stemming from exposure to family conflict and crisis.
	Target Date	6/30/2019

	Estimate the number and type of families that will benefit from the proposed activities	111 youth served at or below 80% AMI
	Location Description	141 Kimble Street Modesto CA
	Planned Activities	Crisis intervention, counseling, meals, crisis management, case services.
14	Project Name	PS-18 COURT APPOINTED SPECIAL ADVOCATES - CASA DIRECT SERVICES
	Target Area	
	Goals Supported	
	Needs Addressed	CD-3 Provide Public Services for Residents
	Funding	CDBG: \$28,200
	Description	This project will provide coordinated case management to address the needs of dependent youth in the foster care system. CASA is a program that significantly meets the needs of 'at-risk' youth. Our services directly benefit a vulnerable presumed benefit' population (children by definition are not in control of their resources and all of the youth in foster care, regardless of age, often live in very modest to poor conditions). The advocate works with everyone involved and makes independent, informed recommendations on the child's behalf directly to the Judge who makes all orders regarding the case. The dedication of CASA volunteers allows judges to ensure successful outcomes for children. For many abused children, their CASA volunteer will be the one constant adult presence in their lives. Independent research has demonstrated that children with a CASA volunteer who have a chance at either reunification with their family or an opportunity to be adopted are substantially less likely to spend time in long-term foster care and less likely to reenter care.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	30 foster youth at or below 80% AMI
	Location Description	801 11th Street, 3rd Floor, Modesto, CA 95354
	Planned Activities	
15	Project Name	PS-18 HAVEN WOMEN'S CENTER - DOMESTIC VIOLENCE SHELTER
	Target Area	
	Goals Supported	Independent Living Services
	Needs Addressed	CD-3 Provide Public Services for Residents
	Funding	CDBG: \$25,599

	Description	Haven Womens Center (Haven) offers a variety of supportive services to individuals and families impacted by domestic violence, sexual assault, and human trafficking. Haven operates the only confidential domestic violence shelter in Stanislaus County. Victims fleeing abuse, who are homeless or imminently homeless, are eligible for up to six weeks of shelter. Available services include 24 hour crisis intervention and safety planning, peer counseling, legal advocacy, and support groups for adults and children affected by trauma. Many survivors come to the shelter with little or no personal belongings. Haven uses a combination of grant funds and community donations to provide necessities for participants including food, clothing, bedding, toiletries, diapers and other baby care items.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	140 unduplicated individuals at or below 80% AMI.
	Location Description	Haven Women's Center Emergency Shelter is identified as a confidential domestic violence shelter as defined in the California's Welfare and Institutions Code 18301. The location of the shelter is confidential in accordance with California Penal Code 273.7.
	Planned Activities	Services to DV victims.
16	Project Name	PS-18 PARENT RESOURCE CENTER - CONNECTING FAMILIES
	Target Area	
	Goals Supported	Services - Anti-poverty
	Needs Addressed	CD-3 Provide Public Services for Residents
	Funding	CDBG: \$21,999
	Description	The Parent Resource Center (PRC) will offer Connecting Families, a 12-week co-ed parenting education program offered in multiple sessions throughout the year in English and Spanish, through partnership with the Modesto Gospel Mission, Community Housing and Shelter Services, and other partners. The program will utilize the Nurturing Parenting Program developed by Dr. Stephen J. Bavolek and will be enhanced with life skills education from partnering agencies. This program has been used successfully by PRC for over 12 years, and the life skills that supplement it have seen success with PRC's past implementation of the program. The core curriculum's goal is to stop the inter-generational cycle of child abuse and reduce recidivism in families receiving social services. The curriculum is trauma informed, evidence-based, centered on the family, and designed to build nurturing parenting skills.

	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	140 individuals at or below 80% AMI
	Location Description	Parent Resource Center: 811 5th St. Modesto, CA 95350 Modesto Gospel Mission: 1400 Yosemite Blvd, Modesto, CA 95354 (part of collaborative effort)
	Planned Activities	Parenting education to young parents.
17	Project Name	PS-18 UNITED SAMARITANS - DAILY BREAD MOBILE LUNCH
	Target Area	
	Goals Supported	Services - Anti-poverty
	Needs Addressed	CD-3 Provide Public Services for Residents
	Funding	CDBG: \$25,700
	Description	Daily Bread Mobile Lunch Program delivers nutritious meals directly into the neighborhoods where extremely low, very low, low income, and, homeless individuals reside. The program ensures those individuals living in these neighborhoods have access to at least one nutritious meal a day, five days a week, 52 weeks a year. During the week we provide as many EXTRAS (milk, juice, bread, eggs, dairy, produce, etc) as we have available to supplement their diet with higher nutrition foods. Delivering these meals and extras directly into neighborhoods affords us the opportunity to provide information on supportive services available to these residents. These referrals, along with USF's outreach worker add to the long-term success of our clients.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	480 unduplicated individuals at or below 80% AMI.

	Location Description	<p>1416 Maze Blvd (Modesto kitchen facility)</p> <p>1st stop: Beardbrook Park</p> <p>2nd stop: Mono Park</p> <p>3rd stop: 9th and D Street - Berberian Shelter - Salvation Army</p> <p>4th stop: Oregon Park</p> <p>5th stop: 4th Street Park</p> <p>6th stop: James Marshall Park</p> <p>7th stop: Robertson Road Park</p> <p>8th stop: Riverdale Road (not within Modesto incorporated limits but is on the route)</p> <p>9th stop: Boys and Girls Club @ King-Kennedy Center in Mellis Park</p>
	Planned Activities	Mobile Lunch Program.
18	Project Name	PS/FH - PROJECT SENTINEL - 2018-2019 FAIR HOUSING PROGRAM
	Target Area	
	Goals Supported	Fair Housing Services and Education
	Needs Addressed	H-4 Continue to Support Fair Housing.
	Funding	CDBG: \$25,000

<p>Description</p>	<p>Project Sentinel will enable people to resolve housing problems. By providing fair housing services, the project will also assist the City of Modesto to affirmatively further fair housing by combating housing discrimination and promoting diverse and inclusive communities.</p> <p>Outreach: Project Sentinel will inform the general public of the available fair housing services through educational brochures, radio and TV PSA's, and print and social media. Education: Project Sentinel will provide one-on-one counseling and group workshops for housing providers, consumers and social service agencies to educate them about fair housing law. Project Sentinel will also provide specialized workshops low income veterans, immigrants especially those with limited English proficiency, those with disabilities, and families with children. Housing providers will learn how to comply with fair housing law while conducting residential rental business. Housing consumers will learn how to recognize fair housing violations and how to secure assistance. Social service agencies will learn to recognize and effectively refer fair housing violations. Audit and Complaint Investigations: Fair housing coordinators investigate complaints through testing, interviews, surveys, and document review. When there is evidence of a violation, the complainant is given a range of options: educate the person causing the violation, conciliate/mediate the complaint, refer the complainant to HUD, DFEH or to an attorney for enforcement. Project Sentinel will also conduct proactive audits, testing housing providers for compliance with fair housing law before an allegation of discrimination is made.</p>												
<p>Target Date</p>	<p>6/30/2019</p>												
<p>Estimate the number and type of families that will benefit from the proposed activities</p>	<p>5 fair housing discrimination investigation cases; 350 persons will receive fair housing education via workshops, presentations, and information & referral.</p>												
<p>Location Description</p>	<p>1231 8th St., Ste 425, Modesto, CA 95354.</p>												
<p>Planned Activities</p>	<p>Fair housing discrimination investigation, Tenant/Landlord mediation, Fair Housing Education</p>												
<p>19</p>	<table border="1"> <tr> <td data-bbox="267 1524 565 1570"> <p>Project Name</p> </td> <td data-bbox="565 1524 1507 1570"> <p>ESG-18 FY 2018-2019 ESG PLANNING & ADMINISTRATION</p> </td> </tr> <tr> <td data-bbox="267 1570 565 1623"> <p>Target Area</p> </td> <td data-bbox="565 1570 1507 1623"></td> </tr> <tr> <td data-bbox="267 1623 565 1675"> <p>Goals Supported</p> </td> <td data-bbox="565 1623 1507 1675"></td> </tr> <tr> <td data-bbox="267 1675 565 1728"> <p>Needs Addressed</p> </td> <td data-bbox="565 1675 1507 1728"></td> </tr> <tr> <td data-bbox="267 1728 565 1780"> <p>Funding</p> </td> <td data-bbox="565 1728 1507 1780"> <p>ESG: \$12,340</p> </td> </tr> <tr> <td data-bbox="267 1780 565 1871"> <p>Description</p> </td> <td data-bbox="565 1780 1507 1871"> <p>This project will fund administrative services related to the oversight and implementation of the ESG program.</p> </td> </tr> </table>	<p>Project Name</p>	<p>ESG-18 FY 2018-2019 ESG PLANNING & ADMINISTRATION</p>	<p>Target Area</p>		<p>Goals Supported</p>		<p>Needs Addressed</p>		<p>Funding</p>	<p>ESG: \$12,340</p>	<p>Description</p>	<p>This project will fund administrative services related to the oversight and implementation of the ESG program.</p>

<p>Funding</p>	<p>ESG: \$12,340</p>												
<p>Description</p>	<p>This project will fund administrative services related to the oversight and implementation of the ESG program.</p>												

	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	1010 10TH ST. MODESTO CA 95354
	Planned Activities	ESG ADMINISTRATION
20	Project Name	ESG-18 MODESTO – STREET OUTREACH - CHS
	Target Area	
	Goals Supported	Emergency Shelter Beds Supportive Services - Homeless
	Needs Addressed	HM-4 Prevent Homelessness for those at Risk HM-5 Coordinated case management
	Funding	ESG: \$35,000
	Description	Street outreach funds will be used to provide outreach to persons, including youth, living on the streets.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	200 Youth at or below 80% AMI.
	Location Description	201 Jennie Street, Modesto, CA 95354
	Planned Activities	Supportive housing for youth experiencing homelessness.
21	Project Name	ESG-18 COMMUNITY HOUSING & SHELTER SERVICES - HOMELESS PREVENTION
	Target Area	
	Goals Supported	Services - Anti-poverty
	Needs Addressed	HM-4 Prevent Homelessness for those at Risk
	Funding	ESG: \$30,000

	Description	Community Housing and Shelter Services is proposing a Homeless Prevention Rapid Re-Housing program. This program could help alleviate the stress of housing costs for a minimum of 10 families from within the City of Modesto area, and have an income at or below 30% of the median income. The Homeless Prevention funding will be utilized to provide short-term rental assistance to (5) five households who are at imminent risk of becoming homeless by preventing eviction for households who have received a 3-day notice and have written verifiable documentation of an emergency that has caused them to enter into default on their rent. The Rapid Re-Housing funding will be utilized to provide short-term rental assistance to (5) five households via first month's rent and double security deposit assistance to households who are homeless and lack the resources to pay for their full move-in fees. In order for CHSS to assist each household in removing barriers to sustainable housing, all households served will receive intensive on-going Case Management Services at a minimum of once per month in-person meeting with the client, although the goal would be for additional follow-up. Each household will complete an individualized action plan to address their immediate and long-term goals to ensure permanent housing sustainability after the ESG funding ends. CHSS will offer our homeless clients supportive services such as, money management workshops, weekly up-dated housing lists, referrals to other services in the County, and case management to assist them in finding permanent, long term housing. These services will provide our Clients with the tools to remain housed and reduce any new incidences of homelessness resulting in a reduced recidivism rate.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	5 Families (up to 30 individuals) at or below 30% AMI.
	Location Description	708 H Street, Modesto, CA 95354
	Planned Activities	Homeless Prevention & Rapid Rehousing
22	Project Name	ESG-18 THE SALVATION ARMY - BERBERIAN SHELTER
	Target Area	
	Goals Supported	Emergency Shelter Beds
	Needs Addressed	HM-1 Address Chronic Homelessness HM-5 Coordinated case management
	Funding	ESG: \$63,721

	<p>Description</p> <p>The Salvation Army (TSA) Case Management Team is designed to interrupt the cycle of homelessness and recidivism using case management and partnerships to move individuals from being homeless to permanent housing. This program will utilize the different resources of The Salvation Army Shelter and Transitional Living Center as well as partnerships with Community Impact Central Valley, Stanislaus County Affordable Housing Corporation, The Stanislaus County Sheriff Department and many other collaborated resources to identify clients who show stability and desire to move from homelessness to permanent housing. Once identified, the case manager and client will establish a plan for success. With our partnerships, the client will have access to resources to obtain his goals. A six month follow up case management will be provided to ensure an end goal of a successful transition to permanent housing and the ability to remain housed. We anticipate identifying 93 potential clients, with 59 qualified clients enrolled into programs. A dedicated Intake Coordinator is being hired with the sole responsibility to process the required intake and to input data into HMIS/VISPDAT.</p>
	<p>Target Date</p> <p>6/30/2019</p>
	<p>Estimate the number and type of families that will benefit from the proposed activities</p> <p>650 extremely low income individuals at or below 30% AMI.</p>
	<p>Location Description</p> <p>320 Ninth Street Modesto, CA 95351</p>
	<p>Planned Activities</p> <p>Emergency Shelter</p>
23	<p>Project Name</p> <p>ESG-18 – RAPID REHOUSING - TURNING POINT COMMUNITY PROGRAMS</p>
	<p>Target Area</p> <p>Citywide</p>
	<p>Goals Supported</p> <p>Supportive Services - Homeless</p>
	<p>Needs Addressed</p> <p>HM-1 Address Chronic Homelessness</p>
	<p>Funding</p> <p>ESG: \$23,474</p>

	Description	TPCP will assist homeless clients residing within Modesto city limits into permanent housing. If awarded, HAT will be able to reduce one or more of the barriers to obtaining permanent housing for approximately 60 unduplicated homeless individuals/families during the funding period by assisting with utility deposits and payments; application and credit check fees; obtaining necessary documentation (i.e., California ID card, birth certificate, etc.); and/or assisting with transportation costs. Without access to the resources necessary to overcome these barriers the ability of this population to obtain permanent housing is significantly reduced. A portion of these funds would also be used to cover the cost of staff performing eligibility verification and data collection to ensure appropriate use of the funds received and support data entry into HMIS. The projected 60 unduplicated clients is assuming that all 60 will require assistance in all areas - application fees, utility deposits, duplicate ID, and transportation - however, it is unlikely that all 60 would require assistance in all areas; thereby allowing for a higher number of unduplicated individuals/families to be served. The program only has data on the first four months of operation at this time, this makes it difficult to truly estimate the needs over time of the individuals/families served.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	60 persons at or below 30% of AMI
	Location Description	Citywide
	Planned Activities	Homeless services including rapid rehousing eligible activities.
24	Project Name	HOME: FY 2018-2019 HOME PROGRAM PLANNING & ADMINISTRATION
	Target Area	
	Goals Supported	
	Needs Addressed	
	Funding	HOME: \$99,292 (2018); \$224,724 (projected from Program Income)
	Description	This project will fund administrative services related to the oversight and implementation of the HOME program.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	N/A

	Planned Activities	HOME Administration
25	Project Name	HOME: 2018 HOMEBUYER ASSISTANCE
	Target Area	
	Goals Supported	Homebuyers Assistance
	Needs Addressed	H-2 Provide Homeownership Opportunities
	Funding	HOME: \$346,907 (\$106,907 = projected program income)
	Description	Address the "Affordable Housing" priority/focus area of the Con Plan by providing direct financial assistance eligible first time homebuyers via the City's Homebuyer Assistance Program (HAP). Refer to Goal #2
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	5 ELIGIBLE FIRST TIME HOMEBUYER FAMILIES AT OR BELOW 80% AMI
	Location Description	CITYWIDE
	Planned Activities	HOMEBUYER ASSISTANCE.
26	Project Name	HOME: AFFORDABLE HOUSING - SMALL HOMES INFILL PROJECTS
	Target Area	
	Goals Supported	Rental Housing Construction
	Needs Addressed	H-1 Increase affordable rental housing HM-3 Provide permanent supportive housing HM-4 Prevent Homelessness for those at Risk
	Funding	HOME: \$690,457 (\$95,345 = projected Program Income)
	Description	Small modular home scattered site infill projects. Units will be approximately 620 square feet in size. Funds will assist with unit acquisition, eligible project site preparation activities, and construction costs related to infill unit development.
	Target Date	6/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Persons at or below 80% of AMI.
	Location Description	Scattered sites.
	Planned Activities	Affordable housing / infill projects.
27	Project Name	HOME: 2018 CHDO OPERATING SUPPORT
	Target Area	

	Goals Supported	Supportive Housing Services
	Needs Addressed	
	Funding	HOME: \$51,943.59
	Description	CHDO operating support funds to CHDO certified organizations carrying out affordable housing projects in partnership with the City of Modesto.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	
	Location Description	Various NonProfit developers.
	Planned Activities	CHDO Operating.
28	Project Name	HOME: 2018 CHDO SET ASISE
	Target Area	
	Goals Supported	Rental Housing Construction
	Needs Addressed	H-1 Increase affordable rental housing
	Funding	HOME: \$670,172.36
	Description	CHDO set aside for affordable housing development.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	
	Location Description	
	Planned Activities	
29	Project Name	PS-18 SALVATION ARMY - BERBERIAN SHELTER
	Target Area	
	Goals Supported	Emergency Shelter Beds
	Needs Addressed	HM-1 Address Chronic Homelessness
	Funding	CDBG: \$46,639
	Description	This CDBG grant will be used to supplement the Salvation Army's ESG grant for operation of the Modesto emergency shelter (Berberian Shelter).
	Target Date	6/30/2019

	Estimate the number and type of families that will benefit from the proposed activities	650 extremely low income individuals, at or below 30% AMI.
	Location Description	320 Ninth Street Modesto, CA 95351
	Planned Activities	Emergency Shelter
30	Project Name	CDBG: CENTER FOR HUMAN SERVICES - CAPACITY BUILDING
	Target Area	Airport Neighborhood
	Goals Supported	Services – Anti-poverty
	Needs Addressed	CD-1 Neighborhood Revitalization Strategy Area
	Funding	CDBG: \$25,000
	Description	The Center for Human Services will provide capacity building assistance to the Airport Neighborhood community organizers in alignment with other related services. The goal is to train and provide the tools to community organizers to develop and strengthen their skills, abilities, processes, and resources so that this community group can continue their community development efforts.
	Target Date	6/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	Airport Neighborhood
	Planned Activities	Capacity Building Services

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City of Modesto will target HUD resources to low income Census Block Groups as designated by HUD (See Map #1 attached). Outlined below are the low income Block Groups within each Council District. This is an exhaustive list of all low income block groups within the City of Modesto; however resources may not be directed to all areas.

District 1 Census Tract/Block Groups: 000503/1, 000803/2, 000803/3

District 2 Census Tract/Block Groups: 001500/1, 001500/3, 001601/1, 001601/2, 001601/3, 001604/1, 001604/2, 001603/1, 001700/1, 001700/2, 002200/1, 001800/2, 002200/2, 002200/4, 002200/3, 002301/4, 002301/1, 002402/1, 002401/2, 002501/1

District 3 Census Tract/Block Groups: 001400/2, 001400/1, 001400/3, 001400/5, 001100/2, 001100/3, 001200/2, 001002/3, 001800/1

District 4: 001900/4, 002100/1, 001900/2, 002004/2, 002004/1, 002004/4

District 5: 000805/1, 000805/4, 000506/1, 000404/3, 000910/2

District 6: 000910/4, 002803/1

Geographic Distribution

Target Area	Percentage of Funds
LOW INCOME CENSUS TRACTS	100

Table 10 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The Census Tract Block Groups listed are geographic areas/neighborhoods within which 51%, or greater, of the area's population is low income. The City of Modesto has identified activities that will benefit these population groups with the end goal of providing suitable living environment and greater economic opportunities. Where possible, the City of Modesto will distribute CDBG funds throughout the low income block groups located throughout the six city council districts.

Discussion

No additional discussion.

AP-60 Public Housing – 91.220(h)

Introduction

The Housing Authority of the County of Stanislaus (HACS) operates 432 public housing units within the City of Modesto. All 432 public housing units are currently occupied. The Section 504 needs assessment of public housing units from the HACS indicates that in the City of Modesto there are 28 housing units available for the physically impaired (five one-bedroom units, 12 two-bedroom, and 11 three-bedroom units), seven units for the visually impaired (three one-bedroom, two two-bedroom, and two three-bedroom units), and seven units for the hearing impaired (4 one-bedroom, and 3 three-bedroom units). This equates to a total of 42 units for the physically, visually, and hearing impaired in the City of Modesto.

Actions planned during the next year to address the needs to public housing:

The City of Modesto has a close working relationship with the Housing Authority of the County of Stanislaus (HACS) and meets on an as needed basis to discuss concerns relevant to public housing and other housing matters. The City of Modesto will continue to work with the HACS and any other housing and social service providers to foster public housing improvements and resident initiatives.

In prior years the City of Modesto has partnered with the HACS by leveraging available funds to address affordable housing needs through the development and/or rehabilitation of affordable housing units for low and moderate income persons and families.

When possible, the City of Modesto will continue to partner with the HACS to leverage available funds (local, state, federal) to address public housing needs within the City of Modesto.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The HACS provides homeownership resources to participants in the Housing Choice Voucher Program. The Family Self-Sufficiency (FSS) Program has established partnerships with a variety of community resources to refer participants for services including pre- and post-secondary education, health care, child care, employment development, supported employment, and small business development including micro-loans. The FSS Program also encourages families to participate in financial wellness programs including financial literacy and credit repair with an emphasis on long-term financial stability for the purposes of homeownership. Supportive services are provided through the Community Impact Central Valley (CICV), the Stanislaus County Department of Mental Health, or Stanislaus County Integrated Services Agency. The Stanislaus Housing Authority previously implemented a services and communication "quality control" system that provides the Stanislaus Housing Authority with immediate customer feedback and identifies areas that may need improvement.

The Housing Authority has also implemented a resident education program with regularly scheduled meetings and written communications on agency policy, rules, and leases.

Efforts to improve communications with residents and program participants include: on site resident training/informational meetings, regular newsletters and flyers. The Stanislaus Housing Authority has implemented a "curb-side" appearance program. The focus of the program is the exterior of buildings, parking areas, play grounds and other areas of the complexes. Rodent and insect problems are addressed when residents report a problem and/or on Annual Inspections. In an effort to better education residents concerning these problems, information is regularly provided through the Stanislaus Housing Authority newsletter. These actions have assisted the Stanislaus Housing Authority in creating an atmosphere which emphasizes customer satisfaction and communication.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

Not applicable. The PHA is not designated as troubled.

Discussion

No additional discussion.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The City of Modesto participates in the Stanislaus System of Care (CSOC) to develop and implement regional goals and strategies (outlined in this section) to address and end homelessness. The goal of the Homeless Strategy is to increase housing stability and decrease incidents of homelessness in Stanislaus County by targeting funds to populations most in need, meeting both the immediate and long-term needs of the homeless, and avoiding the duplication of services by coordinating with service providers and the CSOC.

Since 2014, the City of Modesto has collaborated with Stanislaus County in the Focus on Prevention led by Stanislaus County. The goal of the Focus on Prevention initiative is to bring all sectors of the community together to provide an opportunity for cross-sector development of community-wide prevention strategies. The effort focuses on the coordination between the following sectors in the community: Education, Neighborhoods, non-profits, media, philanthropy, business, faith-based, government, arts/entertainment/sports, and health.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Modesto has participated in CSOC's planning process to move individuals and families from homelessness to permanent housing and independent living through a network of housing linked to supportive services. The primary strategy document is the annual CSOC Application. Additionally, the CSOC is currently working with its members in the first steps toward a continuum-wide coordinated intake system.

Addressing the emergency shelter and transitional housing needs of homeless persons

As the county seat of Stanislaus County, the City of Modesto is where most services (including shelter and transitional housing) are located for Stanislaus County. Therefore, many people experiencing homelessness who utilize available services reside with the City of Modesto.

The City of Modesto funds shelter activities to the maximum extent possible with CDBG Public Services and ESG (Hold-Harmless Need or HHN) funds. Other strategies designed to address homelessness, such as financial assistance and supportive housing, are carried out through other City of Modesto funding sources, such as using federal stimulus funds in partnership with the Housing Authority to build affordable housing designed to serve youth experiencing homelessness and other extremely low-income/homeless populations.

All ESG sub-recipients that carry out emergency shelter activities have a street outreach component to its operations. Additionally, these ESG sub-recipients also participate in the local CSOC's point-in-time count, which affords them an opportunity to reach out to unsheltered persons. Also, through the CSOC, the City of Modesto participates in the annual Street Relief event, which provides a variety of services (bike repair, veterinary, haircut, information and referral, etc.) to scores of persons experiencing homelessness, including unsheltered persons

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

These homeless subpopulations are a high priority for the City of Modesto. The City of Modesto is coordinating with the CSOC and U.S. Department of Veterans Affairs, allocated security deposit assistance to its sub-recipient, Community Housing and Shelter Services (CHSS) to provide this assistance to HUD-VASH program participants, as this particular assistance is not available through this otherwise comprehensive HUD-VA program.

Families and children experiencing homelessness is also prioritized as reflected by CDBG and ESG allocations to sub-recipients that serve these subpopulations (Center for Human Services, Children's Crisis Center, Haven Women's Center, and Family Promise).

City of Modesto, its ESG sub-recipients, and other partners are especially strategic in helping these subpopulations of persons experiencing homelessness. For example, City of Modesto's Homelessness Prevention and Rapid Re-Housing (HPRP) activities through Community Housing and Shelter Services includes the allocation of ESG funds for HUD-VASH program participants (veterans and/or their families experiencing homelessness) so that they may receive security deposit assistance, which is not available through this otherwise-comprehensive permanent supportive housing program. Another subpopulation that is targeted with ESG HPRP financial assistance is families with dependent children. In addition to helping these persons make the transition to stable housing using its ESG funds, the City of Modesto has invested millions of dollars using federal stimulus funds to develop, in partnership with its sub-recipient, the Housing Authority, a 32-unit complex designed to serve youth experiencing homelessness and former foster youth (ages 18-28) with permanent supportive housing. Center for Human Services' Pathways serves as a transitional supportive housing pathway to this 32-unit permanent supportive housing project.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Based on the results of the City's Notice of Funding Availability released January 2018, four programs are recommended for ESG funding that will provide street outreach, shelter, homeless prevention, rapid rehousing, and HMIS data entry support.

While a discharge coordination plan has yet to be developed and implemented locally, the City of Modesto does help lead in the coordination of the Stanislaus CoC's services. Furthermore, homelessness prevention assistance, while scarce, is provided through an ESG sub-recipient (Community Housing and Shelter Services). Foster care youth and those exiting the foster care system will be served through the City of Modesto partnership with the Housing Authority on the above-mentioned federal stimulus funded activity.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction

The goals from the City of Modesto’s 2016 Housing Element are relevant to the Consolidated Plan requirements to remove barriers to affordable housing.

The City of Modesto adopted an Analysis of Impediments to Fair Housing Choice (AI) in 2015 that outlines the public policies that could potentially limit access to affordable housing. These public policies include: development plans and policies, zoning ordinances, building occupancy, health and safety codes, affordable housing development, public housing authoring collaboration, and community representation and participation. An example of a policy that incentivizes the development of affordable housing is a recently updated program that provides exemptions and/or deferrals of Capital Facilities Fees to for-profit or non-profit affordable housing developers, with special consideration given to CHDOs.

The City of Modesto in collaboration with other participating cities throughout the Northern San Joaquin Region (Smart Valley Places) has completed a Fair Housing and Equity Assessment (FHEA) informed the City of Modesto’s updated AI. The City of Modesto is will also participate in any HUD sponsored trainings to implement changes as required by the new Assessment of Fair Housing (AFH) final rule.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Potential constraints to housing development may vary by area, but generally include infrastructure, residential development fees, land use controls, development standards, development and building permit application processing times, and resource preservation. Barriers to housing also include personal barriers such as poor credit history, criminal background, limited knowledge about tenant rights, and the complaint process.

The City of Modesto has worked to eliminate internal barriers to the development of affordable housing through the following continuing efforts:

- Providing funding for land acquisition, secondary financing, and infrastructure costs;
- Assisting qualified households to purchase homes utilizing the Homebuyer Assistance Program:
- Assisting eligible households connect to municipal services such as water and sewer financial assistance programs.
- Exemption or deferral of Capital Facilities Fees for projects providing low-income housing;
- Using the adopted streamlining process for environmental review;
- Continuing to work with non-profit housing agencies in the provision of supportive services and programs; and
- Using streamlined application review and permit processing.

Discussion

No additional discussion.

AP-85 Other Actions – 91.220(k)

Introduction

The City of Modesto, through the Consolidated Plan, targets federal funds to residents that have traditionally not been served, or are underserved, by previous programs. Project activities funded through the Consolidated Plan are carefully designed to provide appropriate and needed services, particularly those that may not be eligible for assistance from other sources, or are geographically isolated by lack of transportation, or lack basic amenities, such as medical care in their neighborhoods.

Actions planned to address obstacles to meeting underserved needs

See response at AP-35 "Describe the reasons for allocation priorities and any obstacles to addressing underserved needs."

Actions planned to foster and maintain affordable housing

See response at AP-55 "Affordable Housing."

Actions planned to reduce lead-based paint hazards

The City of Modesto has adopted policies to be implemented in its housing programs, which comply with HUD requirements relating to lead-based paint hazards. In alignment with HUD's requirements, lead-based paint remediation actions will depend on the level of subsidy provided on a project by project basis. The following is the City's lead based policy for reduction of lead paint hazards:

Subsidy Amount		
<\$5,000	\$5,000-\$25,000	>\$25,000

Approach to Lead Hazard Evaluation and Reduction	"Do No Harm": Use lead safe work practices	Identify and control Lead hazards	Identify and Abate Lead Hazards
Homeowner Notification	Yes	Yes	Yes
Lead Hazard Evaluation	Presume Presence of LBP (alternative: Paint testing of surfaces to be disturbed by rehabilitation)	Paint testing of surfaces to be disturbed by rehabilitation AND Risk assessment	Paint testing of surfaces to be disturbed by rehabilitation AND Risk assessment
Lead Hazard Reduction	Repair surfaces disturbed during rehabilitation, use lead-safe work practices, clearance test of work site upon completion.	Interim controls, lead- safe work practices, clearance test of unit upon completion.	Complete abatement, lead-safe work practices, clearance test of unit upon completion.

Most housing rehabilitation projects are subject to federal regulations for Lead-Based Paint and contractors must be certified in safe work practices when completing the rehabilitation work. This effort in the past has resulted in more contractors being able to bid on and participate in the projects that contain lead-based paint.

The cost for the stabilization of lead based paint can be included in the City of Modesto's housing rehabilitation loan program. The cost of the lead-based paint inspection and/or clearance is paid from entitlement funds.

The City of Modesto will continue to provide lead-based paint testing as a component of its housing repair and rehabilitation programs when required by HUD regulations. Given the age and condition of the City of Modesto's housing stock, there are a significant number of homes where lead-based paint testing is needed.

Actions planned to reduce the number of poverty-level families

The City of Modesto has a multi-pronged approach to addressing poverty through an adequate, affordable, quality housing supply, improving low-income neighborhoods, strengthening families, strengthening employment skills of the community, and ensuring access to the basic needs such as food and shelter. This multi-pronged approach will strengthen the community as a whole and play a huge part in reducing the number of people living within the poverty level. The City of Modesto plans to fund specific activities that address each of these goals during the Consolidated Plan timeframe.

Since 2014, the City of Modesto has collaborated with Stanislaus County in the Focus on Prevention led by Stanislaus County. The goal of the Focus on Prevention initiative is to bring all sectors of the community together to provide an opportunity for cross-sector development of community-wide prevention strategies. The effort focuses on the coordination between the

following sectors in the community: Education, Neighborhoods, non-profits, media, philanthropy, business, faith-based, government, arts/entertainment/sports, and health.

The City of Modesto's strategy for reducing poverty will be successful only to the extent that:

- Adequate state and federal funding is available for education, job training, and supportive service programs that will increase economic opportunity and self-sufficiency;
- Adequate state and federal funding is available for regional infrastructure necessary to support economic development; and
- The City of Modesto's competitiveness in relation to other regional economies attracts employers and industries that create higher paying jobs. Unfortunately, the City of Modesto has little or no direct control over these factors and can make only marginal improvement in the local rate of poverty through its use of federal and other funds.

City of Modesto staff, through its engagement in the local Focus on Prevention initiative, is engaged in the Coordinated Entry system. Coordinated entry (also known as coordinated assessment system) is a consistent, community wide process to match people experiencing homelessness or at-risk of homelessness to community resources that are the best fit for their situation. In a community using coordinated entry, homeless individuals and families complete standard triage assessment survey that identifies the best type of services for that household. Participating programs accept referrals from the system, reducing the need for people to traverse the county seeking assistance at every provider separately. The process helps prioritize housing and homeless assistance based on vulnerability and severity of service needs to ensure that people who need assistance the most can receive it in a timely manner. The process also provides information about service needs and gaps to help plan assistance and identify needed resources in our community.

The intent is to provide coordinated entry to the entire geographic area through Access Points. Access Points are places—either virtual or physical—where an individual or family in need of assistance accesses the coordinated entry process. People experiencing homelessness can complete the assessment survey to participate in coordinated entry and are matched with community resources that best fit their situation. All locations and methods offer the same assessment approach and referrals using uniform decision-making processes. The Access Points in Stanislaus County include: 1) A centralized physical location (Access Center) in Stanislaus County where housing and support services, among others are provided, 2) 211 hotline system that screens and directly connects people to services, 3) Continuum of Care partners that provide assessments using the same tool county-wide, 4) A specialized Multi-disciplinary Outreach and Engagement Team that scouts the geographic area to provide access to those who might not want to engage at a physical access point.

Actions planned to develop institutional structure

Modesto will continue to work collaboratively with service and shelter providers to identify and address gaps in the institutional structure and service delivery system.

Modesto generally has a well-developed institutional structure and service delivery system.

Modesto will continue to work to increase the resources devoted to permanently affordable housing to serve as a stabilizing force preventing homelessness.

Modesto will focus increased resources on homeless prevention/crisis intervention, especially on homeless youth, aging-out foster youth, families with children, and persons being discharged from institutions.

Modesto will continue to devote resources to address the needs of the chronically homeless including comprehensive case management, supportive housing, shelters and transitional housing.

Modesto will target resources to the lowest income groups with the highest needs including the chronically homeless, homeless youth, homeless families with children, and those living in transitional shelters.

Actions planned to enhance coordination between public and private housing and social service agencies

City of Modesto relies primarily on its (A) close consultation with the CSOC, which is made up of representative stakeholders and (B) monthly meetings with its public and private housing development partners, which include local private CHDOs (e.g., Habitat for Humanity, Stanislaus County and Stanislaus Affordable Housing Corporation, and Great Valley Housing Development Corporation (GVHDC)) and the Housing Authority (to enhance coordination in the areas of community housing and social services).

The City of Modesto relies on non-profit organizations and for-profit developers to build and acquire, develop, and rehabilitate affordable units. The City of Modesto will continue to work closely with these entities to ensure that each year as many new affordable units are developed or made available.

The City of Modesto also relies on the non-profit service sector to provide emergency shelter and transitional and special needs housing. The City of Modesto will continue to support eligible organizations and their activities with local, state and federal funding as it's made available and upon their governing entity's approval.

Discussion

No additional discussion.

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction

Please see the responses below that are specific to the CDBG, HOME and ESG programs.

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed 0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.
0
3. The amount of surplus funds from urban renewal settlements 0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan 0
5. The amount of income from float-funded activities 0

Total Program Income: Refer to Annual Action Plan Budget (Project Summary)

Other CDBG Requirements

1. The amount of urgent need activities 0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan. 100.00%

HOME Investment Partnerships Program (HOME)

Reference 24 CFR 91.220(I)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

The City of Modesto does not use forms of investment within the local HOME program other than those identified in Section 92.205.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

Pursuant to 24 CFR 92.254(a)(5)(ii), the City requires that HOME funds be recaptured if the property does not continue to be the principal residence of the buyer for the duration of the Affordability Period secured by an Affordable Housing Covenant. The Recapture Provision shall apply to a HOME assisted property only when a Direct HOME Subsidy is provided to a homebuyer.

The Recapture provision will ensure that the City of Modesto recoups all or a portion of the HOME assistance to the homebuyers, if the housing does not continue to be the principal residence of the family for the duration of the affordability period.

Per, 24 CFR 92.254(a)(5)(ii)(A), In establishing recapture requirements, the City of Modesto is subject to the limitation that when the recapture requirement is triggered by a sale (voluntarily or involuntarily) of the housing unit, and there are no net proceeds or the net proceeds are insufficient to repay the HOME investment due, the City of Modesto will only recapture the net proceeds, if any. ***The net proceeds are the sales price minus superior loan repayment (other than HOME funds) and any closing costs.***

Of the recapture options described in 92.254(a)(5)(ii)(A), the City of Modesto will use a the "Shared Net Proceeds" option as outlined in 24 CFR 92.254(a)(5)(ii)(A)(3). With this option, if the net proceeds are not sufficient to recapture the entire HOME investment, the City and original homebuyer will share the net proceeds.

To calculate the amount of net proceeds (or shared appreciation) to be returned to the City the following formula will be applied:

$$\frac{\text{HOME investment}}{\text{HOME Investment} + \text{Homeowner Investment}} \times \text{Net proceeds} = \text{HOME amount to be recaptured}$$

To calculate the amount of net proceeds (or shared appreciation) to available to the homebuyer the following formula will be applied:

$$\frac{\text{HOME investment}}{\text{Direct HOME Subsidy} + \text{Homeowner Investment}} \times \text{Net proceeds} = \text{HOME amount to be recaptured}$$

Since the HOME rule limits recapture to available net proceeds, the City will only recapture what is available from net proceeds. In this case, the City is not required to repay the difference between the total direct HOME subsidy and the amount the City is able to recapture from available net proceeds

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

The same methodology outlined in question 2 above will be used to ensure affordability for any units acquired with HOME funds.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

The City does not intend to use HOME funds to refinance existing debt.

Emergency Solutions Grant (ESG)

Reference 91.220(I)(4)

1. Include written standards for providing ESG assistance (may include as attachment)

City of Modesto, in consultation with the CSOC stakeholders, developed policies and procedures for providing ESG assistance that incorporates the new and broadened components of ESG.

Standards for providing ESG homelessness prevention and rapid re-housing assistance include respectively targeting households with dependent children and persons experiencing homelessness connected to or eligible to receive (within 6 months) assistance from mainstream benefits and services.

These standards also include limiting assistance for a period of up to six (6) months and extending the period of assistance up to the maximum 18 months on a case-by-case basis.

HUD-VASH (U.S. Department of Housing and Urban Development-U.S. Department of Veterans Affairs Supportive Housing) program participants are also prioritized to receive security deposit assistance upon HUD-VASH intake.

Income qualification guidelines are no less restrictive than ESG guidelines (30% or below AMI for homelessness prevention assistance and not-applicable for rapid re-housing).

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

The CSOC is currently working on establishing a centralized and coordinated assessment system that meets HUD requirements.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

The City of Modesto consults with the CSOC Care to develop funding priorities and competitively awards ESG funding through an RFP process. This RFP process conforms to the

City of Modesto's rigorous procurement process, including public noticing and utilizing its state-of-the-art online bidding system. The funding priorities as it relates to ESG are funding emergency shelter to the maximum extent possible (up to Hold Harmless Need [HHN] limit) and prioritizing rapid re-housing higher than homelessness prevention.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The City of Modesto is unable to meet the homeless participation requirement in 24 CFR 576.405(a) due to the fact that its policy-making entity is made up of elected officials. The City of Modesto, however, works very closely with the CSOC which is made up of a representative group of diverse stakeholders, including persons experiencing homelessness and those who at one time in their lives had experienced homelessness. The City of Modesto intends to work with the CSOC and elected and appointed City of Modesto officials to develop a formal homeless participation plan that will engage persons experiencing homelessness in a meaningful way that influences homelessness-related policies, including development of funding priorities and funding allocation.

5. Describe performance standards for evaluating ESG.

The City of Modesto consulted with the CSOC and developed the following performance standard: Elimination or mitigation of barriers to stable housing. These barriers may be financial, health-related, relational, etc. CSOC stakeholders determined that post-assistance follow-up evaluation is extremely difficult to achieve.

Discussion

The City of Modesto consults closely and regularly (at least monthly) with the CSOC and its HMIS, ESG/HPRP, and SHP subcommittees, which develop policies and procedures for these programs and is taking the lead in building the service infrastructure that will be necessary to sustain a centralized or coordinated assessment system. This consultation takes the form of reports and presentations that are placed on the CSOC monthly meeting agendas.

The operation and administration of the Homeless Information Management System (HMIS) designated by the CSOC is led by the Stanislaus Housing Authority. The City of Modesto may pay the costs of contributing data to the HMIS via funding to sub-grantees or to the HMIS Lead.

The City of Modesto is member of the CSOC/HMIS Subcommittee which meets monthly to develop policies, procedures, and best practices and offers trainings developed by the developed by the HMIS Lead

Estimated CDBG Entitlement Program Budget

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-240**

**RESOLUTION APPROVING THE SOLID WASTE RATE AND FEE STUDY
FROM SCS ENGINEERS, INC., MODESTO, CA AND THE PROPOSED FISCAL
YEAR 18/19 RECOMMENDATIONS AND FEES**

WHEREAS, the City of Modesto has service agreements with Gilton Solid Waste and Bertolotti Disposal to provide solid waste and recycling services to approximately 57,000 residential and over 11,000 commercial and industrial customers in Modesto, and

WHEREAS, the City of Modesto provides tree trimming services to over 81,000 trees in our urban forest and street and alley green waste collection, and

WHEREAS, the City owns and operates the Modesto Composting Facility which processes over 65,000 tons per year of residential and commercial green waste, as well as the forestry/green waste diversion material instead of it being disposed of in a landfill, and

WHEREAS, the Modesto City Council does not set the actual rate the collection companies can charge to pick up the garbage; instead it sets the maximum rates that the collection companies can charge for each type of service, and

WHEREAS, rate reviews are conducted on an annual basis every July 1, and the City last conducted an annual rate review and adopted new rates on July 1, 2016, and

WHEREAS, the City has not conducted a comprehensive review of the Solid Waste rates and fees, or cost of services, for more than 10 years, and

WHEREAS, there have been many factors over that time frame that have created severe negative impacts on the solid waste fund budgets, and

WHEREAS, the tree pruning cycle is currently at 12 years; new environmental regulations such as AB 32, AB 341, AB 1826, and SB 1383 require compliance; the City has aging and failing equipment; there have been severe staffing reductions; and State

Agencies are requiring major infrastructure changes, and

WHEREAS, it was determined that the Solid Waste Division needed a comprehensive analysis of the City's residential, commercial, and industrial solid waste and recycling rates, along with associated fees for service impacts, recycling, illegal dumping, green waste diversion, and composting that would sustain the enterprises while protecting the interests of the community and meeting regulatory requirements, and

WHEREAS, in July 2017, by Resolution No. 2017-278, Council approved an agreement with SCS Engineers, Inc., Modesto, CA, to conduct a cost service analysis and comprehensive rate and fee study for the Solid Waste Division, and

WHEREAS, the rate study was conducted in two phases, and

WHEREAS, Phase I analyzed the City's solid waste system as a whole and Modesto was benchmarked against other comparable cities, and

WHEREAS, Phase I determined that the City's solid waste system and rate structure is unique and no other city has equally comparable systems and processes, and

WHEREAS, Phase I also found that the current rates/fees for all Solid Waste services the City provides are on the mid-to-lower end of the scale and are not sufficient to cover operating costs; the City does not have a financial plan for equipment maintenance and capital replacement for the Compost Facility; and the Forestry functions are not adequately funded, and

WHEREAS, Phase II evaluated the cost of service vs. revenue solvency for each enterprise fund in the Division; analyzed the current rate and fee structure for validity; and established future fees/rates to provide sufficient revenues to support the funds and services they provide, and

WHEREAS, Phase II substantiated that the City's current rate methodology for residential, commercial, and industrial garbage were reasonable and valid, and

WHEREAS, Phase II made the following recommendations: current tipping fees at the Compost Facility are sufficient but the product rates are comparatively low and haven't been adjusted in over 10 years, and both should be adjusted annually by the Consumer Price Index (CPI) to accommodate for inflation and production costs, and

WHEREAS, the Green Waste Diversion fees for residential, commercial, and industrial garbage rates should be increased to provide the needed revenues to support the fund budget, and

WHEREAS, the Recycling fees for residential, commercial, and industrial garbage rates need to be increased to meet the growing demand of State legislation, and

WHEREAS, the Litter Abatement fees need to be increased to cover funding a litter abatement crew as litter in the City as increased dramatically, and

WHEREAS, adjustments to the Maximum Rates for Garbage Collection for Fiscal Year 15/16 must be completed, and

WHEREAS, the cost of service for an additional garbage container was determined to be \$13 per household per month, and the cost of service for an additional organics recycling container \$8 per household per month, with the difference between the cost of service and the rate charged to be rebated back to the City Solid Waste Fund to support recycling education, green waste diversion and other enforcement of recycling and organics, and

WHEREAS, the residential Carpenter Road Landfill Mitigation fee was recommended to be reduced, but the City received a revised clean closure cost estimate

and the mitigation fee will need to remain the same for residential and increase for commercial and industrial garbage, and

WHEREAS, a recommended operating reserve of 2% be added as an expense line to each fund budget beginning in Fiscal year 20/21.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Solid Waste Rate and Fee Study from SCS Engineers, Modesto, CA and the proposed Fiscal Year 18/19 recommendations and fees as shown in the Phase II report and **Exhibit A** incorporated herein as **attachments**.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Zoslocki, who moved its adoption, which motion being duly seconded by Councilmember Ah You, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

EXECUTIVE SUMMARY

This Phase II report presents the results, findings, and recommendations of SCS Engineers (SCS) evaluation of the cost of services and revenue sufficiency for the Compost, Solid Waste, Green Waste/Forestry, and Carpenter Road Landfill Enterprise Funds for the City of Modesto (City). A pro forma model was developed to assist the City in establishing future fees/rates to provide sufficient revenues to support these funds. SCS also developed rate methodologies for garbage and organic second cart options, and an approach for assessing the commercial bin and drop box rates established and approved by the City.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

The following is a summary of the findings and recommendations presented herein:

1. **Disposal Quantities.** The reported disposal quantities increased relatively significantly between Fiscal Years 15/16, 16/17, and 17/18. These increases will need to be confirmed when the next hauler audits are submitted to assess impacts on rates.
2. **New Equipment.** The pro forma includes a new accrual line item for unfunded equipment replacement for Compost Fund.
3. **SB 1383 Organics Diversion.** SB 1383 will result in increased disposal of organics at the compost facility, resulting in a reduction in disposal costs at the WTE facility and landfill, and increased disposal costs at the compost facility, along with offsetting increases in revenues from tipping fees and the sale of more compost product. The pro forma rate model includes consideration of these changes.
4. **Staffing Changes.** The Solid Waste and Green Waste/Forestry Funds are proposing staffing changes. The proposed Integrated Waste Planning Manager position will need to be created and salary level confirmed. Green Waste/Forestry is proposing significant reorganization as well as adding one Operations Supervisor to the Forestry Division at a cost of \$108,000/year (total salary and benefits).
5. **Operating Reserve.** Beginning in 2021, a 2% operating reserve is added as an expense to each Fund budget.
6. **Compost Fund**
 - a. **Compost Tipping Fee.** SCS recommends no change in the Compost tipping fees. Compost product rates should be adjusted annually to accommodate inflation and other factors.
 - b. **Compost Facility.** SCS recommends the City conduct a detailed assessment of programmatic, staffing, facility, equipment, and permit changes that may be required at the compost operation to meet the SB 1383 organic diversion goals.

7. **Solid Waste Fund.** Current fees are not sufficient to support the projected expenses for the Solid Waste Fund. SCS recommends an increase in the residential recycling fee, and the commercial and industrial recycling and litter abatement fees to support the Fund’s budget.

8. **Green Waste/Forestry Fund**
 - a. **Green Waste Diversion Fees.** SCS recommends increases to the residential, commercial, and industrial Green Waste fees as shown in Table 12 to provide the needed revenues to support the Fund budget. In addition, the City has determined that only 76% of the Forestry Cost Center expenses (Fund 4892, Cost Center 56040) are eligible for funding through the AB 939 Green Waste diversion fee, while Green Waste Collection expenses (Cost Center 56030) are fully funded by the fee; therefore, the proposed rates have been adjusted accordingly, with the balance of the projected expenses to be paid through General Fund transfers.

 - b. **Negative Fund Balance.** Additional General Fund transfers or additional revenues from fees are needed to reduce the projected negative end of year fund balance for the Green Waste/Forestry Fund.

 - c. **Cost Allocation for Green Waste/Forestry.** SCS recommends that the cost allocation for the Green Waste Diversion fee be based on an inventory of the location of the City maintained trees as a function of residential, industrial, and commercial zoning. SCS recommends that this information be coordinated with the City’s GIS system and included as a separate layer in the GIS system.

9. **Carpenter Road Landfill Fund**
 - a. **Landfill Mitigation Fee.** The Landfill Mitigation project cost estimate budget increased from \$2.6 million to \$3.6 million. As such SCS recommends that the residential rate be held at \$0.50/HH/month through FY 2020/2021 in order to accrue the additional \$1 million needed. The residential rates should be able to be reduced beginning in FY 2021/2022. The commercial rate is recommended to increase to \$0.95/cy/month from \$0.91/cy/month, and the drop box pull rate for industrial customers to \$13.79/pull from \$5.00/pull through FY 2020/2021, after which the rates can be re-evaluated and likely reduced.

 - b. **Potential Fee Reduction.** The City should consider reducing the landfill mitigation fees as noted in Table 12 following the completion of the landfill cleanup project. A decision on this recommendation can be deferred for the time being.

10. **New Rates.** SCS recommends that the fee rates shown for Fiscal Year 2018/19 in Table 12 be adopted and become effective July 1, 2018. These rates include a fuel surcharge requested by the haulers to cover increased fuel costs from April 2017 through March 2018.

11. **Data Management.** SCS recommends the City work with the haulers to develop a standard, consistent format, with instructions on what should be accounted for in each line item of the audited financial statements. In addition, SCS recommends the City develop a database to store all the residential, commercial, and industrial waste, recycling, organic waste, WTE and Landfill disposal, and composting quantity data, and again, work with the City's haulers and other Solid Waste department staff to standardize data field descriptions and data input protocol and requirements.
12. **Second Cart Cost.** SCS recommends that if the City continues to charge the higher second cart rate that the difference between the higher rate and the hauler's actual full costs be rebated back to the City Solid Waste Fund to support other recycling and education programs in the City. Currently, the hauler retains the additional revenue earned for the second cart. This recommendation also applies to the second organics cart, but SCS recommends that the difference between the haulers actual costs for the cart and the tipping fee be rebated back to the City Solid Waste Fund to support other green waste diversion and enforcement activities.
13. **Commercial Container Fee Schedule.** A proposed commercial container rate schedule for Fiscal Year 2018/2019 is presented based on the 2016 audited costs, allowable profit, and proposed fees. The rate methodology used to develop the commercial container fee schedule is based on the methodology historically used by the City for rate setting purposes.
14. **Drop Box Container Pickup Cost Schedule.** SCS's analysis suggests that the drop box collection fee will need to be increased to \$383 per pickup versus the current rate of \$248.22 per pickup based on the audited information provided by the hauler. A methodology for this calculation is presented in the report.

DISCLAIMER

This report includes cost and revenue projections based on a series of assumptions as outlined in the report. The model supporting the recommended rates is based on SCS's understanding of the City's Solid Waste Funds. City staff provided valuable assistance reviewing the report and rate model. Actual costs and revenues may vary depending on economic conditions or other factors affecting the key assumptions used in the projections.

1.0 INTRODUCTION

The Phase II scope of services included the following major tasks:

- Analyze projected cost of services and revenue sufficiency for the Compost, Solid Waste, Green Waste/Forestry, and Carpenter Road Landfill Enterprise Funds.
- Develop a pro forma rate model to assist the City in establishing future fees/rates to provide sufficient revenues to support these funds.
- Develop rate methodologies for garbage and organic second cart options, and an approach for assessing the commercial bin and drop box rates proposed by the City's two franchise haulers.
- Develop final report summarizing these results, findings and recommendations for the City's consideration.

As a prelude to the development of the rate model, SCS completed a review of the City's Solid Waste Division and presented its findings in a Phase I report¹. The Phase I report addressed the following:

- Overview of the City's residential, commercial, and industrial waste collection, recycling, composting, and disposal services, green waste/forestry functions, and closed landfill management.
- The City's Solid Waste Division management and administration.
- Facilities and equipment supporting the Division's functions.
- Regulatory requirements and initiatives that will affect future solid waste management in the City.
- Benchmark analysis and comparisons with other similar cities for the types of solid waste and forestry services provided.
- Financial information on costs and projected revenues for the Compost, Solid Waste, Green Waste/Forestry, and Carpenter Road Landfill Funds.

This Phase II report builds on the information presented in the Phase I report and provides additional information, assumptions, analyses, and methodologies developed to support the rate model and recommended schedule of fees.

SCS held an initial kick off meeting to initiate the Study, which provided a forum to confirm the scope of services, discuss data needs, and identify key issues for City staff. During the course of

¹ SCS Engineers, Solid Waste Service Rate Study, Phase I Report, Prepared for the City of Modesto, California, November 17, 2017.

the Study, SCS conducted a series of conference calls and face-to-face meetings with City staff managing different facets of the overall programs. These conference calls, meetings, and frequent emails have provided SCS information supporting the assumptions used in the rate model and the analysis and recommendations.

2.0 PRO FORMA MODEL

2.1 INTRODUCTION

The City provided SCS the following background data and information on the historical and projected operating expenses and revenues for the Compost, Solid Waste, Green Waste/Forestry, and Carpenter Road Landfill Funds:

- Staffing and organizational charts
- Wages and benefit rates (current and future needs)
- Residential, commercial, and industrial collection rate schedules
- Loans
- Fund account summaries (totals and comparisons)
- Past and current operating budgets by fund and cost centers
- Equipment replacement and maintenance schedules
- Leases
- Ordinances
- Administrative costs
- Audited hauler cost information (confidential)
- Residential, commercial, drop box, and self-haul waste quantity information
- Compost facility material inputs and compost outputs for Fiscal Year 16/17
- Analysis of AB 939 Green Waste Diversion Fee eligibility

From this information, SCS developed a Microsoft Excel™ spreadsheet-based, pro forma rate model (Model) to assist in the completion of the rate analysis. The model includes the following facets:

- Key input assumptions supporting the rate model.
- An analysis and projection of operational expenditures (personnel, contract and purchased services, materials and supplies, transfers) for each fund and cost center.
- Revenue sufficiency analysis, including annual revenue projections and rate plan to provide sufficient revenues for each fund.
- Methodology and calculations to support the 2nd cart rates.
- Methodology and calculations to provide the City the ability to assess the reasonableness of the haulers commercial and drop box rate schedules.

2.1 METHODOLOGY OVERVIEW

The methodology and process used to estimate future rates to support the City's Compost, Green Waste/Forestry, Solid Waste, and Carpenter Road Landfill Funds is presented in Figure 1 and summarized below:

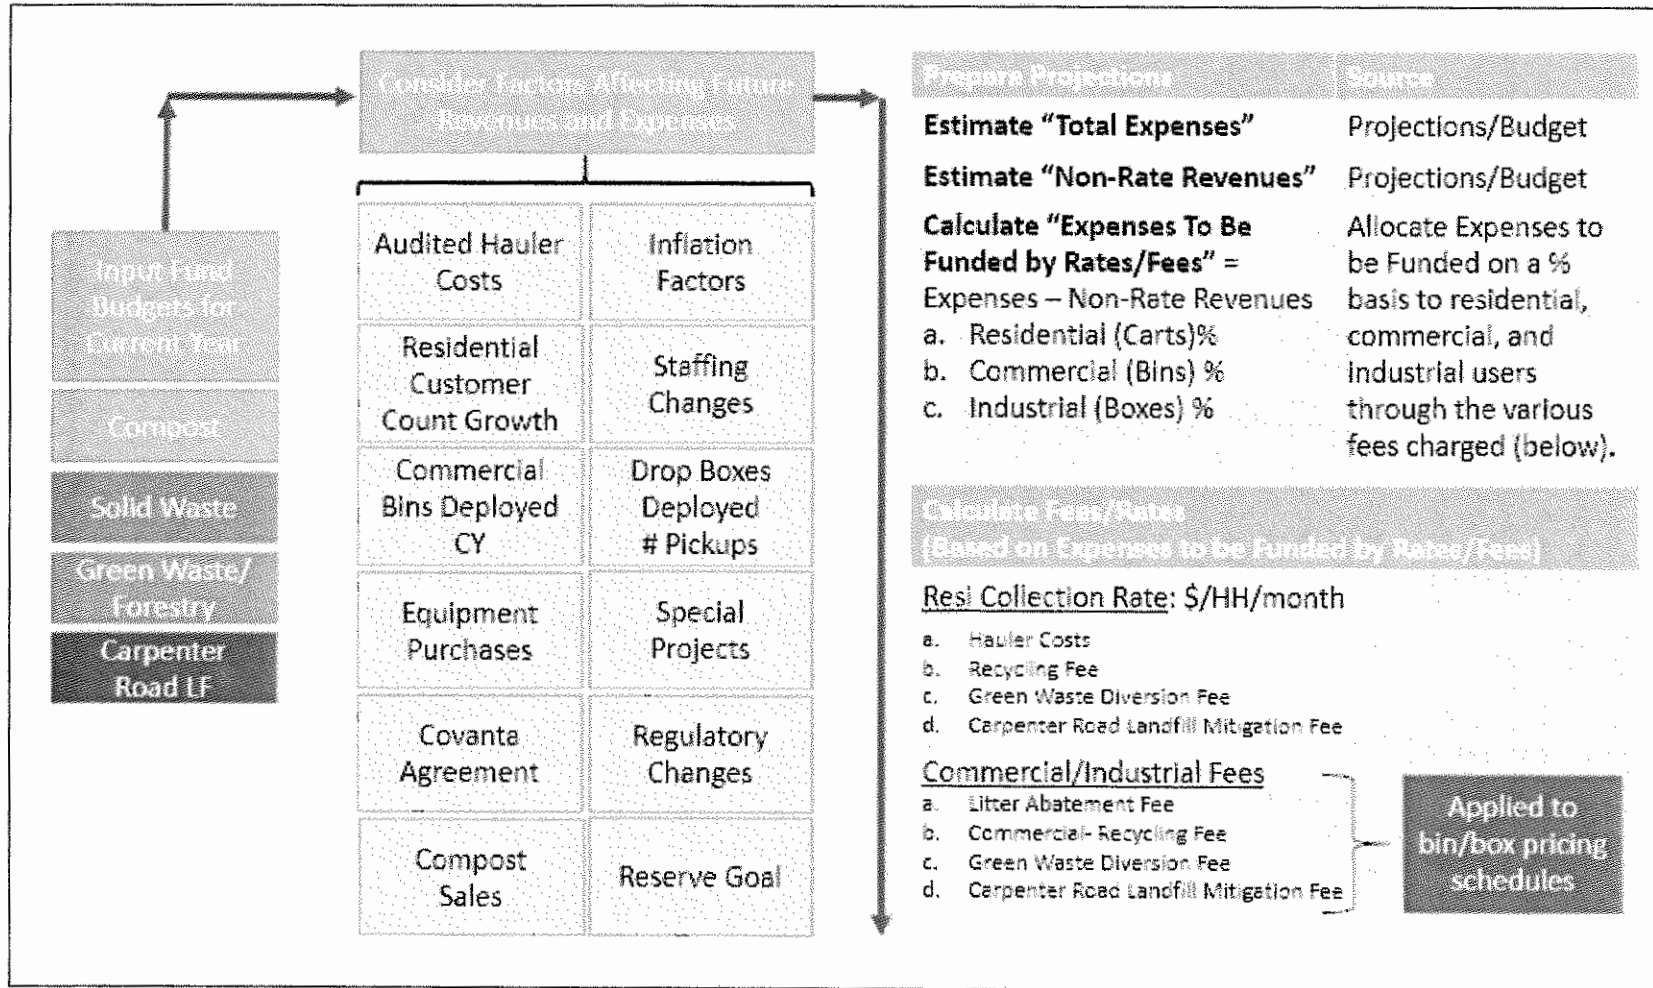

Figure 1. City of Modesto Solid Waste Fee Schedule Rate Methodology Process Diagram

- **Collect Historical Actual and Projected Expenses and Revenues for City Services (Compost, Solid Waste, Green Waste/Forestry, and Carpenter Road Landfill)** – SCS obtained information on historical and projected revenues and expenses for Fiscal Year 14/15 through Fiscal Year 17/18 for each fund. The revenue cost information was input into a financial database, along with waste quantity data, and details on residential, commercial, industrial (drop box), and self-haul customers.
- **Obtain Customer Fee Schedules.** The City publishes customer fee schedules for residential, commercial, and industrial solid waste services. The schedules include the collection rates and specifics on the special fees that the City charges, either on a \$/Household/month (\$/HH/month), \$/cubic yard/month (commercial bin container service), or \$/ton or per pickup basis (drop box containers). These were reviewed for consideration in developing future rate recommendations.
- **Collect and Consolidate Haulers Audited Annual Report.** The City’s two haulers submit annual audited financial reports to support the payments they each receive from the City. The last audit reports submitted covers Fiscal Year 15/16 (dated: 6/30/2016). The audit reports include cost and customer information for residential, commercial, and industrial collection services, including customer statistics such as the number of residential customers served, commercial bins (number, size, and frequency of pickup), and drop boxes (number of pickups/year). The audit reports also include detailed information used to support the residential collection rates, and delineate the pass-through costs due to the City, including the Franchise Fee, Bulky Waste Fee, Green Waste Diversion Fee, Recycling Fee, Disposal and Compost Fees, Carpenter Road Landfill Fee, Illegal Dumping Fee, Litter Abatement Fee (only Commercial/Industrial), and Billing Fee.
- **Develop Future Projections**
 - **Discuss Future Needs with City Staff.** SCS discussed with the City its future capital needs for equipment and facilities, special projects (e.g., \$2 million Landfill Cleanup Project planned for Fiscal Year 2019), potential staffing changes to support its various programs, additional operating expenses, and additional short-term and long-term revenue requirements for each fund. We also reviewed potential regulatory changes that may affect the City’s operations and budgets in the near future, such as SB 1383, which establishes organic diversion goals the City must achieve by 2020 and 2025.
 - **Revenues and Expenses.** SCS developed future revenue and expense projections based on escalation of the City’s current expenses, planned special projects or equipment purchases, or changes to staffing levels to support its ongoing and future planned programs, and the lowest cost hauler audited financials. The revenues include income from “non-rate based” sources, such as compost tipping fees, fund transfers, and other miscellaneous revenues. “Rate-based” revenues are those generated through the various “fees” charged by the City. The “rate-based” revenue needs are calculated for each fund by subtracting the “non-rate based” revenues from expenses, and is referred to as “Costs to be Funded through User Fees”. SCS considered two expense scenarios. The first scenario uses the lowest

cost hauler rates with some escalation to account for the increased fees for Covanta per the JPA agreement and the increase in the Compost Tipping Fee, which began in July 2016. However, the disposal costs and quantities are based on the audited quantities. The second scenario uses the hauler supplied disposal data for Fiscal Year 14/15 through September 2017 to estimate the disposal and compost costs. This second scenario represents a potential worst case condition.

- **Distribute “Remaining Costs to be Funded through User Fees” to User Categories.** The remaining costs that need to be funded through user fees were allocated to residential, commercial, and industrial customer categories for each fund based on an assumed percentage distribution. We also added additional revenue requirements to eliminate the projected negative fund balances for the Solid Waste and Green Waste/Forestry Funds over a three-year period beginning Fiscal Year 18/19. The assumed percentage distribution was either based on the percent of the total waste stream each customer contributes, in the case of the Solid Waste, Green Waste/Forestry, and Carpenter Road Landfill Funds, or percentage use of the facility, in the case of the Compost Fund. The City can elect to establish different allocations to achieve its objectives.
- **Estimate Customer Units.** The estimated customer units is critical to the rate calculation. The rates are calculated by dividing the allocated costs by customer category described above by the corresponding customer units to arrive at the needed rates to support the City’s Solid Waste Funds. This includes the number of residential customers, the number, size, and frequency of pickup of commercial bins, and the size and number of pickups for drop boxes. SCS used information supplied by the haulers to establish baseline customer information. The projected City growth rate of 1.3% was used to escalate waste and disposal projections; however, the household count was kept constant for rate setting purposes. The household count can be adjusted each year when actual rates are finalized. The calculated fee schedule rates are based on \$/HH/month in the case of the residential fees, \$/cy/month for commercial bins, and \$/pickup or \$/ton for industrial fees.
- **Develop the “Test Year”.** SCS developed a Test Year based on the Fiscal Year 2017/18 budget as a quality control test of the rate model in terms of the reasonableness and accuracy of the calculation methodology and formula used. The results of the test year were compared against the rates currently published, as well as checking the projected sufficiency of the existing rates to support the City’s operations. The resulting Test Year was used as the basis for forecasting expenses for the five-year forecast (Fiscal Years 18/19 to 22/23).
- **Estimate Future Fee Schedule Rates.** The projected fee schedule rates for residential, commercial, and industrial collection services were calculated based on the above projections. The projected 5-year revenues and expenses for each fund are summarized separately. The proposed future fee schedule rates need to support the City’s solid waste operations were developed for the five-year forecast period. The calculated rates were compared against existing fee schedule rates. SCS worked with

City staff to resolve any issues relative to the key model assumptions before finalizing the recommended rates.

2.2 KEY INPUT ASSUMPTIONS AND DATA SOURCES

In order to develop future rate requirement forecasts, SCS projected how the City's expenses and revenues for each fund would change over the forecast period due to factors such as inflation, customer growth, capital needs for special projects and equipment, staffing changes, tipping fee, and impacts of regulatory changes to the City's Solid Waste operations. The assumptions used to develop the forecast include the following major assumptions or information sources:

- **List of Fees to be Included in Rate Analysis.** The current fees charged by the City to residential, commercial and industrial customers are summarized in Table 1. These are applied to the hauler service fees to calculate the residential, commercial, and industrial collection rates. The rates for the fees are calculated in the rate model to provide sufficient revenues to fund the Solid Waste Division's operations.

Table 1. Current City Solid Waste Fees

Fee Item	Rate
Commercial Fees	
Carpenter Road Landfill Mitigation Fee	\$0.91 /cy/month
Green Waste Diversion Fee	\$7.79 /cy/month
Litter Abatement Fee	\$0.22 /cy/month
Recycling Fee	\$0.22 /cy/month
Industrial Fees	
Industrial - Recycling Fee	\$5.00/pull
Green Waste Diversion Fee	\$14.00/ton
Residential Fees	
Carpenter Road Landfill Mitigation Fee	\$0.50/HH/month
Green Waste Diversion Fee	\$4.26/HH/month
Recycling Fee	\$0.25/HH/month

Fees based on the "Expenses to be funded by rates" are calculated as follows:

- **Residential Fees:** Required Annual Fee Revenues/# households (collected weekly)/12 = \$/HH/month
- **Commercial Fees (Recycle, Green Waste Diversion, and Litter Abatement):** Required Annual Fee Revenues/(sum product [container sizes deployed x # pickups/week/container size])/12 = \$/cy/month

- **Industrial Fees:**
 - a. Recycle Fee: Required Annual Fee Revenues/No. of Pulls = **\$/pickup**
 - b. Green Waste Diversion Fee: Required Annual Fee Revenues/(WTE + LF tons) = **\$/ton**
- **Escalation.** Cost escalation based on Consumer Price Index (CPI): 2.3 percent (12-year average 2004-2017, U.S. Department of Labor). However, the audited hauler costs were not escalated per the City’s direction, since the most recent year-to-year changes documented in the Fiscal Year 15/16 audit were insignificant.
- **Customer Growth.** In this rate analysis, the number of households was kept constant for projection purposes, and can be adjusted annually as actual household counts are confirmed and budgets finalized.
- **Municipal Solid Waste (MSW) Disposal Costs and Compost Tipping Fees.** The tipping fee schedules for disposal at the Covanta Waste to Energy (WTE) Facility, Landfill, and Compost Facility are summarized in Table 2. The City is committed to disposing the waste collected within the City at the Covanta WTE facility per the Joint Powers Agreement between the parties. The Covanta Tipping Fee is escalated by the CPI, while all the other components of the disposal fee are kept constant. The estimated annual tipping fee and calculated \$/HH/month tipping fee rates for dumping at the WTE Facility, Landfill, or Compost Facility, based on the projected number of households served, are presented in Table 3 for the two scenarios evaluated.

Table 2. WTE and Compost Facility Tipping Fees

Item	FY 17/18 WTE Tipping Fee (\$/ton)
MSW Disposal Cost	\$40.70/ton
Covanta JPA Agreement	\$33.08/ton
CPI Adjustment 2017	\$0.62/ton
AB939 Fee	\$6.00/ton
LF Costs	\$1.00/ton
Item	Compost Tipping Fee (\$/ton)
Compost Tipping Rates	
Outside Customers	\$26.00/ton
Internal City	\$15.00/ton
Compost Sales	Compost Sales (\$/unit)
1-2 CY	\$15.75/cy
4+ CY	\$8.25/cy
40+ CY	\$6.33/cy
	\$11.00/ton

Table 3. Residential Waste to Energy, Landfill, & Compost Tipping Fee Projections (See Note below)

Fiscal Year	# Households	Audit													Total Tipping Fees WTE+LF+Compost (\$/HH/month)	Total Disposal + Compost (\$)

Note: Number of households kept constant for conservative rate budgeting purposes.

The first table reflects projections based solely on the audited Fiscal Year 15/16 estimated quantities, with only minor growth in the disposal rate. The second table is based on the hauler supplied data, which shows significant growth in the residential disposal between Fiscal Years 15/16 and 17/18.

- **AB 939 WTE Fee.** Total is \$6/ton, with \$3.00/ton returned to Solid Waste Fund Revenue, and \$3/ton returned to Stanislaus County for Household Hazardous Waste Program.
- **AB 939 Green Waste Diversion Fee.** The City evaluated its line item expenses for the Green Waste/Forestry Fund and determined that 76% of the Forestry Cost Center expenses (Fund 4892, Cost Center 56040) are eligible for inclusion in the AB 939 Green Waste Diversion fee. The Green Waste Collection Cost Center (56030) is funded 100% through the Green Waste Diversion Fee. The balance of the Forestry Cost Center expenses will need to be funded through General Fund transfers.
- **Average Drop Box Size.** Typical 40 cubic yards.
- **Residential, Commercial, and Industrial Customer Information.** Customer Counts and Residential/Commercial/Industrial container information (number and size of carts per household, bin and drop box container sizes and frequency of pickup): Audited financial reports submitted by City's haulers. The hauler specific information is not provided herein for confidentiality purposes.
- **Cost Allocations for Rate Calculations.** The enterprise funds are funded through various revenue sources. Some of the revenue sources are non-fee related, while the more significant revenue is obtained through the various fees charged by the City. These fees are charged by the haulers and pass-through to the City. Table 4 summarizes the cost allocation percentages used in the rate model to allocate expenses that need to be funded by the various fees charged by the City to residential, commercial, and industrial customers. The percentage allocations are based on either disposal quantities by customer category, waste type, and disposal location, or in the case of the Green Waste Fund, based on consideration of the distribution of trees maintained by the City in residential, commercial, and industrial areas and the judgment of City staff. Table 5 presents the sample calculations for the cost allocations to residential, commercial and industrial users based on the above percentage distributions and anticipated non-rate revenues to be received by the City.
- **Waste, Recycling, and Disposal Quantities.** Table 6 summarizes the waste quantities beginning January 2015 that were provided by the haulers for management of MSW, organics, and recycling for residential, commercial, industrial, and self-haul customers. The hauler data includes "Organics", which is collected primarily by Residential and Commercial collection assets, and then other organics such as Green Waste, Compostables, and Woody Waste within recycled materials collected in the Industrial Drop Boxes. The City generally increases the haulers' audited disposal costs by the CPI when setting future rates. The last approved audits were for Fiscal Year 2015/16. **However, un-audited waste quantity disposal information provided by the haulers during this rate study suggests that the disposal quantities for Fiscal Year 2016/17 and 2017/18 may significantly exceed the CPI escalation rate, which is why SCS prepared the alternative rate scenario for the City's consideration pending receipt of the haulers' audited financials. The assumed disposal rates and costs will need to be confirmed when the next hauler audits are submitted.**

- Capital Expense for Equipment Replacement.** The pro forma model includes a schedule for capital purchases and amortization based on the City's projected equipment replacement dates. However, the City Solid Waste staff indicated to SCS that most of their future equipment needs, with the exception of certain assets under the Compost Fund, have sufficient reserves set aside for Fleet Management to purchase replacement equipment. **The pro forma includes a new accrual line item for unfunded equipment replacement for Compost Fund** (See Table 7). The accrual is based on a "letter of credit" methodology on a conservative basis, with interest expenses included during the 10-year accrual period when the equipment replacement fund balance is insufficient to cover the required capital expenses. If the City has sufficient capital reserves to cash-fund this expense, the accrual can be reduced to the estimated depreciation rate. The 10-year accrual calculation is shown in Table 8.

Table 4. Cost Allocation Assumptions for Residential, Commercial and Industrial Users

Enterprise Fund	Allocation%	Basis
Composting		Quantities delivered to compost facility.
Residential	95.1%	
Commercial	2.40%	
Industrial	2.40%	
Solid Waste Management		Quantities of waste managed.
Residential	50.9%	
Commercial	35.9%	
Industrial	13.2%	
Green Waste/Forestry		Recognizes that the majority of trees are in residential areas, but commercial and industrial to a lesser extent have tree common areas maintained by the City.
Residential	65.0%	
Commercial	30.0%	
Industrial	5.0%	
Carpenter Road Landfill		Quantities of waste managed.
Residential	50.9%	
Commercial	35.9%	
Industrial	13.2%	

Table 5. Example Revenue Requirements Worksheet 2019 – 2023 Projections

Revenue Requirements Worksheet					Budget	Fiscal Year				
Fund	Fund Description	Fund	Type		2018	2019	2020	2021	2022	2023
4890	Compost Operations	4890	Compost	Expenses	\$1,757,859	\$2,278,890	\$2,516,990	\$2,726,190	\$3,018,090	\$3,215,790
	Revenue offsets									
	Revenue - Fixed Sources	4890	Fixed		\$404,363	\$494,603	\$588,289	\$623,477	\$659,715	\$697,477

Notes:

1. Based on data provided by the City's Haulers, Bertolotti and Gilton, January 2016-September 2017. AB 939 max rate based on 120,000 tons/year.
2. "Organic" includes: Residential, Commercial, Drop Box, and Self Haul "Organic", plus the "Wood", "Other: Green Waste", and Other: Compostables and Feed" that is included in the Recycling category quantities reported by the Haulers.
3. 2018 quantities based on 3-month data (July-Sept) and organics quantities adjusted for seasonal trends. 2019 and beyond escalated based on projected growth rates.

Period (Unfunded Assets)	Total Capex	Average			
5-year need	\$2,357,463	\$471,493/yr			
10-year need	\$2,414,663	\$241,466/yr			
Projected Depreciation (Unfunded Assets)					
5-year average 2019-2023	\$167,460/yr				
10-year average (2019-2028)	\$186,131/yr				

Notes:

1. The accrual calculation assumes all capital equipment replacement would be fully paid for during the 10-year period 2019-2028. If the City has the funds to pay cash for these equipment purchases, the interest expense can be removed; however, the approach shown above is conservative and assumes 4% interest expense. The 10-yr. average capex of approximately \$242,000/year could be used in the case of a cash purchase.
2. Depreciation expense (not including any adjustment for salvage value) is shown for information purposes, and only begins when asset is purchased. Using depreciation expense for the accrual would not fully fund the asset during the planning period.

- **Future Compost Operations Tipping Fee Calculation.** The current tipping fees for the compost operation are summarized in Table 2 for the various customers using the facility and compost sale rates. Outside Haulers pay a higher tipping fee; internal City customers pay a lower tipping fee. The rate model calculates the rates to fund the compost operations. The calculated rate is compared to the current rate. If the calculated rate is lower than the current rate, the rate is kept the same as the previous year as a conservative approach. The revenue from the sale of compost is not sufficient to cover the costs of the operations. The tipping fee is needed to provide the balance of the funds for the operation.
- **SB 1383 – Short-Lived Climate Pollutants.** This bill requires the State Air Resources Board, no later than January 1, 2018, to approve and begin implementing a comprehensive strategy to reduce emissions of short-lived climate pollutants. The bill targets a 50 percent reduction in the level of the statewide disposal of organic waste from the 2014 level by 2020 and a 75 percent reduction by 2025. The bill authorizes local jurisdictions to charge and collect fees to recover the local

jurisdiction's costs incurred in complying with the regulations. This imposes a state-mandated local program by adding to the duties of local governments related to organic waste in landfills. The City's existing organics recycling collection and composting program will help the City to comply with the requirements of SB 1383, however the City will need to work with its haulers to ensure all commercial customers are recycling organics, and the City is in compliance with other aspects of the law and future regulations. The pro forma accounts for the increased organics diversion that is anticipated as a result of SB 1383. Table 9 summarizes the estimated organics diversion required to meet the SB 1383 goals. The diversion will decrease tip fees paid to Covanta and increase composting tip fee revenue to the City, as well as increased sales of compost. These factors are incorporated into the rate model. We assume actions will be initiated in 2019, and then gradually increase thereafter to achieve the 50 % and 75% diversion goals for 2020 and 2025, respectively. **The City will need to conduct more extensive assessment of programmatic, staffing, facility, equipment, and permit changes at the compost operation to meet the SB 1383 goals.** However, for the purposes of this rate analysis, SCS assumed that certain labor, equipment, and materials costs would increase incrementally per the following schedule as organic diversion increases, and then remain steady thereafter as shown in Table 10.

- **Staffing Changes.** Moss Adams has conducted an efficiency study for the City's Solid Waste Division and made recommendations for improvements². **In response, the Solid Waste and Green Waste/Forestry Funds are proposing staffing changes. Solid Waste's proposed staffing changes are shown in Table 11.** The proposed Integrated Waste Planning Manager position salary is estimated based on other comparable City positions; however, the position will need to be created. **Green Waste/Forestry is proposing significant reorganization as well as adding one Operations Supervisor to the Forestry Division at a cost of \$108,000/year** (total salary and benefits). The rate model shows these staffing changes becoming effective 7/1/2018 (i.e., next fiscal year).
- **Operating Reserve. Beginning in 2021, a 2% operating reserve is added as an expense to each Fund budget.** This reserve would exclude one-time special, significant capital or special project expenditures.
- **Cart Costs (96 gallon).** \$75/cart (delivered).
- **MSW Densities (source: US EPA)**
 - In carts: 275 lbs./cy³
 - Un-compacted yard waste: 250 lbs./cy

² Moss Adams, City of Modesto Solid Waste Division Efficiency Study, September 2016.

³ The City allows a maximum of 100 pounds per cart.

SB 1383 Goal Achieved

Table 11. Proposed Staffing Changes for Solid Waste and Green Waste/Forestry Funds

Solid Waste Division Additional Staff FY 18/19					
Assumptions					
1. Reallocate current Solid Waste Enforcement Officer position to a Solid Waste Enforcement Supervisor					
2. Reallocate current Admin TechII position to an Admin Analyst I					
3. Eliminate the Solid Waste Manager position					
4. Reallocate the Integrated Waste Specialist to an Integrated Waste Planning Manager					
5. Add 1 Solid Waste Enforcement Officer					
Current Allocations in budget - fully benefited					
1. Admin Tech II (currently vacant)					\$ 74,537.00
2. Solid Waste Enforcement Officer					\$ 86,546.38
3. Solid Waste Manager (currently vacant)					\$ 163,679.37
4. Integrated Waste Specialist					\$ 136,067.49
Proposed 2018 New/Reclassified Allocations					
	2019	2020	2021	2022	2023
	(Step A)	(Step B)	(Step C)	(Step D)	(Step E)
1. Add 1 new Solid Waste Enforcement Officer	\$ 69,483.14	\$ 72,957.30	\$ 76,605.17	\$ 80,435.43	\$ 84,457.20
2. Reallocate SWEO to SWEO Supervisor (incls 2.5% from fire)	\$ 92,985.22	\$ 97,634.48	\$ 102,516.21	\$ 107,642.02	\$ 113,024.12
3. Cost already recognized in budget for SWEO	\$ (86,546.38)	\$ (86,546.38)	\$ (86,546.38)	\$ (86,546.38)	\$ (86,546.38)
4. <u>Total Cost Increase</u>	\$ 6,438.84	\$ 11,088.10	\$ 15,969.82	\$ 21,095.64	\$ 26,477.74
5. Reallocate Admin Tech II to Admin Analyst I	\$ 80,188.56	\$ 84,197.99	\$ 88,407.89	\$ 92,828.29	\$ 97,469.70
6. Cost already recognized in budget for Admin Tech II	\$ (74,537.00)	\$ (74,537.00)	\$ (74,537.00)	\$ (74,537.00)	\$ (74,537.00)
7. <u>Total Cost Increase</u>	\$ 5,651.56	\$ 9,660.99	\$ 13,870.89	\$ 18,291.29	\$ 22,932.70
	(Step A)	(Step B)	(Step C)	(Step D)	(Step E)
Reallocate Integrated Waste Specialist to Integrated Waste Planning Manager (See Note 1)	\$ 143,184.00	\$ 150,343.20	\$ 157,860.36	\$ 165,753.37	\$ 165,753.37
9. Cost already recognized in budget for Integrated Waste Spc	\$ (136,067.49)	\$ (136,067.49)	\$ (136,067.49)	\$ (136,067.49)	\$ (136,067.49)
10. <u>Total Cost Increase</u>	\$ 7,116.50	\$ 14,275.70	\$ 21,792.86	\$ 29,685.88	\$ 29,685.88
11. Eliminate Solid Waste Manager Position	\$ (163,679.37)	\$ (163,679.37)	\$ (163,679.37)	\$ (163,679.37)	\$ (163,679.37)
Total Proposed Increase to Solid Waste Budget	\$ (74,989.32)	\$ (55,697.28)	\$ (35,440.63)	\$ (14,171.15)	\$ (125.86)
Notes: for SW Fund Changes					
a. Does include benefited rate as of 17/18					
b. All Step A's are set at current rate. There is a 2% increase that will be effective June 26, 2018					
c. Does not include any estimates for union or benefit increases					
SW Management believes the 2018 budget should be allocated for all positions at step b; SW will recognize a savings at the end of FY if					
d. positions are filled in July.					
e. SWEO Supervisor would move to an MCMA Position					
f. Admin Analyst would be an MCMA Position					

Green Waste/Forestry					
	2019	2020	2021	2022	2023
Estimated Cost for one Ops Supervisor: \$108,000/year (total salary + supplemental + benefits)	\$ 108,000.00				
Note: 1. Integrated Waste Planning Manager position salary is estimated based on other comparable City positions; position needs to be created.					

[For budgeting purposes, the savings for 2019 are subtracted from the City's previous personnel salary budget estimate and then the result is escalated by the CPI in subsequent years.]

2.3 RATE ANALYSIS RESULTS AND RECOMMENDATIONS

The following tables present the results of the pro forma rate analysis based on the assumptions and inputs detailed in Section 2.2.

- **Table 12** - Summary of Existing and Proposed Schedule of Fees (2018 – 2023)
- **Table 13** - Summary of Projected Revenue and Expense for Compost Fund 4890 (2018 – 2023)
- **Table 14** - Supporting Cost and Revenue Analysis for Compost Operation 2018-2025
- **Table 15** - Summary of Projected Revenue and Expense for Solid Waste Fund 4891 (2018 – 2023)
- **Table 16** - Summary of Projected Revenue and Expense for Green Waste/Forestry Fund 4892 (2018 – 2023)
- **Table 17** - Summary of Projected Revenue and Expense for Carpenter Road Landfill Fund 4893 (2018 – 2023)

The following observations, conclusions, and recommendations are offered for the City's consideration.

- **Compost Fund**
 - **Rate Sufficiency.** Current tipping fees and compost product pricing appear to be sufficient to support the City's Compost operations. **SCS recommends no change in the Compost tipping fees at this time. Compost product rates should be adjusted annually to accommodate inflation and other factors.**
 - **Fund Balance.** At the beginning of Fiscal Year 2017/18, the Compost Fund had a positive beginning fund balance of approximately \$253,000. With the existing tipping fee and anticipated compost sales, the fund balance should increase, which will provide reserves for operational contingencies and market fluctuations.

Table 12. Summary of Existing and Proposed Schedule of Fees (2018 – 2023)

Fees		Rates					
		Budgeted FY 17-18	Projected FY 18-19	Projected FY 19-20	Projected FY 20-21	Projected FY 21-22	Projected FY 22-23
		2018 Current	2019 Projected	2020 Projected	2021 Projected	2022 Projected	2023 Projected
Residential Rate, City Methodology (See Note 2) Based on Audited 2015/2016 Financials with Adjustments for Coyanta and Compost Tip Fee Increases							
Projected Residential Rate		\$30.60/HH/month	\$33.09/HH/month	\$33.28/HH/month	\$33.85/HH/month	\$33.65/HH/month	\$34.06/HH/month

Commercial- Recycling Fee		\$0.22 cy/month	\$0.97 cy/month	\$1.00 cy/month	\$1.09 cy/month	\$1.02 cy/month	\$1.06 cy/month
Green Waste Diversion Fee		\$7.79 cy/month	\$9.45 cy/month	\$9.67 cy/month	\$10.36 cy/month	\$10.60 cy/month	\$10.84 cy/month
Industrial (Drop Box) Fees							
Carpenter Road Landfill Mitigation Fee ⁴		\$5.00/pull	\$13.79/pull	\$13.79/pull	\$13.79/pull	\$3.88/pull	\$3.97/pull
Industrial - Recycling Fee		\$5.00/pull	\$14.07/pull	\$14.63/pull	\$15.91/pull	\$14.83/pull	\$15.44/pull
Green Waste Diversion Fee		\$14.00/ton	\$15.64/ton	\$15.79/ton	\$16.69/ton	\$16.86/ton	\$17.03/ton

Notes:

- Hauler costs are based on audited costs and include direct, indirect costs, profit, dumping fees, and interest expense, with no escalation included, and includes a fuel surcharge fee of \$0.53/HH/mn for April 2017 through March 2018.
- Per the City analysis (2/27 email), 73% of the Forestry Cost Center (56040) and 100% of the Collection Cost Center (56020) are eligible for funding through the AB939 Green Waste diversion fee, with the 27% balance in the Forestry Cost Center being covered by the General Fund. General Fund transfer can be adjusted to meet specific goals the City wants to achieve with respect to the ending Net Fund Balance. Also this analysis assumes a General Fund contribution beginning in Fiscal Year 2017/18 and continuing forward cover the 24% of the Forestry Cost Center expenses not covered by AB 939 Green Waste Diversion Fee.
- The alternative analysis for the residential rates prepared by SCS considers anticipated potential additional disposal costs based on preliminary unaudited disposal records provided by the haulers during this rate study for FY 16/17 and FY 17/18, which suggest disposal quantities and costs may exceed the CPI adjusted audited FY 15/16 quantities and disposal costs. The FY 2016/2017 hauler audits have not been submitted.
- The landfill mitigation project budget increased from \$2.6M to \$3.6M; therefore, the landfill mitigation fee was continued forward through FY 20/21 to provided additional revenue.

Table 13. Summary of Projected Revenue and Expense for Compost Fund 4890 (2018 – 2023)

Compost Fund 4890	Budgeted	Projected	Projected	Projected	Projected	Projected

¹ Assumes rate increase beginning July 1, 2018.

² Per the City analysis (2/27 email), 76% of the Forestry Cost Center (56040) and 100% of the Collection Cost Center (56020) are eligible for funding through the AB939 Green Waste Diversion Fee, with the 24% balance in the Forestry Cost Center being covered by the General Fund. General Fund transfer can be adjusted to meet specific goals the City wants to achieve with respect to the ending Net Fund Balance. The General Fund Transfers are shown to begin in Fiscal Year 2017/2018 and continuing forward to fund the 24% of the Forestry Cost Center not covered by the AB 939 Green Waste Diversion Fee.

**Table 17. Summary of Projected Revenue and Expense for
 Carpenter Road Landfill Fund 4893 (2018 - 2023)**

Ending Fund Balance	\$2,297,361	(\$832,939)	(\$366,339)	\$97,061	\$100,061	\$103,061

¹Assumes rate increase beginning July 1, 2018. Budget for mitigation increased from \$2.6 million to \$3.6 million.

- **Operating Reserve.** A 2% operating reserve fund has been added beginning in 2021. This is a new expense item.
 - **Equipment.** SCS recommends that a new equipment accrual expense line item be added to the budget for the purchase of compost equipment that currently is not being funded through the current budgeted reserve allocations (See Table 7).
 - **Staffing Changes.** No immediate staffing changes are planned, but SCS recommends that the City evaluate the additional staffing that will be needed to manage the increased organics diversion as a result of SB 1383 (see below).
 - **Regulatory Changes Impacting Rates.** Increased O&M expenses have been added to the select fund budget line items beginning in 2019 to account for additional costs that will likely be incurred with the increased organics diversion in response to the SB 1383 requirements (See Table 10). Increase revenues from compost sales as organics diversion increases helps to offset expenses. However, the pro forma rate model assumes that all of the compost product generated from the facility is sold per the assumed market prices. The organics diversion will increase compost tipping revenues, with corresponding reduction in disposal costs. The reduced disposal costs will also result in a decrease in the revenue from the AB 939 Fee (\$3/ton), which directly affects the revenue to the Solid Waste Fund.
 - **Compost Facility Capacity.** SCS recommends the City conduct a detailed assessment of programmatic, staffing, facility, equipment, and permit changes that may be required at the compost operation to meet the SB 1383 goals.
 - **Data Management.** The City maintains adequate current and historical records on material deliveries by customer type into the Compost Facility and sale of compost product. However, please see the recommendation for data management under "Solid Waste Fund".
- **Solid Waste Fund**
 - **Rate Sufficiency.** Current fees are not sufficient to support the projected expenses for the Fund. SCS recommends an increase in the residential recycling fee, and the commercial and industrial recycling and litter abatement fees to support the Fund's budget.
 - **Fund Balance.** At the beginning of the fiscal year, the Solid Waste Fund had a positive ending fund balance of approximately \$100,000; however, budgeted expenses were projected greater than revenues, and the projected fund balance at the end of the fiscal year was projected to be approximately -\$211,000. Adopting the 2018/19 rates in April of this year will reduce the negative fund balance to approximately -\$187,000. An additional \$66,000 per year in revenue requirement was added for three years beginning Fiscal Year 2018/19 to eliminate the negative fund balance. The proposed residential, commercial, and industrial fees (i.e., drop

box) presented in Table 12 would provide sufficient revenues to maintain a positive ending fund balance.

- **Operating Reserve.** A 2% operating reserve fund has been added beginning in 2021. This is a new expense item.
- **Equipment.** No changes to budgeted equipment funding is proposed.
- **Staffing Changes.** Solid Waste has identified various staffing changes it believes will improve the management and administration of the fund (See Section 2.2). These changes are incorporated into the proposed rates. The proposed staffing changes will actually result in a reduction in overall salary costs for the foreseeable future.
- **Regulatory Changes Impacting Rates.** None noted.
- **Data Management.** In the process of developing the rate model, SCS reviewed waste quantity, customer count, and bin and container data from various sources. In particular, the audited financial information submitted by the haulers differs in format, content, and organization. **SCS recommends the City work with the haulers to develop a standard, consistent format, with instructions on what should be accounted for in each line item of the audited financial statements. In addition, SCS recommends the City develop a database to store all the residential, commercial, and industrial waste, recycling, organic waste, WTE and Landfill disposal, and composting quantity data, and again, work with the City's haulers and other Solid Waste department staff to standardize data field descriptions and data input protocol and requirements.** This will facilitate preparation of future rate analyses, and assist the City with other reporting requirements.
- **Green Waste/Forestry Fund**
 - **Rate Sufficiency.** The City's current Green Waste fees are insufficient to support the Green Waste/Forestry Fund. **SCS recommends increases to the residential, commercial, and industrial Green Waste fees as shown in Table 12 to provide the needed revenues to support the Fund budget.** In addition, the City has determined that only 76% of the Forestry Cost Center expenses (Fund 4892, Cost Center 56040) are eligible for inclusion in the AB 939 Green Waste Diversion Fee, while 100% of the Green Waste Collection expenses are eligible. As such, the rate calculations have been adjusted accordingly, with the assumption that the balance of the revenue needs for the Green Waste/Forestry Fund (Fund 4892) will be funded through General Fund transfers.
 - **Fund Balance.** For Fiscal Year 2017/18, the City projected a beginning negative fund balance of approximately -\$394,000, with a projected increasing deficit. Per the City's direction, General Fund transfers are included in the rate analysis beginning in Fiscal Year 2017/18 to reduce the negative end of year fund balance. The amount of the proposed General Fund transfer is equal to 24% of the Forestry

Cost Center expense. This approach, along with other rate increases will decrease the negative fund balance going forward, but not eliminate it. Additional fees or General Fund transfers will be needed to eliminate the negative end of year fund balance.

- **Operating Reserve.** A 2% operating reserve fund has been added beginning in Fiscal Year 2021. This is a new expense item.
 - **Equipment.** No changes to budgeted equipment funding is proposed.
 - **Staffing Changes.** The Green Waste Fund is proposing adding staff beginning in Fiscal Year 2018/19 (See Section 2.2), which would add approximately \$108,000 per year to the budget. This salary increase is included in the rate analysis beginning in Fiscal Year 2019 and beyond.
 - **Regulatory Changes Impacting Rates.** As noted above, SB 1383 requires the increased diversion of organics from disposal, with diversion goals set for 2020 and 2025. This rule does not directly affect the Green Waste Fund from a budgetary perspective. The major costs associated with this bill are covered under the Compost, WTE, and Landfill charges.
 - **Data Management.** A more definitive basis should be established for the allocation of the residential, commercial, and industrial green waste diversion fees. **SCS recommends that the cost allocation be based on an inventory of the location of the City maintained trees as a function of residential, industrial, and commercial zoning. SCS recommends that this information be coordinated with the City's GIS system and included as a separate layer in the GIS system.**
- **Carpenter Road Landfill Fund**
 - **Rate Sufficiency.** The City has used the Landfill Mitigation Fee to accrue reserves to complete the landfill cleanup project, which is scheduled for Fiscal Year 2019 at an estimated budget of \$3.6 million (increase from previous estimate of \$2.6 million). Based on the allocation methodology outlined in the assumptions, **SCS recommends that the residential rate be kept at \$0.50/HH/month through Fiscal Year 2020/2021, and then decreased thereafter. This will provide the additional \$1 million in revenue needed for the landfill mitigation project. The commercial rate should be increased to \$0.95/cy/month from \$0.91/cy/month, and the drop box pull rate for industrial customers increased to \$13.79/pull from \$5.00/pull through FY 2020/2021. The City should consider reducing the landfill mitigation fees as noted in Table 12 following the completion of the landfill cleanup project. A decision on this recommendation can be deferred for the time being.** This approach will provide the funds to support the landfill cleanup project and post-closure care of the landfill.
 - **Fund Balance.** The Carpenter Road Landfill Fund had a beginning fund balance for Fiscal Year 2017/18 of approximately \$2.3 million, with budgeted net increase

of approximately \$0.413 million. The proposed rates through Fiscal Year 2020/2021 should accrue sufficient revenue to complete the \$3.6 million landfill mitigation project.

- **Equipment.** No changes to budgeted equipment funding proposed.
- **Staffing Changes.** No changes proposed.
- **Regulatory Changes Impacting Rates.** No changes proposed.
- **Operating Reserve.** A 2% operating reserve fund has been added beginning in 2021. This is a new expense item.
- **Data Management.** No data management changes are recommended.
- **Timing of Rate Adjustment.** **SCS recommends that the fee rates shown for Fiscal Year 2018/19 be adopted.** The rate analysis assumes the new rates will become effect July 1, 2018 (Fiscal Year 2018/19).

3.0 METHODOLOGY FOR ADDITIONAL SERVICES

3.1 GARBAGE - SECOND CART

Table 18 summarizes the City’s fee schedule for household garbage and green waste carts:

Table 18. City of Modesto Standard Container Rates

Container Size	Rate
96-Gallon Garbage	
a. 96-gallon (MSW+Organics) – First Cart	\$30.60/HH/month
b. 96-gallon – Garbage Second Cart	\$21.44/HH/month
c. 96-gallon – Organic Second Cart	\$10.27/HH/month

The City indicated that it does not have documentation on the basis for second cart rates. SCS was tasked with developing a methodology for assessing the actual cost of the second cart and recommending a possible new rate schedule and approach to the second cart pricing. Currently, the hauler retains all the revenue from the second cart.

The rate for the second cart needs to cover the following fixed and variable cost elements:

- Capital cost for cart
- Incremental replacement/maintenance costs
- Incremental disposal costs
- Incremental collection costs
- Any surcharge cost to be applied as disincentive to use a second cart.

Table 19 provides SCS’s approach to assessing the second cart cost based on the following methodology:

1. Calculate the fixed + variable + profit costs for collection, and estimate the \$/HH/month costs (using hauler provided customer counts).
2. Estimate the tonnage of MSW in the 2nd cart as a function of the % capacity used. For the purpose of this analysis, SCS considered 50%, 75%, and 100%.
3. Calculate the disposal cost of the additional cart @ the % utilization times the MSW disposal costs (\$40.70/ton), and express as \$/HH/month.
4. Estimate capital, maintenance, and replacement cost of carts, and evaluate amortization for a 5-year and 10-year period, and express in \$/HH/month.

Table 19. Second Cart Analysis- Garbage

200%	\$17.86	\$25.96	\$34.09	\$17.14	\$25.24	\$33.97

- Estimate the % of additional collection expenses that would result from handling a second cart. We assumed a 2% increase in costs based on a theoretical routing analysis assuming 800 stops per route, about 3.5% of the customers having an additional cart. This cost is calculated by multiplying the hauler collection cost by 2%, expressed as \$/HH/month.
- Considered a range of incentive factors (i.e., additional costs) to apply, and calculate a potential range of second cart fees.
- Make a decision on the various factors to use in the calculation, and select the 2nd cart rate, see Exhibit 3 below. The City may need to make a final adjustment to account for slight differences in the hauler costs.

As can be seen from the summary table at the end of Table 19, the base cost for the second cart ranges between \$12 and \$13/HH/month assuming 100% of the disposal capacity utilized. Placing a 100% disincentive disposal charge, would increase the 2nd cart fee to \$23.28, which is comparable to the City's current 2nd cart rate. **SCS recommends that if the City continues to charge the higher second cart rate that the difference between the higher rate and the hauler's actual full costs be rebated back to the City Solid Waste Fund to support other recycling and education programs in the City. Currently, the hauler retains the additional revenue earned for the second cart.**

3.2 ORGANICS CART COLLECTION

The current rate for an additional green waste 90-gallon cart is \$10.27/HH/month, which is 34% of the first cart MSW rate. The basis for the existing rates is not documented. Based on the above methodology for the second garbage cart, the cost of the second organic cart (including the \$26/ton tipping fee) is between \$7 and \$8/HH/month as summarized in Table 20. As such, the current 2nd cart rate is reasonable and provides incentive to divert organic waste to the organics cart instead of the garbage cart, **but SCS recommends that the difference between the haulers actual costs for the cart and the tipping fee be rebated back to the City Solid Waste Fund to support other green waste diversion and enforcement activities.**

Table 20. Second Cart Analysis— Organic Waste

Incentive Factor to Reduce Quantity Generated	Totals, with 5-Year Amortization					
	% Capacity of 96 gallon carts			% Capacity of 96 gallon carts		
	50%	75%	100%	50%	75%	100%
0%	Total Base Rate + Incentive to Reduce + Additional Collection + Amortization			Total Base Rate + Incentive to Reduce + Additional Collection + Amortization		
	\$4.64/HH/mn	\$6.21/HH/mn	\$7.78/HH/mn	\$3.92/HH/mn	\$5.49/HH/mn	\$7.06/HH/mn

3.3 CONTAINER RATE SCHEDULE

The haulers contracted by the City provide yearly requests for updates of their commercial bin and drop box container rates. The proposed Fiscal Year 2018/2019 rates are based on a calculated \$/cy/month rate using the audited direct and indirect expenses (including a fuel surcharge of \$0.11/cy/month to cover additional fuel costs from April 2017 through March 2018), allowed profit, and the Fiscal Year 2018/2019 proposed fees for the lowest cost commercial bin service provider. The calculated \$/cy/month rate is used to establish the rates for the various container sizes and frequency of pickup per week. Table 21 present the results of this analysis and recommended rates for Fiscal Years 2018/2019. **The conclusion from this analysis is the proposed rates will provide sufficient revenue for the haulers.**

Table 21. Proposed FY 2018/2019 Detachable Container Rates Compared to Current Published Rates for FY2016/2017

Container Size		Current Published Rates for FY2016/2017

	5-cy	\$196.80/mn	\$393.60/mn	\$590.40/mn	\$787.20/mn	\$984.00/mn	\$1,180.80/mn
	6-cy	\$236.16/mn	\$472.32/mn	\$709.48/mn	\$944.64/mn	\$1,180.80/mn	\$1,416.96/mn

3.4 DROP BOX PICKUP CHARGE

The City posted published rate for drop box containers is \$248.22 per pickup. This rate does not include disposal costs, which are paid by the customer. An AB 939 Green Waste Diversion Fee of \$14 per ton is added to the disposal charge. The City requested that SCS develop a suggested methodology for calculating the pick-up charge.

SCS recommends the following methodology for establishing the drop box container pickup charge:

1. Review the hauler audited financial statements, which includes a breakdown in the costs for providing the drop box service.
2. Select the lowest cost provider of drop box services to evaluate rates.
3. Calculate the total of the approved direct and indirect costs, profit, plus the following pass-through costs: Franchise Fee, Mitigation Fee, Interest Expense, and Recycle Fees.
4. Verify the number of pickups per year reported by the hauler.
5. Divide the total eligible costs by the number of pickups per year to set the \$/pickup rate.

The analysis using this approach suggests that the collection fee will need to be increased to \$383 per pickup versus the current rate of \$248.22 per pickup based on the audited information provided by the hauler.

Exhibit A

Solid Waste Service Rate Study Phase II Report
City of Modesto

Table 12. Summary of Existing and Proposed Schedule of Fees (2018 – 2023)

Fee	2018	Projected FY 18-19	Projected FY 19-20	Projected FY 20-21	Projected FY 21-22	Projected FY 22-23

Green Waste Diversion Fee	\$0.24 cy/month	\$0.67 cy/month	\$1.00 cy/month	\$1.09 cy/month	\$1.02 cy/month	\$1.08 cy/month
Corporate Road Landfill Mitigation Fee ⁴	\$7.29 cy/month	\$9.45 cy/month	\$9.87 cy/month	\$10.36 cy/month	\$10.60 cy/month	\$10.84 cy/month
Isolated - Recycling Fee	\$5.00/pull	\$1.379/pull	\$1.379/pull	\$1.379/pull	\$1.379/pull	\$1.379/pull
Green Waste Diversion Fee	\$3.00/ton	\$14.07/ton	\$14.03/ton	\$15.91/ton	\$14.83/ton	\$15.84/ton
	\$14.00/ton	\$15.44/ton	\$15.79/ton	\$16.69/ton	\$15.86/ton	\$17.03/ton

1. Hauler costs are based on audited costs and include direct, indirect costs, profit, dumping fees, and interest expense, with an escalation included, and includes a fuel surcharge fee of \$0.32/HH/ton for April 2017 through March 2018.
 2. Per the City analysis (3/27/2018), 75% of the Forestry Cost Center (560,400) and 100% of the Collection Cost Center (560,200) are eligible for funding through the A899 Green Waste diversion fee, with the 25% balance in the Forestry Cost Center being covered by the General Fund. General Fund transfer can be adjusted to meet specific goals the City wants to achieve with respect to the ending fund balance. Also, this analysis assumes a General Fund contribution beginning in Fiscal Year 2017/18 and continuing forward cover the 25% of the Forestry Cost Center expenses not covered by A8 939 Green Waste Diversion Fee.
 3. The alternative analysis for the residential rate prepared by SCS considers anticipated potential additional disposal costs based on primarily uncollected disposal records provided by the haulers during this rate study for FY 16/17 and FY 17/18, which suggest disposal expenses and costs may exceed the CP advised audited FY 15/16 quantities and disposal costs. The FY 2016/2017 hauler costs have not been substantiated.
 4. The landfill mitigation project budget amounted from \$2.6M to \$3.6M; therefore, the landfill mitigation fee was contained below FY 20/21 as provided additional revenue.

MODESTO CITY COUNCIL
RESOLUTION NO. 2018-241

RESOLUTION APPROVING THE QUARTERLY FUEL ADJUSTMENTS FROM APRIL 2017 THROUGH MARCH 2018 TO THE MAXIMUM RATE SCHEDULE FOR CITY SOLID WASTE COLLECTION SERVICES OF \$0.43 PER MONTH FOR RESIDENTIAL SERVICES AND \$.10 PER CUBIC YARD PER MONTH FOR COMMERCIAL SERVICES, TO BECOME EFFECTIVE JULY 1, 2018, AND RESCINDING RESOLUTION NO. 2017-279

WHEREAS, with the adoption of Ordinance No. 3068-C.S. in November of 1997, the City no longer sets rates for the collection of garbage in Modesto, and instead performs a comprehensive review of cost information submitted by the contract garbage haulers, and

WHEREAS, the City sets the maximum rate that the haulers may charge for the various types of services provided under the contracts based on cost data prepared by the lowest cost hauler, and

WHEREAS, Section f (2) of the City's Service Agreements with its solid waste collectors requires that when the City makes adjustments to the collection services provided under the Agreements, any additional costs should be covered by adjustments to the maximum rates, and

WHEREAS, in addition, maximum rates for solid waste collection services are reviewed annually as per the Agreements with the City's garbage collection companies, and

WHEREAS, the City analyzes the audited financial statements provided by the garbage haulers, supplemental data provided by the garbage haulers, and fuel price information and forecast prices developed by the United States Department of Energy, and

WHEREAS, on June 27, 2006, by Resolution No. 2006-410, Council approved

RESCINDED
OCT 23 2018
THIS RESOLUTION WAS
RESCINDED BY MODESTO
CITY COUNCIL
NO. 2018-475

that the fuel component shall be analyzed quarterly and adjustments shall be made as necessary. The adjustment shall be based on the average price of fuel for a preceding quarter as follows: July 1/January-March; October 1/April-June; January 1/July-September; April 1/October-December. Average prices shall be determined based on published prices for California from the Department of Energy, Energy Information Agency, and

WHEREAS, due to the Solid Waste Rate Study the quarterly adjustments to the fuel component of the maximum rates have not been made since July 1, 2017 based on January 2017 through March 2017 fuel pricing, and

WHEREAS, staff and the rate consultant SCS Engineers, Modesto, CA have made adjustments related to the fuel component of the maximum rates and have incorporated the fuel component adjustments into the schedule of the Maximum Charges for Garbage Service **attached** hereto, marked **Attachment A**, July 1, 2018, and incorporated herein by reference, and

WHEREAS, fuel adjustments occur on a quarterly basis, if needed, and

WHEREAS, the fuel rates analyzed for this rate adjustment were based on fuel pricing from April 2017 through March 2018, and

WHEREAS, this action is to adjust maximum rates for fuel and therefore does not require environmental review, and

WHEREAS, it was found and determined by the Council of the City of Modesto that the quarterly adjustments to the fuel component of the maximum rates should be made.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the quarterly fuel adjustments from April 2017 through March

2018 to the Maximum Rate Schedule for Garbage Services, **Attachment A**, dated July 1, 2018, of \$0.43 per month for residential services and \$.10 per cubic yard per month for commercial services and shall become effective July 1, 2018 and shall remain in effect until rescinded.

BE IT FURTHER RESOLVED, that Resolution No. 2017-279 is hereby rescinded effective July 1, 2018.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Zoslocki, who moved its adoption, which motion being duly seconded by Councilmember Ah You, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

MAXIMUM CHARGES FOR GARBAGE SERVICE

STANDARD CONTAINERS

Maximum Monthly Rates (Once a Week Pickup Service)

Standard container service maximum rates shall include the following:

- One 96-gallon container for garbage and one 96-gallon container for organics recycling
- Two bulky item collections per year by appointment
- Maintenance of City trees, including collection & composting of Green Waste/Forestry materials
- Removal of illegally dumped items in streets and alleys
- Drop off program for Household Hazardous Waste at the HHW Facility

Standard container service customers may opt for smaller containers; however, maximum rates apply. Containers must be placed in a location set forth in Section 5-5.111 of the Municipal Code.

1. Standard container service

- a. The maximum rate for new sign-ups for service or changes in service that occur after October 1, 1996, shall be **\$33.09 per month** regardless of size of container. A fuel component of \$.43 per month is included in the maximum rate for April 2017 through March 2018. The fuel component may be adjusted quarterly as needed.
- b. The maximum rate for each additional garbage container shall be **\$21.44 per month, and \$10.27 per month** for each additional organics recycling container.

2. 60-gallon container service (grandfathered customers)

- a. The maximum rate for customers with 60-gallon containers who subscribed to service at an address prior to July 1, 1996 and who have not changed their service address shall be **\$24.19 per month**. No fuel component adjustment on these containers was made at this time. The fuel component may be adjusted quarterly as needed
- b. The maximum rate for each additional 60-gallon garbage container shall be **\$20.90 per month**.

3. Fuel Component adjustments - The fuel component will be analyzed quarterly and adjustments shall be made as needed. The adjustment shall

be based on the average price of fuel for a preceding quarter as follows: July 1/January-March; October 1/April-June; January 1/July-September; April 1/October-December. Average prices shall be determined based on published prices for California from the Department of Energy, Energy Information Agency.

5. Pursuant to Section 11-6.16(c)(2) of the Modesto Municipal Code, the garbage company may require a deposit equivalent to two (2) months service charge from customers prior to beginning service. The deposit will be credited back to the customer after 18 months under specified conditions.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-242**

**RESOLUTION APPROVING THE ANNUAL RATE ADJUSTMENTS TO THE
MAXIMUM RATE SCHEDULE FOR CITY RESIDENTIAL,
COMMERCIAL, AND INDUSTRIAL SOLID WASTE COLLECTION
SERVICES, TO BECOME EFFECTIVE JULY 1, 2018, AND RESCINDING
RESOLUTION NO. 2017-279**

WHEREAS, with the adoption of Ordinance No. 3068-C.S. in November of 1997,
the City no longer sets rates for the collection of garbage in Modesto, and instead performs
a comprehensive review of cost information submitted by the contract garbage haulers,
and

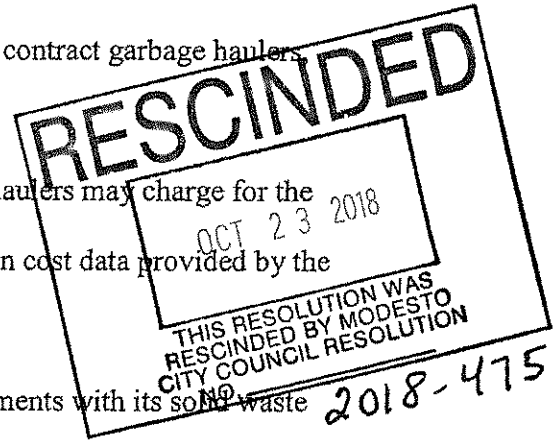

WHEREAS, the City sets the maximum rate that the haulers may charge for the
various types of services provided under the contracts based on cost data provided by the
lowest cost hauler, and

WHEREAS, Section f (2) of the City's Service Agreements with its solid waste
collectors requires that when the City makes adjustments to the collection services
provided under the Agreements, any additional costs should be covered by adjustments to
the maximum rates, and

WHEREAS, in addition, maximum rates for solid waste collection services are
reviewed annually as per the Agreements with the City's garbage collection companies,
and

WHEREAS, the City hired SCS Engineers, Modesto, CA to conduct a Solid Waste
Rate and Fee Study and to validate the City rate setting methodology, and

WHEREAS, SCS Engineers and the City analyzed the audited financial statements
provided by the garbage haulers, supplemental data provided by the garbage haulers,
current City fees, and fuel price information and forecast prices developed by the United

States Department of Energy during this rate setting process, and

WHEREAS, an adjustment for the fuel and billing components of the maximum rates has been incorporated into the Schedule of Maximum Charges for Garbage Service **attached** hereto, marked **Attachment A** and incorporated herein by reference, and

WHEREAS, on November 25, 2008, by Resolution No. 2008-650, Council approved the assessment of an AB 939 Green Waste Diversion fee that would be assessed on residential, commercial bin, and drop box wastes generated in the City of Modesto, and

WHEREAS, to continue to preserve diversion credit, make the organics composting process work, and cover the operating costs for green waste diversion, an adjustment to the Green Waste Diversion Fee is necessary in the amount of \$0.56 per household per month for residential, a \$1.66 per cubic yard per month for commercial, and \$1.64 per ton for industrial garbage, and

WHEREAS, current recycling fees of \$0.25 per household per month for residential, \$0.22 per cubic yard per month for commercial, and \$5.00 per pull for industrial garbage were adopted in June 2006 and have not been reviewed or revised since, and

WHEREAS, state laws AB 341, AB 1826, and SB 1383 have been adopted since 2006 and require mandatory commercial and organics recycling, monitoring, reporting, and enforcement; a rate adjustment to the recycling fees is necessary in the amounts of \$0.16 per household per month for residential, \$0.75 per cubic yard per month for commercial, and \$9.07 per pull for industrial garbage, and

WHEREAS, the current commercial litter abatement fee is \$0.22 per cubic yard per month and this fee has not been reviewed or revised since January 2010, while the

litter lining the streets of Modesto has increased dramatically, a commercial litter abatement fee adjustment of \$0.37 per cubic yard per month is necessary to assist in funding a litter abatement crew, and

WHEREAS, a Cleanup and Abatement Order was issued by the State in March 2015, and currently there is a Carpenter Road Landfill Mitigation fee of \$0.50 per household per month for residential, \$0.91 per cubic yard per month for commercial, and \$5.00 per pull for industrial garbage, and

WHEREAS, the City received revised mitigation costs for the clean closure of the Carpenter Road Landfill and the \$0.50 per household per month fee on the residential rate will remain, while the mitigation fee on the commercial rate will increase by \$0.04 per cubic yard per month, and the mitigation fee on the industrial pull charge will increase by \$8.79, and

WHEREAS, the City is required to conduct an annual rate review by July 1 each year, and

WHEREAS, the Solid Waste Rate Study took longer than anticipated and a July 2017 rate review did not happen, and

WHEREAS, staff will perform a mid-year rate review by January 1, 2019, and

WHEREAS, these actions are administrative actions to adjust the maximum rates for existing services and therefore do not require environmental review, and

WHEREAS, a Council Agenda report dated May 25, 2018, from the Public Works Department, a copy of which is on file in the office of the City Clerk, sets forth said recommendations, and

WHEREAS, a public hearing of the City Council was held at 5:30 p.m. on June

12, 2018, in the Tenth Street Place Chambers, located at 1010 Tenth Street, Modesto, California, during which this matter was discussed and at which time evidence, both oral and documentary, was received and heard by Council, and

WHEREAS, it was found and determined by the Council of the City of Modesto that the existing schedules of rates and charges for garbage service in the City of Modesto should be revised as recommended.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the Maximum Charges for Garbage Services, as **attached** hereto, marked **Attachment A**, dated July 1, 2018, and incorporated herein by reference. Said Maximum Charges for Garbage Service shall include all other services as stipulated in the Service Agreements and shall become effective July 1, 2018 and shall remain in effect until revised or rescinded by Council.

BE IT FURTHER RESOLVED, that Resolution No. 2017-279 is hereby rescinded effective July 1, 2018.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Zoslocki, who moved its adoption, which motion being duly seconded by Councilmember Ah You, was upon roll call carried and the resolution adopted by the following vote:

Budget Message

Mayor's Budget Message– 2018

As Mayor, I have the duty to prepare and deliver to the City Council the Mayor's Budget Message under Modesto City Charter Section 1302.1/1302A.

Under our City Charter, the Mayor has specific duties related to the budget such as providing this budget message.

For the foreseeable future, it appears that the City's Operating Budget will be adversely impacted by higher payments from the City to CalPERS for the solvency of pensions promised by the City of Modesto to current and future City government retirees. Because of this, instead of new spending proposals, my recommendation for this year's fiscal priorities for the City's Operating Budget is to increase our budget reserve in an effort to reach the minimum recommended by the Government Finance Officers Association ("GFOA").

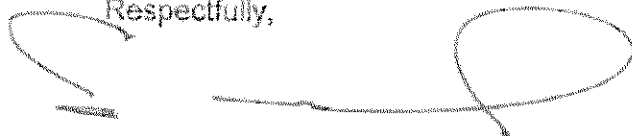

Working with the City Council and City staff, we have made significant improvements in the budget reserve of the City since Modesto citizens entrusted me with the office of Mayor. When I took office, the City's budget reserve was approximately \$3 million. We have been able to raise our General Fund reserves to \$15.8 million as of January 17, 2018. While much better, this amount is still below the minimum recommended by the GFOA. Specifically, the GFOA recommends:

" . . . at a minimum, that general-purpose governments, regardless of size, maintain unrestricted budgetary fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures."

GFOA also *"recommends that governments establish a formal policy on the level of unrestricted fund balance that should be maintained in the general fund for GAAP and budgetary purposes."* I believe the City would benefit from such a formal policy and I have attached a copy of the GFOA's statement on General Fund reserves for consideration by the City Council and our citizens.

I have asked the City Clerk to place this matter on a City Council meeting agenda for the required public hearing and any City Council and public input.

Respectfully,

TED BRANDVOLD, Mayor

2/15/2018

Fund Balance Guidelines for the General Fund

Government Finance Officers Association

BEST PRACTICE

Fund Balance Guidelines for the General Fund

BACKGROUND:

In the context of financial reporting, the term *fund balance* is used to describe the net position of governmental funds calculated in accordance with generally accepted accounting principles (GAAP). Budget professionals commonly use this same term to describe the net position of governmental funds calculated on a government's budgetary basis.¹ While in both cases *fund balance* is intended to serve as a measure of the financial resources available in a governmental fund, it is essential that differences between GAAP *fund balance* and budgetary *fund balance* be fully appreciated.

1. GAAP financial statements report up to five separate categories of fund balance based on the type and source of constraints placed on how resources can be spent (presented in descending order from most constraining to least constraining): *nonspendable fund balance*, *restricted fund balance*, *committed fund balance*, *assigned fund balance*, and *unassigned fund balance*.² The total of the amounts in these last three categories (where the only constraint on spending, if any, is imposed by the government itself) is termed *unrestricted fund balance*. In contrast, budgetary *fund balance*, while it is subject to the same constraints on spending as GAAP *fund balance*, typically represents simply the total amount accumulated from prior years at a point in time.
2. The calculation of GAAP *fund balance* and budgetary *fund balance* sometimes is complicated by the use of sub-funds within the general fund. In such cases, GAAP *fund balance* includes amounts from all of the subfunds, whereas budgetary *fund balance* typically does not.
3. Often the timing of the recognition of revenues and expenditures is different for purposes of GAAP financial reporting and budgeting. For example, encumbrances arising from purchase orders often are recognized as expenditures for budgetary purposes, but never for the preparation of GAAP financial statements.

The effect of these and other differences on the amounts reported as *GAAP fund balance* and *budgetary fund balance* in the general fund should be clarified, understood, and documented.

It is essential that governments maintain adequate levels of fund balance to mitigate current and future risks (e.g., revenue shortfalls and unanticipated expenditures) and to ensure stable tax rates. In most cases, discussions of fund balance will properly focus on a government's general fund. Nonetheless, financial resources available in other funds should also be considered in assessing the adequacy of *unrestricted fund balance* in the general fund.

RECOMMENDATION:

GFOA recommends that governments establish a formal policy on the level of *unrestricted fund balance* that should be maintained in the general fund for GAAP and budgetary purposes.³ Such a

Asset Allocation Guidelines for the General Fund

guidance should be set by the appropriate policy body and articulate a framework and process for how the government would increase or decrease the level of unrestricted fund balance over a specific time period.⁴ In particular, governments should provide broad guidance in the policy for how resources will be directed to replenish fund balance should the balance fall below the level prescribed.

Appropriate Level. The adequacy of unrestricted fund balance in the general fund should take into account each government's own unique circumstances. For example, governments that may be vulnerable to natural disasters, more dependent on a volatile revenue source, or potentially subject to cuts in state and/or federal grants may need to maintain a higher level in the unrestricted fund balance. Articulating these risks in a fund balance policy makes it easier to explain to stakeholders the rationale for a seemingly higher than normal level of fund balance that protects taxpayers and employees from unexpected changes in financial condition. Nevertheless, OGA recommends, as a minimum, that general-purpose governments, regardless of size, maintain unrestricted budgetary fund balances in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures.⁵ The choice of revenues or expenditures as a basis of comparison may be dictated by what is more predictable in a government's particular circumstances.⁶ Furthermore, a government's particular situation often may require a level of unrestricted fund balance in the general fund significantly in excess of this recommended minimum level. In any case, such measures should be applied within the context of long-term forecasting, thereby avoiding the risk of placing too much emphasis upon the level of unrestricted fund balance in the general fund at any one time. In establishing a policy governing the level of unrestricted fund balance in the general fund, a government should consider a variety of factors, including:

1. The predictability of its revenues and the volatility of its expenditures (i.e., higher levels of unrestricted fund balance may be needed if significant revenue sources are subject to unpredictable fluctuations or if operating expenditures are highly volatile);
2. Its previous exposure to significant one-time outlays (e.g., disaster, irrevocable capital needs, state budget cuts);
3. The potential drain upon general fund resources from other funds, as well as, the availability of resources in other funds;
4. The potential impact on the entity's bond ratings and the corresponding increased cost of borrowed funds;
5. Commitments and assignments (i.e., governments may wish to maintain higher levels of unrestricted fund balance to compensate for any portion of unrestricted fund balance already committed or assigned by the government for a specific purpose). Governments may deem it appropriate to exclude from consideration resources that have been committed or assigned to some other purpose and focus on unassigned fund balance, rather than on unrestricted fund balance.

Use and Replenishment

The fund balance policy should define conditions warranting its use, and if a fund balance falls below the government's policy level, a solid plan to replenish it. In that context, the fund balance policy should:

1. Define the time period within which and contingencies for which fund balances will be used;
2. Describe how the government's expenditure and/or revenue levels will be adjusted to match any new economic realities that are behind the use of fund balance as a financing bridge;
3. Describe the time period over which the components of fund balance will be replenished and the means by which they will be replenished.

Generally, governments should seek to replenish their fund balances within one to three years of use. Specifically, factors informing the replenishment time horizon include:

Fund Balance Guidelines for the General Fund

1. The budgetary reasons behind the fund balance target;
2. Recovering from an extreme event;
3. Political continuity;
4. Fiscal planning time horizons;
5. Long-term forecasts and economic conditions;
6. External financing expectations.

Revenue sources that would typically be looked to for replenishment of a fund balance include nonrecurring revenues, budget surpluses, and excess resources in other funds (if legally permissible and there is a defensible rationale). Year-end surpluses are an appropriate source for replenishing fund balance.

Unrestricted Fund Balance Above Formal Policy Requirement. In some cases, governments can find themselves in a position with an amount of unrestricted fund balance in the general fund over their formal policy reserve requirement even after taking into account potential financial risks in the foreseeable future. Amounts over the formal policy may reflect a structural trend, in which case governments should consider a policy as to how this would be addressed. Additionally, an education or communication strategy, or at a minimum, explanation of large changes in fund balance is encouraged. In all cases, use of those funds should be prohibited as a funding source for ongoing recurring expenditures.

Notes:

1. For the sake of clarity this recommended practice uses the terms GAAP fund balance and budgetary fund balance to distinguish these two different uses of the same term.
2. These categories are set forth in Governmental Accounting Standards Board (GASB) Statement No. 34, *Fund Balance Reporting and Governmental Fund Type Definitions*.
3. Sometimes restricted fund balance includes resources available to finance items that typically would require the use of unrestricted fund balance (e.g., a contingency reserve). In that case, such amounts should be included as part of unrestricted fund balance for purposes of analysis.
4. See Recommendation Practice 4.1 of the National Advisory Council on State and Local Budgeting governments on the need to “maintain a prudent level of financial resources to protect against reducing service levels or raising taxes and fees because of temporary revenue shortfalls or unpredicted one-time expenditures” (Recommended Practice 4.1).
5. In practice, a level of unrestricted fund balance significantly lower than the recommended minimum may be appropriate for states and America’s largest governments (e.g., cities, counties, and school districts) because they often are in a better position to predict contingencies (for the same reason that an insurance company can more readily predict the number of accidents for a pool of 500,000 drivers than for a pool of fifty), and because their revenues and expenditures often are more diversified and thus potentially less subject to volatility.
6. In other cases, unusual items that would distort trends (e.g., one-time revenues and expenditures) should be excluded, whereas recurring transfers should be included. Once the decision has been made to compare unrestricted fund balance to either revenues and/or expenditures, that decision should be followed consistently from period to period.

This best practice was previously titled Appropriate Level of Unrestricted Fund Balance for the General Fund

JUNE 8, 2018

To the Members of the City Council and the Citizens of Modesto:

I am pleased to submit the Final Proposed Fiscal Year 2018-2019 city budget for your review and consideration. The budget is presented with confidence that our city is making great economic improvements, and with caution due to the fiscal challenges we face this next year and in the years to come.

Our local economy is improving, and we continue to see an increase in revenue from property, business license and sales taxes, which account for 59.2% of General Fund revenues. During FY17/18, the city was able to increase its General Fund emergency reserves by \$2.5 million to \$18.3 million while containing costs. This action also brings the city to within approximately \$600 thousand of the Government Finance Officers Association recommended level.

Our initial projections show significant increases in CalPERS contributions for this upcoming fiscal year, and the increases will continue in subsequent years. In short, pension costs are outpacing the growth in revenue. Also, some of our revenue streams continue to be vulnerable to change. Specifically, our Sales Tax revenues continue to be negatively impacted by consumer shifts toward online retail sales.

A few consistent themes you will notice in the upcoming fiscal year:

- Public safety will remain our priority.
- We want to be known as an organization focused on the customer experience.
- We will align resources to be an innovative and solutions-oriented organization.
- The city will embark on a refreshed Strategic Plan to guide staff on priorities of the City Council.
- Staff will actively manage vacancies, as they occur, to ensure resources are available to meet future budget challenges.
- We will work toward an aggressive pro-business approach to expand existing businesses and attract new businesses.
- We will invest in collaborative partnerships with other jurisdictions, our neighborhood groups and faith organizations.
- We will strive for an open transparent government and will make decisions based on data and evidence.

Modesto's Budget and the Strategic Plan

City staff has again worked to ensure an apportionment of resources to align with Council's priorities and vision for the city, all while aligning the budget to realistic expectations based on conservative assumptions. The Strategic Plan provides a framework for resource allocation, and the city has set forth a vision and associated General Fund budget that focuses on four core commitments:

1. **Great Safe Neighborhoods.** A city where we all work together to ensure our neighborhoods are safe and attractive, building on the diversity of our many neighborhoods. We engage our neighborhoods as our partners working together to achieve common goals and help make our community an even better place to live, work and play. **GENERAL FUND - \$105.7 MILLION (82% OF TOTAL GENERAL FUND BUDGET)**
2. **Healthy Economy and Great Quality of Life.** A city where in partnership with other governmental agencies, nonprofits, schools, and businesses, we have jobs and educational opportunities that help our

families succeed. We work with the community to expand access to cultural, entertainment and recreational opportunities for youth and families. **GENERAL FUND - \$8.1 MILLION (6% OF TOTAL GENERAL FUND BUDGET)**

3. *Vibrant Infrastructure and Sustainable Environment.* A city where there is a safe and efficient multi-modal network of transportation and a healthy environment that protects its natural resources and strives for long-term sustainability. **GENERAL FUND - \$7.4 MILLION (6% OF TOTAL GENERAL FUND BUDGET)**

4. *Effective, Responsive and Transparent Government.* A city government of continuous improvement and effective and efficient use of resources, that is responsive to community needs while operating in a transparent and accessible environment. **GENERAL FUND - \$13.3 MILLION (10% OF TOTAL GENERAL FUND BUDGET)**

Overview of the FY18/19 Proposed Budget

The total city operating expense budget for all funds, including certain Joint Power Authorities, for FY18/19 is \$383.5 million. There are four major funds within the city's budget: General, Water, Wastewater, and Internal Services. There are also a number of smaller funds, including the Golf Fund, Modesto Centre Plaza, Storm Drainage, Surface Transportation Funds, and Airport Funds. The information in the following table summarizes the city's primary funds:

Fund Name	Amount
General Fund	\$129,503,066
Water	\$10,200,000
Wastewater	\$10,200,000
Internal Services	\$10,200,000
Storm Drainage	\$10,200,000
Surface Transportation	\$10,200,000
Airport	\$10,200,000
Modesto Centre Plaza	\$10,200,000
Golf Fund	\$10,200,000
Other	\$10,200,000
Total	\$383,500,000

General Fund

As in past years, initial budget projections for the General Fund indicate a large potential shortfall. The initial projected gap for the FY18/19 General Fund Operating Budget is approximately \$17.13 million. Staff is determined to stay true to Council's intention of putting aside money for future contingencies and not to withdraw funds from General Fund Emergency Reserves. Staff also wants to ensure the continued sustainability of the city's Internal Service Funds by fully funding their allocations. This gap has been closed through permanent reductions, with the use of some one-time strategies, and without eliminating filled positions.

The table below summarizes the strategies used to close the shortfall. After all reduction strategies were taken into consideration, the General Fund FY18/19 Draft Budget is balanced with the following strategies:

Proposed Options for a Balanced Operating Budget	Amount (in millions)
Increase in departmental revenues	\$1.43
One-time transfer-back from fleet replacement	1.85
Workers compensation rate reduction (28% all funds)	1.38
Employee benefits fund reduction of ISF charges	1.18
Variance rate (6.8%)	6.54
Departmental reductions/adjustments/restructures	5.00
TOTAL PROPOSED SAVINGS	\$17.38

In FY18/19, it is projected that General Fund revenues (including transfers in from other funds) will be \$129.5 million. The city experienced stable and slowly-increasing revenues in its General Fund over the last 7 years. Current revenues show steady increases in the city's Property Tax revenues which includes both the property portion of the revenue as well as the Vehicle License Fee Swap revenue. These two sources make up the city's Property Tax revenue, which is estimated to increase 6.7% from FY17/18 to FY18/19. Sales Tax revenues show a slight increase of 2.6% over FY17/18. Although there is a shift in retail sales to online shopping, Sales Tax revenues continue to slowly rise with increased fuel prices in the latter half of FY17/18.

Revenue Category	Amount (in millions)
Property Tax	\$33.44
Sales Tax	31.24
Utility Users Tax	21.12
Business License Tax	12.00
Franchise Fees	4.73
Transient Occupancy Tax	2.70
Construction Revenues	2.40
Motor Vehicle Fees	0.22
Departmental Revenues	16.48
Cannabis Revenues	1.50
One-Time Revenues	1.43
Transfers-In from Other Funds	2.24
TOTAL REVENUE	\$129.50

Total General Fund expenditures, including transfers out, in the Proposed Budget are \$136 million, before applying a vacancy factor of 6.8% which equates to savings of \$6.5 million. This brings the total Proposed Budget down to \$129.5 million. Public Safety (Police and Fire) continues to be the primary spending priority of the General Fund with \$97.8 million or 75.5% of its resources being allocated to support this function. Of this amount, \$65.7 million supports the Police Department and \$32.1 million supports the Fire Department. While the Strategic Plan Commitment of Great Safe Neighborhoods is the city's number one priority, there are other essential and quality of life services that need to be provided in complement to achieve the Strategic Plan Commitments.

Fund Name	Revenue
Wastewater	43,775,771
Public Safety	97,800,000
Police	65,700,000
Fire	32,100,000
Public Works	15,000,000
Community Development	10,000,000
Health Services	8,000,000
Library	5,000,000
City Administration	4,000,000
Other	3,000,000
Transfers Out	2,000,000
Other	1,000,000

Wastewater Fund

The Wastewater Fund provides for wastewater services to customers in the Cities of Modesto, Empire and a portion of Ceres. This service area equates to over 200,000 residents. The system consists of approximately 70 miles of trunk lines, 670 miles of sanitary lines and 40 wastewater lift stations. Wastewater is treated at the Sutter Primary Treatment Plant and the Jennings Secondary Treatment Plant.

Wastewater Fund revenues come from monthly service charges to residents at rates established by the Council. Total revenue for FY18/19 is estimated to be \$58.4 million including a planned rate increase of 5% that will

take effect July 1, 2018. This rate increase will be used to pay debt service costs on existing projects and fund system improvement projects.

Wastewater Capital Improvement Program expenses for FY18-19 are projected to be \$48.6 million and are in addition to the annual operating and debt service expenses.

Budget Line Item	Amount
Water	58,686,427
Water Treatment Plant	12,500,000
Water Distribution System	17,500,000
Water Production	10,000,000
Water Administration	5,000,000
Water Conservation	3,000,000
Water Infrastructure	10,686,427
Water Research	0
Water Quality	0
Water Safety	0
Water Security	0
Water Systems	0
Water Treatment	0
Water Utility	0
Water Wastewater	0
Water Wastewater Treatment	0

Water Fund

The city provides drinking water to residents in the areas of Modesto, Empire, Salida, Grayson, Del Rio, parts of Ceres and Turlock, and County areas adjacent to the city system equating to approximately 250,000 residents. The city collects monthly service charges from the residents within the service area, which represent the primary source of revenues for the Fund. Beginning in FY16/17, the city embarked on water conservation efforts in response to the drought. Governor Brown mandated a statewide 25% reduction in urban water use, based on 2013 levels, and a 36% reduction for Modesto’s water users. The city established a 25% reduction goal and was successful in achieving a 27% cumulative savings. Now that the drought has ended, staff anticipates increased water usage during the summer months as the city adjusts the water schedule to a 3-day-a-week cycle.

In addition, during FY16/17, the city successfully increased water rates with proposed increases scheduled for the next 5 years. This is expected to generate an additional \$123.6 million of revenues over 5 years, which will equip the Fund to meet its commitment to bond holders, construct several necessary capital projects, and support day-to-day operations of the water system.

The capital improvement program for the water utility system in FY18/19 is projected to be \$48.8 million and includes major capital projects for downstream improvements related to the strengthening and replacement of various components of the water system, state-mandated water meter installation, and wellhead treatment. These projects are funded through the existing revenue stream generated from monthly service charges.

The FY18/19 Water Fund budget does not have any capital expenditures related to the Modesto Regional Water Treatment Plant (MRWTP), which historically have been paid for by the Modesto Irrigation District (MID), and funded through long-term financing by MID and the city under a treatment and delivery project.

Fund Name	Amount
Police	10,788,100
Fire	10,155,100
Public Works	12,972,000
Internal Service	49,894,291
Library	1,277,800
Public Safety	1,277,800
Water	2,320,000
Sanitation	2,320,000
Stadium	7,250,000
Recycling	7,250,000
Capital	13,600,000
Debt	13,600,000

Internal Service Fund

Internal Service Funds (ISF) are used to contain revenues and expenditures for services that are provided between departments. Types of internal service funds include Fleet services, Information Technology services, Building services, Mail services, Insurance services, and Employee Benefit services. City departments can bill out for the various services they provide, and collect back those fees as revenues to pay for the cost of providing said services.

This has become more critical as the city has moved onward and outward from the Great Recession. During those times, many of the reserve balances in the ISFs were used to assist in balancing the city’s

budget. Due to this necessary practice, some of the reserve levels in certain Internal Service Funds have become perilously low. It is important, as the city continues to move out of the recession, that some of these reserve balances be allowed to grow back to appropriate levels without the practice of taking continued rate reductions. While this current proposed budget for FY18/19 does include a rate reduction in the Workers Compensation Fund for all funds of 28%, it is likely the last year this option for savings can be practiced without seriously harming the fund balance.

Each year the city will continue to closely monitor the expenses and fund balances of each Internal Service Fund and ensure that appropriate levels are maintained. When balances begin to grow beyond necessity, then those funds will be considered for return back to the original contributing fund (much like the proposed adjustment of returning \$1.85 million from the General Fund Fleet Replacement Reserves back into the General Fund). These funds had accumulated over the years to the point where the fund balance was an overly healthy \$4.7 million for the Fleet Replacement Reserves designated for General Fund replacement vehicles and equipment. Analyzing the fund balance and future replacements, it was considered a prudent action to return some of these funds back to the General Fund again to keep the Fleet Replacement ISF Fund balance at an appropriate level.

In Closing

I am honored to serve our great city under the leadership of an engaged Council, and alongside caring and compassionate people who want to make Modesto better. Working together, I am confident that we can find the tools to make Modesto a vibrant economic center. We have a journey ahead of us in solving the city’s fiscal challenges, but if we remain diligent this coming year, and continually look at enhancing our organizational structure for efficiencies, I’m confident we will have an effective and sustainable local government.

In accordance with MMC Section 1302.2 of the city’s Charter, I submit the FY18/19 Final Proposed Budget to Council for consideration.

My thanks to those responsible for the preparation of this year’s Proposed Budget. This document represents a tremendous amount of time and talent by the city’s department directors and key members of their staff. I wish to extend my gratitude to the City Council for its support of our workforce.

Joseph P. Lopez
Interim City Manager

Organization Structure

CITY OF MODESTO ORGANIZATIONAL CHART

Revised April 4, 2017

THIS PAGE IS INTENTIONALLY LEFT BLANK.

Employee Compensation

- Modesto City Employees Association (MCEA) signed a new contract effective March 8, 2016 that will expire on March 9, 2019. Employees were granted a 2% salary adjustment effective September 20, 2016, 2% effective June 27, 2017 and 2% effective June 26, 2018. Identified positions in the market study were approved to be brought within 10% of the market, with 50% of adjustments in year 1 (minus COLA) and the remaining 50% in year two. Employees were also provided a one-time retention stipend (non-PERS) of \$500 effective September 20, 2016.
- Modesto Confidential and Management Association (MCMA) signed a contract effective March 8, 2016 that will expire on June 30, 2019. Employees were granted a 2% salary adjustment effective July 12, 2016, 2% effective June 27, 2017 and 2% effective June 26, 2018. Identified positions in the market study were approved to be brought within 10% of the market, with 50% of adjustments in year 1 (minus COLA) and the remaining 50% in year two. Employees were also provided a one-time retention stipend (non-PERS) of \$500 effective July 26, 2016.
- The Modesto Police and Fire Non-Sworn Association (MPNSA) signed a contract effective March 24, 2016 that will expire on June 30, 2019. Employees were granted a 2% salary adjustment effective September 20, 2016, 2% effective June 27, 2017 and 2% effective June 26, 2018. Identified positions in the market study were approved to be brought within 10% of the market, with 50% of adjustments in year 1 (minus COLA) and the remaining 50% in year two. Employees were also provided a one-time retention stipend (non-PERS) of \$500 effective September 20, 2016.
- The Modesto City Fire Fighters Association (MCFFA) has a current contract that became effective July 1, 2013 that will expire on June 30, 2018. Employees were granted a 2.5% salary adjustment effective April 19, 2016, 2% effective June 28, 2016, 2% effective December 27, 2016 and 2% effective and July 27, 2017. In addition, the EMT allowance was eliminated and is now included in base salaries, with base salaries increased by 5%.
- The Modesto Police Officers Association (MPOA) signed a contract effective July 1, 2016 that will expire on June 30, 2019. Employees were granted a 2% salary adjustment effective January 10, 2017, 2.5% effective June 27, 2017, 3% effective June 26, 2018, with an additional adjustment equal to the change in CPI- U Western Cities equivalent to no less than 2% and no more than 4% effective June 25, 2019. Employees were also provided a one-time retention bonus of \$1,000 effective November 1, 2016.
- Modesto Police Management Association (MPMA) has a current contract that became effective on January 1, 2017 that will expire on September 3, 2019. Employees were granted a 2% salary adjustment effective January 10, 2017, 2.5% effective June 27, 2017, 3% effective June 26, 2018, with an additional adjustment equal to the change in CPI- U Western Cities equivalent to no less than 2% and no more than 4% effective June 25, 2019.
- Unrepresented managers include management and confidential employees, inclusive of Department Directors, Deputy Directors, and Police and Fire management. Employees were granted a 2% salary adjustment effective July 12, 2016, 2% effective June 27, 2017 and 2% effective June 26, 2018. Identified positions in the market study were approved to be brought within 10% of the market, with 50% of adjustments in year 1 (minus COLA) and the remaining 50% effective March 7, 2017. Employees were also provided a one-time retention stipend (non-PERS) of \$500 effective July 26, 2016.

EMPLOYEE COMPENSATION

Financial Policies

Budget Adoption Level

The city wide, legally adopted level for the budget of any program is by department at the Fund level.

General Fund Reserve

The Council has established the unappropriated reserve's minimum level to be 8% of the current appropriations for operating expenditures and operating transfers-out.

Forecasting Model

For the General, Enterprise, Internal Service and Capital Project and other major funds the Finance Department will maintain either a 5 or 10-year financial forecasting model to assess the City's ability to respond to changes in anticipated revenue levels, capital improvement program needs and changes proposed in operating costs. (The use of a 5 or 10-year model will depend on the conditions that apply to each fund.)

Enterprise Funds and other Non-General Fund Operations

These activities should be self-supporting and should maintain reserve levels that are adequate to protect against fluctuations in revenue and expenditure levels. Activities that deviate from this requirement shall be identified for the City Council annually at the time of budget adoption. Exempt from this requirement are those funds that account solely for grant funds.

Inter-fund Loans and Loans to Component Units

Loans between funds and loans to other component units of the city should be considered in light of a multi-year business plan that demonstrates a reasonable ability to repay the loan. All inter-fund loans and loans to component units, either existing or proposed, shall be identified for the City Council at the time of budget adoption. Generally, inter-fund loans and loans to component units shall be established with a repayment deadline that reflects the earliest feasible opportunity for repayment of the loan. Interest rates charged on the loan shall be based on the actual rate of return earned by the City's investment portfolio during the 12-month period immediately preceding a payment date.

Note that the terms and conditions for existing loans between the City and the former Redevelopment Agency are governed by one or more separate resolutions adopted at the time the loans were approved and are subject to the laws put into place by recent redevelopment dissolution legislation passed by the State of California.

Interest Allocation

Interest shall be allocated quarterly to all funds based on their average monthly balances during each quarter.

Direct Charges between Fund

Costs charged between funds such as force-account labor and other direct costs shall be charged on the basis of actual cost and not on the budgeted amount, unless a separate contract exists between the managers of the two programs allowing the use of the budgeted amount as the basis for the charge.

Inter-fund Transfers

Unless direction is given at the time an inter-fund transfer is approved that the amount to be transferred between funds is not subject to adjustment based on a share of cost formula, all inter-fund transfers shall be based upon the sending fund's pro rata share of any project costs or other obligation that is the basis for the transfer. Therefore, a reconciliation of the share of costs allocable to the fund(s) from which resources are to be transferred shall be performed prior to the year-end closing of the city's financial records and shall become the basis for determining the actual amount of any resources to be transferred. It is the intent of this policy that any transfers designed to provide a subsidy to the operations of another fund shall not exceed the amount needed to provide sufficient resources to make revenues equal expenditures unless other direction is provided by the City Council.

All inter-fund transfers and their purpose shall be identified to the Council annually, at the time of the budget adoption.

Multi-year Appropriations

Appropriations for certain grants and on-going Capital Improvement Program projects that were authorized in previous years and that are not fully expended shall be deemed valid until revoked.

FINANCIAL POLICIES

Appropriations related to certain developer-funded expenditures may also be treated as multi-year appropriations.

Fund Replacement Reserves

In order to provide future resources for the replacement or repair of depreciable assets, each fund shall establish a list of depreciable assets, including useful lives and replacement costs that will determine the amount to be set-aside annually to allow the timely replacement or repair of these assets. Each program manager shall also establish a plan for funding the reserve and shall disclose the adequacy of the reserve level annually to the City Council as part of the annual budget adoption process.

Budget Adjustment Authority

Any adjustment that would appropriate any amount from the General Fund Emergency Reserves must receive Council approval to be appropriated. The authority to approve any other type of budget adjustment in the amount of \$25,000 or less is delegated to the Director of Finance. The authority to approve any other type budget adjustment between \$25,001 and \$50,000 is delegated to the City Manager. Authority for any budget adjustment over \$50,000 is delegated to the parties shown below with the exception of the General Fund Emergency Reserves appropriation:

City Council

- ◆ Appropriation of undesignated reserves
- ◆ Appropriation of new revenues
- ◆ Does not include Developer Payments
- ◆ Budgeting inter-fund transfers
- ◆ Does not include adjustments to budgeted transfers where the intent is to subsidize an enterprise operation as shown in item (v) under the City Manager's budget adjustment authority
- ◆ Creation of inter-fund loans
- ◆ Creation of, or increase in, any multi-year appropriation except for the allocation of interest
- ◆ Addition of permanent staff positions
- ◆ Appropriation of payments for new indebtedness including

INTRODUCTION

operating leases

- ◆ All other budgetary actions not delegated to another official

City Manager

- ◆ Transfer appropriations between departments within a fund
- ◆ Changing any capital equipment appropriation
- ◆ Appropriate reserves for litigation on a case-by-case basis
- ◆ Adjust operating program appropriation levels at his/her discretion to maintain the required 8% reserve level and any reserve levels for non-GF funds
- ◆ Adjustments to Inter-fund transfers intended to balance enterprise fund operations where the cumulative total of any adjustment does not increase the original City Council approved appropriation by more than \$50,000
- ◆ Appropriate Developer Payments not previously budgeted
- ◆ Annexation Deposits
- ◆ Special District Formation Deposits
- ◆ Developer Deposits to be recognized as revenue

Director of Finance

- ◆ Appropriate unbudgeted grant interest
- ◆ Revise the allocation of Internal Service Fund charges between departments, provided that the total allocated amount does not increase (any such changes to the allocation shall not result in an increase or decrease to the total amount of discretionary appropriations provided to the affected departments)
- ◆ Changing any CIP line item appropriation
- ◆ Revoke multi-year appropriations
- ◆ Close Capital Improvement Program or Non-Capital projects
- ◆ Make technical budget corrections to implement the intent of Council-approved actions and resolutions
- ◆ Transfer fiscal appropriations between sub-funds of a single fund (except where this changes appropriation amounts for temporary agency labor and/or capital equipment purchases

INTRODUCTION

over \$5,000)

Department Director

- ◆ Transfer appropriations within a department, within a single fund (excludes appropriations related to capital equipment, capital improvement program)
- ◆ Acting as a designee of the City Manager, the Parks, Recreation, & Neighborhoods Director shall be authorized to appropriate private donations or grants made to the Fund Development Program of the Parks, Recreation, & Neighborhoods Department for specified purposes up to \$25,000

Fund Balance Information Requirements

The requirements of GASB Statement No. 54 are intended to enhance the usefulness, including the understandability, of fund

FINANCIAL POLICIES

balance information, in the financial statements. The City will spend the most restricted dollars before less restricted, given equal eligibility, in the following order:

- ◆ Non-Spendable – if funds become spendable (inventories, prepaid amounts)
- ◆ Restricted (grants, bond proceeds)
- ◆ Committed (capital acquisitions, pending projects)
- ◆ Assigned (purchase orders, encumbrances)
- ◆ Unassigned (residual fund balance after deducting the other fund balance categories)

THIS PAGE IS INTENTIONALLY LEFT BLANK.

City Financial Structure

City of Modesto Financial Structure

Financial Structure

FINANCIAL STRUCTURE

The City's financial system is organized around a structure that is commonly found in most public agencies.

FUND

Each fund represents a self-balancing group of accounts and a balance sheet that allows for the segregation of resources from all others maintained by the City.

For example, the General Fund accounting structure accumulates and tracks monies collected for the purpose of providing the services that fulfill the general government role of the City. These costs include those for central administration including the City Council, Personnel Services and the Finance Department. Other general government costs included are Police, Fire Protection and Parks, Recreation and Neighborhoods.

COST CENTER

The cost center identifier is used within the City's accounting system to identify a specific cost center assigned to a department division. Thus, a single department can have one or more cost centers assigned to it in order to capture revenues and expenses for each separate function.

For example, the Finance Department has 10 "Cost Centers" assigned to it. A separate "Cost Center" is assigned to purchasing, accounting and business license costs. These ten organizational divisions allow the revenues and expenses for each function to be captured separately.

ACCOUNT

The basic unit of the City's accounting structure is the account code. The purpose of the account code is to provide a means for separating each type of revenue and expense from another.

INTRODUCTION

For example, full-time salaries are charged to Account Code 51001 while advertising costs are accounted for in Account Code 53175.

PROJECT

A project tracks both Capital and Non-Capital (Multi-Year) revenue and expense.

For example, Capital Improvement Projects have multiple levels of costs; i.e. Engineering-Design, Construction and Administration, each level contains a budget. Within each project, there could be specific revenue funding the project such as grant revenue or city contribution.

ACTIVITY

An activity tracks expenditures for different types of tasks within a cost center. This field is typically used by cost centers within the Parks, Recreation, and Neighborhoods department for HUD, CDBG, and HOME activities.

For example, CDBG has a cost center for CDBG Administration. Within this cost center there is a need to track expenses not only for direct administration costs but for indirect administration costs as well. To keep these expenses separate within the cost center an activity field is used (01047 for Direct Administration and 01048 for Indirect Administration costs).

FUTURE

Capability within the Oracle software system to accommodate the need for future account strings.

Overview of City Funds

The following provides brief descriptions of the City's principal funds, grouped by functional area.

GENERAL FUND

The General Fund (0100) is the primary operating fund of the City. Its principal revenue sources include property tax, sales tax, utility user taxes, business licenses & franchise taxes, and certain general purpose revenues allocated by the State. Police and Fire services account for the bulk of expenditures in the General Fund, with the balance going to a variety of programs including parks, recreation, planning & economic development, and general government.

TRANSPORTATION FUNDS

Surface Transportation Fund (Special Revenue – 1700 thru 1750):

This fund accounts for the City's street maintenance & traffic operations, electrical and engineering costs. Its revenue sources include the City's share of the State gas tax, Proposition 1B funding, and a share of the local garbage collection service agreement fee. It also receives transfers from the General Fund for Maintenance of Effort requirements and traffic engineering support.

Measure L Fund (Special Revenue - 1410 and 1420):

This fund accounts for the City's local control portion of the Stanislaus County Measure L sales tax proceeds. The local control funds make up 65% of the total County Measure L funds and are categorized as follows: Local Streets and Roads (50%), Traffic Management (10%) and Bike and Pedestrian (5%). A small portion of the revenue is also for Transit Services. The funds are transferred to approved Measure L local control projects and transit as expenses are incurred. The fund also receives a transfer from the General Fund for the Maintenance of Effort requirements for Measure L and Senate Bill 1.

Local Transportation Fund (Special Revenue - 1510):

This fund accounts for the City's share of a ¼% sales tax imposed by the State and distributed to cities and counties for transportation purposes. (By law, transit services have priority over street maintenance in claiming this revenue; the LTF revenue received by

the City for transit purposes is accounted for in the Bus Fund, below.) Most of the revenue received in this fund is transferred to the Gas Tax fund for expenditure on street maintenance.

LTF Non-Motorized (Special Revenue - 1520):

This fund accounts for a portion of the Local Transportation Fund revenue that is earmarked by law for expenditure on pedestrian, bicycle, and other non-motorized transportation purposes.

Bus Funds (Enterprise – 4510 thru 4550):

These funds account for the operation of the City's transit system, including fixed-route buses, dial-a-ride, and the Modesto Amtrak station. Principal revenue sources in this fund include a portion of the State's ¼% sales tax for transportation (see Local Transportation Fund, above), transit-related grants, and rider fares.

Airport Fund (Enterprise – 4310 thru 4330):

This fund accounts for the operation of the Modesto Airport. Primary revenue sources for this fund include hangar rental fees and taxes levied on the owners of aircraft housed in Modesto. The Airport fund also receives FAA grants for capital improvements.

UTILITIES

Water Fund (Enterprise – 4100 thru 4181):

This fund accounts for the City's water utility. All expenses relating to the provision of water services are charged to this fund, which is financed with customer utility rate payments and connection fees. This fund also accounts for debt issued on behalf of the water utility and for the repayment of such debt.

Sewer Fund (Enterprise – 4210 thru 4270):

This fund accounts for the City's sewer utility. All expenses relating to the provision of sewer services are charged to this fund, which is financed with customer utility rate payments and connection fees. This fund also accounts for debt issued on behalf of the sewer utility and for the repayment of such debt.

OVERVIEW OF CITY FUNDS

Storm Drain Fund (Enterprise – 4480 thru 4489):

This fund accounts for the City's storm water drainage utility and is financed primarily with storm water drainage fees.

INTERNAL SERVICE FUNDS

Fleet Fund (Internal Service – 5400 thru 5410):

This fund accounts for the acquisition, maintenance and operation of most of the City's vehicles and heavy equipment. (Exceptions include buses, which are accounted for in the Bus Fund; and fire equipment, which is accounted for in the General Fund.) The Fleet Fund is financed by monthly "rental" charges applied to the operating budgets of departments, which use vehicles and equipment. These charges pay for the maintenance and operations of equipment as well as its eventual replacement. The portion of the rent charged for future replacement is accumulated in a distinct sub-fund (7210) of the Fleet Fund.

Information Technology (Internal Service – 5230 thru 5239):

This fund accounts for the City's acquisition, maintenance and replacement of information systems and telecommunications. Fund 7130 is financed by monthly charges to the operating budgets of City departments based on a formula encompassing various factors (such as the number of PC's in a department and special applications supported for the department). Fund 7131 was created to assist in future replacements of complex software infrastructure, such as the City's financial system.

Building Services (Internal Service – 5800 and 5809):

This fund accounts for the maintenance and operation of the City's buildings and facilities, with the exception of Tenth Street Plaza and facilities accounted for in Enterprise or Internal Service funds. The fund is financed by monthly charges applied to the operating budgets of City departments.

Central Services (Internal Service – 5100 thru 5129):

This fund accounts for a number of internal central services, including mailroom, copying & printing, and internal inventory stores. This fund is financed by monthly charges applied to operating budgets of City departments.

Insurance Funds (Internal Service – 5310 thru 5390):

These funds account for the City's self-insurance reserves (workers compensation and general liability) and for the purchase of third-party insurance (property insurance, excess liability coverage for workers compensation and general liability, employee health, vision, dental and disability coverage), as well as insurance administration costs. Employee benefit insurance is financed as a pass-through from operating budgets. Other insurance types are financed by monthly charges applied to operating budgets of City departments.

Employee Benefit Fund (Internal Service – 5510 & 5520):

This fund accounts for accrued vacation liability City-wide, as well as the cost of post-retirement employee health benefits. It is financed by monthly charges applied to operating budgets of City departments.

DEBT SERVICE FUNDS

Debt service funds (2140, 2150 and 2902):

account for principal and interest payments on certificates of participation (COP's) and bonds issued by the City other than those accounted for in Enterprise and Internal Service funds. The primary revenue sources for these funds are transfers from the General Fund and the Modesto Redevelopment Agency (RDA).

OTHER FUNDS

Capital Improvement Support (Special Revenue – 1300 & 1309):

This fund was established to account for all operations governed by a Federal Indirect Cost Allocation Plan agreement. It is financed almost exclusively by labor charges to capital improvement program (CIP) projects.

Education & Government Communication (Special Revenue – 1320):

This fund accounts for the costs of providing educational and government – related cable television programming. It is financed with transfers from the General Fund and payments from other Access Modesto agencies.

Operating Grants – Block (Special Revenue – 1340):

This fund was established to account for non-capital grants received by the City (other than grants received by Enterprise and Internal

OVERVIEW OF CITY FUNDS

Service funds). This fund receives revenues from block grant-style programs, in which the City receives a fixed amount of funding "up front." The types of expenditures incurred in this fund depend on the specific grants being received in any given year. Currently, the largest grant received in this fund is from the State's Special Law Enforcement Service Fund program.

Operating Grants – Reimbursed (Special Revenue – 1341 & 1342):

These funds were established to account for non-capital grants received by the City on a reimbursement basis. In these programs, the City incurs the "up front" cost of delivering services, then requests reimbursement for those costs from the granting agency. The types of expenditures incurred in this fund depend on the specific grants being received in any given year. Currently, the largest grant received in this fund is from the Federal COPS grant program.

American Recovery and Reinvestment Act (ARRA) Grants (Special Revenue – 4140, 3100, 1345, 1353, 1100, 1101):

These funds were established to account for the various functional grants received by the City from the ARRA of 2009. For these programs, the City incurs the "up front" cost of services, then request reimbursement for these costs from the granting agency. These grants were intended to provide stimulus to the U.S. economy in response to the national economic downturn.

Traffic Safety Fund (Special Revenue – 1600):

This fund accounts for revenues received from traffic safety fines and forfeits. Money from this fund is transferred to the General Fund to pay for traffic related maintenance and expense.

Traffic Offender Fund (Special Revenue – 1610):

This fund accounts for revenues received from a portion of vehicle release fees. Expenditures include general police operations.

Downtown Improvement District (Special Revenue – 1200):

This fund accounts for the activities of the business improvement district which covers the core downtown area of Modesto. Revenues are derived from an additional mill tax (a gross receipts tax) imposed on businesses within the area. Expenditures include various promotional programs intended to boost business activity in the area served.

CDBG – Direct (Special Revenue – 1130 and 1139):

These funds account for Federal Community Development Block Grant (CDBG) revenues received by the City. Expenditures include a variety of housing-related programs primarily targeted at low-income areas.

CDBG – NSP Entitlement (Special Revenue – 1131):

This fund accounts for Federal Community Development Block Grant (CDBG) revenues received by the City for neighborhood stabilization programs. Expenditures include a variety of housing-related programs primarily targeted at low-income areas.

Housing Loan Program (Special Revenue – 1150 & 1151):

These are revolving funds, which provide housing loans to low-income individuals. Original funding to establish the funds was received from the Federal Department of Housing and Urban Development (HUD). Current revenues in the funds reflect loan repayments, which are accumulated to make new loans.

Housing Economic Development Fund (Special Revenue – 1160):

This fund accounts for monies used to increase employment, economic activity and economic diversity in low to moderate income groups as defined by HUD.

HOME Program (Special Revenue – 1170):

This fund accounts for revenues received from HUD under the Home Investment Partnerships program.

Emergency Shelter Program (Special Revenue – 1180):

This fund accounts for emergency shelter grant revenue received from HUD.

CFF Administration (Capital Projects – 3480):

This fund accounts for administrative costs associated with the Capital Facilities Fee (CFF) program. The fund is financed with CFF revenues.

CFD Administration (Capital Projects – 3220):

This fund accounts for administrative costs associated with the Community Facilities Districts (CFD) program. The fund is financed with CFD revenues and inter-fund service credits.

OVERVIEW OF CITY FUNDS

Landscape Maintenance District (Capital Projects – 6480 & 6490):

These funds account for costs associated with the landscape maintenance within special district areas. The funds are financed with landscape maintenance district revenues.

Parking Fund (Enterprise – 4000 & 4009):

This fund accounts for the City's off-street parking facilities, including the downtown parking garages. Parking fees for validated lots and other off-street parking are the primary revenues in this fund. Operation, maintenance, and development of the parking facilities constitute the primary expenditures.

Solid Waste Fund (Compost) (Enterprise Fund – 4890 & 4899):

This fund accounts for the operational activity from the sale and operations for compost. The primary revenues from this fund come from tip fees and the sale of compost. Beginning in FY 11, this fund will account for the cost of administering the City's service agreements with private solid waste hauling firms as well as the costs of recycling programs and green waste diversion. The primary revenue sources for this fund include income from the waste energy JPA, State funding for recycling, recycling program fees. The fund also receives inter-fund service credit revenue based on staff time charged to other City programs.

Carpenter Road Landfill (Enterprise Fund – 1360):

This fund accounts for the activity for the City to maintain, mitigate and monitor the Carpenter Road Landfill, a closed disposal facility.

Golf Fund (Enterprise – 4600):

This fund accounts for the maintenance, operation, and improvement of the three City-owned golf courses. Revenues in this fund are derived primarily from green fees. Expenditures include golf course maintenance and debt service on COP's issued to finance the development of the Creekside golf course.

Centre Plaza Fund (Enterprise – 4700 thru 4710):

This fund accounts for the operation of the Modesto Centre Plaza convention and community center. The primary revenue sources for this fund include room rental fees, commissions, transfers from the General Fund.

NON-OPERATING FUNDS

These funds account for non-operating activities, such as CIP projects and long-term planning projects.

Strategic Planning Fund (Special Revenue – 1800):

This fund was established to accumulate resources for major long-term planning projects, such as updates to the General Plan. In past years, the fund's principal revenue sources have been transfers from the General Fund and from the Village I CFF Fund. Both of these revenues have been eliminated in the current year's budget, so expenditures from this fund are financed with accumulated fund balance only. The remaining budgets in this fund are for "multi-year projects," which are adopted separately from the City's annual operating budget.

CFF Funds (Capital Projects – 3410 thru 3470):

These funds account for the accumulation and expenditure of Capital Facilities Fees, which are charged to new development in the City to offset the impact of growth on community infrastructure. Each fund accounts for fees collected for a specific type of capital facility. Expenditures from these funds are governed by the City's Capital Facilities Fee plan. Expenditure budgets for these funds are adopted as part of the City's CIP.

Special Fund for Capital Outlay (Capital Projects – 3120):

This fund accounts for general City capital improvement projects and is funded from other funds including the General Fund as appropriate for the specific project.

Park Fund (Capital Projects – 3130):

This fund was established to accumulate funds for capital improvements in the City's parks. Its principal revenue sources include transfers from the General Fund and development fees. The fund also receives transfers from the Parks CFF fund (see Non-Operating Funds, above) and grant revenue.

Capital Grant Funds (Capital Projects – 3140 thru 3160):

These funds were established to accumulate funds for capital improvements for various City functions such as roads and streets and traffic related projects. Its principal revenue sources include grants from various state agencies such as Caltrans with City match

OVERVIEW OF CITY FUNDS

funds from the Surface Transportation Fund, General Fund or Capital Facility Fees.

CFD Funds (Capital Projects – 3200 thru 3292):

These funds account for the accumulation and expenditure of Community Facilities District capital and maintenance levies. Expenditures from these funds include CIP project costs and debt service on bonds issued to finance earlier capital projects. CFD funds are organized by district. Budgets for the CFD funds are adopted as part of the City's CIP.

OTHER AGENCIES FUNDS

Other Agencies funds represent the finances of outside agencies for which the City of Modesto acts as fiscal agent. The City performs day-

to-day accounting and treasury functions for these entities, but they are governed by independent boards and are not City departments. Budgets for agency funds are adopted by their respective governing boards and are outside the City's operating budget process. Notable agency funds include the following:

- ◆ Industrial Fire Joint Powers Agency (6100)
- ◆ Stanislaus Drug Enforcement Agency (6600)
- ◆ Tuolumne River Regional Park (6700 thru 6799)
- ◆ Modesto Redevelopment Successor Agency (1910 and 2903)

City Council of Modesto

Mission Statement

The City Council enacts City ordinances, establishes policy for administrative staff, and approves and oversees the budget of the City. The Councilmembers serve on the following Council-level committees and are appointed to each committee by the Mayor: Safety and Communities, Finance, Economic Development, Audit and Appointments. In addition, the Council directly oversees the City's three Charter Officers: City Auditor, City Attorney, City Clerk and City Manager.

Program Description

Governs the City and enacts City ordinances, establishes policy for administrative staff, and approves and oversees the budget of the City. The Council also appoints the City Auditor, City Attorney, City Clerk, and City Manager.

Fiscal Year 2017 Accomplishments

Approved the FY 2016-17 Operating and Capital Budgets

Made important public policy decisions

Oversaw the Mayor's 100 Day Committee and updated the 2015-2018 Strategic Plan to incorporate strategies recommended by the Committee

Provided leadership and direction toward the passing of a County-wide Transportation Sales Tax Ballot Measure

Goals and Objectives: FY 2018-19

Goal 1 - Adopt the 2019-2022 Strategic Plan

Goal 2 - Improve community safety and quality of life through a combination of prevention, intervention, and suppression efforts that address crime and its underlying issues.

Goal 3 - Strengthen neighborhood development, and connect City, community and culture.

Goal 4 - Increase transparency with Council, community and staff related to the City's budget and financial management processes.

Goal 5 - Create vibrant and economically sustainable commercial, industrial and retail industries throughout the City

City Manager's Office

Mission Statement

The City Manager's Office is established under the City Charter. Specifically, the City Manager's Office executes Council direction; provides strategic leadership and implements policy; provides oversight to all City departments; develops and recommends alternatives to address current and future community needs; ensures the City's financial integrity; provides information on City government to residents; ensures that City services are provided equitably and cost-effectively; and provides oversight for the development of the City budget. The City Manager's Office also ensures that information is effectively communicated to the public, City staff, elected officials, the media and residents.

Program Description

In addition to the City Manager's Office responsibilities listed above, the following is performed by this office:

Public Information Officer oversees City-wide communications, including Community and Media Relations, the City's website, social media platforms, mobile application interfaces, and collaboration with departmental leadership and public information officers.

The Budget Division manages the preparation of the annual operating and capital improvement budgets. This includes city-wide coordination and collaboration of budget priorities, funding strategies and various other duties.

Develop, implement and manage the Strategic Plan of the City.

Act as a liaison with other state and local governmental agencies, which includes representing the City at a variety of meetings and other functions. This also includes activities that carry out Council direction with respect to a variety of critical areas of concern, including water resources, transportation needs, and preservation of local control.

Began implementation the Mayor's 100 Day Committee recommendations.

Fiscal Year 2017 Accomplishments

Received the Government Finance Officers Award for Outstanding Achievement in Popular Annual Financial Reporting for the June 30, 2017 Popular Annual Financial Report.

Maintained direct and consistent contact with contracted state and federal legislative advocates, monitored the League of California Cities and other sources to identify pending legislation that may impact the City.

Was successful in partnering with Bloomberg "What Works Cities" to implement an Open Data platform for the City.

In collaboration with the Information Technology Department, re-designed the City's website and expanded the City's -presence on social media including its Facebook and Twitter pages.

Also, in collaboration with the Information Technology Department, launched a Go-Modesto mobile application to allow citizens to communicate and report issues in our community

Goals and Objectives: FY 2018-19

The FY 2018-19 Goals and Objectives for the City Manager's Office are:

Goal 1 - Implement Council's Strategic Priorities

The City Manager's Office will continue to provide leadership that supports the City Council; will focus on implementing the City

CITY MANAGER'S OFFICE

DEPARTMENTS

Council's strategic priorities, goals and objectives; and will continue to implement the Mayor's 100 Day Committee Recommendations.

Keep the community informed through open, transparent communication and encourage civic engagement through increased public awareness.

Implementation of the Open Data environment to enhance transparency regarding the accomplishment of the Council's Strategic Plan.

Goal 3 - Transition of Leadership

Goal 2 - Focus on Resident's Needs

Several critical leadership positions are in transition as employees retire or separate from City service. The City Manager's Office intends to focus on workforce development to ensure competent personnel are retained or recruited for these positions.

The City Manager's Office will ensure organizational delivery of high quality services to the residents of the City with a strategic focus on public safety.

City Attorney's Office

Mission Statement

The City Attorney's Office's overarching goal is to provide outstanding legal services to the City of Modesto. The City Attorney's Office implements the City Council's and Mayor's direction and supports the efforts of Staff by providing advice on transactional matters, and litigation and prosecutorial legal services.

Successfully defended major litigation challenging implementation of City adult business ordinance

Efficiently defended the City in major police use-of-force and false imprisonment litigation

Program Description

General Legal Services

Prosecuted high volumes of municipal code violations with limited legal staff

Personnel

Specialty Advice including environmental and First Amendment

Assisted City Clerk and City Departments in responding to a high volume of public records requests

Litigation

Assisted the Human Resources Department with personnel matters, including complaints, investigations and transitions.

Fiscal Year 2017 Accomplishments

Protected legitimate health care workers and potential victims of human trafficking by writing a Massage Ordinance

Provided critical advise on emerging legal issues such as marijuana law and taxation

Improved City Parks and health care facilities by preparing a Smoking Ordinance

Reviewed agreements/amendments from all City departments

Helped create a new City revenue source by writing an Electronic Billboard Ordinance

Managed legal expenditures by freezing all outside legal counsel rates for the third straight year.

Created new economic opportunities for major jobs producing industries by updating the Sewer Capacity Bank Ordinance

City Attorney Adam Lindgren named one of the "Best Lawyers in America" in the category of Municipal Law; Assistant City Attorney Jose Sanchez named one of the Top 40 professionals under 40 by Sacramento Business Journal.

Assisted staff in preparing water and sewer rate increase approval documents

Goals and Objectives: FY 2018-19

The FY 2018-19 Goals and Objectives for the City Attorney's Office are:

Goal 1 - Effectively manage limited resources

One of the City Attorney's Office's critical objectives is to efficiently manage resources to meet the daily operational needs of the City in a cost-effective and timely manner, while maintaining the capacity to respond to the City's changing legal needs.

Goal 2 - Enhance communication and collaboration

Open government, clear communication and collaboration are also important objectives of the Office. The City Attorney's Office is committed to serving the City and communicating with the public in a manner that is transparent and straight-forward. The Office strives to explain the law in a way that the public understands both the applicable rules and also the legal reasons for the City's decisions. The City Attorney's Office collaborates with other agencies, local businesses and citizens to fully explore innovative legal alternatives that could benefit all involved.

Goal 3 - Develop legal framework for emerging industries and initiatives

Provide legal leadership and collaboration in crafting a framework for medical and recreational cannabis operations including the development of new ordinances and potential voter ballot initiatives.

Collaborate in the multi-departmental development of a hotel operating permit structure to ensure the health, welfare and safety of Modesto citizens as well as visitors to the City.

Goal 4 - To ensure the City is in compliance with laws, and uses legally acceptable means to accomplish the City's overall goals, policies and objectives.

Collaborate with City Manager's Office and Department Directors to coordinate an assessment of City purchasing policies in order to continue to improve the legal processes of the City in areas such as contracts and procurement.

Review and ensure timely approval of agendas for the approximately 150 meetings of the City's Brown Act legislative bodies.

Goal 5 - To enhance support to City departments

Provide Brown Act and ethics training bi-annually for staff, City officers, and City Council, especially as required by AB 1234.

Assist the designated staff development of agendas, ordinances, contracts and other legal documents.

Continue to assist staff in updating contract templates.

Goal 6 - To increase efficiency and external accessibility

Conduct training sessions to keep City staff informed about changing laws and obligations in performance of their duties.

Enhance clear and concise communication of litigation matters, costs and resolution options to City Council by providing quarterly litigation reports.

City Clerk's Office

Mission Statement

The City Clerk's Office is established under the City Charter. We are committed to accurately recording and preserving the actions of the City Council; safeguarding vital, historic and permanent records of the City; providing information and support to the City Council, City staff and the public in a timely, courteous and fiscally responsible manner; and administering open and free elections in accordance with statutory requirements. We serve the public and City staff in an efficient, courteous, and professional manner, while performing the functions and duties of the Office in accordance with State, County and Municipal laws.

Program Description

Serves as the Elections Officer for City Council and Modesto City School Board Elections (mandated by Elections Code and City Charter Article IX Section 901)

Public Records Act Requests (mandated by Govt. Code Section 6250 - 6276.48)

Administers the Political Reform Act (mandated by Political Reform Act of 1974)

Prepares and distributes Council and Standing Committee Agendas, Records, Indexes and Maintains a Record of all Council proceedings (mandated by City Charter Article IX Section 901)

Attend and record Minutes for all Council meetings; prepare, distribute and post Standing Committee minutes (mandated by Chapter 3 of Title 2, Section 2-3.302 of the MMC)

Maintain and Update City Charter and the Modesto Municipal Code (mandated by City Charter Article IX Section 901 and Chapter 1 of Title 1, Section 1-1.08 of the MMC)

Audit Fiscal Transactions (accounts payable, e-payables, payroll, and employee wage attachments) (mandated by Chapter 3 of Title 2, Section 2-3.302 of the MMC)

Responsible for Records Management and Preservation

Provide access to Records on City of Modesto Website

Sorting, metering and delivering mail throughout City departments

Fiscal Year 2017 Accomplishments

Supported a total of 87 City Council and Standing Committee meetings.

Processed 511 Resolutions and 24 Ordinances.

Council and Standing Committee Agenda Packets on iPads for Council and Department Heads saved 272,493 pages of paper.

Successfully provided mandatory Agenda Management and Agenda Report Preparation training to staff in coordination with City Attorney and Information Technology staff.

Placed 98 ads in the Modesto Bee for public hearings, bid openings, and other events as required.

Processed 269 Agreements and recorded 243 documents with the County Clerk Recorder, and conducted 54 bid openings.

CITY CLERK'S OFFICE

DEPARTMENTS

Processed 304 external requests / 527 internal Public Records Act requests pursuant to Government Code Section 6250.

Goals and Objectives: FY 2018-19

Goal 1 - Conduct the 2017 Elections

Received and processed a total of 429 claims, summons and subpoenas, and handled approximately 2,510 customer service calls.

Conduct the Election with efficiency and transparency. Candidate Handbook will be in electronic format.

Conducted Oath or Affirmations of Allegiance for 289 new employees; and checked out 173 separated from service employees.

Keep the City Election web page updated with measure updates on a real-time basis.

Sorted, metered and delivered mail throughout City Departments (approx. 125,232 pieces of mail at a cost of \$81,145 / metered mail).

Goal 2 - Update Records Retention Schedule for all City of Modesto Departments (schedule has not been updated since 1995) - seven year process to date.

Daily mail sorting of checks, legal papers, bills, etc. from Post Office of over 1,000 pieces of mail per week.

Goal 3 - Scan City's historical records for disaster recovery purposes, as well as, establish a centralized Electronic Document Repository for public access to the records. The majority of these records only exist in their original form. There are no duplicate copies.

Provided Mail Services at the following locations: City Hall, Centre Plaza, Corp Yard, Neighborhood Center at Marshall Park, Treatment Plant, Dryden, Muni, Cop Shop, MPD, Museum, Airport, Creekside and Senior Center.

City Auditor

Mission Statement

The City Auditor's mission is to help the City to reduce risks, strengthen controls, and improve performance by conducting a variety of types of audits and touching all facets of the City, as well as administering the City's Ethics Hotline. The Auditor also helps the City to achieve improvements by providing support for policy development, process improvement, and training.

Conducted internal control audits related to cash handling, travel expenses (in process), and P-Cards (in process).

Developed a fraud, waste, and abuse program to support the Ethics Hotline (in process).

Program Description

The City Auditor is appointed by Council and reports directly to the Audit Committee. Based on input from the Mayor, Council, and City Manager's Office, the City Auditor develops an annual internal audit work plan that is submitted to the Audit Committee and Council for consideration and approval. Regular updates of the status of the internal audit work plan are provided periodically throughout the year to the Audit Committee and Council.

Administered all reports submitted via the Ethics Hotline.

Goals and Objectives: FY 2018-19

Goal 1 - Consistent with internal audit best practices, perform a variety of audit activities that touch various components of the City, including both internal controls testing (e.g., AR, payroll, IT controls, procurement) and performance audits (e.g., permitting, golf, emergency medical services, internal service).

Goal 2 - Given the City's initiative to enhance financial performance, conduct audits that address third-party contracts and especially those that involve the collection of revenue on the City's behalf (e.g., parking, golf, ambulance).

Goal 3 - Facilitate the development of priority financial policies.

Goal 4 - Increase transparency with Council, community and staff related to the City's budget and financial management processes.

Goal 5 - Perform other audits that support projects defined in the 100-day plan (e.g., assess opportunities for consolidating city and county services, fleet utilization study, and accounts receivable review).

Fiscal Year 2017 Accomplishments

Completed several efficiency audits of programs throughout the City (e.g., Fleet and Solid Waste) and provided recommendations for changes in policies, processes, and procedures.

Performed a review of the City's internal service funds and provided recommendations for solidifying them.

Assisted with the development of the City's first Revenue Manual, which codifies the City's multitude of revenue sources.

Conducted an assessment of the City's financial policies and procedures and provided recommendations for strengthening them.

Conducted a review of the North McHenry Tax Sharing Agreement between the City and the County of Stanislaus.

Finance

Mission Statement

The Finance Department strives to provide timely, quality financial information and innovative solutions with a high degree of responsiveness. The department is committed to delivering accurate information and finding solutions to fiscal challenges.

Program Description

The following is a brief summary of each division area used to achieve the Department strategic goals:

Administration: Responsible for oversight of the Finance Department to ensure the City's compliance with the Modesto Municipal Code as well as all applicable laws, regulations, policies and procedures. Manages the City's debt portfolio to ensure compliance with various bond covenants and oversees the management of the City's investment portfolio.

Accounting Division: Responsible for managing the daily activities of the accounting staff (Payroll, Accounts Payable, Accounts Receivable, Cash Management, Fixed Assets and Grant Management) to accurately record the revenues, expenditures, assets, and liabilities of the City and responsible for preparing annual financial statements and coordinating the City's annual audit.

Customer Service Division: Responsible for billing, processing and collecting the majority of the City's revenues including Utility Billing, Business License, Parking Citations and Cashiering. Operates the City's customer service lobby.

Purchasing Division: Coordinates the purchasing of goods and services for all departments and divisions within the City. Conducts various competitive procurement processes as required by the Modesto Municipal Code.

Fiscal Year 2017 Accomplishments

Received the Government Finance Officers Award for the Certificate of Achievement in Financial Reporting for June 30, 2017.

In partner with the City Manager's office, the City received the Government Finance Officers Award for Outstanding Achievement in Popular Annual Financial Reporting for the June 30, 2017 Popular Annual Financial Report.

Continued to improve the OpenGov Transparency tool to provide monthly and yearly financial information to the citizens of Modesto.

Completed a Fitch bond rating review for our Water and Wastewater Revenue Bonds and maintained an AA- bond rating for both obligations.

Implemented the Click to Gov web payment option which provides a more user-friendly payment structure including one-time payment options

Implemented various recommendations from the Mayor's 100 Day Committee which includes: providing a monthly spending report to Council which outlines spending activity for the City, successfully negotiating a reduction in the City's Letter of Credit fees under its General Fund bond obligations, and revision of the City's P-Card policy.

In conjunction with the Water Division, implemented the Water Smart Outreach Program to assist customers with water conservation efforts

FINANCE

DEPARTMENTS

In conjunction with the Water Division, implemented the Water Rate Assistance Program for low income families

Implement a new business license software which will provide enhanced functional reporting and tracking capabilities and allow customers to make on-line payments

In coordination with the City's internal auditors, develop a City-wide revenue manual which identifies all revenue sources and contains a five-year trend overview

Upgrade the City's parking citations software to improve the online payment process

Goals and Objectives: FY 2018-19

The FY 2018-19 Goals and Objectives for the Finance Department are:

In conjunction with the Information Technology Department, upgrade the City's Enterprise Resource Planning software

Goal 1 - Provide effective stewardship of City resources

Goal 3 - Maintain a strong internal control and low risk environment

Continue ongoing efforts with our financial advisors to manage an effective debt management portfolio

In conjunction with our internal auditors, establish a comprehensive Finance policy manual that will provide a up-to-date policy framework

Work with our investment advisors to earn the best rate of return on the City's investment portfolio with low risk

Continue to enforce and monitor internal controls to ensure financial policies and procedures are in compliance by City staff

Goal 2 - Enhance operation efficiency through technology

Complete the re-engineering of the Purchasing Division to strengthen internal controls and ensure procurements are made in an efficient manner.

Community and Economic Development

Mission Statement

The mission of the Community and Economic Development Department is to enhance the quality of life for residents, businesses and visitors by promoting and facilitating quality development and private investment, supporting cultural and destination amenities, and designing sustainable roads for motorized and non-motorized modes of transportation.

Program Description

The following is a brief summary of each division area:

Economic and Cultural Development/Asset Administration: This division oversees City owned assets including John Thurman Field, Golf Courses, McHenry Mansion and Museum, and Centre Plaza. The Convention and Visitor Bureau activity and Centre Plaza events are produced by this division. This division also includes marketing and facilitation efforts to attract and retain businesses and create jobs.

Community Development: This division administrates all of our federal Housing and Urban Development funding including Focus on Prevention/Continuum of Care efforts for assisting the homeless, as well as all infrastructure financing programs, including impact fees and Mello-Roos areas.

Building and Neighborhood Preservation: The Chief Building Official and staff provide development review services, inspections, and compliance with the Building Code. The Neighborhood Preservation Unit has a significant focus on reducing the impacts of tagging in the City.

Engineering: The City Engineer and staff oversee land development engineering and plan review for proposed development as well as transportation engineering and design for City roads and State road

projects within the City to enhance the safety and quality of life for the community.

Planning: This division provides long term comprehensive visioning for land development and infrastructure, as well as review of entitlement and plans for proposed development.

Fiscal Year 2017 Accomplishments

Brought the international attention of the Amgen Tour of California back as a start City.

Awarded the design contract for the first phase of Route 132, the highest ranked regional transportation project in the County.

Entered into an agreement with the Modesto Nuts to operate the John Thurman Field so that the Nuts are responsible for maintenance and the City ensures a certain amount of savings is captured for needed capital improvements to the facility.

Provided an incentive to American Health Specialty to locate their corporate headquarters downtown.

Worked with the Homeless Action Council and Continuum of Care to create a new entity (the Stanislaus Community System of Care) that will oversee the approximate \$3.2 million annual HUD funds received for the Continuum of Care with Modesto acting as the Collaborative Applicant.

Brought a marketing professional onto staff to be able to assist with marketing strategies for bringing businesses to Modesto, positioning our tourism assets, and maximizing efforts of the Convention and Visitors Bureau.

COMMUNITY AND ECONOMIC DEVELOPMENT

Provided a workplan for the City for Measure L that was passed by the voters to levy a half penny sales tax to address our aging road infrastructure.

Completed the required General Plan Housing Plan update.

Processed several significant projects including: Valley Children's Hospital on Pelandale; renovating the SOS Club into an Andre Agassi Charter School; a new hotel, a memory care facility and independent living project off of Dale Road; a rehabilitation hospital on Kiernan; an auto dealer on the corner of McHenry and Pelandale; and the Marketplace shopping center anchored by SaveMart on the corner of Oakdale and Sylvan.

Civic Partners purchased their leasehold in the 1010 Tenth Street property, and the Successor Redevelopment Agency received a payment of \$1.3 million.

Awarded the construction contract for the Roselle widening project between Floyd Avenue and Sylvan Avenue.

The City successfully defended its zoning provisions in preventing an adult cabaret from locating in the St. Stan's building.

Planning worked on subdivisions and specific plan amendments to position development in the Vintage Subdivision above the mall and in the Kiernan Business Park.

Successfully restructure the Kiernan Business Park East financing district.

The project team continued to move the Tivoli area forward for development by installing backbone utilities and completing

DEPARTMENTS

engineering required to move forward with a volunteer land dedication program.

Working with UC Merced to locate a Venture Lab for business entrepreneurs in the City.

Assisted an ABA professional basketball team to relocate from Yuba City to Modesto.

Streamlined the City's Entertainment permit process for applicants.

Obtained a digital billboard ordinance for the City along Route 99.

Elevated the City's profile with the film industry, and had an increase in filming. Note both The Last Alleycat and The Nine filmed on location in Modesto.

Worked with the Culture Commission to approve the first two public art projects under the City's Art in Public Places program.

Held several workshops to vision improvements to J Street as well as the operations of the McHenry Mansion and Museum.

Goals and Objectives: FY 2018-19

Goal 1 - Provide responsive, clear and timely development review services

Continue to gather and present data on the review process

Develop a plan for replacement of the permitting software that is almost 20 years old

DEPARTMENTS

COMMUNITY AND ECONOMIC DEVELOPMENT

Continue regular customer service skills training

Partner with the brokerage community with regard to opportunities and quickly and successfully navigating City processes

Work to develop efficiencies between departments with regard to plan review

Roll out our Measure L local roads program and move the identified regional projects that impact the City forward

Goal 2 - Promote and grow the local economy

Design improvements to J Street and Crows Landing Road

Create an Economic Development Strategic Plan that identifies available job creation properties and areas for potential growth

Complete a comprehensive update to the Capital Facilities Fee program

Complete the General Plan Amendment and launch an comprehensive update

Goal 3 - Address social inequities in housing and access to services

Continue to work on areas identified for possible annexation

Continue to work with the Stanislaus Community System of Care to develop and implement innovative programs to address homelessness issues

Continue to assess City properties to increase revenue opportunities, decrease expenses and address capital needs

Continue to refine the programs for low income residents with regard to housing needs, housing repairs, and loans

Continue to create and launch marketing materials promoting the assets of the City and promoting our business services

Continue to explore options with the County and other stakeholders for an access center, low barrier housing and a day center

Human Resources Department

Mission Statement

The mission of the Human Resources Department is to recruit, develop, and retain a diverse, well-qualified, healthy, professional and productive workforce that reflects the high standards of the community we serve, and to lead City Departments in positive employee relations, talent management, succession planning, and employee engagement.

Program Description

Human Resources Administration:

Recruitment and selection, accepting and screening applications, testing candidates and placing eligible lists, referring eligible lists to departments for all classifications resulting in job offers.

Maintain personnel records, employee files, processes related to reviews and pay increases, and processing retirements, new hires, promotions, and other actions.

Compensation Program Management includes negotiating labor contracts for 6 bargaining units.

Manage organizational training, including Sexual Harassment (AB 1825), New Employee Orientation and various Liebert Cassidy Whitmore Consortium Trainings.

Maintain strong employee relations through grievance management, investigations, negotiating labor contracts, respond/resolve issues and questions from employee unions and Equal Employment Opportunity.

Employee Benefits:

Employee Benefits Administration

Annual Open Enrollment Process

Employee Wellness Program

Retirement Administration

Risk Management:

General liability and property insurance services including claim administration, small claims court appearances, when necessary, property insurance management, and insurance placement.

Workers' compensation and disability management oversight.

Early Return to Work program coordination and oversight and administration of various leave usage

Employee Health and Safety Program including the Illness Prevention Program, coordinate the City wide safety committee, provide employee ergonomic evaluations

Fiscal Year 2017 Accomplishments

Benefits team negotiated terms with a new insurance broker which greatly reduced the out-of-pocket premium cost for employees and resulted in the transition of more than half of eligible employees to new a medical plan

HUMAN RESOURCES DEPARTMENT

DEPARTMENTS

Successfully negotiated all collective bargaining agreements for three year terms which included negotiated Cost-Sharing with the safety unions for a reduced CalPERS Employer Contribution

Goal 2 - Health and Wellness

Completed a comprehensive RFP for third party administrator for Workers' Compensation Claims

Partner with creative insurance brokerage firm to implement proactive measures to control future benefit and cost changes

Began publishing a monthly City wide safety newsletter to enhance workplace safety

Create and implement a expand the health and wellness program

Implemented Breakfast and Briefings for HR staff to enhance communication and training development

Increase City partnerships that enhance employee wellness and reduce claims

Goals and Objectives: FY 2018-19

Goal 1 - Organizational Training and Development

Goal 3 - Implement technology solutions that improve efficiencies and service delivery

Enhance current new hire orientation to enhance workplace culture

Implement record management solution

Develop policy requirements for new employees and new supervisors

Implement employee self-service for personnel actions

Re-establish Training University

Implement an effective performance management system

Launch online Target Solutions, our online training portal

Implement insurance certificate solution

Re-establish Leadership Academy

Implement an effective online benefits portal to empower our employees to make benefit elections from the comfort of their homes

Partner with other entities to enhance opportunities for employees

Information Technology Department

Mission Statement

The Information Technology Department strives to build and empower a leading smart, digital city and provide, in alignment with the City's strategic commitments, innovative technology solutions that support City departments and the public.

Program Description

The Information Technology (IT) Department manages all information and technology assessments, acquisitions and implementations with some responsibilities for system maintenance. In addition, the department leads Open and Performance Data initiatives and Public facing/interacting systems such as the Website, payment and Civic Engagement systems. The department manages an IT Steering Committee formed by all department heads and reports on projects and programs to Council Committees.

Fiscal Year 2017 Accomplishments

Server Infrastructure updated including security review, a systems updated to reduce risk, and began an assessment of Payment Card Industry compliance

Moved various applications to a cloud format with nearly 40 systems utilizing that technology

What Works Cities Open and Performance Data initiative is in process including an OpenGov data Portal

Online website renovation was completed

Received the Digital Cities Award - #1 in California, #7 Nationwide

A civic engagement application was completed

Expanded public WiFi in at City Hall, in the City Plaza and in the Senior Center

In collaboration with various departments, implemented several new system applications including budgeting, construction management, and mobile work orders systems as well as several revenue collection systems upgrades

Implement or expanded various public safety platforms

Developed new or expanded existing revenue streams related to a DIVCA Ordinance and PEG fees which supports collection of over \$2 million of revenue each year

Utility security cameras were deployed to strategic locations in the City to protect various capital assets including the new Pelandale-US99 Interchange project

Goals and Objectives: FY 2018-19

The FY 2018-19 Goals and Objectives for the IT Department are:

Goal 1 - Deploy Digital City projects as supported/prioritized by IT Steering Committee

Goal 2 - Improve IT governance and alignment with City priorities

Goal 3 - Standardize and enhance service delivery of IT services with focus on customer service

Goal 4 - Clearly define systems inventory and functionality leading to strategic technology roadmap

Goal 5 - Upgrade technology infrastructure to enhance Data and Security capabilities

Goal 6 - Facilitate community-impacting initiatives like LinkModesto and UC Merced

Modesto Fire Department

Mission Statement

Proudly serving, protecting and partnering with our community for a safer Modesto.

Program Description

The following is a brief summary of each division/program area used to achieve the Department strategic goals:

Office of the Fire Chief & Support: Provides administrative oversight for the department in terms of human resources and labor management, fiscal management and budget, public information, facilities and fleet maintenance, data analysis and reporting, IT support and payroll.

Operations/Suppression: Responsible for providing an "all-risk" emergency response to safeguard the citizens we serve. Calls for service include a wide spectrum of medical aids, technical rescues, public assists, hazardous materials, structure fires, vehicle accidents, and many other call types.

Fire Prevention: Responsible for improving the lives of Modesto residents by preventing fires and reducing the impact in the event a fire does occur. This is typically accomplished through inspections, permits, new development plan reviews, public education, fire and life safety training and responding to complaints regarding fire and life safety code violations.

Fiscal Year 2017 Accomplishments

Through our partnership with Modesto City Schools and AMR, we provided free hands-only CPR training to more than 2,000 junior high school students.

Our public education team provided important fire and life safety lessons to 6,200 elementary students through 20 shows over a two-

week period during Fire Prevention Month in October. This program has been running for more than 20 years and helps save lives!

We applied for and were awarded a 2016 FEMA Staffing for Adequate Fire & Emergency Response (SAFER) grant in the amount of \$2.2 million. This grant enabled us to hire 9 firefighters and reinstate Engine 11 which was closed in July 2011 due to budget reductions. The staffing of Engine 11 brings back fire suppression capabilities (water on the engine and ability to pump water from hydrants) to North Modesto, which had been served by a dry truck company (meaning there were no water capabilities).

At the end of 2016, an order was placed for 5 engines and 2 ladder trucks. During the recession, fire apparatus purchases were placed on hold - this caused an increase in our maintenance costs. When the apparatus arrive in 2018, they will provide much needed replacement of the oldest apparatus in our fleet, some of which are 27 years old!

We teamed up with the American Red Cross to provide and install smoke alarms in one and two-family dwellings. This program is intended to target the "at risk" population in Modesto - the elderly and persons of low socioeconomic status. This program will continue through 2017 with the American Red Cross providing the smoke alarms and MFD crews installing them.

We were honored to assist numerous communities throughout the state during wildfires in 2016. Modesto crews responded to 12 different fires through the State Mutual Aid System, where they provided fire suppression and filled leadership positions. The department was reimbursed for all expenses associated with the deployments and members gained tremendous experience.

Goals and Objectives: FY 2018-19

The FY 2018-19 Goals and Objectives for the Modesto Fire Department are:

MODESTO FIRE DEPARTMENT

DEPARTMENTS

Goal 1 - Adapt, grow and maintain flexibility as it expands service delivery capabilities.

Continue to follow the adopted strategic plan and expand services.

Adopt and implement response time, personnel and equipment standards for all response types.

Adopt a battalion chief coverage and response plan to achieve industry standards for proper span of control.

Utilize resources to ensure first out companies maintain an 85% or greater reliability.

Goal 2 - Ensure that all personnel are achieving minimum training standards and advanced training opportunities are provided for career development.

Establish standards for competency at each line position.

Develop a training plan to ensure 100% compliance with the minimum standard of 240 hours of training per year per employee.

Provide development opportunities for company officers.

Goal 3 - Achieve and maintain adequate resources, training and certification to provide special operations services to the citizens of Modesto and the surrounding region.

Obtain adequate resources for the hazardous materials, technical rescue and water rescue response programs to maintain operational readiness.

Establish and implement a tactical EMS team to work in conjunction with the MPD SWAT Team.

Goal 4 - Identify and utilize varied and innovative revenue resources to fund operational and structural improvements.

Study 3rd party insurance billing for vehicle accidents, EMS responses, haz-mat incidents, landing zone stand-by and false alarms.

Establish a public/private partnership with ambulance provider to receive reimbursement for FRALS and other related services.

Establish a fee schedule for the provision of special operations services provided to jurisdiction without such services.

Establish a capital replacement program and funding for equipment and facilities.

Goal 5 - Implement and utilize technologies that improve efficiencies.

Conduct a hardware/software analysis to determine redundancy, service gaps and required hardware/software suites for the future.

Pursue technology partnerships with local fire agencies that provide efficiencies and enhance interoperability.

DEPARTMENTS

MODESTO FIRE DEPARTMENT

Goal 6 - Ensure the Fire Prevention Division is timely in the inspection, enforcement and completion of duties.

Complete all state mandated occupancy inspections annually by implementing tablet technology to increase efficiency for inspectors.

Increase public education to the community through a smoke detector program that reaches 80% of low socio-economic/high-risk areas in the community.

Complete all plan checks within 2 weeks of submission.

Modesto Police Department

Mission Statement

The mission of the Modesto Police Department is to drive the crime rate down and improve the quality of life to make the City a safe place to live, work and play. We proactively enforce laws, develop long-term solutions to problems and engage in crime prevention in partnership with the community. The Modesto Police Department is a leader in Intelligence-Led Policing. We maximize the use of technology, innovative ideas and crime analysis in the deployment of our resources. The Modesto Police Department is a learning organization. We are constantly striving to excel and grow by learning from our experiences, tactics and careful examination of events in the public and private sectors. We embrace new ideas and concepts in providing safety and service to our community.

Program Description

Operations Division:

The Operations Division provides core police services to our community through innovative crime reduction strategies. The uniformed patrol personnel assigned to this Division are the first responders to emergency and non-emergency calls for service.

Units:

Area Commands

Crime Prevention

Beat Health

Traffic

Bike Patrol

Canine

Crisis Response Unit

Investigative Services Division:

The Investigative Services Division is responsible for investigating felony cases forwarded by patrol officers, and preparing the case for presentation to the District Attorney's office for prosecution.

Units:

Violent Crimes

Special Victims

Property Crimes

High Tech

ID

SGU (Gangs)

MNET (Narcotics)

FBI Task Force

SDEA

Support Services Division:

The Support Services Division provides all the logistical, technical and administrative support to each of the other divisions. This Division plays a vital role in assuring the Police Department continues to operate effectively and efficiently 24 hours a day, 7 days a week, 365 days a year.

Units:

MODESTO POLICE DEPARTMENT

DEPARTMENTS

Records

Improved officer efficiency by issuing smart phones to replace Samsung devices for viewing and marking PVRs video evidence. Additionally, officers can stay in the field longer not having to return to the station to call citizens regarding calls for service

Training

Animal Control

Hiring/Recruiting

Admin Services

Improved efficiency by acquiring new MDC terminals for the patrol fleet as well as Department of Justice authorization to allow the MDC terminals to be removed from the vehicles for officers to write reports anywhere

Information Technology

Fiscal Year 2017 Accomplishments

Ended 2016 with 6% reduction in Part I crimes compared to 2015 including a 48% reduction in Homicides, a 13.3% reduction in Burglaries and a 10.5% reduction in Auto Theft

Improved safety and communication by completing a radio replacement project switching from twenty year old VHF radios to a new P25 800MHZ Trunking System and new radios for all personnel

Awarded #1 in California and #5 in the Nation for National Night Out community participation

Implemented advanced scenario-based officer training to enhance quality of training

Developed an Unmanned Aerial Vehicle (UAV) program that has become a model program for law enforcement agencies across the State and Nation. California POST has completed a training and deployment "how to" video based on MPD's UAV program. The California Police Chiefs Association awarded MPD's UAV program with the Innovation and Technology Award.

Increased on-line reporting by 11.9%

Implemented below 100 training for employee driver safety

Improved community outreach and support as well as increased efficiency by adding two full time Area Commanders, freeing up the Watch Commanders to more closely supervise field operations. The Area Commanders are also free to focus on their area command rather than split duties

Implemented Lexipol Policy Program, which enhanced accountability

Goals and Objectives: FY 2018-19

The FY 2018-19 Goals and Objectives for the Modesto Police Department are:

Completed the Real Time Crime Center / Department Operations Center that has been used for large scale events such as flooding and special events. The center is used by both the Police and Fire Departments during events.

Goal 1 - Reduce Crime and the Fear of Crime

Ensure every member of the Department is committed to reducing crime and the fear of crime for our citizens by building the department philosophy around "Making Modesto Better" 1

DEPARTMENTS

Ensure the effective use and efficient deployment of public safety resources based on local need

Ensure Community-Oriented Policing is the foundation in how we provide public safety services

Ensure public safety is centered around Area Command Policing, which fosters partnerships, accountability and long-term problem-solving

Maximizing Intelligence-Led Policing with Predictive Policing software, Crime Analysts, Real-Time Crime Center and innovative technology

Increase focus on at-risk youth, as well as, gang prevention/intervention

Expand the use of CSOs, Cadets and Volunteers to aid in public safety service

Continue to build the Beat Health teams in order to address quality of life issues

Refine CrimeView meetings to incorporate more of a citywide "holistic" view

Goal 2 - Increase Community Engagement

Strive to enhance current partnerships and develop new working relationships with the people that live, work and visit our city

MODESTO POLICE DEPARTMENT

Ensure every member of the organization builds positive relationships by treating everyone they contact with dignity, compassion and respect

Use "Community-Oriented Governance" to address issues

Expand partnerships with all city departments, neighborhood groups and businesses to support public safety

Area Command Lieutenants will continue to champion efforts in reducing crime and addressing quality of life issues

Increase Neighborhood & Business Watch groups

Expand community/youth outreach and communication through meetings, public safety events and social media

Conduct a Public Service Survey

Establish a Collision Review Panel Protocol

Goal 3 - Promote Organizational Excellence

Embrace new ideas and concepts and continuously improve the safety and service to our community

Strive to foster and promote ongoing education and training, which focuses on professionalism, accountability, ethics and leadership

MODESTO POLICE DEPARTMENT

DEPARTMENTS

Continue to look at "Best Practices" within our profession and incorporate effective tactics and procedures in order to reduce crime

Foster a "life-learning" environment, which promotes on-going employee development and organizational growth at all levels

Strive to only hire high quality employees, in order to maintain excellent public service

Learn from our past experiences and practices in order to provide the best public service we can

Parks and Recreations Neighborhood

Mission Statement

The Parks, Recreation & Neighborhoods Department serves the citizens of Modesto through quality recreation programming, welcoming community centers, active neighborhood engagement, and a wide variety of cultural awareness events. Our mission is "Creating community through people, parks, and programs."

Program Description

The Parks, Recreation & Neighborhoods Department offers numerous programs all based on the following guiding principles: Accessibility, Inclusivity, Affordability, Equity, Diversity, Sustainability, and Flexibility.

Sports & Aquatics: A couple of the highlights of the department offerings for sports related programming is Men's, Women's, Coed Competitive, and Coed Recreational Softball Leagues, the Jr. Giants Free Youth Baseball Program and Kidz Love Soccer. In addition, the department offers year-round swim lessons for all ages, summer recreational swim opportunities, and a therapeutic pool for seniors and those with disabilities.

After School Programs & Community Centers: The department partners with Modesto City Schools to operate after school programming for over 1,000 students at several local schools. In addition, the department offers youth the opportunity to engage in safe activities in a controlled environment at the Maddux Youth Center and the Neighborhood Center at Marshall Park.

Senior & Child Services: The department offerings include a wide variety of classes targeted at children within the community, including but not limited to art and dance classes, Family Movie Nights, and our CSI Camp in partnership with the Modesto Police Department. In addition, the department offers many programming options for those with special needs including Bowling, Friday Night Out, Basketball, and Senior/Disabled Swim. The department also offers a variety of programs designed around healthy aging including but not limited to

Zumba, tai chi, health awareness, bingo, the senior movie series, senior meals, pickle ball, and sewing.

Guest Services: The department manages the rental of 6 indoor facilities, 2 Regional Parks and various other park amenities available within the City for everything ranging from community events, weddings, birthday parties, etc. In addition, outdoor rentable amenities include: ballfields, tennis courts, sand volleyball courts, and picnic pavilions.

Community Events: The Department offers a wide variety of community events centered on neighborhood engagement, cultural awareness and community partnerships.

Volunteer Programs: Volunteer opportunities for neighborhood clean-ups, Love Modesto, & tagging abatement are a great example of community engagement and the fostering of civic pride.

Parks Planning & Development: The department provides current and future planning of park facilities throughout the City including parks renovations and new construction projects. In addition, the department provides the City with landscape and irrigation expertise for all landscape development within the City. Finally, the Park Partners Program offers community groups the opportunity to partner with our department to make improvements to their neighborhood parks and amenities.

Tuolumne River Regional Park (TRRP): The department provides day-to-day management of the TRRP as the managing partner of the JPA with Stanislaus County and the City of Ceres.

Fiscal Year 2017 Accomplishments

The following is a list of the Parks, Recreation & Neighborhoods Department accomplishments for FY 2016-17:

PARKS AND RECREATIONS NEIGHBORHOOD

Completed several Parks Partners Projects including the Encina Avenue Native Garden & improvements to Garrison Neighborhood Park.

Facilitated over 1,100 facility rentals consisting of over 7,000 individual bookings that served over 235,000 attendees. Served 1,249 recreation program and specialty class registrants. Served over 600 youth with the Jr. Giants Baseball Program. Served over 2,600 participants in the Adult Softball Program. Provided 228 local residents with nearly \$5,000 in financial assistance to participate in recreation programming through the Leisure Buck Program.

Engaged 1,382 volunteers in 6,456 hours dedicated to community clean-ups, special events, and miscellaneous volunteer opportunities with a value to the City equal to \$178,121.

Holiday programming served over 20,000 guests at the Celebration of Lights Parade and over 1,800 runners in the Spirit of Giving Run.

Goals and Objectives: FY 2018-19

The FY 2018-19 Goals and Objectives for the Department are:

Goal 1 - Plan and develop park and recreation areas and facilities.

Complete designs and/or renovations of several neighborhood park playgrounds.

Complete construction of TRRP Phase 2 and develop proposals to increase revenue in the TRRP.

Complete construction of kitchens at the Senior Citizens and Airport Neighborhood Centers.

DEPARTMENTS

Remove the Remnant Dennett Dam from the Tuolumne River.

Goal 2 - Build healthy vibrant communities by providing a diverse offering of public recreational opportunities for all age groups.

Develop a strategy to ensure that Aquatics classes and recreational swim can be fully implemented in FY 18-19.

Increase the number of revenue generating recreation programs to offset existing program expenses. This includes completion of a comprehensive parks facility and recreational program fee study to ensure the department becomes more fiscally sustainable.

Complete the implementation of a new Recreation Program Software to provide the public with a more up to date and user friendly experience.

Goal 3 - Increase departmental capacity through leveraging community resources and fund development.

Increase the number of public/private partnerships within our programs and facilities with increased service guidelines and reportable data.

Re-establish the Fund Development Program with a focus on generating funds to offset program expenses and address differing maintenance issues in our Park System.

Goal 4 - Create Great, Safe Neighborhoods by growing neighborhood leadership building community capacity and promoting self-help strategies.

DEPARTMENTS

PARKS AND RECREATIONS NEIGHBORHOOD

Assist the community in meeting the funding goal for The Awesome Spot Playground.

Identify any new community events that may help accomplish this goal.

Assist the community in various Park Partners Projects throughout the year including new pickleball courts at Beyer Park, new signage at Garrison Park, fitness equipment at Virginia Corridor and new play equipment at the highest need park.

Goal 6 - Implement youth intervention strategies to dissuade youth from juvenile delinquent behaviors.

Goal 5 - Support and engage youth and their families through positive community events and activities.

Increase Departmental programs designed to serve at-risk youth.

Evaluate the current community events and activities and determine alignment with goals.

Increased at-risk youth programming through partnership with Modesto PD.

Utilities Department

Mission Statement

The Utilities Department is a service-driven organization committed to building partnerships that promote a vibrant business community and engage neighborhoods with a culture of excellence where citizens get the best and employees give their best. The Utilities Department will efficiently and effectively operate, protect, and manage all water, wastewater and storm drain infrastructure and resources for the current and future needs of the community and the environment.

Program Description

The following is a brief summary of each of program used to achieve the Department strategic goals:

Regulatory Compliance and Customer Satisfaction: Provides operation of the utility assets in compliance with all regulations and to satisfy the customers, including compliance with all regulatory permits, customer satisfaction for the applicable utility services, successful water operations, successful wastewater treatment, pumping, collections, and disposal operations, and successful storm water operations.

Reliability and Asset Management: Manages utility assets to preserve the long-term, reliable operation of the assets to meet all regulatory and customer satisfaction goals, including major maintenance/CIP development and implementation for each utility, full use of the Computerized Maintenance Management System to plan, record, and optimize maintenance, successful water system maintenance, successful wastewater treatment, pumping, collection, and disposal system maintenance, successful storm water system maintenance and rehabilitation projects, plans for system growth, and sustained knowledge of utilities.

Fiscally Responsible Business Practices: Provides for managing assets cost-effectively in the long term, and to ensure that each utility is properly funded, including adequate user rates to ensure that the utilities are sufficiently funded, managing assets so that rate

increases are planned, predictable and competitive with other similar utilities, operating assets in a cost-effective manner, and allowing administrative and engineering functions to properly support operations.

Safety and Workforce Development: Provides that all employees work in a safe environment, and that they will be trained to properly complete the work, including successful safety performance, succession planning, and workforce training and development.

Sustain Effective Partnerships: Supports the goal for the Utilities Department to develop and sustain effective partnerships that influence our ability to fulfill our mission, including partnerships with the regulatory agencies, regional water partners, industrial, commercial, and residential customers, community stakeholders, community educators, and the media.

Fiscal Year 2017 Accomplishments

Completed Water and Wastewater Master Plans that provide a "roadmap" for the necessary future utilities infrastructure that supports economic development as the City grows.

Managed water supply to achieve State mandated water conservation requirements, with overall City water use reduced by 27% during the drought.

Began construction of a design/build project to implement the North Valley Regional Recycled Water Program (NVRWP). The NVRWP allows the City to sell recycled water to the farmers in the Del Puerto Water District.

Collaborated with the Manufacturer's Council of the Central Valley to provide economic incentives for the long-term growth of local food and beverage processors by modifying the City Municipal Code

UTILITIES DEPARTMENT

through a new ordinance regarding the allocation and use of sewer capacity.

Implemented a Food Service Cost Share program to help eliminate fats, oils, and grease (FOG) from restaurants being discharged into the sewer system as part of the FOG program.

Collaborated with the local dental industry to implement a Dental Amalgam Program that ensures proper disposal without overburdening regulation on their businesses.

Implemented a water rate increase to maintain compliance with existing bond covenants and fund capital projects, including a Water Rate Assistance Program that provides a cost reduction for qualifying low income water customers.

Settled litigation with the Modesto Irrigation District regarding construction of the Surface Water Treatment Plant and negotiated a new Master Stormwater Discharge Agreement.

Participated in establishing two local Groundwater Sustainability Agencies with other local water purveyors, in compliance with the Sustainable Groundwater Management Act.

Finished commissioning and successfully operated the Phase 2 tertiary wastewater treatment plant to produce recycled water of the highest quality that can be discharged to the San Joaquin River or the Delta Mendota Canal once the NVRWP project is complete.

Completed utilities infrastructure capital projects including the North Water Tank, South 9th Street Water Line Replacement, Cannery Segregation Pump Replacement, Gallo River Trunk Rehabilitation, and 2015-16 Storm Drain Improvements.

DEPARTMENTS

Implemented a mobile maintenance management system for wastewater collection field crews allowing immediate data entry and maintenance history access in the field, eliminating the need for a dedicated position to do routine data entry in the office.

Goals and Objectives: FY 2018-19

The FY 2018-19 Goals and Objectives for the Utilities Department are:

Goal 1 - Completion of the North Valley Regional Recycled Water Project

Goal 2 - Continue Implementing Technology to Minimize Staffing

Goal 3 - Manage Drinking Water to Maximize Conservation and Use of Surface Water

Maintain reasonable restrictions on water use

Work closely with MID to achieve efficiency of water treatment plant operations and maintenance activities

Goal 4 - Minimize Future Water and Wastewater Rate Increases

Evaluate and report the status of utilities funds to Council quarterly

Adapt to changing conditions and regulatory requirements

Goal 5 - Complete Planned Capital Improvement Projects

Provide the infrastructure required for industrial, commercial businesses, and residential growth

Rehabilitate existing aged infrastructure to provide reliability and prevent failure that can disrupt economic development

Public Works

Mission Statement

The Public Works Department provides maintenance services for our airport, streets, traffic control systems, parks, City buildings, parking, City vehicles and City trees. We also provide services such as garbage pick-up and recycling, green waste collection and public transit. Our mission is to construct and maintain public infrastructure and operate transportation systems to the highest standard of excellence and accountability in order to support a vibrant business environment and to enhance the quality of community life.

Program Description

Following is a brief summary of each division area:

Airport: The Modesto City-County Airport is owned and operated by the City. The airport is an FAA certificated facility that can provide scheduled commercial air carrier service. There are approximately 175 based aircraft consisting of jets, multi engine turbo prop, single engine planes, and helicopter operations. The airport owns 140 hangars that are leased to tenants for recreational flying, private business use and aviation related businesses.

Streets: The Street Division provides maintenance services for pavement, curbs, gutters, and sidewalks, performs monthly street sweeping and provides vegetation maintenance in the road right-of-way. Our staff also responds to emergency situations, assists with spill clean-up, flood response and provides special event support.

Traffic: The Traffic Engineering Division designs traffic signals and provides traffic signal timing and coordination. The Traffic Electrical Division provides street light maintenance and maintains traffic signals for the City, as well as Stanislaus County, Ceres and Riverbank. This division also maintains the electrical systems in all City buildings. The Traffic Operations Division maintains more than 29,173 traffic signs and directional arrows. The Traffic Operations Division also does all pavement striping for center lines, lane lines, bike lanes, pavement legends, etc.

Transit: The Transportation Division provides public transportation for the citizens of Modesto. Our Modesto Area Express (MAX) system carries over 3.1 million customers per year and has over 800 stops in and around Modesto. The Modesto ACE Express offers three non-stop trips morning and evening to the Lathrop/Manteca ACE train station. The Modesto BART Express offers two trips morning and evening to the Pleasanton/Dublin BART station. We also have stops that run to the AMTRAK station on Parker Road. In addition to Modesto Area Express (MAX), the City provides a specialized transportation service for persons with disabilities and people age 65 and older. This service is provided seven days a week, every day of the year.

Parks Operations: Parks Operations maintains and prepares City parks, trails, recreation facilities, buildings, open space areas and paths for reserved and casual use, including ballfields, play equipment, restrooms and picnic areas. Parks staff also provide support at events and volunteer activities in the parks. Additionally, Parks staff maintain firebreaks in undeveloped park land.

Building Services: Building Services oversees maintenance, repairs, and renovations at the City's 93 facilities. This division manages the various contracts we have such as pest control, custodial services, security, and fire protection. Building Services also works closely with the JPA in serving and maintaining Tenth Street Place.

Fleet: This division provides equipment and vehicle preventative maintenance and repairs, 24-hour road call and tire service, welding fabrication and Fire and Police custom builds. This division ensures that all City equipment meets safety standards. This is an Internal Service Fund, allocating all costs to internal customers through vehicle rates.

PUBLIC WORKS

DEPARTMENTS

Solid Waste: The Solid Waste Division oversees service agreements with two garbage collection companies that provide garbage and recycling services to over 57,000 residential and 11,000 commercial accounts in Modesto. Services provided also include continuous public education and outreach programs, bulky item pickup, enforcement and cleanup of illegal dumping in streets and alleys, tire and oil collection programs and enforcement, green waste collection and enforcement, implementing new programs in compliance with state environmental legislation, daily customer service, grant management, and management of internal recycling programs. The Compost Facility receives green waste from all City residential customers, commercial accounts, City leaves, and forestry materials for processing into compost. The compost is then sold to the public and utilized in Citywide projects. Solid Waste also oversees the Carpenter Road Landfill and is a JPA with Stanislaus County and Covanta Energy for processing of waste-to-energy.

Green Waste/Forestry: The Forestry division manages trees and plants contained in public right-of-ways, including streets, parks, median islands, and more. Forestry is responsible for planting, pruning, removal of street/parks trees, and maintenance of a computerized tree database with nearly 100,000 City trees. Forestry staff also respond to citizen inquiries regarding right-of-way issues, unsafe trees, tree service, and provide emergency response after storms.

Parking: Parking Services is an enterprise fund and as such reinvests all revenue dollars back into the parking facilities operation, infrastructure, area security, beautification and customer service. Services include building maintenance and upgrades (sweeping, washing, painting, garbage removal, landscaping, elevator maintenance, tagging removal, etc.). Customer service staff and tech staff oversee parking agreements with businesses and City/County employees.

Fiscal Year 2017 Accomplishments

Successfully negotiated tenancy for an avionics installation company at the Airport

Applied for an FAA grant to update existing Airport Layout Plan

19th year as a Blue Seal of Excellence Fleet Facility

16 consecutive years of CHP inspections resulting in zero infractions in Fleet division

Purchased four City buses, delivered in April 2017

Placed a new commuter bus in service

Grant funding for the Bus Maintenance Facility was used to design a shade structure, design parts room expansion and purchase various other required tools and accessories

Collected and disposed of waste from 57,000 residences and 7,000 businesses (4.5 pounds/person/day)

Converted 106,000 tons of waste into energy

Powered 19,000 homes with renewable energy

Cared for 120,000 trees

Composted 59,708 tons of organic material

Recycled 138 tons of Hazardous Waste and 36,265 gallons of oil

DEPARTMENTS

PUBLIC WORKS

Collected 1,974 tons of bulky items

Goals and Objectives: FY 2018-19

Develop a plan to monitor parks, including expanded police presence and a possibility of a Park Patrol

Filled 16,232 potholes

Management of the AB 341 and AB 1826 Enforcement Programs

Removed and replaced 35,610 square feet of sidewalk

Complete the mitigation work at the closed Carpenter Road Landfill

Filled 50,000 sand bags

Complete and implement a Garbage Rate Study and Annual Rate Review

Slurry sealed 78.6 lane miles

Slurry seal an additional 80 lane miles

Converted 146 high voltage street lights to LED

Installed school safety beacons on Tuolumne Boulevard at Yosemite Avenue

Install new traffic signals at Prescott and Mount Vernon, Roselle and Belharbor, Floyd and Millbrook, and traffic signal upgrades at 9th and B Streets, and at 7th Street and I, G and H Streets

Installed a speed hump on Sheffield Lane near Sunrise Avenue

Explore funding opportunities for Citywide traffic signal upgrades

Replaced, repaired, installed, or maintained 2,815 traffic signs

Implement smartphone app to provide real time bus arrival prediction information

MAX provided 3,108,307 unlinked passenger trips in FY 2015/2016 for residents and visitors of Modesto, Salida, Empire and other unincorporated areas

Start new contractor on MAX system

Upgraded the Automatic Vehicle Location system

Acquire four new electric buses

Held Family Cycling Festival and Bike to Work Day

Implement Transit Improvement Plan

Completed SR 99/Pelandale Avenue Interchange construction

Review and adjust Airport and Parking fees

Implement recommendations of Fleet Efficiency Study

Complete Facilities Master Plan (FMP) for City-owned buildings

Note: Debt service requirements are based on debt service schedules provided in bond and lease documents.

(1) "Resident fund" is the fund in which the debt service expenses to be paid to trustees or lessors are budgeted.

(2) "Amount" consists of total cash required to pay debt service related costs during the fiscal year, including trustee administration fees. Actual principal and interest expenses may be higher or lower, due to accruals in enterprise and internal service funds, and capitalized interest held by trustees.

(3) "Funding source" is the fund or funds which provide cash to the "resident fund" for debt service payments. If the funding source is different from the resident fund, an interfund transfer is normally budgeted to move the cash.

(4) "Years remaining" are as of June 30, 2018.

Policy Memos

PROPOSED POLICIES

Approve the General Fund Emergency Reserve Level to be a minimum of \$14 million for the 2018-19 Fiscal Year.

Approve the initiation of a rate reduction for all funds that make an annual payment into the Worker's Compensation Fund for Fiscal Year 2018-19 at the rate of 28 percent.

 <p>MODESTO CALIFORNIA</p>	<p>CITY OF MODESTO</p> <p>COMITTEE AGENDA REPORT</p>	<p>BUDGET</p> <p>WORKSHOPS April 30 – May 4, 2018</p>
--	--	---

Date: April 25, 2018

TO: Effective Government Committee
 Mani Grewal, Chair
 Kristi Ah You, Vice-Chair
 Bill Zoslocki, Member

THROUGH: Joseph P. Lopez, Acting City Manager

FROM: Steve Christensen, Budget Manager

SUBJECT: General Fund Reserve Level

CONTACT: Steve Christensen, Budget Manager
schristensen@modestogov.com, 209-577-5390

DESCRIPTION:

Consider making a recommendation to the City Council regarding the General Fund reserve level for Fiscal Year 2018-19. (Funding Source: General Fund)

FISCAL IMPACT:

By Council policy, the General Fund reserve is set at eight percent (8%) of the fund’s total operating expenses. In adopting the budget for FY 2008-09 and FY 2009-10, Council lowered the required reserve to seven percent (7%) and for FY 2010-11 through FY 2015-16 adopted a flat \$7 million reserve requirement. While the actual dollar amount fluctuates depending on total operating expenses, one percent is roughly the equivalent of \$1.2 million in General Fund reserves.

BACKGROUND:

The City Council establishes the reserve level for various funds based on the needs of the City. In the utility funds, the adopted reserve level is equal to 25% of operating costs to ensure sufficient funds are available to handle fluctuations in utility billing amounts. On the other hand, the General Fund’s reserve level, for years, was set at five percent (5%) and more recently, at eight percent (8%).

In the past several years, slowly recovering revenues – primarily in sales tax and property tax revenues – have significantly stretched the City resources and caused reductions in every General Fund program area including public safety. Understanding the need to maintain core City services during the current slowly recovering economic times, the staff is recommending maintaining a minimum \$14 million dollar emergency reserve for the upcoming fiscal year

(2018-19) to prevent even further erosion of these services. The current emergency reserve amount is \$15.8 million and will continue to remain untouched unless use is approved by City Council via council action. There is a pending action recommended by the Finance Committee that will be brought to Council for discussion that could potentially add an additional \$2.5 million to the emergency reserve amount bringing the total to \$18.3 million.

Adopting a minimum \$14 million emergency reserve policy would allow the City Council some flexibility to approve use of funds for council approved actions while allowing the City to maintain a strong reserve amount that could increase should additional funds be realized in the General fund and Council decide to place them in the emergency reserves in the future.

STRATEGIC PLAN ELEMENT:

This is consistent with the City of Modesto's Strategic Plan to "Provide an innovative and accountable city government that embraces a standard of service excellence through adaptive leadership, and responsive public service."

Approved by:

Steve Christensen, Budget Manager

Joseph P. Lopez, Acting City Manager

 Steve Christensen, Budget Manager

SUBJECT: Workers' Compensation Premium Payments

CONTACT: Catherine Talongwa, Risk Manager
ctalongwa@modestogov.com, 209-577-5446

DESCRIPTION:

Consider providing policy direction regarding:

1. The initiation of a rate reduction for all funds that make an annual payment into the Worker's Compensation Fund for Fiscal Year 2018-19 at the rate of 28 percent.

(Funding Source: Potential General Fund and Non-General Fund Impact)

FISCAL IMPACT:

For the 2018-19 fiscal year, the total workers' compensation premium assessment charge to all funds is recommended to be \$6.46 million with the General Fund contributing approximately \$4.94 million. A recent evaluation of the Workers' Compensation Fund's reserve levels has resulted in the decision to initiate a rate reduction for fiscal year 2018-19 at the level of 28 percent. This rate reduction will equate to a lower funding level in workers' compensation contributions from all funds in FY 2018-19. This action will result in a refunding to the General Fund of \$1.38 million and a proportional savings to the non-general funds that pay premiums into the Workers' Compensation Fund in the amount of \$426 thousand. The existing cash balances in the fund will be sufficient to continue payment of actual claim costs on an annual basis.

BACKGROUND:

The city self-assesses a charge to all programs with employees to cover the cost of providing workers compensation benefits. The amount charged to each program is based on a fixed percent of the total salaries paid and a factor assigned using the actual claims history of the program's employees. For the 2018-19 fiscal year, the total premium assessment to all funds is approximately \$6.46 million. By funding workers' compensation at a lower amount due to the initiation of a rate reduction in FY 2018-19, the Worker's Compensation Fund deficit could increase slightly while the existing cash balance will be drawn lower in response to the payment of actual claim costs being higher than the budgeted amount. The Workers Compensation Fund has a sufficient cash balance to allow for this funding methodology in FY 2018-19.

Glossary

ABATEMENT

A complete or partial cancellation of a levy imposed by a government and usually applied to tax levies, special assessments and service charges.

ACCOUNTING SYSTEM

The total structure of records and procedures which discover, record, classify, summarize, and report information on the financial position and the results of operations of a government or any of its funds, fund types, balanced account groups, or organizational components.

ALLOCATION

To divide or share out for a specific purpose or to particular persons or departments.

APPROPRIATION

An authorization granted by a legislative body to make expenditures and incur obligations for a specific purpose. An appropriation is usually limited in amount and as to time when it may be expended. Operational appropriations usually expire at fiscal year end.

ASSESSED VALUATION

A value of real estate or other property by a government as a basis for levying taxes.

ASSETS

A probable future economic benefit obtained or controlled by a particular entity as a result of past transactions or events.

BOND

A City may raise capital by issuing a written promise to pay a specific sum of money, called the face value or principal amount, at a specified date or dates in the future, together with periodic interest at a special rate. The difference between a note and a bond is that the latter runs for a longer period of time and requires greater legal formality.

BUDGET

A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. The term usually indicates a financial plan for a single fiscal year.

BUDGET HEARING

A public meeting at which any citizen may appear and be heard regarding the increase, decrease or omission of any item in the proposed budget as presented in writing by the City Manager to the City Council.

BUDGET MESSAGE

A general discussion of the proposed budget as presented in writing by the City Manager to the City Council. The message contains an explanation of primary budget issues and policy changes found in the proposed budget.

CAPITAL IMPROVEMENT

A permanent addition to the City's assets, including the design, construction, or purchase of land, buildings, or facilities, or major renovations.

CAPITAL IMPROVEMENT PROGRAM BUDGET

A financial plan of proposed capital improvement projects with single and multiple-year capital expenditures. These include the construction of new streets, sewer lines, fire stations, development of a new park, or a significant study with long-term benefits to the Community. The Capital Program plan is a ten-year plan, which is updated annually. This program is often referred to as the "CIP".

CAPITAL OUTLAY

A budget category which includes all equipment having a unit cost of more than \$5,000 and an estimated useful life of over one year. Non-CIP capital outlay is budgeted in the City's operating budget.

CONTINGENCIES

A budgetary provision representing that portion of the appropriations set aside to meet unforeseen expenditure requirements.

CPI

Consumer price index is a statistical measure of a weighted average of prices of a specified set of goods and services purchased by wage earners in urban areas.

DEBT SERVICE

Payment of the principal and interest on an obligation resulting from the issuance of bonds, notes, or other long-term debt.

DEPARTMENT

A major organizational unit of the City that has been assigned overall management responsibility for a group of related operations.

DEPRECIATION

Expiration in the service life of fixed assets, attributable to normal wear and tear. The portion of the cost of a fixed asset which is charged as an expense during a particular accounting period. In accounting for depreciation, the cost of a fixed asset, less any salvage value is prorated over the estimated service life of such an asset. Each period is charged a portion of this total cost. Through this process, the entire cost of the asset is ultimately charged off an expense.

ENCUMBRANCE

Obligations in the form of purchase orders, contracts, or salary commitments which are chargeable to an appropriation and for which a part of the appropriation is reserved.

ENTERPRISE FUND

A governmental accounting fund in which the services provided are financed and operated similarly to those of a private business. The rate schedules for these services are established to insure that revenues are adequate to meet all necessary expenditures. Enterprise funds are established for services such as water and sewer, parking facilities, transit systems, airport, and golf courses.

EXPENDITURE

Actual cash disbursements for the cost of goods delivered or services rendered.

FISCAL YEAR

The time period designated by the City signifying the beginning and ending dates for recording financial transactions. The City of Modesto has specified July 1 to June 30 as its fiscal year.

FIXED ASSETS

Assets of a long-term character such as land, building, machinery, furniture, and other equipment with a value greater than \$1,000 and a useful life longer than one year.

FORFEITURES

The automatic loss of cash or other property as a penalty for not complying with legal provisions and as compensation for any resulting damages or losses.

FRANCHISE

A special privilege granted by a government, permitting the continued use of public property, such as city streets and usually involving the elements of a monopoly or regulation.

FUNCTION

A group of related activities aimed at accomplishing a major service or regulatory program for which a government is responsible (e.g., general government; streets and highways; parks and recreation; public works and public safety).

FUND BALANCE

Also known as financial position, fund balance is the excess of assets over liabilities, and represents the cumulative effect of revenues and other financing sources over expenditure and other financing uses.

FUND

An independent fiscal and accounting entity with a self-balancing set of accounts recording cash and/or other resources together with all related liabilities, obligations, reserves, and equities which are

segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

GENERAL FUND

The primary operating fund of the City used to account for all revenues and expenditures of the City not legally restricted as to use. Examples of departments financed by the General Fund include the City Council, Police and Fire Departments, and others general services.

GENERAL FUND DISCRETIONARY REVENUE

The General Fund is the primary operating fund of the City. It accounts for normal, recurring activities traditionally associated with government. General Fund discretionary money is revenue not restricted to special purposes such as collected fees, interfund labor charges, service credits, and indirect cost recoveries and can be used to support general government activities.

GENERAL OBLIGATION BOND

Bonds used for various purposes and repaid by the regular revenue raising powers of the City. The City of Modesto has no outstanding general obligation bonds.

GNP

Gross National Product is the total market value of all final goods and services produced by the entire economy in a one-year period.

GRANT

Contributions or gifts of cash or other assets from another governmental entity to be used or expended for a specific purpose, activity, or facility. An example is the Community Development Block Grant given by the Federal Government.

INDIRECT COSTS

Those elements of cost necessary in the production of a good or service that are not directly traceable to the product or service.

INTERFUND TRANSFERS

Amounts transferred from one fund to another.

INTERNAL SERVICE FUND

Funds used to account for the financing of goods or services provided by one department to another department on a cost reimbursement basis, for example; the Fleet Management Fund, which maintains the City's equipment pool; or the Central Services Fund, which provides office supplies and various materials for maintenance and construction.

NET DISCRETIONARY SUPPORT

Total operational costs after taking into account related fees and charges and other revenue. This represents the true general tax support for an operation.

OPERATING BUDGET

The portion of the budget pertaining to the daily operations that provide basic governmental services. The operating budget contains appropriations for such expenditures as personnel, supplies, utilities, materials, travel and fuel.

ORDINANCE

A formal legislative enactment by the City Council. It has the full force and effect of law within City boundaries unless pre-empted by a higher form of law. An ordinance has a higher legal standing than a resolution.

PERFORMANCE MEASURES

A performance measure is a public oriented measure which, whether stated in terms of effectiveness or efficiency, quantitatively describes how well a service is being performed. The foundation of performance measures is understanding the relationship between program inputs, outputs, efficiency, effectiveness, and ultimately program outcomes.

RECESSION

A noticeable drop in the level of business activity.

REIMBURSEMENT

Repayments of amounts remitted on behalf of another party, or interfund transactions that constitute reimbursements to a fund for expenditures or expenses initially made from it but properly applied to another fund.

RESERVE

An account used to earmark a portion of fund balance to indicate that it is not available for expenditure.

RESOLUTION

A special order of the City Council which has a lower legal standing than an ordinance.

RETAINED EARNINGS

An equity account reflecting the accumulated earning of an enterprise or internal service fund.

REVENUE

Funds that the government receives as income. It includes such items as taxes, fees, permits, licenses, grants and interest.

SPECIAL ASSESSMENT

A compulsory levy made against certain properties to defray part or all of the cost of a specific improvement or service deemed to primarily benefit those properties.

SPECIAL REVENUE FUND

A fund in which revenue is collected and is restricted by the City, State or Federal Government as to how the city might spend its resources.

SUBSIDY

A grant by government to another government entity to assist in an enterprise deemed advantageous to the public.

TAXES

Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. The term does not include specific charges made against particular persons or property for permanent benefits such as special assessments. Neither does the term include charges for services rendered only to those paying such charges as, for example, water service charges.

TRUST AND AGENCY FUNDS

Also known as Fiduciary Fund Types, these funds are used to account for assets held by the City in a trustee capacity or as an agent for private individuals, organizations, or other governmental agencies. The fiduciary funds used by the City are investment trust, non-expendable trust and agency funds.

USER CHARGES

The payment of a fee for direct receipt of a public service by the party benefiting from the service.

WORKING CAPITAL

Also known as "financial position" in the private sector, working capital is the excess of current assets over current liabilities. For enterprise funds, this term is used interchangeably with "fund balance", a comparable financial position concept in the governmental fund types.

Recommended Budget Principles

1. Annually Adopt a Structurally Balanced Budget

A structurally balanced budget means on-going revenues and on-going expenditures are in balance with on-going revenues meeting or exceeding expenditures during the same time period. If a structural imbalance occurs, a plan must be developed and implemented to bring the budget back into balance.

2. Use of One-Time Resources

Once brought into balance, one-time revenues (excess reserves about reasonable risk calculations, revenue spikes, prior year budget savings, sale of property, etc) shall not be used for current or new on-going operating costs. Examples of appropriate uses of one-time revenues include early retirement of debt, capital expenditures without significant operating or maintenance costs, and other non-reoccurring expenditures.

3. Budget Revisions

New programs, services, or staffing requests are considered in light of the Council's priorities and shall include a spending offset at the time of the request so that the request has a net-zero impact on the budget.

4. Reserves

All City funds must maintain an adequate reserve level and/or ending fund balance as determined annually as appropriate for each fund. For the General Fund, the contingency reserve amount, which is a flat \$7 million, shall be maintained. Any use of the General Fund contingency reserve will require a majority vote of the Council.

5. Debt Issuance

Long-term General Fund debt will not be incurred to support on-going operating costs (other than debt service) unless such issuance achieves net operating cost savings and such savings can be independently verified. All General Fund debt issuances shall identify a method of repayment or have a dedicated revenue source.

6. Employee Compensation

Recognizing that employees are the City's major resource, negotiations for employee compensation shall focus on the total compensation costs (e.g. increases in salary, steps, and benefit costs) while considering the City's fiscal condition, revenue growth, and changes in the cost of living.

7. Capital Improvement Projects

Capital Improvement Projects shall not proceed for projects with annual operating and maintenance costs in the General Fund without City Council certification that funding will be available in the applicable year of the cost impact. Certification shall demonstrate that the entire cost of the project, including operating and maintenance costs, will not require a decrease in the City's core services.

8. Fees and Charges

The development of fees and fee increases shall be utilized where appropriate to assure fee program costs are fully recovered by fee revenue.

9. Grants

Staff will seek out, apply for, and effectively administer grants that address the City's priorities, policy objectives, and provide an overall positive benefit to the City. Before a grant is pursued, staff shall provide a detailed fiscal analysis addressing both the immediate and long-term costs and benefits of the grant. With the exception of pilot projects, one-time grant revenues shall not be used to begin or support the costs of on-going programs.

10. General Plan

The General Plan is the primary long-term fiscal planning tool. Recommendations to create new development capacity beyond the existing General Plan shall be analyzed to ensure that capital improvements and operating/maintenance costs are within the City's financial capabilities.

11. Performance Measurement

All requests for funding shall include performance measure data so funding requests can be reviewed and approved in light of anticipated service level outcomes.

City of Modesto Financial Policies

1. Budget Adoption Level: The city wide, legally adopted level for the budget of any program is by department at the Fund level.
2. General Fund Reserve: The Council has established the unappropriated reserve's minimum level to be 8% of the current appropriations for operating expenditures and operating transfers-out.
3. Forecasting Model: For the General, Enterprise, Internal Service and Capital Project and other major funds the Finance Department will maintain either a 5 or 10-year financial forecasting model to assess the City's ability to respond to changes in anticipated revenue levels, capital improvement program needs and changes proposed in operating costs. (The use of a 5 or 10-year model will depend on the conditions that apply to each fund.)
4. Enterprise Funds and other Non-General Fund Operations: These activities should be self-supporting and should maintain reserve levels that are adequate to protect against fluctuations in revenue and expenditure levels. Activities that deviate from this requirement shall be identified for the City Council annually at the time of budget adoption. Exempt from this requirement are those funds that account solely for grant funds.
5. Inter-fund Loans and Loans to Component Units: Loans between funds and loans to other component units of the city should be considered in light of a multi-year business plan that demonstrates a reasonable ability to repay the loan. All inter-fund loans and loans to component units, either existing or proposed, shall be identified for the City Council at the time of budget adoption. Generally, inter-fund loans and loans to component units shall be established with a repayment deadline that reflects the earliest feasible opportunity for repayment of the loan. Interest rates charged on the loan shall be based on the actual rate of return earned by the City's investment portfolio during the 12-month period immediately preceding a payment date.
 - a. Note that the terms and conditions for existing loans between the City and the former Redevelopment Agency are governed by one or more separate resolutions adopted at the time the loans were approved and are subject to the laws put into place by recent redevelopment dissolution legislation passed by the State of California.
6. Interest Allocation: Interest shall be allocated quarterly to all funds based on their average monthly balances during each quarter.
7. Direct Charges between Funds: Costs charged between funds, such as force-account labor and other direct costs shall be charged on the basis of actual cost and not on the budgeted amount, unless a separate contract exists between the

managers of the two programs allowing the use of the budgeted amount as the basis for the charge.

8. Inter-fund Transfers: Unless direction is given at the time an inter-fund transfer is approved that the amount to be transferred between funds is not subject to adjustment based on a share of cost formula, all inter-fund transfers shall be based upon the sending fund's pro rata share of any project costs or other obligation that is the basis for the transfer. Therefore, a reconciliation of the share of costs allocable to the fund(s) from which resources are to be transferred shall be performed prior to the year-end closing of the city's financial records and shall become the basis for determining the actual amount of any resources to be transferred. It is the intent of this policy that any transfers designed to provide a subsidy to the operations of another fund shall not exceed the amount needed to provide sufficient resources to make revenues equal expenditures unless other direction is provided by the City Council.

All inter-fund transfers and their purpose shall be identified to the Council annually, at the time of the budget adoption.

9. Multi-year Appropriations: Appropriations for certain grants and on-going Capital Improvement Program projects that were authorized in previous years and that are not fully expended shall be deemed valid until revoked. Appropriations related to certain developer-funded expenditures may also be treated as multi-year appropriations.
10. Fund Replacement Reserves: In order to provide future resources for the replacement or repair of depreciable assets, each fund shall establish a list of depreciable assets, including useful lives and replacement costs that will determine the amount to be set-aside annually to allow the timely replacement or repair of these assets. Each program manager shall also establish a plan for funding the reserve and shall disclose the adequacy of the reserve level annually to the City Council as part of the annual budget adoption process.
11. Budget Adjustment Authority: Any adjustment that would appropriate any amount from the General Fund Emergency Reserves must receive Council approval to be appropriated. The authority to approve any other type of budget adjustment in the amount of \$25,000 or less is delegated to the Director of Finance. The authority to approve any other type budget adjustment between \$25,001 and \$50,000 is delegated to the City Manager. Authority for any budget adjustment over \$50,000 is delegated to the parties shown below with the exception of the General Fund Emergency Reserves appropriation:
 - a. City Council
 - i. Appropriation of undesignated reserves
 - ii. Appropriation of new revenues
 1. Does not include Developer Payments

Exhibit 5 - FY 2018-19 City of Modesto Financial Policies

- iii. Budgeting inter-fund transfers
 - 1. Does not include adjustments to budgeted transfers where the intent is to subsidize an enterprise operation as shown in item (v) under the City Manager's budget adjustment authority
- iv. Creation of inter-fund loans
- v. Creation of, or increase in, any multi-year appropriation except for the allocation of interest
- vi. Addition of permanent staff positions
- vii. Appropriation of payments for new indebtedness including operating leases
- viii. All other budgetary actions not delegated to another official

City Manager

- i. Transfer appropriations between departments within a fund
- ii. Changing any capital equipment appropriation
- iii. Appropriate reserves for litigation on a case-by-case basis
- iv. Adjust operating program appropriation levels at his/her discretion to maintain the required 8% reserve level and any reserve levels for non-GF funds
- v. Adjustments to Inter-fund transfers intended to balance enterprise fund operations where the cumulative total of any adjustment does not increase the original City Council approved appropriation by more than \$50,000
- vi. Appropriate Developer Payments not previously budgeted
 - 1. Annexation Deposits
 - 2. Special District Formation Deposits
 - 3. Developer Deposits to be recognized as revenue

b. Director of Finance

- i. Appropriate unbudgeted grant interest
- ii. Revise the allocation of Internal Service Fund charges between departments, provided that the total allocated amount does not increase (any such changes to the allocation shall not result in an increase or decrease to the total amount of discretionary appropriations provided to the affected departments)
- iii. Changing any CIP line item appropriation
- iv. Revoke multi-year appropriations
- v. Close Capital Improvement Program or Non-Capital projects
- vi. Make technical budget corrections to implement the intent of Council-approved actions and resolutions
- vii. Transfer fiscal appropriations between sub-funds of a single fund (except where this changes appropriation amounts for temporary agency labor and/or capital equipment purchases over \$5,000)

- c. Department Director
 - i. Transfer appropriations within a department, within a single fund (excludes appropriations related to capital equipment, capital improvement program)
 - ii. Acting as a designee of the City Manager, the Parks, Recreation, & Neighborhoods Director shall be authorized to appropriate private donations or grants made to the Fund Development Program of the Parks, Recreation, & Neighborhoods Department for specified purposes up to \$25,000

12. Fund Balance Information Requirements: The requirements of GASB Statement No. 54 are intended to enhance the usefulness, including the understandability, of fund balance information, in the financial statements. The City will spend the most restricted dollars before less restricted, given equal eligibility, in the following order:

Non-Spendable – if funds become spendable (inventories, prepaid amounts)
Restricted (grants, bond proceeds)
Committed (capital acquisitions, pending projects)
Assigned (purchase orders, encumbrances)
Unassigned (residual fund balance after deducting the other fund balance categories)

Mayor's Final Budget Modifications

June 8, 2018

As Mayor, I have the duty to prepare and deliver to the City Council the Mayor's Final Budget Modifications for the draft budget under Modesto City Charter Section 1303.

Under our City Charter, the Mayor has specific duties related to the budget such as this message.

I would like to thank City Manager Joe Lopez and the City staff for their efforts in this budget process. Due to their hard work, the City Manager and I were able to present another balanced budget for the City Council workshops which achieved our goal of increasing our budget reserves. This year's budget process required us to close a \$17,380,000.00 gap between expected revenues and the budget requests from City departments. In addition, we had to fund the initial wave of increased monies we are having to send to Sacramento to offset our pension liabilities: \$3,700,000 for this year alone.

Even in these rough waters, the City Council, working with our City Manager and City staff, have been able to achieve the primary goal of my Budget Message earlier this year: increasing our General Fund budget reserve in an effort to meet the minimum recommended by the Government Finance Officers Association ("GFOA"). When I took office, the City's General Fund reserve was at approximately \$3,000,000. In the years since taking office, we have been able to build the General Fund reserve to its current level of approximately \$18,300,000, which our City Manager calculates nearly meets the GFOA recommended minimum General Reserve fund balance. If we realize any future year-end excess funds, the City Manager and I recommend that these excess funds be distributed equally among: the General Fund reserve; funding a pension liability trust; and increasing our deferred maintenance funds.

I do repeat my recommendation from my earlier Budget Message that the City Council establish a written formal policy for the General Fund budget reserves. As I wrote then:

GFOA also "recommends that governments establish a formal policy on the level of unrestricted fund balance that should be

maintained in the general fund for GAAP and budgetary purposes." I believe the City would benefit from such a formal policy and I have attached a copy of the GFOA's statement on General Fund reserves for consideration by the City Council and our citizens."

I am always open to better ideas on how to achieve our goals and will always be happy to receive any input from you: the City Council members entrusted by the citizens and taxpayers with these important decisions. As always, I welcome additional input from City staff, members of the 100-Day Committee, and any other concerned citizen, taxpayer, or group in our community.

I continue to remain confident that by working together, the City Council, our City Manager, all City employees, the 100-Day Committee and all concerned citizens and taxpayers we can achieve long-term financial sustainability of our City for our taxpayers and for city operations.

With respect,

A handwritten signature in black ink, appearing to read 'Ted Brandvold', with a large, stylized loop at the end.

Ted Brandvold, Mayor
City of Modesto

Government Finance Officers Association

BEST PRACTICE

Fund Balance Guidelines for the General Fund

BACKGROUND:

In the context of financial reporting, the term *fund balance* is used to describe the net position of governmental funds calculated in accordance with generally accepted accounting principles (GAAP). Budget professionals commonly use this same term to describe the net position of governmental funds calculated on a government's budgetary basis.¹ While in both cases *fund balance* is intended to serve as a measure of the financial resources available in a governmental fund; it is essential that differences between GAAP *fund balance* and budgetary *fund balance* be fully appreciated.

1. GAAP financial statements report up to five separate categories of fund balance based on the type and source of constraints placed on how resources can be spent (presented in descending order from most constraining to least constraining): *nonspendable fund balance*, *restricted fund balance*, *committed fund balance*, *assigned fund balance*, and *unassigned fund balance*.² The total of the amounts in these last three categories (where the only constraint on spending, if any, is imposed by the government itself) is termed *unrestricted fund balance*. In contrast, budgetary fund balance, while it is subject to the same constraints on spending as GAAP fund balance, typically represents simply the total amount accumulated from prior years at a point in time.
2. The calculation of GAAP fund balance and budgetary fund balance sometimes is complicated by the use of sub-funds within the general fund. In such cases, GAAP fund balance includes amounts from all of the subfunds, whereas budgetary fund balance typically does not.
3. Often the timing of the recognition of revenues and expenditures is different for purposes of GAAP financial reporting and budgeting. For example, encumbrances arising from purchase orders often are recognized as expenditures for budgetary purposes, but never for the preparation of GAAP financial statements.

The effect of these and other differences on the amounts reported as *GAAP fund balance* and *budgetary fund balance* in the general fund should be clarified, understood, and documented.

It is essential that governments maintain adequate levels of fund balance to mitigate current and future risks (e.g., revenue shortfalls and unanticipated expenditures) and to ensure stable tax rates.

In most cases, discussions of fund balance will properly focus on a government's general fund. Nonetheless, financial resources available in other funds should also be considered in assessing the adequacy of unrestricted fund balance in the general fund.

RECOMMENDATION:

GFOA recommends that governments establish a formal policy on the level of unrestricted fund balance that should be maintained in the general fund for GAAP and budgetary purposes.³ Such a

guideline should be set by the appropriate policy body and articulate a framework and process for how the government would increase or decrease the level of unrestricted fund balance over a specific time period.⁴ In particular, governments should provide broad guidance in the policy for how resources will be directed to replenish fund balance should the balance fall below the level prescribed.

Appropriate Level. The adequacy of unrestricted fund balance in the general fund should take into account each government's own unique circumstances. For example, governments that may be vulnerable to natural disasters, more dependent on a volatile revenue source, or potentially subject to cuts in state aid and/or federal grants may need to maintain a higher level in the unrestricted fund balance. Articulating these risks in a fund balance policy makes it easier to explain to stakeholders the rationale for a seemingly higher than normal level of fund balance that protects taxpayers and employees from unexpected changes in financial condition. Nevertheless, GFOA recommends, at a minimum, that general-purpose governments, regardless of size, maintain unrestricted budgetary fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures.⁵ The choice of revenues or expenditures as a basis of comparison may be dictated by what is more predictable in a government's particular circumstances.⁶ Furthermore, a government's particular situation often may require a level of unrestricted fund balance in the general fund significantly in excess of this recommended minimum level. In any case, such measures should be applied within the context of long-term forecasting, thereby avoiding the risk of placing too much emphasis upon the level of unrestricted fund balance in the general fund at any one time. In establishing a policy governing the level of unrestricted fund balance in the general fund, a government should consider a variety of factors, including:

1. The predictability of its revenues and the volatility of its expenditures (i.e., higher levels of unrestricted fund balance may be needed if significant revenue sources are subject to unpredictable fluctuations or if operating expenditures are highly volatile);
2. Its perceived exposure to significant one-time outlays (e.g., disasters, immediate capital needs, state budget cuts);
3. The potential drain upon general fund resources from other funds, as well as, the availability of resources in other funds;
4. The potential impact on the entity's bond ratings and the corresponding increased cost of borrowed funds;
5. Commitments and assignments (i.e., governments may wish to maintain higher levels of unrestricted fund balance to compensate for any portion of unrestricted fund balance already committed or assigned by the government for a specific purpose). Governments may deem it appropriate to exclude from consideration resources that have been committed or assigned to some other purpose and focus on unassigned fund balance, rather than on unrestricted fund balance.

Use and Replenishment.

The fund balance policy should define conditions warranting its use, and if a fund balance falls below the government's policy level, a solid plan to replenish it. In that context, the fund balance policy should:

1. Define the time period within which and contingencies for which fund balances will be used;
2. Describe how the government's expenditure and/or revenue levels will be adjusted to match any new economic realities that are behind the use of fund balance as a financing bridge;
3. Describe the time period over which the components of fund balance will be replenished and the means by which they will be replenished.

Generally, governments should seek to replenish their fund balances within one to three years of use. Specifically, factors influencing the replenishment time horizon include:

1. The budgetary reasons behind the fund balance targets;
2. Recovering from an extreme event;
3. Political continuity;
4. Financial planning time horizons;
5. Long-term forecasts and economic conditions;
6. External financing expectations.

Revenue sources that would typically be looked to for replenishment of a fund balance include nonrecurring revenues, budget surpluses, and excess resources in other funds (if legally permissible and there is a defensible rationale). Year-end surpluses are an appropriate source for replenishing fund balance.

Unrestricted Fund Balance Above Formal Policy Requirement. In some cases, governments can find themselves in a position with an amount of unrestricted fund balance in the general fund over their formal policy reserve requirement even after taking into account potential financial risks in the foreseeable future. Amounts over the formal policy may reflect a structural trend, in which case governments should consider a policy as to how this would be addressed. Additionally, an education or communication strategy, or at a minimum, explanation of large changes in fund balance is encouraged. In all cases, use of those funds should be prohibited as a funding source for ongoing recurring expenditures.

Notes:

1. For the sake of clarity, this recommended practice uses the terms GAAP fund balance and budgetary fund balance to distinguish these two different uses of the same term.
2. These categories are set forth in Governmental Accounting Standards Board (GASB) Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*.
3. Sometimes restricted fund balance includes resources available to finance items that typically would require the use of unrestricted fund balance (e.g., a contingency reserve). In that case, such amounts should be included as part of unrestricted fund balance for purposes of analysis.
4. See Recommended Practice 4.1 of the National Advisory Council on State and Local Budgeting governments on the need to "maintain a prudent level of financial resources to protect against reducing service levels or raising taxes and fees because of temporary revenue shortfalls or unpredicted one-time expenditures" (Recommended Practice 4.1).
5. In practice, a level of unrestricted fund balance significantly lower than the recommended minimum may be appropriate for states and America's largest governments (e.g., cities, counties, and school districts) because they often are in a better position to predict contingencies (for the same reason that an insurance company can more readily predict the number of accidents for a pool of 500,000 drivers than for a pool of fifty), and because their revenues and expenditures often are more diversified and thus potentially less subject to volatility.
6. In either case, unusual items that would distort trends (e.g., one-time revenues and expenditures) should be excluded, whereas recurring transfers should be included. Once the decision has been made to compare unrestricted fund balance to either revenues and/or expenditures, that decision should be followed consistently from period to period.

*This best practice was previously titled *Appropriate Level of Unrestricted Fund Balance in the General Fund*.*

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-244**

**RESOLUTION AMENDING THE POSITION ALLOCATION FOR FISCAL
YEAR 2018-19 AS ADOPTED IN THE OPERATING BUDGET.**

WHEREAS, a Position Allocation for the City of Modesto was adopted by Modesto City Council on June 27, 2017, as part of the Annual Budget of the City of Modesto for Fiscal Year 2017-2018, and

WHEREAS, classification studies are conducted to ensure that a classification system is equitable and consistent within an organization and that positions are correctly classified, and

WHEREAS, per Personnel Administrative Order 2.2-87-12, a classification study may be conducted in response to a reclassification request, to develop/revise a classification specification, or to assist in a reorganization, and

WHEREAS, classification studies were conducted by Human Resources to determine appropriate classification, and

WHEREAS, position changes will be effective the pay period in which July 1, 2018 falls, (Pay Period beginning June 26, 2018), and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Position Allocation and the Fiscal Year 2018-19 Operating Budget for various departments as follows:

1. Reallocate one (1) Executive Assistant in the City Auditor Division of the City Auditor's Office to one (1) Auditor I/II position in the City Auditor Division of the City Auditor's Office.

2. Move one (1) Executive Assistant in the Administration Division of the City Manager Office to the Administration Division of the Information Technology Department.
3. Move one (1) Administrative Analyst I/II in the Budget Division of the City Manager Office to the Administration Division of the Police Department.
4. Freeze two (2) Deputy City Manager positions for five (5) months in the Administration Division of the City Manager Office.
5. Add one (1) Management Analyst in the Administration Division of the City Manager Office.
6. Freeze one (1) Business Manager in the Administration Division of the Community & Economic Development Department.
7. Eliminate one (1) Senior Planner in the Planning Division of the Community & Economic Development Department.
8. Reallocate one (1) Associate Planner in the Planning Division of the Community & Economic Development Department to one (1) Business Analyst in the Administration Division of the Community & Economic Development Department.
9. Add one (1) Code Enforcement Officer I/II - NPU in the Neighborhood Preservation Division of the Community & Economic Development Department.
10. Add one (1) Assistant City Engineer in the Transportation Engineering & Design Division of the Community & Economic Development Department.

11. Add one (1) Administrative Analyst I/II in the Transportation Engineering & Design Division of the Community & Economic Development Department.
12. Add one (1) Senior Buyer in the Purchasing Division of the Finance Department.
13. Add three (3) Buyer positions in the Purchasing Division of the Finance Department.
14. Add one (1) Financial Analyst I/II in the Utilities and Collections Division of the Finance Department.
15. Eliminate one (1) Customer Services Manager in the Customer Services Administration Division of the Finance Department.
16. Reallocate one (1) Customer Services Supervisor in the Licensing Division of the Finance Department to one (1) Customer Services Manager in the Licensing Division of the Finance Department.
17. Reallocate one (1) Customer Services Supervisor in the Utilities and Collections Division of the Finance Department to one (1) Customer Services Manager in the Utilities and Collections Division of the Finance Department.
18. Freeze one (1) Senior Human Resources Analyst in the Administration Division of the Human Resources Department.
19. Freeze five (5) Fire Engineer positions in the Suppression Division of the Fire Department.
20. Add one (1) Assistant Chief of Police in the Administration Division of the Police Department.

21. Reallocate one (1) Police Community Services Officer I/II in the Administration Division of the Police Department to one (1) Police Public Safety Information Coordinator in the Administration Division of the Police Department.
22. Add one (1) Electrician – Traffic and Buildings to the Electrical Division of the Public Works Department.
23. Add one (1) Electrician Assistant I/II/III to the Electrical Division of the Public Works Department.
24. Eliminate one (1) Solid Waste Program Manager in the Solid Waste Management Division of the Public Works Department.
25. Reallocate one (1) Integrated Waste Specialist in the Solid Waste Management Division of the Public Works Department to one (1) Integrated Waste Program Manager in the Solid Waste Management Division of the Public Works Department.
26. Add one (1) Solid Waste Enforcement Supervisor to the Solid Waste Management Division of the Public Works Department.
27. Add one (1) Water Superintendent to the Water Services Administration Division of the Utilities Department.
28. Add one (1) Director of Parks, Recreation and Neighborhoods to the Administration Division of the Parks, Recreation & Neighborhoods Department.
29. Add one (1) Parks Project Coordinator to the Parks Planning & Development Division of the Parks, Recreation & Neighborhoods Department.

30. Reallocate one (1) .75 Recreation Coordinator to one (1) 1.0 Recreation Coordinator in the Sports and Aquatics Services Division of the Parks, Recreation & Neighborhoods Department.
31. Add one (1) Recreation Coordinator to the Sports and Aquatics Services Division of the Parks, Recreation & Neighborhoods Department.
32. Move one (1) Office Supervisor from the Administration Division of the Community & Economic Development Department to the Administration Division of the Parks, Recreation & Neighborhoods Department.
33. Move one (1) Administrative Analyst I/II from the Administration Division of the Community & Economic Development Department to the Administration Division of the Parks, Recreation & Neighborhoods Department.
34. Move one (1) Production Technician from the Centre Plaza Technical Services Division of the Community & Economic Development Department to the Technical Services Division of the Parks, Recreation & Neighborhoods Department.
35. Move two (2) Events Coordinators from the Cultural Services Administration Division of the Community & Economic Development Department to the Cultural Services Administration Division of the Parks, Recreation & Neighborhoods Department.
36. Move one (1) Administrative Office Assistant III from the Cultural Services Administration Division of the Community & Economic Development Department to the Cultural Services Administration Division of the Parks, Recreation & Neighborhoods Department.

37. Move one (1) Building Maintenance Technician from the Cultural Services Administration Division of the Community & Economic Development Department to the Cultural Services Administration Division of the Parks, Recreation & Neighborhoods Department.
38. Move one (1) Cultural Services Program Manager from the Historical Properties Division of the Community & Economic Development Department to the Historical Properties Division of the Parks, Recreation & Neighborhoods Department.
39. Move one (1) **Exhibits** Coordinator from the Historical Properties Division of the Community & Economic Development Department to the Historical Properties Division of the Parks, Recreation & Neighborhoods Department.
40. Move one (1) Events Coordinator from the Convention & Visitors Bureau Division of the Community & Economic Development Department to the Convention & Visitors Bureau Division of the Parks, Recreation & Neighborhoods Department.
41. Move one (1) Administrative Office Assistant III from the Convention & Visitors Bureau Division of the Community & Economic Development Department to the Convention & Visitors Bureau Division of the Parks, Recreation & Neighborhoods Department.
42. Move one (1) Operations Manager from the Parks Operations Services Administration Division of the Public Works Department to the Operations Services Administration Division of the Parks, Recreation & Neighborhoods Department.

43. Move two (2) Operations Supervisors from the Parks Operations Services Administration Division of the Public Works Department to the Operations Services Administration Division of the Parks, Recreation & Neighborhoods Department.
44. Reallocate one (1) Operations Supervisor in the Parks Operations Services Administration Division of the Public Works Department to one (1) Facilities Manager and move to the Building Administration Division of the Public Works Department.
45. Move three (3) Parks Maintenance Mechanics from the Parks Operations Services Administration Division of the Public Works Department to the Operations Services Administration Division of the Parks, Recreation & Neighborhoods Department.
46. Move three (3) Parks Maintenance Crewleaders from the Parks Operations Services Administration Division of the Public Works Department to the Operations Services Administration Division of the Parks, Recreation & Neighborhoods Department.
47. Move ten (10) Maintenance Worker I/II from the Parks Operations Services Administration Division of the Public Works Department to the Operations Services Administration Division of the Parks, Recreation & Neighborhoods Department.
48. Add one (1) Maintenance Worker I/II to the Parks Operations Services Administration Division of the Parks Recreation and Neighborhoods Department.

49. Move one (1) Administrative Office Assistant III from the Parks Operations Services Administration Division of the Public Works Department to the Operations Services Administration Division of the Parks, Recreation & Neighborhoods Department.
50. Move one (1) Head Groundskeeper from the Mary Grogan Sports Complex Division of the Public Works Department to the Mary Grogan Sports Complex Division of the Parks, Recreation & Neighborhoods Department.
51. Move one (1) Groundskeeper from the Mary Grogan Sports Complex Division in the Public Works Department to the Mary Grogan Sports Complex Division of the Parks, Recreation & Neighborhoods Department.
52. Move one (1) Maintenance Worker I/II from the Mary Grogan Sports Complex Division of the Public Works Department to the Mary Grogan Sports Complex Division of the Parks, Recreation & Neighborhoods Department.
53. Move two (2) Maintenance Worker I/II from the Tagging Abatement Division of the Public Works Department to the Graffiti Abatement Division of the Parks, Recreation & Neighborhoods Department.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Ah You, who moved its adoption, which motion being duly seconded by Councilmember Madrigal, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

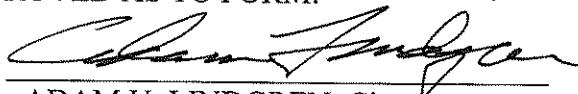

NOES: Councilmembers: None

ABSENT: Councilmembers: None

ATTEST: 
STEPHANIE LOPEZ, City Clerk

(SEAL)

APPROVED AS TO FORM:

By: 
ADAM U. LINDGREN, City Attorney

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-245**

**RESOLUTION AMENDING THE CLASSIFICATION PLAN FOR THE CITY OF
MODESTO TO CREATE THE CLASSIFICATIONS OF ASSISTANT CHIEF OF
POLICE, AUDITOR I/II, ASSISTANT CITY ENGINEER, FACILITIES
MANAGER AND SOLID WASTE ENFORCEMENT SUPERVISOR**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution No. 2008-681 pursuant to Rule 2.2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

1. CLASSIFICATION PLAN AMENDED. The Position Classification Plan of the City of Modesto is hereby amended to create the classifications of Assistant Chief of Police at salary range 1632, Auditor I at salary range 441, Auditor II at salary range 442, Assistant City Engineer at salary range 454, Facilities Manager at salary range 445, and Solid Waste Enforcement Supervisor at salary range 440.

2. EFFECTIVE DATE. This Resolution shall become effective the pay period in which July 1, 2018 falls, (Pay Period beginning June 26, 2018).

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-246**

RESOLUTION APPROVING THE PAYMENT OF HARDWARE AND SOFTWARE MAINTENANCE SUPPORT AGREEMENTS FOR FISCAL YEAR 2018-2019 FOR AN ESTIMATED ANNUAL COST NOT TO EXCEED \$4,852,275; AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE ROUTINE RENEWAL AGREEMENTS ASSOCIATED WITH EXHIBIT B

WHEREAS, the City has an ongoing need for maintenance/support agreements for hardware and software assets utilized by the City, and

WHEREAS, the expenditures for maintenance/support agreements have been approved by Council through the budget process, and

WHEREAS, staff requests the approval for payment of invoices presented for Fiscal Year 2018–2019 for an estimated annual cost not to exceed \$4,852,275.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves payment for invoices for various hardware and software maintenance/support agreements from software companies for Fiscal Year 2018-2019 for an estimated annual cost not to exceed \$4,852,275.

BE IT FURTHER RESOLVED, that the Interim City Manager or his designee is hereby authorized to execute routine renewal agreements over \$50,000, as listed on **Exhibit B**, for hardware and software maintenance support during Fiscal Year 2018-2019.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2018, by Councilmember Ridenour, who moved its adoption, which motion being duly seconded by Councilmember Kenoyer, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-249**

**RESOLUTION ESTABLISHING THE FISCAL YEAR 2018-2019
APPROPRIATION LIMIT, INCLUDING THE PRICE AND POPULATION
FACTORS TO BE USED IN THE CALCULATION**

WHEREAS, Proposition IV of the California State Constitution requires the City to establish an appropriation limit calculation each fiscal year, and

WHEREAS, Article XIII B of the California Constitution specifies that appropriations made by state and local governments may increase annually by a factor comprised of the change in population combined with either the change in California per capita personal income or the change in the local assessment roll due to local nonresidential construction, and

WHEREAS, the **attached** schedule shows the preferred price and population factors to be used and the appropriations limit with the recommended factors in calculating the limit are the price factor of “state growth in per capita income” and the population factor of “growth rate in the city limits of Modesto,” and

WHEREAS, a copy of said report is on file with the City of Modesto Finance Department.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that the appropriation limit for fiscal year 2018-2019, including the price and population factors to be used in the calculation, is hereby established as shown on Schedule A, **attached** hereto, and made a part hereof.

BE IT FURTHER RESOLVED, that the Director of Finance, or her designee, is hereby authorized to take the necessary steps to implement the provisions of this

resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

SCHEDULE A

FISCAL YEAR 2018-19

PROPOSITION 4

APPROPRIATION LIMIT CALCULATION

FY 2017-2018 Appropriation Limit		\$429,107,417
Adjustment Factors		
Per Capita Personal Income Change	3.69%	
Population Change (Modesto)	0.71%	
Per Capita converted to a ratio	1.0369	
Population converted to a ratio	1.0071	
Calculation of factor for FY 2018-2019	1.0443	
Adjustment		<u>\$19,009,459</u>
FY 2018-2019 Appropriation Limit		<u><u>\$448,116,876</u></u>

Article XIII B places a limit on most, but not all, government revenue sources. The limit applies to appropriations from proceeds of taxes from both the general fund and special funds of government entities. Proceeds of taxes include tax revenues, interest earnings on invested tax revenues, and any revenues collected by a regulatory license fee or user charge in excess of the amount needed to cover the cost of providing the regulation, product, or service.

Appropriations from nontax revenues, including the City's enterprise funds, are not subject to the limit.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-250**

**RESOLUTION APPROVING A FOURTH AMENDMENT TO THE
EMPLOYMENT AGREEMENT WITH STEPHANIE LOPEZ, CITY CLERK,
DATED APRIL 8, 2008 TO INCREASE THE AUTO ALLOWANCE FROM \$400
TO \$500 PER MONTH TO BE CONSISTENT WITH OTHER CHARTER
OFFICERS AND AUTHORIZING THE MAYOR TO EXECUTE THE
AMENDMENT**

WHEREAS on May 13, 2008, by Resolution No. 2008-268, Council approved an Employment Agreement with Stephanie Lopez effective April 8, 2008, and

WHEREAS, on May 27, 2008, by Resolution No. 2008-305, Council approved Charter Officers' Vehicle Allowances in an amount not to exceed five hundred dollars (\$500.00) per month, and

WHEREAS, the Council and Stephanie Lopez desire to amend Section 7.b of the Employment Agreement to reflect an automobile allowance of \$500 monthly effective April 9, 2018.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the Fourth Amendment to the Employment Agreement with Stephanie Lopez to reflect a monthly automobile allowance of five hundred dollars (\$500) effective April 9, 2018.

BE IT FURTHER RESOLVED, that the Mayor is hereby authorized to execute the Amendment.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-251**

RESOLUTION APPROVING THE FOURTH AMENDMENT TO THE AGREEMENT WITH COUNTY OF STANISLAUS FOR THE OPERATION OF GOVERNMENT AND EDUCATIONAL PROGRAMMING ON ACCESSMODESTO COMMUNITY TELEVISION IN THE AMOUNT OF \$35,590 FROM JULY 2, 2018 TO OCTOBER 1, 2018, WITH A TERM THAT WILL AUTOMATICALLY EXTEND ON A RECURRING, MONTH-TO-MONTH BASIS TO OCTOBER 1, 2019 IN AN AMOUNT NOT TO EXCEED \$180,000, FOR A TOTAL AMENDMENT AMOUNT OF \$215,590 AND A TOTAL NOT TO EXCEED \$2,429,890 AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE TO EXECUTE THE AGREEMENT

WHEREAS, the City of Modesto and County of Stanislaus last amended the Agreement in 2016 to increase the contract amount; and

WHEREAS, the Agreement was to expire on July 1, 2018; and

WHEREAS, the parties have agreed to extend the term of the Agreement for three months in the amount of \$35,590 from July 2, 2018 to October 1, 2018; and

WHEREAS, the term will automatically extend on a recurring month to month basis to October 1, 2019 in an amount not to exceed \$180,000; and

WHEREAS, both parties split the cost of the video broadcasting agreement they have with Final Cut Media, which is the contracted firm that captures and broadcasts the relevant content; and

WHEREAS, the Final Cut Media agreement terminates September 30, 2018; and

WHEREAS, during the coming year, it is the intention of both parties to examine the current technology and service, and to establish a plan of action for the future; and

WHEREAS, the fourth Amendment to the agreement with the County for operation of government and educational programming will allow both agencies to continue sharing the costs of operation through the selection of the next firm for capture

and broadcast of content without having to execute another amendment at the time of the Final Cut Media agreement termination; and

WHEREAS, under this agreement, both parties will expend \$35,590 for three month's service through October 1, 2018; and

WHEREAS, from that point forward, both parties will each expend an amount not to exceed \$15,000 each per month for the remainder of the agreement until a new agreement or amendment is executed, or October 1, 2019, whichever comes first, and

WHEREAS, the total amendment amount is \$215,590 and the new agreement total not to exceed is \$2,429,890.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the Fourth Amendment to the Agreement with the County of Stanislaus for the operation of government and educational programming on AccessModesto community television in the amount not to exceed \$215,590 and a total not to exceed \$2,429,890.

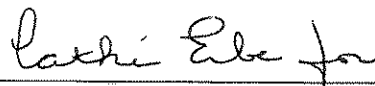

BE IT FURTHER RESOLVED, that the Interim City Manager or his designee, is hereby authorized to execute amendment, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-252**

RESOLUTION APPROVING THE AWARD OF PROPOSAL AND AGREEMENT TO STROMMEL INC., DBA LEHR AUTO ELECTRIC FOR THE UPDATE AND EXPANSION OF THE MODESTO POLICE DEPARTMENT'S AUTOMATED LICENSE PLATE READER PROGRAM INCLUDING THE PURCHASE OF ADDITIONAL READERS FOR AN AMOUNT NOT TO EXCEED \$196,968, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, according to the National Insurance Crime Bureau (NICB), the Modesto Metropolitan Area has consistently ranked in the top five nationwide for auto theft, per capita, from 2007 to 2016; and

WHEREAS, the Modesto Police Department sought to reduce the number of vehicle thefts in the area by implementing an effective auto theft program consisting of properly trained personnel who are equipped with modern crime fighting technology; and

WHEREAS, on April 1, 2014, by Resolution Nos. 2014-111 and 2014-112, Council approved the purchase of 10 Automatic License Plate Recognition Camera systems including associated equipment, software, license plate readers, installation and maintenance; and

WHEREAS, on November 22, 2016, by Resolution No. 2016-467, Council accepted the Edward Byrne Memorial Justice Assistance Grant (BJAG). The grant was a joint award with Stanislaus County in the amount of \$165,937. The Police Department's award of \$131,252 was designated to help fund the acquisition and implementation of License Plate Reader (LPR) equipment and analytical software as part of the department's continued intelligence led policing efforts; and

WHEREAS, on October 20, 2017, RFP# 1718-23 was issued to solicit proposals for new Automatic License Plate Reader (ALPR) software, cameras, and required equipment. Prospective bidders were notified online of the bid opportunity; and

WHEREAS, the bid closed on November 14, 2017. Two companies chose to respond. Both were provided an opportunity to conduct a scripted demonstration/presentation and subsequently scored on six categories; and

WHEREAS, based on responsive and responsible bids, staff recommends the selection of Strommel Inc., DBA Lehr Auto Electric in the amount of \$196,968, for their analytical and notification software and corresponding ALPR equipment, including installation, due to its enhanced functionality in comparison to existing solutions.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the award of proposal and agreement to Strommel Inc., DBA Lehr Auto Electric for the update and expansion of the Modesto Police Department's Automated License Plate Reader program for an amount not to exceed \$196,968.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee is hereby authorized to execute the agreement, and any related agreement(s), in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-253**

**RESOLUTION AMENDING THE CAPITAL IMPROVEMENT BUDGET FOR
FY 2017-18 TO ESTABLISH A PROJECT ACCOUNT, PROJECT EXPENSES
AND TRANSFER BUDGETS IN THE AMOUNT OF \$196,968, TO FUND THE
ACQUISITION AND IMPLEMENTATION OF ALPR SYSTEMS, EQUIPMENT
AND ANALYTICAL SOFTWARE AND AUTHORIZING THE INTERIM CITY
MANAGER, OR HIS DESIGNEE, TO IMPLEMENT THE PROVISIONS OF
THIS RESOLUTION**

WHEREAS, on November 22, 2016, by Resolution No. 2016-467, Council accepted the Edward Byrne Memorial Justice Assistance Grant (BJAG). The grant was a joint award with Stanislaus County in the amount of \$165,937. The Police Department's award of \$131,252 was designated to help fund the acquisition and implementation of License Plate Reader (LPR) equipment and analytical software as part of the department's continued intelligence-led policing efforts; and

WHEREAS, additional funding will come from the 2017-2018 State Law Enforcement Supplemental Funds (SLESF) in the amount of \$65,716; and

WHEREAS, because grant funding cannot be commingled within the grant accounts, these funds will be transferred to a project account in the Special Fund for Capital Outlay fund to fund the project; and

WHEREAS, this funding will allow for the purchase and installation of Automated License Plate Reader (ALPR) systems, equipment and analytical software as part of the department's continued intelligence-led policing efforts.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves amending the Fiscal Year 2017-18 Operating Budget from the following sources: Edward Byrne Memorial Justice Assistance Grant 2016 (\$131,252) and the 2017-18 State Law Enforcement Supplemental Funds (\$65,716), for a total

project amount of \$196, 968, with any excess funding returning to the 2017-18 State Law Enforcement Supplemental Fund.

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-254**

RESOLUTION APPROVING THE PAYMENT TO PACIFIC GAS AND ELECTRIC (PG&E) FOR CONTRACT WORK PERFORMED ON THE STATE ROUTE 99 / PELANDALE AVENUE INTERCHANGE RECONSTRUCTION PROJECT, UTILITY AGREEMENT #3863.41, FOR AN AMOUNT NOT TO EXCEED \$105,116

WHEREAS, the State Route 99 / Pelandale Avenue Interchange Reconstruction Project is a project to increase safety, relieve congestion, and enhance traffic operations within the Interchange and along the adjacent streets, and

WHEREAS, State Route 99/Pelandale Avenue Intersection Reconstruction Project funds were programmed in accordance with California Department of Transportation's (Caltrans) Project Development Procedures Manual, and

WHEREAS, on September 1, 2009, by Resolution 2009-413, Council approved authorizing the City Manager to execute Caltrans' right-of-way certifications for federally funded projects, and

WHEREAS, on May 21, 2012, the City Manager signed and approved utility agreement #3863.41 with PG&E relocation cost of \$407,270, in which \$203,635 would be the owner's liability amount, and

WHEREAS, Right-of-way certification was granted on June 18, 2012, and

WHEREAS, upon completion of PG&E's service, actual costs were substantially lower, totaling \$210,232, of which the City is responsible for \$105,116, and

WHEREAS, Funding for utility relocation expenditures was not budgeted for the State Route 99 / Pelandale Avenue Interchange Reconstruction Project, and

WHEREAS, on January 7, 2014, by Resolutions 2014-02 and 2014-03, Council approved amending the capital improvement budget in project number 100046 to pay for

the utility relocations required for the project for Modesto Irrigation District (MID) and AT&T, and

WHEREAS, PG&E was thought to be funded through the City's established franchise agreement, and

WHEREAS, Caltrans has jurisdiction for the project and the "Freeway Master Contract" between Caltrans and PG&E must be followed, and

WHEREAS, in accordance with Section 5 (C) of the Freeway Master Contract dated November 1, 2004, the existing utilities will be relocated at 50% Local Agency's expense and 50% Owner's expense.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the payment to Pacific Gas and Electric for contract work performed on the State Route 99 / Pelandale Avenue Interchange Reconstruction Project, Utility Agreement #3863.41, for an amount not to exceed \$105,116.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-255**

RESOLUTION APPROVING THE MODESTO AREA EXPRESS (MAX) SHORT RANGE TRANSIT PLAN AND AUTHORIZE STAFF TO BEGIN IMPLEMENTATION

WHEREAS, the Transit Division operates the Modesto Area Express (MAX) bus system that provides fixed route bus service to Modesto and neighboring communities, and

WHEREAS, Council approved a Transit Improvement Plan in September 2016 which described several projects, including upgrading technology, increased marketing and bus stop improvements, and

WHEREAS, the improvements put MAX on a path to improve public transportation in Modesto by improving the systems, processes and public perception of transit in Modesto, and

WHEREAS, the new short range transit plan details the philosophy, policies, and projects necessary to achieve a higher utilization of the MAX system by Modesto residents and visitors, and

WHEREAS, approval of the Short Range Transit Plan, **attached** hereto and hereinafter incorporated by reference, will allow staff to move forward with projects detailed in the plan to entice more people to utilize MAX for their daily transportation.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the Short Range Transit Plan.

BE IT FURTHER RESOLVED, that staff is authorized to begin implementation of the Short Range Transit Plan.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

CHAPTER 1: OVERVIEW OF TRANSIT SYSTEM

1.1 BRIEF HISTORY

The City of Modesto's transit service was initially known as the Modesto Motor Bus Service and was operated by a private owner. Ridership on the service peaked during World War II when automobiles and gasoline were in short supply. Ridership and the service's profitability began a steady decline after the war due primarily to the popularity of the automobile.

The City first became involved with public transit in an attempt to maintain the profitability of the private transit company. By 1968 the buses used by the company were old and undependable and due to their advanced age required a high level of expensive maintenance. The City obtained a federal grant to purchase four new 1968 buses which it turned over to the private company to replace its aging fleet. The new buses reduced operating expenses and attracted new riders and thus enabled the company to continue in business.

By 1973 the company owner, who did everything himself from maintaining buses to dispatching and driving, decided that the business could no longer continue profitably. No buyers were interested in acquiring the business and it was about to shut down.

The City determined that it was important for the community to have public transit service continue and decided to operate it as a public service, ultimately changing the name to Intracity Transit. At the time the City acquired the service it was carrying a few hundred thousand riders per year. The service now carries the name Modesto Area Express (MAX), which was adopted by the City in 1990.

1.2 DESCRIPTION OF TRANSIT SERVICE AND SERVICE AREA

The City of Modesto operates both Modesto Area Express (MAX) and Modesto Dial-A-Ride (MADAR), which currently serve the City of Modesto, and portions of other areas outside the city limits.

MAX provides 17 urban bus routes on Mondays through Fridays, beginning as early as 5:45 a.m. and ending generally at 8:00 p.m. One route (Route 21) operates on 15-minute headway. Twelve routes operate on 30-minute headways, while all others operate on one-hour headways. Between Routes 22 and 23, 15-minute service is provided along McHenry Ave. On Saturdays, MAX operates 15 routes, ten of which operate on 30-minute headways, while the others operate on one-hour headways. Twelve MAX routes are provided on Sundays, with all routes operating on one-hour headways. In addition to the urban routes, MAX provides weekday morning and evening commuter routes to and from the Dublin/Pleasanton Bay Area Rapid Transit (BART) Station and Manteca/Lathrop Altamont Commuter Express (ACE) train station.

The Modesto Dial-A-Ride system operates as a senior/disabled, paratransit service to satisfy the Americans with Disabilities Act (ADA) for the City of Modesto transit system. MADAR functions as the ADA complementary paratransit service from 4:45 a.m. to 11:00 p.m., Monday through Friday, and 7:15 a.m. to 9:00 p.m. on Saturdays, and 8:45 a.m. to 8:15 p.m. on Sunday.

As shown in the table above, the majority of MAX routes connect to the downtown Modesto Transportation Center. This Center provides a connection point to other regional and interregional

transit services such as StaRT, Greyhound, Taxi, and the Modesto Area Express Commuter buses to BART and ACE. The Center is also designed to accommodate a future passenger ACE rail stop in Modesto. Apart from the transit connections offered at the Modesto Transportation Center, transfers to other regional transit services are offered at other locations within the MAX system's routes. MAX Route 25 and MADAR provide transit service to the Amtrak station on Held Drive. Transfers to StaRT and eTrans (City of Escalon) bus service are available from MAX drivers after paying a fare or providing a valid pass. At Hatch Road and Herndon Road in Ceres, transfers between MAX and Ceres Area Transit are provided. In addition, a twice a week connection is provided with MAX at the Vintage Faire Mall with the Ripon Blossom Express.

1.3 PASSENGER AMENITY PROGRAMS

Commuter Wi-Fi Service

In 2017, MAX installed Wi-Fi to all commuter buses that operate to the Bay Area Rapid Transit station in Pleasanton, and the Altamont Corridor Express station in Lathrop. With the successful rollout of those units, MAX is planning to expand Wi-Fi on all of its fixed route buses. In June 2018, an order was placed for the additional Wi-Fi units. After installation and testing, system-wide Wi-Fi is scheduled for launch in late 2018.

Bus Stop Schedule Information

In 2018, MAX started the process to install MAX schedule information at all bus stops throughout the MAX system. This information will consist of a full 6"x17" display, with map and timing for that bus stop. Previously, the information was presented as a sticker on the bus stop post.

Real-Time Passenger Information

Keeping passengers informed of service related issues is vital for MAX. In 2017, MAX staff implemented a real-time bus tracker system with Avail Technologies. This system allows users to track their bus via smartphone app or the MAX website, so they know if the bus is running late, or if they missed the bus. The system also provides text alert capabilities, allowing operations and marketing staff to instantly reach thousands of passengers in a matter of minutes. This capability is especially useful to inform passengers about service disruptions and delays.

1.4 FARE STRUCTURE

The MAX fare structure is based on a system that was approved by the Modesto City Council. The MAX available fare media include single ride tickets, 1-Day, 7-Day and 31-Day passes. The current fare structure for the MAX system is depicted below. Discounted fares are available to those with disabilities, seniors 65 years and older, students and individuals with a Medicare Card.

Ticket/Pass Sales Locations

Tickets and passes are sold at the MAX customer service office in the Transportation Center and at City Hall (1010 10th St).

Method of Fare Collection

Passengers are required to provide a fare each time they board a MAX bus. Fares can be in the form of cash, ticket or pass. Cash can be used on the bus for a single trip, to purchase a day pass or a transfer to StaRT, CAT or eTrans. Pre-purchased tickets and passes are validated at the farebox. Discounted rates are available for those that show proper identification, including a MAX discount card.

Mobile Ticketing

The development of mobile ticketing applications and systems allows transit agencies to manage operations more effectively and efficiently, while making the ticketing process easier for customers.

In 2018, MAX will enter into an agreement with Token Transit to provide mobile ticketing services. This smartphone application will allow passengers to purchase any ticket or pass via a smartphone, and use that smartphone as the ticket or pass for the bus. Drivers will visually verify the ticket or pass on the smartphone and record that ridership information. This new service will create flexibility for the passenger. Passengers will no longer need to wait at MAX customer service or City Hall to purchase fare media, but can make the purchase at any time.

Modesto Junior College – MAX Pass program

MAX entered into an agreement with Modesto Junior College (MJC) to allow any MJC student with a valid student identification to ride any MAX bus at no charge. MJC provides a fixed payment for this service. This program will expire in 2019, but may be extended.

MAX and Modesto Area Dial-A-Ride Fare Structure

MODESTO AREA EXPRESS - Urban Service	
Cash Fares (one trip)	
Regular	\$2.00
Student	\$1.50
Senior/Disabled	\$1.00
Day Pass (unlimited trips)	\$4.00
7 Day Pass (unlimited trips for 7 days)	\$15.00
Student Field Trip	\$0.50
31 Day Passes (unlimited trips)	
Regular Pass	\$58.00
Student Pass	\$48.00
Senior/Disabled Pass	\$29.00
Ticket Packs (50 Tickets)	
Regular	\$100.00
Student	\$75.00
Senior/Disabled	\$50.00
BART Express Commuter Service	
31 Day Pass	\$175.00
7 Day Pass	\$50.00
One-Way	\$14.00
Round-Trip	\$16.00

ACE Express Commuter Service	
Single Trip	\$3.00
20 Ride Ticket	\$42.00
MODESTO AREA DIAL-A-RIDE	
Cash	\$3.00
Ticket Book (10 Tickets)	\$30.00

1.5 REVENUE FLEET

The current MAX operating fleet consists of 56 buses. Fifty-two buses are regular MAX buses used in local service, and the other four are commuter buses meant for highway speeds and longer trips. All buses are accessible in accordance with ADA requirements. All local buses are equipped with a bike rack to accommodate 3 bicycles each, providing a smooth system for securing bicycles. The commuter buses are equipped with a bike rack inside one luggage bay. The other luggage bays are available for luggage or bicycles.

The following is a summary of the current revenue fleet:

- Eleven, 35' Gillig buses
- Forty One, 40' Gillig buses
- Two, 40' MCI commuter buses
- Two, 45' MCI commuter buses

With a Total Active Fleet (TAF) of 56 vehicles and a Peak Vehicle Requirement (PVR) of 45 vehicles, the current spare ratio is as follows:

Total Active Fleet (TAF) = 56
Peak Vehicle Requirement (PVR) = 45
Spare Vehicle Ratio = $11 = 20\%$

1.6 DESCRIPTION OF EXISTING FACILITIES

Bus Maintenance Facility

The state-of-the-art Bus Maintenance Facility (BMF) opened its doors in September 2012. The facility is located next to the City of Modesto Corporation Yard and is used for the repair, maintenance, cleaning, and overnight storage of the bus fleet used in the MAX service, with room for future service expansion. The facility houses maintenance operations, employee common areas and contractor operations. The primary maintenance area includes service and inspection bays, fuel and fare collection facility, and a bus washer.

Downtown Transportation Center

The Downtown Transportation Center is located at 1001 9th St between I Street and K Street in Modesto, at the old Southern Pacific train depot. The station went through a renovation and expansion in 1992 and currently serves as the main operations center and hub for MAX services.

The Transportation Center is served by MAX, StaRT, Greyhound and taxicabs. Future ACE trains will use the Transportation Center as the Modesto ACE station.

CHAPTER 2: VISION, GOALS, AND GUIDING POLICIES

2.1 TRANSIT VISION

The Modesto City Council has established following transit vision.

The Modesto Area Express transit system needs to be:

- Frequent
 - People should be able to be at a bus stop and expect a bus shortly. This involves buses coming at a frequency of 15 minutes or less.
- Convenient
 - The bus routes should take people where they need to go quickly.
 - People should be able to quickly connect with different bus routes to reach their destination. This can be accomplished by having frequent service on all routes.
- Safe
 - The system must be safe to use as a passenger. People need to feel safe during the trip with the driver and other passengers.
- Clean
 - The buses must be clean and comfortable. Clean buses promote ridership and provide a sense that the City cares for and wants people to ride the system.
- Easy to understand
 - Information on how to use MAX should be easy to obtain and easy to understand quickly.
 - All marketing and informational materials need to portray a positive, professional and polished image of public transportation in Modesto.
 - Public perception of MAX must change to promote MAX as a convenient and accessible mode of transportation for everyone. In addition, MAX must be promoted as a benefit to quality of life, improved air quality, sustainable living, health and improved mobility.

This vision will assist in guiding the policy, planning and projects of the system to obtain higher ridership which translates into higher revenue to meet the required farebox revenue requirement.

2.2 GUIDING POLICIES

These policies were adopted by the City Council that will direct staff in proper planning of future and existing routes, to ensure the desired service level to the community. These policies tie into the transit vision described in Section 2.1.

	Policy	Measurement Method
1	Transit routes will achieve 90% on-time performance.	Determined by route departure from all scheduled time points.
2	All routes will have a scheduled 10% recovery time, with a minimum of 5 minutes, per trip.	Determined from route schedule
3	Individual routes must meet 20% farebox recovery	Measured each month
4	Individual routes must meet an average of 20 passengers per hour minimum	Measured each month
5	The standard headway for weekday service is 30 minutes during the entire service day, though 15 minutes is preferable	Determined from route schedule
6	Standard headway for weekend service is 60 minutes	Determined from route schedule
7	Route information to be displayed at every bus stop	Bus Stop Inventory data
8	Bus stop amenities will be constructed at stops with high ridership, availability of space, physical capabilities of passengers and distribution of boarding's	Ridership data and land availability
9	Less than 20 complaints/100,000 trips	Customer comments
10	Less than 10 valid complaints/100,000 trips	Customer comments
11	90% of households that meet the following criteria will be within ¼ mile walking distance of a bus stop: Low Income (under \$30k) – over 3,000 people per square mile Zero car households – over 1,200 people per square mile Young and Old Population (0-18, 65+) – over 4,000 people per square mile	Census data

CHAPTER 3: SERVICE AND SYSTEM EVALUATION

3.1 PERFORMANCE EVALUATION

Many trends can impact transit ridership and use; these include strength of the local and regional economy, gas prices, unemployment, land use density, and population growth. As these trends fluctuate, MAX must recognize and respond by continuously analyzing operating performance to determine the effectiveness of its services. This chapter analyzes the effectiveness of MAX operations over the past 6 years.

MAX's operational performance is evaluated from three perspectives. The first examines the growth of ridership. The second reviews farebox revenue recovery ratio. The third identifies on-time performance. In addition, the Transit Division uses a transit software planning tool called Remix to better analyze, plan and structure the routes.

3.2 RIDERSHIP: GOAL – 20 PASSENGERS PER HOUR

The overall performance of MAX is measured by the number of people that ride each bus route. It is important to understand the relationship between the total riders on each route and the passengers that that route carries during each hour of service. Passengers per service hour are the most frequently used measurements of individual route efficiency.

3.3 FAREBOX REVENUE RECOVERY: GOAL - 20%

The financial performance of MAX is measured primarily by farebox revenue recovery (the ratio of passenger fare revenue to operating expense). The farebox revenue ratio continues to be a concern, as it has been hovering at the required level. Additional revenues from Measure L, the MJC agreement and higher fares should enable MAX to continue achieving this requirement.

As part of MAX's review of fares in 2017, a fare increase was approved after a September 2017 public hearing, and it went into effect on February 1, 2018.

3.4 ON-TIME PERFORMANCE: GOAL - 90%

MAX passengers continue to rate On-Time Performance (OTP) as an important component in determining their satisfaction with the service. The yearly OTP just started to be tracked in fiscal year 2014/2015. The last three completed fiscal years are shown below.

CHAPTER 4: IMPROVEMENT PLAN

4.1 IMPROVEMENT STRATEGY

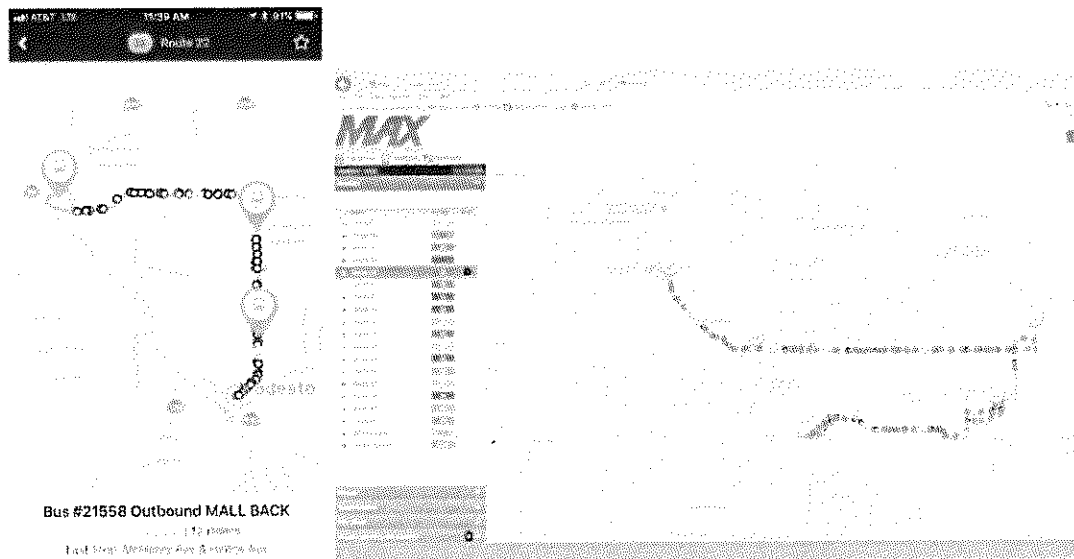

MAX's capital improvement strategy places an emphasis on sustainability in both its financial and operational capacities. In order to support this goal staff has developed techniques for implementing cost-effective capital improvements. Though MAX is focusing on diversifying revenue opportunities, the agency is cautious with funding by spending only within its means. Looking forward, MAX is also looking to identify system expansion, rehabilitation, and replacement opportunities, as well as improvements required to realize service goals.

4.2 IMPROVEMENTS IMPLEMENTED

The Transit Division is committed to making transit a more attractive option for travelers in the Modesto urbanized area. The Transit Division has completed several projects in the last two years. These projects enhanced the MAX system by providing many new features to promote ridership. Each of the completed projects is shown below categorized by how the improvement has benefited the system.

MAKING ROUTES EASY TO UNDERSTAND

1. Installed a bus tracking system that is available to the public via smartphone app and website. This enables riders to track their bus, giving them the information they need to plan their trips.

2. Restructured routes to make them easier to understand by eliminating trip by trip variability. These were implemented on February 1, 2018.

3. Underperforming routes that did not perform to the approved policies were either eliminated or modified. These changes were implemented on February 1, 2018.

MAKING SYSTEM EASY TO USE

1. Implemented a program with Modesto Junior College to allow any student with a valid MJC ID to ride the MAX buses at no charge.
2. Installed new fareboxes that enable riders to use magnetic fare cards. This new fare media allows the farebox to validate the pass instead of the driver. This allows the driver to focus on other aspects of the bus stop.

3. Installed automated voice announcements on buses. These recordings announce key points of interest, some bus stops and major intersections. It allows riders to know where they are at on the route, especially those that are hearing or visually impaired.

MAKING THE SYSTEM SAFE AND COMFORTABLE

1. Relocated the customer service area at the Transit Center to the main lobby. The prior location was small, forcing drivers, administrative staff and customers to navigate a small space together. Customers are now able to queue in an air conditioned area, without conflicting with staff.

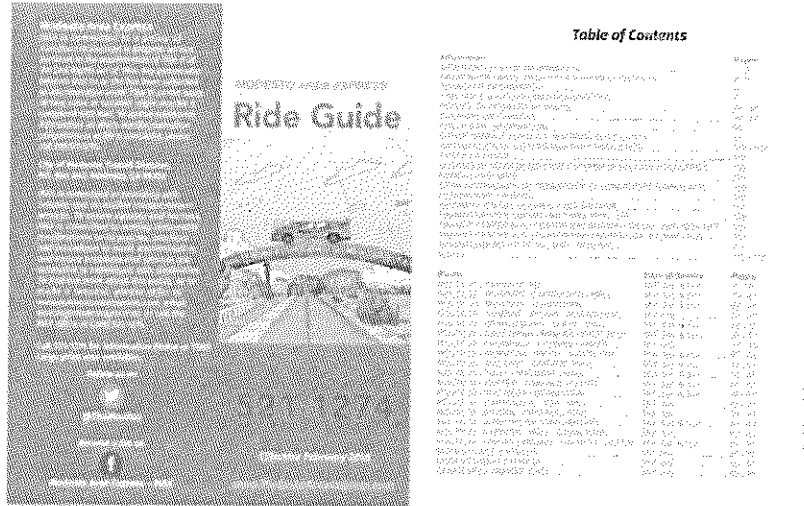

2. Installed a new smoking area near the MAX boarding island. The MAX boarding island did not have a convenient smoking area which made smoking in the planters or sidewalks more advantageous. This caused planters to be filled with cigarette butts.

CHANGING PUBLIC PERCEPTION OF MAX

1. The Ride Guide and all other brochures have been redesigned by a marketing company, giving the information a fresh look.

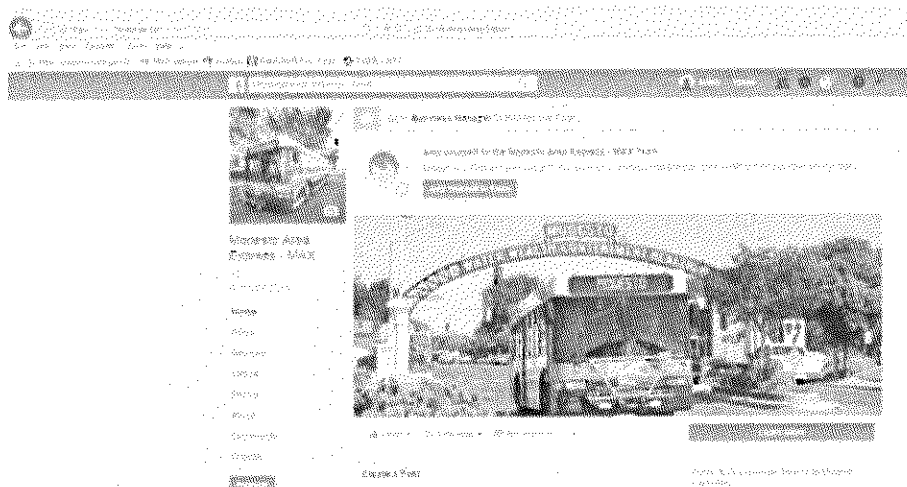

2. An emphasis was placed on enhanced cleaning of the interior of the buses with the operations contractor. The buses are often inspected, and cleanliness has been significantly improved.
3. MAX buses have been updated to include the website and phone number prominently displayed on the exterior of the bus.

4. Utilized the GoModesto system as the comment and complaint tracking system.
5. Redesigned the MAX website at www.modestoareaexpress.com

6. Developed a social media presence on Facebook and Twitter to further engage the community and obtain valuable feedback on services.

7. An emphasis was placed on enhanced customer service with the operations contractor.
8. Improved the Senior/Disabled program by providing a higher quality card, with the customer's picture. This allows drivers to quickly validate the fare media discount.

4.3 FUTURE IMPROVEMENTS

Making routes easy to understand

1. Install route schedules at all bus stops with full displays. (Estimated Completion: Fall 2018)
2. Continue to refine schedules to make using the MAX system easy to understand by reducing trip-by-trip variation and improving frequency. (Scheduled Implementation: January 2019)

Making routes easy to use

1. Increase frequency of all routes to 15-30 minutes on weekdays, and 30-60 minutes on weekends. (Scheduled Implementation: January 2019)
2. Expand service into the evening using new SB-1 funding. (Scheduled Implementation: January 2019)
3. Eliminate the ACE Commuter Express service when ACE starts operating to Modesto. (Scheduled Implementation: 2020)
4. Continue evaluating routes and soliciting rider feedback to make the routes easy to use and understand. (On-Going)
5. Implement a mobile ticketing application to allow riders the option of purchasing and using a smartphone for fare payments and passes. (Estimated Completion: Summer 2018)

Making the system safe and comfortable

1. Make Transit Center improvements in conjunction with remodel for ACE train. (Estimated Start: 2019)
2. Add security services to bus stops. (Estimated implementation: Summer 2019)
3. Install Wi-Fi on all buses. (Estimated Completion: Summer 2018)
4. Replace buses that have exceeded useful life per the replacement schedule. (On-Going)
5. Install bus stop amenities (shelters, benches and trash cans) at bus stops as described in the Bus Stop Improvement List, further discussed in Chapter 6 and Appendix A. (On-Going)
6. Update the radio system for buses and dispatchers to a digital system to better communicate with drivers. (Estimated Completion: Fall 2018)
7. Upgrade the on-board video surveillance system with live look-in capability. (Estimated Completion: Fall 2018)

Changing the public perception of MAX

1. Attend more community shows, fairs, festivals and events to promote MAX and public transit. (On-Going)
2. Create How-To use the MAX bus videos, and have them posted on social media and the MAX website. (Estimated Completion: Summer 2018)
3. Design and place print, internet, digital, television and radio advertisements. (On-Going)
4. Update the Modesto Area Dial-A-Ride system by rebranding it to align with MAX, naming it "Modesto Access" or similar to indicate it is a system for those with disabilities and seniors to access daily activities. (Scheduled Implementation: July 2019)
5. Implement the use of electric buses on MAX routes to further promote air quality and public transportation. (Estimated Implementation: Fall 2018)

4.4 CAPITAL PROJECTS

The MAX Capital Improvement Program for the SRTP includes capital projects designed to construct, rehabilitate, replace, or upgrade the equipment, facilities, and infrastructure used to operate MAX service. The projects are also consistent with the MAX passengers' priorities for service improvements that were identified in past surveys and public meetings. More detailed descriptions of the CIP and specific future projects are included below.

Describe Items	2018/19		2019/20		2020/21		2021/22		2022/23	
	QTY	COST	QTY	COST	QTY	COST	QTY	COST	QTY	COST
1 100749 - Bus Stops Improvements	1	50,459		0		0		0		0
2 100964 - BMF Shade Structure	1	690,205								
3 100982 - MAX ITS equipment purchase	1	795,914		0		0		0		0
4 101008 - Electric Bus Purchase	1	4,637,000		0		0		0		0
5 101021 - Equipment Purchase - Bus Maintenance Facility	1	369,214		0		0		0		0
6 101022 - BMF Part's Storage Room	4	897,630		0		0		0		0
7 101023 - Bus Stop Improvements FY18	1	413,955		100,000		100,000		100,000		100,000
8 101045 - Downtown Transit Center Expansion	1	325,000		0		0		0		0
9 101054 - Bus Passenger Seat Insert Replacement	1	46,136		0		0		0		0
10 101096 - Park and Ride Lot	1	500,000								
11 101097- Bus Maintenance Facility Upgrades	1	254,500								
12 53430 - Commuter Bus Purchase	1	737,489								
13 53490 - Subrecipient oversight	1	800,883								
14 101095 - Transit Center Improvements	1	3,942,019								
TOTAL COST		14,460,404		100,000		100,000		100,000		100,000

4.5 ROLLING STOCK REPLACEMENT PLAN

The MAX Capital Improvement Program for the SRTP includes the rolling stock replacement plan, designed to replace rolling stock used to operate MAX service as the unit reaches or exceeds the useful life. The replacement plan follows the guidelines provided by the FTA. The detailed plan and rolling stock descriptions are included below.

Make	Quantity	Replacement Year and Costs											
		2018	2019 ²	2020	2021	2022	2023	2024	2025	2026	2027	2028	2029
MCI (1999)	1		\$737,489 ²										
Gillig (2003)	14			\$1,125,000	\$4,025,000	\$2,300,000							
Gillig (2006)	1	\$0 ¹	750,000										
MCI (2007)	1												
Gillig (2008)	5			\$2,875,000									
Gillig (2009)	7					\$1,725,000	\$2,300,000						
MCI (2012)	1							\$650,000					
Gillig (2014)	8								\$4,800,000				
Gillig (2015)	14									\$8,400,000			
MCI (2016)	1										\$700,000		
Gillig (2017)	4												\$2,400,000
Total	57	\$0	\$1,487,489	\$4,000,000	\$4,025,000	\$4,025,000	\$2,300,000	\$650,000	\$0	\$4,800,000	\$8,400,000	\$700,000	\$2,400,000
Buses being replaced		1	1	7	7	7	4	1	0	8	14	1	4

Notes:

1. This bus has technically been replaced with a 2017 Gillig, though it cannot be disposed until Dec 2018.
2. 2019 Proterra (5) buses will be additional buses for the fleet, but may replace the 2008 Gillig's if the electric bus pilot succeeds.
3. Replace 1999 MCI with 5339 funds, but will keep it as a spare commuter bus
4. Use CMAQ and future 5339 funds from 2018-2023 to replace 2003,2008 and 2009 Gilligs between 2020 and 2023
5. Bus purchase costs would increase by 35% if an electric bus option is used

4.6 MAX VISIONARY PROJECTS

In addition to a robust Capital Improvement Plan, MAX is positioning to implement projects that are conceivable, but not yet fully developed or funded. These projects are part of MAX's vision for the future:

1. Bus Rapid Transit (BRT) route serving McHenry Ave and Standiford Ave, where the current routes 22 and 23 operate.
2. Traffic Signal Prioritization for all transit routes
3. MAX Route Operational Analysis and complete route restructure that focuses on a grid system rather than a hub/spoke system.
4. Full 100% electric bus fleet
5. Relocate MAX administrative staff to the Transportation Center or Bus Maintenance Facility to fully integrate into daily operations.
6. Consolidate countywide transit systems into Transit District to provide seamless and integrated service to passengers.

CHAPTER 5: BUS STOP IMPROVEMENT PLAN

This chapter discusses a comprehensive bus stop list showing all existing bus stop amenities, including bus stop shelters, benches, and trash cans.

There are 680 bus stops in the entire MAX system. All of the stops are marked with a bus stop sign. In addition, a schedule holder will be placed at each stop in 2018, which displays information on the route(s) that use that bus stop. Many bus stops have a bus stop shelter, bench, and/or trash can installed for the convenience of the riders. Currently, MAX has 81 bus stops with a bus stop shelter, 247 that have a bench, and 193 with a trash can.

The bus stop shelters installed over the years are varying in type and material. However, the bus stop shelters to be installed in 2018 and moving forward will be a mesh style (without a clear panel). The mesh allows riders to see out of the shelter, but incorporates design qualities that discourage vandalism. The older style of bus stop shelters with clear panels were often broken, requiring frequent repair or replacement. The mesh style of bus stop shelters has been well-received by both riders and maintenance staff.

Many bus stop locations have a bench that is maintained under contract by United Cerebral Palsy. These benches have advertising capability, where the City receives a portion of those revenues. Some bus stops do not have enough space for a full bench or shelter, but may have space for a smaller seat that is attached to the bus stop pole, commonly referred to as a Simme Seat. Simme seats are a good alternative for a seat at a bus stop that has limited space.

The complete list of bus stops with the priority for future improvements is found in Appendix A. The priority for each bus stop followed the policy on bus stop improvements, by looking at stops with the highest ridership with available land to build the shelter.

CHAPTER 6: CONCLUSION

The improvement projects, marketing strategies and transit planning ideas will improve the public perception of the public transportation system in Modesto, improve ridership and entice more people to utilize public transportation.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-256**

RESOLUTION APPROVING A PURCHASE AGREEMENT WITH TOKEN TRANSIT, SAN FRANCISCO, CA, FOR MOBILE TICKETING SERVICES USED BY MODESTO AREA EXPRESS (MAX) FOR FIVE YEAR AGREEMENT, WITH A TOTAL COST NOT TO EXCEED \$178,000, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the City's fixed route transit system currently used cash and magnetic fare cards to allow bus riders to pay for the ride on Modesto Area Express (MAX), and

WHEREAS, new mobile ticketing technology is available to allow riders to pay for their fare using a smartphone, instead of carrying cash, magnetic ticket or pass, and

WHEREAS, the Transit Division conducted a Request for Proposal (RFP) procurement to select a contractor to provide mobile ticketing services to allow bus riders to purchase fares for MAX via a smartphone, and

WHEREAS, a competitive procurement process consistent with Federal Transit Administration (FTA) and City procurement requirements was completed by City staff, and

WHEREAS, proposals were received by seven companies, and staff recommends the selection of Token Transit for the new agreement, and

WHEREAS, the Token Transit application allows for integrated trip planning and real-time bus information with Avail's myStop data, and

WHEREAS, this new fare payment option should promote new ridership. As the MAX system becomes easier to use and understand, the more likely people will utilize the bus for their transportation needs, and

WHEREAS, the RFP conformed to the formal bid procedures in Modesto Municipal Code section 8-3.203 and staff recommends awarding the contract to the lowest responsive and responsible proposal submitted by Token Transit, San Francisco, CA.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an agreement with Token Transit., San Francisco, CA, for mobile ticketing services used by Modesto Area Express for a five year agreement, with a total cost not to exceed \$178,000.

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to execute the Agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

NOES: Councilmembers: None

ABSENT: Councilmembers: Ah You

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-257**

RESOLUTION APPROVING A THIRD AMENDMENT TO THE LEASE AGREEMENT WITH LOUIS BOER, JR. TO LEASE AGRICULTURAL PROPERTY AT FRAZINE RD. AND LA COSTE LN. (APN 014-037-056), IN AN AMOUNT NOT TO EXCEED \$5,400, FOR ONE YEAR (FROM \$1,500, AN INCREASE OF \$3,900), AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE LEASE AGREEMENT

WHEREAS, the Frazine Road property is an agricultural parcel of approximately twelve (12) acres and located at the northwest corner of Frazine Road and La Coste Lane, and

WHEREAS, property was acquired by the City of Modesto as part of a larger purchase of acreage to supply land for the Regional Water Treatment Plant storage tanks known as the Terminal Reservoir, and

WHEREAS, on May 23, 2006, by Resolution No. 2006-327, City Council approved a lease agreement with Louis Boer, Jr., and

WHEREAS, the previous second amendment renewal lease agreement expired on May 29, 2017, and

WHEREAS, the terms of this third lease amendment include an annual lease payment to the Water Fund in an amount not to exceed \$5,400, and

WHEREAS, this represents an increase of \$3,900 from the original 2006 lease rate of \$1,500, and

WHEREAS, a market rent analysis was completed in August 2017 by Valbridge Property Advisors to determine the fair market lease rate, and

WHEREAS, in addition, the lessee is responsible for paying approximately \$1,310 in annual property taxes and the lessee also pays an annual irrigation fee to Modesto Irrigation District in the amount of \$660, and

WHEREAS, staff recommends a Third Amendment to the Lease Agreement.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Third Amendment Renewal Lease Agreement with Louis Boer, Jr., for a twelve-acre parcel, located at the northwest corner of Frazine Rd. and La Coste Ln. (APN 014-037-056), and to increase the yearly lease amount to \$5,400.

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to execute the Lease Agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-258**

RESOLUTION APPROVING AN AMENDMENT TO PURCHASE AGREEMENT No. 52881 WITH GROVER LANDSCAPE SERVICES, INC., MODESTO, CA, FOR ADDITIONAL BASIN CLEANUP AND ONGOING MAINTENANCE SERVICES IN THE AMOUNT OF \$110,309, AND A TOTAL AGREEMENT AMOUNT NOT TO EXCEED \$381,380, AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE, TO INCREASE THE PURCHASE AGREEMENT

WHEREAS, the Utilities Department, Storm Water Collections Division, utilizes vendors for storm basin weed abatement and trash removal services on an ongoing basis throughout the year, and

WHEREAS, it is very important to maintain the integrity of these basins to have as much storage capacity as possible which allows the basins to be used to their full potential, ensuring capacity for storm water during heavy rain events, thus reducing a public safety hazard, and

WHEREAS, on May 3, 2016, by Resolution No. 2016-192, Council authorized the award of bid for weed abatement and trash removal services to DeAngelo Brothers, LLC. (DBI), Sacramento CA, for an estimated annual cost of \$62,239, and a total amount not to exceed \$311,195 over five years, and

WHEREAS, the City was notified by DBI, that they would not accept a one-year extension, as included in the annual agreement, and

WHEREAS, the initial two-year term of the agreement ended May 2, 2018, and the Utilities Department is now without a provider for these services, and

WHEREAS, on December 3, 2013, by Resolution No. 2013-432, Council awarded a bid to Grover Landscaping to provide landscape services for other facilities

such as the Wastewater Treatment Plant located at 1221 Sutter Ave, the Transit Center, and seven wastewater lift stations, and

WHEREAS, to reduce service overlap and improve economies of scale, staff is requesting approval to amend the agreement with Grover Landscaping to include the maintenance of the twenty-six storm basins and three Utility Easements, and

WHEREAS, staff requested a bid from Grover Landscaping to provide cleanup and ongoing maintenance of the twenty-six storm basins and three utility easements, for the remainder of their current agreement, and

WHEREAS, the quote includes \$37,921 for initial cleanup and \$18,097 a month for ongoing maintenance, and

WHEREAS, this bid is considerably higher than the \$5,186 a month of the DBI agreement, however, DBI underbid the work and the Grover Landscaping has additional expense of staffing and equipping for the short term work of four months, and

WHEREAS, per MMC Section 8-3.204(c), the Purchasing Manager has the authority to recognize the department's current situation as an exigent circumstance and based on the increase requested by the department, the Purchasing Manager, within the scope of this authority, recommends staff be allowed to increase spending authority under this purchase agreement by \$110,309 in accordance with MMC Section 8-3.204(c) ensuring basin maintenance services continue and needed work is not significantly delayed.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an amendment to Purchasing Agreement No. 52881 with Grover Landscape Services, Inc., Modesto, CA, for additional basin cleanup and ongoing

maintenance services in the amount of \$110,309 and a total agreement amount not to exceed \$381,380.

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is hereby authorized to increase the purchasing agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-259**

**RESOLUTION APPROVING THE SOLE SOURCE PROCUREMENT FOR THE
STANDBY RENTAL OF THREE DV-400C PUMPS FOR THE UTILITIES
DEPARTMENT, WASTEWATER SERVICES DIVISION FROM RAIN FOR
RENT, STOCKTON, CA, AND AUTHORIZING THE PURCHASING
MANAGER, OR HER DESIGNEE, TO ISSUE A PURCHASE ORDER FOR A
TOTAL COST NOT TO EXCEED \$70,307**

WHEREAS, In January 2012, West Yost Associates completed a draft of the Cannery Segregation Line (CSL) and River Trunk Diversion Plan (Plan), and

WHEREAS, the Plan consisted of several elements: 1) a risk assessment, which included a complete inspection of the CSL and a hydraulic analysis of CSL flows; 2) a temporary bypass pumping plan in the event of a CSL failure; and 3) preliminary design of permanent diversion structures, and

WHEREAS, potential outcome would be a washout of the bank supporting the pipeline, and

WHEREAS, to mitigate the risk of a service disruption caused by a catastrophic failure of the CSL, the Plan included a Temporary Bypass Plan (Bypass Plan) and could quickly restore service to CSL customers, and

WHEREAS, the worst-case scenario of the Bypass Plan requires three very large bypass pumps, and

WHEREAS, the City does not own pumps capable of performing the bypass operation and availability of the pumps is based on a first-come/first-serve basis because the CSL peak season is also the peak period for underground construction, this equipment might not be available if needed, and

WHEREAS, exceeding the capacity would result in a sanitary sewer overflow from either the domestic or CSL sewer trunk, and

WHEREAS, in June 2015, by Resolution No. 2015-18, the Council approved the standby rental of the pumps required for the bypass pumping plan, and

WHEREAS, each year since June 2015, bypass pumps have been placed on standby during the canning Season, and

WHEREAS, having this equipment on standby rental will reduce delays and impacts to CSL customers if bypass pumps were needed due to the failure of either the River Trunk or CSL, and

WHEREAS, Rain for Rent is the only provider in northern California that can meet the performance requirements of time and available resources for bypass pumping, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid, however, there are exceptions to the rule set forth in the Modesto Municipal Code, and

WHEREAS, one exception, MMC Section 8-3.204(b), states whereas the purchasing agencies' requirements can be met solely by a single article or process; the sole source procurement for the rental of three DV-400c pumps from Rain for Rent, Stockton, CA, conforms to the Modesto Municipal Code 8-3.204(b), and

WHEREAS, the sole source procurement for the standby rental of three DV-400c pumps from Rain for Rent, Stockton, CA, conforms to the Modesto Municipal Code, 8-3.203.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the sole source procurement for the standby rental of three DV-400c pumps for the Utilities Department, Wastewater Services Division from Rain for Rent, Stockton, CA.

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is hereby authorized to issue a purchase agreement for a total cost not to exceed \$70,307.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-260**

RESOLUTION APPROVING AN AGREEMENT WITH CONSOLIDATED CM, INC., OF OAKLAND, CA, FOR CONSTRUCTION MANAGEMENT AND INSPECTION SERVICES FOR THE TUOLUMNE RIVER SHEET PILE AND DAM DEBRIS REMOVAL PROJECT IN AN AMOUNT NOT TO EXCEED \$165,794 FOR THE IDENTIFIED SCOPE OF SERVICES, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT AND ANY AMENDMENTS UP TO A CUMULATIVE AMOUNT OF 10 PERCENT

WHEREAS, on June 12, 2018, the City Council is awarded a \$968,260 contract to Innovative Construction Solutions of Dublin, CA for the construction of the Tuolumne River Sheet Pile and Dam Debris Removal Project, and

WHEREAS, the Dennett Dam was first constructed in the 1930's, damaged by high flood waters twice and in 1947 was condemned by the State of California, and

WHEREAS, the Tuolumne River Preservation Trust (TRT) has been involved with public relations and fund raising efforts for the removal of the Remnant Dennett Dam, and

WHEREAS, on June 14, 2016, by Resolution 2016-245, Council approved a Memorandum of Understanding with the TRT regarding the removal of the Remnant Dennett Dam, and

WHEREAS, due to the limited availability of the City's Construction Administration staff and the complexity of this project, staff recommends utilizing a consultant to provide construction management and inspection services for the construction phase, and

WHEREAS, the selection process followed the City's policy, Administrative Directive 3.1, Selection Procedures for Professional Consultants Who Provide Architectural & Engineering Services for Capital Projects, and

WHEREAS, for the construction management and inspection services, a Request for Proposals (RFP) was issued to the 3 on-call firms for construction management and inspection services for this project, and

WHEREAS, after careful review and evaluation by the selection committee, Consolidated CM was selected as the most qualified firm for the Project, and

WHEREAS, Consolidated CM demonstrated experience with multiple projects similar in scope and size, and

WHEREAS, Consolidated CM will be the main point of contact for all construction activities and reporting during this project, and

WHEREAS, City staff recommends approving an agreement with Consolidated CM, for construction management and inspection services.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves an Agreement with Consolidated CM, Inc., for Construction Management and Inspection Services for the Tuolumne River Sheet Pile and Dam Debris Removal Project in an amount not to exceed \$165,794 for the identified scope of services.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to execute the Agreement, and one or more amendments to this Agreement in a cumulative amount up to 10 percent of the original agreement amount.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-261**

RESOLUTION APPROVING PLANS AND SPECIFICATIONS FOR THE REBID MPD HVAC RENOVATION PROJECT (OPERATIONS BUILDING), ACCEPTING THE BID, AND APPROVING A CONSTRUCTION CONTRACT WITH AMERICAN CHILLER SERVICE, INC., MODESTO, CA, IN THE AMOUNT OF \$770,288 AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE CONTRACT

WHEREAS, specifications have been prepared for the REBID MPD HVAC Renovation Project (Operations Building), and City staff recommends approval by the City Council, and

WHEREAS, the bids received for the REBID MPD HVAC Renovation Project (Operations Building) were opened at 11:00 a.m. on May 29, 2018 pursuant to Modesto Municipal Code section 8-3.403 and Charter section 1307 , and

WHEREAS, the Director of Utilities and the Interim City Manager has recommended that the bid of \$770,288 received from American Chiller Service, Inc., be accepted as the lowest responsible and responsive bid and the contract be awarded to American Chiller Service, Inc.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for REBID MPD HVAC Renovation Project (Operations Building) and accepts the bid of \$770,288 and awards American Chiller Service, Inc., of Modesto, CA the construction contract.

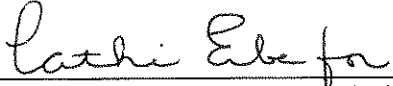

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to execute the contract, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-262**

RESOLUTION APPROVING A REDUCTION OF GENERAL FUND POLICE DEPARTMENT FY 2018-19 OPERATING EXPENDITURE APPROPRIATIONS UP TO THE AMOUNT OF \$959,346 TO BE USED TO FUND THE CONSTRUCTION, CONTINGENCY, CONSTRUCTION ADMINISTRATION, AND DESIGN SUPPORT DURING CONSTRUCTION FOR THE MPD HVAC RENOVATION PROJECT (OPERATIONS BUILDING) IN PROJECT 101087; AND AMENDING THE FISCAL YEAR 2017-18 CAPITAL IMPROVEMENT PROGRAM BUDGET IN THE AMOUNT OF \$959,346 TO BE TRANSFERRED INTO THE PROJECT FROM MPD'S GENERAL FUND OPERATING BUDGET TO INCREASE THE EXPENDITURE APPROPRIATION IN PROJECT 101087 AND FULLY FUND THE CONSTRUCTION, CONTINGENCY, CONSTRUCTION ADMINISTRATION, AND DESIGN SUPPORT DURING CONSTRUCTION FOR THE MPD HVAC RENOVATION PROJECT (OPERATIONS BUILDING)

WHEREAS, the Modesto Police Department Operations Building is an older facility and its HVAC system has been a deferred maintenance issue, and

WHEREAS, the existing air conditioning chiller units are no longer functioning reliably or efficiently, which has resulted in costly maintenance. Additionally the boiler unit is insufficient and the control systems and MCC electrical panel are out of date and inefficient, and

WHEREAS, the renovation will replace the two chiller units, the boiler unit, the control systems and the MCC electrical panel, and

WHEREAS, the improvements will improve HVAC operating and energy efficiencies, and

WHEREAS, certain budgetary transactions are necessary in the amount of \$959,346, in order to fund construction, contingency, construction administration, and design support during construction for the MPD HVAC Renovation Project, and

WHEREAS, funding for this project will come from the reduction of General Fund Police Department Fiscal Year 2018-19 Operating expenditure appropriations up to the amount of \$959,346, to be used to fund the HVAC Systems Replacement project for the Operations Building via a transfer in to Project 101087 from the General Fund, and

WHEREAS, the Fiscal Year 2017-2018 Capital Improvement Program Budget must be amended, as shown in **Exhibit A**, which is incorporated by reference herein.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the amendment of the Fiscal Year 2018-19 Modesto Police Department Operating budget to decrease expenditure appropriation up to \$959,346, amend the Fiscal Year 2017-2018 Capital Improvement Program Budget as shown in **Exhibit A, attached** hereto, and establish a Fiscal Year 2018-19 transfer from the General Fund to Project 101087 to fund the project.

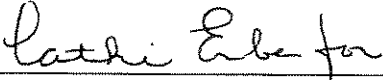

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

Exhibit A

To fully fund CIP Project 101087 – MPD HVAC Systems Replacement, the following budget adjustment is necessary:

Operating Budget Adjustments:

0100-19XXX-5XXXX
 General Fund – MPD – Expense – Multiple Cost Centers (939,346)

Transfer Budget Adjustments:

0100-70100-71342
 GF – Transfer Out to Fund 1342 939,346
 1342-19999-60100-101087
 Special Fund For Capital Outlay – Transfer In from Fund 0100 939,346

Project Budget Adjustments: 101087 – MPD HVAC Replacement Project (Operations Building)

Anticipated Construction Expenditures:

Construction Contract	\$770,288
Construction Contingency (10%):	\$77,029
Contract Administration – City Staff (10%):	\$77,029
Engineering/Design/Administration Support	\$35,000
Total Anticipated Construction Expenditures:	\$959,346

101087 - MPD OPS HVAC Replacement				
	Current Budget	Request	Revised Budget	Amount of Adjustment
EDA	\$20,000	\$15,000	\$35,000	\$15,000
CON	\$0	\$770,288	\$770,288	\$770,288
CA	\$0	\$77,029	\$77,029	\$77,029
CTGY	\$0	\$77,029	\$77,029	\$77,029
	\$20,000	\$939,346	\$959,346	\$939,346

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-263**

RESOLUTION APPROVING A PURCHASING AGREEMENT WITH ALL SEASON LAWN LANDSCAPING, ESCALON, CA, FOR LAWN MAINTENANCE SERVICES FOR WATER WELLS AND TANKS, FOR A TWO-YEAR AGREEMENT WITH THREE ONE-YEAR EXTENSION OPTIONS, FOR A COST NOT TO EXCEED \$38,327 IN YEAR ONE, \$63,828 IN YEAR TWO WITH THREE ADDITIONAL SITES AND SERVICES ADDED, AND A TOTAL AMOUNT NOT TO EXCEED \$310,871 OVER FIVE YEARS, AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE, TO ISSUE A PURCHASING AGREEMENT

WHEREAS, the Water Division has a need for lawn maintenance services for twenty city water well sites and six water tank sites, and

WHEREAS, staff is anticipating adding two additional tank sites and one well site currently in construction, plus the Litt Road Corporation Yard to this agreement next year, and

WHEREAS, the current purchase agreement expired in August, 17, 2017 and staff stopped using lawn mowing and landscape services until a new competitive process can be awarded by Council, and

WHEREAS, the Interim City Manager authorized the Purchasing Manager to issue formal Request for Bid (RFB) for lawn maintenance services for water wells and tanks, and

WHEREAS, on April 4, 2018, the Purchasing Division issued RFB No. 1718-49 for lawn maintenance services for water wells and tanks on the City's website under commodity codes for landscape architecture, grounds maintenance: mowing, edging, planting; tree trimming and pruning services, and

WHEREAS, prospective bidders were notified online of the bid opportunity with nine companies choosing to download the RFB document, and

WHEREAS, on April 24, 2018, bids were formally opened in the City Clerk's office with four companies choosing to respond, and

WHEREAS, all companies provided responsive and responsible bids and one local vendor is capable of providing this type of service and chose to respond, and

WHEREAS, based on providing the overall lowest responsive and responsible bid, City staff recommends the award of the bid for the purchase of lawn maintenance services for water wells and tanks to All Season Lawn Landscaping, Escalon, CA, for an annual cost not to exceed \$38,327 in Year One, \$63,828 in Year Two with three additional sites and services added, and a total amount not to exceed \$310,871 over five years, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of bid for lawn maintenance services conforms to Modesto Municipal Code Section 8-3.203.

WHEREAS, the significant increase to the well and tank sites to be maintained in the new agreement is more than double than the previous agreement. The Water Division is anticipating adding two additional tank sites, one well site, plus the Litt Road Corporation Yard to this agreement next year, and

WHEREAS, these new sites were not included in the bid but the hourly rate (\$46.30/hr.) and acres per pre-emergent spraying at these sites (\$224.17 per acre) was estimated and will be used when these sites are added. The Water Division also added 50 acres of pre-emergent maintenance for all tank sites in Year 2, and Prevailing wage will be required in the new agreement, and

WHEREAS, sufficient funds are budgeted in Fiscal Year 2018-19, in Water Fund 4100-45050-53100, Repairs and Maintenance Services, and below is a breakdown of estimated yearly expenses for the Lawn Maintenance Services Agreement for Water Wells and Tanks. Staff has included additional tanks and well sites and potential Consumer Price Index Increases.

Lawn Maintenance Services	Year 1	Year 2	Year 3	Year 4	Year 5	Total
Lawn Maintenance Services- Current Services	\$38,327	\$38,327				
Adding pre-emergent spraying (50 acres x \$224.17)		\$22,417				
Adding 2 Tank Sites in construction (\$1,106.40 x 2 sites)		\$2,213				
Adding 1 Well Site in construction (\$870.88 x 1 site)		\$871				
Total for 5-Yr Contract	\$38,327	\$63,828	\$69,572	\$69,572	\$69,572	\$310,871

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves a purchasing agreement with All Season Lawn Landscaping, Escalon, CA, for lawn maintenance services for water wells and tanks, for a two-year agreement with three one-year extension options, for a cost not to exceed \$38,327 in Year One, \$63,828 in Year Two with three additional sites and services added, and a total amount not to exceed \$310,871 over five years.

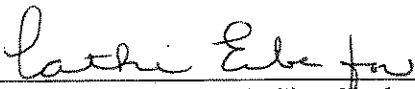

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is hereby authorized to issue a purchasing agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-264**

RESOLUTION APPROVING AN AMENDMENT TO THE SOLE SOURCE PURCHASE AGREEMENT WITH HACH, LOVELAND, CO, FOR FIELD SERVICE OF ON-LINE INSTRUMENTS FOR AN AMOUNT OF \$36,965 IN YEAR 1, \$24,169 IN YEAR 2 AND \$24,894 IN YEAR 3, NOT TO EXCEED \$86,028 OVER THREE YEARS, AND PURCHASES OF METERS FOR \$51,753 IN YEAR 1, \$53,251 IN YEAR 2 AND \$45,222 IN YEAR 3, NOT TO EXCEED \$150,226 OVER THREE YEARS AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE, TO EXECUTE A PURCHASING AGREEMENT

WHEREAS, the Wastewater Treatment Plants have installed various Hach instruments throughout its facilities, and

WHEREAS, these instruments ensure process control and compliance by monitoring and collecting critical data needed for the City's National Pollutant Discharge Elimination System (NPDES) Permit, and

WHEREAS, the instruments also assist the operations staff in maintaining equipment and processes with real time data, and

WHEREAS, this service agreement includes, but is not limited to, on site calibration, on site routine maintenance, and parts necessary to keep equipment in service, and

WHEREAS, this contract is crucial to the reliability of critical process control and compliance instrument and since the construction and commissioning of Phase 2 of the tertiary treatment facility, meters needing regular service have increased from nine to twenty-seven, and

WHEREAS, this contract will ensure dependable service and warranty compliance for these units, and

WHEREAS, Hach's factory-trained service personnel are authorized to perform any repair, start-up service, or maintenance on these instruments, and

WHEREAS, this will ensure accuracy of critical data points required for plant optimization and regulatory compliance, as well as dependability of the instruments, to minimize downtime of the facility and potential lost water sales to the North Valley Regional Recycled Water Project, and

WHEREAS, staff will receive field service reports that will demonstrate a proper maintenance program, which will be especially valuable during State audits of our maintenance records for compliance required meters, and

WHEREAS, a maintenance program performed by authorized field service technicians is subject to less scrutiny than a City operated maintenance program and this contract will also prevent additional costs associated with spare parts, calibration standards and equipment, replacement units and manufacturer service fees, which were \$68,487 since 2015, and

WHEREAS, Hach will also provide full replacement of any failed units under this agreement for as long as the unit is a supported product, and

WHEREAS, on February 27, 2018, by Resolution No. 2018-89, Council approved a sole source purchasing agreement with Hach, Loveland, CO, for field service of on-line instruments, which are used at the Wastewater Treatment Facility to monitor the treatment process, for a total cost not to exceed \$59,904 over three years and authorizing the Purchasing Manager, or her designee, to execute the agreement, and

WHEREAS, purchasing was in the process of issuing the agreement when staff realized some discrepancies in the original quotes for the agreement, and

WHEREAS, this revision of the agreement with Hach includes purchase prices for replacement instruments that are either critical to the operation of the Tertiary Treatment Plants and/or required by the State Water Resources Control Board in the NPDES permits and the new agreement will also encompass newly purchased meters and the discontinued meters by Hach, and

WHEREAS, this revision will also include service prices for those instruments, and

WHEREAS, having this agreement will ensure the staff has the flexibility to replace/add instruments and the ability to have them properly maintained and serviced.

WHEREAS, staff is requesting approval for the amendment with Hach to include the additional equipment for field service and purchases of new meters as they are needed, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid, and

WHEREAS, staff recommends the award of agreement to Hach should be exempt from the formal bidding process in accordance with Modesto Municipal Code 8-3.204(b) since they are the sole provider of these services. MMC 8-3.204(b) provides that a purchase may be exempted from the City's formal bidding requirements where the Purchasing Agency's requirements can be met solely by a single article or process; this purchase qualifies for exemption from formal bidding for that reason, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an amendment to the sole source purchase agreement with Hach, Loveland, CO, for field service of on-line instruments for an amount of \$36,965 in Year 1, \$24,169 in Year 2 and \$24,894 in Year 3, not to exceed \$86,028 over three years, and purchases of meters for \$51,753 in Year 1, \$53,251 in Year 2 and \$45,222 in Year 3, not to exceed \$150,226 over three years.

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is hereby authorized to issue the amended purchasing agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS,
ACCEPTING THE BID, AND AWARDING A CONTRACT TO DSS COMPANY
DBA KNIFE RIVER CONSTRUCTION OF STOCKTON, CALIFORNIA, IN THE
AMOUNT OF \$2,591,417 FOR THE STANDIFORD AVENUE PAVEMENT
REHABILITATION PROJECT AND AUTHORIZING THE INTERIM CITY
MANAGER, OR HIS DESIGNEE TO EXECUTE THE AGREEMENT**

WHEREAS, plans and specifications have been prepared for the Standiford Avenue Rehabilitation Project, and City staff recommends approval by the City Council, and

WHEREAS, the project was advertised for bids on May 8, 2018, bids were publicly opened at 11:00 a.m. on June 5, 2018 pursuant to Modesto Municipal Code 8-3.403 and Charter Section 1307 and three responsive bids were received, and

WHEREAS, the proposed award of bid to DSS Company dba Knife River Construction, of Stockton, California conforms to Modesto Municipal Code section 8-3.403 and Modesto Charter Section 1307 and is the lowest responsive and responsible bidder, and

WHEREAS, the Director of Community and Economic Development has recommended that the bid of \$2,591,417 received from DSS Company dba Knife River Construction of Stockton, California, be accepted as the lowest responsible and responsive bid and the contract be awarded to DSS Company dba Knife River Construction.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the plans and specifications for the Standiford Avenue Rehabilitation Project, accepts the bid of DSS Company dba Knife River Construction of

Stockton, California in the amount of \$2,591,417, and awards DSS Company dba Knife River Construction of Stockton, California the contract for the Standiford Avenue Rehabilitation Project.

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to execute the contract, in a form approved by the City Attorney.

**RESOLUTION AMENDING THE FISCAL YEAR 2017-2018 CAPITAL
IMPROVEMENT PROJECT (CIP) BUDGET AND ESTABLISHING THE
MEASURE L MAINTENANCE OF EFFORT TRANSFER FOR PROJECT
#101088 IN THE AMOUNT OF \$130,000 FOR THE STANDIFORD
AVENUE PAVEMENT REHABILITATION PROJECT**

WHEREAS, the Standiford Avenue Pavement Rehabilitation project will consist of roadway resurfacing and/or reconstruction, new signage and striping, ADA upgrades, storm drainage system improvements, and signal upgrades. Improvements will begin at Dale Road and proceeds east to Sherwood Avenue with a length of 2.97 miles, and

WHEREAS, in November 2016, the voters of Stanislaus County approved the county wide, 25-year, half-cent sales tax increase known as Measure L, and

WHEREAS, on July 5, 2017, the City Council, by Resolution No. 2017-269 approved a list of projects to be funded with Measure L tax proceeds in Fiscal Year 2017-18, and

WHEREAS, on March 13, 2018, the City Council, by Resolution No. 2018-124 approved an amendment to the list of projects funded with Measure L proceeds of which allocated \$3,205,920 to the Standiford Avenue Pavement Rehabilitation project, and

WHEREAS, the project was advertised for bids on May 8, 2018 and bids were opened June 5, 2018 with the lowest bidder 3.66% above the engineer's estimate, and

WHEREAS, the Maintenance of Effort funds of \$521,505 for Measure L in FY 2017-18 have allocated \$375,000 for the Lakewood Streets Neighborhood project leaving \$146,505 funds available, and

WHEREAS, on June 7, 2018 staff recommended to the Citizens Transportation Sales Tax Commission the allocation of \$130,000 of the \$521,505 Maintenance of Effort

funds available for FY 2017-18 to fund the additional costs for the Standiford Avenue Pavement Rehabilitation project which will leave \$16,505 of Maintenance of Effort funds available, and

WHEREAS, the Fiscal Year 2017-18 Capital Improvement Program Budget for Project #101088 – Standiford Avenue Pavement Rehabilitation must be amended by \$130,000 with a transfer from Measure L Maintenance of Effort fund to the project and allocation of funds to the projects expense budget.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby amends the Fiscal Year 2017-2018 Capital Improvement Project (CIP) revenue and expense budget for project #101088 in the amount of \$130,000 to continue the project.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to implement the provisions of this resolution.

RESOLUTION NO. 2018-267**

RESOLUTION AUTHORIZING THE UTILITY DEPARTMENT DIRECTOR TO APPROVE CHANGE ORDERS UP TO THE CUMULATIVE AMOUNT OF \$259,142 (10% OF THE ORIGINAL CONTRACT PRICE) FOR THE STANDIFORD AVENUE PAVEMENT REHABILITATION PROJECT

WHEREAS, the Standiford Street Improvements project was advertised for bids on May 8, 2018, bids were publicly opened on June 5, 2018 and DSS Company dba Knife River Construction of Stockton, California was the apparent low bidder with an amount of \$2,591,417, and

WHEREAS, the contingency cost for the Standiford Street Improvements project has been estimated to be \$259,142, 10% of the original contract price, an amount which exceeds the Director's authority for the project as established by Change Order Policy 1.028, and,

WHEREAS, the reason for the increased contingency is because of the accelerated design and review period to construct the project this summer, and

WHEREAS, the Director of Utilities shall have authority to approve change orders up to the cumulative amount of \$259,142.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Utility Department Director to approve change orders up to the cumulative amount of \$259,142 (10% of the original contract price).

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-268**

RESOLUTION CONFIRMING THE FISCAL YEAR 2018-19 DIAGRAM AND ASSESSMENT, AND ORDERING THE LEVY AND COLLECTION OF CHARGES WITHIN LANDSCAPE MAINTENANCE ASSESSMENT DISTRICT NO. 1 FOR DRY CREEK MEADOWS SUBDIVISIONS NOS. 1-6

WHEREAS, on May 8, 2018, the City Council, by Resolution No. 2018-171, declared its intent to levy charges or assessments for the purpose of administering the maintenance of landscaping in the public right-of-way within the street medians and adjacent to the access control walls in Dry Creek Meadows Subdivisions Nos. 1-6 under the provisions of the California Streets and Highways Code Sections 22500 through 22679, more commonly known as the Landscape and Lighting Act of 1972, and

WHEREAS, the charges against the real property are not levied with regard to property values but rather by the allocated cost shown within the Annual Engineer's Report, and

WHEREAS, the City of Modesto has determined and certifies that the charges are either exempt from or in compliance with all the provisions of Proposition 218, which was passed by the voters in November 1996. The City of Modesto has further determined the charges are in compliance with all laws pertaining to the levy of such charges.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby orders the levy and collection of such charges within City of Modesto Landscape Maintenance Assessment District No. 1 for Dry Creek Meadows Subdivisions Nos. 1-6 for Fiscal Year 2018-19, and in each subsequent fiscal year in which the charges may validly be levied.

BE IT FURTHER RESOLVED, that a certified copy of this resolution and **attached** documentation shall be delivered to the Auditor-Controller of the County of Stanislaus for placement of such charges on the 2018-19 County Tax Roll, and in each subsequent fiscal year in which the charges may validly be levied.

BE IT FURTHER RESOLVED, that the diagram of said assessment district, which is **attached** hereto, and amount of levy thereon is hereby confirmed.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Madrigal, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Kenoyer, Madrigal, Ridenour, Zoslocki,
Mayor Brandvold

NOES: Councilmembers: None

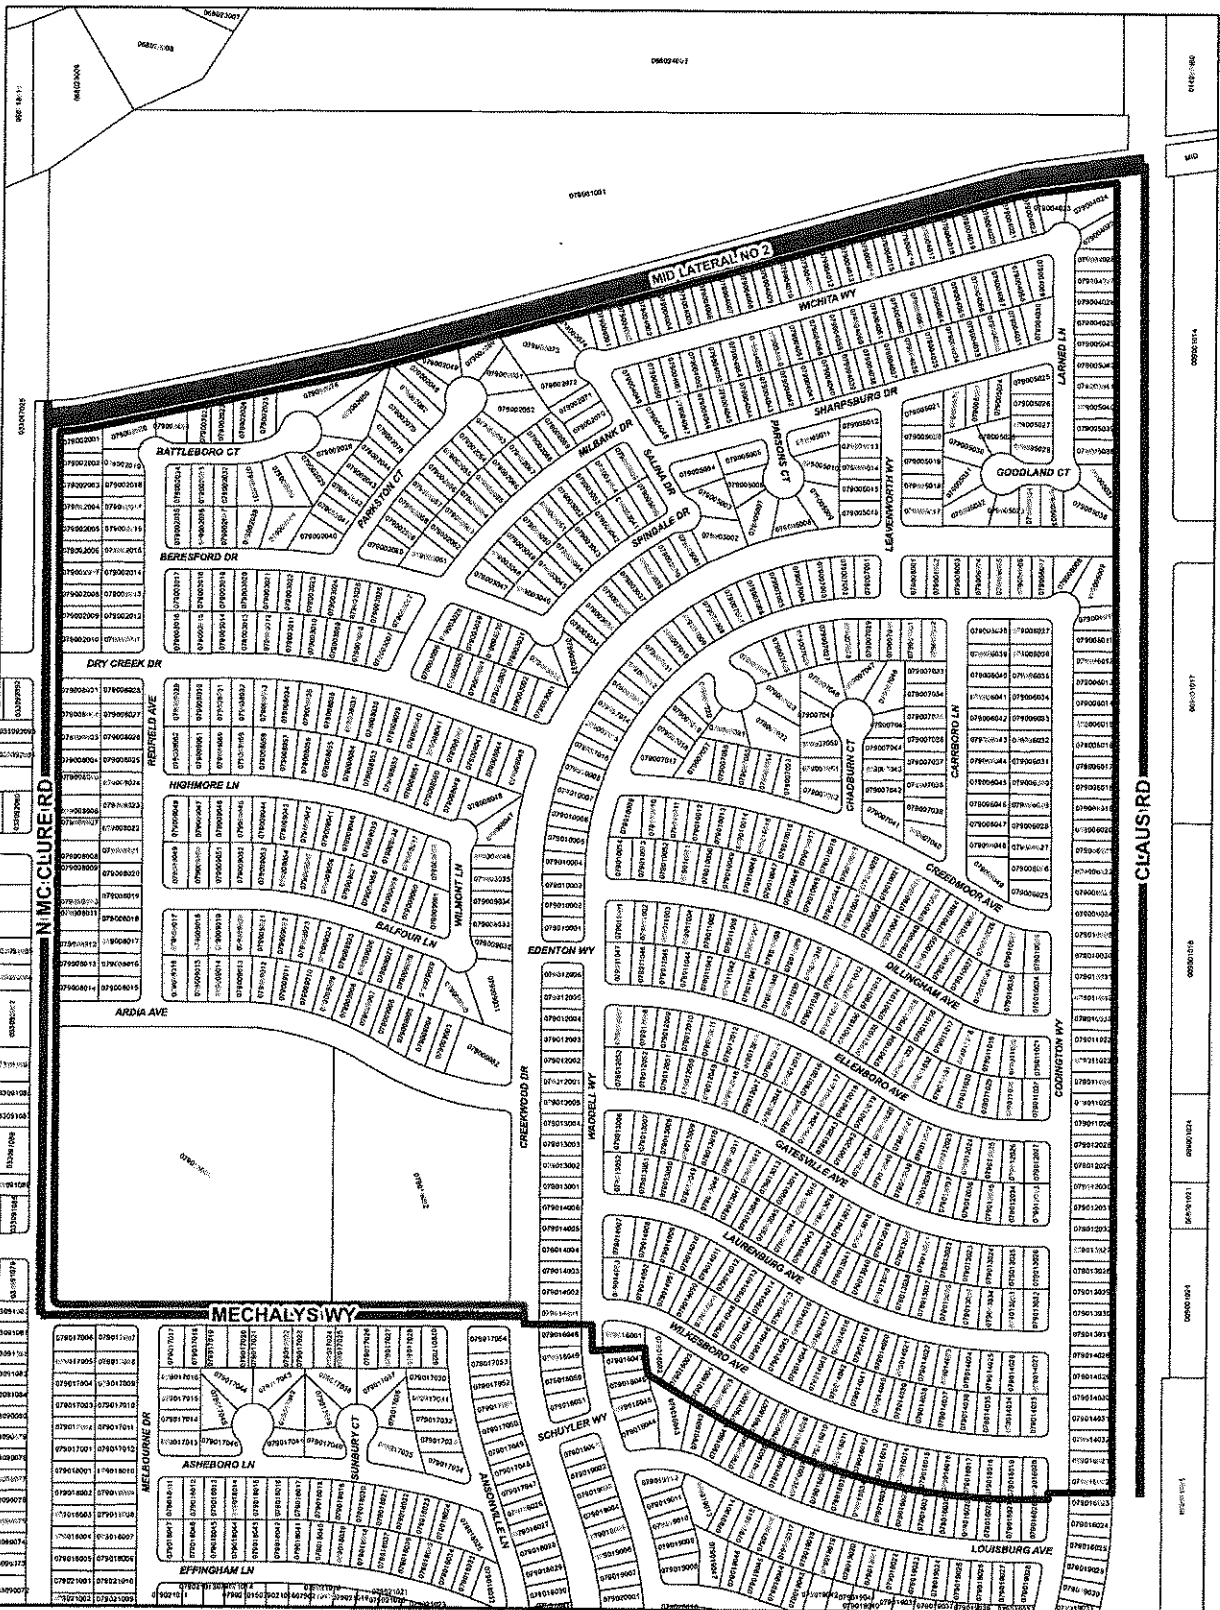

ABSENT: Councilmembers: Ah You, Grewal

ATTEST: 
STEPHANIE LOPEZ, City Clerk

(SEAL)

APPROVED AS TO FORM:

SECTION I HISTORY

On December 12, 1988, Landscape Maintenance Assessment District No. 1 ("LMAD No. 1") was formed in accordance with the Landscape and Lighting Act of 1972 (California Streets and Highway Code §22500 through §22679) ("the Act"), to administer the maintenance of landscaping in the public right-of-way within the street medians and adjacent to the access control walls in Dry Creek Meadows Subdivisions Nos. 1-6. All costs for the LMAD No. 1 are funded by the annual assessments levied on each property within the district. The Act requires several courses of action on the part of City staff and City Council prior to August 10th of each year.

The Act initially requires the City Council to order, prepare, and file an Engineer's Annual Report for the City Council. This report is prepared for the purpose of detailing the plans and specifications for the maintenance of work, the estimated costs for landscape maintenance performed by City contractors, utility service charges, City street tree pruning costs, City staff time to administer the maintenance contract, and additional work to be performed by the City Contractor at the request of the City.

LMAD No. 1 is located east of North McClure Road and southwest of MID Lateral #2 and Claus Road. It is comprised of 749 single-family residential lots and three (3) public agency owned parcels. An annual assessment of \$26 per single-family residential parcel has remained the same since 1996. The total assessment to be levied for LMAD No. 1 for Fiscal Year 2018-2019 is \$19,474.

Upon the City Council's approval of the Engineer's Annual Report, the City Council adopts a resolution declaring its intent to levy and collect assessments within LMAD No. 1 for the following fiscal year and schedules a public hearing. This public hearing and proposed resolution levying the proposed assessments is in accordance with the annual assessment procedures.

Finally, in compliance with the Act, the City Council conducts the public hearing and adopts certain resolutions in accordance with the California Streets and Highways Code §22625 through §22641. The City Clerk is required to give the Modesto Bee notice of the public hearing no less than ten (10) days prior to the scheduled hearing date. All interested persons are afforded the opportunity to be heard during the public hearing. Should there be any protests, whether written or oral, the City Council may choose to continue the hearing to a later date and/or may change any part of the Engineer's Annual Report to address the concerns of the property owner(s). The adopted resolution is then forwarded to the Auditor-Controller of the County of Stanislaus for placement of such charges on the upcoming year's County Tax Roll.

SECTION II ANNUAL ASSESSMENT REVIEW AND SUMMARY

A. PARCEL REVIEW

1. Single Family Residential Parcels:
There are 749 single-family residential parcels located within LMAD No. 1.
2. Multi-Family Residential Parcels:
There are no multi-family residential parcels located within LMAD No. 1.
3. Commercial/Industrial Parcels:
There are no commercial or industrial parcels located within LMAD No. 1.
4. Public Agency Parcels:
There are two (2) parcels owned by the City of Modesto (Creekwood Park and the Pedestrian Overcrossing at Claus Road) and one (1) parcel owned by the Empire School District (Bernard Hughes School). According to §22663 of the California Streets and Highways Code, public property owned by any public agency and in use in the performance of a public function shall not be subject to assessment.

B. 2018-2019 ANNUAL ASSESSMENTS

All single-family residential parcels are levied at a flat rate of \$26.00 per parcel. Each parcel receives equal benefits from the District. The annual assessments levied are calculated by multiplying the total number of parcels by the flat rate.

\$ 26.00	Annual assessment per parcel
x 749	Single-family residential parcels
\$ 19,474.00	Total annual assessment

C. COMPARISON TO PREVIOUS FISCAL YEAR

The proposed Fiscal Year 2018-2019 annual assessment is the same as the annual assessment for Fiscal Year 2017-2018 of \$26.00 per single-family residential parcel.

SECTION 3 FINANCIALS – ANNUAL ASSESSMENT REVENUE & EXPENSE PROJECTIONS

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-269**

RESOLUTION CONFIRMING THE FISCAL YEAR 2018-19 DIAGRAM AND ASSESSMENT, AND ORDERING THE LEVY AND COLLECTION OF CHARGES WITHIN LANDSCAPE MAINTENANCE ASSESSMENT DISTRICT NO. 2 FOR DRY CREEK MEADOWS SUBDIVISIONS NOS. 7-10, CREEKWOOD MEADOWS SUBDIVISION AND YOSEMITE MEADOWS SUBDIVISION UNITS 1 & 2

WHEREAS, on May 8, 2018, the City Council, by Resolution No. 2018-172, declared its intent to levy charges or assessments for the purpose of administering the maintenance of landscaping in the public right-of-way within the street medians and adjacent to the access control walls in Dry Creek Meadows Subdivisions Nos. 7-10, Creekwood Meadows Subdivisions, and Yosemite Meadows Subdivision Units 1 and 2 under the provisions of California Streets and Highways Code Sections 22500 through 22679, more commonly known as the Landscape and Lighting Act of 1972, and

WHEREAS, the charges against the real property are not levied with regard to property values but rather by allocated cost reports prepared by the Engineer of Work, and

WHEREAS, the City has determined and certifies that the charges are either exempt from or in compliance with all the provisions of Proposition 218, which were passed by the voters in November 1996, and

WHEREAS, the City has further determined the charges are in compliance with all laws pertaining to the levy of such charges,

WHEREAS, on June 26, 2018 a public hearing was held.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby orders the levy and collection of such charges within City of Modesto

Landscape Maintenance Assessment District No. 2 for Dry Creek Meadows Subdivisions Nos. 7-10, Creekwood Meadows Subdivisions, and Yosemite Meadows Subdivision Units 1 and 2 for Fiscal Year 2018-19, and in each subsequent fiscal year in which the charges may validly be levied.

BE IT FURTHER RESOLVED, that a certified copy of this resolution and **attached** documentation shall be delivered to the Auditor-Controller of the County of Stanislaus for placement of such charges on the 2018-19 County Tax Roll, and in each subsequent fiscal year in which the charges may validly be levied.

BE IT FURTHER RESOLVED, that the diagram of said assessment district, which is **attached** hereto, and amount of levy thereon is hereby confirmed.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Zoslocki, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Kenoyer, Madrigal, Ridenour, Zoslocki,
Mayor Brandvold

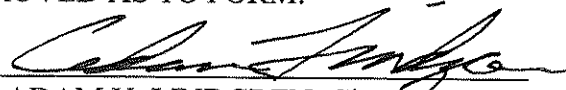

NOES: Councilmembers: None

ABSENT: Councilmembers: Ah You, Grewal

ATTEST: 
STEPHANIE LOPEZ, City Clerk

SECTION I HISTORY

On April 4, 1989, Landscape Maintenance Assessment District No. 2 ("LMAD No. 2") was formed in accordance with the Landscape and Lighting Act of 1972 (California Streets and Highway Code §22500 through §22679) ("the Act") to administer the maintenance of landscaping in the public right-of-way within the street medians and adjacent to the access control walls in Dry Creek Meadows Subdivisions Nos. 7 through 10, Creekwood Meadows Subdivision, and Yosemite Meadows Subdivision Units 1 and 2. All costs for LMAD No. 2 are funded by the annual assessments levied on each property within the district. The Act requires several courses of action on the part of City staff and City Council prior to August 10th of each year.

The Act initially requires the City Council to order, prepare, and file an Engineer's Annual Report for the City Council. This report is prepared for the purpose of detailing the plans and specifications for the maintenance of work, the estimates of costs for landscape maintenance performed by the City Contractor, utility service charges, City street tree pruning costs, City staff time to administer the maintenance contract, and additional work to be performed by the City Contractor at the request of the City.

Prompted by negative reserve balances in LMAD No. 2, staff successfully completed a Proposition 218 ballot in June 2000. This ballot added an annual cost of living increase based on the Building Cost Index ("BCI"). As a result of this ballot, the approved "inflater" adjusts each year's assessment. California Government Code §54954.6(a) and (c) requires that a notice be mailed no less than 45 days in advance of the public hearing to all property owners if costs will increase.

Upon City Council's approval of the Engineer's Annual Report, the City Council adopts a resolution declaring its intent to levy and collect assessments within LMAD No. 2 for the following fiscal year and schedules a public hearing. This public hearing and proposed resolution levying the proposed assessments is in accordance with the annual assessment procedures.

Finally, in compliance with the Act, the City Council conducts the public hearing and adopts certain resolutions in accordance with the California Streets and Highways Code §22625 through 22641. The City Clerk is required to give the Modesto Bee notice of the public hearing no less than ten (10) days prior to the scheduled hearing date. All interested persons are afforded the opportunity to be heard during the public hearing. Should there be any protests, whether written or oral, the City Council may choose to continue the hearing to a later date and/or may change any part of the Engineer's Annual Report to address the concerns of the property owner(s). The adopted resolution is then forwarded to the Auditor-Controller of the County of Stanislaus for placement of such charges on the upcoming year's County Tax Roll.

SECTION II ANNUAL ASSESSMENT REVIEW AND SUMMARY

A. PARCEL REVIEW

Total Acreage: 135.20 Acres

Total Assessed Acreage: 134.172 Acres

1. Single-Family Residential: 116.087 acres (590 Parcels)
2. Commercial: 18.085 acres (18 Parcels)
3. Publicly- Owned: 1.028 acres (2 Parcels)
 - a) One (1) parcel owned by the City of Modesto (0.03 acres) which is utilized as a traffic island.
 - b) One (1) parcel owned by the Empire School District (1.0 acres) which is utilized as its District Offices.

According to the §22663 of the California Streets and Highways Code, public property owned by any public agency and in use in the performance of a public function shall not be subject to assessment.

B. ANNUAL ASSESSMENTS

Each parcel receives equal benefits from LMAD No. 2. The annual assessment levied is calculated by dividing the total cost estimate by the total number of acres.

1. The single-family residential properties are levied on a flat rate, which is calculated by dividing the total cost estimate by the number of residential acres and subsequently by the total number of residential parcels.
2. Commercial properties are levied based on actual acreage.

The annual assessment is to be adjusted annually according to the BCI for the San Francisco Bay Area (SF BCI), as reported in the Engineer News Record the first week of March. Due to the unavailability of the SF BCI for the first week of March, the second week reporting must be utilized.

The inflationary adjustment is applied when the district has minimal or negative reserves to offset the total cost estimates for the upcoming fiscal year. The increase for fiscal year 2018-2019 is 3.608333071% (The difference between the March 12, 2018 SF BCI, 6921.42, and the March 13, 2017 SF BCI, 6680.37, divided by the March 13, 2017 SF BCI, 6680.37).

The total annual assessment for LMAD No. 2 for Fiscal Year 2018-2019 is \$21,970.55.
 (Fiscal Year 2017-2018 assessment \$21,205.39 x 3.608333071%).

C. PROJECTED ANNUAL ASSESSMENT SUMMARY

1. Single-Family Residential Annual Assessment – 590 Parcels

\$21,970.55	Annual Assessment for Fiscal Year 2018-2019
÷ 134.172	Total assessed acres
<hr/>	
\$ 163.75	Annual assessment per acre
\$ 163.75	Annual assessment per Acre
x 116.087	Residential acres
<hr/>	
\$ 19,009.25	Total residential annual assessment
\$ 19,009.25	Total residential annual assessment
÷ 590	# Parcels
<hr/>	
\$ 32.22	Total residential annual assessment/parcel

* For levying purposes, the total annual assessment has been rounded to \$32.22 per residential parcel for a total annual residential assessment of \$19,009.25.

2. Commercial Annual Assessment – 18 Parcels

APN	Acres	\$/Acre	Fiscal Year 2018-2019 Annual Assessment
079-025-005	0.495	\$163.75	\$81.06

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-270**

RESOLUTION CONFIRMING THE FISCAL YEAR 2018-19 DIAGRAM AND ASSESSMENT, AND ORDERING THE LEVY AND COLLECTION OF CHARGES WITHIN THE SHACKELFORD LANDSCAPE AND LIGHTING DISTRICT

WHEREAS, the City of Modesto by Resolution No. 2018-173, adopted on May 8, 2018, declared its intent to levy charges or assessments for the purpose of administering the maintenance of seventy-seven 200-watt high pressure sodium street lights in the Shackelford Landscape and Lighting District under the provisions of California Streets and Highways Code Sections 22500 through 22679, more commonly known as the Landscape and Lighting Act of 1972, and

WHEREAS, the charges against the real property are not levied with regard to property values but rather by allocated cost reports prepared by the Engineer of Work, and

WHEREAS, a public hearing was held on June 26, 2018, and

WHEREAS, the City has determined and certifies that the charges are either exempt from or in compliance with all the provisions of Proposition 218, which was passed by the voters in November 1996. The City of Modesto has further determined the charges are in compliance with all laws pertaining to the levy of such charges.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it orders the levy and collection of such charges within City of Modesto Shackelford Landscape and Lighting District for Fiscal Year 2018-19, and in each subsequent fiscal year in which the charges may validly be levied; that a certified copy of this resolution and **attached** documentation shall be delivered to the Auditor-Controller of the County of

Stanislaus for placement of such charges on the 2018-19 County Tax Roll, and in each subsequent fiscal year in which the charges may validly be levied.

BE IT FURTHER RESOLVED, that the diagram of said assessment district, **attached** hereto, and amount of levy thereon is hereby confirmed.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Madrigal, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Kenoyer, Madrigal, Ridenour, Zoslocki,
Mayor Brandvold

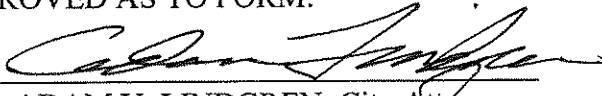

NOES: Councilmembers: None

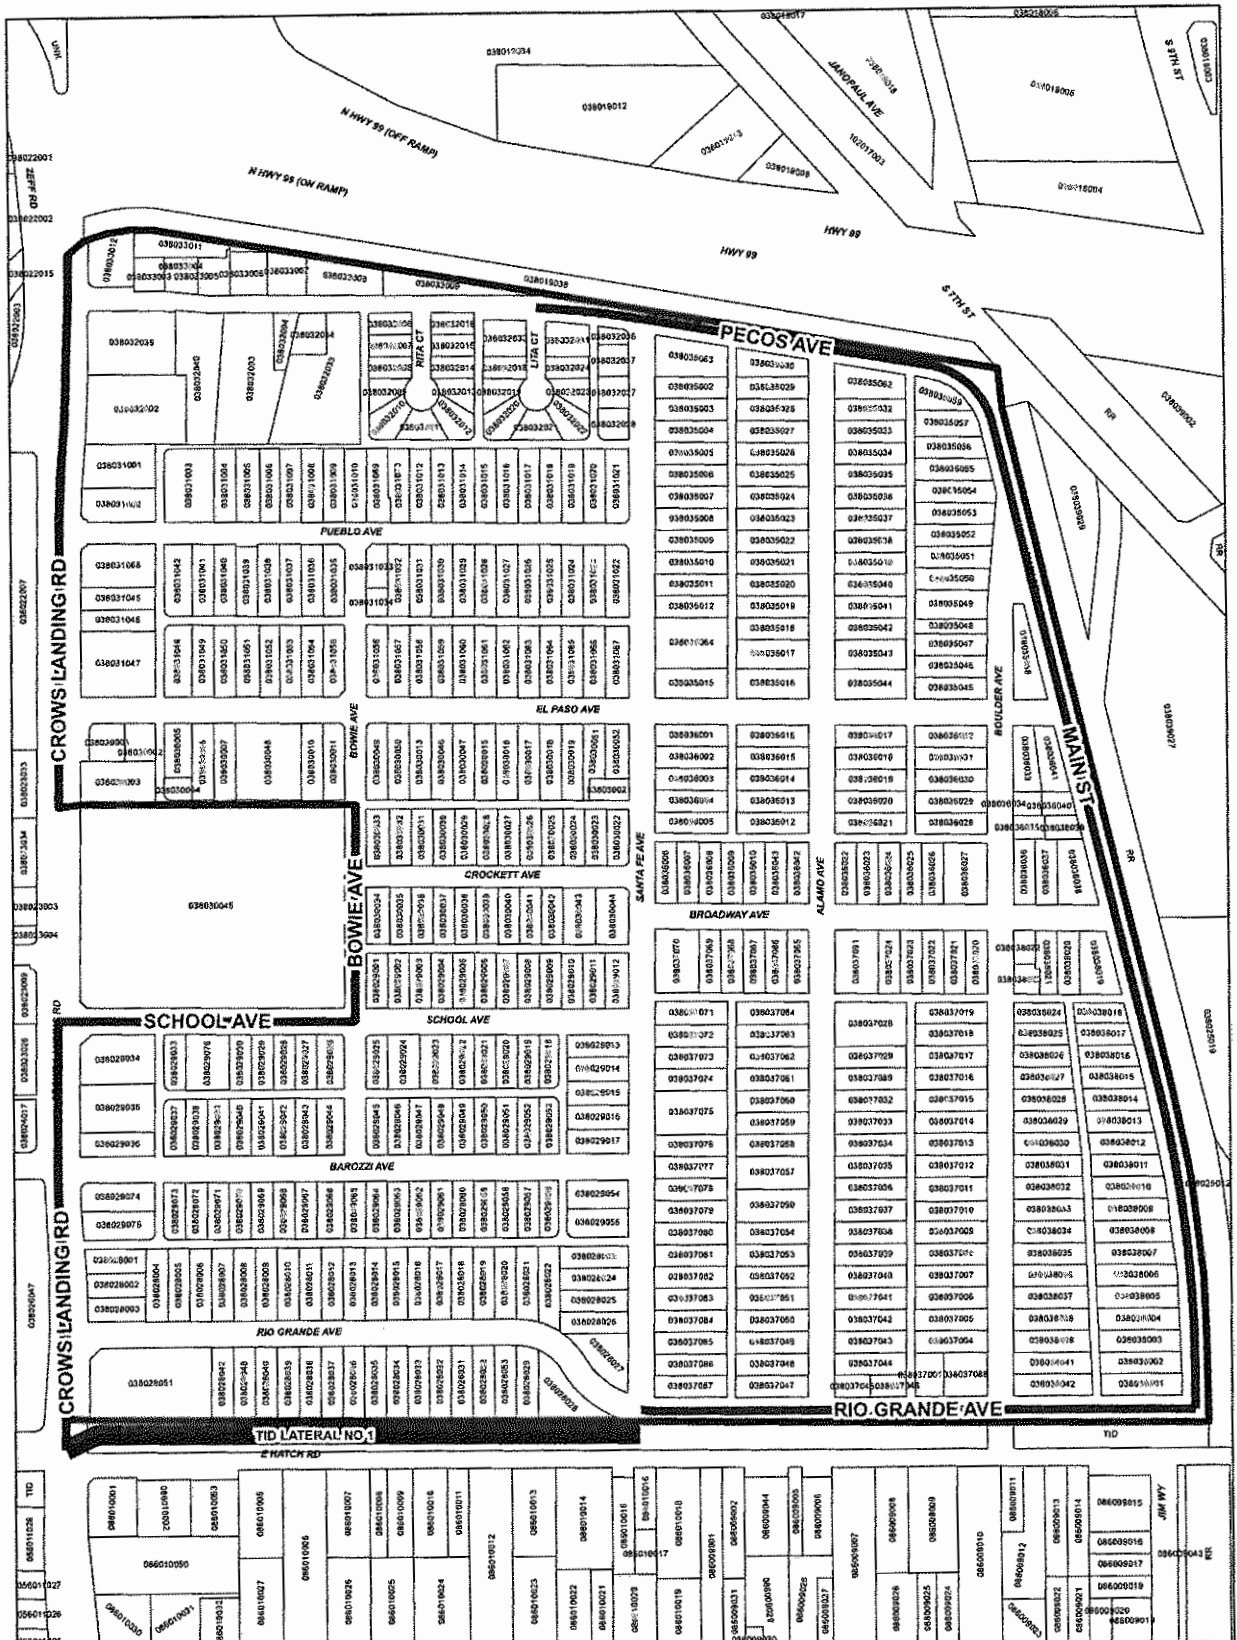

ABSENT: Councilmembers: Ah You, Grewal

ATTEST: 
STEPHANIE LOPEZ, City Clerk

SECTION I HISTORY

On June 29, 1999, the Shackelford Landscape and Lighting District ("Shackelford LLD") was formed in accordance with the Landscape and Lighting Act of 1972 (California Streets and Highway Code §22500 through §22679) ("the Act") to install and maintain streetlights to deter crime, promote traffic safety, and aid law enforcement officers. All costs for the Shackelford LLD are funded by the annual assessments levied on each property within the district. The Act requires several courses of action on the part of City staff and City Council prior to August 10th of each year.

The Act initially requires the City Council to order, prepare, and file an Engineer's Annual Report for the City Council. This report is prepared for the purpose of detailing the plans and specifications for the maintenance, operation, and servicing of the District, including, but not limited to the materials, equipment, labor, and administrative expenses. The following services maintain facilities and improvements provided by the District as a special benefit to the parcel owners within the District; the cost of the services is paid entirely by the assessments levied by the District:

- Payment to local utility company for monthly power costs of energizing street lights in the District
- Payment to local utility company for maintenance of street lights in the District that the utility company owns (usually those lights that are mounted on wooden poles)
- Maintenance provided by the City of Modesto for street lights in the District that are owned by the City of Modesto (usually those lights that are mounted on steel poles)

Upon City Council's approval of the Engineer's Annual Report, the City Council adopts a resolution declaring its intent to levy and collect assessments within the Shackelford LLD for the following fiscal year and schedules a public hearing. This public hearing and proposed resolution levying the proposed assessments is in accordance with the annual assessment procedures.

Finally, in compliance with the Act, the City Council conducts the public hearing and adopts certain resolutions in accordance with the California Streets and Highways Code §22625 through 22641. The City Clerk is required to give the Modesto Bee notice of the public hearing no less than ten (10) days prior to the scheduled hearing date. All interested persons are afforded the opportunity to be heard during the public hearing. Should there be any protests, whether written or oral, the City Council may choose to continue the hearing to a later date and/or may change any part of the Engineer's Annual Report to address the concerns of the property owner(s). The adopted resolution is then forwarded to the Auditor-Controller of the County of Stanislaus for placement of such charges on the upcoming year's County Tax Roll.

SECTION II ANNUAL ASSESSMENT REVIEW AND SUMMARY

A. PARCEL REVIEW

There are 493 residential parcels within the Shackelford LLD, unless otherwise determined.

B. ANNUAL ASSESSMENTS

Each parcel receives equal benefits from the Shackelford LLD. The annual assessment levied is calculated by dividing the total cost estimate by the total number of parcels within the Shackelford LLD.

The total annual assessment for the Shackelford LLD for Fiscal Year 2018-2019 is \$25,562.05. This is based on the amount needed for Fiscal Year 2018-19 based on projected expenses and fund balance.

C. PROJECTED ANNUAL ASSESSMENT SUMMARY

Residential Annual Assessment – 493 Parcels

\$25,562.05	Annual Assessment for Fiscal Year 2018-2019
÷ 493	# of Parcels
<hr/>	
\$ 51.85	Annual assessment per parcel

D. COMPARISON TO PREVIOUS FISCAL YEAR

The proposed 2018-2019 annual assessment for residential parcels has increased from \$39.39 to \$51.85 per parcel.

SECTION 3 FINANCIALS – ANNUAL ASSESSMENT REVENUE & EXPENSE PROJECTIONS

Shackelford LLD Fund 6470		Estimated FY 2017-18 ¹	Proposed FY 2018-19
Beginning Fund Balance		\$ 17,534	\$ 10,101
Revenues (Cost Center 80015)			
Account			
Special Assessments	47051	\$ 11,917 ²	\$ 25,582 ³
Interest Revenue on Bank Account	48010	\$ (1)	
<i>Estimated - Special Assessments</i>		\$ 7,943 ⁴	
Total Revenues		\$ 19,460	\$ 25,562
Expenses (Cost Center 80015)			
Account			
<i>Operating Budget</i>			
Postage Expenses	52025	\$ -	\$ (100)
Electricity Utility Expenses	53040	\$ (12,385)	\$ (23,500)
Services City Forces - Interfund	54500	\$ (2,198)	\$ (3,980)
<i>Estimated - Postage Expenses</i>	52025	\$ (100)	\$ -
<i>Estimated - Electricity Utility Expenses</i>	53040	\$ (11,115.00)	\$ -
<i>Estimated - Services City Forces - Interfund</i>	54500	\$ (1,097.36)	\$ -
Total Expenses		\$ (26,892)	\$ (27,580)
Ending Fund Balance		\$ 10,101	\$ 8,083 ⁵

¹ The estimated amount shows what has been expended as of 02-28-18. There may be more expenses posted for the fiscal year; these are shown as *Estimated*.

² Actual revenue received for FY 2017-18 tax levy.

³ Proposed levy for FY 2018-19.

⁴ Estimated revenues for second installment of FY 2017-18 tax levy.

⁵ Reserve funding equals 29.31% of Annual Operating Cost (50% is maximum allowable)

SECTION IV MAINTENANCE & PLAN SPECIFICATIONS

Plans and specifications are available for review in the Public Works Department, located at 512 Jefferson Street, Modesto, CA. For more information, contact Kelly Gallagher, Parks Operations Manager at (209) 524-2330.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-271**

**RESOLUTION AT THE REQUEST OF THE MODESTO BOARD OF
EDUCATION FOR THE PURPOSE OF SUBMITTING TO THE ELECTORS OF
THE MODESTO CITY SCHOOLS BOARD OF EDUCATION A PROPOSAL TO
AMEND SECTION 1500 OF THE CITY CHARTER TO CHANGE THE
ELECTION DATES FOR THE BOARD OF EDUCATION TO THE DATE OF
THE STATEWIDE GENERAL ELECTIONS HELD IN NOVEMBER OF EVEN-
NUMBERED YEARS AND PROVIDE FOR A ONE-TIME EXTENSION OF
EXISTING FOUR-YEAR TERMS FOR BOARD MEMBERS**

WHEREAS, in 2015, the California Legislature adopted and the Governor signed Senate Bill 415, the California Voter Participation Rights Act (“CVPR”), and

WHEREAS, the CVPR prohibits a school district from holding a regular election other than on a statewide election date, if holding an election on an odd-numbered year has previously resulted in voter turnout being at least twenty-five (25%) less than the average voter turnout for the previous four statewide general elections, and

WHEREAS, on December 11, 2017, the Modesto Board of Education adopted Resolution No. 17/18-10, requesting that the City, on its own motion, submit to voters a proposal to amend the Charter to transition School Board elections to November of even-numbered years to ensure compliance with the CVPR, and

WHEREAS, Article XV, Section 1500 of the Charter of the City of Modesto (“Charter”) vests the control, management and administration of the Modesto City School District of Stanislaus County and the Modesto High School District of Stanislaus County, jointly referred to as “Modesto City Schools” or “the District,” in the Modesto Board of Education (“the Board of Education”); and

WHEREAS, Section 1500 the Charter references the fact that all seven (7) members of the Board of Education are elected at regular municipal elections, and

although the City of Modesto will submit to voters in November a measure to transition all future regular municipal election dates to even-numbered years, to ensure that the District's elections also happen in November of even-numbered years it is necessary to seek an amendment to Section 1500 of the City Charter related to District Board of Education elections and when they occur, and

WHEREAS, Article XI, Section 3 of the California Constitution and Government Code Section 34458 provide that the governing body of a city, on its own motion, may submit a proposal to amend its charter to voters, and

WHEREAS, Article IX, Section 16 (b) of the California Constitution establishes that city charter amendments changing the manner in which members of boards of education are elected must be submitted to and approved by a majority of all of the qualified electors of the school district, not just the qualified electors of the City, and

WHEREAS, pursuant to Elections Code Section 1415(a)(2), the City, on its own motion, may submit to voters a proposal to amend the Charter to comply with federal or state voting rights laws at the next statewide primary election, and

WHEREAS, while Section 1604 of the Charter requires the City to review the Charter at least every ten (10) years, and while the City has established a charter review committee to assist it with such review, the City is authorized by Article XI, Section 3 of the California Constitution and Government Code Section 34458 to amend the Charter without convening a charter review committee, and

WHEREAS, if approved by the voters, this ballot measure would allow the Board of Education to ensure compliance with state law by moving its elections to November of even-numbered years, and

WHEREAS, the City Council, pursuant to Resolution 2018-55, called for a general municipal election to be held on and consolidated with the November 6, 2018 statewide general election and for the Stanislaus County Elections Department to conduct such election on behalf of the City of Modesto and the Modesto City Schools and therefore the Council now desires to include this measure on the ballot at said election on behalf of the Modesto City Schools Board of Education.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

1. Pursuant to Article XI, Section 3 and Article IX, Section 16 of the California Constitution, California Government Code Section 34458, and California Elections Code Sections 1415(a)(2) , the City Council of the City of Modesto proposes to and does hereby, by its own motion, submit to the qualified electors of the Modesto City Schools District, a proposal to amend Section 1500 of the Charter of the City of Modesto, at the municipal election to be held on November 6, 2018 as set forth below, and hereby designates and refers said proposal to be set forth in the form of a ballot measure as hereinafter prescribed for use at said municipal election:

PROPOSED AMENDMENT TO THE CHARTER OF THE CITY OF

MODESTO

Municipal Election

November 6, 2018

The Council of the City of Modesto hereby proposes, on its own motion, to amend Section 1500 of the Charter of the City of Modesto as follows:

MEASURE _

SECTION 1500. - BOARD OF EDUCATION.

The control, management and administration of the public schools of the City of Modesto, and the territory that is now or may hereafter be annexed thereto for school purposes, in accordance with the Constitution and general laws of the State of California, are hereby vested in a Board of Education. In all matters not specifically provided for in this article, the Board shall be governed by the provisions of the general law relating to such matters and shall be vested with all the powers and charged with all the duties provided by the laws of the State for city boards of education. The Board of Education shall be the governing body of the Modesto City School District of Stanislaus County and the Modesto High School District of Stanislaus County.

The Board of Education shall consist of seven (7) members who may receive compensation pursuant to the applicable provisions of the Education Code of the State of California. The Board of Education shall select a method of election for its members, by resolution, including but not limited to trustee or at large, in accordance with Chapter 1, Part 4, Division 1, Title 1 of the California Education Code, or any succeeding statute. The members of the Board of Education shall hold office for a period of four (4) years from and after the ~~first Tuesday following the Regular Municipal Election California Statewide Election on the first Tuesday after the first Monday in November of each even numbered year~~ at which they are elected and continuing until their successors are elected and have qualified. Each Board of Education member term commencing in 2015 shall be extended one year to December 2020 and each member term commencing in 2017 shall be extended one year to December 2022.

No person shall be eligible to be nominated for or to hold office as a member of the Board of Education unless the person is and shall have been for at least thirty (30) days preceding the person's nomination or appointment a resident and registered elector of the school district or districts which are under the jurisdiction of the Board of Education.

Note: Any wording stricken would be deleted by this measure. All of the above wording which is underlined would be added by this measure.

2. On the ballots to be used at said election, in addition to any other matter required by law to be printed thereon, shall be printed the following question:

MEASURE __

To increase voter participation and to conform with State law, shall the City of Modesto Charter be amended to (1) hold future Modesto City Schools Board of Education elections in November of even-numbered years to coincide with State/Federal elections, and; (2) allow for a one-time, one-year extension of the terms of current Board of Education members?	Yes	<input type="radio"/>
	No	<input type="radio"/>

3. The City Council hereby orders the City Clerk to submit the proposed charter amendment to the voters of the Modesto City Schools Board at a the regular Municipal Election on November 6, 2018.

4. Pursuant to Elections Code section 12101 et seq., the City Clerk of the City of Modesto is hereby authorized to prepare all required notices related to the ballot measures and to publish such notices as required by law in *The Modesto Bee*, the official newspaper of said City and a newspaper of general circulation printed and published in said City.

5. The Stanislaus County Elections Department is hereby authorized to canvass the returns of the Municipal Election related to this measure.

6. The City Clerk is hereby directed to file a certified copy of this resolution with the Board of Supervisors and the Elections Department of the County of Stanislaus, and the City Clerk shall certify to the passage and adoption of this resolution and enter it into the book of original resolutions.

7. Pursuant to Elections Code Section 9280, the City Clerk is hereby directed to transmit a copy of the ballot measure to the City Attorney, who is hereby directed to prepare an impartial analysis of the measure showing the effect of the measure on existing law and the operation of the measure.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Madrigal, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-272**

RESOLUTION APPROVING A THIRD AMENDMENT TO THE AGREEMENT WITH ARAMARK UNIFORM SERVICES, MODESTO, CA, FOR THE FURNISHING OF UNIFORM AND LAUNDRY SERVICES, TO INCREASE THE CONTRACT AMOUNT BY \$30,000 FROM \$1,000,000 TO \$1,030,000, AND EXTENDING THE TERM OF THE AGREEMENT FROM JUNE 30, 2018, TO JULY 31, 2018; AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE THIRD AMENDMENT

WHEREAS, Article 22 of the Memorandum of Understanding (MOU) between the City of Modesto and Modesto City Employees Association (MCEA) requires the City to provide uniform and laundry services for Non-Sworn City employees, and

WHEREAS, in addition to the above article, the City is required to provide coveralls, pants, and rain gear for employees, dependent upon classification, and

WHEREAS, on August 14, 2012 by Resolution 2012-321, Council approved an agreement with Aramark Uniform Services, Modesto, CA for the furnishing of uniform and laundry services for a 2 year agreement with 3 one-year extension options at the sole discretion of the City for an estimated annual cost of \$100,000 and a total cost of \$500,000 for the five year term of the agreement, and

WHEREAS, in December 2015, the City reached the five-year spending amount and the Purchasing Division increased the agreement from \$500,000 to \$800,000 without Council approval; In August 2017, once the \$800,000 limit was reached, an additional \$50,000 expenditure was authorized to ensure the uniform and laundry services continued, and

WHEREAS, on the December 12, 2017 Council meeting, Council approved, via Resolution 2017-529, the extension of the agreement to January 31, 2018 and payment of \$100,000 for the period of August 8, 2017 to January 31, 2018, and

WHEREAS, the Finance Department contacted Aramark and Aramark promptly completed an internal audit on the billed services to the City in which Aramark found that a credit was due back to the City in the amount of \$49,510 and a correction plan was identified to monitor the control of this agreement, and

WHEREAS, on the January 23, 2018 by Resolution No. 2018-48 Council approved the second extension of the agreement from February 1, 2018 to June 30, 2018 for an additional increase of \$50,000 which included the credit due to the City, and

WHEREAS, the City has completed the Request for Proposal for the new agreement but due to a recent protest the Finance Department needs additional time to review and respond to the protest; the City is requesting we increase this agreement an additional \$30,000 and extend the term of the Agreement to July 31, 2018.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the third amendment to the Agreement with Aramark Uniform Services, Modesto, CA, for the furnishing of uniform and laundry services, to increase the contract amount by \$30,000 from \$1,000,000 to \$1,030,000; and extending the term of the Agreement from July 1, 2018, to July 31, 2018.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is authorized to execute the Third Amendment, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Ridenour, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-273**

RESOLUTION APPROVING A GRANT AGREEMENT WITH THE SAN JOAQUIN VALLEY AIR POLLUTION CONTROL DISTRICT IN THE AMOUNT OF \$4,016,188 FOR FIVE PROTERRA BATTERY-ELECTRIC FAST-CHARGE ZERO-EMISSION PUBLIC TRANSIT BUSES AND THE INSTALLATION AND DEPLOYMENT OF EIGHT PROTERRA DEPOT CHARGERS, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE GRANT AGREEMENT

WHEREAS, in October 2015, the California Air Resources Board (CARB) released a notice to grantees to implement and administer Zero-Emission Truck and Bus Pilot Commercial Deployment Projects under the Air Quality Improvement Program (AQIP) and Low Carbon Transportation Greenhouse Gas Reduction Fund (GGRF) Investments, and

WHEREAS, this program was intended to help accelerate the deployment of a variety of commercially available medium and heavy duty zero-emission vehicles by placing a significant number of zero and near zero emission buses, and

WHEREAS, on January 26, 2016, by Resolution 2016-23, Council approved joining a multi-agency partnership to apply for grant funds under the CARB's Zero-Emission Bus Deployment Project, and

WHEREAS, on June 28, 2016, by Resolution 2016-278, Council accepted the grant award from the San Joaquin Valley Air Pollution Control District (SJVAPCD), and

WHEREAS, the matching funds for the purchase, management of the project, preventative maintenance and vehicle operations contract for the four year period of the grant's term totaling \$2,220,231 are made up of Federal Transit Administration (FTA) and Transportation Development Act (TDA) funds, and

WHEREAS, the battery electric buses will provide a cleaner fuel for providing public transportation around Modesto, and

WHEREAS, the City should see a fuel cost reduction by using battery electric buses in the fleet.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves a grant agreement with San Joaquin Valley Air Pollution Control District in the amount \$4,016,188, for five Proterra battery-electric fast-charge zero-emission public transit buses and the installation and deployment of eight Proterra depot chargers.

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to execute the Grant Agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2018, by Councilmember Madrigal, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-274**

RESOLUTION APPROVING AN AGREEMENT WITH FEHR AND PEERS, WALNUT CREEK, CA, FOR CONSULTANT SERVICES FOR THE SYSTEMIC SAFETY ANALYSIS REPORT PROJECT FOR \$183,240 FOR THE IDENTIFIED SCOPE OF SERVICES PLUS \$18,324 FOR ADDITIONAL SERVICES (IF NEEDED), FOR A TOTAL AMOUNT NOT TO EXCEED \$201,564, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the City is ready to begin work for the Systemic Safety Analysis Report Project, and

WHEREAS, in February, 2016 the State of California released guidelines for the Systemic Safety Analysis Report Program (SSARP), and

WHEREAS, the guidelines were developed in consultation with the California Highway Safety Improvement Program (HSIP) Advisory Committee, and

WHEREAS, the SSARP program represents a proactive approach focusing on evaluating roadway networks using a defined set of criteria to identify potential improvements to increase pedestrian and bicycle safety, and

WHEREAS, in March, 2016, staff submitted an application to the State of California, Department of Transportation requesting SSARP funds in the amount of \$225,000 with a local match of \$25,000 for the project, and

WHEREAS, on May 18, 2016, the State of California notified the City that out of 79 SSARP applications received, the City was one of 27 applicants selected to receive funding , and

WHEREAS, on July 5, 2017, by Resolution No. 2017- 269, Council approved the use of \$25,000 in Measure L funds to be used as local match funds for the City's Systemic Safety Analysis Report (SSAR) project, and

WHEREAS, on September 26, 2017, by Resolution No. 2017- 359, Council accepted the State Systemic Safety Analysis Report Program (SSARP) grant in the amount of \$225,000, and

WHEREAS, in accordance with Administrative Directive 3.1 staff solicited and formally advertised for a Request for Qualifications (RFQ) through Planet Bids for consulting services to perform a systemic analysis throughout the City and develop a Systemic Safety Analysis Report (SSAR), and

WHEREAS, four CEDD staff members rated each of the SOQ's based on the firms cover letter, qualifications and experience, project understanding, approach and proposed scope of work, organization and individual roles and responsibilities, and project schedule, and

WHEREAS, from the ratings of the five SOQ's that were received, the top two firms were invited for an oral interview, and

WHEREAS, the same four CEDD staff members rated the top two firms based on consultant presentation and responses to questions from the selection panel, and

WHEREAS, the scores from the SOQ and oral interview were added together and averaged, and

WHEREAS, through this process Fehr and Peers received the top score, and

WHEREAS, staff negotiated a final scope of services and cost proposal with Fehr and Peers.

NOW, THEREFORE BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves an agreement with Fehr and Peers, (Walnut Creek, CA) for consultant services for the Systemic Safety Analysis Report project, for \$183,240 for the

identified scope of services, plus \$18,324 for additional services (if needed), for a total amount not to exceed \$201,564.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is authorized to execute the agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2018-275**

RESOLUTION AMENDING SECTION 3 (COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAMS), SECTION 6 (HOUSING REHABILITATION PROGRAM), AND SECTION 14 (ENVIRONMENTAL REVIEW) OF THE HOUSING AND URBAN DEVELOPMENT POLICIES & PROCEDURES MANUAL

WHEREAS, the City has been a participating jurisdiction in the Community Development Block Grant (CDBG) Program of the U.S. Department of Housing and Urban Development (HUD) since the program was established by Congress in 1974, and

WHEREAS, HUD distributes federal CDBG funds to states, counties and urban cities to provide decent, safe, and sanitary housing; to provide suitable living environments, and to expand economic opportunities principally for low and moderate-income persons, and

WHEREAS, the City, as an entitlement community, receives approximately \$1.8 million in CDBG funds annually to support a range of eligible activities, from public services to public infrastructure improvements that benefit low- and moderate-income individuals, families and neighborhoods. Federal regulations governing the CDBG program are in Title 24 of the Code of Federal Regulations Part 570 (24 CFR 570), and

WHEREAS, in October 2016, the Council, by Resolution No. 2016-245, adopted a Housing & Urban Development Policies & Procedures Manual (HUD Manual), and

WHEREAS, Housing & Urban Development Policies & Procedures Manual were last updated on June 12, 2018 by Resolution 2018-215, and

WHEREAS, in order to align with current program guidelines and replace older program policies Section 3 (Community Development Block Grant Programs), Section 6

(Housing Rehabilitation Program), Section 14 (Environmental Review) needed to be updated, and

WHEREAS, The Citizen's Housing and Community Development Committee reviewed, approved and forwarded on June 14, 2018 the proposed amended Section 3, Section 6, and Section 14 of the HUD Policies and Procedures to the City Council for review and approval.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby amends Section 3 (Community Development Block Grant Programs) Section 6 (Housing Rehabilitation Program), and Section 14 (Environmental Review) of the Housing and Urban Development Policies & Procedures Manual.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-276**

RESOLUTION APPROVING AN AMENDMENT INCREASING THE AGREEMENT AMOUNT WITH BANK OF AMERICA MERRILL LYNCH, FOR THE BANKING SERVICES BY \$51,034 FROM \$460,000 TO \$511,034, AND EXTENDING THE TERM OF THE AGREEMENT FROM JULY 31, 2018 TO JUNE 30, 2019 AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE TO EXECUTE THE AMENDMENT TO THE AGREEMENT

WHEREAS, on July 2, 2013, by Resolution 2013-247 the City Council awarded the banking services agreement to Bank of America based on its determination that the City's financial needs are best served by a full-service financial institution that provides day-to-day banking services in addition to a Direct Pay Letter of Credit (LOC) for its General Fund Lease Revenue Bonds, Series 2008 (Bonds), and

WHEREAS, on June 7, 2016 by Resolution 2016-243, the City approved a 3-year extension of the Letter of Credit for these Bonds at 60 basis points (0.60%) and a reduction in banking pricing modification by around 21% with Bank of America, and

WHEREAS, as part of the amendment to the Letter of Credit with Bank of America, Resolution 2016-242 Section 5 states that the City is authorized and directed to execute and deliver documents necessary to consummate the transactions authorized to carry out the terms and intent of this Resolution which would include the amendment to extend the term of the existing banking services agreement, and

WHEREAS, the Finance Department plans to issue a formal Request for Proposals in early September which will include both the banking services and LOC to utilize the most cost effective opportunities for the City, and

WHEREAS, Modesto Municipal Code section 8-3.204(d) states that where the Purchasing Manager, in his or her discretion, determines that a process other than the

formal proposal procedure set forth in Section 8-3.203 will result in a procurement for the City at the lowest possible cost commensurate with the desired quality, the purchase may be exempt from the formal bid process, and

WHEREAS, due to pricing required by a corresponding Letter of Credit contract with Bank of America that does not expire until June 30, 2019, the City requires to continue these banking services for the period July 31, 2018 through June 30, 2019 with Bank of America Merrill Lynch.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the amendment to the Agreement with Bank of America Merrill Lynch, increasing the contract amount for the banking services by \$51,034 from \$460,000 to \$511,034; and extending the term of the Agreement from July 31, 2018, to June 30, 2019.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to execute the amendment to the agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

FISCAL YEAR 2017-18

COMMUNITY AND ECONOMIC DEVELOPMENT

A budget adjustment is necessary to recognize \$291,038 of unbudgeted Department of Transportation (Caltrans) revenue in the Capital Grants Capital Improvement Project Fund, Fund 3160, to the Right Turn Lane W B D Street at Northbound 9th Street Capital Improvement Project, #100728, and reallocates funding to Engineering/Design/Administration, Construction, Construction Administration and Contingency in expense as approved by Caltrans per the E-76.

A budget adjustment is necessary to recognize \$178,962 of unbudgeted Department of Transportation (Caltrans) revenue in the Streets Capital Facility Fee Fund, Fund 3410, to the Right Turn Lane Southbound McHenry Ave to Westbound Briggsmore Avenue Capital Improvement Project, #100632, and reallocates funding to Engineering/Design/Administration, Construction, Construction Administration and Contingency in expense as approved by Caltrans per the E-76.

A budget adjustment is necessary to recognize \$64,500 of unbudgeted revenue related to Annexation Fees for the CFD No. 2018-1 (Woodglen) fund, Fund 3216 and reallocate the funds to the cost center operating expense budget to cover expenses for the current fiscal year.

A budget adjustment is necessary to increase the Village One #2 CFD fund, Fund 3290 expense budget by \$90,000 to pay for outstanding invoices in the current fiscal year. The expenses in this fund have come in higher this year due to unanticipated costs related to utilities and staff time. The increase in budget will be covered by Fund 3290 reserves.

PUBLIC WORKS

A budget adjustment is necessary to increase the Fleet Management Fund, Fund 5400 expense budget by \$200,000 to pay for outstanding invoices in the current fiscal year. The expenses in this fund have come in higher due to increased fuel and repair/maintenance on equipment and vehicle costs. The increase in budget will be covered by Fund 5400 reserves.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-278**

**RESOLUTION APPROVING A SECOND AMENDMENT TO THE AGREEMENT
WITH YOSEMITE COMMUNITY COLLEGE DISTRICT AND THE COUNTY
OF STANISLAUS FOR THE CONTINUED OPERATIONS OF THE REGIONAL
FIRE SCIENCE TRAINING CENTER IN FISCAL YEAR 2018-19**

WHEREAS, the Regional Fire Science Training Center (RFTC) operates under a joint use and management agreement between the City, County of Stanislaus (County), and the Yosemite Community College District (District), and

WHEREAS, the original 20-year agreement was for the construction, maintenance and operation of the facility and expired in 2012, and

WHEREAS, a successor agreement was approved in 2014 for the maintenance and operation of the facility for three years, an amendment was approved in 2017 to extend the 2014 agreement through June 30, 2018, and

WHEREAS, the participating agencies are seeking approval of a second amendment to the agreement that will allow the local network to continue use and operation of the RFTC for the 2018-19 fiscal year with an expiration date of June 30, 2019, and

WHEREAS, sufficient funds are budgeted in the Fiscal Year 2018-19 department operating budget, and

WHEREAS, the amendment will allow participating agencies to continue normal operations of the facility while also discussing the future of the partnerships and the facility.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an amendment to the agreement with Yosemite Community College District and the County of Stanislaus for the continued operations of the Regional

Fire Science Training Center in Fiscal Year 2018-19.

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to execute the amendment, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-279**

RESOLUTION APPROVING A THIRD AMENDMENT TO THE AGREEMENT WITH DU-ALL SAFETY, INC. TO CONTINUE PROVIDING REGULATORY SAFETY TRAINING TO THE CITY THROUGH JANUARY 1, 2019 AND TO INCREASE THE AMOUNT BY \$100,000 TO AN AMOUNT NOT TO EXCEED \$328,902, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE TO EXECUTE THE AGREEMENT

WHEREAS, in January of 2012 the City entered into a contract with Du-All Safety Consulting to perform mandatory safety training for all department divisions, and

WHEREAS, in February of 2012 the City amended the original agreement to increase the contracted amount to expand the scope of work, and

WHEREAS, on January 23, 2018, by Resolution 2018-53, Council approved a second amendment to the agreement with Du-All Safety with a term to expire September 30, 2018 and an amount not to exceed \$228,902, of which \$165,902 was to ratify past expenditures, and

WHEREAS, at this time, the City has been utilizing Du-All Safety to provide some regulatory training, and

WHEREAS, the City has identified the need for continued safety training, the need to renew a full Request for Proposals (RFP) for Safety Training and Consultation Services and a need to establish a dedicated safety officer to administer a comprehensive city-wide safety program, and

WHEREAS, Du-All is familiar with City operations and policies and is able to provide departments with timely regulatory safety training ensuring the City remains compliant with mandatory federal and state training requirements, and

WHEREAS, the current Council approved contracted amount is reaching the approved limit and the City has an immediate need for continued Safety Consulting and Training, and

WHEREAS, this amendment will authorize the necessary funds to continue to provide mandatory training without interruption until proposal and selection process is closed and completed.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves a third amendment to the agreement with Du-All Safety, Inc. to continue providing regulatory safety training to the City through January 1, 2019 and to increase the amount by \$100,000 to an amount not to exceed \$328,902.

BE IT FUTHER RESOLVED, that the Interim City Manager, or designee, is hereby authorized to execute the contract, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-283**

RESOLUTION AMENDING THE POSITION ALLOCATION FOR FISCAL YEAR 2018-19 AS ADOPTED IN THE OPERATING BUDGET TO REALLOCATE TWO (0.5) ADMINISTRATIVE OFFICE ASSISTANTS IN THE HUMAN RESOURCES DEPARTMENT TO ONE (1) SAFETY OFFICER IN THE HUMAN RESOURCES DEPARTMENT

WHEREAS, a Position Allocation was adopted by Council on June 12, 2018, as part of the Annual Budget for Fiscal Year 2018-2019, and

WHEREAS, classification studies are conducted to ensure that a classification system is equitable and consistent within an organization and that positions are correctly classified, and

WHEREAS, per Personnel Administrative Order 2.2-87-12, a classification study may be conducted in response to a reclassification request, to develop/revise a classification specification, or to assist in a reorganization, and

WHEREAS, classification studies were conducted by Human Resources to determine appropriate classification, and

WHEREAS, position changes will be effective the pay period in which August 1, 2018 falls, (Pay Period beginning August 6, 2018).

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Position Allocation and the Fiscal Year 2018-19 Operating Budget for various departments as follows: Reallocate two (0.5) Administrative Office Assistants in the Risk Management Division of the Human Resources Department to one (1) Safety Officer in the Risk Management Division of the Human Resources Department.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-284**

RESOLUTION APPROVING THE AWARD OF BID FOR THE PURCHASE OF TWO ARTICULATING LOADERS WITH CLAW BUCKETS TO VOLVO CONSTRUCTION EQUIPMENT AND SERVICES, TURLOCK, CA FOR A TOTAL COST NOT TO EXCEED \$184,532 AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE, TO ISSUE A PURCHASE ORDER

WHEREAS, two articulating loaders with claw buckets are replacement units and will be used by the Public Works Department, Green Waste and Community Forestry Divisions, and

WHEREAS, both pieces of equipment in these divisions are 2010 model years and have been seeing very high maintenance costs over the past two years resulting in increased downtime and inefficiency, and

WHEREAS, with funds already collected, approved and allocated in the budget adoption for Fiscal Year 2016-2017 for the purchase of replacement units, staff is seeking to award the bid to Volvo Construction Equipment and Services, Turlock, CA for a total cost of \$184,532, and

WHEREAS, all bids had detailed bid specifications posted on Planet Bids per the City's purchasing guidelines and prospective bidders were notified online of the bid opportunity, and

WHEREAS, the City received five completed bids and all bids received were compliant per bid specifications, and

WHEREAS, Sonsray Machinery, Stockton, CA provided the lowest overall bid of \$183,240, however, their bid included an annual subscription fee of \$4,800 for diagnostic software which is a critical component of this equipment purchase. Volvo Construction

Equipment and Services, provided the next lowest bid of \$184,532, an annual subscription fee of \$1,000, and an approximate cost savings of \$38,000 over the 10 year life of the equipment, and

WHEREAS, funding for these pieces of equipment was collected, approved and allocated in the Fiscal Year 2016-2017 budget for the purchase of these replacement units through the Internal Service Fund (ISF) via straight line depreciation over the life of the equipment, and

WHEREAS, sufficient funds for two articulating loaders with claw buckets have been encumbered in the Fleet Replacement Fund: 5409-53246-57003.

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the purchase of two articulating loaders with claw buckets from Volvo Construction Equipment and Services, Turlock, CA for a total cost of \$184,532.

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is authorized to issue a purchase order for an estimated total cost of \$184,532.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2018-285**

RESOLUTION AUTHORIZING AN INCREASE OF THE DIRECTOR OF UTILITIES AUTHORITY TO ISSUE CHANGE ORDERS ON THE LITT ROAD IMPROVEMENT PROJECT FROM 8 PERCENT (\$122,687) TO 30 PERCENT (\$460,075) OF THE ORIGINAL CONSTRUCTION CONTRACT PRICE OF \$1,533,583 WITH MCFADDEN CONSTRUCTION INC., OF STOCKTON, CA, AND INCREASE STAFF BUDGET FROM \$138,022 TO \$194,559

WHEREAS, on January 15, 2018, by Resolution No. 2018-09, Council awarded a \$1,533,583.50 contract to McFadden Construction, Inc. for the construction of the Litt Road Improvement project, and

WHEREAS, the originally authorized construction administration budget was 8 percent (\$122,687), and

WHEREAS, additional change order work not included in the original bid needed to be added to the project to allow completion of the project, and

WHEREAS, the administrative and field inspection costs associated with ensuring the additional change order work conforms to the City's standards of construction and quality.

NOW, THEREFORE BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes an increase in Director's Authority to issue change orders for the Litt Road Improvement project from 8 percent (\$122,687) to 30 percent (\$460,075) and increase staff budget from \$138,022 to \$194,559.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2018-286**

RESOLUTION APPROVING AN AGREEMENT WITH VALI COOPER AND ASSOCIATES OF EMERYVILLE, CA, FOR CONSTRUCTION MANAGEMENT AND INSPECTION SERVICES FOR THE STANDIFORD AVENUE PAVEMENT REHABILITATION PROJECT IN AN AMOUNT NOT TO EXCEED \$158,741, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT AND ANY AMENDMENTS UP TO A CUMULATIVE AMOUNT OF 10 PERCENT

WHEREAS, on March 13, 2018, by Resolution No. 2018-124, Council amended an approved list of projects including the Standiford Avenue Pavement Rehabilitation project to be funded with Measure L tax proceeds in Fiscal Year 2017-2018, and

WHEREAS, on June 26, 2018, by Resolution No. 2018-265, Council awarded a \$2,591,417 contract to DSS Company dba Knife River Construction of Stockton, CA for the construction of the Standiford Avenue Pavement Rehabilitation project, and

WHEREAS, Standiford Avenue Pavement Rehabilitation project begins at Dale Road and proceeds 3 miles east to approximately Sherwood Avenue, and

WHEREAS, due to the limited availability of the City's Construction Administration staff, staff recommends utilizing a consultant to provide construction management and inspection services for the construction phase, and

WHEREAS, the selection process followed the City's policy, Administrative Directive 3.1, Selection Procedures for Professional Consultants Who Provide Architectural & Engineering Services for Capital Projects, and

WHEREAS, for the construction management and inspection services, a Request for Proposals (RFP) was issued to the 3 on-call firms for construction management and inspection services for this project, and

WHEREAS, after careful review and evaluation by the selection committee, Consolidated CM was selected as the most qualified firm for the Project, and

WHEREAS, Vali Cooper and Associates demonstrated experience with multiple projects similar in scope and size, and

WHEREAS, Vali Cooper and Associates will be the main point of contact for all construction activities and reporting during this project.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves an agreement with Vali Cooper and Associates, for Construction Management and Inspection Services for the Standiford Avenue Pavement Rehabilitation project in an amount not to exceed \$158,740.90 for the identified scope of services.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to execute the Agreement, and is authorized to execute one or more amendments to this agreement in a cumulative amount up to 10 percent of the original agreement amount.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-288**

RESOLUTION APPROVING A SOLE SOURCE AGREEMENT WITH LABWORKS LLC, LEHI, UTAH, FOR ANNUAL MAINTENANCE SUPPORT FOR THE WATER QUALITY CONTROL LABORATORY, FOR TWO YEARS WITH THREE ONE-YEAR EXTENSION OPTIONS, FOR AN ANNUAL AMOUNT OF \$15,507 IN THE FIRST TWO YEARS AND SLIGHTLY INCREASING OVER THE FIVE YEARS, NOT TO EXCEED \$81,657 OVER FIVE YEARS, AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE, TO ISSUE THE PURCHASING AGREEMENT

WHEREAS, Labworks LLC is the sole provider for the maintenance support of the Laboratory Information Management System (LIMS) for the City's Water Quality Control (WQC) Laboratory, and

WHEREAS, LIMS allows the WQC Laboratory to evaluate both water and wastewater quality trends, prepare reports, and supply background data, and ensures that all samples provided to the WQC Laboratory are processed in accordance to all laws and regulations, and

WHEREAS, on January 7, 2014, by Resolution No. 2014-06, Council approved the award of proposal and contract for a LIMS for the Water and Wastewater Divisions to PerkinElmer Health Sciences, Inc./Labworks LLC, for an estimated initial cost of \$229,340 and a five year estimated cost of approximately \$296,455 including annual maintenance, and

WHEREAS, the five year term for this agreement ends July 31, 2018, and

WHEREAS, the WQC Laboratory has had Labworks in place since its purchase in 2014, and

WHEREAS, Labworks is easy to navigate and has user controls to prevent incorrect data names, and

WHEREAS, with the Labworks program, there are only three staff members that have the ability to create the data names; the previous program did not have these controls in place and staff found it difficult to retrieve the appropriate data when requested, and

WHEREAS, Labworks also allows for scheduling of sampling activities; once the schedule is set, it reoccurs at designated intervals, virtually eliminating human error that existed in the previous LIMS, and

WHEREAS, the replacement of the Labworks program would cost approximately \$300,000, require staff to re-customize the program, take a minimum of nine months to complete and need to be maintained as the City's permit requires ten years of data be available, and

WHEREAS, additionally, included in the new agreement with Labworks, LIMS is preparing to launch a new product that will allow online reads of information through a customer portal when off site, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid, and

WHEREAS, Staff recommends the award of agreement to Labworks LLC, should be exempt from the formal bidding process in accordance with Modesto Municipal Code 8-3.204(b) since they are the sole provider of maintenance program for Labworks, and

WHEREAS, MMC 8-3.204(b) provides that a purchase may be exempted from the City's formal bidding requirements where the Purchasing Agency's requirements can

be met solely by a single article or process and this purchase qualifies for exemption from formal bidding for that reason.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a sole source agreement with Labworks LLC, Lehi, Utah, for annual maintenance support for the Water Quality Control Laboratory, for two years with three one-year extension options, for an annual amount of \$15,507 in the first two years and slightly increasing over the five years, not to exceed \$81,657 over five years.

BE IT FURTHER RESOLVED the Purchasing Manager, or her designee, is hereby authorized to issue purchasing agreements.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-289**

**RESOLUTION ACCEPTING THE AIRPORT NEIGHBORHOOD SEWER
IMPROVEMENTS PHASE 2 PROJECT AS COMPLETE, AND ANNEXING
SAID IMPROVEMENTS INTO MODESTO MUNICIPAL SEWER DISTRICT
NO. 1**

WHEREAS, the Airport Neighborhood is an unincorporated, disadvantaged community located on the southeast side of the City of Modesto with 481 parcels that rely on septic systems for treatment of sewage, and

WHEREAS, the Airport Neighborhood's septic systems are failing and pose a threat to public health and groundwater, and

WHEREAS, the City owns and operates a sanitary sewer system adjacent to the Airport, and is prepared to provide sewer services to the Airport Community, and

WHEREAS, the County's Airport Neighborhood Sewer Improvements Phase 2 project installed the remaining sanitary sewer system throughout the area, for future service by the City of Modesto's Wastewater Collection and Treatment System, and

WHEREAS, a report has been filed by the Director of Utilities that the Airport Neighborhood Sewer Improvements Phase 2 Project has been completed dated April 17, 2018, and annexing said improvements into Modesto Municipal Sewer District No. 1.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Airport Neighborhood Sewer Improvements Phase 2 Project is hereby accepted as complete, and that the City Clerk is authorized to file a Notice of Completion with the Stanislaus County Recorder, and annexing said improvements into Modesto Municipal Sewer District No. 1.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-290**

RESOLUTION APPROVING A BLANKET WILL SERVE LETTER FOR 390 PARCELS IN THE AIRPORT NEIGHBORHOOD ADJACENT TO THE RECENTLY COMPLETED PHASE 2 SEWER IMPROVEMENTS, ALLOWING CONNECTION TO THE CITY OF MODESTO'S EXISTING SANITARY SEWER SYSTEM, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO APPROVE THE WILL SERVE LETTER

WHEREAS, the Airport Neighborhood is an unincorporated, disadvantaged community located on the southeast side of the City of Modesto with 481 parcels that rely on septic systems for treatment of sewage, and

WHEREAS, the Airport Neighborhood's septic systems are failing and pose a threat to public health and groundwater, and

WHEREAS, the City owns and operates a sanitary sewer system adjacent to the Airport Neighborhood and is prepared to provide sewer services to the Airport Neighborhood, and

WHEREAS, on December 13, 2011, by Resolution No. 2011-477, Council approved a Memorandum of Agreement with the County for City engineering staff to provide sewer design services for the project, and

WHEREAS, the Agreement required that Stanislaus County Public Works Department construct the Airport Neighborhood sewer improvements to City Standards, and

WHEREAS, a Measure M Sewer Advisory Vote was approved to allow City sewer extension in the Airport Community, and

WHEREAS, on June 28, 2016, by Resolution No. 2016-269, Council approved a Memorandum of Agreement with the County for City staff to provide engineering design

support services during construction of Phase 2 of the Airport Neighborhood Sewer Improvement Project and will serve 390 parcels, and

WHEREAS, per the Agreement, the County is to transfer ownership of sewer improvements upon Notice of Completion filed by the County and upon inspection and approval by the City, and

WHEREAS, the Phase 2 sewer improvements have been constructed and are ready to be serviced by the City, and

WHEREAS, residences of the 390 parcels will be allowed to connect to the City's sewer system, and

WHEREAS, the property owner will be required to pay connection fees and enter into an outside Service Agreement for their property.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the Blanket Will Serve letter for 390 parcels in the Airport Neighborhood adjacent to the recently completed Phase 2 Sewer Improvements and allows connection to the City of Modesto's existing sanitary sewer system.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to approve the Will Serve letter.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-291**

RESOLUTION APPROVING AN AGREEMENT WITH HDR, INC., FOR DAM BREACH ANALYSIS AND FLOOD INUNDATION MAPS FOR THE JENNINGS PLANT STORAGE PONDS IN AN AMOUNT NOT TO EXCEED \$91,990 FOR THE IDENTIFIED SCOPE OF SERVICES, PLUS \$9,199 FOR ADDITIONAL SERVICES (IF NEEDED), FOR AN ESTIMATED TOTAL COST NOT TO EXCEED \$101,189 AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the City has been directed by the California Division of Safety of Dams to prepare an Emergency Action Plan (EAP) for the Jennings Road Storage Ponds, and

WHEREAS, the EAP is required to follow federal guidelines and must include a dam breach inundation study, and

WHEREAS, these maps will reflect reasonable worst-case scenarios for catastrophic failure and breaching of the jurisdictional dam, and

WHEREAS, information from the study will be used for emergency plans contained in the City's EAP for the Jennings Road Storage Ponds, and

WHEREAS, Administrative Directive 3.1 allows for an accelerated selection process, if in the best interest of the City, where a consultant may be secured for specific projects to provide professional services, and

WHEREAS, in accordance with Modesto Municipal Code 8-3.2504(a) Exceptions to Formal Bidding Requirements, this agreement is for professional services and therefore, exempt from the bid requirement, and

WHEREAS, HDR, Inc. is familiar with the Jennings Plant facilities and assisted with the flood protection analysis section in the current 2016 Wastewater Master Plan effort.

NOW, THEREFORE, BE IT RESOLVED. by the Council of the City of Modesto that it hereby approves an Agreement with HDR Inc., Folsom, CA, for Dam Breach Analysis and Flood Inundation Mapping services for the Jennings Plant Storage Ponds in an amount not to exceed \$91,990, for the identified scope of services, plus \$9,199 for additional services, if needed, for a maximum total amount of \$101,189.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to execute the agreement in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2018-293**

**RESOLUTION VACATING AND DISPOSING OF THE CERTAIN UTILITY
EASEMENT LOCATED ON THE REAL PROPERTY KNOWN AS
STANISLAUS COUNTY ASSESSOR'S PARCEL NUMBERS 038-022-011 & 038-
022-013, AND AUTHORIZING THE CITY CLERK TO RECORD A CERTIFIED
COPY OF THIS RESOLUTION IN THE OFFICE OF THE STANISLAUS
COUNTY CLERK RECORDER**

WHEREAS, the City owns an utility easement (the "Existing Easement") located on that certain real property on Zeff Road in the City of Modesto known as Stanislaus County Assessor's Parcel Number(s) 038-022-011 & 038-022-013 (the "Property"); and

WHEREAS, the location of Existing Easement is further described and depicted in Exhibits "A" & "B", attached hereto in incorporated herein; and

WHEREAS, the Owner of the Property has agreed to grant the City a new sanitary sewer easement in a different location on the Property (the "New Easement"), and the location of the New Easement is more beneficial for the City than the location of the Existing Easement; and

WHEREAS, upon recordation of the New Easement, the Existing Easement will no longer be necessary and will be superseded by relocation; and

WHEREAS, the City Council has determined that the Existing Easement is unnecessary for present or prospective public use; and

WHEREAS, there are no public utility facilities in use on the Existing Easement, and the vacation of the Existing Easement is in the best interests of the City of Modesto; and

WHEREAS, pursuant to the provisions of Section 8330 *et seq.*, of the Streets and Highways Code, the City Council seeks to summarily vacate the Existing Easement.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Modesto as follows:

Section 1. Findings and Determinations.

The City Council hereby finds and determines that the above recitals are true and correct and have served as the basis, in part, for the findings and actions of the City set forth below.

Section 2. No present or prospective public use.

The Existing Easement described and depicted in **Exhibits “A” & “B”, attached** hereto and incorporated herein, is unnecessary for present or prospective public use and has been superseded by relocation.

Section 3. Vacation of Easement

Pursuant to Chapter 4 of Part 3 of Division 9 of the California Streets and Highways Code, the Easement is hereby summarily vacated and abandoned. From and after the date this resolution is recorded, the Existing Easement shall no longer constitute a public service easement.

Section 4. Notification

All entities having any right, title, or interest in the Existing Easement, if any, have been notified of this action.

Section 5. Certification

The City Clerk shall certify the adoption of this Resolution.

Section 6. Certification and Recordation of Resolution

BE IT FURTHER RESOLVED, that the City Clerk is hereby directed to record a certified copy of this Resolution in the office of the Stanislaus County Recorder pursuant to Streets and Highways Code section 8335.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-294**

RESOLUTION APPROVING AN EASEMENT FROM SOUTHWEST HIDE CO. AND MODESTO HOLDING CO. FOR A 15-FOOT WIDE SANITARY SEWER EASEMENT LOCATED AT 925 ZEFF ROAD (APN: 038-022-009), CONTAINING APPROXIMATELY 12,606 SQUARE FEET, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO SIGN THE CERTIFICATE OF ACCEPTANCE FOR THE SANITARY SEWER EASEMENT

WHEREAS, the City is making improvements to the Ceres Trunk Sewer Collection System, and

WHEREAS, the project is known as the Ceres Trunk Rehabilitation Project, and

WHEREAS, a part of the rehabilitation work will require a sanitary sewer easement associated with the project, and

WHEREAS, the property owner has agreed to grant to the City the required easement, and

WHEREAS, the City will install a 30" sanitary sewer trunk line in the easement.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the Sanitary Sewer Easement with Southwest Hide Company and Modesto Holding Company, for property located at 925 and Zeff Road (APN 038-022-009).

BE IT FURTHER RESOLVED that the Interim City Manager, or his designee, is hereby authorized to execute the Certificate of Acceptance.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-295**

RESOLUTION APPROVING A TWO-YEAR PURCHASING AGREEMENT FOR MATERIAL HAULING SERVICES TO DESTINATION ANYWHERE, TRACY, CA, AND CALIFORNIA MATERIALS INC., STOCKTON, CA, FOR AN ANNUAL COST NOT TO EXCEED \$291,600 AND \$72,900, RESPECTIVELY, FOR A TOTAL ANNUAL COST OF \$364,500, WITH THREE ONE-YEAR EXTENSION OPTIONS AND A TOTAL COMBINED COST NOT TO EXCEED \$1,900,846 OVER FIVE YEARS AND AUTHORIZING THE DIRECTOR OF FINANCE TO ADJUST AGREEMENT TOTALS BETWEEN VENDORS BASED ON CONTRACTOR'S AVAILABILITY AND DEPARTMENT'S NEEDS, ENSURING THE OVERALL TOTAL COST DOES NOT CHANGE AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE, TO ISSUE PURCHASE AGREEMENTS

WHEREAS, the Utilities and Public Works Departments require material hauling services for asphalt, dirt, asphalt grindings, rock, road base material and concrete, and

WHEREAS, sewer, water, and street construction operations generate large amounts of materials that must be transported to and from the jobsite and usually require multiple large tractor-trailer end dumps to haul the material away where it is stockpiled or disposed of, and

WHEREAS, material hauling services are also needed for the delivery of new materials to the jobsite, and

WHEREAS, city departments do not have the trucks or the staffing to haul large amounts of materials when needed, and

WHEREAS, the Storm Water Division, Collections Section uses contract haulers when replacing failing rockwells with horizontal drains, and

WHEREAS, the Interim City Manager authorized the Purchasing Division to issue formal Request for Bids (RFB) for Material Hauling Services, and

WHEREAS, on October 20, 2017, the Purchasing Division issued RFB No. 1718-11 for Material Hauling Services on the City's website, and

WHEREAS, prospective bidders were notified online of the bid opportunity and five companies chose to download the RFB document, and

WHEREAS, on November 21, 2017, bids were formally opened in the City Clerk's Office and four companies chose to respond and all provided responsive and responsible bids with no local responders, and

WHEREAS, to ensure continued services to the City, contracts shall be awarded to more than one contractor to provide for backup if the primary contractor is unable to meet the City's needs, and

WHEREAS, a secondary position contractor may be awarded a specific job if the primary contractor is unable to perform the service, if the primary contractor is unable to complete the specific job within the time frame required by the City, or lastly, if the primary contractor is unable to maintain acceptable quality standards required by the City, and

WHEREAS, based on providing responsive and responsible bids, staff recommends the award of bids for the furnishing of material hauling services for the Utilities and Public Works Departments, to the lowest bidder, Destination Anywhere, Inc., Tracy, CA, as "primary" contractor, and the second lowest bidder, California Materials, Inc., Stockton, CA, as "secondary" contractor, each for a two-year agreement with three one-year extension options at the sole discretion of the City, for a combined annual cost not to exceed \$364,500, and not to exceed \$1,900,846 over five years as shown on the **attached** cost abstract, and

WHEREAS, since the original bid authorization was initiated on August 22, 2017, for \$250,000, costs for material hauling have increased, resulting in all departments that utilize this agreement to increase their anticipated expenses, and

WHEREAS, the Wastewater Division, Collections Section has also developed a new method of replacing rockwells with horizontal drains which requires removing much more soil than previous methods, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid, and

WHEREAS, the award of a purchase order for Material Hauling Services to Destination Anywhere, Tracy, CA, and California Materials, Inc., Stockton, CA, conforms to the Modesto Municipal Code, 8-3.203.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a two-year purchasing agreement for material hauling services to Destination Anywhere, Tracy, CA and California Materials Inc., Stockton, CA, for an annual cost not to exceed \$291,600 and \$72,900 for a total annual cost of \$364,500, with three one-year extension options and a total combined cost not to exceed \$1,900,846 over five years.

BE IT FURTHER RESOLVED, that the Director of Finance is hereby authorized to adjust agreement totals between vendors based on contractor's availability and department's needs, ensuring the overall total cost does not change and authorizing the Purchasing Manager, or her designee, to issue purchase agreements.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-296**

RESOLUTION APPROVING AN UPDATE AND AMENDMENT TO THE FIRE PREVENTION USER FEES AND RESCINDING RESOLUTION NOS. 89-1166, 90-521A, 93-236, 2010-461, 2010-462, 2010-463, 2010-464, 2010-465, 2011-104 (EXHIBIT A, ATTACHMENT A - FIRE PREVENTION FEES PGS. A-29 THROUGH A-33 ONLY), AND 2014-286 FOR PLAN CHECKS ON NEW CONSTRUCTION OF LARGE FACILITIES CATEGORIZED AS S-1 AND S-2 OCCUPANCIES, ANNUAL INSPECTIONS, PERMITS, AND MISCELLANEOUS INSPECTIONS/ACTIVITIES

WHEREAS, Council has adopted various ordinances and resolutions authorizing the establishment of development user fees and non-development user fees, and

WHEREAS, Section 3-1.108 of the Modesto Municipal Code authorizes Council to establish Fire Prevention Division Fire Safety Plan Checking and Inspection fees, and

WHEREAS, the current development user fees and non-development user fees are set forth in City Council Resolution Nos. 89-1166, 90-521A, 93-236, 2003-446, 2010-461, 2010-462, 2010-463, 2010-464, 2010-465, 2011-104, and 2014-286, and

WHEREAS, development user fees and non-development user fees recover the cost of service delivery, primarily composed of staff time, and

WHEREAS, Council's direction has been "full cost recovery" in most cases, and

WHEREAS, in order to achieve self-sustaining services, fees must be adjusted periodically to reflect increases in cost for service, and

WHEREAS, Fire Prevention plan check fees are currently broken into five different categories: complete building, shell building, tenant improvement, sprinkler system, and fire alarm system, and are currently assessed based on square footage of the proposed structure, and

WHEREAS, on November 28, 2017, by Resolution No. 2017-459, Council approved to defer fees on S-1 and S-2 occupancies until a new fee analysis was conducted to establish an hourly rate, and

WHEREAS, development user fees have not been increased since 2014, and were largely based on the 2009 fee study conducted by Public Resource Management Group, and

WHEREAS, non-development user fees, with the exception of fireworks booth, have not been revised since their adoption, with many dating back to the late 1980s or early 1990s, and

WHEREAS, staff conducted an internal review of both Fire Prevention development user fees and non-development user fees, with the exception of existing commercial construction plan check fees, and

WHEREAS, Fire Prevention fees reviewed include: Annual State Mandated Inspections, Fireworks Booths, Mobile Food Vendors, Safety Inspections, Private Refueler Vehicles, Spray Booths, Water Flow, On-Site Fire Main, Fireworks Shoots, Underground and Aboveground Tanks, Hood Systems, Medical Gas Systems, Fire Alarm Inspections, Dance Permits, Re-Inspection Fee, and hourly rate for Jails/Detention Facilities and High Rise Occupancies, and

WHEREAS, the formulation used to arrive at the proposed fee rates are based on actual cost for performing the work, and

WHEREAS, the internally computed employee classification composite rates were reviewed and confirmed through the City's Finance and Budget Divisions, and

WHEREAS, average times per activity were based on a 2-year duration, and

WHEREAS, during the internal review of Fire Prevention fees activities for Residential Fire Sprinkler Inspections, Commercial Fire Sprinkler System Inspections (for Tenant Improvement activities), and an hourly rate for inspection of hospital facilities were identified as needing to be established, and

WHEREAS, Residential fire sprinklers became state mandated in one-and-two family dwellings in 2011, and

WHEREAS, an additional fee within the Fire Department identified as needing to be established was an Excessive False Alarm Fee for false alarm emergency calls on the third and subsequent calls within a 12 month period, and

WHEREAS, staff recommends an update to the fees schedule as shown in **“Attachment 1”**, and

WHEREAS, staff recommends including fees that were not reviewed into this Resolution as shown in **“Attachment 2”**, and

WHEREAS, staff recommends that activities with an hourly rate be billed in half-hour increments with a 1-hour minimum, and

WHEREAS, staff recommends that a deposit of \$2,000 be collected for plan check and inspection activities on S-1 and S-2 occupancy plan submittals, and

WHEREAS, staff further recommends that all Fire Prevention Development User Fees, which are included in the Development User Fees annual cost of living adjustments, using 4th quarter figures of the Department of Labor’s Employee Cost Index-Compensation Component for State and Local Government, by the Finance Committee and Council as described in Resolution Nos. 2011-106 and 2014-244 and

previously approved for Fire Prevention inclusion by Council under Resolution Nos. 2003-446 and 2014-286 continue to apply, and

WHEREAS, staff recommends that the new fees proposed for residential fire sprinkler system inspections, commercial fire sprinkler system inspections for tenant improvements, and plan check and inspection activities for S-1 and S-2 occupancies be included as Development User Fees, like their counterpart fees are.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the amendments to Fire Prevention development user fees and non-development user fees, per Section 3-1.108 of the Modesto Municipal Code.

BE IT FURTHER RESOLVED that the City of Modesto Council hereby:

1. Rescinds Resolution Nos. 89-1166, 90-521A, 93-236, 2010-461, 2010-462, 2010-463, 2010-464, 2010-465, 2011-104 (**Exhibit A, Attachment A - Fire Prevention Fees Pgs. A-29 through A-33 only**), and 2014-286.
2. Adopts the proposed amendments to the fees on the phase in schedule as shown in **Attachment 1** with no future Council action or review required to amend the fees over the next three (3) years until they are at 100% of proposed.
3. Approves that activities with an hourly rate be billed in half-hour increments with a 1-hour minimum.
4. Approves a deposit of \$2,000 be collected for plan check and inspection activities on S-1 and S-2 occupancy plan submittals.
5. Approves the new fees proposed for residential fire sprinkler system inspections, commercial fire sprinkler system inspections for tenant

improvements, and plan check and inspection activities for S-1 and S-2 occupancies shall be included as Development User Fees.

6. Approves any fees subject to annual cost of living increases under Resolution Nos. 2003-446 and 2014-286 to continue to apply.
7. Resolves that this resolution will serve as a comprehensive overview and reaffirmation of the pertinent provisions of the resolutions listed above for rescission and that any fees not being amended within the resolutions listed above be carried forward as-is, which are listed in **Attachment 2**.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Ridenour, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

NOES: Councilmembers: None

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-297**

**RESOLUTION APPOINTING JOSEPH P. (“JOE”) LOPEZ AS CITY
MANAGER, APPROVING A CITY MANAGER EMPLOYMENT AGREEMENT
WITH JOSEPH P. (“JOE”) LOPEZ FOR SERVICE AS CITY MANAGER,
SETTING TERMS OF EMPLOYMENT, SALARY AND BENEFITS, AND
AUTHORIZING THE MAYOR TO EXECUTE THE AGREEMENT**

WHEREAS on July 5, 2017, by Resolution No. 2017-265, Council appointed Mr. Lopez as Interim City Manager following the departure of the former City Manager on March 31, 2017; and

WHEREAS, Mr. Lopez has successfully served the City as Interim City Manager for the past 11 months; and

WHEREAS, Council selected the leading search firm CPS HR Consulting to conduct a national search for a permanent City Manager; and

WHEREAS, Mr. Lopez applied for the position, was screened by CPS HR Consulting and interviewed by the City Council; and

WHEREAS, following the selection process, Council reported out of closed session that it had given instructions to negotiate an employment agreement with Mr. Lopez to serve as permanent City Manager.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby appoints Joseph P. (“Joe”) Lopez as City Manager, approving a City Manager Employment Agreement with Joseph P. (“Joe”) Lopez for service as City Manager, and setting terms of employment, salary and benefits as shown in the **attached** Employment Agreement.

BE IT FURTHER RESOLVED, that the Mayor is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Grewal, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

**CITY OF MODESTO
EMPLOYMENT AGREEMENT
JOSEPH P. LOPEZ**

INTRODUCTION

This Employment Agreement (this "Agreement") is made and entered into this 10th day of July, 2018, by and between the **CITY OF MODESTO**, a municipal corporation, ("Employer" or "City") and **JOSEPH P. LOPEZ**, an individual ("Employee" or "Lopez"), both of whom agree as follows:

SECTION 1: TERM

Consistent with Section 800 of the Modesto Charter, Employee is appointed for an indefinite term.

SECTION 2: DUTIES AND AUTHORITY

Employer agrees to employ Lopez as City Manager to perform the functions and duties specified in the Modesto Charter and the California Government Code, and to perform other legally permissible and proper duties and functions.

SECTION 3: COMPENSATION

- A. Base Salary: Employer agrees to pay Employee an annual base salary of Two Hundred Fourteen Thousand Three Hundred and Seventy Six Dollars (\$214,376), plus an education incentive as compensation for his Master's Degree in the amount of an additional One and One-Half percent (1.5%) for total annual base salary of Two Hundred Seventeen Thousand Five Hundred and Ninety Two Dollars (\$217,592) payable in installments at the same time that the other employees of Employer are paid.
- B. Consideration shall be given on an annual basis to increase compensation following an annual performance evaluation as set forth in Section 12 of this Agreement.
- C. Employee shall be the highest paid employee of the City. The total annual base salary of Employee (base salary plus all educational incentives) shall remain at least One and One-Half percent (1.5%) higher than that of the next highest paid City employee (including, without limitation, the Chief of Police, the Fire Chief, and Charter Officers). In the event that the total annual base salary of the City's next highest paid employee increases, Employee's total annual base salary shall automatically be increased in the next pay period to maintain such separation.

SECTION 4: HEALTH, LONG TERM DISABILITY AND LIFE INSURANCE BENEFITS

- A. Employer agrees to provide health, vision, dental, long term disability and comprehensive medical insurance coverage for Employee and his/her dependents equal to that which is provided to all other unrepresented management employees of the City. Employer's contribution toward the premiums for said coverage shall be equal to that which Employer contributes to other non-sworn unrepresented management employees.
- B. Employer shall pay the amount of premium due for a term life insurance policy of Three Hundred Thousand Dollars (\$300,000). Employee shall name the beneficiary of the life insurance policy.

SECTION 5: VACATION, SICK, AND MANAGEMENT/EXECUTIVE LEAVE

The parties recognize the importance of taking regular time off. Accordingly, Employee is encouraged to take regular vacations and to utilize his management/executive leave on an annual basis.

- A. Employee shall accrue sick leave on an annual basis at the highest rate provided to non-sworn management employees up to a cap of eighty (80) hours. Upon assuming office, Employee shall be allowed to retain all the sick leave that he had previously accrued in his employment with Employer.
- B. Employee shall be provided with one (1) physical exam per year at Employer's expense.
- C. In the event Employee's employment is terminated, either voluntarily or involuntarily, Employee shall be compensated for all accrued vacation, and holiday leave.
- D. Employee shall receive one hundred and sixty hours (160) of vacation leave annually, which actual rate shall automatically be adjusted on his anniversary consistent with the policy for all unrepresented management employees. Upon assuming office, Employee shall be allowed to retain all the vacation leave that he had previously accrued in his employment with Employer. Employee shall accrue vacation up to a cap of one hundred sixty (160) hours.
- E. Employee shall on January 1st of each calendar year be credited with eighty (80) hours of executive/management leave, forty (40) hours of which shall be credited upon assuming office. Employee may cash out up to eighty (80) hours of unused leave in accordance with City policy.

SECTION 6: AUTOMOBILE ALLOWANCE

Employer agrees to pay to Employee, during the term of this Agreement and in addition to other salary and benefits herein provided, the sum of Six Thousand Dollars (\$6,000) per year, payable in equal monthly installments, as a vehicle allowance to be used to purchase, lease, or own and operate and maintain a vehicle. Employee shall be responsible for paying for liability, property damage, and comprehensive insurance coverage upon such vehicle and shall further be responsible for all expenses attendant to the purchase, operation, maintenance, repair, and regular replacement of said vehicle. Employer shall reimburse Employee at the IRS standard mileage rate for any business use of the vehicle beyond the greater Modesto area. For purposes of this Section, use of the car within the greater Modesto area is defined as travel to locations within a seventy-five (75)-mile radius of the Modesto City Hall.

SECTION 7: RETIREMENT

- A. Employer agrees to enroll Employee into the California Public Employees Retirement System ("CalPERS") in accordance with applicable CalPERS law.
- B. Employer shall provide a qualified 401(a) defined contribution plan offered through ICMA Retirement Corporation for Employee in the form of a money purchase plan to which Employee can contribute up to five percent (5%) of Employee's base salary. Employer shall match Employee's contribution up to a maximum of five percent (5%) of Employee's base salary.
- C. Employer agrees to pay an annual amount equal to one and one-half percent (1.5%) of Employee's base salary into an ICMA 457 deferred compensation plan. Employer shall match Employer's contribution.
- D. Employer shall continue to receive contributions to a Retiree Health Savings Account in the same amounts as provided to other Charter Officers of the City.
- E. Any or all of Employer and Employee contribution amounts designated in this Section are subject to change in the event that the City Council authorizes such change for Charter Officers of the City.

SECTION 8: GENERAL BUSINESS EXPENSES.

- A. Employer appreciates the importance of Employee's participation and leadership in leading professional organizations. In its discretion, Employer shall budget for and pay travel and subsistence expenses of Employee for professional and official travel, meetings, courses, institutes and seminars to continue his professional development and to adequately pursue necessary official and other functions on behalf of Employer, including but not limited to, the annual conference of the League of California Cities, the International City/County Management Association, California City Management Foundation, the Alliance for Innovation,

What Works Cities and such other regional, state, and local governmental groups and committees.

- B. Employer acknowledges the value of having Employee, at Employer's discretion, participate and be directly involved in local or regional clubs, associations and organizations necessary and desirable for Employee's continued professional participation, growth and advancement, and for the good of Employer. Accordingly, Employer shall pay for the reasonable membership fees and/or dues to enable Employee to become an active member in local civic clubs or organizations.
- C. In lieu of being provided with a cellular smartphone for City related matters, Employee shall receive a cellular smartphone stipend in the amount of \$150 per month.

SECTION 9: TERMINATION

- A. Employee is an at-will employee who shall serve at the pleasure of the City Council. The City Council may terminate Employee's employment at any time, subject to any restrictions in the City Charter, with or without cause. Nothing in this Agreement is intended to, or does, confer upon Employee any right to any property interest in continued employment or any due process rights of any kind.
- B. For the purpose of this Agreement, termination shall occur when the majority of the governing body votes to terminate the Employee at a duly authorized closed or open meeting.
- C. Employer may terminate this Agreement without cause and without payment of severance, by providing Employee written notice of Employer's intent to terminate Employee's employment with the City ("Notice of Termination"). The date of the termination shall not be less than the number of months that Employee is eligible for in severance, pursuant to Section 10 of this Agreement. The City Council's decision to provide Employee with the Notice of Termination at a duly authorized closed or open meeting shall satisfy Section 10(B) above.

SECTION 10: SEVERANCE

- A. In the event City terminates Employee's employment without cause and without Notice of Termination consistent with the provisions of Section 10, Employee shall be entitled to severance pay of a lump sum payment equal to six (6) months base salary during this Agreement. The severance under this Agreement shall be subject to the restrictions set forth in Government Code section 53260. Said payment of severance pay shall be conditioned upon Employee signing a waiver and release agreement forever releasing and waiving any and all claims against the City in a form acceptable to the City. Employee shall receive the severance payment in a lump sum payment minus all applicable deductions fifteen (15) business days after execution of the waiver and release agreement. Employee shall

not receive any severance payments if he resigns, is terminated for cause, or if a waiver and release agreement is not executed by the parties.

B. This provision does not confer any property rights on Employee, as he remains an at-will employee. The phrase "termination for cause" only pertains to Employee's eligibility for severance as described in this Section. A "termination for cause" for purposes of severance may include, but shall not be limited to, the following:

- i. Violation of any policies or procedures;
- ii. Failure to properly perform assigned duties;
- iii. Theft of City property;
- iv. Insubordination;
- v. Conviction of a felony or misdemeanor relating to Employee's fitness to perform assigned duties;
- vi. Unauthorized absence from employment;
- vii. Failure to maintain satisfactory working relationships with other employees or the public;
- viii. Improper use of City funds;
- ix. Unauthorized use of City property;
- x. Willful misconduct or malfeasance;
- xi. Any act of moral turpitude or dishonesty; and
- xii. Other failure of good behavior either during or outside of employment such that the Employee's conduct causes discredit to the City.

C. The parties acknowledge that pursuant to Section 800 of the Modesto City Charter Employee shall not be removed from office during or within a period of ninety (90) days next succeeding the election of a member of the Council.

D. Pursuant to Government Code section 53243.2, any cash settlement related to the termination of this Agreement received by Employee from Employer shall be fully reimbursed to City if Employee is convicted of a crime involving an abuse of his office or position as defined in California Government Code section 53243.4.

SECTION 11: RESIGNATION

In the event that Employee voluntarily resigns his position with Employer, Employee shall provide a minimum of sixty (60) days advance written notice unless the parties agree otherwise.

SECTION 12: PERFORMANCE EVALUATION

Annual performance evaluations are an important way for the City Council and the City Manager to ensure effective communications about expectations and performance. On or before August 31, 2018, and annually thereafter, City Council and Employee shall meet and establish performance standards for the position of City Manager to be used in the review and evaluation of the performance of the Employee in the following year. If either City Council or the City Manager requests it, a professional facilitator may be hired to

assist in the performance evaluation process. The City Council and Employee shall further establish a relative priority among those various standards to be reduced to writing. These standards shall be obtainable generally within the time limits as specified, and within the annual operating budgets and appropriations as provided. The achievement of these performance standards shall be considered part of Employee's performance duties. The 2018-19 performance standards shall be adopted in an open session amendment to this Agreement.

SECTION 13: HOURS OF WORK

It is recognized that Employee must devote a great deal of time outside the normal office hours on business for Employer, and to that end Employee shall be allowed to establish an appropriate work schedule.

SECTION 14: OUTSIDE ACTIVITIES

The employment provided for by this Agreement shall be the Employee's sole employment. Recognizing that certain outside consulting or teaching opportunities provide indirect benefits to Employer and the community, Employee may elect, with the prior written approval of the Mayor, and written notification to the full Council, to accept limited teaching, consulting or other business opportunities with the understanding that such arrangements shall not constitute interference with nor a conflict of interest with his responsibilities under this Agreement.

SECTION 15: RESIDENCY

Employee currently resides in the City.

SECTION 16: INDEMNIFICATION

Employer shall provide for the defense of Employee in any action or proceeding alleging an act or omission within the scope of Employee's employment in accordance with California Government Code sections 825, 995 et seq., and other applicable law. Notwithstanding anything to the contrary in this Agreement, in accordance with California Government Code section 825, subdivision (a), Employer reserves the right to not pay any judgment, compromise or settlement subject to that section until it is established that the injury arose out of an act or omission occurring within the scope of Employee's employment pursuant to this Agreement. Further, notwithstanding anything to the contrary in this Agreement, Employer reserves the right to refuse to provide for the defense of Employee for the reasons set forth in California Government Code section 995.2 or other applicable provisions of law. Any City funds provided for the legal criminal defense of Employee shall be fully reimbursed in accordance with California Government Code section 53243.1 if Employee is convicted of a crime involving an abuse of his office or position as defined in California Government Code section 53243.4.

SECTION 17: ABUSE OF OFFICE

Government Code sections 53243, 53243.1, 53243.2, and 53243.3 are incorporated by this reference as if fully set forth herein.

SECTION 18: OTHER TERMS AND CONDITIONS OF EMPLOYMENT

Employer, only upon agreement with Employee, shall fix any such other terms and conditions of employment, as it may determine from time to time, relating to the performance of Employee, provided such terms and conditions are not inconsistent with or in conflict with the provisions of this Agreement, the Modesto Charter or any other law.

Except as otherwise provided in this Agreement, Employee shall be entitled to the highest level of benefits that are enjoyed by other non-sworn management employees of Employer as provided in the Charter, Code, Personnel Rules and Regulations or by practice.

SECTION 19: NOTICES

Notice pursuant to this Agreement shall be given by depositing in the custody of the United States Postal Service, postage prepaid, addressed as follows:

EMPLOYER: City Clerk, City of Modesto, P.O. Box 642, Modesto, CA 95353
EMPLOYEE: Joseph P. Lopez, PO Box 583, Modesto, CA 95353

Alternatively, notice required pursuant to this Agreement may be personally served in the same manner as is applicable to civil judicial practice. Notice shall be deemed given as of the date of personal service or as the date of deposit of such written notice in the course of transmission in the United States Postal Service.

SECTION 20: GENERAL PROVISIONS

- A. Integration. This Agreement sets forth and establishes the entire understanding between Employer and Employee relating to the employment of Employee by Employer. Any prior discussions or representations by or between the parties are merged into and rendered null and void by this Agreement. The parties by mutual written agreement may amend any provisions of this Agreement during the life of this Agreement. Such amendments shall be incorporated and made a part of this Agreement.
- B. Binding Effect. This Agreement shall be binding on Employer and Employee as well as their heirs, assigns, executors, personal representatives and successors in interest.
- C. Effective Date. This Agreement shall become effective on June 27, 2018.
- D. Severability. The invalidity or partial invalidity of any portion of this Agreement will not affect the validity of any other provision. In the event that any provision

of this Agreement is held to be invalid, the remaining provisions shall be deemed to be in full force and effect as if they have been executed by both parties.

IN WITNESS WHEREOF the CITY OF MODESTO, a municipal corporation, has authorized the execution of this Agreement in duplicate by its Mayor and attestation by its City Clerk under authority of Resolution _____ adopted by the Council of the City of Modesto on the 10th day of July, 2018, and EMPLOYEE has caused this Agreement to be duly executed.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-298**

RESOLUTION APPROVING THE SUBMITTAL OF A FEDERAL GRANT APPLICATION TO THE ECONOMIC DEVELOPMENT ADMINISTRATION'S PUBLIC WORKS AND ECONOMIC ADJUSTMENT ASSISTANCE PROGRAM REQUESTING UP TO \$3 MILLION FOR FIBER OPTIC NETWORK INFRASTRUCTURE EXPANSION AND IMPROVEMENT, AND AUTHORIZING THE INTERIM CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE ALL DOCUMENTS RELATING TO SUBMITTING THE APPLICATION

WHEREAS, the City is seeking to expand its fiber infrastructure and has worked with Kimley Horn to complete a Fiber Infrastructure Master Plan, and

WHEREAS, the Fiber Infrastructure Master Plan has Identified an estimated cost of \$6,981,250 for Phase 1, and

WHEREAS, the Economic Development Administration solicits applications from applicants in rural and urban areas to provide investments that support construction, non-construction, technical assistance, and revolving loan fund projects under Economic Development Administration's Public Works and Economic Adjustment Assistance programs, and

WHEREAS, the proposed grant could fund up to \$3 million towards the City's project, and

WHEREAS, the Information Technology Department's Chief Information Officer (CIO) is exploring other funding sources to support the required match amount, and

WHEREAS, if the City is awarded the grant, staff will return to Council with an update as to potential funding sources for the match portion of the grant and any shortfall, and

WHEREAS, this effort for funding identification is to ensure this project has little

to no impact on the General Fund, and

WHEREAS, while appropriate funding sources for the City's match portion of the grant and any shortfall are being secured, staff has identified loans from the Public Educational Governmental (PEG) Fund 1321 of \$500,000 to \$1 million and from the Employee Benefits Fund 5510 of \$2.0 to \$2.5 million, and

WHEREAS, staff will work diligently over the coming months to secure the proper funding for the project with the goal of not using any of the loans above, particularly the Employee Benefit Fund.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that the City Council hereby authorize the Chief Information Officer to submit a grant application for the City's Fiber Infrastructure project to the Economic Development Administration.

BE IT FURTHER RESOLVED, that the Interim City Manager, or his designee, is hereby authorized to execute all steps needed for the grant application submission.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2018, by Councilmember Madrigal, who moved its adoption, which motion being duly seconded by Councilmember

Kenoyer, was upon roll call carried and the resolution adopted by the following vote:

MODESTO POLICE DEPARTMENT CANINE TRANSFER CONTRACT

This AGREEMENT made and entered into in the City of Modesto, State of California, this ___ day of ___, 2018, by and between the City of Modesto, a municipal corporation of the State of California, hereinafter referred to as "CITY", and Modesto Police Canine Association, hereinafter referred to as "ASSOCIATION". The CITY and the ASSOCIATION shall collectively be referred to as the "PARTIES".

Facts:

The ASSOCIATION purchased Joker, a Dutch Shepherd dog, from Vohne Liche Kennels, Banning, CA, on April 17, 2018, for approximately \$8,725, with the intent to donate him to the Modesto Police Department. Joker was placed with K-9 Officer Ryan Vander Tuig and was certified on July 10, 2018. ASSOCIATION would like to donate Joker to the CITY, for use as a police canine. Joker tested very well with the proper temperament and abilities for police work. ASSOCIATION is willing to relinquish ownership of the canine to the CITY.

This AGREEMENT is made with regard to the following recitals:

- A. CITY wishes to assume ownership and take possession of that certain canine named "Joker".
- B. ASSOCIATION wishes to donate the subject canine to CITY and to divest ownership of the above-referenced canine, subject to his right of redemption, and the CITY wishes to assume ownership and vicarious or direct liability for the subject canine.
- C. ASSOCIATION does hereby agree to relinquish all of its right, title and ownership interest in said canine whatsoever, effective upon CITY and ASSOCIATION's execution of this document. The ownership of said canine will be offered to the assigned canine handler after the canine has fulfilled a minimum of three years' service, upon retirement of the canine, or when the canine is taken out of service. If the assigned canine handler does not accept

ownership of the canine, the ASSOCIATION shall have the first right of refusal for the canine.

NOW, THEREFORE, in consideration of the matters contained in this AGREEMENT, it is mutually agreed as follows:

1. CITY does agree to assume ownership of the canine named "Joker", and to assume any and all risks, including, but not limited to, risk of injury or death to third persons, and to hold the ASSOCIATION, and its agents, officers, members, employees, and/or volunteers harmless from and save, defend and indemnify them against any and all liabilities, claims, losses, judgments, or damages from every cause, including but not limited to injury to person or property or wrongful death, including reasonable costs and expenses of defense of any judicial or administrative action, arising directly or indirectly out of any negligent or intentional act or omission of CITY relating to any acts of the subject canine named "Joker" after the date ownership of the canine is transferred pursuant to this AGREEMENT. That date of ownership is hereby fixed by agreement by and among the PARTIES hereto as being July 10, 2018.

2. CITY further agrees to assume all liability for risks and dangers relating to ownership of the subject canine named "Joker" on and after the aforementioned date, and to indemnify and hold ASSOCIATION harmless in the event that any legal or administrative action, whether by claim, demand or otherwise, is made by any person or entity as a consequence of or arising out of any event, act or disturbance involving the subject police canine on or after the date ownership is transferred. These hold harmless provisions shall extend to any direct or vicarious liability arising from any and all losses, liabilities, charges (including reasonable attorney fees and court costs), and any other expenses whatsoever which may arise in any manner after the CITY's assumption of ownership on the date of ownership identified herein.

3. CITY acknowledges that the foregoing AGREEMENT has been reviewed and understands that it is contractual in nature and understands each of its provisions.

IN WITNESS WHEREOF, the CITY OF MODESTO, a municipal corporation, has caused this Agreement to be executed in duplicate by its City Manager, or his designee, and attested by its City Clerk under authority of Resolution No. 2018-_____ adopted by the City Council of the City of Modesto on the 8th day of August, 2018.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-305**

RESOLUTION ACCEPTING DONATIONS OF POLICE CANINES VALUED UP TO \$25,000 FROM THE MODESTO POLICE CANINE ASSOCIATION FOR USE AS POLICE CANINES IN FISCAL YEAR 2018-19

WHEREAS, the Modesto Police Department has utilized working canines to assist officers with searches, apprehension of suspects, and to educate the public with canine demos, and

WHEREAS, over the last few years, the department has had six working canines, and

WHEREAS, since January 2017, the department has retired three of the six canines due to age, health, or ability to perform at an acceptable level and the department is in need of canines to maintain the Canine Unit to full capacity, and

WHEREAS, the Modesto Police Canine Association (MPCA) has graciously offered to donate viable canines purchased from various qualified kennels, in the 2018-19 Fiscal Year, and

WHEREAS, MPCA agrees to relinquish all rights, title and ownership interest in any donated canine, upon execution of the contract, and

WHEREAS, there is no fiscal impact to the City of Modesto.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves donations of police canines valued up to \$25,000 from the Modesto Police Canine Association for use as police canines in Fiscal Year 2018-19.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute any agreement of the donation, in a form approved by the City Attorney.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 8th day of August, 2018 by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-306**

**RESOLUTION AWARDING THE BID AND PURCHASE AGREEMENT FOR
JANITORIAL SUPPLIES TO CENTRAL SANITARY SUPPLY, MODESTO, CA,
FOR AN ANNUAL COST NOT TO EXCEED \$180,000 AND A TOTAL NOT TO
EXCEED AMOUNT OF \$900,000 OVER FIVE YEARS AND AUTHORIZING
THE PURCHASING MANAGER TO ISSUE THE PURCHASE AGREEMENT**

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Bids (RFB) for the purchase of janitorial supplies, and

WHEREAS, the Purchasing Division issued RFB No. 1718-33 Janitorial Supplies to fourteen prospective bidders, and posted the RFB on the City's website, and

WHEREAS, bids were formally opened in the City Clerk's Office. Six companies chose to respond, two of which were local vendors, and

WHEREAS, all six companies provided responsive and responsible bids, and

WHEREAS, based on providing the lowest responsive and responsible bids, City staff recommends the award of bid for the purchase of janitorial supplies for the City of Modesto to Central Sanitary Supply, Modesto, CA, for a two-year agreement with three one-year extension options at the sole discretion of the City, for an estimated annual cost not to exceed \$180,000 and a total not to exceed amount \$900,000 over five years, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of bid for the purchase of janitorial supplies for the City of Modesto, to Central Sanitary Supply, Modesto, CA, conforms to Modesto Municipal Code 8-3.203, and

WHEREAS, funds are allocated in Fiscal Year 2018-19 for the purchase of janitorial supplies in the following Appropriation Units: 5800-52120-52150; 0100-52010-

52150; 0100-18610-53150; 0100-19490-52150; 4100-45010-53150; 4100-45060-53150;
4210-44314-52150; 4210-44010-52150; 1700-53130-52300; 4700-14940-52150; 4540-
53244-52150; and 4310-55312-52150, and

WHEREAS, any expenses over what the departments have budgeted will be paid out of their Appropriation C discretionary budgets.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the award of bid for the purchase of janitorial supplies to Central Sanitary Supply, Modesto, CA, for an estimated annual cost not to exceed \$180,000 and a total not to exceed amount of \$900,000 over five years.

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is hereby authorized to issue the purchasing agreement.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 8th day of August, 2018 by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-307**

**RESOLUTION APPROVING INDUSTRIAL AND WASTE HAULER USER FEES
FOR THE COST OF SERVICES FOR PERMITTING AND OVERSIGHT
DURING THE PERMIT TERM**

WHEREAS, the Wastewater Division, Environmental Services, permits, inspects, and monitors discharges from industrial and waste hauler users to ensure compliance with Federal and State Law, and

WHEREAS, in addition, Environmental Services ensures that discharges of hazardous or toxic material do not compromise employees, the public's health and welfare, or damage the City's collection and treatment systems, and

WHEREAS, Environmental Services provides immediate response for any industrial or commercial incident that a business may experience and currently these operations are funded through sewer rates, and

WHEREAS, increases in industrial pretreatment program regulatory requirements and recent Pretreatment Compliance Inspection audits by the Environmental Protection Agency have mandated the City perform additional monitoring, reporting and oversight of all permitted industries, and

WHEREAS, additional resources will be necessary to conduct the additional monitoring, sampling, analysis, data review, document preparation and retention, and

WHEREAS, to facilitate these additional expenditures, the City is allowed under MMC 5-6.401(e) to charge a permit fee: *"Permit fees and any other associated fees may be collected by the City in an amount adopted from time to time by City Council resolution,"* and

WHEREAS, currently the City does not collect Permit Fees to cover the cost of the Pretreatment Program, and

WHEREAS, staff hired Black Water Consultants to assist in researching and developing the proposed administrative fee, and included the cost of services for the following program elements: New User Identification, Permit Management, Inspection and Reporting, Sampling and Monitoring Billing, and Local Limits Management, and

WHEREAS, based on the recommendations for these costs of services to develop and issue permits, Environmental Services is proposing the following new permit costs:

Table – 1 Permits Subject to an Administrative Fee

Permit Type	Permit Term	Proposed Permit Fee	Permit Fees of other Agencies
Major Significant Industrial User , Permit,	5-Years	\$2,500	\$5,023 High \$1,988 Avg. \$100 Low
Minor Significant Industrial User , Permit	5-Years	\$1,500	
Waste Hauler Tier 1 (Annual Discharge > 1.5 Million Gallons)	2-Years	\$200	\$1,015 High \$405 Avg. \$100 Low
Waste Hauler Tier 2 (Annual Discharge > 0.5 Million Gallons < 1.5 million Gallons)	2-Years	\$150	
Waste Hauler Tier 3 (Annual Discharge < 0.5 Million Gallons)	2-Years	\$100	

WHEREAS, on January 10, 2018, the Economic Development Committee accepted the Environmental Services report proposing to host two stakeholder meetings regarding the proposed permit fees as shown in Table – 1, and

WHEREAS, the purpose of the stakeholder meetings was to inform stakeholders of the proposed fees, the fees of other agencies, permits which would be subject to a fee and the proposed fee duration, and

WHEREAS, invitations were sent to all permitted industries to attend the first meeting, which was held on March 13, 2018 and seven people attended; the following comments received from stakeholders were received: *'We have no objections to the proposed 5-year Permit fees'* and *"In the future, people may ask for justification in terms of numbers rather than statements that expenses were growing."* and

WHEREAS, on April 19, 2018, the second meeting was held to address these comments and 11 people attended; stakeholders were provided with a breakdown of labor hours (included in the Technical Memorandum) necessary to perform the various elements of the Pretreatment Program, and

WHEREAS, stakeholders were informed that permit fees, if approved, would be prorated to reflect the current permit term, and

WHEREAS, stakeholders did not have any further comments regarding the proposed fees and were satisfied with staff's response, and

WHEREAS, the proposed fees will cover the cost associated with permit issuance that are not captured in the current sewer rates.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto hereby approves industrial and waste hauler user fees for the cost of services for permitting and oversight during the permit term.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 8th day of August, 2018 by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-308**

RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS FOR THE LAKEWOOD NEIGHBORHOOD STREET IMPROVEMENTS PROJECT, ACCEPTING THE BID, AND AWARDING A CONSTRUCTION CONTRACT TO AMERICAN PAVEMENT SYSTEMS, INC. OF MODESTO, CALIFORNIA, IN THE AMOUNT OF \$2,202,576 AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE TO EXECUTE THE AGREEMENT

WHEREAS, in November of 2016 the voters of Stanislaus County approve the county wide, 25-year, half-cent sales tax increase known as Measure L, and

WHEREAS, on July 5, 2017, by Resolution 2017- 269, Council approved a list of proposed projects including the Lakewood Street Improvements project to be funded with Measure L tax proceeds in Fiscal Year 2017-18, and

WHEREAS, on March 13, 2018, by Resolution No. 2018-124, Council amended the approved list of projects to be funded with Measure L tax proceeds in Fiscal Year 2017-2018 and necessary budget adjustments. The amendment to the list of projects allocated \$649,758 to the Lakewood Neighborhood Street Improvements project, and

WHEREAS, plans and specifications have been prepared for the Lakewood Street Improvements project, and City staff recommends approval by the City Council, and

WHEREAS, the project was advertised for bids on May 1, 2018, bids were publicly opened at 11:00 a.m. on May 22, 2018 pursuant to Modesto Municipal Code 8-3.403 and Charter Section 1307 and two responsive bids were received, and

WHEREAS, the proposed award of bid to American Pavement Systems, Inc., of Modesto, CA conforms to Modesto Municipal Code section 8-3.403 and Modesto Charter Section 1307 and is the lowest responsive and responsible bidder, and

WHEREAS, the Director of Community and Economic Development has recommended that the bid of \$2,202,576.62 received from American Pavement Systems, Inc., of Modesto, be accepted as the lowest responsible and responsive bid and the contract be awarded to American Pavement Systems, Inc.

NOW, THEREFORE BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the plans and specifications for the Lakewood Neighborhood Street Improvements project, accepts the bid and awards a construction contract to American Pavement Systems, Inc. of Modesto, California, in the amount of \$2,202,576 for the Lakewood Neighborhood Street Improvements project.

BE IT FURTHER RESOLVED, that the City Manager, or his designee, is hereby authorized to execute the contract, in a form approved by the City Attorney.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 8th day of August, 2018 by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2018-309**

**RESOLUTION AMENDING THE FISCAL YEAR 2017-2018 CAPITAL
IMPROVEMENT PROJECT (CIP) BUDGET AND ESTABLISHING THE
MEASURE L MAINTENANCE OF EFFORT TRANSFER FOR PROJECT
#101037 IN THE AMOUNT OF \$375,000 FOR THE LAKEWOOD
NEIGHBORHOOD STREET IMPROVEMENTS PROJECT**

WHEREAS, the Lakewood Neighborhood Street Improvements project will consist of rubberized cape seal, restriping, and ADA ramp upgrades to Sonoma Avenue from Scenic Drive to Laramie Drive, Lakewood Avenue from Scenic Drive to Laramie Drive and neighborhood streets within Sonoma Avenue, Laramie Drive, Lillian Drive and Scenic Drive, and

WHEREAS, in November 2016, the voters of Stanislaus County approved the county wide, 25-year, half-cent sales tax increase known as Measure L, and

WHEREAS, on July 5, 2017, by Resolution No. 2017-269, Council approved a list of projects including the Lakewood Neighborhood Street Improvements project to be funded with Measure L tax proceeds in Fiscal Year 2017-18, and

WHEREAS, on March 13, 2018, by Resolution No. 2018-124, Council approved an amendment to the list of project funded with Measure L proceeds of which allocated an additional \$649,758 to the Lakewood Neighborhood Street Improvements project, and

WHEREAS, the project was advertised for bids on May 1, 2018 and bids were opened May 22, 2018 with the lowest bidder 9.31% above the engineer's estimate, and

WHEREAS, the Maintenance of Effort funds of \$521,505 for Measure L in FY 2017-18 has not been allocated and are available to use, and

WHEREAS, on June 7, 2018 staff recommended to the Citizens Transportation Sales Tax Commission the allocation of \$375,000 of the \$521,505 Maintenance of Effort

funds available for FY 2017-18 to fund the additional costs for the Lakewood Neighborhood project, and

WHEREAS, the Fiscal Year 2017-18 Capital Improvement Program Budget for Project #101037 – Lakewood Neighborhood Street Improvements must be amended by \$375,000 with a transfer from Measure L Maintenance of Effort fund to the project and allocation of funds to the projects expense budget.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby amends the Fiscal Year 2017-2018 Capital Improvement Project (CIP) revenue and expense budget for project #101037 in the amount of \$375,000 to continue the project.

RESOLUTION NO. 2018-310**

RESOLUTION APPROVING AN AGREEMENT WITH VALI COOPER AND ASSOCIATES OF EMERYVILLE, CA, FOR CONSTRUCTION MANAGEMENT AND INSPECTION SERVICES FOR THE LAKEWOOD NEIGHBORHOOD STREET IMPROVEMENTS PROJECT FOR \$159,033, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT AND ANY AMENDMENTS UP TO A CUMULATIVE AMOUNT OF 15 PERCENT

WHEREAS, On March 13, 2018, by Resolution No. 2018-124, Council amended an approved list of projects including the Lakewood Neighborhood Street Improvements Project to be funded with Measure L tax proceeds in Fiscal Year 2017-2018, and

WHEREAS, Lakewood Neighborhood Street Improvements Project consists of rubberized cape seal, restriping, and ADA ramp upgrades to Sonoma Avenue from Scenic Drive to Laramie Drive, Lakewood Avenue from Scenic Drive to Laramie Drive and neighborhood streets within the boundary of Sonoma Avenue, Laramie Drive, Lillian Drive and Scenic Drive, and

WHEREAS, due to the limited availability of the City's Construction Administration staff, staff recommends utilizing a consultant to provide construction management and inspection services for the construction phase, and

WHEREAS, the selection process followed the City's policy, Administrative Directive 3.1, Selection Procedures for Professional Consultants Who Provide Architectural & Engineering Services for Capital Projects, and

WHEREAS, for the construction management and inspection services, a Request for Proposals (RFP) was issued to the 3 on-call firms for construction management and inspection services for this project, and

WHEREAS, after careful review and evaluation by the selection committee, Consolidated CM was selected as the most qualified firm for the Project, and

WHEREAS, Vali Cooper and Associates demonstrated experience with multiple projects similar in scope and size, and

WHEREAS, Vali Cooper and Associates will be the main point of contact for all construction activities and reporting during this project.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves an agreement with Vali Cooper and Associates, for Construction Management and Inspection Services for the Lakewood Neighborhood Street Improvements Project for \$159,033.00 for the identified scope of services.

BE IT FURTHER RESOLVED, that the City Manager, or his designee, is hereby authorized to execute the Agreement, in a form approved by the City Attorney, and is authorized to execute one or more amendments to this agreement in a cumulative amount up to 15 percent of the original agreement amount.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 8th day of August, 2018 by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-311**

**RESOLUTION APPROVING A CONDITIONAL USE PERMIT FOR A
DIGITAL FREEWAY BILLBOARD LOCATED AT 4000 SALIDA
BOULEVARD**

WHEREAS, Modesto Municipal Code Section 10-6.108 (f)(3) allows a digital freeway billboard along State Highway 99 subject to a conditional use permit approval which requires a recommendation by the Planning Commission to the City Council and final approval by the City Council, and

WHEREAS, Outdoor Media LLC (Outdoor Media) applied for conditional use permit to install one digital freeway billboard on property located at 4000 Salida Boulevard, and

WHEREAS, after a public hearing, the Planning Commission on July 2, 2018, by PC Resolution No. 2018-06, recommended to the City Council approval of the conditional use permit for a digital freeway billboard on property located at 4000 Salida Boulevard, and

WHEREAS, said matter was set for a public hearing of the City Council to be held on August 8, 2018, in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California, at which date and time said duly noticed public hearing was held, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it finds and determines as follows:

1. The proposed conditional use permit is consistent with the objectives and requirements of Title 10 (Zoning Regulations) because the code allows digital freeway billboards along the state highway.

2. The proposed conditional use and the conditions under which it will operate are consistent with the General Plan because digital freeway billboards contribute to economic development through advertising.
3. The proposed conditional use will not be detrimental to the public health, safety, or welfare or materially injurious to uses, properties or improvements in the vicinity because the digital freeway billboard will be required to meet all applicable Zoning and Building Codes. The Zoning Code includes standards that will address the visual impacts of billboards by limiting the location and level of brightness.
4. The proposed conditions of approval will ensure compatibility with the surrounding uses because the digital freeway billboard will be required to operate in accordance to the City's Zoning Code which limits message movement, duration, and brightness.
5. The proposed digital freeway billboard will not create a hazard to vehicular or pedestrian traffic since the sign structure will not disrupt vehicular or pedestrian traffic flow on the site. Additionally, the sign is required to display only static messages and will have to meet brightness level and duration requirements that will minimize distraction to drivers on the highway or nearby streets.
6. The advertising on the digital freeway billboard will conform with the Outdoor Advertising Act in the California Business and Professions Code and other applicable state and federal rules and regulations. California Department of Transportation requires the applicant to obtain a permit from Office of Outdoor Advertising.
7. The digital freeway billboard will result in a public benefit to the City in the form of increasing aesthetics, safety and/or economic revitalization efforts for the City's commercial centers through signage. The public benefit outweighs any adverse impacts, such as light pollution or visual impact that might be caused by the advertising display. There is a community benefit from the removal of four non-digital billboards within the City's Sphere of Influence in exchange for the new digital freeway billboard, and through the provision of community advertising on the proposed digital billboard.

BE IT FURTHER RESOLVED by the Council that the digital freeway billboard at 4000 Salida Boulevard be approved subject to the following conditions:

1. All development shall conform to the plans from Outfront Media Labeled "Sign A" stamped and approved by the City Council.

2. The digital freeway billboard shall be located and operated in conformance to all requirements and limitations outlined in Section 10-6.108(f)(3)(iii) of the Modesto Municipal Code.
3. The Operating Agreement between the City of Modesto and Outfront Media for the digital freeway billboard at 4000 Salida Boulevard shall be executed prior to issuance of a building permit. The removal of the four billboards identified in the Operating Agreement shall be completed prior to the building permit being finalized.
4. Outfront Media shall obtain a permit from the California Department of Transportation Office of Outdoor Advertising prior to issuance of a building permit.
5. All existing underground and above ground utilities, irrigation, and electrical lines shall be protected, relocated, or removed as required by the City Engineer or designee.

Failure to comply with any of the above conditions is unlawful and will constitute grounds for revocation of the conditional use permit.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 8th day of August, 2018 by Councilmember Madrigal, who moved its adoption, which motion being duly seconded by Councilmember Kenoyer, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-312**

**RESOLUTION APPROVING AN OPERATING AGREEMENT WITH
OUTFRONT MEDIA LLC, FOR THE INSTALLATION OF A DIGITAL
FREEWAY BILLBOARD ON PROPERTY LOCATED AT 4000 SALIDA
BOULEVARD AND AUTHORIZING THE CITY MANAGER, OR HIS
DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, Modesto Municipal Code Section 10-6.108 (f)(3) allows a digital freeway billboard along State Highway 99 subject to a conditional use permit approval which requires a recommendation by the Planning Commission to the City Council and with final approval authority by the City Council, and

WHEREAS, Modesto Municipal Code Section 10-6.108 (f)(3)(iii)(c) allows for the applicant and City to enter into an operating agreement in conjunction with a conditional use permit for a digital freeway billboard with approval authority by the City Council, and

WHEREAS, Outdoor Media LLC (Outdoor Media) applied for conditional use permit to install one digital freeway billboard on property located at 4000 Salida Boulevard, and

WHEREAS, Outfront Media submitted an Operating Agreement in conjunction with a conditional use permit for a digital freeway billboard regarding the removal of four existing billboards and provisions regarding community messaging, and

WHEREAS, after a public hearing, the Planning Commission on July 2, 2018, by PC Resolution No. 2018-06, recommended to the City Council approval of the conditional use permit for a digital freeway billboard on property located at 4000 Salida Boulevard, and

WHEREAS, said matter was set for a public hearing of the City Council to be

held on August 8, 2018, in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California, at which date and time said duly noticed public hearing was held for the propose of considering the operating agreement for a digital freeway billboard on property located at 4000 Salida Boulevard, and

WHEREAS, the proposed operating agreement achieves community benefits by the reduction of four old and outmoded billboards and by providing the City community messaging on the new digital freeway billboard.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the operating agreement with Outfront Media for a digital freeway billboard on property located at 4000 Salida Boulevard, **attached** hereto and incorporated herein by reference.

BE IT FURTHER RESOLVED that the City Manager or designee is hereby authorized to execute said Operating Agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 8th day of August, 2018 by Councilmember Madrigal, who moved its adoption, which motion being duly seconded by Councilmember Kenoyer, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-313**

RESOLUTION FINDING THAT THE FOLLOWING SUBSEQUENT PROJECT IS WITHIN THE SCOPE OF THE PROJECT COVERED BY THE MODESTO URBAN AREA GENERAL PLAN MASTER ENVIRONMENTAL IMPACT REPORT (SCH NO. 2007072023): DIGITAL FREEWAY BILLBOARD LOCATED AT 4000 SALIDA BOULEVARD

WHEREAS, on October 14, 2008, by Resolution No. 2008-582, Council of the City of Modesto certified the Final Master Environmental Impact Report (“Master EIR”) (SCH No. 2007072023) for the Modesto Urban Area General Plan, and

WHEREAS, Outfront Media LLC (Outfront Media) has proposed freeway digital billboard located at 4000 Salida Boulevard, and

WHEREAS, pursuant to Section 21157.1 of the Public Resources Code, the City of Modesto’s Community & Economic Development Department prepared an Environmental Assessment Initial Study EA/C&ED 2018-09 (“Initial Study”) which analyzed whether the subsequent project may cause any significant effect on the environment that was not examined in the Master EIR and whether the subsequent project was described in the Master EIR as being within the scope of the report, and

WHEREAS, in accordance with CEQA guidelines beginning on July 19, 2018, the City caused to be published a 20-day notice of the City’s intent to make a finding that the subsequent project conforms with the Master EIR, and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing which was held on August 8, 2018, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Initial Study prepared for the proposed

freeway digital billboard located at 4000 Salida Boulevard, a copy of which is **attached** hereto and incorporated herein by reference, and based on substantial evidence in the Initial Study makes the following findings:

1. An Initial Study was prepared by the City of Modesto that analyzed whether the subsequent project may cause any significant effect on the environment that was not examined in the Master EIR and whether the subsequent project was described in the Master EIR as being within the scope of the report.
2. The subsequent project will have no additional significant effect on the environment, as defined in subdivision (d) of Section 21158 of the Public Resources Code, that was not identified in the Master EIR.
3. No new or additional mitigation measures or alternatives are required.
4. The subsequent project is within the scope of the project covered by the Master EIR.
5. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the subsequent project or otherwise made conditions of approval of the subsequent project.
6. No substantial changes have occurred with respect to the circumstances under which the Master EIR was certified, and no new information, which was not known and could not have been known at the time that the Master EIR was certified as complete, has become available.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Community & Economic Development Director is hereby authorized and directed to file a notice of approval or determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 8th day of August, 2018 by Councilmember Madrigal, who moved its adoption, which motion being duly seconded by Councilmember Kenoyer, was upon roll call carried and the resolution adopted by the following vote:

**RESOLUTION DENYING THE APPEAL OF UNIFIRST CORPORATION ON
BEHALF OF RANDY HOOVER TO A REQUEST FOR BID (RFP 1718-42)
DECISION AWARDED A UNIFORM AND LAUNDRY SERVICES CONTRACT
TO ARAMARK UNIFORM SERVICES**

WHEREAS, On June 4, 2018, the City staff sent the intent to award notices to all companies who submitted a proposal to inform them the bid would be awarded to Aramark Uniform Services pending City Council's approval, and

WHEREAS, UniFirst Corporation appealed this bid through the City's Purchasing Policies and Procedures by first appealing to the Purchasing Manager with their points of protest, and

WHEREAS, the Purchasing Manager responded to UniFirst Corporation's initial appeal via letter on June 18th, 2018, and

WHEREAS, UniFirst Corporation then provided a second letter of appeal to the Interim Deputy City Manager, as allowed by the City's Purchasing Policies and Procedures, on July 3rd, 2018 which was beyond the seven (7) working day requirement to respond to the Purchasing Manager's decision as laid out in Section 1, Procedure No. 5, C-2 of the City's Purchasing Policies and Procedures, and

WHEREAS, the Interim Deputy City Manager provided a response to the second letter of appeal from UniFirst Corporation on July 17th, 2018 which addressed all points of protest in the second letter of appeal, and

WHEREAS, UniFirst Corporation has now exhausted their final route of appeal by bringing forward a letter of appeal to the City Council against the award of RFP 1718-42 to Aramark, and

WHEREAS, this letter has been presented to City Council along with the staff recommendations to deny the appeal from UniFirst Corporation in accordance with the decisions provided by the Purchasing Manager and the Interim Deputy City Manager.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby denies the appeal of UniFirst Corporation on behalf of Randy Hoover to a Request for Bid (RFP 1718-42) decision that awards a uniform and laundry services contract to Aramark.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-315**

**RESOLUTION APPROVING A COOPERATIVE AGREEMENT
BETWEEN THE CITY OF MODESTO AND THE CALIFORNIA
DEPARTMENT OF TRANSPORTATION (CALTRANS) FOR THE
STATE ROUTE 132 WEST FREEWAY/EXPRESSWAY PHASE 1
PROJECT AND AUTHORIZING THE CITY MANAGER OR HIS
DESIGNEE TO EXECUTE THE AGREEMENT**

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (Project) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue; and

WHEREAS, on October 10, 2017, Council approved a Measure L Cooperative Agreement with StanCOG (StanCOG Cooperative Agreement) for the Plans, Specifications and Estimates stage of the Project, through which StanCOG has agreed to reimburse the City up to \$10 million for costs relating to the PS&E Phase of the Project; and

WHEREAS, on October 24, 2017, Council approved a Joint Powers Agreement with Stanislaus County (County) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its authority under State law to acquire real property for the purposes of acquisition services in support of the construction of the Project; and

WHEREAS, on February 27, 2018, Council authorized early acquisition of real property prior to Environmental Document approval, and delegated to Staff authority to acquire property up to certain specified amounts; and

WHEREAS, on June 12, 2018, Council approved increases in the amounts of delegated authority to acquire property for the Project; and

WHEREAS, Council has authorized a total of \$11,935,081 for right of way acquisitions, utilizing City of Modesto Capital Facilities Fees (CFF) funds, Federal Demonstration Program (DEMO) grant funds, and Stanislaus County Public Facility Fees (PFF) funds; and

WHEREAS, on March 2, 2018, the California Department of Transportation (Caltrans) approved the Environmental Document and selected Project Alternative 2; and

WHEREAS, Caltrans requires that the City of Modesto enter into the Cooperative Agreement prior to submitting a request for funding authorization to Caltrans; and

WHEREAS, the Cooperative Agreement sets forth the roles and responsibilities of the City and Caltrans with respect to the Project; and

WHEREAS, Caltrans requires execution of the Cooperative Agreement or they will be unable to continue to provide oversight for the project; and

WHEREAS, to avoid delays and potential loss of \$50 Million to \$60 Million in funding, Staff recommends that the City Council approve the Cooperative Agreement as presented by Caltrans,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Cooperative Agreement between the City of Modesto and the California Department of Transportation (Caltrans) for the State Route 132 West Freeway/Expressway – Phase 1 Project.

BE IT FURTHER RESOLVED, that the City Manager, or his designee, is hereby authorized to execute that agreement.

RESOLUTION NO. 2018-316**

RESOLUTION APPROVING A BASELINE AGREEMENT BETWEEN THE CITY OF MODESTO, THE CALIFORNIA TRANSPORTATION COMMISSION (CTC), THE CALIFORNIA DEPARTMENT OF TRANSPORTATION (CALTRANS) AND THE STANISLAUS COUNCIL OF GOVERNMENTS (STANCOG), FOR THE STATE ROUTE 132 WEST FREEWAY/EXPRESSWAY PHASE 1 PROJECT AND AUTHORIZING THE CITY MANAGER OR HIS DESIGNEE TO EXECUTE THE AGREEMENT

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (Project) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue; and

WHEREAS, on October 10, 2017, Council approved a Measure L Cooperative Agreement with StanCOG (StanCOG Cooperative Agreement) for the Plans, Specifications and Estimates stage of the Project, through which StanCOG has agreed to reimburse the City up to \$10 million for costs relating to the PS&E Phase of the Project; and

WHEREAS, on October 24, 2017, Council approved a Joint Powers Agreement with Stanislaus County (County) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its authority under State law to acquire real property for the purposes of acquisition services in support of the construction of the Project; and

WHEREAS, on February 27, 2018, Council authorized early acquisition of real property prior to Environmental Document approval, and delegated to Staff authority to acquire property up to certain specified amounts; and

WHEREAS, on June 12, 2018, Council approved increases in the amounts of delegated authority to acquire property for the Project; and

WHEREAS, Council has authorized a total of \$11,935,081 for right of way acquisitions, utilizing City of Modesto Capital Facilities Fees (CFF) funds, Federal Demonstration Program (DEMO) grant funds, and Stanislaus County Public Facility Fees (PFF) funds; and

WHEREAS, on March 2, 2018, the California Department of Transportation (Caltrans) approved the Environmental Document and selected Project Alternative 2; and

WHEREAS, Caltrans requires that the City of Modesto enter into the Cooperative Agreement prior to submitting a request for funding authorization to Caltrans; and

WHEREAS, the Trade Corridor Enhancement (TCE) Program, created by Senate Bill 1 (SB1), provides approximately \$300 Million annually for infrastructure improvements on federally designated Trade Corridors of National and Regional Significance, on the Primary Freight Network, and along other corridors that have high volume of freight movement; and

WHEREAS, in January 2018, StanCOG applied for \$30 Million of TCE for the Project, and

WHEREAS, at the California Transportation Commission (CTC) meeting on May 16-17, the CTC approved a list of projects recommended to receive TCE funds; and

WHEREAS, the SR-132 Project was amongst the list of winning projects and was recommended to receive \$21 Million in TCE funding, and

WHEREAS, under the CTC's Accountability and Transparency Guidelines, projects adopted into the TCE Program are required to execute a Baseline Agreement, and

WHEREAS, per those guidelines, the Baseline Agreement sets forth the agreed upon expected benefits, project scope, schedule, and cost, and provides a benchmark for comparison to the current status of the project for reporting purposes, and

WHEREAS, the Baseline Agreement also identifies the agencies responsible for meeting reporting requirements and, for locally implemented projects, identifies the responsibilities relative to the type and location of the project, and

WHEREAS, after execution by both StanCOG and the City of Modesto, the Baseline Agreement will go to the CTC for approval at their October 2018 meeting,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Baseline Agreement between the City of Modesto, the California Transportation Commission (CTC), the California Department of Transportation (Caltrans), and the Stanislaus Council of Governments (StanCOG) for the State Route 132 West Freeway/Expressway – Phase 1 Project.

BE IT FURTHER RESOLVED, that the City Manager or his designee to is here by authorized to execute the Baseline Agreement.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-317**

RESOLUTION APPROVING PURCHASE AGREEMENTS WITH VARIOUS VENDORS AS DEFINED UNDER ATTACHMENT A; APPROVING TERMINATION DATES FOR THE SERVICES STATED HEREIN; AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE, TO ISSUE THE IDENTIFIED ANNUAL PURCHASE AGREEMENTS TERMINATION DATES APPROVED BY COUNCIL

WHEREAS, On January 23, 2018 by Resolution No. 2018-49, 2018-50, 2018-51, 2018-52, 2018-53, and 2018-54, Council approved the modification and extension request of various purchasing agreements which exceeded City Council's authority, and

WHEREAS, City staff has continued to work diligently in monitoring all purchasing agreements and towards implementing recommendations to establish improvements with the City's purchasing controls, and

WHEREAS, the Finance Department has implemented bi-monthly purchasing training to educate City Staff about the standards which govern the City's purchases, including the City's Charter, Municipal Code, and the City Purchasing Manual, and

WHEREAS, the Finance Department has worked with the departments to address an extensive backlog of competitive bids that need to be completed and have been strategizing the best solution to ensure new agreements can be approved by the time existing agreements expire, and

WHEREAS, the Finance Department, via the Purchasing Division, has identified a number of agreements that require further time extensions (as shown in **Attachment A – Purchasing Agreement Extension Dates**), and

WHEREAS, the extension of these termination dates for existing agreements will not alter the dollar amount of said agreements nor the terms and conditions of the agreements.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the purchasing agreements with various vendors as **attached**; approving the extension of termination dates for the services stated herein.

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is hereby authorized to issue the identified Annual Purchase Agreements terms.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 8th day of August, 2018 by Councilmember Ridenour, who moved its adoption, which motion being duly seconded by Councilmember Ah You, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-318**

**RESOLUTION AMENDING THE FISCAL YEAR 2018-19 OPERATING
BUDGET IN THE AMOUNT OF \$100,000 TO BE TRANSFERRED FROM
WATER FUND RESERVES TO FUND THE RESPONSE TO THE STATE
WATER RESOURCES CONTROL BOARD 2016 BAY-DELTA PLAN
AMENDMENT & SUBSTITUTE ENVIRONMENTAL DOCUMENT**

WHEREAS, on September 15, 2016, the State Water Resources Control Board (SWRCB) released a revised Draft Substitute Environmental Document (SED) in support of Phase 1 of its Bay-Delta Water Quality Control Plan, which is over 1,850 pages, not including appendices, and

WHEREAS, the state proposes to take 40 percent of unimpaired flow from the Tuolumne River for fish and wildlife beneficial uses and salinity control, and

WHEREAS, this proposal will have a major impact to the existing water supplies and operations of the Don Pedro Reservoir, which is jointly operated by both MID and Turlock Irrigation District (TID) and the City's domestic water supplies, as the Tuolumne River is the source of Modesto's surface water, and

WHEREAS, water demands will not be sustainable under the Sustainable Groundwater Management Act, which was effective January 1, 2016, and

WHEREAS, on July 6, 2018, the SWRCB released a Final Draft Bay-Delta Plan Update for the Lower San Joaquin River and Southern Delta, and accepted public comments until July 27, 2018, and

WHEREAS, the City submitted comments, addressing the inadequacy of the Final Draft SED and serious continuing concerns about the proposed plan and environmental analysis, and

WHEREAS, once the SWRCB acts, parties wishing to challenge the decision will have only 30 days to file suit and it appears likely that the City will want to join the litigation against the SWRCB, and

WHEREAS, to prepare for a timely action, staff, including legal counsel, will need to review existing information, and further studies will need to be completed to fully estimate potential short term and long term economic, legal and environmental impacts of the proposed action to the City, and

WHEREAS, the requested action will provide funding for staff and legal counsel to review and prepare for timely action, and

WHEREAS, certain budgetary transactions are necessary in the amount of **\$100,000**, in order to fund all activities relating to our response to the State Water Resources Control Board 2016 Bay-Delta Plan Amendment & Substitute Environmental Document and City staff time in support of effort, and

WHEREAS, the Fiscal Year 2018-2019 Operating Budget must be amended as shown in **Exhibit A**, which is incorporated by reference herein.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the amendment of the Fiscal Year 2018-2019 Operating Budget as shown in **Exhibit A**, attached hereto.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to implement the provisions of this resolution.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 8th day of August, 2018 by Councilmember Grewal, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

This First Amendment to the Restated Legal Services (this "**First Amendment**"), is made and entered into on _____ day of _____ 2018 ("**Effective Date**"), by and between the **CITY OF MODESTO**, a California Municipal Corporation ("**City**"), and **ARATA, SWINGLE, VAN EGMOND AND GOODWIN**, a Professional Corporation ("**Attorney**"), located at 1207 I Street, Modesto, California 95354. City and Attorney are hereinafter collectively referred to as the "**Parties**," and singularly as "**Party**".

RECITALS

WHEREAS, City and Attorney entered into a Restated Legal Services Agreement ("**Agreement**") to provide legal advice, representation and assistance to City in defense of tort claims, as assigned; and

WHEREAS, Attorney is specially trained, experienced and competent to perform such services; and

WHEREAS, the public interest, economy and general welfare will be served by the Agreement; and

WHEREAS, City and Attorney desire to amend the Restated Agreement for further service by increasing the previously approved amount of fees from \$130,000 to \$255,000.

NOW, THEREFORE, it is hereby agreed that the Restated Legal Services Agreement between the City of Modesto and Arata, Swingle, Van Egmond and Goodwin dated December 12, 2017 authorized by Resolution No.2017-500, is amended as follows:

1. Section 2(a) of Paragraph 2, "Fees and Costs," Hourly Rates is amended to state as follows:

"The total of all fees paid to Attorney for the performance of all services set forth in Section 1 (hereafter the "**Service**"), and for all authorized Reimbursable Expenses (as defined hereafter), shall not exceed a total sum of two hundred and fifty-five thousand dollars (\$255,000)."

2. **Entire Agreement.** The parties to this First Amendment understand and agree that except as stated herein all terms and conditions of the original Agreement, dated December 12, 2017, remain in full force and effect to the extent they are not in conflict with this First Amendment. This document, including all exhibits, contain the entire amendment to the Agreement between the Parties and supersedes whatever oral or written understanding they may have had prior to the execution of this First Amendment. No alteration to the terms of this First Amendment shall be valid unless approved in writing by Attorney and by City, in accordance with applicable provision of the Modesto City Code.

3. **Authority.** The person signing this First Amendment for Attorney hereby represents and warrants that he/she is fully authorized to sign this First Amendment on behalf of Attorney and to bind Attorney to the performance of its obligations hereunder.

IN WITNESS WHEREOF, the Parties have executed this First Amendment as of the dates stated below.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-329**

RESOLUTION APPROVING A FOURTH AMENDMENT TO THE LEGAL SERVICES AGREEMENT DATED AUGUST 8, 2016 WITH LIEBERT CASSIDY WHITMORE IN THE AMOUNT OF \$110,000, FOR A TOTAL AGREEMENT AMOUNT NOT TO EXCEED \$387,500 TO CONTINUE REPRESENTING THE CITY OF MODESTO IN LABOR AND EMPLOYMENT MATTERS, AND AUTHORIZING THE CITY MANAGER OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the City Attorney's Office is in need of outside counsel services that relate to labor and employment; and

WHEREAS, Liebert Cassidy Whitmore currently represents the City in one lawsuit; and

WHEREAS, the City Attorney's Office desires to amend the agreement with Liebert Cassidy Whitmore; and

WHEREAS, the City Attorney's office has drafted a Fourth Amendment to the Legal Services agreement with Liebert Cassidy Whitmore to continue services.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Fourth Amendment to the Legal Services Agreement with Liebert Cassidy Whitmore in the amount of \$110,000, for a total amount not to exceed \$387,500 to continue representing the City of Modesto in labor and employment matters, as provided in **Exhibit A attached** hereto and incorporated herein, and further authorizes the City Attorney to execute such agreement in a form substantially similar to **Exhibit A**.

BE IT FURTHER RESOLVED, that the City Manager or his designee, are hereby authorized to execute the agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

FOURTH AMENDMENT TO LEGAL SERVICES AGREEMENT

This Fourth Amendment for Legal Services (this “**Fourth Amendment**”), is made and entered into on _____ day of _____ 2018 (“**Effective Date**”), by and between the **CITY OF MODESTO**, a California Municipal Corporation (“**City**”), and **LIEBERT CASSIDY WHITMORE**, (“**Attorney**”), located at 5250 N. Palm Avenue, Suite 310, Fresno, California 93704. City and Attorney are hereinafter collectively referred to as the “**Parties**,” and singularly as “**Party**”.

RECITALS

WHEREAS, City and Attorney entered into a Legal Services Agreement (“**Agreement**”) for services for legal advice, representation and assistance on matters involving labor and employment law; and

WHEREAS, Attorney is specially trained, experienced and competent to perform such services; and

WHEREAS, the public interest, economy and general welfare will be served by the Agreement; and

WHEREAS, City and Attorney desire to amend the Agreement for further service by increasing the previously approved amount of fees from \$277,500 to \$387,500.

NOW, THEREFORE, it is hereby agreed that the Legal Services Agreement between the City of Modesto and Liebert Cassidy Whitmore, dated August 8th, 2016, amended by Resolution Nos. 2016-510, 2017-273 and 2017-501 is amended as follows:

1. Section 2(a) of Paragraph 2, “Fees and Costs,” Hourly Rates is amended to state as follows:

a. “**Hourly Rates:**

Partners	\$350.00	per hour
Senior Counsel	\$305.00	per hour
Associates	\$200.00- \$285.00	per hour
Labor Relations/Human Resources Consultant	\$195.00 - \$230.00	per hour
Paraprofessionals & Litigation Support	\$125.00-\$170.00	per hour

The total of all fees paid to Attorney for the performance of all services set forth in Section 1 (hereafter the “**Service**”), and for all authorized Reimbursable Expenses (as defined hereafter),

shall not exceed a total sum of three hundred eighty-seven thousand and five hundred dollars (\$387,500).”

3. **Entire Agreement.** The parties to this Fourth Amendment understand and agree that except as stated herein all terms and conditions of the original Agreement, dated August 8th, 2016, remain in full force and effect to the extent they are not in conflict with this Fourth Amendment. This document, including all exhibits, contain the entire amendment to the Agreement between the Parties and supersedes whatever oral or written understanding they may have had prior to the execution of this Fourth Amendment. No alteration to the terms of this Fourth Amendment shall be valid unless approved in writing by Attorney and by City, in accordance with applicable provision of the Modesto City Code.

3. **Authority.** The person signing this Fourth Amendment for Attorney hereby represents and warrants that he/she is fully authorized to sign this Fourth Amendment on behalf of Attorney and to bind Attorney to the performance of its obligations hereunder.

IN WITNESS WHEREOF, the Parties have executed this Fourth Amendment as of the dates stated below.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-330**

RESOLUTION APPROVING A FIRST AMENDMENT TO THE LEGAL SERVICES AGREEMENT DATED JANUARY 24, 2017 WITH SHAW LAW GROUP, PC IN THE AMOUNT OF \$70,000, FOR A TOTAL AGREEMENT AMOUNT NOT TO EXCEED \$115,000, TO CONTINUE CONDUCTING PERSONNEL INVESTIGATION SERVICES AND AUTHORIZING THE CITY MANAGER OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, On January 24, 2017, the City entered into a standard legal services agreement with Shaw Law Group, PC for confidential personnel investigation services, in the amount of \$45,000; and

WHEREAS, the City has a need to continue attorney services for additional confidential investigations involving employees; and

WHEREAS, costs for the Shaw Law Group, PC will be paid by the department of the subject employee or subject department being investigated; and

WHEREAS, the City Attorney's office has drafted a First Amendment to the Legal Services agreement with Shaw Law Group, PC.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a First Amendment to the Legal Services Agreement with Shaw Law Group, PC, in the amount of \$70,000, for a total amount not to exceed \$115,000 to continue conducting personnel investigation services, as provided in **Exhibit A attached** hereto and incorporated herein, and further authorizes the City Attorney to execute such agreement in a form substantially similar to **Exhibit A**.

BE IT FURTHER RESOLVED, that the City Manager or his designee, are hereby authorized to execute the agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

FIRST AMENDMENT TO LEGAL SERVICES AGREEMENT

This First Amendment to the Legal Services (this "**First Amendment**"), is made and entered into on ____ day of _____ 2018 ("**Effective Date**"), by and between the **CITY OF MODESTO**, a California Municipal Corporation ("**City**"), and **SHAW LAW GROUP, PC** a Professional Corporation ("**Attorney**"), located at 425 University Avenue, Suite 200 Sacramento, California 95825. City and Attorney are hereinafter collectively referred to as the "**Parties**," and singularly as "**Party**".

RECITALS

WHEREAS, City and Attorney entered into a Legal Services Agreement ("**Agreement**") to provide confidential personnel investigation services; and

WHEREAS, Attorney is specially trained, experienced and competent to perform such services; and

WHEREAS, the public interest, economy and general welfare will be served by the Agreement; and

WHEREAS, City and Attorney desire to amend the Agreement for further service by increasing the previously approved amount of fees from \$45,000 to \$115,000.

NOW, THEREFORE, it is hereby agreed that the Legal Services Agreement between the City of Modesto and Shaw Law Group, PC dated January 24th, 2017, is amended as follows:

1. Section 2(a) of Paragraph 2, "Fees and Costs," Hourly Rates is amended to state as follows:

"The total of all fees paid to Attorney for the performance of all services set forth in Section 1 (hereafter the "**Service**"), and for all authorized Reimbursable Expenses (as defined hereafter), shall not exceed a total sum of one hundred and fifteen thousand dollars (\$115,000)."

2. **Entire Agreement.** The parties to this First Amendment understand and agree that except as stated herein all terms and conditions of the original Agreement, dated January 24, 2017, remain in full force and effect to the extent they are not in conflict with this First Amendment. This document, including all exhibits, contain the entire amendment to the Agreement between the Parties and supersedes whatever oral or written understanding they may have had prior to the execution of this First Amendment. No alteration to the terms of this First Amendment shall be valid unless approved in writing by Attorney and by City, in accordance with applicable provision of the Modesto City Code.

3. **Authority.** The person signing this First Amendment for Attorney hereby represents and warrants that he/she is fully authorized to sign this First Amendment on behalf of Attorney and to bind Attorney to the performance of its obligations hereunder.

IN WITNESS WHEREOF, the Parties have executed this First Amendment as of the dates stated below.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-331**

RESOLUTION AWARDING A HOME INVESTMENT PARTNERSHIPS PROGRAM (HOME) CHDO SET-ASIDE FUNDS LOAN IN THE AMOUNT OF \$98,200 AND A CHDO OPERATING FUNDS GRANT IN THE AMOUNT OF \$50,000 TO STANISLAUS COUNTY AFFORDABLE HOUSING CORPORATION (STANCO) FOR THE DEVELOPMENT OF AFFORDABLE HOUSING, AND AUTHORIZING THE CITY MANAGER OR HIS DESIGNEE TO EXECUTE THE AGREEMENTS

WHEREAS, City of Modesto receives annual entitlements from HUD based on its population size, number of households living below poverty level and number of sub-standard housing units, and

WHEREAS, a minimum of 15% of the City's annual HOME entitlement allocation, plus estimated program income, must be set aside for specific activities to be undertaken by a special type of nonprofit called a Community Housing Development Organization (CHDO), and

WHEREAS, a CHDO is a private nonprofit, community-based service organization with certain capacity and experience and whose primary purpose is to provide and develop decent, affordable housing for the community it serves, and

WHEREAS, the City has approximately \$51,944 in HOME CHDO Operating funds and approximately \$670,172 in HOME CHDO Set-Aside funds available to be awarded to eligible CHDOs, and

WHEREAS, on June 2, 2018, the Community and Economic Development Department (CEDD) released a Request for Proposals (RFP) for eligible CHDO organizations to submit housing project proposals, and

WHEREAS, two CHDO proposals were received that totaled less than the total amount available, and

WHEREAS, staff conducted a technical review of each application and found both applicants to meet the CHDO certification requirements, and

WHEREAS, the City of Modesto receives Home Investment Partnership Program (HOME) entitlement funds from the Department of Housing and Urban Development (HUD) annually, and

WHEREAS, HOME funds must be committed within 24 months of allocation; unallocated funds could be de-obligated by HUD, and

WHEREAS, the City must award HOME CHDO funding by August 31, 2018, or they are at risk of returning the funds to HUD, and

WHEREAS, on July 12, 2018 the Citizen's Housing and Community Development Committee reviewed, approved and forwarded the project proposals and funding requests to the City Council for review and approval.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby award a HOME Investment Partnerships Program (HOME) CHDO Set-Aside Funds loan in the amount of \$98,200 and a CHDO Operating Funds grant in the amount of \$50,000 to Stanislaus County Affordable Housing Corporation (STANCO) for the development of affordable housing, and authorizing the City Manager or his designee to execute the agreements.

BE IT FURTHER RESOLVED; that the City Manager or his designee, is hereby authorized to execute all agreements, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-332**

RESOLUTION AMENDING THE FISCAL YEAR 2018-19 MULTI-YEAR PROJECT BUDGET TO ESTABLISH A NON-CAPITAL PROJECT TO BE FUNDED IN THE AMOUNT OF \$98,200 WITH COMMUNITY HOUSING DEVELOPMENT ORGANIZATION (CHDO) SET-ASIDE FUNDS TO STANISLAUS COUNTY AFFORDABLE HOUSING AND UP TO 10% FOR ELIGIBLE ACTIVITY DELIVERY COSTS IN THE AMOUNT OF \$9,820 FOR NEW CONSTRUCTION/HOMEOWNERSHIP OF VINE STREET PERMANENT SUPPORTIVE HOUSING AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO TAKE THE NECESSARY STEPS TO IMPLEMENT THE PROVISIONS OF THIS RESOLUTION

WHEREAS, the City of Modesto receives annual entitlements from HUD based on its population size, number of households living below poverty level and number of sub-standard housing units, and

WHEREAS, a maximum of 5% of the City's annual HOME entitlement allocation can fund specific activities to be undertaken by a special type of nonprofit called a Community Housing Development Organization (CHDO), and

WHEREAS, a CHDO is a private nonprofit, community-based service organization with certain capacity and experience and whose primary purpose is to provide and develop decent, affordable housing for the community it serves, and.

WHEREAS, certain budgetary transactions are necessary in the amount of \$98,200, in order to fund Stanislaus County Affordable Housing with CHDO Operating funds, and

WHEREAS, the Fiscal year 2018-19 Multi-Year Budget must be amended as shown in **Exhibit A**, which is incorporated by reference herein.

NOW, THEREFORE, BE IT RESOLVED, that the Council of the City of Modesto that it hereby approves the amendment of the Fiscal year 2018-19 Multi-Year

Budget as shown in **Exhibit A attached** hereto.

BE IT FURTHER RESOLVED, that the City Manager, or his designee, is hereby authorized to implement the provision of this resolution.

RESOLUTION NO. 2018-336**

**RESOLUTION ACCEPTING THE CONTINUUM OF CARE, PLANNING
GRANT IN THE AMOUNT OF \$96,288, AND AUTHORIZING THE CITY
MANAGER OR HIS DESIGNEE, TO EXECUTE ALL NECESSARY FUNDING
AND GRANT DOCUMENTS**

WHEREAS, in 1988, the Stanislaus County Housing and Support Services Collaborative/Continuum of Care was formed (Continuum of Care), and

WHEREAS, a Continuum of Care is an integrated system of care that guides and tracks homeless individuals & families through a comprehensive array of housing & services designed to prevent and end homelessness, and

WHEREAS, since inception, this volunteer body has secured millions in grants from the U.S. Department of Housing & Urban Development to combat the impact of homelessness in our community, and

WHEREAS, the City took over the Collaborative Applicant role on July 2017, Resolution 2017-289, and

WHEREAS, as the Collaborative Applicant, the City is responsible to collect and submit the required Continuum of Care application information for all projects the StanCSOC selects for funding, and

WHEREAS, the City is also responsible for monitoring activities and providing technical assistance to the non-profit organizations receiving Continuum of Care funds, and

WHEREAS, additionally the City is responsible for administration and oversight of the HMIS for StanCSOC, and

WHEREAS, the first year a new entity is the Collaborative Applicant for a Continuum of Care, they have the opportunity to apply for a Planning Grant to help offset costs, and

WHEREAS, the City was awarded \$96,288 from the U.S. Department of Housing and Urban Development to support the Planning Grant, and

WHEREAS, the award includes funding for salary and benefits, in order to assist with coordination, project evaluation, monitoring and compliance of the COC program fund participants, and

WHEREAS, this item was presented to the Finance Committee on June 25, 2018 and was recommended to be forwarded to Council for approval.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby accepts the Continuum of Care Planning Grant in the amount of \$96,288.

BE IT FURTHER RESOLVED, that the City Manager or his designee is hereby authorized to execute all necessary funding and grant documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-337**

RESOLUTION APPROVING A FIRST AMENDMENT TO THE AGREEMENT WITH RALPH ANDERSEN AND ASSOCIATES IN THE AMOUNT OF \$38,600, FOR A TOTAL NOT TO EXCEED AGREEMENT AMOUNT OF \$110,100 TO INCLUDE CONDUCTING THE RECRUITMENT FOR TWO DEPUTY CITY MANAGER POSITIONS AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE AN AGREEMENT

WHEREAS, on April 3, 2018, by Resolution No. 2018-133, Council approved an agreement with Ralph Andersen and Associates in an amount not to exceed \$71,500 to conduct the recruitment for Director of Community and Economic Development, Chief Building Official and Traffic Engineer, and

WHEREAS, the Deputy City Manager positions are currently vacant and are identified as critical positions and difficult to fill, and

WHEREAS, the Deputy City Managers are critical staff needed to meet the City's strategic commitments, and

WHEREAS, the City has received four proposals from executive recruitment firms, and

WHEREAS, staff recommends the City retain the services of Ralph Andersen and Associates to conduct the recruitments because of their previous successful recruitments, and

WHEREAS, consultant's professional fee is a total of \$38,600 to conduct the recruitment for these positions, and

WHEREAS, in addition to these professional fees, the City is responsible for all candidate expenses related to on-site interviews in an amount not to exceed \$5,000 per recruitment.

NOW, THEREFORE BE IT RESOLVED that the City Council of the City of Modesto hereby approves a First amendment to the agreement with Ralph Andersen and Associates in the amount of \$38,600, for a total not to exceed agreement amount of \$110,100 to include conducting the recruitment for two Deputy City Manager positions.

BE IT FURTHER RESOLVED, that the City Manager, or his designee, is authorized to execute the First Amendment, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-338**

**RESOLUTION ACCEPTING A 2017 PROPOSITION 1 SUSTAINABLE
GROUNDWATER PLANNING GRANT AWARD FOR \$1,000,000 AND ENTERING
INTO A GRANT AGREEMENT WITH DWR, ON BEHALF OF THE STANISLAUS
AND TUOLUMNE RIVERS GROUNDWATER BASIN ASSOCIATION
GROUNDWATER SUSTAINABILITY AGENCY AND AUTHORIZING THE CITY
MANAGER, OR HIS DESIGNEE, TO EXECUTE ALL GRANT-RELATED
DOCUMENTS, AND ANY AMENDMENTS OR CHANGES THERETO**

WHEREAS, in September of 2014, Governor Edmund G. Brown signed into law the Sustainable Groundwater Management Act of 2014 which requires, among other items, the formation of Groundwater Sustainability Agencies (GSA) and the preparation of a Groundwater Sustainability Plan (GSP) with a focus on long-term sustainability, and

WHEREAS, the Stanislaus and Tuolumne Rivers Groundwater Basin Association (STRGBA) has provided a forum for local agencies to work cooperatively to provide for coordinated planning in the pursuit of effective and sustainable management of the Sub-basin, and

WHEREAS, on January 24, 2017, by Resolution No. 2017-30, Council elected to enter into a Memorandum of Understanding with the member agencies to form a GSA for the Sub-basin, providing a mechanism for the agencies to fund the work of the STRGBA GSA, and

WHEREAS, on September 26, 2017, by Resolution No 2017-370, Council authorized the submittal of an application to DWR for the Sustainable Groundwater Planning Grant Program, and

WHEREAS, on April 4, 2018, the City, on behalf of the STRGBA GSA, received a notice of award for a 2017 Proposition 1 Sustainable Groundwater Planning Grant Award for \$1,000,000.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepting the award and entering into a funding agreement with the DWR for Proposition 1 Sustainable Groundwater Planning Grant funding for the development of a GSP.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to represent the City of Modesto in carrying out the City of Modesto's responsibilities under the funding agreement, and directed to execute all grant-related documents, and any amendments or changes thereto, and enter into an agreement to receive the grant funds; and signatory of grant invoice forms during requests for reimbursements and to certify disbursement requests.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-339**

RESOLUTION APPROVING THE STANISLAUS AND TUOLUMNE RIVERS GROUNDWATER BASIN ASSOCIATION GROUNDWATER SUSTAINABILITY AGENCY COST SHARING AGREEMENT FOR THE DEVELOPMENT OF A GROUNDWATER SUSTAINABILITY PLAN, IN AN AMOUNT NOT TO EXCEED \$469,296 FOR THE IDENTIFIED SCOPE OF SERVICES, PLUS \$146,930 FOR ADDITIONAL SERVICES (IF NEEDED), FOR A TOTAL AMOUNT OF \$616,226, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, on May 7, 2014, the Stanislaus and Tuolumne Rivers Groundwater Basin Association (STRGBA) Issued Request for Quotes to update their Groundwater Management Plan, and

WHEREAS, through the STRGBA selection process, Todd Groundwater was selected, and

WHEREAS, the process to update the Groundwater Management Plan was put on hold to incorporate the new requirements from the Sustainable Groundwater Management Act (SGMA), and

WHEREAS, in September of 2014, Governor Edmund G. Brown signed into law the Sustainable Groundwater Management Act of 2014 which requires, among other items, the formation of Groundwater Sustainability Agencies (GSA) and the preparation of a Groundwater Sustainability Plan (GSP) with a focus on long-term sustainability, and

WHEREAS, development and adoption of a GSP must occur no later than January 31, 2022 for high and medium priority basins not currently in critical overdraft, such as the Modesto Sub-basin (Sub-basin), and

WHEREAS, the STRGBA member agencies are all local agencies, pursuant to SGMA's definition, and

WHEREAS, the STRGBA member agencies include the cities of Oakdale, Riverbank, Modesto, and Waterford; Stanislaus County; Oakdale Irrigation District; and Modesto Irrigation District, and

WHEREAS, since its inception in 1994, STRGBA has provided a forum for local agencies to work cooperatively to provide for coordinated planning in the pursuit of effective and sustainable management of the Sub-basin, and

WHEREAS, on January 24, 2017, by Resolution No. 2017-30, Council elected to enter into a Memorandum of Understanding (MOU) with the member agencies to form a GSA for the Sub-basin, and

WHEREAS, the MOU provides a mechanism for the agencies to fund the work of the STRGBA GSA, and

WHEREAS, on August 24, 2017, STRGBA GSA authorized Todd Groundwater to develop and submit a grant application package to Department of Water Resources (DWR) 2017 Sustainable Groundwater Planning Grant Program to help fund the preparation of the GSP, and

WHEREAS, Todd Groundwater's cost estimate to prepare and submit the GSP is \$1,469,296, and

WHEREAS, STRGBA GSA also authorized the City to be the grant applicant and act as the contracting agency with Todd Groundwater, and

WHEREAS, on September 26, 2017, by Resolution No 2017-370, Council authorized the submittal of an application to DWR for the Sustainable Groundwater Planning Grant Program, and authorized the City Manager or his designee to execute all grant-related documents, if awarded, and

WHEREAS, on April 4, 2018, the City, on behalf of the STRGBA GSA, received a 2017 Proposition 1 Sustainable Groundwater Planning Grant Award for \$1,000,000, which will cover 68% of the GSP preparation cost, and

WHEREAS, the balance of the GSP cost (\$1,469,296) minus the grant amount, (\$1,000,000) or \$469,296, will be divided equally among the agencies that make up the STRGBA GSA, and

WHEREAS, the STRGBA GSA members have agreed to enter into a cost sharing agreement to provide funding for costs in excess of the grant amount, and

WHEREAS, the governing board for each local agency will authorize the execution of the cost sharing agreement, and

WHEREAS, following Council approval, the City will enter into a grant agreement with DWR, on behalf of the STRGBA GSA, and initiate the preparation of a GSP, as required by SGMA.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Stanislaus and Tuolumne Rivers Groundwater Basin Association Groundwater Sustainability Agency Cost Sharing Agreement for the development of a Groundwater Sustainability Plan.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour was upon roll call carried and the resolution adopted by the following vote:

**RESOLUTION AUTHORIZING AN INCREASE IN THE DIRECTOR'S
AUTHORITY TO ISSUE CHANGE ORDERS FOR THE CARPENTER ROAD
LANDFILL MITIGATION PROJECT FROM 8 PERCENT (\$302,128) TO 10
PERCENT (\$377,660) OF THE CONSTRUCTION CONTRACT AMOUNT**

WHEREAS, on August 14, 2018, the City Council is concurrently awarding a \$3,776,598 contract Pacific States Environmental Contractors, Inc. of Dublin, CA, for the construction of the Carpenter Road Landfill Mitigation Project, and

WHEREAS, the City owns and maintains the Carpenter Road Landfill, and

WHEREAS, given the nature of the project, additional work may be needed to address unexpected conditions that require changes in project scope that may exceed the Director's change order authority of 10%, as established by the Council's Change Order Approval Policy adopted by Resolution No. 94-443, and

WHEREAS, the Director of Utilities currently has authority to approve change orders up to a cumulative amount of \$302,128, and

WHEREAS, staff recommends that the Director's change order authority be increased to 10%.

NOW, THEREFORE BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Director of Utilities to issue change orders for the Carpenter Road Landfill Mitigation Project from 8 percent (\$302,128) to 10 percent (\$377,660) of the construction contract.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-347**

RESOLUTION APPROVING AN AGREEMENT WITH CONSOLIDATED CM, INC., OF OAKLAND, CA, FOR CONSTRUCTION MANAGEMENT AND INSPECTION SERVICES FOR THE CARPENTER ROAD LANDFILL MITIGATION PROJECT IN THE AMOUNT OF \$179,797, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT AND ANY AMENDMENTS UP TO A CUMULATIVE AMOUNT OF 35 PERCENT

WHEREAS, the Carpenter Road Landfill is owned and maintained by the City of Modesto, located in Stanislaus County, and

WHEREAS, gas monitoring began in 1993 of the landfill, with the installation of six gas probes along the northern boundary where residences are located, approximately 120-200 feet from the landfill, and

WHEREAS, in 2005, methane was reported in a gas probe at concentrations above the regulatory limit, and

WHEREAS, due to this, in January 2007, CalRecycle required the City to conduct an assessment of the groundwater and landfill gas. A Site Assessment work plan was submitted in July 2007, and

WHEREAS, in February 2014, the Central Valley Regional Water Quality Control Board (RWQCB) met with City staff to discuss the extent of the VOC groundwater impacts, and

WHEREAS, determined that a final closure cap would need to be installed and a Corrective Action Plan and Post Closure Maintenance and Monitoring Plan would need to be submitted, and

WHEREAS, on March 4, 2015, the RWQCB issued a Cleanup and Abatement Order (CAO R5-2015-0700), which specified that the waste on the east landfill area

needed to be excavated and moved to the west landfill area, and that a final cover had to be installed on the west landfill area to address the detection of VOCs in the groundwater, and

WHEREAS, due to the limited availability of the City's Construction Administration staff and the complexity of this project, staff recommends utilizing a consultant to provide construction management, inspection and materials testing services throughout the construction phase, and

WHEREAS, on January 16, 2018, by Resolution No. 2018-10, Council approved the Pre-qualified Consultant List for Construction Management and Inspection Services for Various Capital Improvement Projects. A Request for Proposals was issued to the top three firms, NV5, Inc., Consolidated CM, Inc., and Vali Cooper and Associates, and after review, Consolidated CM, was selected as the most qualified firm for the project. Consolidated CM demonstrated experience with multiple projects similar in scope and size, and

WHEREAS, therefore, staff is seeking Council approval for a professional services agreement and is recommending that the Council authorize the City Manager to approve amendments to this agreement up to 35 percent, if needed during construction.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement with Consolidated CM, Inc. for Construction Management and Inspection services for the new Carpenter Road Landfill Mitigation project, for \$179,797 and authorizing the City Manager, or his designee, to execute the agreement and any amendments up to a cumulative amount of 35 percent.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-348**

RESOLUTION APPROVING A FIFTH AMENDMENT TO THE AGREEMENT WITH SCS ENGINEERS, INC. OF MODESTO, CA, FOR ENVIRONMENTAL QUALITY ASSURANCE, MONITORING, AND LANDFILL CLOSURE SUPPORT WORK IN AN AMOUNT NOT TO EXCEED \$520,000, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT AND ANY AMENDMENTS UP TO A CUMULATIVE AMOUNT OF 10 PERCENT

WHEREAS, the City of Modesto owned and operated the Carpenter Road Landfill from 1956 to 1968, and the landfill includes fill sites on both the east and west sides of Carpenter Road, along the Tuolumne River, and

WHEREAS, the City is required by State law to perform post closure landfill maintenance, monitoring, and reporting for the landfill site, and

WHEREAS, in December 2005, it appeared that methane gas levels at the landfill's Northern boundary exceeded the maximum limits, and the California Integrated Waste Management Board (CIWMB) required the City to determine the cause and develop a Mitigation and Monitoring Plan, and

WHEREAS, the Central Valley Regional Water Quality Control Board (CVRWQCB) subsequently required the City to assess the potential for groundwater impacts, and

WHEREAS, on June 12, 2007 by Resolution No. 2007-341, Council authorized a Professional Services Agreement with SCS Engineers, Inc. in an amount not to exceed \$299,500 to assess the landfill and recommend corrective action, and

WHEREAS, after the initial site assessment, Resolution No. 2007-728 authorized a no-cost Letter Amendment to shift the focus of the work to installation of gas probes,

design and installation of groundwater monitoring wells, and ongoing monitoring and reporting of methane gas and groundwater, and

WHEREAS, the assessment determined that migration of methane gas past the boundaries of the landfill was not a problem, but that a groundwater monitoring event determined that the landfill had experienced a “release” that could potentially have affected groundwater, and

WHEREAS, an engineering feasibility study had to be completed and the CVRWQCB required the City to submit a Corrective Action Plan (CAP), and

WHEREAS, in May 2009 by Resolution 2009-199, Council approved a Second Amendment to the Agreement with SCS Engineers, Inc. to further evaluate the site, develop the CAP, and provide ongoing monitoring and reporting services in an amount not to exceed \$242,000, and

WHEREAS, in November 2010, after conducting 12 hydro punch borings to sample groundwater and analyzing them for Volatile Organic Compounds (VOC’s), SCS submitted the CAP to the CVRWQCB proposing to use an injection of a hydrogen releasing compound to remediate any groundwater impacts, and

WHEREAS, subsequently , the VOC concentrations began to consistently decline, and City staff and SCS Engineers, Inc. determined that the proposed CAP needed to be re-evaluated, and

WHEREAS, in August 2013, by Resolution No. 2013-277, Council approved a Third Amendment to the Agreement with SCS Engineers, Inc. for ongoing monitoring, lab analysis, compliance reports, corrective action monitoring and maintenance, and re-evaluating and implementing the CAP in a cost not to exceed \$290,500, and

WHEREAS, in October 2014, a revised CAP and post closure maintenance plan was submitted to the CVRWQCB and in March 2015, the CVRWQCB issued the City a Cleanup and Abatement Order (CAO R5-2015-0700) requiring the City to clean close the Eastern Fill, move all the waste to the Western Fill, install a final cover atop the Western Fill, and construct a storm water retention basin, and

WHEREAS, in April 2015, SCS Engineers, Inc. submitted the plans and drawings to address the CAO and it was conditionally approved by the CVRWQCB in July 2016, with mitigation to be completed by October 2017, and

WHEREAS, the Central Valley experienced a significant wet winter at the end of 2016 and into the beginning of 2017, with the Tuolumne River above flood stage and not expected to completely recede until September or mid-October 2017, and

WHEREAS, the City petitioned the CVRWQCB in June 2017 for an extension to the CAO due to the groundwater elevation being higher than that of the waste to be excavated, and

WHEREAS, in mid-July the CVRWQCB approved the City's request to postpone the execution of the Clean Closure Work Plan with the condition that the approved background soil assessment would be completed and submitted to the water board by October 20, 2017 and the Final Construction and Completion Report for the CAO would be submitted no later than October 31, 2018, and

WHEREAS, in September 2017, by Resolution No. 2017-341, the Council approved a Fourth Amendment to the Agreement with SCS Engineers, Inc. to complete these tasks and carry the project through December 31, 2018 in a cost not to exceed \$92,349, and

WHEREAS, in order to provide design and environmental compliance support during construction, given the unique and specialized expertise required for clean closing a landfill, and given the SCS has been the Engineer-of-Record for the Project, and to stay in compliance with the CAO and the CVRWQCB, it is necessary to execute a Fifth Amendment, and

WHEREAS, funds are collected in the garbage rate for the mitigation project, estimated to cost \$5,039,054, and to date the Carpenter Road Landfill Fund (Fund 4893-56016) has approximately \$2.3 million, and

WHEREAS, a loan for \$2,300,000 will be taken from the Water Fund Reserves to the Carpenter Road Landfill Clean Closure Mitigation Fund, to be paid back with interest from future revenue collected on the garbage rates.

NOW THEREFORE BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Fifth Amendment to the Agreement with SCS Engineers, Inc. for environmental quality assurance, monitoring, and landfill closure support work for the Carpenter Road Landfill in an amount not to exceed \$520,000.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Fifth Amendment to the Agreement and any amendments up to a cumulative amount of 10 percent, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-349**

**RESOLUTION APPROVING A SIX YEAR INTERFUND LOAN IN THE
AMOUNT OF \$2,300,000 FROM THE WATER FUND RESERVES TO THE
CARPENTER ROAD LANDFILL CLEAN CLOSURE MITIGATION PROJECT,
TO BE PAID BACK WITH INTEREST FROM FUTURE REVENUE
COLLECTED ON THE GARBAGE RATES**

WHEREAS, the City of Modesto owned and operated the Carpenter Road Landfill from 1956 to 1968, and the landfill includes fill sites on both the east and west sides of Carpenter Road, along the Tuolumne River, and

WHEREAS, the City is required by State law to perform post closure landfill maintenance, monitoring, and reporting for the landfill site, and

WHEREAS, gas monitoring began in 1993, and in 2005, it appeared that methane gas levels at the landfill's Northern boundary exceeded the maximum limits, and the California Integrated Waste Management Board (CIWMB) required the City to determine the cause and develop a Mitigation and Monitoring Plan, and

WHEREAS, in January 2007, the Central Valley Regional Water Quality Control Board (CVRWQCB) required the City to conduct an assessment of the potential for landfill gas and groundwater impacts, and

WHEREAS, in June 2007 by Resolution No. 2007-341, the Council authorized a Professional Services Agreement with SCS Engineers, Inc. to assess the landfill and recommend corrective action, and

WHEREAS, gas probes and groundwater monitoring wells were installed and confirmed the presence of volatile organic compounds (VOCs), and

WHEREAS, in December 2007 by Resolution No. 2007-730, the Carpenter Road Landfill Fund was established and mitigation fees were assessed on the garbage rates of

\$0.50 per household per month for residential, \$0.90 per cubic yard for commercial, and \$5.00 per pull for industrial waste, and

WHEREAS, in February 2014, the Central Valley Regional Water Quality Control Board (RWQCB) met with City staff to discuss the extent of the VOCs groundwater impacts, and based on those discussions it was determined a final closure cap would be needed and a Correction Action Plan and Post Closure Maintenance and Monitoring Plan would be required, and

WHEREAS, in July 2014 by Resolution No. 2017-207, the residential and commercial fees were suspended due to the Carpenter Road Landfill Fund having reached \$1.8 million and it was deemed that those funds would sufficiently cover the mitigation costs, and

WHEREAS, in March 2015, the RWQCB issued a Cleanup and Abatement Order (CAO R5-2015-0700) and in July 2016, the City submitted a revised Clean Closure Work Plan, and

WHEREAS, in July 2016 the City received an Engineer's Estimate from SCS Engineers of \$2.6 million for the final landfill closure and in order to fund the project, in July 2016 by Resolution No. 2016-307, a residential fee of \$0.50 per household per month and a commercial fee of \$0.91 per cubic yard were reinstated as part of the garbage rates, and

WHEREAS, the project was to start in the spring of 2017, however due to the significant storm event that occurred in the winter of 2017, the project was delayed, and

WHEREAS, at the end of Fiscal Year 17/18, the Carpenter Road Landfill Fund had approximately \$2.3 million, and

WHEREAS, this project went out to bid and the project construction, the construction administration of the project, and the environmental compliance, quality assurance and design support required for a landfill clean closure project are estimated at \$5,039,054, and will be starting in September 2018, and

WHEREAS, approximately \$629,500 is received annually in revenue from the garbage rates, and

WHEREAS, staff is proposing an interfund loan in the amount of \$2,300,000 from the Water Fund Reserves to the Carpenter Road Landfill Fund to assist with the funding of this project so that the project remains within the parameters of the set schedule approved by the Regional Water Quality Control Board, and

WHEREAS, City policy allows for interfund loans to be made at the interest rate of the City's investment portfolio, which is currently 1.49%, and

WHEREAS, if a loan of \$2,300,000 was established to be repaid over a six year term at 1.49%, the first payment of interest only of \$34,270 would be due on 9/4/2020, and the remaining five payments of principal and interest of \$480,764 will be due thereafter on 9/4/2021, 9/4/2022, 9/4/2023, 9/4/2024, and 9/4/2025 (see Attachment A – Amortization Schedule), and

WHEREAS, with the current established Carpenter Road Mitigation fees, this loan would be paid off by the end of Fiscal Year 2024 and the project would be completed and fully funded.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a six year loan in the amount of \$2,300,000 from the Water Fund Reserves to the Carpenter Road Landfill Fund for the Carpenter Road Landfill Clean

Closure Mitigation Project, to be paid back with interest from future revenue collected on the garbage rate.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-350**

**RESOLUTION AMENDING THE FISCAL YEAR 2018-2019 CAPITAL
IMPROVEMENT PROJECT BUDGET BY \$5,032,466 FOR THE CARPENTER
ROAD LANDFILL CLEAN CLOSURE MITIGATION PROJECT (101046),
INCLUDING A \$2,300,000 LOAN THAT WILL BE TRANSFERED FROM THE
WATER FUND (4100) TO THE CARPENTER ROAD LANDFILL FUND (4893)**

WHEREAS, the Carpenter Road Landfill is owned and maintained by the City of Modesto and includes two separate waste management units located on the east and west sides of Carpenter Road, and

WHEREAS, no liners are in place beneath the waste on either landfill area, and

WHEREAS, gas monitoring began in 1993 of the landfill, and

WHEREAS, in 2005, methane was reported in a gas probe at concentrations above the regulatory limit, and

WHEREAS, due to this in January 2007, CalRecycle required the City to conduct an assessment of the groundwater and landfill gas, and

WHEREAS, these actions confirmed the presence of volatile organic compounds (VOC's) in the groundwater, and

WHEREAS, based on these discussions, it was determined by the Central Valley Regional Water Quality Control Board (RWQCB) that a final closure cap would need to be installed and a Corrective Action Plan and Post Closure Maintenance and Monitoring Plan would need to be submitted, and

WHEREAS, based on that submittal the RWQCB issued a Cleanup and Abatement Order (CAO R5-2015-0700), which was to be completed by October 2017, and

WHEREAS, due to the significant storm event that occurred in the winter of 2017, RWQCB extended to project one year, to be completed December 2018, and

WHEREAS, project costs are substantially higher than initially budgeted for project, and

WHEREAS, certain budgetary transactions are necessary in the amount of **\$5,032,466**, are required, including a \$2,300,000 loan to be transferred from the Water Fund (4100) to the Carpenter Road Landfill Fund (4893), in order to fund the Carpenter Road Landfill Clean Closure Mitigation Project, and

WHEREAS, an Amortization Schedule has been prepared for the repayment of the loan, and

WHEREAS, the Fiscal Year 2018-2019 Carpenter Road Landfill Clean Closure Mitigation Project Budget must be amended as shown in **Exhibit A**, which is incorporated by reference herein.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the amendment of the Fiscal Year 2018-2019 Carpenter Road Landfill Clean Closure Mitigation Project as shown in **Exhibit A**, **attached** hereto.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

Exhibit A

Due to additional unforeseen construction costs as well as the staff time required to administer the project a budget adjustment in the amount of \$5,032,466 is necessary to fully fund the Carpenter Road Landfill Clean Closure Mitigation Project 101046, which will include a \$2,300,000 loan to be transferred from the Water Fund Reserves Budget for Fiscal Year 2018-2019 into the Carpenter Road Landfill Clean Closure Mitigation Project 101046. The planned repayment of the loan is anticipated to take 6 years. Project 101046 currently has a budget of \$15,000.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-351**

RESOLUTION APPROVING THE AWARD OF PROPOSAL AND CONTRACT FOR THE FURNISHING OF UNIFORM AND LAUNDRY SERVICES TO ARAMARK UNIFORM SERVICES, MODESTO, CA, FOR TWO (2) YEAR AGREEMENT WITH THREE (3) ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, FOR AN ANNUAL COST NOT TO EXCEED \$160,323 AND A TOTAL AMOUNT NOT TO EXCEED \$801,615 OVER FIVE YEARS, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE TO EXECUTE THE AGREEMENT

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Proposals (RFP) for the furnishing of uniform and laundry services, and

WHEREAS, the Purchasing Division issued RFB 1718-42 for uniform and laundry services for Citywide departments on the City's website under commodity codes for clothing athletic, casual, dress, uniforms blended fabric, uniforms cotton, uniforms synthetic fabric, work clothes, laundry and dry cleaning services, laundry and linen services, and rental or lease services of clothing services, and

WHEREAS, the proposals were formally opened in the City Clerk's office. Three (3) companies choose to respond, one of which was a local vendor. All companies provided responsive and responsible proposals, and

WHEREAS, an evaluation committee comprised of seven (7) City staff members evaluated and graded the proposals which included a representative from almost every City department, and

WHEREAS, based on being ranked highest in total evaluation criteria the evaluation committee recommends the award of proposal and contract for the furnishing of uniform and laundry services for Citywide use to Aramark Uniform Services, Modesto, CA, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of proposal and contract for the furnishing of uniform and laundry services for Citywide use to Aramark Uniform Services, Modesto, CA, conforms to the Modesto Municipal Code.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves the award of proposal for the furnishing of uniform and laundry services for Citywide use to Aramark Uniform Services, Modesto, CA for an annual cost not to exceed \$160,323 and a total amount not to exceed \$801,615 over five years.

BE IT FURTHER RESOLVED, that the City Manager, or his designee, is hereby authorized to execute the agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Ridenour, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-352**

RESOLUTION OF NECESSITY DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY REQUIRE THE ACQUISITION OF REAL PROPERTY DIRECTING THE COMMENCEMENT OF EMINENT DOMAIN PROCEEDINGS FOR THE STATE ROUTE 132 WEST FREEWAY/EXPRESSWAY PHASE 1 PROJECT RE: 1601 ELM AVE., MODESTO, CA (APN 007-039-012), OWNER: RONALD J. JOHNS AND KRISTIN D. STACKHOUSE-JOHNS, TRUSTEES OF THE RONALD & KRISTIN JOHNS FAMILY TRUST

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (“Project”) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue; and

WHEREAS, the Project, will improve regional and interregional circulation, relieve traffic congestion along existing State Route 132 (SR-132)/Maze Boulevard, and improve traffic operations by creating a new alignment connecting SR-132 with the City of Modesto; and

WHEREAS, on October 10, 2017, Council approved a Measure L Cooperative Agreement with StanCOG (“StanCOG Cooperative Agreement”) for the Plans, Specifications and Estimates Stage of Phase 1 of the State Route 132 Project; and

WHEREAS, on October 24, 2017, Council approved a Joint Powers Agreement with Stanislaus County (“City/County JPA”) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its authority under State law to acquire real property for the purposes of the Project; and

WHEREAS, on March 2, 2018, the California Department of Transportation (“Caltrans”) approved the Environmental Document and selected Project Alternative 2;

and

WHEREAS, on August 8, 2018, Council approved a Cooperative Agreement between the City of Modesto and Caltrans (“City/Caltrans Cooperative Agreement”); and

WHEREAS, the City is vested by law with the authority to acquire real property and exercise the power of eminent domain to acquire real property under the provisions and authority of and for the purposes and uses authorized by Article 1, Section 19 of the Constitution of the State of California, Government Code sections 37350.5, 37353, 39792, 40401, 40404, Streets & Highways Code sections 104, 113, 114, 116, 130, 1810, 10102, and by California Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510 and 1240.610, and pursuant to the City/Caltrans Cooperative Agreement; and

WHEREAS, pursuant to Code of Civil Procedure section 1240.140, the Joint Exercise of Powers Act (Government Code sections 6500, *et seq.*), and City/County JPA, Stanislaus County delegated to the City its authority to acquire and condemn property for the Project pursuant to Article I, Section 19 of the Constitution of the State of California, Government Code section 25350.5, Streets and Highways Code sections 104, 116, 130, 760 and 943, Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510, and 1240.610, and Streets & Highways Code sections 104, 116, 130 and 760; and

WHEREAS, it is desirable and necessary for the City to acquire certain real property interests in fee, easement, and a 24-month temporary construction easement, from property located at 1601 Elm Avenue, Modesto, California, APN 007-039-012, as more particularly described and depicted in **Exhibit A attached** hereto and made a part

hereof by this reference, for the construction of the Project; and

WHEREAS, the City and Caltrans have investigated and examined alternatives to the Project and the acquisition of the Property, and concluded that both the Project and the acquisition of the Property for the Project are necessary; and

WHEREAS, the requirements of the California Environmental Quality Act (“CEQA”) and National Environmental Policy Act (“NEPA”) have been satisfied for the Project; and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to the owner(s) of the property herein, all of whom have been given a reasonable opportunity to appear and be heard before the City Council of the City of Modesto at the time and place set forth in said notice, regarding the matters specified therein.

NOW, THEREFORE, IT IS FOUND AND DETERMINED as follows:

1. The public interest and necessity require the Project.
2. The Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
3. The property described and depicted in **Exhibit A** hereto is necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code, together with the accompanying statement of the amount established as just compensation, has been made to the owner or owners of record, which offer and statement were in a format and contained the information required by Government Code Section 7267.2.
5. The City has complied with all conditions and statutory requirements,

including those prescribed by CEQA and NEPA, that are necessary for approval and adoption of the Project.

6. All conditions and statutory requirements necessary to exercise the power of eminent domain (“the right to take”) to acquire the property described herein have been complied with by the City.

7. Insofar as any portion of the property has heretofore been appropriated for public use, the proposed use set forth herein will not unreasonably interfere with or impair the continuation of the public use as it exists or may reasonably be expected to exist in the future, and is therefore a compatible public use pursuant to Code of Civil Procedure Section 1240.510, or, as applicable, constitutes a more necessary public use to which the property is appropriated pursuant to Code of Civil Procedure Section 1240.610.

8. The easement described and depicted in **Exhibit A** as the M.I.D. Easement is being acquired in whole or in part pursuant to the provisions of Code of Civil Procedure Sections 1240.320, 1240.330 and 1240.350, as substitute property necessary for the relocation of public utility facilities, and as substitute property that is reasonably necessary and appropriate to provide utility service to property that is not acquired for such public use but will be cut off from utility service as a result of the acquisition by the fee interest;

9. The City Attorney and/or his designee, is hereby authorized and empowered to acquire in the name of the City of Modesto by condemnation the property described and depicted in **Exhibit A** hereto; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as is necessary for such acquisition and to make such action as may be deemed advisable or

necessary in connection therewith; to deposit the probable amount of just compensation, based on an approved appraisal.

10. An order for prejudgment possession may be obtained in said condemnation proceeding and a warrant issued to the State Treasury Condemnation Fund, in the amount based on the approved appraisal, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

BE IT FURTHER RESOLVED, that the recitals contained hereinabove are true and correct, and all the findings and determinations made by the City Council pursuant to this Resolution are based upon substantial evidence in the entire record before the City Council, and are not based solely on the information provided in this Resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

M.I.D. EASEMENT

SR132 Phase 1 Construction Project
The Ronald & Kristin Johns Family Trust to City of Modesto
APN: 007-039-012

Legal description

ALL that certain real property, being a portion of the lands described in Grant Deed to Ronald J. Johns and Kristin D. Stackhouse-Johns, Trustees of the Ronald & Kristin Johns Family Trust, filed for record July 14, 2008 as Document No. 2008-0075777, Stanislaus County Records, and situate in the southwest quarter of Section 30, Township 3 South, Range 9 East, Mount Diablo Meridian, County of Stanislaus, State of California, and more particular described as follows:

A 20-foot wide strip of land, the northerly line of which is coincident with course (6) of the following described line:

COMMENCING at a 3/4" iron pipe, tagged LS 4876 in a monument well at the center 1/4 corner of Section 25, Township 3 South, Range 8 East, Mount Diablo Meridian, from which a 2" iron pipe with brass cap, stamped LS 5443, at the East 1/4 corner of said Section 25 bears North 89°31'37" East 2651.65 feet; thence South 59°35'43" East 271.57 feet to a point lying within the right-of-way of the future State Highway Route 132, as said right-of-way is shown on sheet 23 of State Highway map STA-132P PM 13.00, last said point being the **TRUE POINT OF BEGINNING**;

thence (1), South 00°04'34" West 89.01 feet;

thence (2), South 84°32'34" East 408.37 feet;

thence (3), South 82°10'44" East 383.20 feet;

thence (4), South 80°32'15" East 715.48 feet;

thence (5), South 76°39'16" East 735.94 feet;

thence (6), North 90°00'00" East 303.94 feet to a point on the future southerly right-of-way line of State Highway Route 132, as said right-of-way line is labeled "S 49°56'29" E 88.78'" on sheet 24 of State Highway map STA-132P PM 13.36;

thence (7), along said southerly right-of-way line and its southeasterly extension thereof, South 49°47'53" East 86.18 feet to a point lying within the right-of-way of Carpenter Road, and the terminal point of this description, said terminal point bears South 13°12'56" East 701.02 feet from aforementioned East 1/4 corner of Section 25. The southerly line of said strip to be lengthened or shortened to terminate at course (7), being also the West line of said Johns Family Trust land.

Containing (1,082 square feet Grid) 1,082 square feet [0.02 acres] Ground, more or less.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

RIGHT-OF-WAY

SR132 Phase 1 Construction Project
The Ronald & Kristin Johns Family Trust to City of Modesto
APN: 007-039-012

Legal description

ALL that certain real property, being a portion of the lands described in Grant Deed to Ronald J. Johns and Kristin D. Stackhouse-Johns, Trustees of the Ronald & Kristin Johns Family Trust, filed for record July 14, 2008 as Document No. 2008-0075777, Stanislaus County Records, and situate in the southwest quarter of Section 30, Township 3 South, Range 9 East, Mount Diablo Meridian, County of Stanislaus, State of California, lying northerly of course (6) of the following described line:

COMMENCING at a 3/4" iron pipe, tagged LS 4876 in a monument well at the center 1/4 corner of Section 25, Township 3 South, Range 8 East, Mount Diablo Meridian from which a 2" iron pipe with brass cap, stamped LS 5443, at the East 1/4 corner of said Section 25 bears North 89°31'37" East 2651.65 feet; thence South 59°35'43" East 271.57 feet to a point lying within the right-of-way of the future State Highway Route 132, as said right-of-way is shown on sheet 23 of State Highway map STA-132P PM 13.00, last said point being the **TRUE POINT OF BEGINNING**;

thence (1), South 00°04'34" West 89.01 feet;

thence (2), South 84°32'34" East 408.37 feet;

thence (3), South 82°10'44" East 383.20 feet;

thence (4), South 80°32'15" East 715.48 feet;

thence (5), South 76°39'16" East 735.94 feet;

thence (6), North 90°00'00" East 303.94 feet to a point on the future southerly right-of-way line of State Highway Route 132, as said right-of-way line is labeled "S 49°56'29" E 88.78" on sheet 24 of State Highway map STA-132P PM 13.36;

thence (7), along said southerly right-of-way line and its southeasterly extension thereof, South 49°47'53" East 86.18 feet to a point lying within the right-of-way of Carpenter Road, and the terminal point of this description, said terminal point bears South 13°12'56" East 701.02 feet from aforementioned East 1/4 corner of Section 25.

This conveyance is made for the purpose of a freeway and the grantor hereby relinquishes to the grantee any and all abutter's rights including access rights, appurtenant to grantors' remaining property, in and to said freeway.

Containing (655 square feet Grid) 655 square feet [0.02 acres] Ground, more or less.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

Temporary Construction Easement

SR132 Phase 1 Construction Project

The Ronald & Kristin Johns Family Trust to City of Modesto

APN: 007-039-012

Legal description

ALL that certain real property, being a portion of the lands described in Grant Deed to Ronald J. Johns and Kristin D. Stackhouse-Johns, Trustees of the Ronald & Kristin Johns Family Trust, filed for record July 14, 2008 as Document No. 2008-0075777, Stanislaus County Records, and situate in the southwest quarter of Section 30, Township 3 South, Range 9 East, Mount Diablo Meridian, County of Stanislaus, State of California, lying easterly of the following described line:

COMMENCING at a 2" iron pipe with brass cap, stamped LS 5443, at the West 1/4 corner of said Section 30, from which a 3/4" iron pipe, tagged LS 4876 in a monument well at the center 1/4 corner of Section 25, Township 3 South, Range 8 East, Mount Diablo Meridian, bears South 89°31'37" West 2651.65 feet; thence South 04°30'07" East 597.21 feet to a point lying within the right-of-way of the future State Highway Route 132, as said right-of-way is shown on sheet 24 of State Highway map STA-132P PM 13.36, last said point being the **TRUE POINT OF BEGINNING**;

thence (1), South 25°59'45" East 138.68 feet;

thence (2), southeasterly 40.66 feet along the arc of a curve concave to the southwest having a radius of 335.61 feet through a central angle of 06°56'32";

thence (3), along a non-tangent line South 03°20'28" East 193.09 feet;

thence (4), North 89°32'01" East 25.20 feet to a point lying within the right-of-way of Carpenter Road, and the terminal point of this description, said terminal point bears South 09°32'27" East 963.44 feet from aforementioned West 1/4 corner of Section 30.

Containing (7,432 square feet Grid) 7,433 square feet [0.17 acres] Ground, more or less.

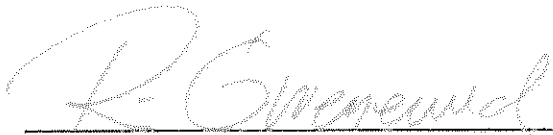

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of

0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

Rights to the above described temporary easement shall cease and terminate on December 31, 2020.

Said rights may also be terminated prior to the above date by (GRANTEE) upon notice to GRANTOR.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-353**

RESOLUTION OF NECESSITY DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY REQUIRE THE ACQUISITION OF REAL PROPERTY DIRECTING THE COMMENCEMENT OF EMINENT DOMAIN PROCEEDINGS FOR THE STATE ROUTE 132 WEST FREEWAY/EXPRESSWAY PHASE 1 PROJECT RE 522 NORTH FRANKLIN ST., MODESTO, CA 95351 (APN 101-002-022), OWNER: RONALD A. GRESHAM AND JO ANNE R. GRESHAM, TRUSTEES OF THE RONALD A. GRESHAM AND JOANNE R. GRESHAM 2006 FAMILY TRUST

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (“Project”) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue; and

WHEREAS, the Project, will improve regional and interregional circulation, relieve traffic congestion along existing State Route 132 (SR-132)/Maze Boulevard, and improve traffic operations by creating a new alignment connecting SR-132 with the City of Modesto; and

WHEREAS, on October 10, 2017, Council approved a Measure L Cooperative Agreement with StanCOG (“StanCOG Cooperative Agreement”) for the Plans, Specifications and Estimates Stage of Phase 1 of the State Route 132 Project; and

WHEREAS, on October 24, 2017, Council approved a Joint Powers Agreement with Stanislaus County (“City/County JPA”) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its authority under State law to acquire real property for the purposes of the Project; and

WHEREAS, on March 2, 2018, the California Department of Transportation (“Caltrans”) approved the Environmental Document and selected Project Alternative 2; and

WHEREAS, on August 8, 2018, Council approved a Cooperative Agreement Between the City of Modesto and Caltrans (“City/Caltrans Cooperative Agreement”); and

WHEREAS, the City is vested by law with the authority to acquire real property and exercise the power of eminent domain to acquire real property under the provisions and authority of and for the purposes and uses authorized by Article 1, Section 19 of the Constitution of the State of California, Government Code sections 37350.5, 37353, 39792, 40401, 40404, Streets & Highways Code sections 104, 113, 114, 116, 130, 1810, 10102, and by California Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510 and 1240.610, and pursuant to the City/Caltrans Cooperative Agreement; and

WHEREAS, pursuant to Code of Civil Procedure section 1240.140, the Joint Exercise of Powers Act (Government Code sections 6500, *et seq.*), and City/County JPA, Stanislaus County delegated to the City its authority to acquire and condemn property for the Project pursuant to Article I, Section 19 of the Constitution of the State of California, Government Code section 25350.5, Streets and Highways Code sections 104, 116, 130, 760 and 943, Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510, and 1240.610, and Streets & Highways Code sections 104, 116, 130 and 760; and

WHEREAS, it is desirable and necessary for the City to acquire the fee interest in the real property located at 522 North Franklin St., Modesto, CA 95351 (APN 101-002-

022), as more particularly described in **Exhibit A attached** hereto and made a part hereof by this reference, for the construction of the Project; and

WHEREAS, the City and Caltrans have investigated and examined alternatives to the Project and the acquisition of the Property, and concluded that both the Project and the acquisition of the Property for the Project are necessary; and

WHEREAS, the requirements of the California Environmental Quality Act (“CEQA”) and National Environmental Policy Act (“NEPA”) have been satisfied for the Project; and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to the owner(s) of the property herein, all of whom have been given a reasonable opportunity to appear and be heard before the City Council of the City of Modesto at the time and place set forth in said notice, regarding the matters specified therein.

NOW, THEREFORE, IT IS FOUND AND DETERMINED as follows:

1. The public interest and necessity require the Project.
2. The Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
3. The property described in **Exhibit A** hereto is necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code, together with the accompanying statement of the amount established as just compensation, has been made to the owner or owners of record, which offer and statement were in a format and contained the information required by Government Code Section 7267.2.

5. The City has complied with all conditions and statutory requirements, including those prescribed by CEQA and NEPA, that are necessary for approval and adoption of the Project.

6. All conditions and statutory requirements necessary to exercise the power of eminent domain (“the right to take”) to acquire the property described herein have been complied with by the City.

7. Insofar as any portion of the property has heretofore been appropriated for public use, the proposed use set forth herein will not unreasonably interfere with or impair the continuation of the public use as it exists or may reasonably be expected to exist in the future, and is therefore a compatible public use pursuant to Code of Civil Procedure Section 1240.510, or, as applicable, constitutes a more necessary public use to which the property is appropriated pursuant to Code of Civil Procedure Section 1240.610.

8. The City Attorney and/or his designee, is hereby authorized and empowered to acquire in the name of the City of Modesto by condemnation the property described in **Exhibit A** hereto; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as is necessary for such acquisition and to make such action as may be deemed advisable or necessary in connection therewith; to deposit the probable amount of just compensation, based on an approved appraisal.

9. An order for prejudgment possession may be obtained in said condemnation proceeding and a warrant issued to the State Treasury Condemnation Fund, in the amount based on the approved appraisal, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

BE IT FURTHER RESOLVED, that the recitals contained hereinabove are true and correct, and all the findings and determinations made by the City Council pursuant to this Resolution are based upon substantial evidence in the entire record before the City Council, and are not based solely on the information provided in this Resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

EXCEPTING THEREFROM THAT PORTION OF LAND DEEDED TO THE STATE OF CALIFORNIA BY GRANT DEED DATED MARCH 06, 1961 AND RECORDED APRIL 26, 1961, AS INSTRUMENT NO. 13063 IN VOLUME 1679, AT PAGE 268, IN THE OFFICE OF THE RECORDER STANISLAUS COUNTY, CALIFORNIA.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-354**

RESOLUTION OF NECESSITY DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY REQUIRE THE ACQUISITION OF REAL PROPERTY DIRECTING THE COMMENCEMENT OF EMINENT DOMAIN PROCEEDINGS FOR THE STATE ROUTE 132 WEST FREEWAY/EXPRESSWAY PHASE 1 PROJECT RE: 310 LAUREL AVE., MODESTO, CA 95355 (APN 101-003-019), OWNER: JOSEPHINE THOMPSON BURRELL, AS TRUSTEE AND THE SUCCESSOR TRUSTEES OF THE JOSEPHINE THOMPSON BURRELL TRUST (CREATED BY DECLARATION OF THE TRUST DATED MARCH 18, 1999)

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (“Project”) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue; and

WHEREAS, the Project, will improve regional and interregional circulation, relieve traffic congestion along existing State Route 132 (SR-132)/Maze Boulevard, and improve traffic operations by creating a new alignment connecting SR-132 with the City of Modesto; and

WHEREAS, on October 10, 2017, Council approved a Measure L Cooperative Agreement with StanCOG (“StanCOG Cooperative Agreement”) for the Plans, Specifications and Estimates Stage of Phase 1 of the State Route 132 Project; and

WHEREAS, on October 24, 2017, Council approved a Joint Powers Agreement with Stanislaus County (“City/County JPA”) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its authority under State law to acquire real property for the purposes of the Project; and

WHEREAS, on March 2, 2018, the California Department of Transportation (“Caltrans”) approved the Environmental Document and selected Project Alternative 2; and

WHEREAS, on August 8, 2018, Council approved a Cooperative Agreement between the City of Modesto and Caltrans (“City/Caltrans Cooperative Agreement”); and

WHEREAS, the City is vested by law with the authority to acquire real property and exercise the power of eminent domain to acquire real property under the provisions and authority of and for the purposes and uses authorized by Article 1, Section 19 of the Constitution of the State of California, Government Code sections 37350.5, 37353, 39792, 40401, 40404, Streets & Highways Code sections 104, 113, 114, 116, 130, 1810, 10102, and by California Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510 and 1240.610, and pursuant to the City/Caltrans Cooperative Agreement; and

WHEREAS, pursuant to Code of Civil Procedure section 1240.140, the Joint Exercise of Powers Act (Government Code sections 6500, *et seq.*), and City/County JPA, Stanislaus County delegated to the City its authority to acquire and condemn property for the Project pursuant to Article I, Section 19 of the Constitution of the State of California, Government Code section 25350.5, Streets and Highways Code sections 104, 116, 130, 760 and 943, Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510, and 1240.610, and Streets & Highways Code sections 104, 116, 130 and 760; and

WHEREAS, it is desirable and necessary for the City to acquire certain real property interests in fee and a 24-month temporary construction easement, from property

located at 310 Laurel Ave., Modesto, CA 95355 (APN 101-003-019), as more particularly described and depicted in **Exhibit A attached** hereto and made a part hereof by this reference, for the construction of the Project; and

WHEREAS, the City and Caltrans have investigated and examined alternatives to the Project and the acquisition of the Property, and concluded that both the Project and the acquisition of the Property for the Project are necessary; and

WHEREAS, the requirements of the California Environmental Quality Act (“CEQA”) and National Environmental Policy Act (“NEPA”) have been satisfied for the Project; and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to the owner(s) of the property herein, all of whom have been given a reasonable opportunity to appear and be heard before the City Council of the City of Modesto at the time and place set forth in said notice, regarding the matters specified therein.

NOW, THEREFORE, IT IS FOUND AND DETERMINED as follows:

1. The public interest and necessity require the Project.
2. The Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
3. The property described and depicted in **Exhibit A** hereto is necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code, together with the accompanying statement of the amount established as just compensation, has

been made to the owner or owners of record, which offer and statement were in a format and contained the information required by Government Code Section 7267.2.

5. The City has complied with all conditions and statutory requirements, including those prescribed by CEQA and NEPA, that are necessary for approval and adoption of the Project.

6. All conditions and statutory requirements necessary to exercise the power of eminent domain (“the right to take”) to acquire the property described herein have been complied with by the City.

7. Insofar as any portion of the property has heretofore been appropriated for public use, the proposed use set forth herein will not unreasonably interfere with or impair the continuation of the public use as it exists or may reasonably be expected to exist in the future, and is therefore a compatible public use pursuant to Code of Civil Procedure Section 1240.510, or, as applicable, constitutes a more necessary public use to which the property is appropriated pursuant to Code of Civil Procedure Section 1240.610.

8. The City Attorney and/or his designee, is hereby authorized and empowered to acquire in the name of the City of Modesto by condemnation the property described and depicted in **Exhibit A** hereto; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as is necessary for such acquisition and to make such action as may be deemed advisable or necessary in connection therewith; to deposit the probable amount of just compensation, based on an approved appraisal.

9. An order for prejudgment possession may be obtained in said condemnation proceeding and a warrant issued to the State Treasury Condemnation

Fund, in the amount based on the approved appraisal, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

BE IT FURTHER RESOLVED, that the recitals contained hereinabove are true and correct, and all the findings and determinations made by the City Council pursuant to this Resolution are based upon substantial evidence in the entire record before the City Council, and are not based solely on the information provided in this Resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

SR132 Phase 1 Construction Project
The Josephine Thompson Burrell Trust to City of Modesto
APN: 101-003-019

Legal description:

ALL that certain real property, being a portion of the lands described in Grant Deed to Josephine Thompson Burrell, trustee and the Successor Trustees of the Josephine Thompson Burrell Trust (created by Declaration of the Trust dated March 18, 1999), filed for record April 27, 2000 as Document No. 2000-0032543, Stanislaus County Records, and situate in the southwest quarter of Section 29, Township 3 South, Range 9 East, Mount Diablo Meridian, County of Stanislaus, State of California, lying northeasterly of the following described line:

COMMENCING at a 6" x 6" concrete monument with a 5" square brass plate in a monument well at the southwest corner of said Section 29, from which a 2" iron pipe, no tag, at the West 1/4 corner of said Section 29 bears North 00°15'58" West 2646.66 feet; thence North 10°54'07" West 1714.22 feet to a point on the southwest right-of-way line of State Highway Route 99, said point being the northwest terminus of the line labeled "N. 52°22'45" W. 452.41'", as shown on State Highway Map Route 99, Post Mile 16.7, sheet 17 of 23 sheets, on file at the Surveyor's Office of the County of Stanislaus as file No. B-9A-PS-32, and the **TRUE POINT OF BEGINNING**;

thence (1), along the southwest right-of-way line of said State Highway, South 52°04'22" East 499.84 feet;

thence (2), leaving said southwesterly right-of-way line and proceeding South 51°25'59" East 416.89 feet to the beginning of a curve concave to the southwest having a radius of 2925.00 feet;

thence (3), Southeasterly 721.97 feet along the arc of said curve through a central angle of 14°08'32" to a point on said southwest right-of-way line;

thence (4), along said, non-tangent, southwest right-of-way line South 00°33'18" East 19.66 feet to the South terminus of the line labeled "24.17'" of said State Highway Map, and the terminal point of this description, said terminal point bears North 57°07'08" East 1071.36 feet from aforementioned southwest corner of Section 29.

Containing (506 square feet Grid), 506 square feet [0.01 acres] Ground, more or less.

This conveyance is made for the purpose of a freeway and the grantor hereby relinquishes to the grantee any and all abutter's rights including access rights, appurtenant to grantors' remaining property, in and to said freeway.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

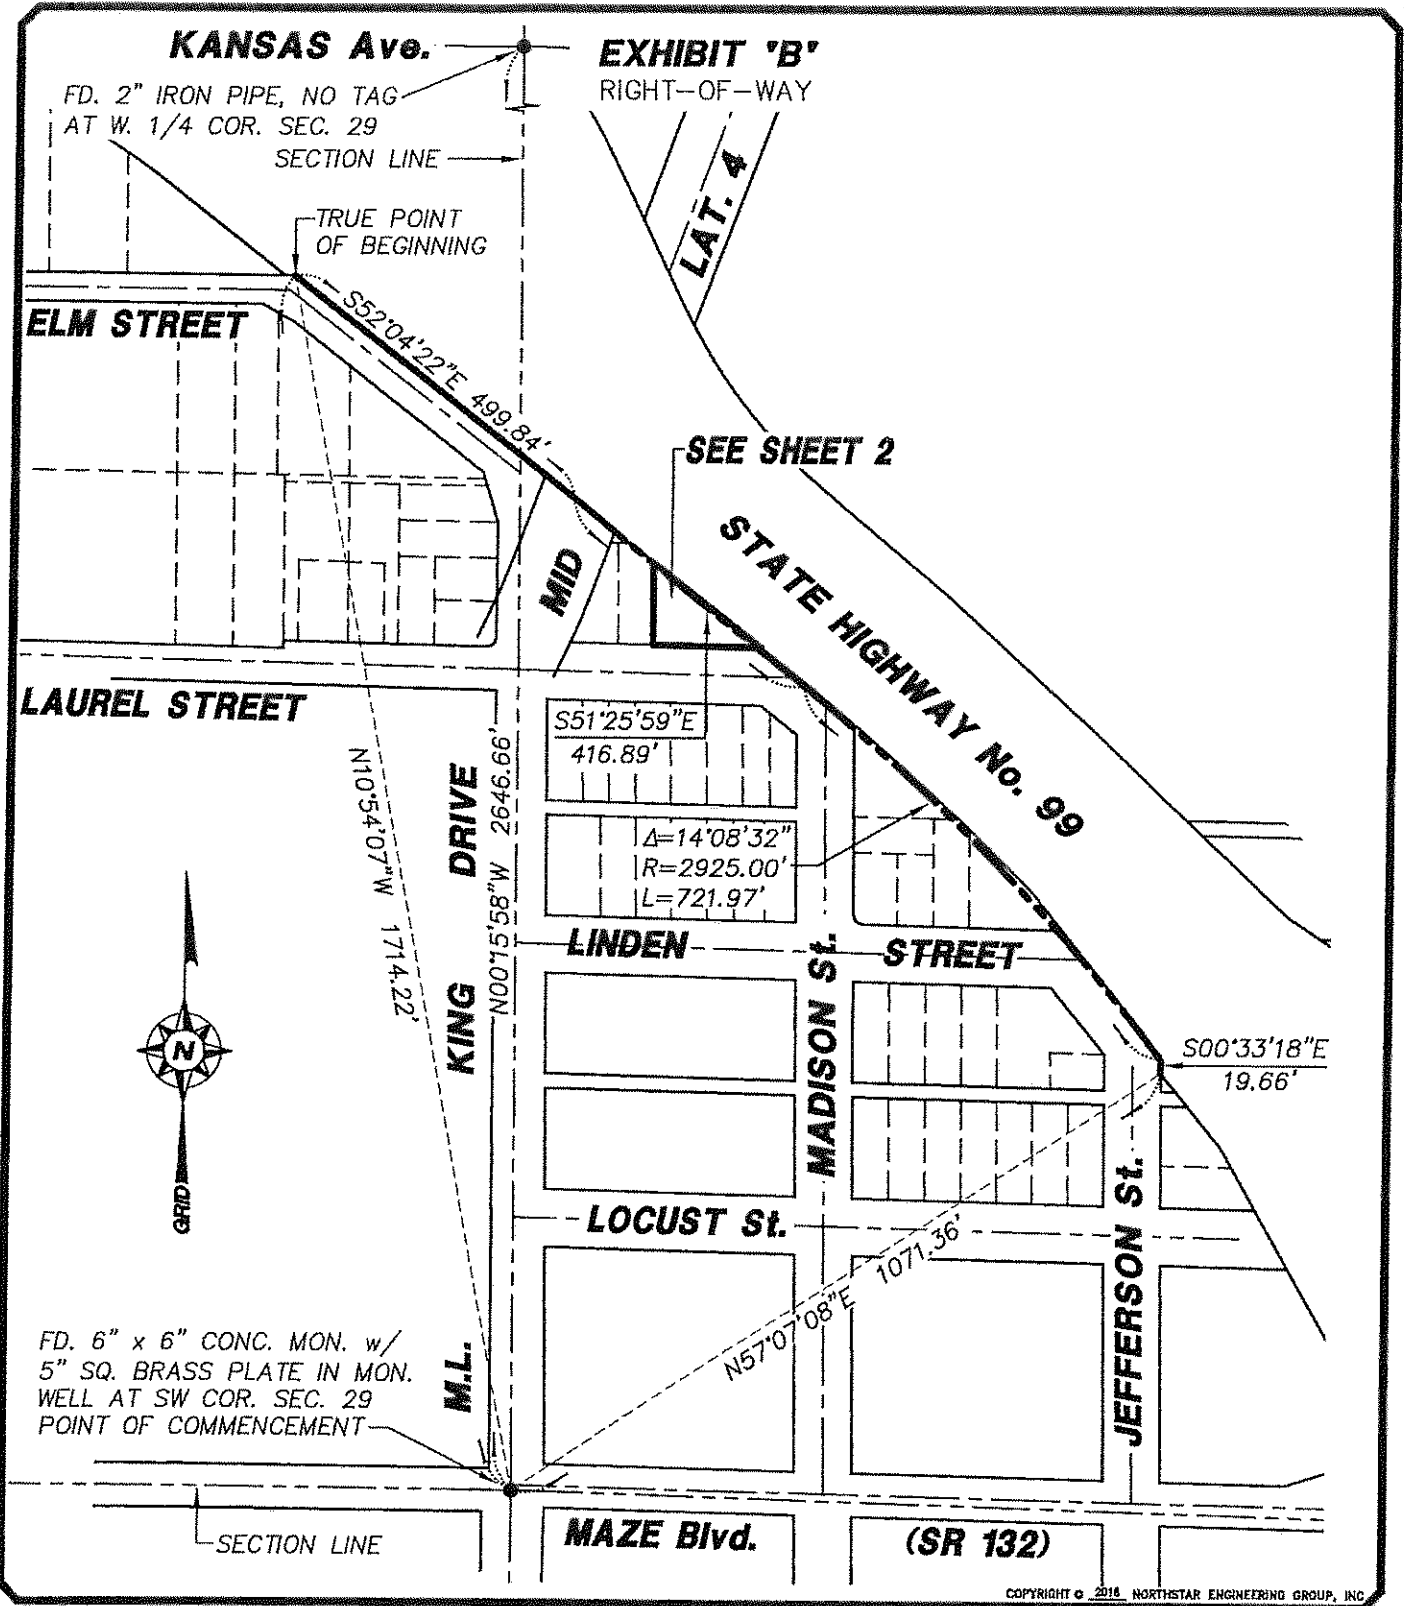

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

Temporary Construction Easement

SR132 Phase 1 Construction Project

The Josephine Thompson Burrell Trust to City of Modesto

APN: 101-003-019

Legal description:

ALL that certain real property, being a portion of the lands described in Grant Deed to Josephine Thompson Burrell, trustee and the Successor Trustees of the Josephine Thompson Burrell Trust (created by Declaration of the Trust dated March 18, 1999), filed for record April 27, 2000 as Document No. 2000-0032543, Stanislaus County Records, and situate in the southwest quarter of Section 29, Township 3 South, Range 9 East, Mount Diablo Meridian, County of Stanislaus, State of California, and more particular described as follows:

A strip of land 5.00 feet wide, coincident with and lying southwesterly of the following described line:

COMMENCING at a 6" x 6" concrete monument with a 5" square brass plate in a monument well at the southwest corner of said Section 29, from which a 2" iron pipe, no tag, at the West 1/4 corner of said Section 29 bears North 00°15'58" West 2646.66 feet; thence North 10°54'07" West 1714.22 feet to a point on the southwest right-of-way line of State Highway Route 99, said point being the northwest terminus of the line labeled "N. 52°22'45" W. 452.41'", as shown on State Highway Map Route 99, Post Mile 16.7, sheet 17 of 23 sheets, on file at the Surveyor's Office of the County of Stanislaus as file No. B-9A-PS-32, and the **TRUE POINT OF BEGINNING**;

thence (1), along the southwest right-of-way line of said State Highway, South 52°04'22" East 499.84 feet;

thence (2), leaving said southwesterly right-of-way line and proceeding South 51°25'59" East 416.89 feet to the beginning of a curve concave to the southwest having a radius of 2925.00 feet;

thence (3), Southeasterly 721.97 feet along the arc of said curve through a central angle of 14°08'32" to a point on said southwest right-of-way line;

thence (4), along said, non-tangent, southwest right-of-way line South 00°33'18" East 19.66 feet to the South terminus of the line labeled "24.17'" of said State Highway Map, and the terminal point of this description, said terminal point bears North 57°07'08" East 1071.36 feet from aforementioned southwest corner of Section 29.

Containing (903 square feet Grid), 903 square feet [0.02 acres] Ground, more or less.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

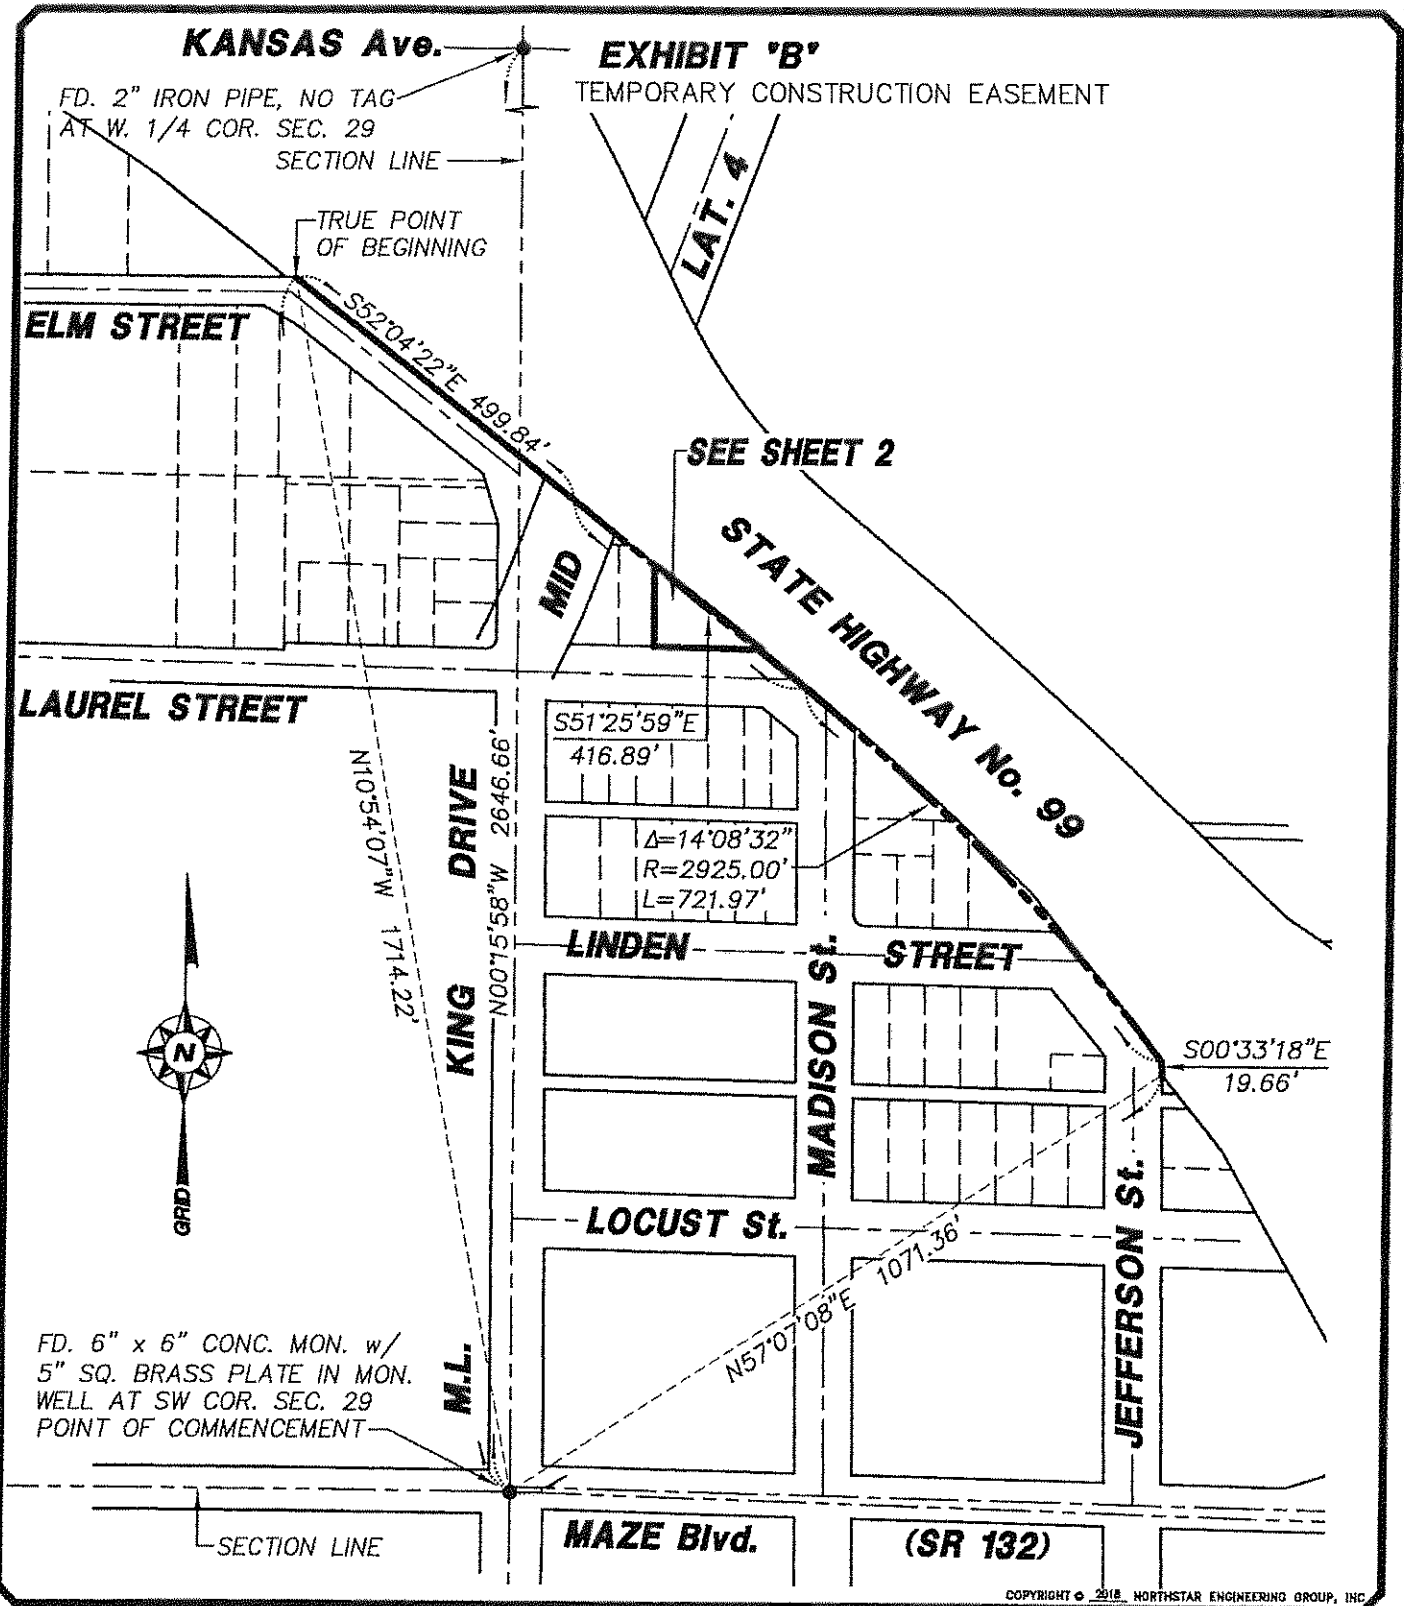

Rights to the above described temporary easement shall cease and terminate on December 31, 2020.

Said rights may also be terminated prior to the above date by (GRANTEE) upon notice to GRANTOR.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-355**

RESOLUTION OF NECESSITY DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY REQUIRE THE ACQUISITION OF REAL PROPERTY DIRECTING THE COMMENCEMENT OF EMINENT DOMAIN PROCEEDINGS FOR THE STATE ROUTE 132 WEST FREEWAY/EXPRESSWAY PHASE 1 PROJECT RE 612 NORTH FRANKLIN STREET & 309 BEECH STREET, MODESTO, CA 95351 (APNS 101-002-007 AND 101-002-008), OWNER: WILLIAM BRENT BURNSIDE AND STEPHANIE A. BURNSIDE, HUSBAND AND WIFE, AS JOINT TENANTS

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (“Project”) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue; and

WHEREAS, the Project, will improve regional and interregional circulation, relieve traffic congestion along existing State Route 132 (SR-132)/Maze Boulevard, and improve traffic operations by creating a new alignment connecting SR-132 with the City of Modesto; and

WHEREAS, on October 10, 2017, Council approved a Measure L Cooperative Agreement with StanCOG (“StanCOG Cooperative Agreement”) for the Plans, Specifications and Estimates Stage of Phase 1 of the State Route 132 Project; and

WHEREAS, on October 24, 2017, Council approved a Joint Powers Agreement with Stanislaus County (“City/County JPA”) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its authority under State law to acquire real property for the purposes of the Project; and

WHEREAS, on March 2, 2018, the California Department of Transportation (“Caltrans”) approved the Environmental Document and selected Project Alternative 2; and

WHEREAS, on August 8, 2018, Council approved a Cooperative Agreement Between the City of Modesto and Caltrans (“City/Caltrans Cooperative Agreement”); and

WHEREAS, the City is vested by law with the authority to acquire real property and exercise the power of eminent domain to acquire real property under the provisions and authority of and for the purposes and uses authorized by Article 1, Section 19 of the Constitution of the State of California, Government Code sections 37350.5, 37353, 39792, 40401, 40404, Streets & Highways Code sections 104, 113, 114, 116, 130, 1810, 10102, and by California Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510 and 1240.610, and pursuant to the City/Caltrans Cooperative Agreement; and

WHEREAS, pursuant to Code of Civil Procedure section 1240.140, the Joint Exercise of Powers Act (Government Code sections 6500, *et seq.*), and City/County JPA, Stanislaus County delegated to the City its authority to acquire and condemn property for the Project pursuant to Article I, Section 19 of the Constitution of the State of California, Government Code section 25350.5, Streets and Highways Code sections 104, 116, 130, 760 and 943, Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510, and 1240.610, and Streets & Highways Code sections 104, 116, 130 and 760; and

WHEREAS, it is desirable and necessary for the City to acquire the fee interest in the real property located at 612 North Franklin Street & 309 Beech Street, Modesto, CA

95351 (101-002-007 and 101-002-008), as more particularly described in **Exhibit A** attached hereto and made a part hereof by this reference, for the construction of the Project; and

WHEREAS, the City and Caltrans have investigated and examined alternatives to the Project and the acquisition of the Property, and concluded that both the Project and the acquisition of the Property for the Project are necessary; and

WHEREAS, the requirements of the California Environmental Quality Act (“CEQA”) and National Environmental Policy Act (“NEPA”) have been satisfied for the Project; and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to the owner(s) of the property herein, all of whom have been given a reasonable opportunity to appear and be heard before the City Council of the City of Modesto at the time and place set forth in said notice, regarding the matters specified therein.

NOW, THEREFORE, IT IS FOUND AND DETERMINED as follows:

1. The public interest and necessity require the Project.
2. The Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
3. The property described in **Exhibit A** hereto is necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code, together with the accompanying statement of the amount established as just compensation, has been made to the owner or owners of record, which offer and statement were in a format and contained the information required by Government Code Section 7267.2.

5. The City has complied with all conditions and statutory requirements, including those prescribed by CEQA and NEPA, that are necessary for approval and adoption of the Project.

6. All conditions and statutory requirements necessary to exercise the power of eminent domain (“the right to take”) to acquire the property described herein have been complied with by the City.

7. Insofar as any portion of the property has heretofore been appropriated for public use, the proposed use set forth herein will not unreasonably interfere with or impair the continuation of the public use as it exists or may reasonably be expected to exist in the future, and is therefore a compatible public use pursuant to Code of Civil Procedure Section 1240.510, or, as applicable, constitutes a more necessary public use to which the property is appropriated pursuant to Code of Civil Procedure Section 1240.610.

8. The City Attorney and/or his designee, is hereby authorized and empowered to acquire in the name of the City of Modesto by condemnation the property described in **Exhibit A** hereto; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as is necessary for such acquisition and to make such action as may be deemed advisable or necessary in connection therewith; to deposit the probable amount of just compensation, based on an approved appraisal.

9. An order for prejudgment possession may be obtained in said condemnation proceeding and a warrant issued to the State Treasury Condemnation Fund, in the amount based on the approved appraisal, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

BE IT FURTHER RESOLVED, that the recitals contained hereinabove are true and correct, and all the findings and determinations made by the City Council pursuant to this Resolution are based upon substantial evidence in the entire record before the City Council, and are not based solely on the information provided in this Resolution.

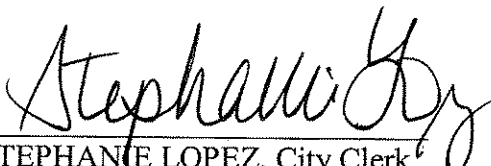

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Grewal, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-356**

RESOLUTION APPROVING THE ESTABLISHMENT OF A CAPITAL IMPROVEMENT PROJECT FOR EMERGENCY DIGITAL UPGRADES TO THE FIRE DEPARTMENT'S COMMAND 5 RADIO INFRASTRUCTURE, APPROPRIATING A \$125,000 TRANSFER FROM THE FIRE DEPARTMENT GENERAL FUND OPERATING BUDGET TO ESTABLISH THE PROJECT'S EXPENDITURE BUDGET

WHEREAS, the Fire Department VHF radio system is outdated and failing, and

WHEREAS, in 2013, the Federal Communication Commission (FCC) required the narrow banding of radio frequencies and the existing infrastructure of the Fire Department's radio system was not capable of this change, and

WHEREAS, to keep the radio system functional within the FCC regulations, the department has been using out of service equipment that is no longer serviceable, and

WHEREAS, the existing radio system reached a critical failure point in June 2018 when Modesto firefighters in the field were not able to communicate with Stanislaus Regional 911 or each other, and

WHEREAS, the Fire Department has identified a total of \$125,000 to be reduced from its existing General Fund Operating Expense Budget to be used to establish a transfer out from the General Fund to the Capital Improvement Project for the equipment to be purchased and the work to be completed.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the establishment of a Capital Improvement Project for the Fire Department's Command 5 radio infrastructure emergency upgrade, and the appropriation of \$125,000 to said project from a reduction of \$125,000 in the Fire Department General Fund Operating Expense Budget to be transferred into the capital project.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Zoslocki, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

NOES: Councilmembers: None

ABSENT: Councilmembers: None

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-357**

RESOLUTION APPROVING A PURCHASE ORDER WITH HARRIS CORPORATION, OF LYNCHBURG, VIRGINIA FOR THE COMMAND 5 GATEWAY AND SITE EQUIPMENT AND TRUNKED ANALOG GATEWAY, A PURCHASE ORDER WITH TESSCO TECHNOLOGIES OF HUNT VALLEY, MARYLAND FOR COMMAND 5 SIMULCAST DUPLEXER EQUIPMENT, AND A PURCHASE ORDER WITH HOWELL COMMUNICATIONS INC. OF RAYMOND, CALIFORNIA FOR INSTALLATION OF ANTENNAS AT DESIGNATED COMMUNICATIONS LOCATIONS FOR A TOTAL PROJECT AMOUNT NOT TO EXCEED \$125,000 FOR THE FIRE DEPARTMENT'S COMMAND 5 RADIO INFRASTRUCTURE DIGITAL UPGRADE AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE, TO ISSUE THE PURCHASING ORDERS

WHEREAS, the Fire Department VHF radio system is outdated and failing, and

WHEREAS, in 2013, the Federal Communication Commission (FCC) required the narrow banding of radio frequencies and the existing infrastructure of the Fire Department's radio system was not capable of this change, and

WHEREAS, to keep the radio system functional within the FCC regulations, the department has been using out of service equipment that is no longer serviceable, and

WHEREAS, beginning in 2011, the City and Stanislaus County partnered together to address the radio communication needs of law enforcement, and

WHEREAS, beginning in 2011, the City and Stanislaus County partnered together to address the radio communication needs of law enforcement, and

WHEREAS, on December 13, 2011, by Resolution No. 2011-473, Council authorized Stanislaus County to issue and award the proposal for the P25 Simulcast Cell, Digital Trunking Public Safety Communication Equipment, and

WHEREAS, on April 30, 2012, by County Board of Supervisors Resolution No. 2012-134, the Stanislaus County Board of Supervisors awarded the contract to Tait North

America, Inc., and

WHEREAS, on September 30, 2014, by County Board of Supervisors Resolution No. 2014-500, the Stanislaus County Board of Supervisors approved the contract amendment for Phase Two of the project which entailed completing the installation and commission of four of the five sites. Phase Three, the final stage, would complete the fifth site of the Interoperability Project, and

WHEREAS, on October 14, 2014, by Resolution No. 2014-424, Council authorized installation of a 160 ft. tower at Fire Station No. 6. This addition to the system provided much needed interoperability and improved radio communications, and

WHEREAS, all of the above actions have put into place the core infrastructure needed for law enforcement agencies in Stanislaus County to move away from an outdated communication system, and

WHEREAS, Modesto Fire, like many fire agencies, has not had sufficient funding to be able to keep up with the technology changes, and

WHEREAS, the existing radio system reached a critical failure point in June 2018 when Modesto firefighters in the field were not able to communicate with Stanislaus Regional 911 or each other, and

WHEREAS, Stanislaus Regional 911, the County's emergency dispatch center and technical expert, has provided pricing for the compatible equipment and labor necessary to upgrade Command 5 and place it back in service, and

WHEREAS, the three vendors that will provide compatible equipment and labor were limited to those who produce equipment that is compatible with the infrastructure already in existence at the dispatch center, and

WHEREAS, Modesto Municipal Code (MMC) Section 8-3.203 generally requires all purchases that meet or exceed \$50,000 for material, equipment or contractual services to be formally bid, and

WHEREAS, however, Section 8-3.204 provides exemptions to the formal bid process. Modesto Municipal Code Section 8-3.204(d) states “Where the Purchasing Manager, in his or her discretion, determines that a process other than the formal bid procedure set forth in Section 8.3-203 will result in a procurement for the City at the lowest possible cost commensurate with the desired quality. Such alternatives may include, but are not limited to, a “two step” procurement process or a procurement based solely on a technical evaluation”, and

WHEREAS, in addition, Section 8-204(c) states “Where the Purchasing Manager, in his or her discretion, determines that calling for bids on a competitive basis as set forth in Section 8-3.203 is undesirable due to exigent circumstances”, and

WHEREAS, the purchase of the P25 Simulcast Cell, Digital Trunking Public Safety Communication Equipment conforms to the Modesto Municipal Code.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes purchase orders with Harris Corporation of Lynchburg, Virginia, Tessco Technologies of Hunt Valley, Maryland, and Howell Communications Inc. of Raymond, California for a total project amount not to exceed \$125,000 for the Fire Department’s Command 5 radio infrastructure digital upgrade.

BE IT FURTHER RESOLVED that the Purchasing Manager, or her designee, is hereby authorized to issue the purchasing orders.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2018, by Councilmember Zoslocki, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-358**

**RESOLUTION AMENDING SECTION 6 AND 16 OF THE HOUSING AND
URBAN DEVELOPMENT POLICIES & PROCEDURES MANUAL**

WHEREAS, in order to align with current program guidelines and replace older program policies, Section 6 (Housing Rehabilitation Program), and Section 16 (Four Factor Analysis for Limited English Proficient Persons and Language Assistance Plan) needed to be updated, and

WHEREAS, the updated Housing Rehabilitation Program Policies & Procedures included as **Attachment 1**, and Four Factor Analysis for Limited English Proficient Persons and Language Assistance Plan included as **Attachment 2**, and

WHEREAS, to update Section 6 of the Housing Rehabilitation Program Policies and Procedures, Section 4.5.5 Homeowner Eligibility – the Housing Rehabilitation Loan Committee (HRLC) will consider applications on a case by case basis, and

WHEREAS, the HRLC will have the discretion to consider any extenuating circumstances for a homeowner who may not meet the Homeowner Eligibility Guidelines and may decide to approve the application a based on such extenuating circumstances, and

WHEREAS, applicants with Debt to Income ratios outside the limits established within these policies may be considered for assistance if the Debt to Income ratio is within 10% of the current Homeowner Rehabilitation Program Policies & Procedures guidelines, and

WHEREAS, applicants who have defaulted on payments, but a payment plan have been established, and applicant is current on those payments, and

WHEREAS, to update Section 16 Four Factor Analysis for Limited English Proficient Persons and Language Assistance Plan, and

WHEREAS, Section 6 – Limited English Proficient persons (LEP) updates to translation services, outreach, training and monitoring to ensure compliance with the HUD Office of Fair Housing and Equal Opportunity Voluntary Compliance Agreement.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby amends Section 6 and 16 of the Housing and Urban Development Policies & Procedures Manual.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

Homeowner Rehabilitation Program Policies & Procedures

1.0 APPLICABLE LAWS AND REGULATIONS

- 1.1 All Housing Rehabilitation Program activities shall be conducted in accordance with all applicable federal, state, and local program funding standards, building codes, and zoning ordinance requirements.
- 1.2 All work conducted in accordance with an approved Housing Rehabilitation Program activity shall be consistent with program funding requirements and any locally approved repair and replacement standards including, but not limited to: site improvements, windows and doors, roofing, ventilation, electrical, plumbing systems, HVAC, accessibility, and abatement of hazardous materials (i.e. mold, lead based paint, etc).
- 1.3 All terms used within these policies shall be as defined by applicable funding source(s) or other locally approved Housing Rehabilitation Program policies and/or standards.
- 1.4 All program applications will be processed in accordance to the date of receipt of a complete application and are subject to available funding.

2.0 ELIGIBLE REPAIRS (in order of priority)

- 2.1 Health and Safety repairs as determined by utilization of the City of Modesto HUD Housing Quality Standards (HQS) inspection analysis.
- 2.2 Spot Rehabilitation Eligible non-health and safety related repairs (e.g. - required by State or local Building Code).

Accessibility Repairs to make the home accessible for disabled household members.

- 2.3 Energy Efficiency Improvements may be conducted along with any of the eligible repairs listed above. Energy efficiency improvements may include, but are not limited to:
 - 2.3.1 Replacing single pane windows with double pane windows;
 - 2.3.2 Replacing antiquated water heater;
 - 2.3.3 Replacing antiquated HVAC system;
 - 2.3.4 Weatherization improvements.
- 2.4 Applicant Must Exhaust All Other Available Funding Sources in order to comply with program funding requirements, the applicant must exhaust all other viable program alternatives/resources that may provide assistance to address any of the above eligible repairs. The Housing Finance Specialist in coordination with the Housing Rehabilitation Specialist shall conduct a resource coordination analysis to ensure the applicant has taken advantage of any other resources that may be available prior to receiving assistance via the City of Modesto's Housing Rehabilitation Program.

3.0 PROPERTY ELIGIBILITY:

- 3.1 The assisted property shall be located within the city limits of the City of Modesto.

- 3.2 The assisted property shall contain a legal residential structure intended for continued residential occupancy and meet applicable rehabilitation standards and ordinances at the time of project completion.
- 3.3 A manufactured home (mobile home) in a mobile home park or on leased land that is not on a permanent foundation may only qualify for a grant as allowed under ~~Section 9.0~~MANUFACTURED HOMES Section of these policies.
- 3.4 The assisted property shall be owner-occupied and shall be the principal place of residency of owner-occupants (hereafter "Borrowers") and hold legal title to the property.

4.0 HOMEOWNER ELIGIBILITY:

- 4.1 All Borrower households shall have incomes at or below 80 percent (80%) of the Stanislaus County Area Median Income (AMI), adjusted for household size, as published annually by the California State Department of Housing and Community Development (HCD) or United States Department of Housing and Urban Development (HUD). The applicable AMI shall be as required by available funding source(s).
- 4.2 Borrowers without a mortgage shall demonstrate a debt-to-income ratio sufficient to allow for the on-going annual payments of property tax and any insurance required as a result of the Housing Rehabilitation Program assistance.
- 4.3 Borrowers with a mortgage shall show that all mortgage, property tax, and insurance payments are current, with no late payments having been received within the past twelve months, and meet both of the following debt-to-income ratios:
 - 4.3.1 Front end (housing) debt-to-income ratio shall not exceed 35 percent (35%) and is the percentage of a Borrower's gross monthly income (before deductions) that would cover the cost of the loan principal and interest payment, property taxes, property insurance, mortgage insurance, and HOA dues, if any.
 - 4.3.2 Back-end (total debt obligation) debt-to-income ratio shall not exceed 45 percent (45%), and is the percentage of the borrower's gross monthly income that includes the cost of housing as described in ~~Section 4.0 C~~ the Front End ratio above, plus any other monthly debt payments such as car loans, personal loans, credit card debt, or child support and alimony payments.

4.4 Credit Report and Liabilities

- 4.4.1 The Housing Financial Specialist (HFS) must obtain a signed "Authorization to Verify Information" and/or "Eligibility Release Form" from the applicant authorizing the City to pull a credit report, or to verify any information with a third party.
- 4.4.2 The HFS shall pull the applicant(s) credit report within three business days of determining income eligibility. The HFS shall order a credit report through the City of Modesto's secure account held with a major credit bureau (e.g. Equifax, Experian, or Transunion). A credit report shall be pulled for all program applicants.
- 4.4.3 If the applicant is eligible for a deferred payment loan, the credit report should be reviewed to determine if any public liens will be in prior position to the City loan, or to compare the applicant's actual credit liabilities with the liabilities listed on the application. The credit report should be used for verification of information. The

credit score is not relevant for a deferred payment loan. Debt-to-income guidelines should be used to demonstrate the household's ability to continue to live in the home.

- 4.4.4 If the applicant is eligible for an amortized loan, the credit report should be analyzed for a credit score, verification of debts, and ability and willingness to repay the loan. The HFS shall use debt-to-income ratios allowable under this policy as a guideline for payment affordability. If the household income is non-taxable, income can be grossed up for non-taxability, using the 25% guideline. If the payment is not affordable or a hardship exists, the HFS should discuss this with management and obtain guidance on how to proceed.
- 4.4.5 Special Note: Household income must be collected on all qualifying adult household members per HUD guidelines. However, only the credit liabilities of the applicant will be used in the credit liability calculation. Adult members of the household who are not on title are not a party to the loan transaction.
- 4.5 Borrowers shall meet the following credit worthiness criteria:
 - 4.5.1 No outstanding judgments or liens at the time of loan approval or loan execution. As part of application for assistance, Borrower shall disclose any personal liens that may attach to the property. Failure to disclose any pertinent information that may affect eligibility may be grounds for denial of assistance and application withdrawal. To identify any personal liens, a Judgment and Tax Lien Guarantee search of Borrowers and Preliminary Title Report search on the property shall be conducted after Housing Rehabilitation Loan Committee (HRLC) approval.
 - 4.5.2 Outstanding collections must be paid prior to HRLC approval, unless the HRLC determines, on a case by case basis, that the circumstances that led to collection were outside of the applicant's control, and the payment of the outstanding collection(s) will not impact the applicant's ability to financially retain ownership.
 - 4.5.3 Late payments due to extenuating circumstances will be considered as part of the approval process. Factors leading to late payments will be reviewed and considered on a case by case basis.
 - 4.5.4 Borrower shall not have filed bankruptcy, or received a bankruptcy discharge, in the last three (3) years prior to date of application.
 - 4.5.5 Homeowner Eligibility – the Housing Rehabilitation Loan Committee (HRLC) will consider applications on a case by case basis. The HRLC will have the discretion to consider any extenuating circumstances for a homeowner who may not meet the Homeowner Eligibility Guidelines and may decide to approve the application a based on such extenuating circumstances.
 - 4.5.5.1 Applicants with Debt to Income ratios outside the limits established within these policies may be considered for assistance if the Debt to Income ratio is within 10% of the current Homeowner Rehabilitation Program Policies & Procedures guidelines.
 - 4.5.5.2 Applicants who have defaulted on their property taxes may be considered for assistance if a payment plan has been established with the Stanislaus County Treasurer/Tax Collector's Department and applicant is current on those payments.
- 4.6 If at any time the Borrowers filed bankruptcy that resulted in a discharge of any debt owed to City of Modesto, or the former City of Modesto Redevelopment Agency, for housing rehabilitation or down payment assistance, the HRLC shall evaluate the circumstances of the bankruptcy in order to determine if further assistance may be provided without further risk to funding investment.

- 4.7 Borrowers shall not be a person, or the immediate family of any person, who is in a decision-making position relative to the Housing Rehabilitation Program.
- 4.8 Process:
 - 4.8.1 Housing Finance Specialist determines general program eligibility, including income limits and lending loan-to-value ratios along with a process to determine all other funding opportunities have been explored/exhausted (technical assistance);
 - 4.8.2 Housing Rehabilitation Specialist determines properties needs via Housing Quality Standards (HQS) inspection (pre-1978 visual Lead Based Paint Inspection conducted);
 - 4.8.3 Housing Rehabilitation Specialist scope of work via Rehab Pro Direct to supervisor;
 - 4.8.4 HRLC reviews for consideration and approval of the overall project proposal;
 - 4.8.5 Housing Rehabilitation Specialist processes approved projects through the bid process;
 - 4.8.6 Application inquiry through program completion within 90-days, unless there are extenuating circumstances beyond staff control (e.g. – rain delays);
 - 4.8.7 Quarterly program updates provided to HRLC.

5.0 MAXIMUM AMOUNT OF PROGRAM ASSISTANCE (24 CFR 570.208 (a)(3);(b), and 24 CFR 570.202):

- 5.1 An eligible Borrower may qualify for the full cost of rehabilitation/reconstruction work needed to address any Eligible Repairs outlined in ~~Section 2.0~~ELIGIBLE REPAIRS Section, and/or comply with state and local codes and ordinances; however, the maximum assistance shall not exceed any maximum subsidy established by the funding source(s) utilized to fund the project.
 - 5.1.1 Reconstruction shall only be authorized when the cost of rehabilitation will exceed 75 percent of the current estimated value of the property, as determined by the Housing Financial Specialist;
 - 5.1.2 Loan amount is determined by the repairs/modifications that are required or eligible, as requested and approved by the owner, Community Development Manager or his/her designee.
 - 5.1.3 Maximum amounts are as follows:
 - 5.1.3.1 Grants up to \$10,000 require HRLC acknowledgement in order for staff to proceed;
 - 5.1.3.2 Loans up to \$49,999 require HRLC approval in order for staff to proceed;
 - 5.1.3.3 Loans of \$50,000 or more require HRLC approval and subsequent City Council approval in order for staff to proceed.
 - 5.1.4 Additional loans may be granted within applicants overall loan-to-value ratios;
 - 5.1.5 Emergency repairs of up to \$5,000 may be authorized by the Director of Community and Economic Development if it poses an “extreme health and safety related emergency (e.g. – plumbing or electrical hazards).

6.0 MAXIMUM AFTER REHABILITATION VALUE

The after rehabilitation value of a home assisted under this program shall not exceed 100% of the current median sales price of a single family home listed for the City of Modesto. This information may be obtained by collecting comparable sales data from sources including but not limited to Zillow, Trulia, Data Quick, Realty Trac, Real Quest, Epraisal.com, or FHA 203(b) loan limits. If necessary, the after rehabilitation value may be determined by ordering a professional appraisal. An After Rehabilitation Value Limit Worksheet must be completed and certified by the housing rehabilitation specialist and placed in the project file.

7.0 MAXIMUM COMBINED LOAN TO VALUE RATIO:

- 7.1 For CDBG funded loans, the total indebtedness against the assisted property shall not exceed 100% of the estimated after-rehabilitation value of the property as determined by "Estimates of Value" conducted by program staff using a Comparable Sales Approach, or an appraisal by a licensed appraiser if required by funding source.
- 7.2 For CalHome funded loans, the total indebtedness against the assisted property shall not exceed 100% of the estimated after-rehabilitation value of the property as determined by "Estimates of Value" conducted by program staff using a Comparable Sales Approach, or an appraisal by a licensed appraiser if required by funding source. An additional 5% maximum may be allowed, if allowed by funding source, to cover any eligible closing costs.
- 7.3 As part of application for assistance, Borrower shall disclose any personal liens that may attach to the property (failure to disclose any pertinent information that may affect eligibility may be grounds for denial of assistance and application withdrawal). To determine the total indebtedness assigned against the property, a title search of the property and Borrowers (for the purpose of verifying any personal liens that may attach to the property) shall be conducted after HRLC project approval.
- 7.4 An "Estimates of Value" using a Comparable Sales Approach shall be based on the sale prices of at least three (3) comparable properties, sold within the last twelve months and located within a one mile radius of the subject property. Any alternative methodology for determining estimated value must be approved by the HRLC.
- 7.5 In the case of a reconstruction, as allowed under Section ~~5.0.A.~~ MAXIMUM AMOUNT OF PROGRAM ASSISTANCE Section, the HRLC may consider approval of projects that exceed the CLTV limit of ~~Section 7.0.A. or 7.0.B.~~ provided all other criteria for assistance is met and the City of Modesto will be in first lien position.

8.0 RATES AND TERMS OF PROGRAM ASSISTANCE:

- 8.1 Eligible homeowners may receive a deferred payment loan evidenced by a Promissory Note and secured by a Deed of Trust, with no payback required for 20 years unless the borrower sells or transfers title or discontinues residence in the dwelling.
- 8.2 The following rates (simple interest) shall apply on City of Modesto housing rehabilitation loans, based on the household's Area Median Income (AMI) level:

<u>AMI</u>		<u>Interest Rate (simple interest)</u>
0-50%	=	0%
51-80%	=	3%
- 8.3 City of Modesto may accept voluntary payments on deferred loans. Loan payments will be credited to the principal first and then to interest. The borrower may repay the loan balance at any time with no pre-payment penalty. If it is determined by the City of Modesto that repayment of the loan at the maturity date causes a hardship to the homeowner, the City of Modesto may opt, with HRLC approval, the following:
 - 8.3.1 Amend the Promissory Note and Deed of Trust to defer repayment of the amount due at maturity, that is the balance of the original principal plus the accrued interest, for up

to an additional 20 years (at 0 percent additional interest). This may be offered one time; or,

8.3.2 Convert the debt to loan maturity; that is the balance of the original principal plus any accrued interest, to an amortized loan, repayable in 20 years at 0 percent additional interest.

8.4 Assistance to households with AMI levels between 81% and 120% may only be available if funding source allowing said limits is available. The following terms shall apply to loans made to households with AMI levels between 81% and 120%:

8.4.1 20 year Loan with monthly payments

8.4.2 3% simple interest

8.4.3 Must meet Debt to Income Ratio limits specified in ~~Section 4.~~ HOMEOWNER ELIGIBILITY SECTION.

8.5 In the event that a homeowner sells, transfers title, or discontinues residence in the rehabilitated property for any reason, the loan shall become due and payable.

8.6 Any other transfer of interest, due to homeowner death or other circumstances shall be subject to the requirements of the funding source(s) and shall be defined within the Promissory Note and/or Deed of Trust.

8.7 The HRLC may approve a request to subordinate a loan, in order for the owner to refinance the property. Refer to City of Modesto Subordination Policy for subordination approval criteria.

9.0 MANUFACTURED HOMES:

9.1 Assistance to manufactured homes on a non-permanent foundation will be provided as follows:

9.1.1 The total assistance provided to a manufactured home shall not exceed \$20,000 (combined total of all grants, if multiples).

9.1.2 Assistance to manufactured homes will be a one-time grant, subject to available funding allowing for grants.

9.1.3 Replacement shall only be considered when the cost of rehabilitation will exceed 75 percent of the current estimated value of the property, as determined by the Housing Financial Specialist.

10.0 BID SOLICITATION:

10.1 A detailed scope of work and project independent cost estimate developed by the Housing Rehabilitation Specialist (HRS) based on eligible repairs as listed in ELIGIBLE REPAIRS Section 2.0, shall be prepared and entered into Rehab Pro Direct prior to consideration for HRLC and bid submittal. The Scope of Work shall be approved by the Housing and Urban Development Supervisor and Borrower.

10.1.1 The independent cost estimate shall be established utilizing local market data and published construction cost guidelines.

10.1.2 The Housing and Urban Development Supervisor will review the independent cost estimate prepared by the HRS to ensure the cost estimate is reasonable based on local market data. See ~~section 14.0~~ COST REASONABLENESS Section for further details on Cost Reasonableness.

- 10.2 To comply with HUD requirements, a minimum of three bids by California Licensed Contractors shall be obtained prior to bid approval consideration. The City of Modesto will make every attempt to obtain the highest number of bids possible for every project.
- 10.3 Bids in excess of 15% of the HRLC approved amount must be brought back to HRLC for approval consideration.
 - 10.3.1 If determined appropriate by Housing Rehabilitation Specialist, bids solicitations may be requested from multiple contractors with different disciplines (i.e. general, electrical, roofing, and plumbing, etc.). This approach may be considered as a cost savings measure, if approved by the Housing and Urban Development Supervisor.

11.0 PROCUREMENT

- 11.1 Procurement projects under this program will occur after Housing Rehabilitation Loan Committee project approval. The HRLC will approve each project based on Housing Rehabilitation Cost Estimates. Upon project approval, project procurement will occur in alignment with the 15% cost reasonableness rule identified in ~~Section 14.0~~ COST REASONABLENESS Section.
- 11.2 Projects procured under the Homeowner Rehabilitation Program will be conducted in a manner that promotes full and open competition and avoid arbitray action in the procurement process. The following procurement process will be followed by the City:
 - 11.2.1 Procurement of contractors or other services related to the development of housing through either new construction or rehabilitation must be made on the basis of soliciting competitive bids. Advertisements for bids must include the following language: "This is a HUD funded project; Section 3 businesses and/or business that employ Section 3 residents are encouraged to respond."
 - 11.2.2 The projects will be publicly advertised through the City's PlanetBid system, when timing permits. All contractors registered on the City's PlanetBid system will receive notification of project availability.
 - 11.2.2.1 The Community Development Division will notify prospective bidders, when feasible, to encourage as wide a response as possible.
 - 11.2.3 The bid solicitation will include a brief scope of work description, project address, date of mandatory walkthrough, and date bids are due.
 - 11.2.4 Contracts will be awarded to responsible contractors who possess the ability to perform successfully under the terms and conditions of the proposed procurement. Non-responsible contractors will not be allowed to bid on City projects under this program for a the duration of the program year.
 - 11.2.5 Rehabilitation projects below \$50,000:
 - 11.2.5.1 Contracts under \$50,000 are considered a "Small Purchase" under the City's purchasing policies and HUD's procurement guidelines.
 - 11.2.5.2 The policy aligns with OMB Guidance Section 200.319 and 200.320

- 11.2.5.3 Projects under \$50,000 shall be purchased with three quotes, with public advertising through PlanetBid, if time permitted.
 - 11.2.5.4 The mandatory walkthrough will take place eight (8) business days from the date of bid posting. Contractors will have the opportunity to view project items to be repaired and ask any questions for clarification of bid specifications.
 - 11.2.5.5 Depending on the nature of questions addressed and clarification provided at the mandatory walkthrough, the Housing Rehab Specialist (HRS) may need to amend the project's Scope of Work. If this occurs, the HRS will issue an amended Scope of Work and release to all contractors who attended the mandatory walkthrough.
 - 11.2.5.6 Bid proposals from contractors will be due 8 calendar days from the mandatory walkthrough.
 - 11.2.5.7 All bids from contractors must be sent via email to housing@modestogov.com, or dropped off in person to 1010 10th Street, Suite 3100, Modesto CA 95354
 - 11.2.5.8 All bids will be reviewed by a program supervisor (e.g. HUD Supervisor or Senior Community Development Program Specialist) and recorded by a program specialist (e.g. Housing Financial Specialist or Housing Rehab Specialist).
 - 11.2.5.9 The HRS will summarize the lowest responsible bid results on the "Work Specification" document
 - 11.2.5.10 If less than three written quotes are obtained, an exception may be granted with justification documented and approved by the Purchasing Manager.
- 11.2.6 The applicant will be required to accept the lowest responsible bid with certain exceptions. Rejection of the low bidder without cause will result in cancellation of the project.
- 11.2.6.1 If on the basis of references, or the inability to start work within a reasonable timeframe, the property owner request to reject the low bidder, he/she must do so in writing. Upon confirmation of the reason for rejection by City staff, the low bidder will be rejected, and the next lowest bidder will be considered.
- 11.2.7 Upon selection of lowest responsible bidder, the HRS will prepare the respective documents for contractor, homeowner signatures, and City signatures (e.g. Housing Rehabilitation Contract and Grant/Loan Documents).
- 11.2.8 Once contracts are executed, City Staff will record loan documents with the Stanislaus County Recorder's Office.
- 11.2.9 Upon receipt of recorded documents, the HFS will:
- 11.2.9.1 Issue a Notice to Proceed to the contractor. The contractor will have seven (7) calendar days to begin work from the date of issuance.
 - 11.2.9.2 Route contracts for encumbrance the City's financial system.

11.3 Rehabilitation Projects over \$50,001:

- 11.3.1 In alignment with the City's Procurement policy, all projects in excess of \$50,001 will require HRLC approval and subsequent City Council approval, and must follow the City's Formal Bids/Proposals policy process as follows
- 11.3.1.1 Projects over \$50,01 shall be purchased with through the sealed bid process with obtaining three quotes, with public advertising through PlanetBid
 - 11.3.1.2 Procurement of contractors or other services related to the development of housing through either new construction or rehabilitation must be made on the basis of soliciting competitive sealed bids. Advertisements for bid must include the following language: "This is a HUD funded project; Section 3 businesses and/or business that employ Section 3 residents are encouraged to respond."
 - 11.3.1.3 The projects will be publicly advertised through the City's PlanetBid system. All contractors registered on the City's PlanetBid system will receive notification of project availability.
 - 11.3.1.3.1 The Community Development Division will notify prospective bidders, when feasible, to encourage as wide a response as possible.
 - 11.3.1.3.2
 - 11.3.1.4 The mandatory walkthrough will take place eight (8) business days from the date of bid posting. Contractors will have the opportunity to view project items to be repaired and ask any questions for clarification of bid specifications.
 - 11.3.1.5 Depending on the nature of questions addressed and clarification provided at the mandatory walkthrough, the Housing Rehab Specialist (HRS) may need to amend the project's Scope of Work. If this occurs, the HRS will issue an amended Scope of Work and release to all contractors who attended the mandatory walkthrough.
 - 11.3.1.6 Sealed bids from contractors will be due sixteen (16) calendar days from the mandatory walkthrough at the following location: 1010 10th Street, Suite 3100, Modesto CA 95354
 - 11.3.1.7 The bid opening will be held in a public forum at a City location announced in the Bid solicitation.
 - 11.3.1.8 All bids will be opened by a program supervisor (e.g. HUD Supervisor or Senior Community Development Program Specialist) and recorded by a program specialist (e.g. Housing Financial Specialist or Housing Rehab Specialist).
 - 11.3.1.9 The HRS will summarize the lowest responsible bid results on the "Work Specification" document provided to the homeowner.
- 11.3.2 The applicant will be required to accept the lowest responsible bid with certain exceptions. Rejection of the low bidder without cause will result in cancellation of the project.

- 11.3.2.1 If on the basis of references, or the inability to start work within a reasonable timeframe, the property owner request to reject the low bidder, he/she must do so in writing. Upon confirmation of the reason for rejection by City staff, the low bidder will be rejected, and the next lowest bidder will be considered.
- 11.3.3 Upon selection of lowest responsible bidder, the HRS will prepare the respective documents for contractor, homeowner signatures, and City signatures (e.g. Housing Rehabilitation Contract and Grant/Loan Documents).
- 11.3.4 Once contracts are executed, City Staff will record loan documents with the Stanislaus County Recorder's Office.
- 11.3.5 Upon receipt of recorded documents, the HFS will:
 - 11.3.5.1 Issue a Notice to Proceed to the contractor. The contractor will have seven (7) calendar days to begin work from the date of issuance.
 - 11.3.5.2 Route contracts for encumbrance the City's financial system.

12.0 EMERGENCY REPAIRS PROCEDURE

- 12.1.1 Per ~~Section~~ MAXIMUM AMOUNT OF PROGRAM ASSISTANCE Section, 5.1.5, emergency repairs of up to \$5,000 may be authorized by the Director of Community and Economic Development if it poses an "extreme health and safety related emergency in line with Modesto Municipal Code 8-3.301.
- 12.1.2 From time to time, City of Modesto residents will contact the city with repair requests that constitute an immediate threat to their health and safety. Such cases will be treated as Emergency repairs; e.g. broken sewer line, broken water line, leaking roof (during rainy season), broken HVAC system (during summer/winter), and unsafe electrical and or plumbing conditions.
- 12.1.3 These cases will be given priority over other non-emergency projects.
- 12.1.4 Upon homeowner contact with the City's Housing Division, the HFS will conduct a pre-screening of the prospect applicant and collect pertinent emergency case facts.
- 12.1.5 After pre-screening, the HFS will collect the application and eligibility documentation from the homeowner; the HFS will inform the Housing Rehab Specialist immediately after collecting the pertinent facts.
- 12.1.6 The HFS shall determine program eligibility within three (3) business days of collecting a completed application packet.
- 12.1.7 Upon determining eligibility, the Housing Rehab Specialist shall communicate with the homeowner and will schedule and conduct a property inspection and determine/prepare a detailed scope of work and independent cost estimate within three (3) business days of eligibility determination, depending on the severity of the emergency.

- 12.1.8 Upon completion of the Emergency Repair Scope of Work, the HRS will submit an "Emergency Repair Request" packet which includes the Scope of Work and related case facts to the HUD Supervisor for review and approval to proceed with procurement for the Emergency Project.
- 12.1.9 Upon approval by the HUD Supervisor, HRS shall obtain a minimum of three (3) informal bids and shall be awarded to the lowest responsible bidder.
 - 12.1.9.1 Bid documentation will be kept in the file record.
- 12.1.10 Upon contractor selection, the HRS shall prepare the Advanced Payment Agreement and all required loan documentation for homeowner, contractor, and Director of Community and Economic Development execution within three (3) business days of contractor selection. The Notice to Proceed will be issued upon contract execution by all parties. The rehabilitation contract shall specify the number of days for project completion.
 - 12.1.10.1 A homeowner cannot enter into an Advanced Payment Agreement, unless the homeowner meets the homeowner eligibility guidelines as described in Section 4.0 – Homeowner Eligibility.
- 12.1.11 Routine Progress inspections shall be conducted as specified in Section ~~4~~PROGRESS INSPECTIONS Section; frequency of progress inspections may be increased as needed for emergency repairs.
- 12.1.12 All emergency rehabilitation projects will be presented to the Housing Rehabilitation Loan Committee (HRLC) at the next available HRLC meeting for formal approval.

13.0 CONTRACTOR ELIGIBILITY

- 13.1 All prospective Contractors must submit or must have submitted, within the past 3 years, a *Contractor Application* to the City which will allow the City to collect all pertinent information to determine contractor eligibility (i.e. DUNS number, Tax ID, etc).
 - 13.1.1 Contractor failure to submit a Contractor Application may result in a "non-responsive" bid and disqualify the contractor from consideration.
- 13.2 Upon Receipt of bids from prospective contractors, the Housing Financial Specialist shall determine contractor eligibility by conducting the following:
 - 13.2.1 Verify that the City has a *Contractor Application* on file for each prospective contractor;
 - 13.2.2 If the City does not have a *Contractor Application* on file for the prospective contractor, the Housing Financial Specialist will make arrangements to ensure the prospective Contractor completes and submits a *Contractor Application* in a timely manner.
- 13.3 Upon confirmation that the City has a complete *Contractor Application* on file, the Housing Financial Specialist shall conduct the following searches for each prospective contractor:
 - 13.3.1 **Debarred/Suspended Search**
 - 13.3.1.1 It is the City of Modesto's policy not to conduct business with contractors who are excluded/debarred from conducting business with any federal agency.
 - 13.3.1.2 The Housing Financial Specialist shall ensure that the prospective Contractor is not excluded/debarred from conducting business with any federal agency by conducting a search on the federal System for Award Management website at www.sam.gov.

- 13.3.1.3 To comply with this requirement, Contractors must provide their DUNS number on the *Contractor Application*.
- 13.3.1.4 Prospective contractors who do not have a DUNS number at time of bid submittal, must request one by accessing the following website: <http://fedgov.dnb.com/webform/displayHomePage.do>
- 13.3.1.5 Upon conducting the Sam.gov search, the Housing Financial Specialist shall print the search results and place a copy in the project file.

13.3.2 California State License Board (CSLB) Search:

- 13.3.2.1 It is the City of Modesto's policy not to conduct business with Contractors who do not hold an active CSLB license.
- 13.3.2.2 The Housing Financial Specialist shall verify a prospective Contractor holds an active CSLB license by conducting a search on the CSLB website at <https://www2.cslb.ca.gov/OnlineServices/CheckLicense/checklicense.aspx>.
- 13.3.2.3 The CSLB license must be appropriate for the type of rehabilitation work to be conducted (i.e. General Contractor, Electrical, Carpenter, etc.)
- 13.3.2.4 Upon conducting the CSLB search, the Housing Financial Specialist shall print the search results and place a copy in the project file.

13.3.3 Better Business Bureau (BBB) Search

- 13.3.3.1 It is the City of Modesto's policy not to conduct business with contractors who have negative letter rating score (D+ through F) with the BBB.
- 13.3.3.2 The Housing Financial Specialist shall verify a prospective Contractor has a positive letter rating score (A+ through C-) with the BBB.
- 13.3.3.3 Upon conducting the BBB search, the Housing Financial Specialist shall print the search results and place a copy in the project file.

14.0 COST REASONABLENESS AND SCOPE OF WORK:

14.1 As a CDBG recipient, the City of Modesto is held accountable for all funds, property and assets of the CDBG program. The City of Modesto must maintain a financial accounting system for grants that meets the CDBG regulations, 24 CFR Part 84 and OMB Circulars A-87 and A-133. This includes requirements pertaining to financial management systems and records, allowable costs and audits.

14.1.1 The City of Modesto is required to ensure that CDBG funds are spent only on reasonable and necessary costs associated with approved grant activities and must have a procedure for determining the reasonableness, allowability and allocability of costs.

14.1.1.1 For major projects, the procedure for determining reasonableness will include the preparation of a detailed scope of work and an independent cost estimate.

14.1.1.1.1 A detailed Scope of Work will identify project milestones, reports, deliverables, and end products that are expected to be provided by the performing party. The Scope of Work will also include a timeline for all deliverables.

14.1.1.1.2 An independent cost estimate will be established utilizing local market data and published cost guidelines.

14.1.1.1.3 The project manager and supervisor will work with the appropriate parties to develop the independent cost estimate to ensure the cost estimate is reasonable based on local market data.

- 14.2 To comply with cost reasonableness requirements, the City of Modesto will review all requests for payments to ensure that costs are allowable under regulations, approved in the CDBG grant application, allocated to the correct program activity and are reasonable.
- 14.3 A cost is reasonable if, in its nature and amount, it does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost.
 - 14.3.1 In determining reasonableness of a given cost, consideration shall be given to whether the cost is of a type generally recognized as ordinary and necessary to address the housing condition being considered for repair.
 - 14.3.2 A cost analysis of the scope of work items shall be made and documented in the project file. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability, and allowability.
 - 14.3.3 Cost analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts.
 - 14.3.4 All change orders will be subject to a cost reasonableness evaluation by the project manager and approval by the HUD Supervisor.
- 14.4 Cost reasonableness shall be determined by comparing the bids received with the cost estimate prepared by the Housing Rehabilitation Specialist.
- 14.5 Bids received must be within 15% of the Housing Rehabilitation Specialist's cost estimate.
- 14.6 An explanation must be provided to the HRLC for any bid selected that exceeds 15% of the estimate.
- 14.7 Comparable estimates may also be considered, when optimal, for utilization of subcontractors instead of general contractors for work to be performed.
- 14.8 The Housing Rehabilitation Specialist will work to manage rehabilitation costs through the most efficient and economically feasible project contracting model.

15.0 ENVIRONMENTAL REVIEW:

- 15.1 All assisted properties shall be subject to environmental review as required by the funding source(s). No funds shall be committed and/or released until all environmental reviews have been conducted to the satisfaction of City of Modesto. Refer to HUD Policies and Procedures Manual, Section 14 – Environmental Review Plan – for environmental review process.

16.0 HOUSING REHABILITATION LOAN COMMITTEE (HRLC) APPROVAL:

- 16.1 All Housing Rehabilitation Program activities shall be subject to majority vote approval by the City of Modesto Housing Rehabilitation Loan Committee (HRLC). The HRLC shall be comprised of the following voting members (all terms are four (4) years in length):
 - 16.1.1 One Councilmember (appointed by the Mayor)
 - 16.1.2 One financial institution representative.
 - 16.1.3 One service provider representative.
 - 16.1.4 One general contractor (active or retired).
 - 16.1.5 One Housing Authority of the County of Stanislaus (HACS) representative.
 - 16.1.6 One Citizen-at-Large.
 - 16.1.7 One Citizen's Housing and Community Development Committee Representative.

- 16.2 The City of Modesto Community Development Manager may appoint a substitute voting member using alternative criteria if existing circumstances do not allow for a Committee make-up as specified above and time constraints warrant a substitution.
- 16.3 All actions of the HRLC shall be reflected in meeting minutes to be prepared by staff of the City of Modesto Community Development Division.

17.0 APPROVAL CONTINGENCIES:

- 17.1 All rehabilitation loans shall be evidenced by the following documents and provisions:
 - 17.1.1 Loan Agreement;
 - 17.1.2 Promissory Notes (s) payable to City of Modesto in the principal amount of the loan and stating the terms and rate of interest;
 - 17.1.3 Deed of Trust(s) securing the Note (deed shall be recorded and shall secure City of Modesto's financial interest in the property);
 - 17.1.4 Declaration of Conditions, Covenants, and Restrictions (if applicable);
 - 17.1.5 Other appropriate security instrument naming City of Modesto as beneficiary;
 - 17.1.6 Request for copy of "Request for Notice of Default" on first mortgage; and
 - 17.1.7 Any other documents determined necessary by the Community Development Manager.
- 17.2 All rehabilitation activities approved by the HRLC shall be contingent on meeting the following requirements:
 - 17.2.1 Execution of a construction contract and Notice to Proceed;
 - 17.2.2 Construction Schedule mutually agreed to by the Homeowner, Contractor, and Housing Rehabilitation Specialist;
 - 17.2.3 On-site monitoring and inspections by the Housing Rehabilitation Specialist to verify scope of work, materials, and construction schedule conform to contract requirements;
 - 17.2.4 Written final inspection and approval documentation by the Housing Rehabilitation Specialist;
 - 17.2.5 Recorded Notice of Completion, signed by the homeowner, following final inspection and approval by the Housing Rehabilitation Specialist;
 - 17.2.6 Release of retention payment within 30-days after recording Notice of Completion.
- 17.3 Written change orders, subject to the criteria listed below, shall be required for any changes in the work write-up, such as eliminating an item completely, eliminating one item and substituting another, or adding items:
 - 17.3.1 Contractor must notify Housing Rehabilitation Specialist and homeowner if Contractor deems a change order for work is necessary; Contractor's Change Order request shall be submitted in writing and list the change order items with dollar value for each change;
 - 17.3.2 Housing Rehabilitation Specialist shall review and determine if Change Order requests and costs are reasonable and work with Contractor to modify Change Order items if necessary;
 - 17.3.3 Upon reviewing and approving Change Order requests, Housing Rehabilitation Specialist must prepare a City of Modesto Change Order Request Approval form and submit to Housing and Urban Development Supervisor for final approval signature;

- 17.3.4 Upon final approval by the Housing and Urban Development Supervisor, Change Order shall be signed by Homeowner and Contractor;
 - 17.3.5 The combined total of all approved Change Orders shall not exceed the approved financing and contingences;
 - 17.3.6 Homeowners cannot request (non-health and safety) change orders in excess of the approved financing (not including contingency), unless HRLC approves the use of additional funds (Attachment A).
- 17.4 The homeowner shall maintain fire insurance on the property for the duration of the program loan(s). This insurance must be adequate to cover all encumbrances on the property. The insurer must identify City of Modesto as Additional Insured for the amount of the program loans. A copy of the homeowner's insurance policy shall be provided to City of Modesto annually.
- 17.5 Homes located within a 100-year flood zone will be considered on a case-by-case basis. If approved for assistance, the Borrower is required to maintain flood insurance during the term of the assistance and in an amount adequate to secure the program loan and all other encumbrances. The insurer must identify City of Modesto as Loss Payee for the amount of the program loans. A copy of the homeowner's flood insurance policy shall be provided to City of Modesto annually.

18.0 CONTRACTOR LIST

- 18.1 The Housing Financial Specialist shall maintain a *Contractor List* that includes contractors that have participated in the Homeowner Rehabilitation Program. These contractors must have been vetted through the City's Contractor Eligibility Process as outlined in CONTRACTOR ELIGIBILITY SECTION~~Section 11.0~~. The list shall contain the names, addresses, license numbers, CSLB license expiration dates, DUNS Number, insurance information, and business license numbers, expiration dates, insurance information, and business license information for contractors who have been formally approved for participation in the housing rehabilitation programs.
- 18.1.1 Information on the *Contractors List* will be updated on an annual basis, or more frequently, if deemed necessary.
- 18.1.2 The *Contractors List* will be available to the public, upon request. If the public requests a copy of the *Contractors List*, a disclaimer must appear on the top of the list as referenced in the desk manual.
- 18.2 Any person, partnership, or corporation with a current California General Contractor's License is eligible to have bids considered on a housing rehabilitation project.
- 18.2.1 In accordance with 24 CFR 85.36(c)(4) the City shall encourage qualified contractor participation to ensure that enough bids are received for a successful and adequate solicitation. Staff shall engage in continuous contractor outreach and engagement in order to provide for the maximum open and free competition that will not preclude other potential bidders from qualifying during the bid solicitation period.

19.0 PROGRESS INSPECTIONS

- 19.1 The Housing Rehabilitation Specialist shall conduct routine progress inspections on all housing rehabilitation projects to verify the Contractor is adhering to the agreed upon Contract Schedule.
- 19.1.1 Routine progress inspections shall mean onsite inspections once weekly, unless project timelines call for more frequent inspections.

- 19.2 The Housing Rehabilitation Specialist shall track each progress inspection by completing a *Progress Inspection Report*, documenting the results and date of the inspection, and place the completed *Progress Inspection Report* in the project file.
- 19.3 If applicable, the Housing Rehabilitation Specialist shall include the reasons for any project delays within the *Progress Inspection Report* and describe a revised project schedule agreed upon by the Contractor, Homeowner, and Housing Rehabilitation Specialist.
- 19.4 Revised project schedules shall be signed by the Contractor, Homeowner and Housing Rehabilitation Specialist.
- 19.5 Further unjustified project delays by the Contractor resulting in non-compliance with the agreed upon project schedule shall result in a credit to the Homeowner until the project has been substantially completed or terminated as defined within the section entitled "Time is of the Essence in the Performance of this Agreement" in the Rehabilitation Program Contract.
- 19.6 Contractor progress payment requests shall reflect the percentage of the project completed through the time period for which payment is requested. The project completion percentage shall be indicated on the internal payment request form.

20.0 CONTRACTOR COMPENSATION

- 20.1 Contractor progress payments shall be subject to Housing Rehabilitation Specialist verification, acknowledgement and certification that the work being invoiced for is reflective of the work verified through the Housing Rehabilitation Specialist's progress inspection(s) and through the time period indicated on the payment request.
 - 20.1.1 All contractor progress payments must be accompanied by the "Invoice Checklist" including all required items listed on the invoice checklist for an invoice to be processed by the City's Finance Department.
 - 20.1.2 Progress payment to contractors and reimbursement from HUD will occur only after the Housing Rehab Specialist has verified that the work for which reimbursement is being issued, has been completed.
 - 20.1.2.1 Verification of work completion will take place by conducting onsite progress inspections and including an inspection report reflecting a "pass".
- 20.2 Contractor payment requests will only be processed if signed by the Contractor, Homeowner, Housing Rehabilitation Specialist, and Housing Rehabilitation Specialist Supervisor. Invoices must be detailed enough to determine payment eligibility, along with accompanying documentation. All efforts will be made to reimburse qualified invoices within a 30-day time frame.
- 20.3 If the Homeowner is not satisfied with the completed work, or the Contractor has not completed the work in accordance with the Rehabilitation Program Contract, Community Development Division staff will meet with the Homeowner and Contractor to resolve the dispute.
- 20.4 If such informal resolution is unsuccessful, the Homeowner and the Contractor must follow the arbitration steps and tribunal procedures as outlined in the Rehabilitation Program Contract.

21.0 NON-PROFIT SPONSORED HOUSING ACQUISITION AND/OR REHABILITATION ACTIVITIES

21.1 City of Modesto Housing Program funds, as allowed by the individual funding source(s), may be provided directly to a non-profit entity for the purpose of acquiring and/or rehabilitating housing units that will ultimately benefit an owner-occupant provided that the activity complies with all criteria as set forth in the Sections above and with the following criteria:

21.1.1 Funds provided to a non-profit Developer shall not be used for the administration of the activity.

21.1.2 "Developer's fees" shall not be allowed as part of funds provided to a non-profit. However, Non-profit Developers may be compensated at a rate of up to twelve percent (12%) of the total rehabilitation/construction cost for each project.

21.1.3 Non-profits seeking funding shall submit for Community Development Division review and HRLC approval consideration on a project plan detailing:

21.1.3.1 How the criteria of the Housing Rehabilitation Program will be met;

21.1.3.2 Scope of work including total estimated project cost;

21.1.3.3 Timeline for project completion;

21.1.3.4 Project proforma including all secured funding sources, amounts, and detailed uses to be utilized in fulfillment of the project. "Pledged" or pending sources will not be considered as leverage funding.

21.1.3.5 Financing summary of all loans being transferred to homebuyer.

21.1.4 Following HRLC approval and prior to release of funds, the non-profit must submit to City of Modesto items including, but not limited to a resolution by the non-profit's Board accepting the terms of the request and commitment of repayment, insurance and endorsements, and other items outlined within the Community Development Division contract completion checklist.

21.1.5 The Maximum Sales Price of a City/non-profit sponsored project to be sold to eligible buyers must not exceed 100% of the appraised value, with a 50/50 share of net proceeds between the Developer and the City of Modesto from the sales price of a single family home listed for City of Modesto.

21.1.6 City/Non-profit sponsored projects must comply with Maximum after Rehabilitation Value and Maximum Loan to Value requirements as outlined in sections ~~6.0~~ and ~~7.0~~ MAXIMUM AFTER REHABILITATION VALUE AND MAXIMUM COMBINED LOAN TO VALUE Sections respectively.

21.1.6.1 Additional information may be required by the HRLC in consideration of the request.

21.1.7 All HRLC approved funding shall be provided as a reimbursement subject to review and approval of a Reimbursement Request submitted from Developer to the City of Modesto Community Development Division. All RFF's shall be in a form determined satisfactory to the Department.

22.0 MONITORING

22.1 The Housing Financial Specialist audits funded recipients to ensure that assisted units are occupied only by households that are eligible as low-income families and must meet certain AMI limits.

- 22.2 The requirements include HOME-assisted non-owner-occupied units in single-family (1-4 unit) housing units.
- 22.3 The Housing Rehabilitation Specialists perform annual perform inspections to ensure units meet program compliance requirements.
- 22.4 The Housing and Urban Development Supervisor will annual audit 10% of these activities to ensure eligibility compliance requirements for the units are still being met.

23.0 LEAD BASED PAINT OPERATING PROCEDURES FOR UNITS BUILT PRIOR TO 1978

- 23.1 All program applicants shall receive notification of Lead-Based Painting hazards as follows:
 - 23.1.1 The City will provide a Lead Hazard Information Pamphlet “Protect Your Family From Lead in Your Home” to all program applicants.

23.2 Homeowner Rehabilitation Federal Assistance Up to \$5,000:

23.2.1 Lead Based Paint Presumption: Paint testing will not be conducted for housing rehabilitation projects not exceeding \$5,000. The City will presume the presence of lead based paint for all housing projects assisted with an amount not exceeding \$5,000. If the rehabilitation project will disturb painted surfaces all lead based paint mitigation activities, other than the actual testing, will be implemented as prescribed by HUD.

23.2.2 If the housing unit is built prior to 1978, the homeowner will be provided a “Notice that Lead-Based Paint or Lead Based Paint Hazards Are Presumed to be Present” to occupants within 5 business days of making such presumption.

23.2.3 Visual Inspection: A visual inspection shall be made by the Rehabilitation Specialist or other staff assigned to make the inspection, to determine if the project will disturb any painted areas. If the project *will not* disturb any painted areas, the case file shall be so documented and the property owner or tenant advised in writing. No additional compliance steps with lead based paint regulations are required.

23.2.4 Repair Work: If the project *will* disturb paint, then the City will require the rehabilitation contractor to be certified as a lead based paint abatement supervisor or as a certified lead safe worker; or the rehabilitation contractor will secure a certified lead base paint abatement supervisor to monitor safe work practices in those areas where painted surfaces will be disturbed by the rehabilitation work. Safety precautions for occupant protection ((§35.1345), work site preparation and cleanup activities and prohibited methods of removal (§35.140) of lead base paint materials must be followed.

23.2.5 De Minimis Levels: Safe work practices are not required for projects which are determined to disturb surfaces below *de minimis* levels (§35.1350). The case file shall be documented and a Notice of Completion and Notice of Clearance is not required.

23.2.6 Notice of Completion and Notice of Clearance: A clearance examination of the work site (the area in which the rehabilitation construction was performed) is the responsibility of the rehabilitation contractor and must be performed by a certified lead based paint inspector/assessor. Once work is completed, the City will provide the owner a report

entitled "Summary Notice of Completion Lead Base Paint Hazard Reduction Activity" within fifteen (15) days of the completion date (the date on which clearance is achieved). A copy shall be placed in the project file as documentation.

23.3 Homeowner Rehabilitation Federal Assistance \$5,001-\$25,000

23.3.1 Information Pamphlet: The City shall provide the pamphlet "Protect Your Family From Lead In Your Home" to the applicant.

23.3.2 De Minimis Levels: Safe work practices are not required for projects which are determined to disturb surfaces below *de minimis* levels (§35.1350). The case file shall be documented and a Notice of Completion and Notice of Clearance is not required.

23.3.3 Paint Testing or Presumption: For projects of this funding level (\$5,001-\$25,000), presumption of the presence of lead base paint **shall not** be made. Instead, paint will be tested in all areas that will be disturbed by the proposed repair work by a certified lead base paint inspector/assessor.

23.3.4 Noticing: The City shall provide the occupants with a "Summary Notice of Lead Based Paint Inspection" after such inspection is made by a certified lead base paint inspector/assessor in accordance with §35.1320(a).

23.3.5 Risk Assessment: The City shall order test samples of those painted surfaces to be disturbed by the rehabilitation construction or, upon visual inspection by the rehabilitation specialist, on any painted surfaces that are deteriorated. If lead is found in the test samples, a risk assessment shall be ordered by the City and conducted by a certified lead inspector/assessor in accordance with §35.1320(b) before rehabilitation construction begins. The lead base paint inspector/assessor will provide a copy of the results to the City who will notify the owners of the property with the "Summary Notice of Lead-Based Risk Assessment."

23.3.6 Interim Controls: If the risk assessment indicates the presence of lead base paint then lead hazard mitigation activities, including paint standards, interim controls and paint stabilization must be performed on all identified lead paint hazards in accordance with §35.1330. Safety precautions for occupant protection (§35.1345), work site preparation and cleanup activities and prohibited methods of removal (§35.140) of lead base paint materials must be followed.

23.3.6.1 A person performing paint standards, interim controls or stabilization must be trained in accordance with 29 CFR 1926.59 and be a certified lead base paint safe worker or certified lead base paint abatement supervisor.

23.3.7 Relocation: As stated in section §35.1345, temporary relocation is required unless: (1) the work will not disturb lead based paint or lead based paint hazards; (2) only exterior work is being conducted and openings to the interior are closed during the work and lead-hazard-free entry to the dwelling is provided; (3) the interior work will be completed in 8 hours, the work sites are contained to prevent dust release into other areas, and no other health or safety hazards are created; or (4) interior work will be completed in 5 consecutive days, work sites are contained, no other health or safety hazards are created, work sites and areas 10 feet from the containment are cleaned at the end of each work day, and occupants have safe access to sleeping, kitchen and bathroom facilities.

23.3.7.1 Safe access to sleeping, kitchen and bathroom facilities can be provided in another convenient location outside of the work site, thereby avoiding unnecessary relocation of residents.

23.3.8 Clearance: Clearance shall be the responsibility of the rehabilitation contractor who will order the clearance inspection from a certified lead base paint inspector/assessor and in accordance with §35.1340(b).

23.3.9 Notice of Completion and Notice of Clearance: Once work is completed and after a clearance examination of the work site is performed by a certified lead paint inspector/assessor, a copy shall be placed in the project file as documentation. The City will provide a "Summary Notice of Completion of Lead Based Paint Hazard Reduction Activity" to the owner within 5 business days from project completion date. The lead base paint inspector/assessor will provide a "Lead Hazard Evaluation Report" (Form DHS 8552) to the City, the owner and to the Department of Health Services.

23.4 Homeowner Rehabilitation Federal Assistance greater than \$25,000 (Identify and Eliminate lead hazards)

23.4.1 Information Pamphlet: The City shall provide the pamphlet "Protect Your Family From Lead In Your Home" to the applicant.

23.4.2 If the amount of assistance is more than \$25,000, the following is required:

23.4.2.1 Paint testing as outlined in ~~Section 20-3-3~~ Paint testing or Presumption sub-section above;

23.4.2.2 Abatement of all lead based paint hazards identified or produced;

23.4.2.3 Use of interim controls on exterior surfaces not disrupted by rehabilitation; and all applicable lead based paint notices.

23.4.3 All paint tests that result in a negative finding of lead-based paint are exempt from any and all additional requirements. If defective paint surfaces are found, they will be properly treated or abated. A certified Inspector/Assessor shall perform all paint testing, risk assessments, and clearances. A trained supervisor may oversee interim controls; however, a certified supervisor and workers will perform all abatement.

FOUR FACTOR ANALYSIS FOR LIMITED ENGLISH PROFICIENT PERSONS AND LANGUAGE ASSISTANCE PLAN

City of Modesto
Community Development Division
1010 10th Street, Suite 3100, Modesto, CA 95354
(209) 577-5211, TDD 209-
housing@modestogov.com

City of Modesto Citizen Housing and Community Development Committee (CH&CDC) Approved October 12, 2017
City of Modesto City Council Approved by Resolution 2016-425 on October 25, 2016

CITY OF MODESTO
FOUR FACTOR ANALYSIS FOR LIMITED ENGLISH PROFICIENT PERSONS
AND
LANGUAGE ASSISTANCE PLAN

(October 2017-August 2018)

1. FOUR FACTOR ANALYSIS FOR LIMITED ENGLISH PROFICIENT PERSONS

1.1. In order to determine the needs of Limited English Proficient (LEP) persons in the jurisdiction of the City of Modesto (the City), the City conducted the following analysis defined by the U.S. Department of Housing and Urban Department (HUD):

2. Factor 1: Number or proportion of LEP persons served or encountered in the eligible service area:

2.1. The City obtained information from the U.S. Census Bureau’s American Factfinder website, as recommended by HUD, to gather data about the City’s overall population, as well as the population of LEP persons within the City and the primary languages spoken. The following results were obtained from the American Factfinder 2011-2015 American Community Survey 5-Year Estimates:

2.2.

Total Population 5 years and Over:	192,811
Total LEP Population 18 Years and Over:	23,121
Spanish Speaking LEP Population 18 Years and Over:	15,347
Asian and Pacific Island Languages 18 Years and Over:	3,488
Other Indo-European Language Speaking LEP Population 18 Years and Over:	2,347
Other LEP Speaking Population 18 Years and Over:	1,939

2.3. The above data demonstrates that approximately 66% (15,347) of the City’s LEP population is Spanish Speaking. This language group is the only one that meets the 1,000 or 5% requirement for written translation services as described in the Language Assistance Plan (LAP).

2.4. The next largest LEP population group is Asian and Pacific Island Languages which constitutes approximately 15% (3,488) of the City's LEP population. The Asian and Pacific Islander group consists of a combination of many different languages including, but not limited to, Chinese, Vietnamese, Hmong, Urdu, Bengali, and Korean. According to the U.S. Department of Education, the 3 most common Asian and Pacific Islander languages in the U.S., for which data was collected and reported, are Chinese, Vietnamese, and Hmong. According to the Statistical Atlas, in 2015 there were 962 Chinese LEP persons, 385 Vietnamese LEP persons, and 164 Hmong LEP persons in the City.

2.5. The next LEP population constitutes 10% (2,347) which consists of Indo-European language speakers. This population includes, but is not limited to, Albanian, Armenian, Baltic, Slavic, Germanic, and Greek.

2.6. It is not known what languages were categorized under the "Other LEP speaking population."

3. Factor 2: Frequency with which LEP persons come into contact with the program:

3.1. A review of the frequency of LEP persons contacting the City for the covered HUD housing programs revealed that approximately 4 out of 10 persons contacting the City were Spanish speaking. There were no records of any other language group contacting the City for the same programs.

3.2. The City's Community Development Division includes staff ~~who~~that speak Spanish and regularly provide oral interpretation services to customers who access the City's housing programs.

4. Factor 3: Nature and importance of the program, activity, or service provided by the program:

4.1. The services provided by the City's Community Development Division provide affordable housing opportunities via homebuyer assistance and owner occupied housing rehabilitation. These programs directly address General Plan/Housing Element goals as well as state and federal housing requirements.

5. Factor 4: Available resources and costs to the City:

5.1. Because the City has Spanish speaking staff, it is cost effective for the City to provide Spanish language translation of vital documents.

5.2. The City will utilize any documents provided by HUD in languages other than English.

5.3. The City will consider professional interpretation services to provide oral interpretation in languages other than Spanish, as needed.

6. LANGUAGE ASSISTANCE PLAN

6.1. Introduction

6.1.1. The City is committed to providing equal opportunity housing in a non-discriminatory manner, and to fully comply with all Federal, State and local nondiscrimination laws as well as with regulations governing Fair Housing and Equal Opportunity in housing and employment. This includes complying with Title VI of the Civil Rights Act of 1964 to ensure meaningful access to programs and activities by Limited English Proficient (LEP) persons.

6.1.2. The purpose of this LAP is to identify how the City will ensure its methods of administration will not have the effect of subjecting LEP persons to discrimination because of their national origin, and to ensure LEP persons have full access to City programs and services.

6.2. Who is LEP?

6.2.1. For purposes of this LAP, anyone whose primary language is not English, and has a limited ability to read, write, speak or understand English may be an LEP person.

6.2.2. The City will not identify anyone as an LEP person; the beneficiaries of the services and activities must identify themselves as an LEP person (Federal Register Vol. 72, No. 13, January 22, 2007).

6.3. Safe Harbor

6.3.1. "Safe Harbor" guidance provided by HUD states that written translations of vital documents should be provided for each eligible LEP language group that constitutes 1,000 or more of the eligible population in the market area or 5% of the eligible population.

6.3.2. It is important to note that the "Safe Harbor" concept only applies to the translation of documents. Failure to provide translation does not mean there is non-compliance. Oral interpretation may be an acceptable way of providing access when the translation of documents becomes so burdensome as to defeat the legitimate objectives of a program. Other considerations will be the importance of the service, benefit or activity, the nature of the information sought, and whether the proportion of the LEP persons served calls for written translations.

6.4. Service Area

6.4.1. The Service Area shall mean the Modesto City limits.

6.4.2. When considering written translations, the "Safe Harbor" evaluation will differ depending on the population the City is considering as follows:

6.4.3. When conducting outreach to the eligible population in the service area, the number and percentage of the eligible LEP population in the service area will be evaluated.

6.4.4. When working with program beneficiaries (i.e. applicants to City's housing programs), the number and percentage of LEP persons accessing the program will be evaluated.

6.5. Identification of Language Needs within the City

6.5.1. It was determined through review of the U.S. Census Bureau's American Fact Finder 2011-2015 American Community Survey 5-Year Estimates data, that the total LEP population 18 years of age and over in the City is 23,121.

6.5.2. Of the total LEP population, the largest LEP population is Spanish speaking with 15,347 (66% of LEP population) Spanish Speaking LEP persons.

6.5.3. A review of the frequency of LEP persons contacting the City for the covered HUD Housing programs revealed that approximately 4 out of 10 persons contacting the City within any given week were Spanish speaking. There were no records of any other language group contacting the City for the same programs.

6.5.4. To comply with the "Safe Harbor" rule, the City has determined that because there are more than 1,000 Spanish-speakers in the City who speak English less than very well, the City will translate vital documents into Spanish.

6.5.5. The next largest LEP population were persons who speak Asian and Pacific Islander languages (which consist of Chinese, Vietnamese, Hmong, Urdu, Bengali, and Korean among others) and identified themselves as speaking English "less than very well." This is a population of 3,488 or 15% of the overall LEP population. According to the U.S. Department of Education, the 3 most common Asian/Pacific Islander languages in the U.S. are Chinese, Vietnamese, and Hmong. According to the Statistical Atlas, in 2015 there were 962 Chinese LEP persons, 385 Vietnamese LEP persons and 164 Hmong LEP persons. The City has determined that because there are less than 1,000 people in each of the major Asian/Pacific Islander languages, the City will not translate vital documents into these languages. However, the City will provide oral interpretation as needed to LEP persons requesting such services.

6.5.6. The remaining LEP population consists of Indo-European language speaking and other LEP speaking populations for which data was not available. Written translation of vital documents into these languages will not be provided. The City will provide oral interpretation, as needed, to LEP persons requesting such services.

6.6. Written Translation

6.6.1. As stated above in Section V, the City has determined that because there are more than 1,000 Spanish-speakers in the City who speak English less than very well, the City will translate vital documents into Spanish. As of the date of the adoption of this LAP, Spanish is the only language into which vital documents will be translated. This may subject to change upon updates of the LAP.

6.7. Vital Documents

6.7.1. HUD has defined "Vital Documents" to be those documents that are critical for ensuring meaningful access to the City's major activities and programs by beneficiaries generally and LEP persons specifically.

6.7.2. In general, the City will attempt to translate all letters sent to Spanish speaking program applicants who are identified as LEP. However, the following is a list of documents the City has determined to be Vital Documents and has committed to translating into or providing HUD-approved versions in Spanish:

6.8. Vital Documents

6.7.3. Public Hearing Notices related to Consolidated Plan, Annual Action Plan, Consolidated Annual Performance Evaluation Report, and Assessment of Fair Housing.

6.8.1.1-6.7.3.1.

<u>Documents</u>	<u>Translation Turn Around</u>
<u>Consolidated Plan</u>	<u>30 calendar days from the date of request</u>
<u>Annual Action Plan</u>	<u>30 calendar days from the date of request</u>
<u>Consolidated Annual Performance Evaluation Report</u>	<u>30 calendar days from the date of request</u>
<u>Assessment of Fair Housing</u>	<u>30 calendar days from the date of request</u>
<u>Committee Agendas</u>	<u>14 days from the date of request</u>
<u>Committee Minutes</u>	<u>14 days from the date of request</u>

6.7.4. Homebuyer Assistance Program Application
The following Vital documents will be readily available translated into Spanish (and other languages as needed may be identified in the future):

6.7.4.1. Public Hearing Notices related to Consolidated Plan, Annual Action Plan, Consolidated Annual Performance Evaluation Report, and Assessment of Fair Housing.

6.7.4.2. Homebuyer Assistance Program Application

6.7.4.3. Citizen Participation Plan

6.8.1.2-6.7.4.4. Complaint Procedures

6.8.1.3-6.7.4.5. Homebuyer Assistance Program Brochure

6.8.1.4-6.7.4.6. Homeowner Rehabilitation Program Application

6.8.1.5-6.7.4.7. Homeowner Rehabilitation Program Brochure

6.8.1.6-6.7.4.8. Annual Monitoring Notices

6.9.6.8. Oral Interpretation

~~6.9.1-6.8.1.~~ The City will make every effort to provide oral interpretation for all its clients who have identified themselves as LEP persons and request services.

~~6.10-6.9.~~ Bilingual Staff

~~6.10.1-6.9.1.~~ The City's Community Development Division employs bilingual, Spanish-speaking staff in several positions, including program management. Currently, the City's Community Development Division has four full-time Spanish-speaking staff.

~~6.10.2-6.9.2.~~ In addition, the City has access to other bilingual City employees, including numerous Spanish-speaking staff, as well as staff members who speak: Hindi, Laotian, Hmong, French, Khmer, and Cambodian.

~~6.10.3-6.9.3.~~ Bilingual employees must pass a competency test in the respective language in order to be designated as a bilingual person. This test consists of an oral question and answer session conducted in an oral panel interview setting by Certified City employees.

~~6.11-6.10.~~ Interpreter Services

~~6.11.1-6.10.1.~~ When there is not a City staff person who speaks the LEP person's primary language, the City will seek interpretation through a professional interpreter service.

~~6.11.2-6.10.2.~~ In the event the LEP person's primary language is not widely spoken and the City is unable to locate a suitable interpreter through a professional interpreter service, the City may resort to other methods such as seeking community volunteers.

~~6.11.3-6.10.3.~~ As a last resort in cases where the City is unable to find an acceptable interpreter within a time frame to effectively assist the client, the City may use an online translation website in order to communicate via an in-office computer.

~~6.12-6.11.~~ Informal Interpreters

~~6.12.1-6.11.1.~~ The City will generally discourage the use of family members or other informal interpreters, but will allow the use of an interpreter of the LEP person's choosing (including family members or a professional interpreter at the LEP person's own expense) when the LEP person rejects the City's free language assistance services. The City will document the offer and the LEP person's subsequent rejection.

~~6.13.1.1.~~ Staff Training

~~6.12.~~ The City will provide a copy of this LAP to all existing and incoming staff, and will also provide training as to its contents and what is required under the policy. **Outreach**

~~6.12.1.~~ The City will conduct outreach to LEP persons as follows:

~~6.12.1.1.~~ The City will provide notification to LEP persons of the availability of translation assistance services (both interpretation and translation) through public notices published in conjunction with the Annual Action Plan.

~~6.12.1.2.~~ The City will provide a link on the City website to HUD translated materials site.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-359**

**RESOLUTION AWARING \$50,000 IN COMMUNITY DEVELOPMENT
BLOCK GRANT FUNDS TO OPPORTUNITY STANISLAUS, FOR THE VOLT
INSTITUTE TO PROVIDE ELIGIBLE PUBLIC SERVICE ACTIVITIES AND
AUTHORIZING THE CITY MANAGER OR HIS DESIGNEE, TO EXECUTE
THE AGREEMENT**

WHEREAS, the City of Modesto receives Community Development Block Grant (CDBG), HOME Investment Partnerships Program and Emergency Solutions Grant funds from the U.S. Department of Housing and Urban Development each year, and

WHEREAS, these funds are allocated through an Annual Action Plan which is reviewed by the Citizens' Housing and Community Development Committee and approved by the City Council, and

WHEREAS, on June 12, 2018, by Resolution No. 2018-238, Council approved the City of Modesto Program Year 2018-19 Annual Action Plan, and

WHEREAS, the Annual Action Plan approved up to 15% of the annual allocation for public service funded activities which will be utilized with Community Development Block Grant Funding, and

WHEREAS, the funding allows the City to partner with local nonprofit service providers, such as Opportunity Stanislaus, for the provision of eligible public service activities, and

WHEREAS, the Opportunity Stanislaus, plans to utilize the funds to match a Federal Disaster Recovery EDA grant opportunity, and

WHEREAS, this project will provide services to individuals with incomes below 80% of the area median income (AMI), and

WHEREAS, the project will utilize \$50,000 of Community Development Block Grant entitlement funds, and

WHEREAS, the Opportunity Stanislaus will be able to leverage up to \$2,200,000 increase the capacity of the project.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the awarding up to \$50,000 in Community Development Block Grant funds to Opportunity Stanislaus for the provision of eligible public service activities.

BE IT FURTHER RESOLVED, that the City Manager or his designee, is authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

EXHIBIT A

FISCAL YEAR 2017-18

COMMUNITY ECONOMIC DEVELOPMENT

A budget adjustment is necessary to recognize actual revenue received in the Measure L Fund (1410) for the fiscal year FY 16/17 and FY 17/18. The total revenue to recognize is \$10,622,427 for the Local Streets & Roads (14625), Traffic Management (14626), Bike & Pedestrian (14627), and Transit Services (53402) cost centers. Additionally, a transfer of \$322,324 needs to be established to move the revenue from the Transit Services cost center (53402). \$302,324 of the transfer will go to Bus Fixed Route Max Operations Fund (4540) and \$20,000 to the Bus Service Fund – DAR (4520) to offset transit operation and maintenance services in the fiscal year.

FIRE DEPARTMENT

A budget adjustment is necessary to amend the Industrial Fire District budget as approved in Fund 6100, JPA – Industrial Fire Fund, by the Industrial Fire board on August 2, 2018. The revenues are being increased by \$65,600, which is offset by an increase to the expense of the final disbursements to the JPA members by \$65,600.

INFORMATION TECHNOLOGY

A budget adjustment is necessary to reallocate the IT project transfers, in the amount of \$2,448, from Industrial Fire JPA to General Fund. These transfers were for the Budget Software and Oracle Upgrade but the Industrial Fire JPA never approved these costs as part of their budget. The increase of the General Fund transfers will come out of the General Fund Emergency Reserves.

PARKS, RECREATION, AND NEIGHBORHOODS

A budget adjustment is necessary in the TRRP JPA operating cost center (6700-80300) due to unexpected pump repair expenses and additional tree trimming work that was delayed last fiscal year due to flooding. In order to cover the outstanding expenses we will recognize \$8,977 in additional rental/lease revenue and reduce the transfers out in the amount of \$47,457 which will reduce the transfer in for the TRRP JPA Special Revenue Fund (6710) in the amount of \$47,400. This will allow the increase of Professional Services by \$33,234 to cover the expenses mentioned.

POLICE DEPARTMENT

A budget adjustment is necessary to increase the transfer between General Fund and the Grants – Police Fund (1342) in the amount of \$280,000 to cover the City's portion of the COPS Hiring Program Grant while also reducing the Revenue in the Grants – Police Fund by \$280,000 from the Department of Justice for the COPS Hiring Grant. The additional transfer amount will be coming from the General Fund Emergency Reserves.

PUBLIC WORKS

A budget adjustment is necessary to establish a transfer from the Surface Transportation Fund – Measure L/SB1 Maintenance of Effort (MOE) Fund (1420) to the Surface Transportation Fund (1700) in the amount of \$1,157,210 to offset transportation operations in the fund and meet the Senate Bill 1 RMRA MOE requirement.

A budget adjustment is necessary to increase the budget in the Fleet Replacement Fund 5409 in the amount of \$197,700 to account for fleet vehicle purchases that were not in the original fleet replacement budget. A majority of the unbudgeted replacements were in the Public Works department for vehicles related to Streets and Transit. The Fleet Replacement Fund 5409 will be reimbursed by the purchasing departments via transfers.

A budget adjustment in the amount of \$90,000 is necessary in the Fleet Fund (5400) to account for unanticipated repair and maintenance costs. The increase in budget is covered by Fund 5400 reserves and will be recouped from the appropriate departments in two years using the Internal Service Fund (ISF) allocation model.

The following adjustments are being made from the various city Fleet Replacement sub-funds to the Fleet Replacement Fund (5409). This action is being done to correct prior year transactions and to reimburse the Fleet Replacement Fund (5409) for vehicle purchases that had been made as required by fund accounting rules. Below is a table showing the net effect in each sub-fund as a result of the various adjustments.

Fund	Fund Name	Net Impact of Adjustments
1139	CDBG Direct Program Fleet Replacement Fund	\$13,355
1709	Surface Transportation Fleet Replacement	\$1,208,679
4109	Water Fleet Replacement Fund	\$441,975
4219	Wastewater Fleet Replacement Fund	\$7,031
4319	Airport Fleet Replacement Fund	\$34,545
4549	Bus Fixed Route Fleet Replacement Fund	\$54,307
4899	Solid Waste Fleet Replacement Fund	\$952,013
5129	Mail Services ISF Fleet Replacement Fund	(\$1)
5410	GF Equipment Replacement	\$1,062,070
	Total	\$3,773,973

A budget adjustment is necessary to establish a transfer in the amount of \$29,465 from CDBG Direct Program Fleet Replacement Fund 1139 to Fleet Replacement Fund 5409 for purchases made in FY16/17 and FY17/18: (2) Mid-size Sedan.

A budget adjustment is necessary to correct a transfer from CDBG Direct Program Fleet Replacement Fund 1139 to the Fleet Replacement Fund 5409 by decreasing the amount by \$16,110 for purchases made in FY16/17: (1) Mid-size Sedan.

A budget adjustment is necessary to establish a transfer in the amount of \$1,226,977 from Surface Transportation Fleet Replacement Fund 1709 to Fleet Replacement Fund 5409 for purchases made in FY16/17 and FY17/18: (1) Truck w/ Aerial Bucket, (2)

Concrete Grinder, (2) Concrete Grinder Push Truck, (2) Sweeper, (2) Truck w/ hot patch body.

A budget adjustment is necessary to correct a transfer from Surface Transportation Fleet Replacement Fund 1709 to the Fleet Replacement Fund 5409 by decreasing the amount by \$18,298 for purchases made in FY16/17: (2) Concrete Grinder, (2) Concrete Push Truck Grinder.

A budget adjustment is necessary to establish a transfer in the amount of \$484,147 from Water Fleet Replacement Fund 4109 to Fleet Replacement Fund 5409 for purchases made in FY16/17 and FY17/18: (5) ¾ Ton Xtra Cab Truck, (1) Backhoe 4-wheel drive, (1) Trailer for Chlorine, (1) 1-Ton Utility Truck, (1) ¾ Ton Extended Cab Utility Truck, (3) ¾ Extra Cab Utility Trucks.

A budget adjustment is necessary to correct a transfer from Water Fleet Replacement Fund 4109 to the Fleet Replacement Fund 5409 by decreasing the amount by \$42,172 for purchases made in FY16/17: (1) Trailer for Chlorine, (1) ¾ Ton Utility Truck.

A budget adjustment is necessary to establish a transfer in the amount of \$13,679 from Wastewater Fleet Replacement Fund 4219 to Fleet Replacement Fund 5409 for purchases made in FY16/17 and FY17/18: (1) Mid-size Sedan.

A budget adjustment is necessary to correct a transfer from Wastewater Fleet Replacement Fund 4219 to the Fleet Replacement Fund 5409 by decreasing the amount by \$6,648 for purchases made in FY16/17: (1) Loader with Claw Attachment.

A budget adjustment is necessary to establish a transfer in the amount of \$34,545 from Airport Fleet Replacement 4319 to Fleet Replacement Fund 5409 for purchases made in FY16/17 and FY17/18: (1) Mower Flail, (1) Riding Mower.

A budget adjustment is necessary to establish a transfer in the amount of \$54,307 from Bus Fixed Route Fleet Replacement 4549 to Fleet Replacement Fund 5409 for purchases made in FY16/17 and FY17/18: (1) Truck with Utility.

A budget adjustment is necessary to establish a transfer in the amount of \$966,231 from Solid Waste Fleet Replacement Fund 4899 to Fleet Replacement Fund 5409 for purchases made in FY16/17 and FY17/18: (1) Mid-size Sedan, (2) Truck with Aerial Bucket, (1) Water Truck, (2) Packer Truck.

A budget adjustment is necessary to correct a transfer from Solid Waste Fleet Replacement Fund 4899 to the Fleet Replacement Fund 5409 by decreasing the amount by \$14,218 for purchases made in FY16/17: (1) Mid-size Sedan.

A budget adjustment is necessary to establish a transfer in the amount of \$14,973 from Mail Services ISF Fleet Replacement Fund 5129 to Fleet Replacement Fund 5409 for purchases made in FY16/17 and FY17/18: (1) Sedan Compact Wagon.

A budget adjustment is necessary to correct a transfer from Mail Services ISF Fleet Replacement Fund 5129 to the Fleet Replacement Fund 5409 by decreasing the amount by \$14,974 for purchases made in FY16/17: (1) Sedan Compact Wagon.

A budget adjustment is necessary to establish a transfer in the amount of \$1,260,613 from GF Fleet Replacement Fund 5410 to Fleet Replacement Fund 5409 for purchases made in FY16/17 and FY17/18: (1) Ball Field Conditioner, (9) Motorcycle, (1) Riding Mower, (24) Investigation Sedan, (1) Mid-size Sedan, (12) Patrol Sedan, (1) Self-propelled Sprayer, (4) SUV, (1) Truck with Stake-side Dump.

A budget adjustment is necessary to correct a transfer from GF Fleet Replacement Fund 5410 to the Fleet Replacement Fund 5409 by reducing the amount by \$198,543 for purchases made in FY16/17: (10) Investigation Sedan Vehicles, (2) Investigation SUV.

UTILITIES

A budget adjustment is necessary to reduce the transfer from Wastewater Fund (4210) to Wastewater 2006A Revenue Bond Fund (4240) in the amount of \$100,755; increase the transfer from Wastewater Fund (4210) to Wastewater 2018A Revenue Bond Fund (4271) in the amount of \$176,240; increase the expense budget in the Wastewater 2006A Revenue Bond Fund (4240) by \$95,000; and reduce the expense budget in the Wastewater 2018A Revenue Bond Fund (4271) by 18,760. This will allow the city to cover expenditures related to the 2018 refinancing of the Wastewater bond.

A budget adjustment is necessary to establish a transfer from the Water Fund (4100) to the Water CIP fund (4180) in the amount of \$21,318,189 to cover FY17-18 Capital Improvement Plan (CIP) expense.

A budget adjustment is necessary to establish a transfer from the Wastewater Fund (4210) to the Wastewater 2015 Debt Refunding Fund (4241) in the amount of \$2,773,207 to cover FY17-18 principal and interest payments associated with the 2015 refunding of Wastewater bonds.

A budget adjustment is necessary to establish a transfer from the Wastewater Fund (4210) to the Wastewater State Revolving Loan Tertiary Treatment Fund (4245) in the amount of \$8,245,564 to cover FY17-18 principal and interest payments associated with the Tertiary Treatment plant.

FISCAL YEAR 2018-19

COMMUNITY ECONOMIC DEVELOPMENT

A budget adjustment is necessary to increase the Village One #2 CFD 2014 Debt fund, Fund 3294 expense budget by \$973,350 for the increased principal payment in the fiscal year for call payment for Brooks Landing apartments. The increase in budget will be covered by Fund 3294 reserves.

OFFICE OF THE CITY AUDITOR

A budget adjustment is necessary to reverse the Appropriation Unit C reduction of \$25,041 that was approved on the list of Mayor's Approved Reductions and Adjustments as part of the FY 2018-19 Adopted Operating Budget. A reduction had already been accounted for thru the reclassification of the Executive Assistant position to Senior Auditor with a vacancy hold of 6 months and this amount of \$25,041 was duplicative. This will increase account 0100-06010-54001 by \$25,041 to carry out the correction.

A budget adjustment is necessary to increase the Appropriation Unit C expense account for Business Expenses by \$6,200 in the Office of the City Auditor for FY 2018-19. As part of the contract for the hiring of the City Auditor position moving expenses were to be paid for by the City of Modesto. These invoices were not fully completed and paid until the new fiscal year (FY 2018-19) and therefore are required by accounting policies and procedures to be paid from budget in the fiscal year in which they are paid. Funds were budgeted for this expense in the prior year but did not carry forward and subsequently dropped to fund balance at the end of fiscal year 2017-18. This adjustment will re-appropriate those funds for their original purpose by increasing the expense budget for the Office of the City Auditor in account 0100-06010-53030 by \$6,200 from FY 2017-18 General Fund carryover.

PARKS, RECREATION, AND NEIGHBORHOODS

A budget adjustment is necessary in PRN – Graffiti Abatement cost center to reduce the budget by \$68,131 as it is a duplicated amount related to the direct charge agreement PW-MYAF. (0100-35170-51991)

A budget adjustment is necessary in the PRN – Parks, Planning and Development cost center for the addition of a Full-Time Parks Project Coordinator as part of the Parks (PRN) re-organization. The following accounts need to be updated within the cost center:

Expenses:

- 0100-32020-51401 increase \$70,325
- 0100-32020-51901 increase \$24,839
- 0100-32020-51040 decrease \$26,460

Revenue

- 0100-32020-43501 increase \$10,000
- 0100-32020-45004 increase \$45,512

A budget adjustment is necessary to increase the John Thurman Field Capital Improvements project expenditure budget by \$120,000. As part of the budget adoption for the multi-year projects, the revenue budget for this project (#101019) was increased by \$120,000 per the contract that the City has with the Modesto Nuts. The expenditure budget should have been increased by the same amount for FY 2018-19. This adjustment will appropriately match the revenue and expenditure budgets in FY 2018-19 by increasing the expenditure budget by \$120,000 for Project 101019 – John Thurman Field Capital Improvements in the Non-CIP Capital expense account.

POLICE DEPARTMENT

A budget adjustment is necessary to clean up the Stanislaus Drug Enforcement Agency (SDEA) JPA budget as the City of Modesto is no longer the fiduciary. Of the \$723,072 budgeted, \$504,666 will be eliminated as the positions have been eliminated. Another \$97,148 in ISF costs will be moved to General Fund within the MPD – Field Operations cost center which will come from General Fund Emergency Reserves. The remaining balance of \$121,258, which is the salary, benefits and ISF costs for one Senior Crime Analyst, will be moved to a new cost center within the Grants – Police Fund (1342) with matching revenue as this position will remain with SDEA with funding through CalMMET (California Multi-Jurisdictional Methamphetamine Enforcement Team) grants.

A budget adjustment is necessary to add \$50,000 in Overtime to the MPD SDEA cost center (0100-19210) with matching revenues so there will be no impact on the General Fund. In turn the SDEA HIDTA (High Intensity Drug Trafficking Area) Grant cost center (1342-19212) will also be increased by \$50,000 for the overtime with matching revenue from HIDTA reimbursement.

A budget adjustment is necessary to amend the MPD Asset Forfeiture budget (0100-19465) by increasing both the revenue and a transfer out to fund 3120 in the amount of \$180,000. This was originally approved by council on 5/2/17 for the Records Management System project with Resolution number 2017-168 but since the project has not hasn't been completed the budget needs to be re-established in FY 18-19.

PUBLIC WORKS

A budget adjustment is necessary to increase revenues due to the approval of the Maximum Rate Schedule effective 7/1/18 for the City Solid Waste Collection Services on 6/12/18 by Council in the amounts listed below:

- Solid Waste Fund in the amount of \$409,600,
- Green Waste Fund in the amount of \$771,671
- Carpenter Road Landfill Fund in the amount of \$74,498

A budget adjustment is necessary to recognize unbudgeted revenue in the amount of \$301,200 for Capital Improvement Project #100967 – HSIP Cycle 6 High Friction Surface Treatment

within Fund 3160, Capital Grants-Streets CIP Projects as additional funding was recently awarded by the Department of Transportation (Caltrans). Additionally, a transfer of \$33,600 need to be established from the Surface Transportation Fund (1700) reserves to the project for the local match portion of the funding. The total increase in budget of \$334,800 will be allocated to the projects discretionary expense tasks.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-361**

RESOLUTION APPROVING A FIRST AMENDMENT TO THE PROFESSIONAL SERVICES AGREEMENT WITH ARMISTEAD RESEARCH AND INVESTIGATIVE SERVICES IN THE AMOUNT OF \$54,000, FOR A TERM TO EXPIRE ON JANUARY 31, 2019 FOR A TOTAL AGREEMENT AMOUNT NOT TO EXCEED \$157,200 FOR CONSULTANT SERVICES WITH RESPECT TO ADMINISTRATIVE INVESTIGATIONS, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, on January 23, 2018, by Resolution No. 2018-53, Council approved an agreement with Armistead Research and Investigative Services for a term of November 9, 2017 through September 30, 2018 for internal administrative investigation services, in the amount of \$103,200, and

WHEREAS, a discrepancy has been discovered in the previously ratified expense amount taken to Council on January 23, 2018, and

WHEREAS, the City has a need to continue these services for confidential investigations, and

WHEREAS, staff recommends the City amend the professional services agreement Armistead Research and Investigative Services to correct the discrepancy and approve the continued services.

NOW, THEREFORE BE IT RESOLVED that the City Council of the City of Modesto hereby approves a First Amendment to the professional services agreement with Armistead Research and Investigative Services in the amount of \$54,000, for a term to expire on January 31, 2019 for a total agreement amount not to exceed \$157,200 for consultant services with respect to administrative investigations.

BE IT FURTHER RESOLVED, that the City Manager, or his designee, is authorized to execute the First Amendment, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-362**

**RESOLUTION APPROVING THE FIRST AMENDMENT TO THE
CONSULTANT SERVICES AGREEMENT WITH AARONSON MANAGEMENT
GROUP, INC. (DBA STORYPOWERED) FOR PHASE II WORK ON THE
CONVENTION AND VISITOR'S BUREAU TRANSITION TO AN
INDEPENDENT AGENCY, IN AN AMOUNT NOT TO EXCEED \$52,500, FOR A
TOTAL AGREEMENT AMOUNT NOT TO EXCEED \$102,000 AND
AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE
THE AMENDMENT**

WHEREAS, in June 2015, the City Council adopted Resolution No. 2015-224 assigning the duties and functions of the Convention and Visitor's Bureau (CVB) to the Community and Economic Development Department, and

WHEREAS, in September 2015, the Destination Modesto Task Force (Task Force) was formed to review and make recommendations on how to structure the entity responsible for marketing Modesto and its many venues and attractions, including John Thurman Field, three (3) City-owned golf courses, McHenry Mansion, McHenry Museum, Modesto Centre Plaza, and the CVB, and

WHEREAS, the Task Force agreed that marketing Modesto should include: 1) results oriented management, 2) comprehensive and coordinated marketing, 3) regional collaboration and partnership, 4) performance measured by economic growth potential, and 5) entrepreneurial spirit, and

WHEREAS, recommendations have been made, exercised, or are on-going pertaining to John Thurman Field, Modesto Centre Plaza, the three (3) City-owned golf courses, and the McHenry Mansion and McHenry Museum, and

WHEREAS, Resolution No. 2018-107 initiated the start of moving forward to have a fully functioning CVB, and restoring it as an independent agency, and

WHEREAS, steps toward restoring the CVB include hiring a consultant to oversee the transition and activities of the Convention and Visitor's Bureau, establishing the Mayor and Council and the Interim Board of Directors, and drafting an agreement to provide funding from the Transient Occupancy Tax, using the previous agreement as a guide, and

WHEREAS, on March 27, 2018, the City executed an Agreement for Consultant Services with Aaronson Management Group, Inc. (DBA StoryPowered) (Agreement), to oversee Phase I of the CVB transition, and

WHEREAS, Phase I is complete and included a SWOT Analysis Draft and Comprehensive Set Audit, Draft By Laws, Draft Business Plan, Draft Zero-Based Budget and a revised budget, and

WHEREAS, the cost of Phase I was \$47,500 plus reimbursable expenses, and

WHEREAS, City desires to amend the Agreement to include Phase 2, the second and final phase, leading to the launch of a new Convention and Visitors Authority in early 2019, and

WHEREAS, the cost of Phase II is \$47,500 plus reimbursable expenses in an amount not to exceed \$5,000, and

WHEREAS, funding for Phase II is budgeted in the Fiscal Year 2018-2019 Operating budget of the Convention & Visitors Bureau in the General Fund (0100-34300-53300).

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the First Amendment to the Consultant Services Agreement with Aaronson Management Group, Inc. (DBA StoryPowered), for Phase II work on the

Convention and Visitor's Bureau transition to an independent agency, in an amount not to exceed \$52,500, for a total agreement amount not to exceed \$102,000.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the First Amendment to the Agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-363**

RESOLUTION ACCEPTING THE 2018/2019 ALCOHOL POLICING PARTNERSHIP GRANT IN THE AMOUNT OF \$57,000 FROM THE STATE DEPARTMENT OF ALCOHOLIC BEVERAGE CONTROL FOR MINOR DECOY, SHOULDER TAP, AND IMPACT INSPECTIONS; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE NECESSARY GRANT DOCUMENTS

WHEREAS, the Modesto Police Department desires to undertake a certain project designated as the Modesto ABC Project to be funded in part from 2018/2019 Alcohol Policing Partnership Grant, and

WHEREAS, the Police Department was awarded a grant in the sum of \$57,000 from the State Department of Alcoholic Beverage Control (ABC) for Minor Decoy, Shoulder Tap, and IMPACT Inspections, and

WHEREAS, acceptance of said \$57,000 grant will allow the Modesto Police Department to work proactively to address alcohol related crimes in the City of Modesto.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the 2018/2019 Alcohol Policing Partnership Grant in the amount of \$57,000 from the State Department of Alcoholic Beverage Control to reduce crimes related with the sales, distribution and access to alcoholic beverages by minors.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the necessary grant documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-364**

RESOLUTION AMENDING THE FISCAL YEAR 2018/2019 OPERATING BUDGET, AND REALLOCATING REVENUE OF \$57,000 TO GRANT EXPENDITURES FOR THE 2018-2019 ALCOHOL POLICING PARTNERSHIP GRANT

WHEREAS, the Police Department acquired a grant award in the amount of \$57,000 from the State Department of Alcoholic Beverage Control for Minor Decoy Program, Shoulder Tap, Investigation/Enforcement, Education/Training and Impact Inspections relating to the 2018/2019 Alcohol Policing Partnership Grant Program to reduce crime related with sales, distribution and access to alcoholic beverages by minors, and

WHEREAS, there is no local match required for this program, and

WHEREAS, the Fiscal Year 2018/2019 Operating Budget will be amended as shown on **Exhibit A**, which is **attached** to this resolution and incorporated herein.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes amending the Fiscal Year 2018/2019 Operating Budget as shown on the **attached Exhibit A**.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

Justification for Budget Adjustment

This budget amendment is being made to: 1) Program ABC grant revenue and offsetting expenses in the amount of \$57,000. This action will establish a new grant Project account for the recently awarded Office of Traffic Safety (OTS) 2018-19 Alcoholic Beverage Control (ABC) Grant. Grant funding will be used to fund operation to reduce crimes related to the sales, distribution and access of alcoholic beverages by minors.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-365**

RESOLUTION APPROVING THE SUBMITTAL OF A GRANT APPLICATION TO THE FEDERAL TRANSIT ADMINISTRATION (FTA) REQUESTING \$5,257,527 IN FTA SECTION 5307 FUNDS AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE AND FILE ALL OTHER NECESSARY DOCUMENTS WITH THE FTA

WHEREAS, the Federal Transit Administration (FTA) has been a delegated authority to award federal financial assistance for transportation related projects, and

WHEREAS, the City of Modesto has provided all annual certifications and assurances required by the FTA to be eligible for funding under 49 U.S.C Section 5307, and

WHEREAS, the projects are included in the 2017 Federal Transportation Improvement Program (FTIP) adopted by the Stanislaus Council of Governments (StanCOG), and

WHEREAS, the projects are also included in the 2019 FTIP draft awaiting approval by StanCOG, and

WHEREAS, Modesto is eligible to use federally approved Transportation Development Credits, formerly known as “State Toll Credits”, in lieu of a local match, and

WHEREAS, these Section 5307 funds will be used for preventative maintenance, preventive maintenance for transit improvements, capital cost of contracting for Stanislaus County, and capital cost of contracting for Modesto.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the submittal of an application to the FTA for \$5,257,527 in Section 5307 funds.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute and file all other documents the FTA requires for awarding a federal assistance grant.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Madrigal, who moved its adoption, which motion being duly seconded by Councilmember Kenoyer, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-366**

RESOLUTION APPROVING THE AWARD OF BID FOR THE PURCHASE OF NEW EMERGENCY VEHICLE PRE-EMPTION EQUIPMENT FROM ADVANCED TRAFFIC PRODUCTS INC., EVERETT, WASHINGTON FOR A TOTAL COST NOT TO EXCEED \$555,843, AND AUTHORIZING THE PURCHASING MANAGER, OR HER, DESIGNEE, TO ISSUE A PURCHASE ORDER

WHEREAS, on May 24, 2016 Council approved Measure L projects which included the purchase of new Emergency Vehicle Pre-emption (EVP) equipment from Advanced Traffic Products Inc., Everett, Washington, and

WHEREAS, purchase of this equipment is the first step in making our traffic signal network ready for future adaptive traffic signal system, and

WHEREAS, Purchasing Division secured bids for the purchase of new Emergency Vehicle Pre-emption equipment to communicate with the new 2070 controllers, and

WHEREAS, City staff has reviewed the bids and Advanced Traffic Products Inc., was the lowest responsive and responsible bidder, and

WHEREAS, the Public Works Director and the City Manager have recommended that the bid of \$555,843 received from Advanced Traffic Products Inc., be accepted and the purchase be awarded to Advanced Traffic Products Inc., Everett, Washington, and

WHEREAS, sufficient funds for new Emergency Vehicle Pre-emption equipment to communicate with the new 2070 controllers have been funded through the Highway Safety Improvement Program Grant, as well as local match thru Measure L Funds.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the purchase new Emergency Vehicle Pre-emption equipment for

traffic signals from Advanced Traffic Products Inc., Everett, Washington in an amount not to exceed \$555,843.

BE IT FURTHER RESOLVED that the Purchasing Manager, or her designee, is authorized to issue a purchase order for a total cost not to exceed \$555,843.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-367**

RESOLUTION APPROVING THE SOLE BRAND PROCUREMENT OF A CATERPILLAR TIER 4F C27 ENGINE, OR EQUIVALENT ENGINE APPROVED BY THE SAN JOAQUIN VALLEY AIR POLLUTION CONTROL DISTRICT (SJVAPCD), TO HOLT OF CALIFORNIA, FOR THE REPOWER OF THE COMPOST DIAMOND Z DZH5000 HORIZONTAL GRINDER TO BE IN COMPLIANCE WITH RULE 4702 – INTERNAL COMBUSTION ENGINES, FOR A TOTAL COST NOT TO EXCEED \$288,543, AND AUTHORIZING THE PURCHASING MANAGER, OR HER DESIGNEE TO ISSUE THE PURCHASE ORDER

WHEREAS, in 2007 the Compost Facility purchased a Diamond DZH5000 Horizontal Wood Grinder equipped with a 1050 horsepower Caterpillar C27 Tier 2 diesel powered engine to enable the facility to grind and process approximately 65,000 tons of residential and commercial greenwaste, foodwaste, and forestry materials, and

WHEREAS, in 2003 the Air Board adopted Rule 4702 – *Internal Combustion Engines*, which required different engine certification upgrades for internal combustion engines by certain due dates, and

WHEREAS, Rule 4702 has been amended over the years and the last amendment in 2013 required all non-emergency use Tier 1 and Tier 2 EPA certified diesel internal combustion engines rated great than 50 horsepower to be removed from service as of June 1, 2018, and

WHEREAS, on July 11, 2018, the Compost Facility received a Notice of Violation (NOV) from the San Joaquin Valley Air Pollution Control District (SJVAPCD) for the Grinder's 1050 horsepower Caterpillar C27 Tier 2 diesel powered engine being in violation of Rule 4702, and on July 26, 2018, a second NOV was issued for the grinder being in violation of exceeding the daily hourly limit on that engine, and both NOV's are subject to penalties, and

WHEREAS, under Rule 4702, 4 options are listed as acceptable methods for compliance, and

WHEREAS, Option 1 is to purchase a new grinder with the proper Tier 4F diesel engine which would cost approximately \$900,000; Option 2 is to buy an electric grinder which cost over \$2,000,000 for the construction of the substation to power the grinder and the purchase of the grinder; Option 3 is to limit the operations of the current grinder to 200 hours per calendar year, which would not be feasible for our size operation; and Option 4 is to replace the grinder's engine and related components to a Tier 4F SJVAPCD approved engine which would cost \$288,543, and

WHEREAS, Option 4 is the most prudent choice for the City at this time, and after receiving the NOV the City had 10 days to respond and advise the SJVAPCD how we would be proceeding, and

WHEREAS, staff has located an engine with Caterpillar, the engine manufacturer, through the local dealer, Holt of California, that will meet the Tier 4F engine specifications as required by the SJVAPCD, and

WHEREAS, this engine will take approximately 14 weeks to order and up to 2 months to install, and

WHEREAS this particular piece of equipment was never added to the Fleet Replacement Fund in 2007 so there are no allocated funds for its replacement, however, the Fleet Replacement Fund can be used for the engine replacement and then the funds expended will be recovered by the Compost Fund through future depreciation payments, in addition to new replacement funds, and

WHEREAS, this 1050 horsepower Caterpillar C27 Tier 4F diesel powered engine is a sole brand procurement due to the fact that the SJVAPCD is much more likely to approve the engine quickly as the original manufacturer tested and approved this engine to work on this equipment, saving countless hours of fabrication time to make another engine that was not specifically designed for this equipment, and

WHEREAS, Holt of California and Caterpillar are territorial so no vendor except the local branch will be able to sell this engine to the City of Modesto, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid, however, Section 8-3.204 provides exemptions to the formal bid process. Modesto Municipal Code Section 8-3.204(d) states “Where the Purchasing Manager, in his or her discretion, determines that a process other than the formal bid procedure set forth in Section 8-3.203 will result in procurement for the City at the lowest possible cost commensurate with the desired quality, such alternatives may include, but are not limited to, a "two-step" procurement process or a procurement based solely on a technical evaluation.” In addition, Section 8-3.204(c) states “Where the Purchasing Manager, in his or her discretion, determines that calling for bids on a competitive basis as set forth in Section 8-3.203 is undesirable due to exigent circumstances”. The purchase of the Caterpillar Tier 4F C27 Engine from Holt of California conforms to the Modesto Municipal Code.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the sole brand procurement of a Caterpillar 4F C27 Engine, or

equivalent engine approved by the San Joaquin Valley Air Pollution Control District, to Holt of California, for the repower of the Compost Diamond Z DZH5000 Horizontal Grinder to be in compliance with the SJVAPCD Rule 4702 – Internal Combustion Engines, for a total cost not to exceed \$288, 543.

BE IT FURTHER RESOLVED, that the Purchasing Manager, or her designee, is authorized to issue the purchase order.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-368**

RESOLUTION APPROVING THREE ON-CALL REAL PROPERTY APPRAISAL AND CONSULTANT SERVICES AGREEMENTS WITH ASSOCIATED RIGHT OF WAY SERVICES, INC., OF PLEASANT HILL, CA; BENDER ROSENTHAL INC., OF SACRAMENTO, CA; AND DEAN CHAPMAN & ASSOCIATES, INC. DBA CHAPMAN & PATTON, OF DANVILLE, CA FOR AN ANNUAL AMOUNT NOT TO EXCEED \$45,000 EACH, WITH TWO ONE-YEAR EXTENSION OPTIONS EACH, FOR A TOTAL AMOUNT NOT TO EXCEED \$135,000 PER CONSULTANT AGREEMENT

WHEREAS, real property, construction easements and/or public utility easements are frequently needed as part of Capital Improvement Projects, and

WHEREAS, professional appraisals are required on an “as-needed” basis for these purposes, and

WHEREAS, review of appraisals may be required by Federal and State funding related to City projects, and

WHEREAS, appraisal values establish just compensation, as required by law, for each property acquisition, and

WHEREAS, on May 18, 2018, in compliance with Administrative Directive 3.1, Selection Procedures for Professional Consultants Who Provide Architectural and Engineering Services for Capital Projects, a Request for Qualifications and Proposals was initiated to perform on-call real property appraisal and consultant services, and

WHEREAS, responses were received from eight firms and reviewed by a selection committee who chose three firms as the most qualified to provide real property appraisal and consulting services to the City.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves agreements with the following three firms: Associated Right of

Way Services, Inc., Bender Rosenthal Inc., and Dean Chapman & Associates, Inc. dba Chapman & Patton for On-Call Real Property Appraisal and Consultant Services for one year each, with two one-year extension options each at the sole discretion of the City in an amount not to exceed \$45,000 per year, with a total cost for three years not to exceed \$135,000 per consultant agreement.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreements, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Zoslocki, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-369**

RESOLUTION OF NECESSITY DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY REQUIRE THE ACQUISITION OF REAL PROPERTY DIRECTING THE COMMENCEMENT OF EMINENT DOMAIN PROCEEDINGS FOR THE STATE ROUTE 132 FREEWAY/EXPRESSWAY PHASE 1 PROJECT RE: 219 GARRISON AVENUE, MODESTO, CA (APN 007-042-007), OWNER: PETER A. MENGHETTI AND KATHLEEN MENGHETTI, TRUSTEES OF THE MENGHETTI 2000 REVOCABLE TRUST UNDER INSTRUMENT DATED NOVEMBER 3, 2000

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (“Project”) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue; and

WHEREAS, the Project, will improve regional and interregional circulation, relieve traffic congestion along existing State Route 132 (SR-132)/Maze Boulevard, and improve traffic operations by creating a new alignment connecting SR-132 with the City of Modesto; and

WHEREAS, on October 10, 2017, Council approved a Measure L Cooperative Agreement with StanCOG (“StanCOG Cooperative Agreement”) for the Plans, Specifications and Estimates Stage of Phase 1 of the State Route 132 Project; and

WHEREAS, on October 24, 2017, Council approved a Joint Powers Agreement with Stanislaus County (“City/County JPA”) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its authority under State law to acquire real property for the purposes of the Project; and

WHEREAS, on March 2, 2018, the California Department of Transportation (“Caltrans”) approved the Environmental Document and selected Project Alternative 2;

and

WHEREAS, on August 8, 2018, Council approved a Cooperative Agreement between the City of Modesto and Caltrans (“City/Caltrans Cooperative Agreement”); and

WHEREAS, the City is vested by law with the authority to acquire real property and exercise the power of eminent domain to acquire real property under the provisions and authority of and for the purposes and uses authorized by Article 1, Section 19 of the Constitution of the State of California, Government Code sections 37350.5, 37353, 39792, 40401, 40404, Streets & Highways Code sections 104, 113, 114, 116, 130, 1810, 10102, and by California Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510 and 1240.610, and pursuant to the City/Caltrans Cooperative Agreement; and

WHEREAS, pursuant to Code of Civil Procedure section 1240.140, the Joint Exercise of Powers Act (Government Code sections 6500, *et seq.*), and City/County JPA, Stanislaus County delegated to the City its authority to acquire and condemn property for the Project pursuant to Article I, Section 19 of the Constitution of the State of California, Government Code section 25350.5, Streets and Highways Code sections 104, 116, 130, 760 and 943, Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510, and 1240.610, and Streets & Highways Code sections 104, 116, 130 and 760; and

WHEREAS, it is desirable and necessary for the City to acquire certain real property interests consisting of a permanent roadway easement and a 24-month temporary construction easement, from property located at 219 Garrison Avenue, Modesto, California (APN 007-042-007), as more particularly described and depicted in

Exhibit A attached hereto and made a part hereof by this reference, for the construction of the Project; and

WHEREAS, the City and Caltrans have investigated and examined alternatives to the Project and the acquisition of the Property, and concluded that both the Project and the acquisition of the Property for the Project are necessary;

WHEREAS, the requirements of the California Environmental Quality Act (“CEQA”) and National Environmental Policy Act (“NEPA”) have been satisfied for the Project; and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to the owner(s) of the property herein, all of whom have been given a reasonable opportunity to appear and be heard before the City Council of the City of Modesto at the time and place set forth in said notice, regarding the matters specified therein.

NOW, THEREFORE, IT IS FOUND AND DETERMINED as follows:

1. The public interest and necessity require the Project.
2. The Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
3. The property described and depicted in **Exhibit A** hereto is necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code, together with the accompanying statement of the amount established as just compensation, has been made to the owner or owners of record, which offer and statement were in a format and contained the information required by Government Code Section 7267.2.

5. The City has complied with all conditions and statutory requirements, including those prescribed by CEQA and NEPA, that are necessary for approval and adoption of the Project.

6. All conditions and statutory requirements necessary to exercise the power of eminent domain (“the right to take”) to acquire the property described herein have been complied with by the City.

7. Insofar as any portion of the property has heretofore been appropriated for public use, the proposed use set forth herein will not unreasonably interfere with or impair the continuation of the public use as it exists or may reasonably be expected to exist in the future, and is therefore a compatible public use pursuant to Code of Civil Procedure Section 1240.510, or, as applicable, constitutes a more necessary public use to which the property is appropriated pursuant to Code of Civil Procedure Section 1240.610.

8. The City Attorney and/or his designee, is hereby authorized and empowered to acquire in the name of the City of Modesto by condemnation the property described and depicted in **Exhibit A** hereto; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as is necessary for such acquisition and to make such action as may be deemed advisable or necessary in connection therewith; and to deposit the probable amount of just compensation, based on an approved appraisal.

9. An order for prejudgment possession may be obtained in said condemnation proceeding and a warrant issued to the State Treasury Condemnation Fund, in the amount based on the approved appraisal, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

BE IT FURTHER RESOLVED, that the recitals contained hereinabove are true and correct, and all the findings and determinations made by the City Council pursuant to this Resolution are based upon substantial evidence in the entire record before the City Council, and are not based solely on the information provided in this Resolution.

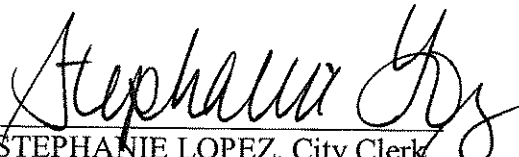

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

Temporary Construction Easement

SR132 Phase 1 Construction Project
Menghetti 2000 Revocable Trust to City of Modesto
APN: 007-042-007

Legal description:

ALL that certain real property, being a portion of Parcel 'A', as shown on that certain map, filed for record on May 21, 1975 in Book 21 of Parcel Maps, at Page 29, Stanislaus County Records, and as described in Grant Deed to Peter A. Menghetti and Kathleen Menghetti, Trustees of the Menghetti 2000 Revocable Trust under instrument dated November 3, 2000, filed for record November 14, 2000 as Document No. 2000-0096445, Stanislaus County Records, and situate in the Northwest quarter of Section 35, Township 3 South, Range 8 East, Mount Diablo Meridian, County of Stanislaus, State of California, lying northerly and westerly of course (4) thru (10) of the following described line:

COMMENCING at a concrete monument with a 3" square brass plate in a monument well at the northwest corner of said Section 35, as shown on that certain Record of Survey, filed for record in Book 31 of Surveys, at Page 22, Stanislaus County Records, from which a 2" iron pipe with brass cap in a monument well at the West 1/4 corner of Section 26 of said Township and Range, as shown on said Record of Survey, bears North 00°43'51" West 2639.81 feet; thence South 53°01'37" West 24.99 feet to a point lying within the right-of-way of Maze Boulevard (State Highway Route 132), said point being the **TRUE POINT OF BEGINNING**;

thence (1), parallel with and 20.00 feet distant at right angles from the West line of said Parcel A South 00°07'35" East 202.98 feet;

thence (2), North 89°55'20" East 20.00 feet to a point on said West line;

thence (3), along said West line South 00°07'35" East 5.53 feet;

thence (4), leaving said West line and proceeding North 89°52'25" East 17.09 feet;

thence (5), North 12°08'34" East 13.76 feet to the beginning of a non-tangent curve concave to the East having a radius of 172.00 feet, to which beginning a radial line bears South 89°10'37" West;

thence (6), northerly 63.30 feet along the arc of said curve through a central angle of 21°05'13" to the beginning of a non-tangent curve concave to the West having a radius of 225.33 feet, to which beginning a radial line bears South 69°35'50" East;

thence (7), northerly 83.12 feet along the arc of said curve through a central angle of 21°08'10";

thence (8), along a non-tangent line North 00°39'49" West 4.73 feet;

thence (9), northeasterly 31.49 feet along the arc of a curve concave to the southeast having a radius of 20.00 feet, through a central angle of 90°12'12";

thence (10), along a non-tangent line North 00°27'37" West 12.26 feet to a point on the North line of said Parcel 'A', being also a point on the South right-of-way line of said Maze Boulevard, and the terminal point of this description, said terminal point bears South 65°41'23" East 71.22 feet from aforementioned Northwest corner of Section 35;

EXCEPTING THEREFROM the real property lying northerly and westerly of course (14) thru (19) of the following described line:

COMMENCING at a concrete monument with a 3" square brass plate in a monument well at the northwest corner of said Section 35, as shown on that certain Record of Survey, filed for record in Book 31 of Surveys, at Page 22, Stanislaus County Records, from which a 2" iron pipe with brass cap in a monument well at the West 1/4 corner of Section 26 of said Township and Range, as shown on said Record of Survey, bears North 00°43'51" West 2639.81 feet; thence South 53°01'37" West 24.99 feet to a point lying within the right-of-way of Maze Boulevard (State Highway Route 132), said point being the True Point Of Beginning;

thence (11), parallel with and 20.00 feet distant at right angles from the West line of said Parcel A South 00°07'35" East 202.98 feet;

thence (12), North 89°55'20" East 20.00 feet to a point on said West line;

thence (13), along said West line North 00°07'35" West 4.47 feet;

thence (14), leaving last said West line and proceeding North 89°52'25" East 5.00 feet;

thence (15), thence parallel with and 5.00 feet distant at right angles from said West line North 00°07'35" West 5.00 feet to the beginning of a non-tangent curve concave to the East having a radius of 187.00 feet, to which beginning a radial line bears South 89°42'36" West;

thence (16), northerly 67.10 feet along the arc of said non-tangent curve through a central angle of 20°33'35" to the beginning of a non-tangent curve concave to the West having a radius of 210.33 feet, to which beginning a radial line bears South 69°35'33" East;

thence (17), northerly 77.62 feet along the arc of last said non-tangent curve through a central angle of 21°08'36";

thence (18), along a non-tangent line North 00°39'49" West 4.74 feet;

thence (19), northeasterly 55.02 feet along the arc of a curve concave to the southeast having a radius of 35.00 feet, through a central angle of 90°03'49" to a point lying within said right-of-way of Maze Boulevard, and the terminal point of this description, said terminal point bears South 67°41'35" East 70.04 feet from aforementioned Northwest corner of Section 35;

Containing (3,123 square feet Grid), 3,123 square feet [0.07 acres] Ground more or less.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

Rights to the above described temporary easement shall cease and terminate on December 31, 2020.

Said rights may also be terminated prior to the above date by (GRANTEE) upon notice to GRANTOR.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-370**

RESOLUTION OF NECESSITY DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY REQUIRE THE ACQUISITION OF REAL PROPERTY DIRECTING THE COMMENCEMENT OF EMINENT DOMAIN PROCEEDINGS FOR THE STATE ROUTE 132 FREEWAY/EXPRESSWAY PHASE 1 PROJECT RE: SE CORNER OF KANSAS AVE. AND DAKOTA AVE., MODESTO, CA 95358 (APN 007-024-001), OWNER: DAVID FARIA AND GAIL FARIA, TRUSTEES OF THE DAVID FARIA AND GAIL FARIA REVOCABLE LIVING TRUST

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (“Project”) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue; and

WHEREAS, the Project, will improve regional and interregional circulation, relieve traffic congestion along existing State Route 132 (SR-132)/Maze Boulevard, and improve traffic operations by creating a new alignment connecting SR-132 with the City of Modesto; and

WHEREAS, on October 10, 2017, Council approved a Measure L Cooperative Agreement with StanCOG (“StanCOG Cooperative Agreement”) for the Plans, Specifications and Estimates Stage of Phase 1 of the State Route 132 Project; and

WHEREAS, on October 24, 2017, Council approved a Joint Powers Agreement with Stanislaus County (“City/County JPA”) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its authority under State law to acquire real property for the purposes of the Project; and

WHEREAS, on March 2, 2018, the California Department of Transportation (“Caltrans”) approved the Environmental Document and selected Project Alternative 2;

and

WHEREAS, on August 8, 2018, Council approved a Cooperative Agreement between the City of Modesto and Caltrans (“City/Caltrans Cooperative Agreement”); and

WHEREAS, the City is vested by law with the authority to acquire real property and exercise the power of eminent domain to acquire real property under the provisions and authority of and for the purposes and uses authorized by Article 1, Section 19 of the Constitution of the State of California, Government Code sections 37350.5, 37353, 39792, 40401, 40404, Streets & Highways Code sections 104, 113, 114, 116, 130, 1810, 10102, and by California Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510 and 1240.610, and pursuant to the City/Caltrans Cooperative Agreement; and

WHEREAS, pursuant to Code of Civil Procedure section 1240.140, the Joint Exercise of Powers Act (Government Code sections 6500, *et seq.*), and City/County JPA, Stanislaus County delegated to the City its authority to acquire and condemn property for the Project pursuant to Article I, Section 19 of the Constitution of the State of California, Government Code section 25350.5, Streets and Highways Code sections 104, 116, 130, 760 and 943, Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510, and 1240.610, and Streets & Highways Code sections 104, 116, 130 and 760; and

WHEREAS, it is desirable and necessary for the City to acquire certain real property interests in fee and a 24-month temporary construction easement, from property located at the SE Corner of Kansas Ave. and Dakota Ave., Modesto, CA 95358 (APN 007-024-001), as more particularly described and depicted in **Exhibit A attached** hereto

and made a part hereof by this reference, for the construction of the Project; and

WHEREAS, the City and Caltrans have investigated and examined alternatives to the Project and the acquisition of the Property, and concluded that both the Project and the acquisition of the Property for the Project are necessary; and

WHEREAS, the requirements of the California Environmental Quality Act (“CEQA”) and National Environmental Policy Act (“NEPA”) have been satisfied for the Project; and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to the owner(s) of the property herein, all of whom have been given a reasonable opportunity to appear and be heard before the City Council of the City of Modesto at the time and place set forth in said notice, regarding the matters specified therein,

NOW, THEREFORE, IT IS FOUND AND DETERMINED as follows:

1. The public interest and necessity require the Project.
2. The Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
3. The property described and depicted in **Exhibit A** hereto is necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code, together with the accompanying statement of the amount established as just compensation, has been made to the owner or owners of record, which offer and statement were in a format and contained the information required by Government Code Section 7267.2.
5. The City has complied with all conditions and statutory requirements,

including those prescribed by CEQA and NEPA, that are necessary for approval and adoption of the Project.

6. All conditions and statutory requirements necessary to exercise the power of eminent domain (“the right to take”) to acquire the property described herein have been complied with by the City.

7. Insofar as any portion of the property has heretofore been appropriated for public use, the proposed use set forth herein will not unreasonably interfere with or impair the continuation of the public use as it exists or may reasonably be expected to exist in the future, and is therefore a compatible public use pursuant to Code of Civil Procedure Section 1240.510, or, as applicable, constitutes a more necessary public use to which the property is appropriated pursuant to Code of Civil Procedure Section 1240.610.

8. The City Attorney and/or his designee, is hereby authorized and empowered to acquire in the name of the City of Modesto by condemnation the property described and depicted in **Exhibit A** hereto; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as is necessary for such acquisition and to make such action as may be deemed advisable or necessary in connection therewith; and to deposit the probable amount of just compensation, based on an approved appraisal.

9. An order for prejudgment possession may be obtained in said condemnation proceeding and a warrant issued to the State Treasury Condemnation Fund, in the amount based on the approved appraisal, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

BE IT FURTHER RESOLVED, that the recitals contained hereinabove are true

and correct, and all the findings and determinations made by the City Council pursuant to this Resolution are based upon substantial evidence in the entire record before the City Council, and are not based solely on the information provided in this Resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Ridenour, Zoslocki, Mayor Brandvold

SR132 Phase 1 Construction Project
David A. Faria et ux to City of Modesto
APN: 007-024-001

Legal description:

ALL that certain real property, being a portion of the lands described in Grant Deed to David A. Faria and Gail M. Faria, husband and wife, as community property, filed for record January 4, 1995 as Instrument No. 95-0000350, Stanislaus County Records, and situate in the southwest 1/4 of Section 26, Township 3 South, Range 8 East, Mount Diablo Meridian, County of Stanislaus, State of California, lying westerly and northerly of courses (8) thru (12) of the following described line:

COMMENCING at a concrete monument with a 3" square brass plate in a monument well at the southwest corner of said Section 26, as shown on that certain Record of Survey, filed for record in Book 31 of Surveys, at Page 22, Stanislaus County Records, from which a 2" iron pipe with brass cap in a monument well at the West 1/4 corner of said Section 26, as shown on said Record of Survey, bears North 00°43'51" West 2639.81 feet; thence North 87°39'48" East 714.96 feet to the easterly terminus of the line labeled "1)N. 86°20'23"W., 130.217 meters" as shown in that certain Grant Deed to the State of California, filed for record May 16, 2001 as Document no. 2001-0051238, Stanislaus County Records, said terminus lying within the right-of-way of Maze Boulevard (State Highway Route 132), and being the **TRUE POINT OF BEGINNING**;

thence (1), along said line labeled "1)N. 86°20'23"W., 130.217 meters" North 86°20'32" West 427.22 feet;

thence (2), leaving said line labeled "1)N. 86°20'23"W., 130.217 meters" and proceeding North 00°00'00" East 0.03 feet;

thence (3), North 87°58'17" West 160.44 feet;

thence (4), North 52°54'59" West 83.49 feet to a point which is 62.50 feet distant at right angles from the West line of said southwest quarter of Section 26;

thence (5), thence parallel with said West line North 00°43'51" West 1608.21 feet;

thence (6), North 89°14'21" East 7.05 feet;

thence (7), North 00°43'24" West 75.00 feet, more or less, to a point on the South line of said Faria land;

thence (8), leaving last said South line and proceeding North 00°39'49" West 390.90 feet;

thence (9), North 14°12'55" East 233.96 feet;

thence (10), North 89°19'47" East 1062.37 feet;

thence (11), North 00°43'35" West 52.35 feet to the westerly extension of the future southerly right-of-way line of State Highway Route 132 labeled as "N89°21'00"E 2362.15", as said right-of-way line is shown on sheet 21 of State Highway map STA-132P PM 12.00;

thence (12), along said proposed southerly right-of-way line and said westerly extension North 89°21'16" East 3813.99 feet to the easterly terminus of the line labeled "N89°21'00"E 2362.15" as shown on said Sheet 21 and Sheet 22 of State Highway Map STA-132P PM 12.36, and the terminal point of this description, said terminal point bears South 88°38'38" East 5010.03 feet from aforementioned West 1/4 corner of Section 26.

Containing (327,494 square feet Grid), 327,538 square feet [7.52 acres] Ground more or less.

This conveyance is made for the purpose of a freeway and the grantor hereby relinquishes to the grantee any and all abutter's rights including access rights, appurtenant to grantors' remaining property, in and to said freeway, excepting therefrom the South 50 feet of course (9).

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

Temporary Construction Easement

SR132 Phase 1 Construction Project
David A. Faria et ux to City of Modesto
APN: 007-024-001

Legal description:

ALL that certain real property, being a portion of the lands described in Grant Deed to David A. Faria and Gail M. Faria, husband and wife, as community property, filed for record January 4, 1995 as Instrument No. 95-0000350, Stanislaus County Records, and situate in the southwest 1/4 of Section 26, Township 3 South, Range 8 East, Mount Diablo Meridian, County of Stanislaus, State of California, being a strip of land 5.00 feet wide, the westerly, northwesterly and northerly line of which is coincident with courses (8) thru (10) of the following described line:

COMMENCING at a concrete monument with a 3" square brass plate in a monument well at the southwest corner of said Section 26, as shown on that certain Record of Survey, filed for record in Book 31 of Surveys, at Page 22, Stanislaus County Records, from which a 2" iron pipe with brass cap in a monument well at the West 1/4 corner of said Section 26, as shown on said Record of Survey, bears North 00°43'51" West 2639.81 feet; thence North 87°39'48" East 714.96 feet to the easterly terminus of the line labeled "1)N. 86°20'23"W., 130.217 meters" as shown in that certain Grant Deed to the State of California, filed for record May 16, 2001 as Document no. 2001-0051238, Stanislaus County Records, said terminus lying within the right-of-way of Maze Boulevard (State Highway Route 132), and being the **TRUE POINT OF BEGINNING**;

thence (1), along said line labeled "1)N. 86°20'23"W., 130.217 meters" North 86°20'32" West 427.22 feet;

thence (2), leaving said line labeled "1)N. 86°20'23"W., 130.217 meters" and proceeding North 00°00'00" East 0.03 feet;

thence (3), North 87°58'17" West 160.44 feet;

thence (4), North 52°54'59" West 83.49 feet to a point which is 62.50 feet distant at right angles from the West line of said southwest quarter of Section 26;

thence (5), thence parallel with said West line North 00°43'51" West 1608.21 feet;

thence (6), North 89°14'21" East 7.05 feet;

thence (7), North 00°43'24" West 75.00 feet, more or less, to a point on the South line of said Faria land;

thence (8), leaving last said South line and proceeding North 00°39'49" West 390.90 feet;

thence (9), North 14°12'55" East 233.96 feet;

thence (10), North 89°19'47" East 1062.37 feet;

thence (11), North 00°43'35" West 52.35 feet to the westerly extension of the future southerly right-of-way line of State Highway Route 132 labeled as "N89°21'00"E 2362.15'", as said right-of-way line is shown on sheet 21 of State Highway map STA-132P PM 12.00;

thence (12), along said proposed southerly right-of-way line and said westerly extension North 89°21'16" East 3813.99 feet to the easterly terminus of the line labeled "N89°21'00"E 2362.15'" as shown on said Sheet 21 and Sheet 22 of State Highway Map STA-132P PM 12.36, and the terminal point of this description, said terminal point bears South 88°38'38" East 5010.03 feet from aforementioned West 1/4 corner of Section 26.

TOGETHER WITH the following described property:

BEGINNING at the southerly terminus of course (11) of above-described line:

thence (13), along said course (11) North 00°43'35" West 52.35 feet to the westerly extension of said future southerly right-of-way line of State Highway Route 132 labeled as "N89°21'00"E 2362.15'", as said right-of-way line is shown on sheet 21 of State Highway map STA-132P PM 12.00;

thence (14), along said westerly extension North 89°21'16" East 129.99 feet, more or less to a point on the East line of said Faria land;

thence (15), along last said East line South 00°43'35" East 121.99 feet;

thence (16), leaving last said East line and proceeding North 90°00'00" West 130.00 feet to a point on the southerly extension of aforementioned course (11);

thence (17), along last said southerly extension North 00°43'35" West 68.10 feet to the Point of Beginning.

The sidelines of said 5-foot wide strip to be shortened or lengthened to terminate at the South line of said Faria Land and said southerly extension of course (11).

Containing (24,166 square feet Grid), 24,169 square feet [0.55 acres] Ground more or less.

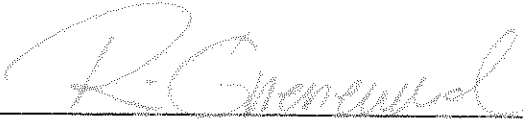

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON"

(PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

Rights to the above described temporary easement shall cease and terminate on December 31, 2020.

Said rights may also be terminated prior to the above date by (GRANTEE) upon notice to GRANTOR.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-371**

RESOLUTION OF NECESSITY DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY REQUIRE THE ACQUISITION OF REAL PROPERTY DIRECTING THE COMMENCEMENT OF EMINENT DOMAIN PROCEEDINGS FOR THE STATE ROUTE 132 FREEWAY/EXPRESSWAY PHASE 1 PROJECT RE: 824 DAKOTA AVENUE, MODESTO, CA 95358 (APN 081-031-013), OWNER: ALCAMO FARMS, LLC, A CALIFORNIA LIMITED LIABILITY COMPANY

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (“Project”) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue; and

WHEREAS, the Project, will improve regional and interregional circulation, relieve traffic congestion along existing State Route 132 (SR-132)/Maze Boulevard, and improve traffic operations by creating a new alignment connecting SR-132 with the City of Modesto; and

WHEREAS, on October 10, 2017, Council approved a Measure L Cooperative Agreement with StanCOG (“StanCOG Cooperative Agreement”) for the Plans, Specifications and Estimates Stage of Phase 1 of the State Route 132 Project; and

WHEREAS, on October 24, 2017, Council approved a Joint Powers Agreement with Stanislaus County (“City/County JPA”) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its authority under State law to acquire real property for the purposes of the Project; and

WHEREAS, on March 2, 2018, the California Department of Transportation (“Caltrans”) approved the Environmental Document and selected Project Alternative 2; and

WHEREAS, on August 8, 2018, Council approved a Cooperative Agreement between the City of Modesto and Caltrans (“City/Caltrans Cooperative Agreement”); and

WHEREAS, the City is vested by law with the authority to acquire real property and exercise the power of eminent domain to acquire real property under the provisions and authority of and for the purposes and uses authorized by Article 1, Section 19 of the Constitution of the State of California, Government Code sections 37350.5, 37353, 39792, 40401, 40404, Streets & Highways Code sections 104, 113, 114, 116, 130, 1810, 10102, and by California Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510 and 1240.610, and pursuant to the City/Caltrans Cooperative Agreement; and

WHEREAS, pursuant to Code of Civil Procedure section 1240.140, the Joint Exercise of Powers Act (Government Code sections 6500, *et seq.*), and City/County JPA, Stanislaus County delegated to the City its authority to acquire and condemn property for the Project pursuant to Article I, Section 19 of the Constitution of the State of California, Government Code section 25350.5, Streets and Highways Code sections 104, 116, 130, 760 and 943, Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510, and 1240.610, and Streets & Highways Code sections 104, 116, 130 and 760; and

WHEREAS, it is desirable and necessary for the City to acquire certain real property interests in fee from property located at 824 Dakota Avenue, Modesto, CA 95358 (APN 081-031-013), as more particularly described and depicted in **Exhibit A attached** hereto and made a part hereof by this reference, for the construction of the Project; and

WHEREAS, the City and Caltrans have investigated and examined alternatives to the Project and the acquisition of the Property, and concluded that both the Project and the acquisition of the Property for the Project are necessary; and

WHEREAS, the requirements of the California Environmental Quality Act (“CEQA”) and National Environmental Policy Act (“NEPA”) have been satisfied for the Project; and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to the owner(s) of the property herein, all of whom have been given a reasonable opportunity to appear and be heard before the City Council of the City of Modesto at the time and place set forth in said notice, regarding the matters specified therein,

NOW, THEREFORE, IT IS FOUND AND DETERMINED as follows:

1. The public interest and necessity require the Project.
2. The Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
3. The property described and depicted in **Exhibit A** hereto is necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code, together with the accompanying statement of the amount established as just compensation, has been made to the owner or owners of record, which offer and statement were in a format and contained the information required by Government Code Section 7267.2.
5. The City has complied with all conditions and statutory requirements, including those prescribed by CEQA and NEPA, that are necessary for approval and

adoption of the Project.

6. All conditions and statutory requirements necessary to exercise the power of eminent domain (“the right to take”) to acquire the property described herein have been complied with by the City.

7. Insofar as any portion of the property has heretofore been appropriated for public use, the proposed use set forth herein will not unreasonably interfere with or impair the continuation of the public use as it exists or may reasonably be expected to exist in the future, and is therefore a compatible public use pursuant to Code of Civil Procedure Section 1240.510, or, as applicable, constitutes a more necessary public use to which the property is appropriated pursuant to Code of Civil Procedure Section 1240.610.

8. The City Attorney and/or his designee, is hereby authorized and empowered to acquire in the name of the City of Modesto by condemnation the property described and depicted in **Exhibit A** hereto; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as is necessary for such acquisition and to make such action as may be deemed advisable or necessary in connection therewith; and to deposit the probable amount of just compensation, based on an approved appraisal.

9. An order for prejudgment possession may be obtained in said condemnation proceeding and a warrant issued to the State Treasury Condemnation Fund, in the amount based on the approved appraisal, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

BE IT FURTHER RESOLVED, that the recitals contained hereinabove are true and correct, and all the findings and determinations made by the City Council pursuant to

this Resolution are based upon substantial evidence in the entire record before the City Council, and are not based solely on the information provided in this Resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Ridenour, Zoslocki, Mayor Brandvold

SR132 Phase 1 Construction Project
Alcamo Farms LLC to City of Modesto
APN: 081-031-013

Legal description:

ALL that certain real property, being a portion of the lands described in Grant Deed to Alcamo Farms, LLC, filed for record on August 8, 2000 as Document No. 2000-0064879, Stanislaus County Records, and situate in the Northwest quarter of Section 26, Township 3 South, Range 8 East, Mount Diablo Meridian, County of Stanislaus, State of California, and being more particularly described as follows:

COMMENCING at a 2" iron pipe with brass cap in a monument well at the West 1/4 corner of said Section 26, from which a 4" x 4" redwood post at the center 1/4 corner of said Section 26, as shown on that Record of Survey filed for record in Book 31 of Surveys, at Page 22, Stanislaus County Records, bears North 89°18'40" East 2644.71 feet; thence North 25°46'26" East 91.03 feet to the most northerly point of Parcel No. 2, as described in a Grant Deed to the State of California, filed for record January 19, 1962 in Volume 1736 of Official Records, at Page 387, Stanislaus County Records, last said point being also a point on the easterly right-of-way line of Dakota Avenue (40 feet wide), and the **TRUE POINT OF BEGINNING**;

thence (1), along said easterly right-of-way line North 00°17'27" West 527.16 feet to the most southerly corner of Parcel No. 1 of said Grant Deed to the State of California;

thence (2), along the easterly line of said Parcel No. 1 the following two (2) courses:
North 09°06'41" East 54.70 feet;

thence (3), North 02°01'17" East 55.39 feet;

thence (4), leaving last said easterly line of Parcel No. 1 and proceeding South 01°22'47" West 27.58 feet;

thence (5), South 13°43'04" East 61.84 feet;

thence (6), South 04°50'51" East 123.18 feet;

thence (7), North 89°44'16" East 33.27 feet to the beginning of a curve concave to the southwest having a radius of 151.00 feet;

thence (8), southeasterly 128.70 feet along the arc of said curve through a central angle of 48°50'00";

thence (9), South 41°25'44" East 260.79 feet to the beginning of a curve concave to the northeast having a radius of 573.00 feet;

thence (10), southeasterly 493.24 feet along the arc of said curve through a central angle of 49°19'12";

thence (11), along a non-tangent line South 00°44'56" East 17.87 to a point on the North right-of-way line of Kansas Avenue (40 feet wide);

thence (12), along said North right-of-way line South 89°18'40" West 444.26 feet to the most easterly corner of aforementioned Parcel No. 2;

thence (13), leaving said North right-of-way line and proceeding along the North line of said Parcel No. 2 the following two (2) courses: North 86°12'01" West 318.01 feet;

thence (14), North 59°44'36" West 32.30 feet to the Point of Beginning.

Containing (170,764 square feet Grid) 170,787 square feet [3.92 acres] Ground, more or less.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-372**

RESOLUTION OF NECESSITY DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY REQUIRE THE ACQUISITION OF REAL PROPERTY DIRECTING THE COMMENCEMENT OF EMINENT DOMAIN PROCEEDINGS FOR THE STATE ROUTE 132 FREEWAY/EXPRESSWAY PHASE 1 PROJECT RE: 3643 AND 3319 MAZE BOULEVARD, AND KANSAS AVENUE, MODESTO, CA (APN 007-024-003, -004 & 007-037-010). OWNER: NITA MARIE WAGNER, AS TRUSTEE OF THE NITA MARIE WAGNER LIVING TRUST; JANE M. ROOS AND RALPH E. ROOS; JOHN SCHALLBERGER AND MARIE SCHALLBERGER, TRUSTEES, REVOCABLE TRUST DATED NOVEMBER 3, 1992; HANS J. WAGNER AND CARLA WAGNER; DONALD WAGNER; JULIA A. WAGNER, AS TRUSTEE OF THE JULIA A. WAGNER 1992 TRUST, AS THEIR INTERESTS APPEAR OF RECORD; HANS J. WAGNER, III, TRUSTEE OF THE HANS J. WAGNER III 2015 TRUST DATED JUNE 10, 2015

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (“Project”) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue; and

WHEREAS, the Project, will improve regional and interregional circulation, relieve traffic congestion along existing State Route 132 (SR-132)/Maze Boulevard, and improve traffic operations by creating a new alignment connecting SR-132 with the City of Modesto; and

WHEREAS, on October 10, 2017, Council approved a Measure L Cooperative Agreement with StanCOG (“StanCOG Cooperative Agreement”) for the Plans, Specifications and Estimates Stage of Phase 1 of the State Route 132 Project; and

WHEREAS, on October 24, 2017, Council approved a Joint Powers Agreement with Stanislaus County (“City/County JPA”) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its

authority under State law to acquire real property for the purposes of the Project; and

WHEREAS, on March 2, 2018, the California Department of Transportation (“Caltrans”) approved the Environmental Document and selected Project Alternative 2; and

WHEREAS, on August 8, 2018, Council approved a Cooperative Agreement between the City of Modesto and Caltrans (“City/Caltrans Cooperative Agreement”); and

WHEREAS, the City is vested by law with the authority to acquire real property and exercise the power of eminent domain to acquire real property under the provisions and authority of and for the purposes and uses authorized by Article 1, Section 19 of the Constitution of the State of California, Government Code sections 37350.5, 37353, 39792, 40401, 40404, Streets & Highways Code sections 104, 113, 114, 116, 130, 1810, 10102, and by California Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510 and 1240.610, and pursuant to the City/Caltrans Cooperative Agreement; and

WHEREAS, pursuant to Code of Civil Procedure section 1240.140, the Joint Exercise of Powers Act (Government Code sections 6500, *et seq.*), and City/County JPA, Stanislaus County delegated to the City its authority to acquire and condemn property for the Project pursuant to Article I, Section 19 of the Constitution of the State of California, Government Code section 25350.5, Streets and Highways Code sections 104, 116, 130, 760 and 943, Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510, and 1240.610, and Streets & Highways Code sections 104, 116, 130 and 760; and

WHEREAS, it is desirable and necessary for the City to acquire certain real

property interests in fee and for a 24-month temporary construction easement, from property located at 3643 and 3319 Maze Boulevard, and Kansas Avenue, Modesto, CA (APN 007-024-003, -004 & 007-037-010), as more particularly described and depicted in **Exhibit A attached** hereto and made a part hereof by this reference, for the construction of the Project; and

WHEREAS, the City and Caltrans have investigated and examined alternatives to the Project and the acquisition of the Property, and concluded that both the Project and the acquisition of the Property for the Project are necessary; and

WHEREAS, the requirements of the California Environmental Quality Act (“CEQA”) and National Environmental Policy Act (“NEPA”) have been satisfied for the Project; and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to the owner(s) of the property herein, all of whom have been given a reasonable opportunity to appear and be heard before the City Council of the City of Modesto at the time and place set forth in said notice, regarding the matters specified therein,

NOW, THEREFORE, IT IS FOUND AND DETERMINED as follows:

1. The public interest and necessity require the Project.
2. The Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
3. The property described and depicted in **Exhibit A** hereto is necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code, together

with the accompanying statement of the amount established as just compensation, has been made to the owner or owners of record, which offer and statement were in a format and contained the information required by Government Code Section 7267.2.

5. The City has complied with all conditions and statutory requirements, including those prescribed by CEQA and NEPA, that are necessary for approval and adoption of the Project.

6. All conditions and statutory requirements necessary to exercise the power of eminent domain (“the right to take”) to acquire the property described herein have been complied with by the City.

7. Insofar as any portion of the property has heretofore been appropriated for public use, the proposed use set forth herein will not unreasonably interfere with or impair the continuation of the public use as it exists or may reasonably be expected to exist in the future, and is therefore a compatible public use pursuant to Code of Civil Procedure Section 1240.510, or, as applicable, constitutes a more necessary public use to which the property is appropriated pursuant to Code of Civil Procedure Section 1240.610.

8. The City Attorney and/or his designee, is hereby authorized and empowered to acquire in the name of the City of Modesto by condemnation the property described and depicted in **Exhibit A** hereto; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as is necessary for such acquisition and to make such action as may be deemed advisable or necessary in connection therewith; and to deposit the probable amount of just compensation, based on an approved appraisal.

9. An order for prejudgment possession may be obtained in said

condemnation proceeding and a warrant issued to the State Treasury Condemnation Fund, in the amount based on the approved appraisal, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

BE IT FURTHER RESOLVED, that the recitals contained hereinabove are true and correct, and all the findings and determinations made by the City Council pursuant to this Resolution are based upon substantial evidence in the entire record before the City Council, and are not based solely on the information provided in this Resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

SR132 Phase 1 Construction Project
Nita Marie Wagner Living Trust to City of Modesto
APN: 007-024-003

Legal description:

ALL that certain real property, being a portion of Parcel No. 1, as described in Grant Deed to Nita Marie Wagner, as Trustee of the Nita Marie Wagner Living Trust, filed for record November 15, 1979 in Volume 3261 of Official Records, at Page 282, Instrument No. 79-32644, Stanislaus County Records, and situate in the South half of Section 26, Township 3 South, Range 8 East, Mount Diablo Meridian, County of Stanislaus, State of California, lying northerly of course (12) of the following described line:

COMMENCING at a concrete monument with a 3" square brass plate in a monument well at the southwest corner of said Section 26, as shown on that certain Record of Survey, filed for record in Book 31 of Surveys, at Page 22, Stanislaus County Records, from which a 2" iron pipe with brass cap in a monument well at the West 1/4 corner of said Section 26, as shown on said Record of Survey, bears North 00°43'51" West 2639.81 feet; thence North 87°39'48" East 714.96 feet to the easterly terminus of the line labeled "1)N. 86°20'23"W., 130.217 meters" as shown in that certain Grant Deed to the State of California, filed for record May 16, 2001 as Document no. 2001-0051238, Stanislaus County Records, said terminus lying within the right-of-way of Maze Boulevard (State Highway Route 132), and being the **TRUE POINT OF BEGINNING**;

thence (1), along said line labeled "1)N. 86°20'23"W., 130.217 meters" North 86°20'32" West 427.22 feet;

thence (2), leaving said line labeled "1)N. 86°20'23"W., 130.217 meters" and proceeding North 00°00'00" East 0.03 feet;

thence (3), North 87°58'17" West 160.44 feet;

thence (4), North 52°54'59" West 83.49 feet to a point which is 62.50 feet distant at right angles from the West line of said southwest quarter of Section 26;

thence (5), thence parallel with said West line North 00°43'51" West 1608.21 feet;

thence (6), North 89°14'21" East 7.05 feet;

thence (7), North 00°43'24" West 75.00 feet, more or less, to a point on the South line of the lands described in Grant Deed to David A. Faria and Gail M. Faria, husband and wife, as community property, filed for record January 4, 1995 as Instrument No. 95-0000350, Stanislaus County Records;

thence (8), leaving last said South line and proceeding North 00°39'49" West 390.90 feet;

thence (9), North 14°12'55" East 233.96 feet;

thence (10), North 89°19'47" East 1062.37 feet;

thence (11), North 00°43'35" West 52.35 feet to the westerly extension of the future southerly right-of-way line of State Highway Route 132 labeled as "N89°21'00"E 2362.15'", as said right-of-way line is shown on sheet 21 of State Highway map STA-132P PM 12.00;

thence (12), along said proposed southerly right-of-way line and said westerly extension North 89°21'16" East 3813.99 feet to the easterly terminus of the line labeled "N89°21'00"E 2362.15'" as shown on said Sheet 21 and Sheet 22 of State Highway Map STA-132P PM 12.36, and the terminal point of this description, said terminal point bears South 88°38'38" East 5010.03 feet from aforementioned West 1/4 corner of Section 26.

Containing (233,304 square feet Grid), 233,336 square feet [5.36 acres] Ground more or less.

This conveyance is made for the purpose of a freeway and the grantor hereby relinquishes to the grantee any and all abutter's rights including access rights, appurtenant to grantors' remaining property, in and to said freeway.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

Temporary Construction Easement

SR132 Phase 1 Construction Project

Nita Marie Wagner Living Trust to City of Modesto

APN: 007-024-003

Legal description:

ALL that certain real property, being a portion of Parcel No. 1, as described in Grant Deed to Nita Marie Wagner, as Trustee of the Nita Marie Wagner Living Trust, filed for record November 15, 1979 in Volume 3261 of Official Records, at Page 282, Instrument No. 79-32644, Stanislaus County Records, and situate in the South half of Section 26, Township 3 South, Range 8 East, Mount Diablo Meridian, County of Stanislaus, State of California, and being more particularly described as follows:

A strip of land 20.00 feet wide, coincident with and lying South of course (12) of the following described line:

COMMENCING at a concrete monument with a 3" square brass plate in a monument well at the southwest corner of said Section 26, as shown on that certain Record of Survey, filed for record in Book 31 of Surveys, at Page 22, Stanislaus County Records, from which a 2" iron pipe with brass cap in a monument well at the West 1/4 corner of said Section 26, as shown on said Record of Survey, bears North 00°43'51" West 2639.81 feet; thence North 87°39'48" East 714.96 feet to the easterly terminus of the line labeled "1)N. 86°20'23"W., 130.217 meters" as shown in that certain Grant Deed to the State of California, filed for record May 16, 2001 as Document no. 2001-0051238, Stanislaus County Records, said terminus lying within the right-of-way of Maze Boulevard (State Highway Route 132), and being the **TRUE POINT OF BEGINNING**;

thence (1), along said line labeled "1)N. 86°20'23"W., 130.217 meters" North 86°20'32" West 427.22 feet;

thence (2), leaving said line labeled "1)N. 86°20'23"W., 130.217 meters" and proceeding North 00°00'00" East 0.03 feet;

thence (3), North 87°58'17" West 160.44 feet;

thence (4), North 52°54'59" West 83.49 feet to a point which is 62.50 feet distant at right angles from the West line of said southwest quarter of Section 26;

thence (5), thence parallel with said West line North 00°43'51" West 1608.21 feet;

thence (6), North 89°14'21" East 7.05 feet;

thence (7), North 00°43'24" West 75.00 feet, more or less, to a point on the South line of the lands described in Grant Deed to David A. Faria and Gail M. Faria, husband and wife, as community property, filed for record January 4, 1995 as Instrument No. 95-0000350, Stanislaus County Records;

thence (8), leaving last said South line and proceeding North 00°39'49" West 390.90 feet;

thence (9), North 14°12'55" East 233.96 feet;

thence (10), North 89°19'47" East 1062.37 feet;

thence (11), North 00°43'35" West 52.35 feet to the westerly extension of the future southerly right-of-way line of State Highway Route 132 labeled as "N89°21'00"E 2362.15'", as said right-of-way line is shown on sheet 21 of State Highway map STA-132P PM 12.00;

thence (12), along said proposed southerly right-of-way line and said westerly extension North 89°21'16" East 3813.99 feet to the easterly terminus of the line labeled "N89°21'00"E 2362.15'" as shown on said Sheet 21 and Sheet 22 of State Highway Map STA-132P PM 12.36, and the terminal point of this description, said terminal point bears South 88°38'38" East 5010.03 feet from aforementioned West 1/4 corner of Section 26.

Containing (26,441 square feet Grid), 26,445 square feet [0.61 acres] Ground more or less.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

Rights to the above described temporary easement shall cease and terminate on December 31, 2020.

Said rights may also be terminated prior to the above date by (GRANTEE) upon notice to GRANTOR.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-373**

RESOLUTION OF NECESSITY DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY REQUIRE THE ACQUISITION OF REAL PROPERTY DIRECTING THE COMMENCEMENT OF EMINENT DOMAIN PROCEEDINGS FOR THE STATE ROUTE 132 FREEWAY/EXPRESSWAY PHASE 1 PROJECT RE: 216 LINDEN ST., MODESTO, CA 95351 (APN 101-004-063), OWNER: CRYSTAL D. MATTHEWS

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (“Project”) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue;

WHEREAS, the Project, will improve regional and interregional circulation, relieve traffic congestion along existing State Route 132 (SR-132)/Maze Boulevard, and improve traffic operations by creating a new alignment connecting SR-132 with the City of Modesto;

WHEREAS, on October 10, 2017, Council approved a Measure L Cooperative Agreement with StanCOG (“StanCOG Cooperative Agreement”) for the Plans, Specifications and Estimates Stage of Phase 1 of the State Route 132 Project;

WHEREAS, on October 24, 2017, Council approved a Joint Powers Agreement with Stanislaus County (“City/County JPA”) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its authority under State law to acquire real property for the purposes of the Project;

WHEREAS, on March 2, 2018, the California Department of Transportation (“Caltrans”) approved the Environmental Document and selected Project Alternative 2;

WHEREAS, on August 8, 2018, Council approved a Cooperative Agreement between the City of Modesto and Caltrans (“City/Caltrans Cooperative Agreement”);

WHEREAS, the City is vested by law with the authority to acquire real property and exercise the power of eminent domain to acquire real property under the provisions and authority of and for the purposes and uses authorized by Article 1, Section 19 of the Constitution of the State of California, Government Code sections 37350.5, 37353, 39792, 40401, 40404, Streets & Highways Code sections 104, 113, 114, 116, 130, 1810, 10102, and by California Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510 and 1240.610, and pursuant to the City/Caltrans Cooperative Agreement;

WHEREAS, pursuant to Code of Civil Procedure section 1240.140, the Joint Exercise of Powers Act (Government Code sections 6500, *et seq.*), and City/County JPA, Stanislaus County delegated to the City its authority to acquire and condemn property for the Project pursuant to Article I, Section 19 of the Constitution of the State of California, Government Code section 25350.5, Streets and Highways Code sections 104, 116, 130, 760 and 943, Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510, and 1240.610, and Streets & Highways Code sections 104, 116, 130 and 760;

WHEREAS, it is desirable and necessary for the City to acquire certain real property interests in fee and a 24-month temporary construction easement, from property located at 216 Linden St., Modesto, CA 95351 (APN 101-004-063), as more particularly described and depicted in **Exhibit A attached** hereto and made a part hereof by this reference, for the construction of the Project;

WHEREAS, the City and Caltrans have investigated and examined alternatives to the Project and the acquisition of the Property, and concluded that both the Project and the acquisition of the Property for the Project are necessary;

WHEREAS, the requirements of the California Environmental Quality Act (“CEQA”) and National Environmental Policy Act (“NEPA”) have been satisfied for the Project; and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to the owner(s) of the property herein, all of whom have been given a reasonable opportunity to appear and be heard before the City Council of the City of Modesto at the time and place set forth in said notice, regarding the matters specified therein.

NOW, THEREFORE, IT IS FOUND AND DETERMINED as follows:

1. The public interest and necessity require the Project.
2. The Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
3. The property described and depicted in **Exhibit A** hereto is necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code, together with the accompanying statement of the amount established as just compensation, has been made to the owner or owners of record, which offer and statement were in a format and contained the information required by Government Code Section 7267.2.

5. The City has complied with all conditions and statutory requirements, including those prescribed by CEQA and NEPA, that are necessary for approval and adoption of the Project.

6. All conditions and statutory requirements necessary to exercise the power of eminent domain (“the right to take”) to acquire the property described herein have been complied with by the City.

7. Insofar as any portion of the property has heretofore been appropriated for public use, the proposed use set forth herein will not unreasonably interfere with or impair the continuation of the public use as it exists or may reasonably be expected to exist in the future, and is therefore a compatible public use pursuant to Code of Civil Procedure Section 1240.510, or, as applicable, constitutes a more necessary public use to which the property is appropriated pursuant to Code of Civil Procedure Section 1240.610.

8. The City Attorney and/or his designee, is hereby authorized and empowered to acquire in the name of the City of Modesto by condemnation the property described and depicted in **Exhibit A** hereto; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as is necessary for such acquisition and to make such action as may be deemed advisable or necessary in connection therewith; and to deposit the probable amount of just compensation, based on an approved appraisal.

9. An order for prejudgment possession may be obtained in said condemnation proceeding and a warrant issued to the State Treasury Condemnation Fund, in the amount based on the approved appraisal, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

BE IT FURTHER RESOLVED, that the recitals contained hereinabove are true and correct, and all the findings and determinations made by the City Council pursuant to this Resolution are based upon substantial evidence in the entire record before the City Council, and are not based solely on the information provided in this Resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Ridenour, Zoslocki, Mayor Brandvold

SR132 Phase 1 Construction Project
Crystal D. Matthews to City of Modesto
APN: 101-004-063

Legal description:

ALL that certain real property, being a portion of the lands described in Grant Deed to Crystal D. Matthews, a single woman, filed for record on March 25, 2002 as Document No. 2002-0038359, Stanislaus County Records, and situate in the southwest quarter of Section 29, Township 3 South, Range 9 East, Mount Diablo Meridian, County of Stanislaus, State of California, lying northeasterly of the following described line:

COMMENCING at a 6" x 6" concrete monument with a 5" square brass plate in a monument well at the southwest corner of said Section 29, from which a 2" iron pipe, no tag, at the West 1/4 corner of said Section 29 bears North 00°15'58" West 2646.66 feet; thence North 10°54'07" West 1714.22 feet to a point on the southwest right-of-way line of State Highway Route 99, said point being the northwest terminus of the line labeled "N. 52°22'45" W. 452.41'", as shown on State Highway Map Route 99, Post Mile 16.7, sheet 17 of 23 sheets, on file at the Surveyor's Office of the County of Stanislaus as file No. B-9A-PS-32, and the **TRUE POINT OF BEGINNING**;

thence (1), along the southwest right-of-way line of said State Highway, South 52°04'22" East 499.84 feet;

thence (2), leaving said southwesterly right-of-way line and proceeding South 51°25'59" East 416.89 feet to the beginning of a curve concave to the southwest having a radius of 2925.00 feet;

thence (3), Southeasterly 721.97 feet along the arc of said curve through a central angle of 14°08'32" to a point on said southwest right-of-way line;

thence (4), along said, non-tangent, southwest right-of-way line South 00°33'18" East 19.66 feet to the South terminus of the line labeled "24.17'" of said State Highway Map, and the terminal point of this description, said terminal point bears North 57°07'08" East 1071.36 feet from aforementioned southwest corner of Section 29.

Containing (159 square feet Grid), 159 square feet [0.004 acres] Ground, more or less.

This conveyance is made for the purpose of a freeway and the grantor hereby relinquishes to the grantee any and all abutter's rights including access rights, appurtenant to grantors' remaining property, in and to said freeway.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

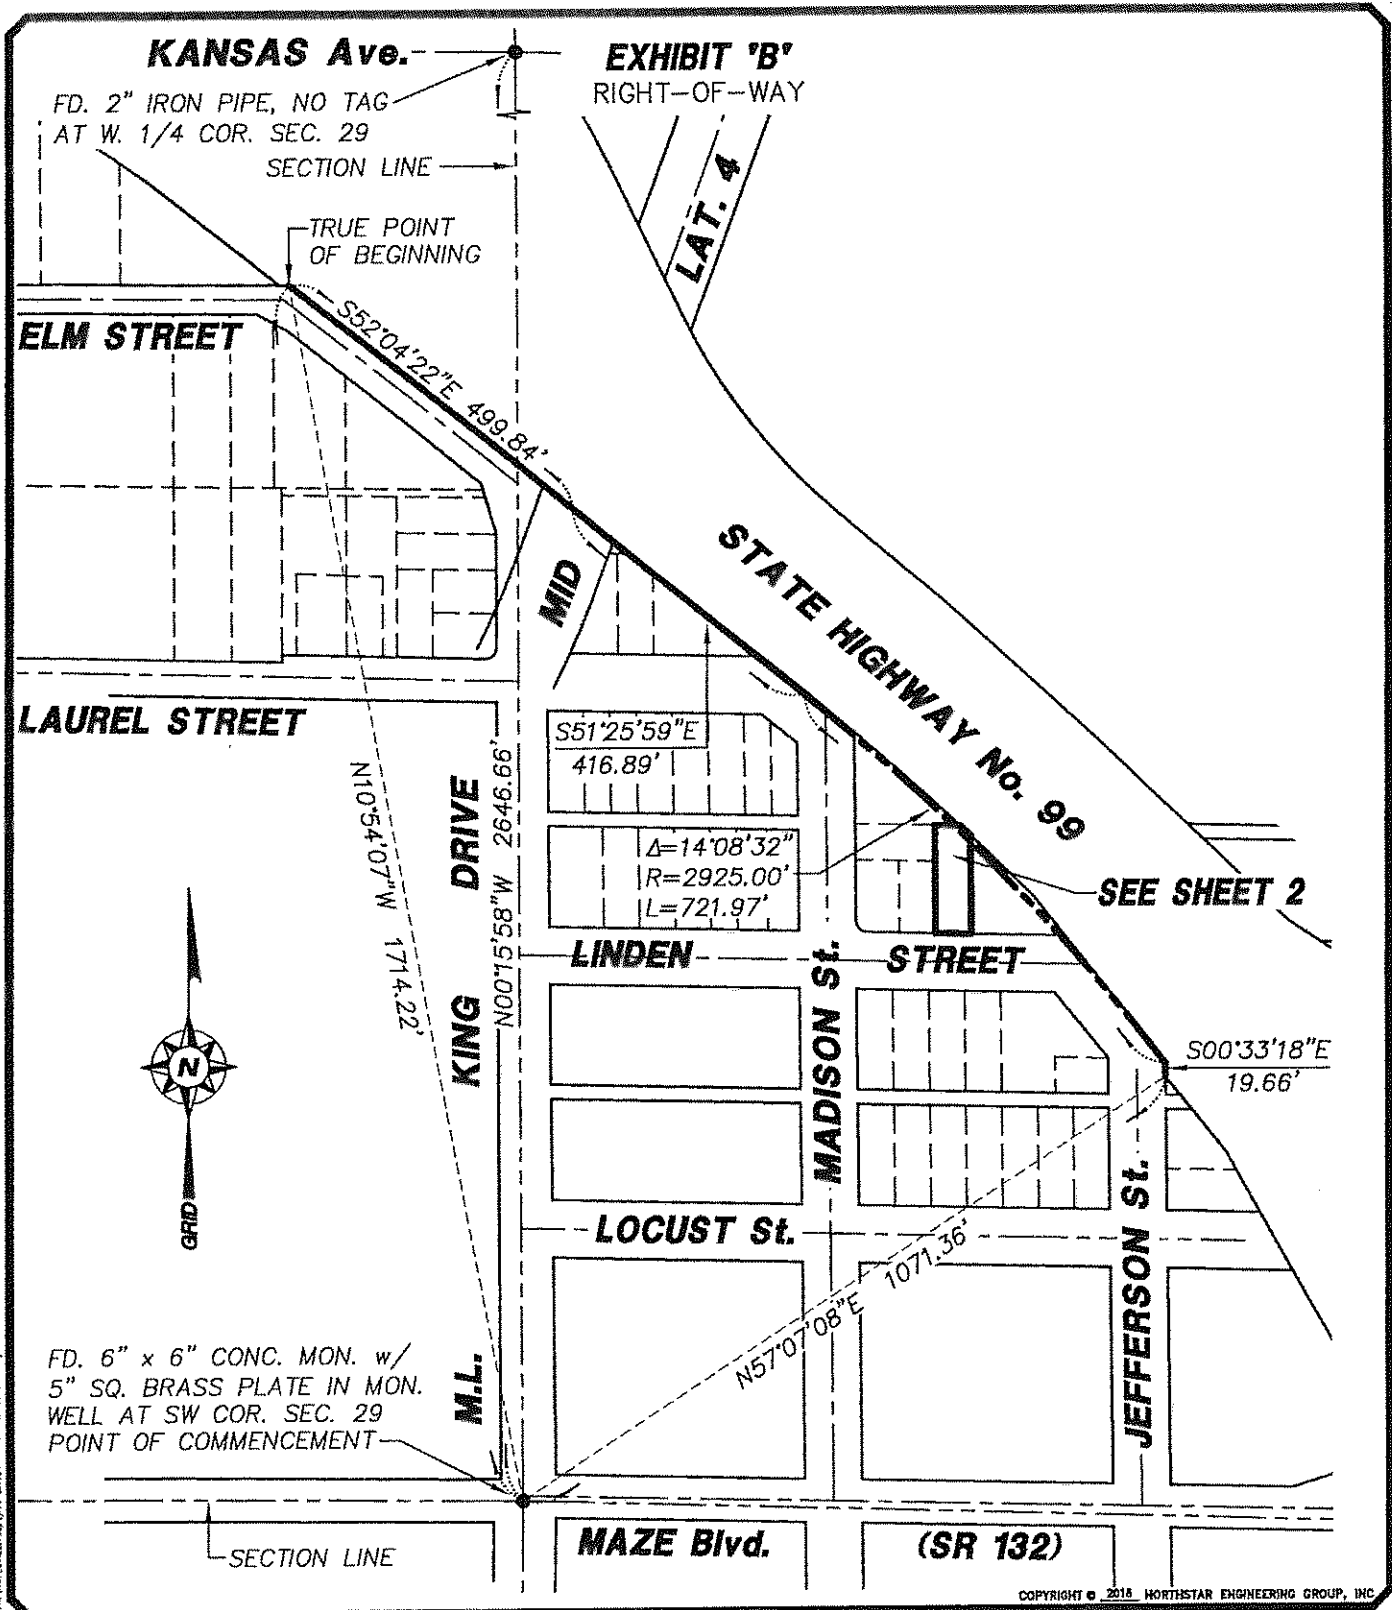

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

EXHIBIT "A"

Temporary Construction Easement

SR132 Phase 1 Construction Project
Crystal D. Matthews to City of Modesto
APN: 101-004-063

Legal description:

ALL that certain real property, being a portion of the lands described in Grant Deed to Crystal D. Matthews, a single woman, filed for record on March 25, 2002 as Document No. 2002-0038359, Stanislaus County Records, and situate in the southwest quarter of Section 29, Township 3 South, Range 9 East, Mount Diablo Meridian, County of Stanislaus, State of California, more particularly described as follows:

A strip of land 5.00 feet wide, coincident with and lying southwesterly of the following described line:

COMMENCING at a 6" x 6" concrete monument with a 5" square brass plate in a monument well at the southwest corner of said Section 29, from which a 2" iron pipe, no tag, at the West 1/4 corner of said Section 29 bears North 00°15'58" West 2646.66 feet; thence North 10°54'07" West 1714.22 feet to a point on the southwest right-of-way line of State Highway Route 99, said point being the northwest terminus of the line labeled "N. 52°22'45" W. 452.41'", as shown on State Highway Map Route 99, Post Mile 16.7, sheet 17 of 23 sheets, on file at the Surveyor's Office of the County of Stanislaus as file No. B-9A-PS-32, and the **TRUE POINT OF BEGINNING**;

thence (1), along the southwest right-of-way line of said State Highway, South 52°04'22" East 499.84 feet;

thence (2), leaving said southwesterly right-of-way line and proceeding South 51°25'59" East 416.89 feet to the beginning of a curve concave to the southwest having a radius of 2925.00 feet;

thence (3), Southeasterly 721.97 feet along the arc of said curve through a central angle of 14°08'32" to a point on said southwest right-of-way line;

thence (4), along said, non-tangent, southwest right-of-way line South 00°33'18" East 19.66 feet to the South terminus of the line labeled "24.17'" of said State Highway Map, and the terminal point of this description, said terminal point bears North 57°07'08" East 1071.36 feet from aforementioned southwest corner of Section 29.

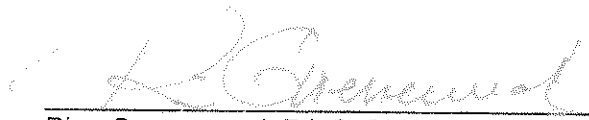

Containing (188 square feet Grid), 188 square feet [0.004 acres] Ground, more or less.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

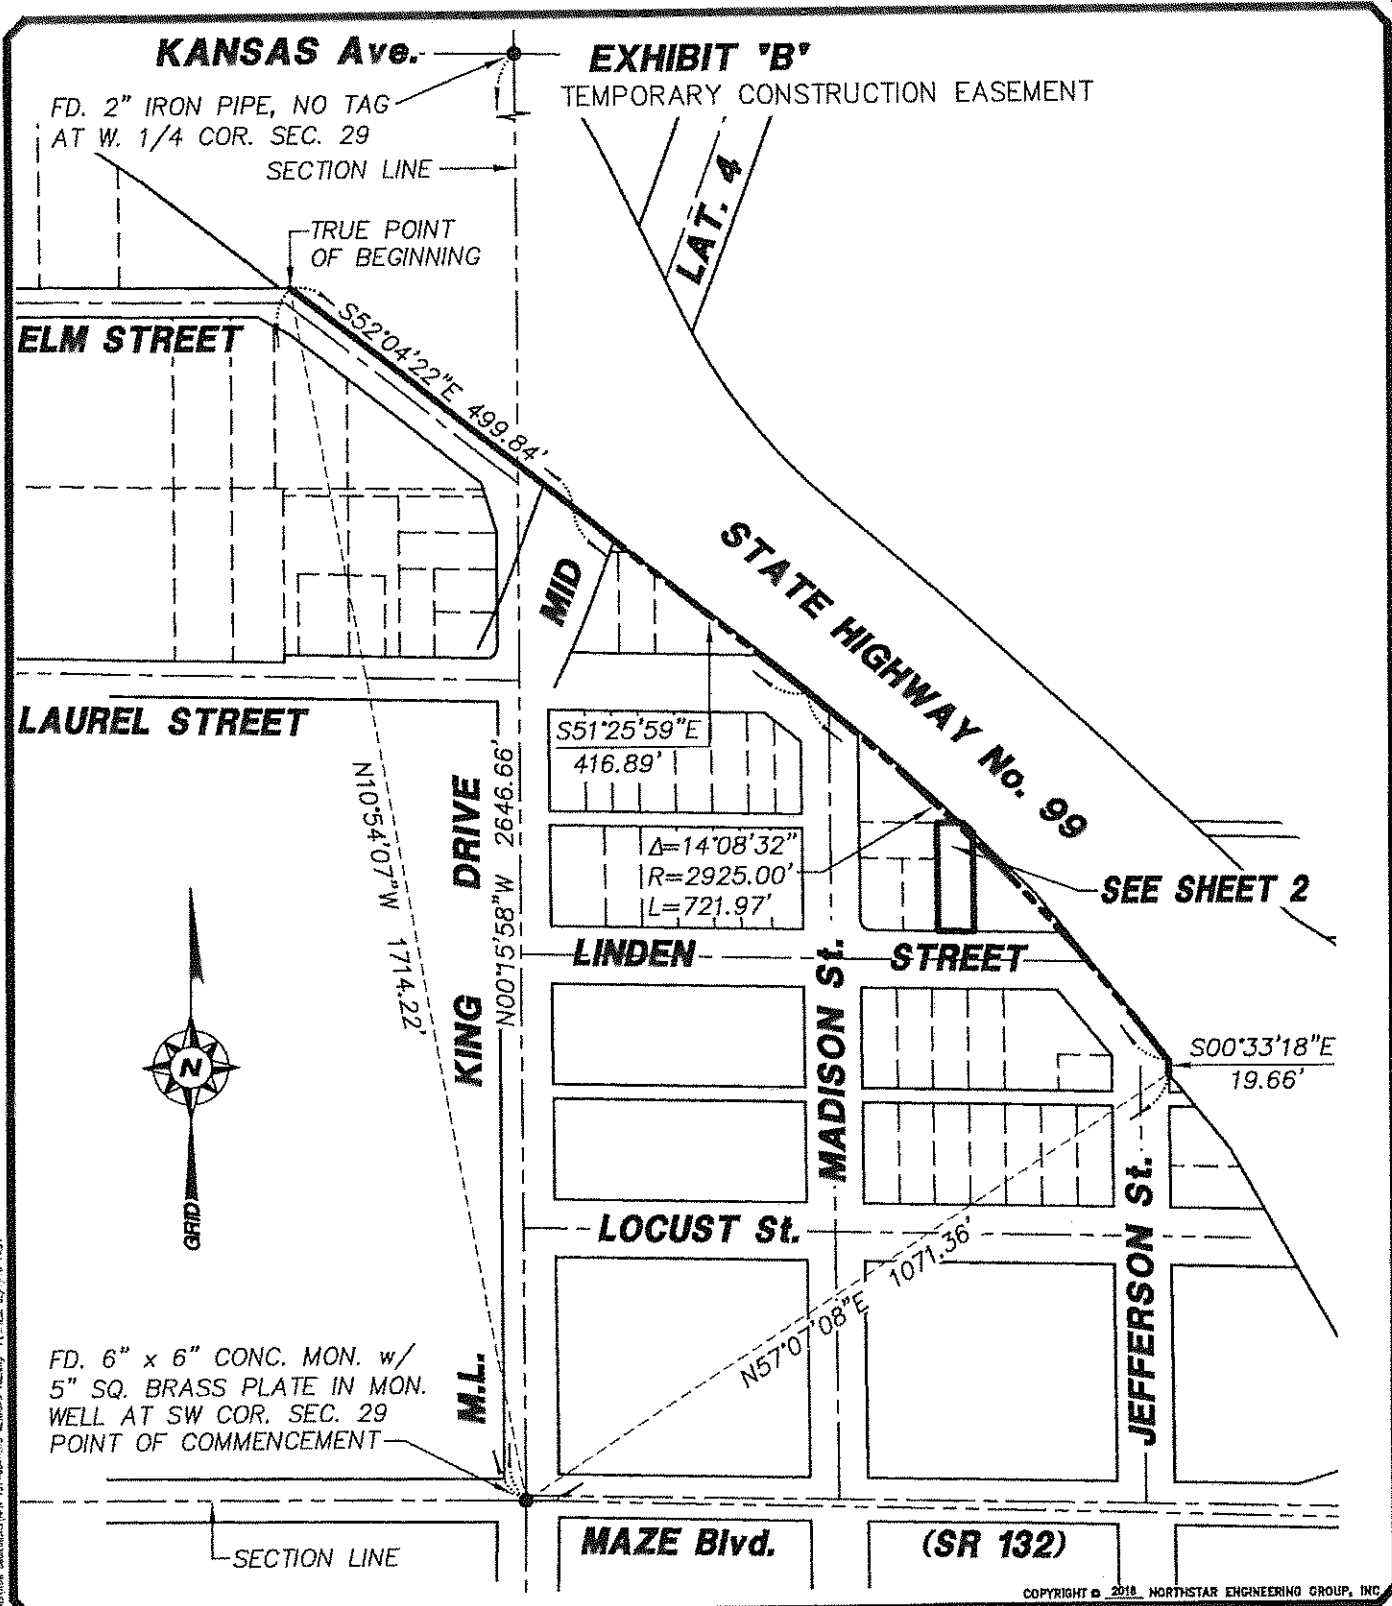

Rights to the above described temporary easement shall cease and terminate on December 31, 2020.

Said rights may also be terminated prior to the above date by (GRANTEE) upon notice to GRANTOR.

Rien Groenewoud, P.L.S. 6946

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-374**

RESOLUTION OF NECESSITY DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY REQUIRE THE ACQUISITION OF REAL PROPERTY DIRECTING THE COMMENCEMENT OF EMINENT DOMAIN PROCEEDINGS FOR THE STATE ROUTE 132 FREEWAY/EXPRESSWAY PHASE 1 PROJECT RE: 301 N. WASHINGTON STREET, MODESTO, CA 95354 (APN 101-004-057), OWNER: F9 PROPERTIES LLC, WHICH ACQUIRED TITLE AS ANO, LLC, A NEW HAMPSHIRE LIMITED LIABILITY COMPANY

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (“Project”) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue; and

WHEREAS, the Project, will improve regional and interregional circulation, relieve traffic congestion along existing State Route 132 (SR-132)/Maze Boulevard, and improve traffic operations by creating a new alignment connecting SR-132 with the City of Modesto; and

WHEREAS, on October 10, 2017, Council approved a Measure L Cooperative Agreement with StanCOG (“StanCOG Cooperative Agreement”) for the Plans, Specifications and Estimates Stage of Phase 1 of the State Route 132 Project; and

WHEREAS, on October 24, 2017, Council approved a Joint Powers Agreement with Stanislaus County (“City/County JPA”) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its authority under State law to acquire real property for the purposes of the Project; and

WHEREAS, on March 2, 2018, the California Department of Transportation (“Caltrans”) approved the Environmental Document and selected Project Alternative 2;

and

WHEREAS, on August 8, 2018, Council approved a Cooperative Agreement between the City of Modesto and Caltrans (“City/Caltrans Cooperative Agreement”); and

WHEREAS, the City is vested by law with the authority to acquire real property and exercise the power of eminent domain to acquire real property under the provisions and authority of and for the purposes and uses authorized by Article 1, Section 19 of the Constitution of the State of California, Government Code sections 37350.5, 37353, 39792, 40401, 40404, Streets & Highways Code sections 104, 113, 114, 116, 130, 1810, 10102, and by California Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510 and 1240.610, and pursuant to the City/Caltrans Cooperative Agreement; and

WHEREAS, pursuant to Code of Civil Procedure section 1240.140, the Joint Exercise of Powers Act (Government Code sections 6500, *et seq.*), and City/County JPA, Stanislaus County delegated to the City its authority to acquire and condemn property for the Project pursuant to Article I, Section 19 of the Constitution of the State of California, Government Code section 25350.5, Streets and Highways Code sections 104, 116, 130, 760 and 943, Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510, and 1240.610, and Streets & Highways Code sections 104, 116, 130 and 760; and

WHEREAS, it is desirable and necessary for the City to acquire certain real property interests in fee and a 24-month temporary construction easement from property located at 301 N. Washington Street, Modesto, CA 95354 (APN 101-004-057), as more particularly described and depicted in **Exhibit A attached** hereto and made a part hereof

by this reference, for the construction of the Project; and

WHEREAS, the City and Caltrans have investigated and examined alternatives to the Project and the acquisition of the Property, and concluded that both the Project and the acquisition of the Property for the Project are necessary; and

WHEREAS, the requirements of the California Environmental Quality Act (“CEQA”) and National Environmental Policy Act (“NEPA”) have been satisfied for the Project; and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to the owner(s) of the property herein, all of whom have been given a reasonable opportunity to appear and be heard before the City Council of the City of Modesto at the time and place set forth in said notice, regarding the matters specified therein,

NOW, THEREFORE, IT IS FOUND AND DETERMINED as follows:

1. The public interest and necessity require the Project.
2. The Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
3. The property described and depicted in **Exhibit A** hereto is necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code, together with the accompanying statement of the amount established as just compensation, has been made to the owner or owners of record, which offer and statement were in a format and contained the information required by Government Code Section 7267.2.
5. The City has complied with all conditions and statutory requirements,

including those prescribed by CEQA and NEPA, that are necessary for approval and adoption of the Project.

6. All conditions and statutory requirements necessary to exercise the power of eminent domain (“the right to take”) to acquire the property described herein have been complied with by the City.

7. Insofar as any portion of the property has heretofore been appropriated for public use, the proposed use set forth herein will not unreasonably interfere with or impair the continuation of the public use as it exists or may reasonably be expected to exist in the future, and is therefore a compatible public use pursuant to Code of Civil Procedure Section 1240.510, or, as applicable, constitutes a more necessary public use to which the property is appropriated pursuant to Code of Civil Procedure Section 1240.610.

8. The City Attorney and/or his designee, is hereby authorized and empowered to acquire in the name of the City of Modesto by condemnation the property described and depicted in **Exhibit A** hereto; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as is necessary for such acquisition and to make such action as may be deemed advisable or necessary in connection therewith; and to deposit the probable amount of just compensation, based on an approved appraisal.

9. An order for prejudgment possession may be obtained in said condemnation proceeding and a warrant issued to the State Treasury Condemnation Fund, in the amount based on the approved appraisal, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

BE IT FURTHER RESOLVED, that the recitals contained hereinabove are true

and correct, and all the findings and determinations made by the City Council pursuant to this Resolution are based upon substantial evidence in the entire record before the City Council, and are not based solely on the information provided in this Resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Ridenour, Zoslocki, Mayor Brandvold

RIGHT-OF-WAY

SR132 Phase 1 Construction Project
ANO, LLC to City of Modesto
APN: 101-004-057

Legal description:

ALL that certain real property, being a portion of the lands described in Grant Deed to ANO, LLC, a New Hampshire Limited Liability Company, filed for record on January 12, 2011 as Document No. 2011-0002813, Stanislaus County Records, and situate in the southwest quarter of Section 29, Township 3 South, Range 9 East, Mount Diablo Meridian, County of Stanislaus, State of California, lying southwesterly and southerly of the following described line:

COMMENCING at a 2" iron pipe, no tag, at the West 1/4 corner of said Section 29, from which a 6" x 6" concrete monument with a 5" square brass plate in a monument well at the southwest corner of said Section 29 bears South 00°15'58" East 2646.66 feet; thence South 27°14'16" East 1799.31 feet to a point on the northeast right-of-way line of State Highway Route 99, said point being the northwest terminus of the line labeled "N. 46°45'24" W. 358.18'", as shown on State Highway Map Route 99, Post Mile 16.3, sheet 16 of 23 sheets, on file at the Surveyor's Office of the County of Stanislaus as file No. B-9A-PS-32, and the **TRUE POINT OF BEGINNING**;

thence (1), along said northeast right-of-way line, South 46°27'01" East 272.60 feet to the beginning of a non-tangent curve concave to the northeast having a radius of 2784.13 feet, to which beginning a radial line bears South 39°38'17" West;

thence (2), leaving said northeasterly right-of-way line and proceeding southeasterly 163.34 feet along the arc of said curve through a central angle of 03°21'41" to a point lying within the right-of-way of Linden Street, and the terminal point of this description, said terminal point bears North 56°18'13" East 1367.29 feet from aforementioned southwest corner of Section 29.

Containing (504 square feet Grid), 504 square feet [0.01 acres] Ground, more or less.

This conveyance is made for the purpose of a freeway and the grantor hereby relinquishes to the grantee any and all abutter's rights including access rights, appurtenant to grantors' remaining property, in and to said freeway.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256),

"PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

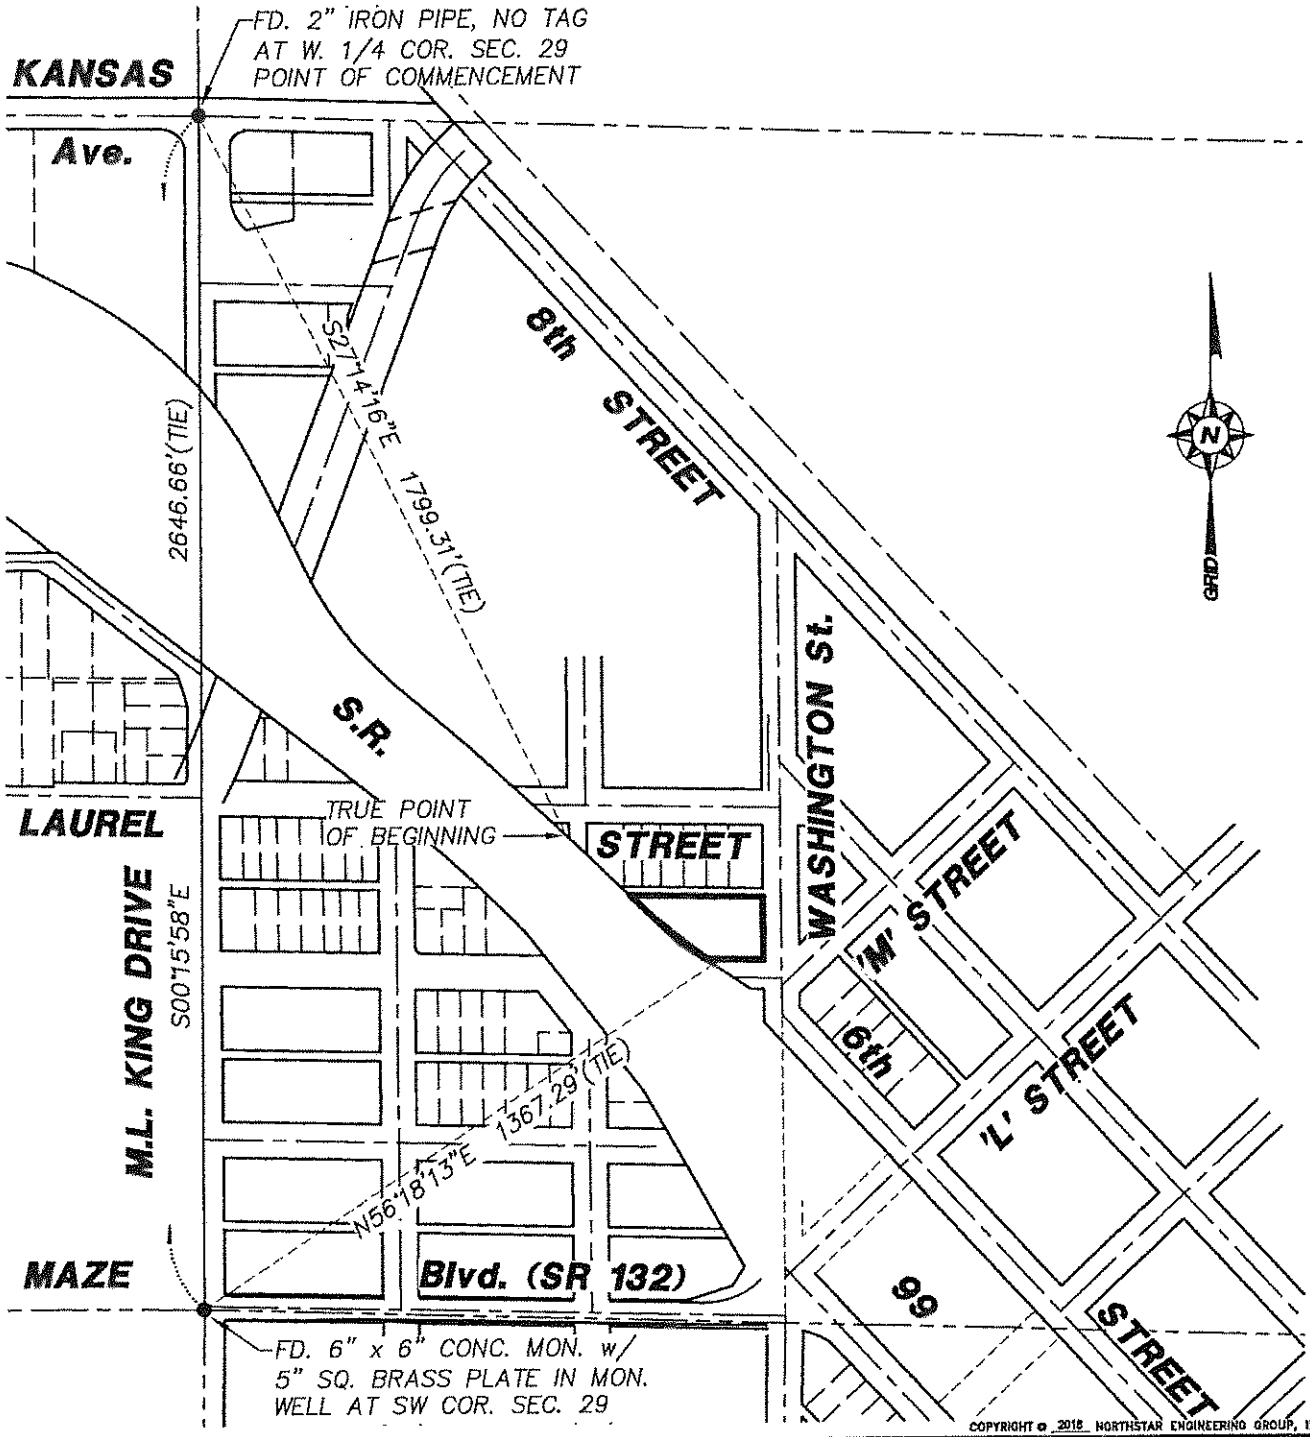

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

EXHIBIT "A"
TEMPORARY CONSTRUCTION EASEMENT

SR132 Phase 1 Construction Project
ANO, LLC to City of Modesto
APN: 101-004-057

Legal description:

ALL that certain real property, being a portion of the lands described in Grant Deed to ANO, LLC, a New Hampshire Limited Liability Company, filed for record on January 12, 2011 as Document No. 2011-0002813, Stanislaus County Records, and situate in the southwest quarter of Section 29, Township 3 South, Range 9 East, Mount Diablo Meridian, County of Stanislaus, State of California, lying southwesterly of course (2) of the following described line:

COMMENCING at a 2" iron pipe, no tag, at the West 1/4 corner of said Section 29, from which a 6" x 6" concrete monument with a 5" square brass plate in a monument well at the southwest corner of said Section 29 bears South 00°15'58" East 2646.66 feet; thence South 27°14'16" East 1799.31 feet to a point on the northeast right-of-way line of State Highway Route 99, said point being the northwest terminus of the line labeled "N. 46°45'24" W. 358.18'", as shown on State Highway Map Route 99, Post Mile 16.3, sheet 16 of 23 sheets, on file at the Surveyor's Office of the County of Stanislaus as file No. B-9A-PS-32, and the **TRUE POINT OF BEGINNING**;

thence (1), along said northeast right-of-way line, South 46°27'01" East 187.72 feet to the beginning of a non-tangent curve concave to the northeast having a radius of 2779.63 feet, to which beginning a radial line bears South 41°23'02" West;

thence (2), leaving said northeasterly right-of-way line and proceeding southeasterly 360.09 feet along the arc of said curve through a central angle of 07°25'21" to the terminal point of this description, said terminal point bears North 60°28'58" East 1415.86 feet from aforementioned southwest corner of Section 29.

EXCEPTING THEREFROM that certain real property, lying southwesterly of course (4) of the following described line:

COMMENCING at a 2" iron pipe, no tag, at the West 1/4 corner of said Section 29, from which a 6" x 6" concrete monument with a 5" square brass plate in a monument well at the southwest corner of said Section 29 bears South 00°15'58" East 2646.66 feet; thence South 27°14'16" East 1799.31 feet to a point on the northeast right-of-way line of State Highway Route 99, said point being the northwest terminus of the line labeled "N. 46°45'24" W. 358.18'", as shown on State Highway Map Route 99, Post Mile 16.3, sheet 16 of 23 sheets, on file at the

Surveyor's Office of the County of Stanislaus as file No. B-9A-PS-32, and the True Point Of Beginning;

thence (3), along said northeast right-of-way line, South 46°27'01" East 272.60 feet to the beginning of a non-tangent curve concave to the northeast having a radius of 2784.13 feet, to which beginning a radial line bears South 39°38'17" West;

thence (4), leaving said northeasterly right-of-way line and proceeding southeasterly 163.34 feet along the arc of said curve through a central angle of 03°21'41" to a point lying within the right-of-way of Linden Street, and the terminal point of this description, said terminal point bears North 56°18'13" East 1367.29 feet from aforementioned southwest corner of Section 29.

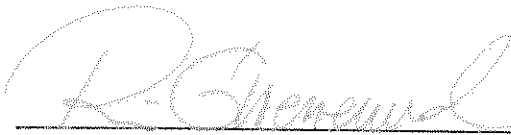

Containing (840 square feet Grid), 840 square feet [0.02 acres] Ground, more or less.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

Rights to the above described temporary easement shall cease and terminate on December 31, 2020.

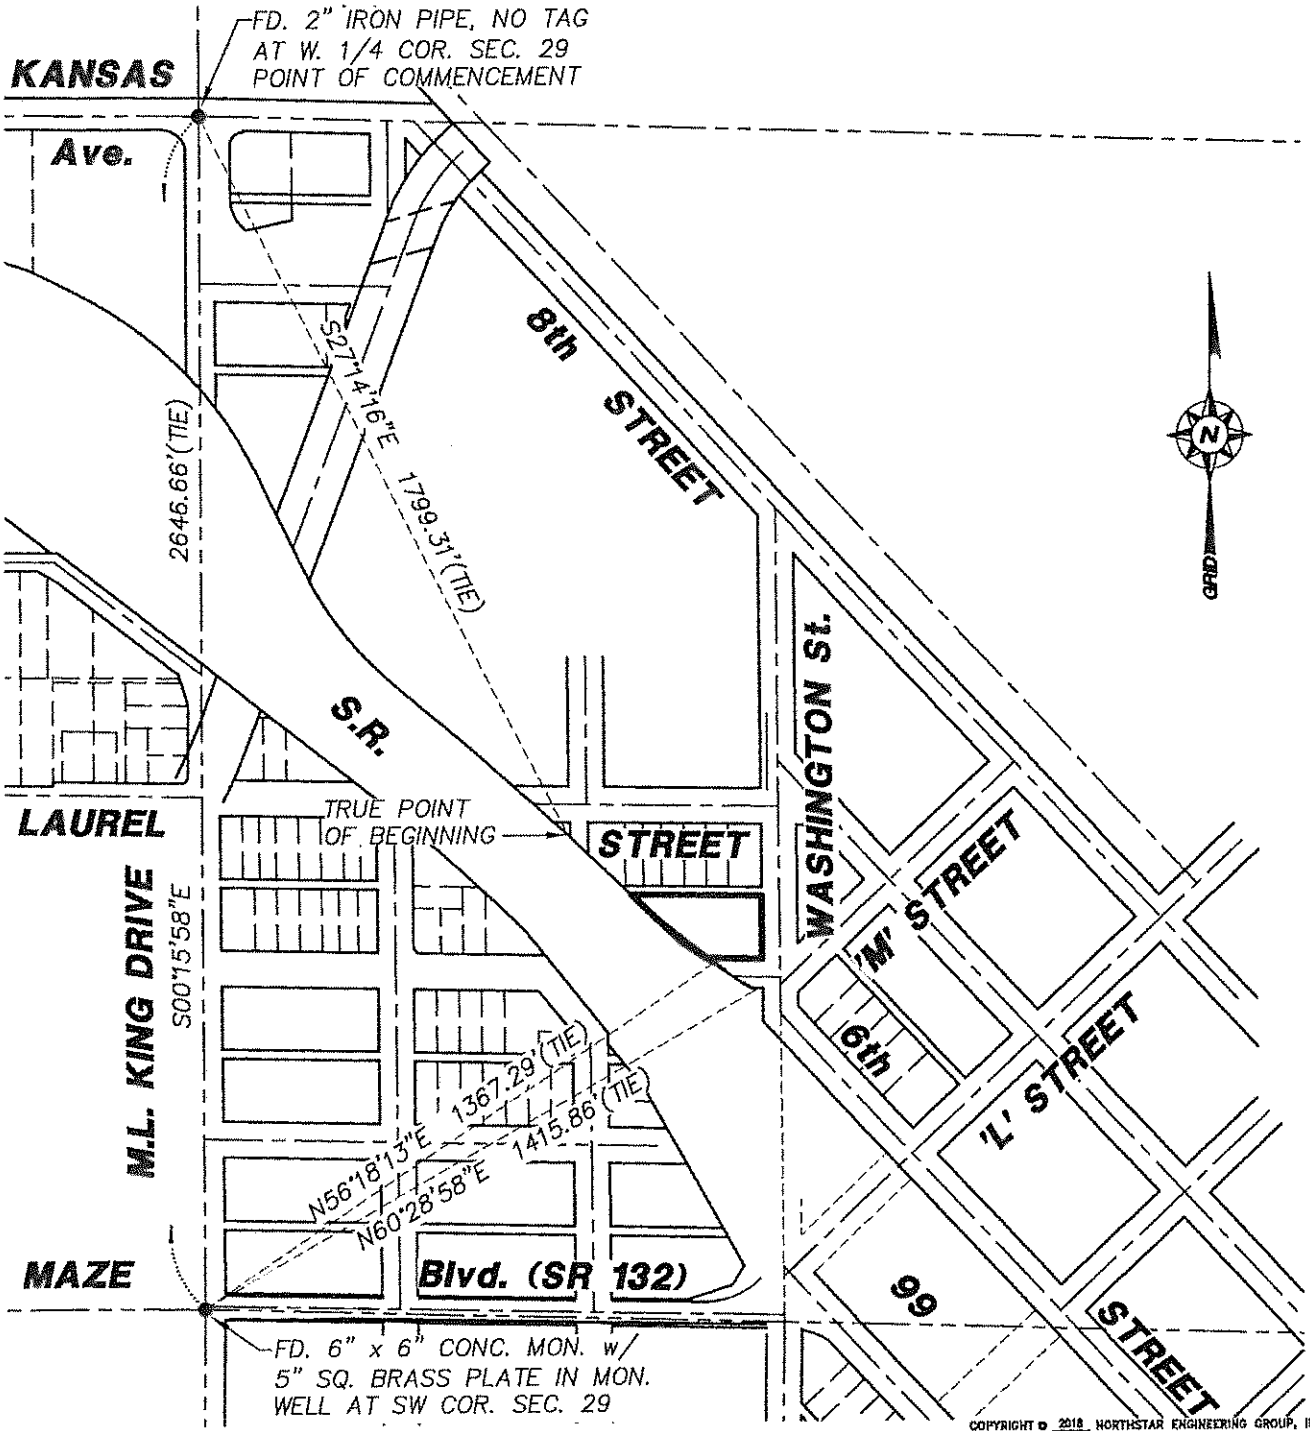

Said rights may also be terminated prior to the above date by (GRANTEE) upon notice to GRANTOR.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-375**

RESOLUTION OF NECESSITY DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY REQUIRE THE ACQUISITION OF REAL PROPERTY DIRECTING THE COMMENCEMENT OF EMINENT DOMAIN PROCEEDINGS FOR THE STATE ROUTE 132 FREEWAY/EXPRESSWAY PHASE 1 PROJECT RE: 611 NORTH FRANKLIN, MODESTO, CA 95351 (APN 029-015-008), OWNER: MELTON & OLMSTED ENTERPRISES, INC., A CALIFORNIA CORPORATION

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (“Project”) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue; and

WHEREAS, the Project, will improve regional and interregional circulation, relieve traffic congestion along existing State Route 132 (SR-132)/Maze Boulevard, and improve traffic operations by creating a new alignment connecting SR-132 with the City of Modesto; and

WHEREAS, on October 10, 2017, Council approved a Measure L Cooperative Agreement with StanCOG (“StanCOG Cooperative Agreement”) for the Plans, Specifications and Estimates Stage of Phase 1 of the State Route 132 Project; and

WHEREAS, on October 24, 2017, Council approved a Joint Powers Agreement with Stanislaus County (“City/County JPA”) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its authority under State law to acquire real property for the purposes of the Project; and

WHEREAS, on March 2, 2018, the California Department of Transportation (“Caltrans”) approved the Environmental Document and selected Project Alternative 2; and

WHEREAS, on August 8, 2018, Council approved a Cooperative Agreement between the City of Modesto and Caltrans (“City/Caltrans Cooperative Agreement”); and

WHEREAS, the City is vested by law with the authority to acquire real property and exercise the power of eminent domain to acquire real property under the provisions and authority of and for the purposes and uses authorized by Article 1, Section 19 of the Constitution of the State of California, Government Code sections 37350.5, 37353, 39792, 40401, 40404, Streets & Highways Code sections 104, 113, 114, 116, 130, 1810, 10102, and by California Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510 and 1240.610, and pursuant to the City/Caltrans Cooperative Agreement; and

WHEREAS, pursuant to Code of Civil Procedure section 1240.140, the Joint Exercise of Powers Act (Government Code sections 6500, *et seq.*), and City/County JPA, Stanislaus County delegated to the City its authority to acquire and condemn property for the Project pursuant to Article I, Section 19 of the Constitution of the State of California, Government Code section 25350.5, Streets and Highways Code sections 104, 116, 130, 760 and 943, Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510, and 1240.610, and Streets & Highways Code sections 104, 116, 130 and 760; and

WHEREAS, it is desirable and necessary for the City to acquire certain real property interests in fee and a 24-month temporary construction easement from property located at 611 North Franklin, Modesto, CA 95351 (APN 029-015-008), as more particularly described and depicted in **Exhibit A attached** hereto and made a part hereof by this reference, for the construction of the Project; and

WHEREAS, the City and Caltrans have investigated and examined alternatives to the Project and the acquisition of the Property, and concluded that both the Project and the acquisition of the Property for the Project are necessary; and

WHEREAS, the requirements of the California Environmental Quality Act (“CEQA”) and National Environmental Policy Act (“NEPA”) have been satisfied for the Project; and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to the owner(s) of the property herein, all of whom have been given a reasonable opportunity to appear and be heard before the City Council of the City of Modesto at the time and place set forth in said notice, regarding the matters specified therein,

NOW, THEREFORE, IT IS FOUND AND DETERMINED as follows:

1. The public interest and necessity require the Project.
2. The Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
3. The property described and depicted in **Exhibit A** hereto is necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code, together with the accompanying statement of the amount established as just compensation, has been made to the owner or owners of record, which offer and statement were in a format and contained the information required by Government Code Section 7267.2.
5. The City has complied with all conditions and statutory requirements, including those prescribed by CEQA and NEPA, that are necessary for approval and

adoption of the Project.

6. All conditions and statutory requirements necessary to exercise the power of eminent domain (“the right to take”) to acquire the property described herein have been complied with by the City.

7. Insofar as any portion of the property has heretofore been appropriated for public use, the proposed use set forth herein will not unreasonably interfere with or impair the continuation of the public use as it exists or may reasonably be expected to exist in the future, and is therefore a compatible public use pursuant to Code of Civil Procedure Section 1240.510, or, as applicable, constitutes a more necessary public use to which the property is appropriated pursuant to Code of Civil Procedure Section 1240.610.

8. The City Attorney and/or his designee, is hereby authorized and empowered to acquire in the name of the City of Modesto by condemnation the property described and depicted in **Exhibit A** hereto; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as is necessary for such acquisition and to make such action as may be deemed advisable or necessary in connection therewith; and to deposit the probable amount of just compensation, based on an approved appraisal.

9. An order for prejudgment possession may be obtained in said condemnation proceeding and a warrant issued to the State Treasury Condemnation Fund, in the amount based on the approved appraisal, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

BE IT FURTHER RESOLVED, that the recitals contained hereinabove are true and correct, and all the findings and determinations made by the City Council pursuant to

this Resolution are based upon substantial evidence in the entire record before the City Council, and are not based solely on the information provided in this Resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Ridenour, Zoslocki,
Mayor Brandvold

ALL that certain real property, being a portion of the lands described in Individual Grant Deed to Melton & Olmsted Enterprises, Inc., a California corporation, filed for record on November 17, 1986 as Instrument No. 86-035639, Stanislaus County Records, and situate in the southeast quarter of Section 30, Township 3 South, Range 9 East, Mount Diablo Meridian, County of Stanislaus, State of California, being more particularly described as follows:

COMMENCING at a 2" iron pipe, no tag, at the East 1/4 corner of said Section 30, from which a 6" x 6" concrete monument with a 5" square brass plate in a monument well at the southeast corner of said Section 30 bears South 00°15'58" East 2646.66 feet; thence South 48°08'14" West 505.43 feet to a point on the northeast right-of-way line of State Highway Route 99, said point being the northwest terminus of the line labeled "N. 63°42'20" W. 107.99' ", as shown on State Highway Map Route 99, Post Mile 16.7, sheet 17 of 23 sheets, on file at the Surveyor's Office of the County of Stanislaus as file No. B-9A-PS-32; thence along said line labeled "N. 63°42'20" W. 107.99' " South 63°23'55" East 13.11 feet to its intersection with the West line of said Melton & Olmsted land, and the **TRUE POINT OF BEGINNING**;

thence (1), along said West line North 00°15'58" West 42.20 feet;

thence (2), leaving said West line and proceeding South 90°00'00" East 194.33 feet;

thence (3), South 89°10'56" East 125.47 feet;

thence (4), North 00°50'56" East 84.25 feet;

thence (5), North 00°00'00" East 61.60 feet;

thence (6), South 90°00'00" East 14.58 feet, more or less, to the East line of said Melton & Olmsted land, said East line being also the West right-of-way line of Franklin Street (variable width);

thence (7), along said East line, parallel with and 30.00 feet distant at right angles from the East line of said Section 30, South 00°15'58" East 149.69 feet;

thence (8), leaving said East line and proceeding South 61°32'04" West 45.43 feet;

thence (9), westerly 219.78 feet along the arc of a non-tangent curve concave to the North having a radius of 750.00 feet, to which beginning a radial line bears South 12°51'24" East, through a central angle of 16°47'23";

thence (10), along a non-tangent line North 90°00'00" West 73.61 feet to a point on aforementioned line labeled "N. 63°42'20" W. 107.99'";

thence (11), along said line labeled "N. 63°42'20" W. 107.99' " North 63°23'55" West 4.75 feet to the Point of Beginning.

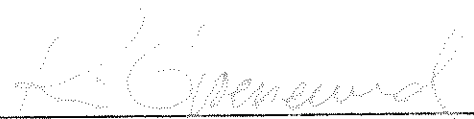

Containing (15,189 square feet Grid), 15,191 square feet [0.35 acres] Ground, more or less.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

Rights to the above described temporary easement shall cease and terminate on December 31, 2020.

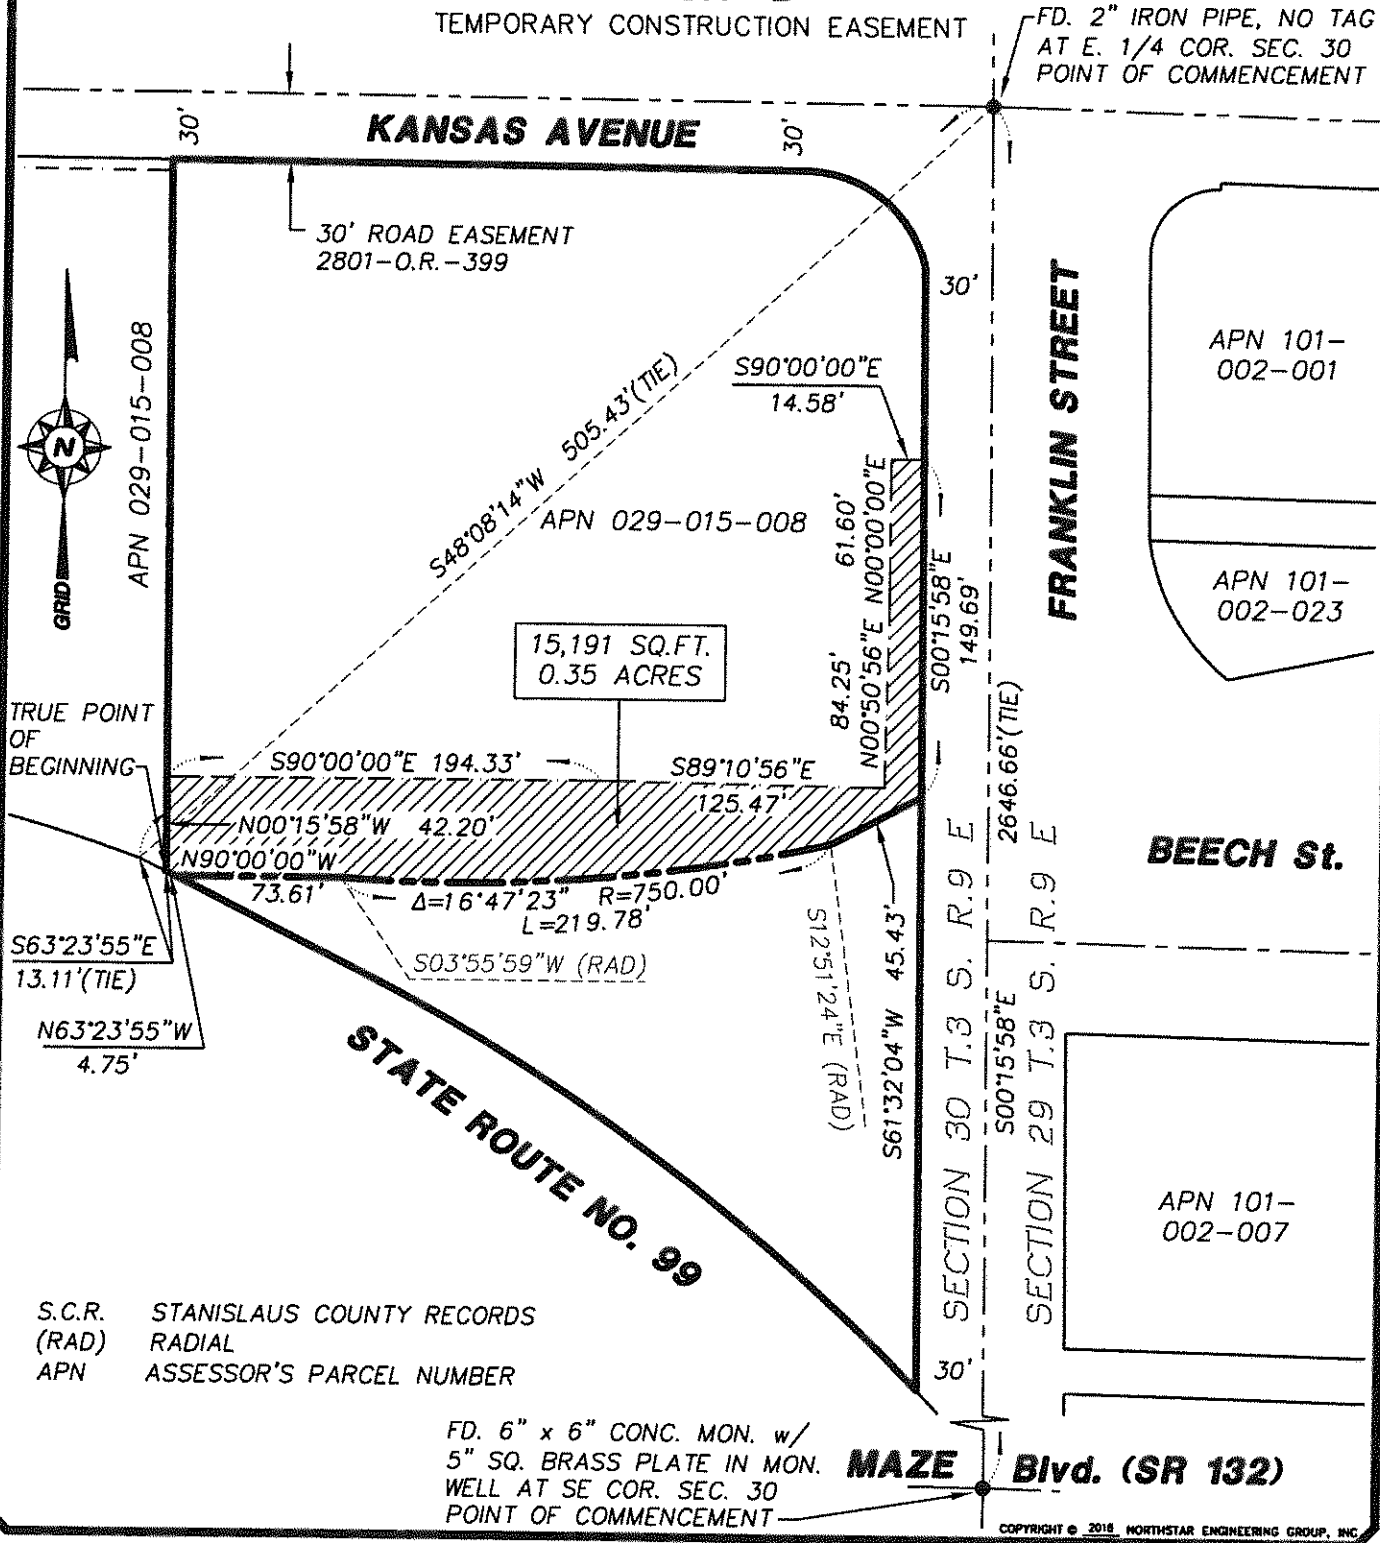

Said rights may also be terminated prior to the above date by (GRANTEE) upon notice to GRANTOR.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-376**

RESOLUTION OF NECESSITY DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY REQUIRE THE ACQUISITION OF REAL PROPERTY DIRECTING THE COMMENCEMENT OF EMINENT DOMAIN PROCEEDINGS FOR THE STATE ROUTE 132 FREEWAY/EXPRESSWAY PHASE 1 PROJECT RE: 350 DAKOTA AVENUE, MODESTO, CA 95358 (APN 007-024-006 & 007-024-005), OWNER: SALIDA HULLING ASSOCIATION, A NON-PROFIT COOPERATIVE ASSOCIATION

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (“Project”) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue; and

WHEREAS, the Project, will improve regional and interregional circulation, relieve traffic congestion along existing State Route 132 (SR-132)/Maze Boulevard, and improve traffic operations by creating a new alignment connecting SR-132 with the City of Modesto; and

WHEREAS, on October 10, 2017, Council approved a Measure L Cooperative Agreement with StanCOG (“StanCOG Cooperative Agreement”) for the Plans, Specifications and Estimates Stage of Phase 1 of the State Route 132 Project; and

WHEREAS, on October 24, 2017, Council approved a Joint Powers Agreement with Stanislaus County (“City/County JPA”) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its authority under State law to acquire real property for the purposes of the Project; and

WHEREAS, on March 2, 2018, the California Department of Transportation (“Caltrans”) approved the Environmental Document and selected Project Alternative 2; and

WHEREAS, on August 8, 2018, Council approved a Cooperative Agreement between the City of Modesto and Caltrans (“City/Caltrans Cooperative Agreement”); and

WHEREAS, the City is vested by law with the authority to acquire real property and exercise the power of eminent domain to acquire real property under the provisions and authority of and for the purposes and uses authorized by Article 1, Section 19 of the Constitution of the State of California, Government Code sections 37350.5, 37353, 39792, 40401, 40404, Streets & Highways Code sections 104, 113, 114, 116, 130, 1810, 10102, and by California Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510 and 1240.610, and pursuant to the City/Caltrans Cooperative Agreement; and

WHEREAS, pursuant to Code of Civil Procedure section 1240.140, the Joint Exercise of Powers Act (Government Code sections 6500, *et seq.*), and City/County JPA, Stanislaus County delegated to the City its authority to acquire and condemn property for the Project pursuant to Article I, Section 19 of the Constitution of the State of California, Government Code section 25350.5, Streets and Highways Code sections 104, 116, 130, 760 and 943, Code of Civil Procedure sections 1240.110, 1240.120, 1240.150, 1240.410, 1240.510, and 1240.610, and Streets & Highways Code sections 104, 116, 130 and 760; and

WHEREAS, it is desirable and necessary for the City to acquire certain real property interests in fee and a 24-month temporary construction easement from property located at 350 Dakota Avenue, Modesto, CA 95358 (APN 007-024-006 & 007-024-005), as more particularly described and depicted in **Exhibit A attached** hereto and made a part hereof by this reference, for the construction of the Project; and

WHEREAS, the City and Caltrans have investigated and examined alternatives to the Project and the acquisition of the Property, and concluded that both the Project and the acquisition of the Property for the Project are necessary; and

WHEREAS, the requirements of the California Environmental Quality Act (“CEQA”) and National Environmental Policy Act (“NEPA”) have been satisfied for the Project; and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to the owner(s) of the property herein, all of whom have been given a reasonable opportunity to appear and be heard before the City Council of the City of Modesto at the time and place set forth in said notice, regarding the matters specified therein,

NOW, THEREFORE, IT IS FOUND AND DETERMINED as follows:

1. The public interest and necessity require the Project.
2. The Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
3. The property described and depicted in **Exhibit A** hereto is necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code, together with the accompanying statement of the amount established as just compensation, has been made to the owner or owners of record, which offer and statement were in a format and contained the information required by Government Code Section 7267.2.
5. The City has complied with all conditions and statutory requirements, including those prescribed by CEQA and NEPA, that are necessary for approval and

adoption of the Project.

6. All conditions and statutory requirements necessary to exercise the power of eminent domain (“the right to take”) to acquire the property described herein have been complied with by the City.

7. Insofar as any portion of the property has heretofore been appropriated for public use, the proposed use set forth herein will not unreasonably interfere with or impair the continuation of the public use as it exists or may reasonably be expected to exist in the future, and is therefore a compatible public use pursuant to Code of Civil Procedure Section 1240.510, or, as applicable, constitutes a more necessary public use to which the property is appropriated pursuant to Code of Civil Procedure Section 1240.610.

8. The City Attorney and/or his designee, is hereby authorized and empowered to acquire in the name of the City of Modesto by condemnation the property described and depicted in **Exhibit A** hereto; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as is necessary for such acquisition and to make such action as may be deemed advisable or necessary in connection therewith; and to deposit the probable amount of just compensation, based on an approved appraisal.

9. An order for prejudgment possession may be obtained in said condemnation proceeding and a warrant issued to the State Treasury Condemnation Fund, in the amount based on the approved appraisal, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

BE IT FURTHER RESOLVED, that the recitals contained hereinabove are true and correct, and all the findings and determinations made by the City Council pursuant to

this Resolution are based upon substantial evidence in the entire record before the City Council, and are not based solely on the information provided in this Resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ridenour, was upon roll call carried and the resolution adopted by the following vote:

SR132 Phase 1 Construction Project
Salida Hulling Association to City of Modesto
APN: 007-024-006

Legal description:

ALL that certain real property, being a portion of the lands described in Grant Deed to Salida Hulling Association, a Non-Profit Cooperative Association, filed for record August 9, 2002 as Document No. 2002-0102435, Stanislaus County Records, and situate in the southwest 1/4 of Section 26, Township 3 South, Range 8 East, Mount Diablo Meridian, County of Stanislaus, State of California, lying southerly, southwesterly and westerly of courses (2) thru (7) of the following described line:

COMMENCING at a concrete monument with a 3" square brass plate in a monument well at the southwest corner of said Section 26, as shown on that certain Record of Survey, filed for record in Book 31 of Surveys, at Page 22, Stanislaus County Records, from which a 2" iron pipe with brass cap in a monument well at the West 1/4 corner of said Section 26, as shown on said Record of Survey, bears North 00°43'51" West 2639.81 feet; thence North 87°39'48" East 714.96 feet to the easterly terminus of the line labeled "1)N. 86°20'23"W., 130.217 meters" as shown in that certain Grant Deed to the State of California, filed for record May 16, 2001 as Document no. 2001-0051238, Stanislaus County Records, said terminus lying within the right-of-way of Maze Boulevard (State Highway Route 132), and being the **TRUE POINT OF BEGINNING**;

thence (1), along said line labeled "1)N. 86°20'23"W., 130.217 meters" North 86°20'32" West 427.22 feet;

thence (2), leaving said line labeled "1)N. 86°20'23"W., 130.217 meters" and proceeding North 00°00'00" East 0.03 feet;

thence (3), North 87°58'17" West 160.44 feet;

thence (4), North 52°54'59" West 83.49 feet to a point which is 62.50 feet distant at right angles from the West line of said southwest quarter of Section 26;

thence (5), thence parallel with said West line North 00°43'51" West 1608.21 feet;

thence (6), North 89°14'21" East 7.05 feet;

thence (7), North 00°43'24" West 75.00 feet, more or less, to a point on the North line of said Salida Hulling Association land;

thence (8), leaving last said North line and proceeding North 00°39'49" West 390.90 feet;

thence (9), North 14°12'55" East 233.96 feet;

thence (10), North 89°19'47" East 1062.37 feet;

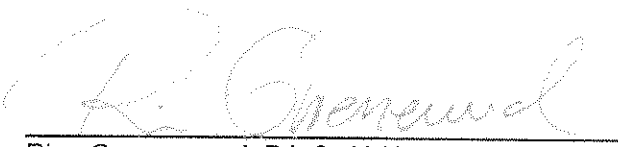

thence (11), North 00°43'35" West 52.35 feet to the westerly extension of the future southerly right-of-way line of State Highway Route 132 labeled as "N89°21'00"E 2362.15'", as said right-of-way line is shown on sheet 21 of State Highway map STA-132P PM 12.00;

thence (12), along said proposed southerly right-of-way line and said westerly extension North 89°21'16" East 3813.99 feet to the easterly terminus of the line labeled "N89°21'00"E 2362.15'" as shown on said Sheet 21 and Sheet 22 of State Highway Map STA-132P PM 12.36, and the terminal point of this description, said terminal point bears South 88°38'38" East 5010.03 feet from aforementioned West 1/4 corner of Section 26.

Containing (15,600 square feet Grid), 15,602 square feet [0.36 acres] Ground more or less.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

Temporary Construction Easement

SR132 Phase 1 Construction Project
Salida Hulling Association to City of Modesto
APN: 007-024-006

Legal description:

ALL that certain real property, being a portion of the lands described in Grant Deed to Salida Hulling Association, a Non-Profit Cooperative Association, filed for record August 9, 2002 as Document No. 2002-0102435, Stanislaus County Records, and situate in the southwest 1/4 of Section 26, Township 3 South, Range 8 East, Mount Diablo Meridian, County of Stanislaus, State of California, being a strip of land 2.00 feet wide, the southerly, southwesterly and westerly line of which is coincident with courses (1) thru (5) of the following described line:

COMMENCING at a concrete monument with a 3" square brass plate in a monument well at the southwest corner of said Section 26, as shown on that certain Record of Survey, filed for record in Book 31 of Surveys, at Page 22, Stanislaus County Records, from which a 2" iron pipe with brass cap in a monument well at the West 1/4 corner of said Section 26, as shown on said Record of Survey, bears North 00°43'51" West 2639.81 feet; thence North 87°39'48" East 714.96 feet to the easterly terminus of the line labeled "1)N. 86°20'23"W., 130.217 meters" as shown in that certain Grant Deed to the State of California, filed for record May 16, 2001 as Document no. 2001-0051238, Stanislaus County Records; thence along said line labeled "1)N. 86°20'23"W., 130.217 meters" North 86°20'32" West 427.22 feet; thence leaving last said line and proceeding North 00°00'00" East 0.03 feet to **TRUE POINT OF BEGINNING**;

thence (1), North 87°58'17" West 160.44 feet;

thence (2), North 52°54'59" West 83.49 feet to a point which is 62.50 feet distant at right angles from the West line of said southwest quarter of Section 26;

thence (3), thence parallel with said West line North 00°43'51" West 1608.21 feet;

thence (4), North 89°14'21" East 7.05 feet;

thence (5), North 00°43'24" West 75.00 feet, more or less, to a point on the North line of said Salida Hulling Association land;

thence (6), leaving last said North line and proceeding North 00°39'49" West 390.90 feet to the terminal point of this description, said terminal point bears South 09°29'50" East 459.39 feet from aforementioned West 1/4 corner of Section 26.

TOGETHER WITH the following described real property:

BEGINNING at a point which is 64.50 feet distant at right angles from the West line of said southwest quarter, and bears North 01°53'23" East 1410.67 feet from said southwest corner of Section 26;

thence (7), parallel with said West line, North 00°43'51" West 139.56 feet;

thence (8), leaving last said parallel line and proceeding North 89°16'36" East 6.56 feet to the beginning of a curve concave to the Northeast having a radius of 40.00 feet, to which beginning a radial line bears South 89°16'36" West;

thence (9), southeasterly 62.62 feet along the arc of said curve through a central angle of 89°42'10";

thence (10), North 89°34'26" East 9.92 feet;

thence (11), South 00°52'42" East 59.48 feet;

thence (12), South 89°07'18" West 13.93 feet;

thence (13), southwesterly 62.72 feet along the arc of a curve concave to the southeast having a radius of 40.00 feet, through a central angle of 89°50'15";

thence (14), along a non-tangent line South 89°16'09" West 2.60 feet to the Point of Beginning.

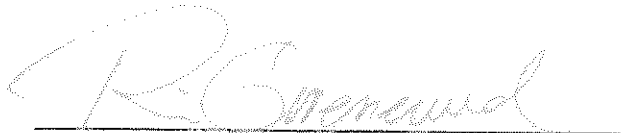

Containing (8,274 square feet Grid), 8,275 square feet [0.19 acres] Ground more or less.

The Basis of Bearings for this description is the California State Plane Coordinate System, Zone 3, NAD83 adjusted to the 2007.00 Epoch of NGS monuments "TRACY" (PID AA4256), "PATTERSON" (PID HS5412) and "TURLOCK" (PID AA4252). All distances and areas shown are grid. To convert to ground distances, divide grid distances by a combined factor of 0.999932235. To convert to ground areas, divide grid areas by the combined factor squared (0.99986447).

All as shown on EXHIBIT "B" attached hereto and by this reference made a part hereof.

Rights to the above described temporary easement shall cease and terminate on December 31, 2020.

Said rights may also be terminated prior to the above date by (GRANTEE) upon notice to GRANTOR.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-377**

RESOLUTION APPROVING AN INCREASE IN GOLF GREEN FEES AT THE CITY OF MODESTO GOLF COURSES BY \$2/ROUND EFFECTIVE SEPTEMBER 20, 2018, WITH AN ANNUAL INFLATOR OF \$1/ROUND EACH YEAR FOR THE NEXT FOUR YEARS, SUBJECT TO ANNUAL REVIEW, AND RESCINDING RESOLUTION NO. 2011-178

WHEREAS, the City owns, operates, and manages the Municipal Golf Course, Dryden Park Municipal Golf Course, and Creekside Municipal Golf Course (collectively “Municipal Golf Courses”, and

WHEREAS, on June 2, 2009, the City Council, by Resolution No. 2009-236, established new green fee rates at all three Municipal Golf Courses, and

WHEREAS, on May 24, 2011, the City Council, by Resolution No. 2011-178, granted the Director of the Parks, Recreation and Neighborhoods Department the authority to offer or approve golf specials at the Municipal Golf Courses, restated the 2009 green fee rates, and rescinded Resolution No. 2009-236, and

WHEREAS, in May 2016, the Mayor’s 100 Day Budget Review Committee recommended reducing or eliminating General Fund support to the golf fund and appoint two committee members to work with staff, and

WHEREAS, on September 5, 2017, at a City Council Workshop, staff was directed to conduct a workshop to receive public input and feedback on ways to reduce the General Fund subsidy to the golf fund, and

WHEREAS, in January 2018, two public workshops were conducted, and identified strong support for keeping the courses open, introducing new uses for the courses, increasing marketing and promotions, and increasing green fees, and

WHEREAS, in April 2018, the Golf Courses Advisory Committee presented the public workshop information to the City Council, and

WHEREAS, one of the Golf Courses Advisory Committee's recommendations was to increase green fees by \$1/round each year for the next five years pending annual review, and

WHEREAS, at the Workshop, the Council expressed interest in seeing higher green fees in the first year, and

WHEREAS, on June 25, 2018, the Finance Committee considered the Golf Advisory Committee's recommendation of a \$1 per round increase with annual \$1 per round increases, subject to annual review, over the next four years as well as \$2 and \$3 per round increases, and

WHEREAS, the Finance Committee unanimously recommended a \$2/round increase the first year with \$1 per round increases, subject to annual review, over the next four years, and

WHEREAS, the first increase shall commence on September 5, 2018, with subsequent increases, pending review, commencing on July 1st of each year 2019, 2020, 2021, and 2022, and

WHEREAS, said matter was set for public hearing of the City Council to be held at 5:30 p.m. on September 4, 2018, in the Tenth Street Place Chambers, located at 1010 10th Street, Modesto, California, at which date and time said duly noticed public hearing of the Council was held for the purpose of receiving public comment on the proposed golf green fees, and

WHEREAS, the Council of the City of Modesto finds that the new increased fees for play need to be established at the Municipal Golf Courses to help offset the rising cost of operating the golf courses.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

1. RATES. The rates for players for Modesto Municipal Golf Course, Dryden Park Municipal Golf Course, and Creekside Municipal Golf Course are hereby established as set forth in **Exhibit "A" attached** hereto and effective September 20, 2018.

Subsequent annual \$1/round fee increases, pending review, shall be effective on July 1st 2019, 2020, 2021, and 2022.

2. DISCOUNTS & SPECIAL RATES. The Parks, Recreation and Neighborhoods Director, or designee, may provide discounts of the established green fees and/or offer green fee packages to encourage rounds of golf at all the municipal golf courses. Annual Pass, Special Play, Play Day, Tournament, School Team, Holiday, League, or other special or promotional rates shall be established by the Contractor, with the written approval of the Parks, Recreation and Neighborhoods Director, or his or her designee.

3. COMPLIMENTARY TICKETS. Complimentary tickets without fee may be issued by or under the direction of the Golf Course Professional to visiting professionals or others, for services rendered to the golf course. Free play must be approved by the Parks, Recreation and Neighborhoods Director or designee.

4. HOLIDAYS. "Holidays", as used herein, shall mean New Year's Day (January 1st), Martin Luther King's Birthday (the third Monday in January), Washington's Birthday (the third Monday in February), Memorial Day (the last Monday in May), Independence Day (July 4th), Labor Day (the first Monday in September), Veteran's Day (November 11th), Thanksgiving Day (the fourth Thursday in November), and the day after Thanksgiving. When a holiday falls on a Sunday, the following Monday shall be observed as a holiday. When a holiday falls on a Saturday, the preceding Friday shall be observed as a holiday.

5. EFFECTIVE DATE. This resolution goes into effect and be in full force and operation on and after September 20, 2018.

BE IT FURTHER RESOLVED, Resolution No. 2011-178 is hereby rescinded effective September 20, 2018.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Ridenour, who moved its adoption, which motion being duly seconded by Councilmember Kenoyer, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-378**

**RESOLUTION APPROVING AN AGREEMENT WITH PROTERRA INC.,
GREENVILLE, SC, IN AN AMOUNT NOT TO EXCEED \$5,278,559 FOR FIVE
PROTERRA BATTERY-ELECTRIC ZERO-EMISSION TRANSIT BUSES AND
THE INSTALLATION AND DEPLOYMENT OF EIGHT PROTERRA DEPOT
CHARGERS, AND AUTHORIZING THE CITY MANAGER, OR HIS
DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, in October 2015, the California Air Resources Board (CARB) released a notice to grantees to implement and administer Zero-Emission Truck and Bus Pilot Commercial Deployment Projects under the Air Quality Improvement Program (AQIP) and Low Carbon Transportation Greenhouse Gas Reduction Fund (GGRF) Investments, and

WHEREAS, on January 26, 2016, by Resolution 2016-23, Council approved joining a multi-agency partnership to apply for grant funds under the CARB's Zero-Emission Bus Deployment Project, and

WHEREAS, on June 28, 2016, by Resolution 2016-278, Council accepted the grant award from the San Joaquin Valley Air Pollution Control District (SJVAPCD), and

WHEREAS, on June 26, 2018, by Resolution 2018-273, Council approved a grant agreement with the San Joaquin Valley Air Pollution Control District for \$4,016,188, and

WHEREAS, the total cost for the agreement is \$5,278,559, and

WHEREAS, funding for this project is available through existing transit grants with the San Joaquin Valley Air Pollution Control District, Federal Transit Administration, the Public Modernization, Improvement and Service Enhancement Account grant program (PTMISEA), and the Transportation Development Act (TDA), and

WHEREAS, the battery electric buses will provide a cleaner fuel for providing public transportation around Modesto.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby approves an agreement with Proterra Inc., Greenville, SC, in an amount not to exceed \$5,278,559, for five Proterra battery-electric zero-emission transit buses and the installation and deployment of eight Proterra depot chargers.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Zoslocki, who moved its adoption, which motion being duly seconded by Councilmember Ah You, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-379**

RESOLUTION AMENDING THE FISCAL YEAR 2018-19 MULTI-YEAR BUDGET IN THE AMOUNT OF \$2,751,908 TO FUND THE PURCHASE OF FIVE PROTERRA BATTERY-ELECTRIC TRANSIT BUS AND THE INSTALLAION AND DEPLOYMENT OF EIGHT PROTERRA DEPOT CHARGERS, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO IMPLEMENT THE PROVISIONS OF THIS RESOLUTION

WHEREAS, in October 2015, the California Air Resources Board (CARB) released a notice to grantees to implement and administer Zero-Emission Truck and Bus Pilot Commercial Deployment Projects under the Air Quality Improvement Program (AQIP) and Low Carbon Transportation Greenhouse Gas Reduction Fund (GGRF) Investments, and

WHEREAS, on January 26, 2016, by Resolution 2016-23, Council approved joining a multi-agency partnership to apply for grant funds under the CARB's Zero-Emission Bus Deployment Project, and

WHEREAS, on June 28, 2016, by Resolution 2016-278, Council accepted the grant award from the San Joaquin Valley Air Pollution Control District (SJVAPCD), and

WHEREAS, on June 26, 2018, by Resolution 2018-273, Council approved a grant agreement with the San Joaquin Valley Air Pollution Control District for \$4,016,188, and

WHEREAS, the total cost for the project is \$7,388,908 and

WHEREAS, a multi-year project budget adjustment to project 101132 is necessary in the amount of \$2,751,908 to fund the purchase and operations of the electric buses and charging stations, and

WHEREAS, funding for this project is available through existing transit grants with the San Joaquin Valley Air Pollution Control District, Federal Transit

Administration, the Public Modernization, Improvement and Service Enhancement Account grant program (PTMISEA), and the Transportation Development Act (TDA).

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the amendment of the Fiscal Year 2018-19 Budget as shown in **Exhibit A, attached** hereto.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Zoslocki, who moved its adoption, which motion being duly seconded by Councilmember Ah You, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-380**

**RESOLUTION APPROVING A LIST OF PROJECTS TO BE FUNDED WITH
MEASURE L TAX PROCEEDS IN FISCAL YEAR 2018-2019, INCLUDING
PROJECTS IN THE FISCAL YEAR 2018-2019 CAPITAL IMPROVEMENT
PROGRAM, APPROVING THE BUDGET ADJUSTMENT FOR EACH
PROJECT AND EARMARKING FUTURE MEASURE L FUNDS IN THE
AMOUNT OF \$1,658,925 FOR A FUTURE MEASURE L-ELIGIBLE J STREET
PROJECT**

WHEREAS, in November, 2016, Stanislaus County voters approved a county-wide, 25-year, half-cent sales tax increase for transportation and pavement rehabilitation projects known as Measure L, and

WHEREAS, the City of Modesto's estimated share of Measure L funds is approximately \$8.9 Million, and

WHEREAS, on October 4, 2016, the City Council approved Ordinance No. 3656-C.S. adding Chapter 10 to Title 8 of the Modesto Municipal Code to establish a Citizens' Transportation Sales Tax Commission ("Commission"). The Commission will consist of eleven members appointed by the City Council, and

WHEREAS, the Commission has reviewed and approved the list of proposed projects to be funded with Measure L funds, staff is seeking City Council approval of a list of proposed projects and the necessary budget adjustments, and

WHEREAS, the local Measure L funds that the City will receive are divided into three categories, and

WHEREAS, the City anticipates receiving \$6.87 Million annually for the Local Streets and Roads category which is to be used exclusively for repair and maintenance of our City streets, and

WHEREAS, the City anticipates receiving \$1.37 Million annually for the Traffic Management category which is to be used to upgrade intersections, widen roads, signalize intersections, install traffic calming devices, etc., and

WHEREAS, the City anticipates receiving \$687,000 annually for the Bike and Pedestrian Improvement category which is to be used for local connectivity between communities, local schools, trails and recreation facilities, and

WHEREAS, on May 24, 2016, by Resolution 2016-220 the City Council approved a list of proposed projects to be funded upon the successful passage of Measure L within the first 5 years, which is shown in **Exhibit A, attached** hereto, and

WHEREAS, staff reviewed the list and is recommending a more specific and expanded list of projects, which is shown in **Exhibit C, attached** hereto, to be funded with Measure L funds in Fiscal Year 2018-2019, and

WHEREAS, the Fiscal Year 2018-2019 Capital Improvement Program Budget must be amended as shown in **Exhibit B, attached** hereto,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the list of projects to be funded with Measure L tax proceeds in Fiscal Year 2018-2019, including the projects in the Fiscal Year 2018-2019 Capital Improvement Program shown in **Exhibit C, attached** hereto.

BE IT FURTHER RESOLVED that Council hereby approves the amendment of the Fiscal Year 2018-2019 Capital Improvement Program Budget as shown in **Exhibit B** in order to fund the various Capital Improvement Projects with Measure L proceeds.

BE IT FURTHER RESOLVED that Council hereby approves earmarking \$1,658,925 of future Measure L funding for a future Measure L-eligible J Street Project.

BE IT FURTHER RESOLVED that the Director of Finance, or her designee, is hereby authorized to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Zoslocki, who moved its adoption, which motion being duly seconded by Councilmember Ah You, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2018-381**

RESOLUTION APPROVING A PROFESSIONAL SERVICES AGREEMENT WITH NOSSAMAN LLP OF LOS ANGELES, CALIFORNIA FOR EMINENT DOMAIN LEGAL SERVICES FOR STATE ROUTE 132 WEST FREEWAY/EXPRESSWAY PHASE 1 PROJECT IN AN AMOUNT NOT TO EXCEED \$2,000,000 FOR THE IDENTIFIED SCOPE OF SERVICES; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE CONTRACT

WHEREAS, the State Route 132 West Freeway/Expressway – Phase 1 Project (Project) proposes to construct a two-lane highway on a new alignment in Stanislaus County and the City of Modesto from State Route 99 just south of Kansas Avenue to Dakota Avenue; and

WHEREAS, on October 10, 2017, by Resolution 2017-403, Council approved a Measure L Cooperative Agreement with StanCOG (StanCOG Cooperative Agreement) for the Plans, Specifications and Estimates Stage of Phase 1 of the State Route 132 Project, through which StanCOG has agreed to reimburse the City up to \$10 million for costs relating to the PS&E Phase of the Project; and

WHEREAS, on October 24, 2017, by Resolution 2017-424 Council approved a Joint Powers Agreement with Stanislaus County (County) to engage right of way acquisition services in County lands outside City limits, through which the County delegated to the City its authority under State law to acquire real property for the purposes of acquisition services in support of the construction of the Project; and

WHEREAS, on February 27, 2018, by Resolution 2018-85, Council authorized early acquisition of real property prior to Environmental Document approval, and delegated to Staff authority to acquire property up to certain specified amounts; and

WHEREAS, on June 12, 2018, by Resolution 2018-237, Council approved increases in the amounts of delegated authority to acquire property for the Project; and

WHEREAS, Council has authorized a total of \$11,935,081 for right of way acquisitions, utilizing City of Modesto Capital Facilities Fees (CFF) funds, Federal Demonstration Program (DEMO) grant funds, and Stanislaus County Public Facility Fees (PFF) funds; and

WHEREAS, on March 2, 2018, the California Department of Transportation (Caltrans) approved the Environmental Document and selected Project Alternative 2; and

WHEREAS, on August 8, 2018, by Resolution 2018-315, Council approved a Cooperative Agreement between the City and Caltrans, which sets forth the roles and responsibilities of the City and Caltrans with respect to the Project; and

WHEREAS, on July 27, 2018, staff solicited proposals from law firms for Eminent Domain Legal Services for the State Route 132 West Freeway/Expressway Phase 1 Project in accordance with state and federal requirements; and

WHEREAS, proposals were received, evaluated and ranked; and

WHEREAS, the City selected Nossaman LLP as the top ranked firm; and

WHEREAS, Nossaman LLP has agreed to a contract for eminent domain legal services in an amount not to exceed \$2,000,000 for the State Route 132 West Freeway/Expressway Phase 1 Project; and

WHEREAS, the City Manager and Staff recommend approval of the contract for eminent domain legal services for the State Route 132 West Freeway/Expressway Phase 1 Project.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Professional Services Agreement with Nossaman LLP for Eminent Domain Legal Services for the State Route 132 West Freeway/Expressway – Phase 1 Project in an amount not to exceed \$2,000,000, as provided in **Exhibit A** attached hereto and incorporated herein, and further authorizes the City Attorney to execute such agreement in a form substantially similar to **Exhibit A**.

BE IT FURTHER RESOLVED, that the City Manager or his designee, are hereby authorized to execute the agreement, in a form approved by the City Attorney.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2018, by Councilmember Kenoyer, who moved its adoption, which motion being duly seconded by Councilmember Ah You, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Ah You, Grewal, Kenoyer, Madrigal, Ridenour, Zoslocki, Mayor Brandvold

ADAM U. LINDGREN, City Attorney

CONTRACT NO. _____

BY AND BETWEEN

CITY OF MODESTO

AND

NOSSAMAN LLP

FOR

**EMINENT DOMAIN LEGAL SERVICES FOR THE STATE ROUTE 132 WEST
FREEWAY/EXPRESSWAY PROJECT**

This contract (referred to as "Contract"), is made and entered into on the ___ day of _____, 2018 ("Effective Date"), by and between the City of Modesto ("CITY"), whose address is: 1010 10th Street, Suite 6300, Modesto, CA 95354; and Nossamon, LLP ("ATTORNEY"), whose address is: 777 South Figueroa Street, 34th Floor, Los Angeles, CA 90017. CITY and ATTORNEY are each a "Party" and collectively the "Parties".

RECITALS

- A. CITY requires certain legal services as described in Exhibit A to this Contract; and
- B. ATTORNEY has confirmed that ATTORNEY has the requisite personnel and experience and is fully capable and qualified to perform the legal services described; and
- C. ATTORNEY desires to perform the legal services for the compensation and in accordance with the terms and conditions set forth in this Contract.

NOW, THEREFORE, the Parties agree as follows:

ARTICLE 1. DESCRIPTION OF WORK

- 1.1 ATTORNEY agrees to perform the work and services set forth in Exhibit A "Scope of Work" ("Work" or "Services"), in accordance with all applicable professional standards which are generally accepted in the State of California, in accordance with the terms and conditions expressed herein and in the sequence, time, and manner defined herein, but only upon CITY's issuance of and in accordance with the terms and instructions contained in one or more written Contract Task Orders ("CTO") executed by both parties. The word "Work" includes without limitation, the performance, fulfillment and discharge by ATTORNEY of all obligations, duties, tasks, and services imposed upon or assumed by ATTORNEY hereunder; and the Work performed hereunder shall be completed to the satisfaction of CITY, with CITY's satisfaction being based on prevailing applicable professional standards.
- 1.2 The Project Manager for this Contract is John Rawles, or such other designee as shall be designated in written notice to ATTORNEY from time to time by the City Manager of CITY or his or her designee. The Project Manager shall have authority to act on behalf of CITY in administering this Contract, including giving notices (including without limitation, notices of default and/or termination), technical directions and approvals; issuing, executing and amending CTO's; demanding performance and accepting work performed, but is not authorized to receive or issue payments or execute amendments to the Contract itself.

ARTICLE 2. PERIOD OF PERFORMANCE

- 2.1 The Period of Performance by ATTORNEY under this Contract shall commence upon the Effective Date, unless agreed otherwise, and shall continue in full force and effect through December 31, 2021, or until otherwise terminated as provided in Article 16, or unless extended as hereinafter provided by written amendment, except that all indemnity and defense obligations hereunder shall survive termination of this Contract. ATTORNEY shall not be compensated for any work performed or costs incurred prior to issuance of the Effective Date.
- 2.2 CITY at its sole discretion may extend the original term of the Contract for two

one- year option(s). The maximum term of this Contract, including the Option Term(s), if exercised, will not exceed December 31, 2023.

ARTICLE 3. COMPENSATION

- 3.1 Total compensation to ATTORNEY for full and complete performance of the Work set forth in Article 1, in compliance with all the terms and conditions of this Contract, and any CTO's issued, payment by ATTORNEY of all obligations incurred in, or application to, ATTORNEY'S performance of the Services, and for which ATTORNEY shall furnish all personnel, facilities, equipment, materials, supplies, and the Services (except as may be explicitly set forth in this Contract as furnished by CITY), shall not exceed the amount set forth in 3.2 below.
- 3.2 The total Not-To-Exceed Amount for all CTOs issued to ATTORNEY is \$2,000,000.
- 3.3 All Services shall be reimbursed pursuant to the hourly labor rates identified in Attachment B "Attorney's Fees and Charges" and the executed CTO. The hourly labor rates identified in Attachment B, shall remain fixed for the term of this Contract and shall include ATTORNEY's direct labor costs, indirect costs, and profit. All expenses shall be reimbursed for the amount identified in Attachment B. CITY will not reimburse for any expenses not shown in Attachment B.
- 3.4 As the need for legal services are required, CITY will issue a request for CTO based on services and cost identified in 3.2 above. CITY does not guarantee any certain number of CTOs will be issued during the term of this Contract. Award of CTOs is at the sole-discretion of the CITY.
- 3.5 The Cost Principles and Procedures set forth in 48 CFR, Ch. 1, subch. E, Part 31, as constituted on the Effective Date of this Contract shall be utilized to determine allowability of costs under this Contract and may be modified from time to time by written amendment of the Contract.
 - 3.5.1 ATTORNEY agrees to comply with Federal Department of Transportation procedures in accordance with 2 CFR, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
 - 3.5.2 Any costs for which payment has been made to ATTORNEY that are determined by subsequent audit to be unallowable under 48 CFR, Ch. 1, subch. E, Part 31, or 2 CFR, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, shall be repaid by ATTORNEY to CITY.
- 3.6 Any Work provided by ATTORNEY not specifically covered by the Scope of Work shall not be compensated without prior written authorization from CITY. It shall be ATTORNEY's responsibility to recognize and notify CITY in writing when services not covered by the Scope of Work have been requested or are required. All changes and/or modifications to the Scope of Work shall be made in

accordance with the "CHANGES" Article in this Contract. Any additional services agreed to in accordance with this Contract shall become part of the Work.

- 3.7 CITY shall reimburse ATTORNEY for the actual, reasonable and necessary expense of travel out of the Modesto metropolitan area, approved in advance, at \$0.56 per mile. ATTORNEY will not charge CITY for the cost of telephone calls. Litigation costs and expenses for statutory fees, witness fees, reporters' per diem and stenographic transcriptions, jury fees, and the expenses of serving process shall be advanced by ATTORNEY and reimbursed by CITY. Expert consultants and witnesses may be retained by ATTORNEY on terms acceptable to CITY, approved in advance by email or letter by the Project Manager, in which case CITY shall reimburse ATTORNEY or pay such consultants or experts directly.

ARTICLE 4. PAYMENT

- 4.1 The compensation of ATTORNEY shall be payable sixty (60) calendar days after receipt by CITY of an invoice prepared in accordance with instructions below. Payment shall not be construed to be an acceptance of Work.
- 4.2 ATTORNEY shall prepare all invoices in a form satisfactory to and approved by CITY and it shall be accompanied by documentation supporting each element of measurement and/or cost. Each invoice will be for a monthly billing period and will be marked with CITY's contract number, if applicable. Invoices shall be submitted within fifteen (15) calendar days for the period covered by the invoice. Invoices shall request payment for Work (including additional Work authorized by CITY) completed by ATTORNEY during each billing period. Any invoice submitted which fails to comply with the terms of this Contract, including the requirements of form and documentation, may be returned to ATTORNEY. Any costs incurred by ATTORNEY in connection with the resubmission of a proper invoice shall be at ATTORNEY's sole expense.
- 4.3 No payment will be made prior to approval of any Work, nor shall any Work be performed prior to approval of this Contract by CITY's duly authorized representative.
- 4.4 ATTORNEY agrees to promptly pay each subcontractor for the satisfactory completion of all work performed under this Contract no later than ten (10) calendar days from the receipt of payment from CITY. CITY reserves the right to request documentation from ATTORNEY showing payment has been made to its subcontractors.
- 4.5 In addition to the provisions stated elsewhere in this Agreement regarding the payment of fees, billing and budgeting, the following guidelines for billing apply:
- 4.5.1 CITY expects each individual working on the matter for which Attorney is retained to have the necessary experience to perform the services required to protect or pursue CITY's interests in the matter in a cost effective manner, consistent with high professional and ethical standards.

- 4.5.2 CITY expects ATTORNEY to select the individual most suitable for the task required and the specific needs of the matter, and to use the maximum efficiencies available. Billings for services performed by the inappropriate level of personnel will be reduced by CITY based on rate adjustments for the appropriate level of personnel.
- 4.5.3 CITY will not pay for unnecessary review of texts, codes, rules of court, or other fundamental references. CITY will pay the hourly rate for specific legal research which is unique to the matter, assuming that ATTORNEY has used maximum efficiencies and that ATTORNEY has not already recently performed research in the same or very similar areas of law.
- 4.5.4 CITY acknowledges the benefit of communications between attorneys in the firm. CITY does, however, expect that intra-office conferences will only be held as needed, and will be kept to a minimum. Intra-office conferences shall be for the purpose of discussing strategy and legal issues which directly further the matter. CITY will not pay for conferences which are supervisory, instructional or administrative. Any invoice which lists an intra-office conference that does not meet these guidelines must contain a full explanation and is subject to reduction by CITY. CITY will not pay for "team meetings" and CITY will scrutinize all intra-office conferences for "value added" to the matter by the conference, for the number of individuals attending the conference, the length of the conference, the subjects discussed at the conference and who participated in it, and will, in CITY's sole discretion, determine if such value has been added.
- 4.5.5 CITY will not pay for local telephone calls, incoming facsimiles, postage, time spent on filing, calendaring, indexing pleadings, conferences with Clerks of court or court reporters, proofreading, re-drafting due to substandard work, or opening, organizing or closing files. CITY will not pay for time billed by summer interns or associates, time for more than one individual to attend a trial, hearing, court appearance, arbitration, mediation, deposition, third party meeting, conference call or similar event, unless otherwise approved by CITY in advance.
- 4.5.6 Vague billing which does not contain sufficient information to allow CITY's reviewer of the invoice to determine the nature of the task, the reason for the task, and the individual performing the task is subject to reduction by CITY.
- 4.5.7 CITY will not reimburse for overtime, word processing, supplies, anything identified on an invoice as "miscellaneous," or any other unidentified charges.

ARTICLE 5. TAXES, DUTIES AND FEES

Except to the extent expressly provided elsewhere in this Contract, ATTORNEY shall pay when due, and the compensation set forth in Article 3 will be inclusive of, all (a) local, municipal, state, and federal sales and use taxes; (b) excise taxes; (c) taxes on personal

property owned by ATTORNEY; and (d) all other governmental fees and taxes or charges of whatever nature applicable to ATTORNEY to enable it to conduct business.

ARTICLE 6. AVAILABILITY OF FUNDS

The award and performance of this Contract is contingent on the availability of funds. If funds are not allocated and available to CITY for the continuance of Work performed by ATTORNEY, Work directly or indirectly involved may be suspended or terminated by CITY at the end of the period for which funds are available. When CITY becomes aware that any portion of Work will or may be affected by a shortage of funds, it will immediately so notify ATTORNEY. Nothing herein shall relieve CITY from its obligation to compensate ATTORNEY for Work performed pursuant to this Contract. No penalty shall accrue to CITY in the event this provision is exercised.

ARTICLE 7. DOCUMENTATION AND RIGHT TO AUDIT

7.1 ATTORNEY shall provide CITY and its authorized representatives or agents access to ATTORNEY's records which are directly related to this Contract for the purpose of inspection, auditing or copying. ATTORNEY shall maintain all records related to this Contract in an organized way in the original format, electronic and hard copy, conducive to professional review and audit, for a period of three (3) years from the date of final payment by CITY, except in the event of litigation or settlement of claims arising out of this Contract, in which case ATTORNEY agrees to maintain records through the conclusion of all such litigation, appeals or claims related to this Contract. ATTORNEY further agrees to maintain separate records for costs of work performed by amendment. ATTORNEY shall allow CITY or its representatives or agents to reproduce any materials as reasonably necessary. This Article applies to all subcontractors at any tier that are performing work under this Contract.

7.2 The cost proposal for this Contract is subject to audit at any time. After ATTORNEY receives any audit recommendations the Cost Proposal shall be adjusted by ATTORNEY and approved by CITY's General Counsel to conform to the audit recommendations. ATTORNEY agrees that individual items of cost identified in the audit report may be incorporated into this Contract at CITY's sole discretion. Refusal by the ATTORNEY to incorporate the audit or post award recommendations will be considered a breach of the Contract terms and cause for termination of the Contract.

ARTICLE 8. RESPONSIBILITY OF ATTORNEY

ATTORNEY shall be responsible for the professional quality, technical accuracy, and assurance of compliance with all applicable Federal, state and local laws and regulations and other services furnished by ATTORNEY under the terms of this Contract.

ARTICLE 9. REPORTING AND DELIVERABLES

All reports and deliverables shall be submitted in accordance with Exhibit A, "Scope of Work".

ARTICLE 10. CHANGES

- 10.1 The Work shall be subject to changes by additions, deletions, or revisions made by CITY. ATTORNEY will be advised of any such changes by written notification from CITY describing the change.
