Documents Required

- Current Title Report
- Boundary Map – The boundary map shall identify all Assessor's parcels within the project boundary and the boundary of the proposed district. The map must follow existing parcel lines and be certified by a licensed civil engineer. The wording to be provided on the Boundary Map is provided in the attachment entitled "Boundary Map Requirements." The boundary map shall initially be provided in PDF and later in Mylar for recordation.

The undersigned hereby declares that the property taxes and assessments are current for the properties included in this application and that the information contained in the application is accurate and complete to the best of the undersigned's knowledge.

In lieu of paying the required \$64,500 application deposit, the undersigned applicant hereby agrees that the proceeds from any bonds issued in connection with the proposed community facilities district ("CFD") shall be used to reimburse the City for the CFD formation cost, plus annual interest accrued at the Wall Street Journal prime rate as of the date the application is submitted. In the event the CFD is not formed and/or bonds are not issued within five (5) years from the date of this application, the undersigned applicant hereby agrees to reimburse the City for the CFD formation costs of \$64,500 or the total costs incurred, whatever is higher. If applicant fails to reimburse the City after receipt of a written request, the City may pursue all available legal remedies to recover payment.

By checking this box, the undersigned applicant chooses not to pursue bonds, and will pay the application deposit.
