

Fact Sheet

Paradise Road Pavement Rehabilitation (with ATP Project)

Project Description

The City will receive \$3,943,022 of ATP Cycle 3 funding for active transportation improvements to Paradise Road and streets near Modesto High School. The project will make ADA and bicycle improvements. In FY 2017-2018, \$25,000 of local funds were allocated to prepare environmental documents for the project. In order to satisfy the local match requirement, \$35,000 of Measure L funds will be programmed in FY 2020/21.

Eligible ATP grant work includes slurry seal only. The current Pavement Condition Index (PCI) of Paradise Rd. ranges from 4 to 31, which requires a more intensive rehabilitation to be effective. It is cost effective to do the pavement rehabilitation at the same time as the ATP grant project improvements. Preliminary costs of pavement rehabilitation (construction only) are estimated to be \$760,000.
