

CONTRACTOR LOGIN/REGISTRATION

Go to eTRAKiT by navigating to: <https://mode-trk.aspgov.com/eTRAKiT/> . Once there, make sure that you select "Contractor" and not "Public" to login. You will not be able to pay fees, schedule inspections or view the majority of your records if you are logged in as a "public" user.

Once you have selected "Contractor" in the drop down log in menu, you can select your company's name from the list of contractors to the right. If your email address has been provided to the City of Modesto, click on "FORGOT PASSWORD" and a link to update your password will be sent to you.

Once you have changed your password, it will take you to your DASHBOARD. This is the page where you will be able to apply for permits, schedule inspections, pay fees, etc. See the eTRAKiT link on the City's web page for more information.
