

NEIGHBORHOOD TRAFFIC CALMING PROGRAM (NTCP)

HOW IT WORKS

Steps	How it Works	Resources
Step 1: Residents and property owners see a need for action	Document your concerns, and confirm that your street is appropriate for traffic calming (local streets or minor collectors, with a posted speed limit of 25 to 35 miles per hour).	General Plan Figure V-1 Circulation Diagram (Appendix A, https://www.modestogov.com/DocumentCenter/View/18279/Neighborhood-Traffic-Calming-Program-NTCP)
Step 2: Residents/property owners complete and submit application	NTCP Application is available online (https://www.modestogov.com/FormCenter/Community-Economic-Development-Department-5/Neighborhood-Traffic-Calming-Program-NTC-374) and in Appendix E. The completed application must be accompanied by a petition showing resident support.	NTCP Application (Appendix E), https://www.modestogov.com/DocumentCenter/View/18265/Neighborhood-Traffic-Calming-Program-Application-Fillable-Form
Step 3: Acceptance into the program or denial of application	City staff will review accident data, and may conduct a speed survey or other monitoring to assess/confirm the need for traffic calming. Once information is collected, City staff will determine if the proposed project qualifies for the NTC Program, and will provide written notification to the email and/or address provided on the application.	Qualifying Criteria (Section 5.1, Appendix E, https://www.modestogov.com/DocumentCenter/View/18279/Neighborhood-Traffic-Calming-Program-NTCP)
Step 4: Prioritization of Projects	City staff will assign points to each qualifying project. Each year, the call for projects will conclude in November. Projects will be prioritized and ranked for consideration for design and construction in the next Fiscal year. Results and project ranking will be posted on the City's website in January of each year.	Priority ranking (Section 6.1, Appendix E, https://www.modestogov.com/DocumentCenter/View/18279/Neighborhood-Traffic-Calming-Program-NTCP)
Step 5: Implementation of Projects	As funding allows, projects will be selected for implementation. Typically, higher priority ranking projects will be selected. You will be notified of if your project is selected. Projects will stay on the list for a period of 4 years, after which they will be retired. Participants can reapply for qualifying retired projects.	Selection Notification (https://www.modestogov.com/2782/Neighborhood-Traffic-Calming-Program-NTC)

NEIGHBORHOOD TRAFFIC CALMING PROGRAM (NTCP)

PRIORITY RANKING

Category	Element	Assigned Points
Safety	Correctable Accident Records	5 points for each Fatality 4 points for each Suspected Serious Injury 3 points for each Suspected Minor Injury 2 points for each Possible Injury 1 point for each Property Damage Only
	Vehicle Speeds	2 points for each 5 percent of vehicles that exceed 10 mph of posted limit
	Vehicle Counts	2 points for each 1,000 vehicles of Average Daily Traffic Volume
	Pedestrian Use	1 point for each 500 pedestrians per day (If data is collected)
Location	Proximity to Pedestrian Generators	3 point for proximity to transit 3 point for proximity to schools 3 point for proximity to parks 3 point for other pedestrian generators
	Proximity to Planned Projects	3 points for adjacent to planned project 2 points for within 1,000 feet of planned project 1 point for within 2,500 feet of planned project
	Distribution of Projects	Up to 5 points for distribution of projects throughout the City
Policies	Consistent with City Policy Documents	Up to 5 points for consistency with various City Planning Documents
	Neighborhood Support	1 point for each 10% neighborhood support above qualifying 60%
Financial	Benefit Cost Analysis	10 points for BCR greater than 20 5 points for BCR greater than 10 1 point for BCR greater than 1

NEIGHBORHOOD TRAFFIC CALMING PROGRAM (NTCP)

ANNUAL IMPLEMENTATION SCHEDULE

Deliverable	Date
Annual Outreach "Call for Projects"	<i>June 30</i>
Annual Cut Off for Project Submissions	<i>September 30</i>
Annual Review of Submitted Projects	<i>October 30</i>
Annual Development of Priority Ranking for Qualifying Projects	<i>November 30</i>
Annual Selection of Projects	<i>December 31</i>
Annual Notification of Selected Projects	<i>January 31</i>
Program Update	<i>December, 2023</i>

For more information, please visit <https://www.modestogov.com/2782/Neighborhood-Traffic-Calming-Program-NTC>, email LDEPermits@modestogov.com or call (209) 342-4712
