Division Endnotes

Endnote 1

Land Surveyor portion of charge will be on a Time and Materials basis because this effort varies significantly.

Endnote 2

Significant additional connection fees apply.

Endnote 3

Does not include Land Surveyor review cost. Land Surveyor time will be charged on a Time and Materials basis.

Endnote 4

Additional fees charged if City employees perform paving or staking services.

For information call 209-571-5569.

Endnote 5

For lots greater than 100' frontage, each 100' or part thereof is considered to be one "lot" (distance to be measured to nearest 100 feet).

Endnote 6

Where no fee is shown, the work is to be performed by others as needed.

Endnote 7

Chargeable only when paving is done by City. Developer/Owner shall repave all trenches, unless otherwise approved by the City Engineer.

Endnote 8

Costs shall be paid for emergency or other work performed by City for public health and safety in addition to the following minimum charges:

Cleanup or dust control \$370.00 per street, Temporary Paving \$233.00 per street, Temporary Barricades \$142.00 each.

Endnote 9

A trench restoration fee of \$2.50 per square foot (sf) is charged in addition.
