

# What will Modesto look like in 2050?

**MODESTO 2050**  
Our City. Our Future.

## Community Workshops

### Please join us for a conversation about the future of Modesto

The City is updating its General Plan – a project called “Modesto 2050: Our City. Our Future.” We invite you to join us for an in-person community workshop to share your ideas about the future boundary of the city and what type of land use and development you want to see.

This workshop will be repeated in each of the six Council districts plus one citywide workshop to make it easy to attend. Spanish interpretation will be available at all workshops.
