

Stanislaus Foundation for Medical and Dental Care

2339 St Paul's Way
PO Box 576007
Modesto CA 95357

If your dental provider is not a current member of the
Stanislaus Foundation Dental PPO Network
or the
Stanislaus Foundation Traditional Dental Network,
please let them know they are welcome to contact our office for information on
becoming a network provider. The process is very easy, and will result in a cost
savings for City of Modesto employees and their covered dependents.

Simply ask your dental provider if they are willing to consider membership in the
Stanislaus Foundation dental network. If they say yes, have them contact us
using the information below. The Stanislaus Foundation will give your dental
provider the information they need and answer any questions they may have.
